

INTRODUCING BILL TO PROHIBIT ANY REMITTANCE OF U.S. VOLUNTARY AND ASSESSED CONTRIBUTIONS TO THE UNITED NATIONS IF THE UNITED NATIONS IMPOSES ANY TAX OR FEE ON ANY UNITED STATES PERSON OR CONTINUES TO DEVELOP OR PROMOTE PROPOSALS FOR SUCH A TAX OR FEE

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Mr. PAUL. Mr. Speaker, I rise today to introduce a bill to prohibit any remittance of U.S. voluntary and assessed contributions to the United Nations if the United Nations imposes any tax or fee on any United States person or continues to develop or promote proposals for such a tax or fee.

The United Nations has for decades been looking for a way to develop and promote a system of direct taxation on American citizens. It is bad enough that the United States has wasted more than \$30 billion thus far on this corrupt and inept organization. U.N. bureaucrats want to find a way to put their hands directly in the taxpayer's pocket and do away with the U.S. Government middle man.

A current example of this determination to tax American citizens is the Law of the Sea Treaty. The "International Seabed Authority" created by the Law of the Sea Treaty would have the authority to—for the first time in history—impose taxes on American businesses and citizens. This treaty may be ratified at any time by the U.S. Senate and U.N. taxation of Americans will become a reality.

This is just one of many examples of the United Nations attempting to impose direct taxes on the American people. If we are to retain our sovereignty and our way of life we must reject completely any such attempt. Our forefathers rebelled against English rule over the issue of "taxation without representation is tyranny." It makes no sense at all more than 230 years later to subject ourselves to such a tyrannical arrangement.

I hope my colleagues will join me in supporting this legislation.

MARY DOLLISON—A MOTIVATING PERSONALITY

HON. MIKE PENCE

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Mr. PENCE. Mr. Speaker, Mary Dollison, of Muncie, Indiana, sees people's needs and selflessly works to help them. Yet her generosity does not stop there. Mary motivates others to do the same. In this way, she continues to dramatically improve children's lives, and as a result, transform the entire Muncie community. The Muncie Star Press newspaper publicly recognized her outstanding community service on December 31, 2004, when they declared her the "Person of the Year" for her work with Motivate Our Minds (MOM).

What began in 1987 as a group of 20 children in her living room has grown into a program of 350 to 400 students who meet for after-school activities in MOM's permanent facility in downtown Muncie. Starting MOMs and shepherding it to its present form was not always easy, though. Over the years, Mary dealt with major budget shortfalls, the lack of a permanent building, and numerous other potential roadblocks that would have caused other people to give up.

Fortunately, Mary persisted, and succeeded. MOMs secretary Lenella Maxwell says of her, "She is just a very giving and loving person. She has a heart for children. She loves God very much, and her family is important to her. She has a very contagious smile. It's just like magic watching when she works with children. She can bring out the best in them. She has a heart of gold, and she wants to just help people."

Mary recently told the Muncie Star Press, "I'm not happy not working with kids. My reward is just hearing young people or children come back and tell me stories that I've made a difference in their lives. The goal is still the same, help improve the lives of people, and I think education is one of the ways that we can help do that."

Mr. Speaker, I want to thank Mary Dollison for her tireless service to the Muncie community. She truly makes the community, and the world, a better place.

AIR FORCE VACANCIES

HON. CLIFF STEARNS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Mr. STEARNS. Mr. Speaker, as the United States fights the war against terrorism, some members of the Senate have put politics above the needs of our men and women in uniform by not acting on the nominations of a number of high level Air Force positions. The Air Force continues to play a central role in winning the war on terrorism. Yet, on December 8, 2004, the Senate returned four Presidential nominations to the Air Force without action.

The nominations included two nominations for promotion to the rank of lieutenant general as commanders of Numbered Air Forces, one lieutenant general nomination to a key position in the USAF Headquarters Staff, and one nomination to the rank of general as Commander of the Air Combat Command, the largest Air Force combatant command. I call upon the Senate to immediately act on these nominees.

I also ask for unanimous consent to include in the RECORD a letter from the Air Force Association to President Bush urging leadership of the Executive and Legislative branches to resolve these issues at once. Our fighting men and women deserve no less.

AIR FORCE ASSOCIATION,
Arlington, VA, January 25, 2005.

The PRESIDENT,
The White House,
Washington, DC.

DEAR MR. PRESIDENT: We are a nation at war . . . a war against global terrorism. On December 8, 2004, the Senate returned four Presidential nominations to the United States Air Force without action. The nominations included two nominations for promotion to the rank of lieutenant general as commanders of Numbered Air Forces, one lieutenant general nomination to a key position in the USAF Headquarters Staff, and one nomination to the rank of general as Commander of the Air Combat Command, the largest Air Force combatant command. Today, the leadership of this four star command is temporarily being provided by a lieutenant general at a time when our Air Force is heavily engaged in the Global War on Terrorism. The acting commander is scheduled to take command of a key Numbered Air Force in the Pacific, but this move has also been delayed pending Senate confirmation of the original nominee.

It is reported that the Senate Allied Services Committee has vowed to keep holding nominations of Air Force senior officers until the Pentagon cooperates more fully in regard to the recent issues surrounding the procurement of air refueling aircraft, which now average 43 years of service. These procurement activities resulted from the Air Force implementation of the refueling replacement acquisition strategy directed by the House Armed Services, House Appropriations, and Senate Appropriations Committees.
