

Whereas, Californians would consume 30 percent less gasoline by 2020 if fuel efficiency in new model light-duty vehicles were doubled to at least 40 miles per gallon, and that reduction in gasoline consumption would result in increased air quality throughout the state as well as a reduction in the state's dependency on foreign sources of petroleum; and

Whereas, hybrid electric drive train technology can significantly increase vehicle fuel efficiency and, simultaneously, greatly reduce a vehicle's smog-forming emissions; and

Whereas, several vehicle models, using hybrid electric drive train technology that achieves at least 45 miles per gallon and as much as 70 miles per gallon fuel efficiency ratings, are readily available to consumers in California; and

Whereas, Californians would greatly reduce their gasoline dependence, improve their own economic condition, and significantly better the environment and public health if they were to embrace the use of hybrid electric vehicles that achieve at least 45 miles per gallon ratings; and

Whereas, the primary purpose of High Occupancy Vehicle (HOV) lanes is to relieve traffic congestion by offering persons who carpool an easier commute; and

Whereas, in many instances, California's HOV lanes have excess capacity that could allow them to accommodate single-occupant hybrid electric vehicles temporarily, without degrading the HOV lanes' traffic flow or diminishing their attractiveness to carpools: Now, therefore, be it

*Resolved by the Assembly and Senate of the State of California, jointly.* That the President and the Congress of the United States of America are urged to take legislative action to allow single-occupant hybrid electric vehicles that achieve a fuel economy highway rating of at least 45 miles per gallon, and conform to any additional emissions category of the federal Environmental Protection Agency or the California Air Resources Board, or meet any other requirements identified by the responsible agency, to travel in California's High Occupancy Vehicle (HOV) lanes; and be it further

*Resolved.* That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, and to each Senator and Representative from California in the Congress of the United States.
