

Services and the Committee on Environment and Public Works. As Chairman of the Environment and Public Works Committee, and as a member of the Armed Services Committee, I want to thank Chairman WARNER and Senator LEVIN for working together with Senator JEFFORDS and myself on this order.

Mr. WARNER. I thank Chairman INHOFE and as Chairman of the Committee on Armed Services, I am pleased to join him and our Committees' ranking members in supporting this order. I note that the issues for which the Assistant Secretary of the Army for Civil Works is responsible fall within the jurisdiction of both the Armed Services Committee and the Committee on Environment and Public Works.

Since the attacks of September 11, 2001, the Assistant Secretary of the Army for Civil Works has played an increasingly important role within the Department of Defense and the Department of the Army for homeland defense and homeland security. The Army protects and supports the American people in the event of natural and man-made disasters and emergencies. Army programs provide public works and engineering assistance to protect human life, reduce suffering, and mitigate damage, and Army response activities supplement State and local efforts. The Assistant Secretary of the Army for Civil Works also has responsibilities, in concert with the Chief of Staff of the Army, in directing the foreign activities of the U.S. Army Corps of Engineers and formulating and overseeing the budget of the Arlington National Cemetery, matters of great concern to the Armed Services Committee.

I note, as well, that there are matters under the Assistant Secretary of the Army for Civil Works' purview which are of concern to the Committee on Environment and Public Works. Army programs for conservation and development of national water resources, including flood control, navigation, and shore protection, come to mind. Consequently, I fully support this initiative noting that the order is identical to orders by the Senate in the 107th and 108th Congress.

Mr. JEFFORDS. I too support this order and I want to thank my colleagues on both the EPW Committee and Armed Services for working together on this joint request.

Mr. LEVIN. I want to thank my colleagues and I am pleased to join them in supporting this joint request.

ACTIONS OF RUSSIA REGARDING GEORGIA AND MOLDOVA

Mr. McCONNELL. I ask unanimous consent that the Foreign Relations Committee be discharged from further consideration and the Senate now proceed to S. Res. 69.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 69) expressing the sense of the Senate about the actions of Russia regarding Georgia and Moldova.

There being no objection, the Senate proceeded to consider the resolution.

Mr. McCONNELL. I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 69) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 69

Whereas the Organization for Security and Cooperation in Europe (OSCE) evolved from the Conference on Security and Cooperation in Europe (CSCE), which was established in 1975, and the official change of its name from CSCE to OSCE became effective on January 1, 1995;

Whereas the OSCE is the largest regional security organization in the world with 55 participating States from Europe, Central Asia, and North America;

Whereas the 1975 Helsinki Final Act, the 1990 Charter of Paris, and the 1999 Charter for European Security adopted in Istanbul are the principal documents of OSCE, defining a steadily evolving and maturing set of political commitments based on a broad understanding of security;

Whereas the OSCE is active in early warning, conflict prevention, crisis management, and post-conflict rehabilitation;

Whereas Russia and Georgia agreed at the 1999 OSCE Summit in Istanbul on specific steps regarding the withdrawal from Georgia of Russian forces, including military equipment limited by the Treaty on Conventional Armed Forces in Europe (CFE), and committed to resolve other key issues relating to the status and duration of the Russian military presence in Georgia;

Whereas Russia has completed some of the withdrawal from Georgia of military equipment limited by the CFE Treaty in excess of agreed levels, but has yet to agree with Georgia on the status of Russian forces at

the Gudauata base and the duration of the Russian presence at the Akhalkalaki and Batumi bases;

Whereas Russia completed the withdrawal from Moldova of its declared military equipment limited by the CFE Treaty, but has yet to withdraw all its military forces from Moldova, as Russia committed to do at the 1999 OSCE Summit in Istanbul;

Whereas Russia made virtually no progress in 2004 toward its commitment to withdraw its military forces from Moldova;

Whereas Moldova has called for a genuinely international peacekeeping force to replace the Russian forces, and insists on the implementation by Russia of its commitment to withdraw its remaining military forces from Moldova;

Whereas Secretary of State Colin Powell stated at the December 2004 OSCE Ministerial in Sofia, Bulgaria, that "Russia's commitments to withdraw its military forces from Moldova, and to agree with Georgia on the duration of the Russian military presence there, remain unfulfilled. A core principle of the CFE Treaty is host country agreement to the stationing of forces. The United States remains committed to moving ahead with ratification of the Adapted CFE Treaty, but we will only do so after all the Istanbul commitments on Georgia and Moldova have been met. And we stand ready to assist with reasonable costs associated with the implementation of those commitments.";

Whereas since June 2004, Russia has called for the closure of the OSCE Border Monitoring Operation (BMO), the sole source of objective reporting on border crossings along the border between Georgia and with the Russian republics of Chechnya, Dagestan, and Ingushetia;

Whereas OSCE border monitors took up their mission in Georgia in May 2000, and prior to the failure to extend the mandate for the BMO in December 2004, OSCE border monitors, who are unarmed, were deployed at nine locations along that border;

Whereas the current rotation of the BMO includes 65 border monitors from 23 countries, including Austria, Azerbaijan, Belarus, Belgium, Bulgaria, Croatia, the Czech Republic, Estonia, Finland, France, Hungary, Ireland, Lithuania, Macedonia, Moldova, Poland, Romania, Russia, Slovakia, Turkey, Ukraine, the United Kingdom, and the United States;

Whereas at the December 2004 OSCE Ministerial, Russia blocked renewal of the mandate for the BMO in Georgia;

Whereas Russia has stated that the BMO has accomplished nothing, but it has in fact accomplished a great deal, including observing 746 unarmed and 61 armed border crossings in 2004 and serving as a counterweight to inflammatory press reports;

Whereas in response to Russian complaints about the cost-effectiveness of the BMO, the OSCE agreed in December 2004 to cut the number of monitors and thereby reduce the cost of the BMO by almost half;

Whereas the BMO began shutting down on January 1, 2005;

Whereas the staff of the BMO is now dismantling facilities and is not performing its mission;

Whereas the shutdown of the BMO will become irreversible in the second half of March 2005 and is currently scheduled to be completed by May 2005;

Whereas the United States has reiterated its disappointment over the failure of the Permanent Council of the OSCE to reach consensus on renewing the mandate of the

BMO, despite request of Georgia, the host country of the BMO, that the OSCE continue the border monitoring operation, and the consensus of all states but one to extend the mandate for the BMO; and

Whereas United States Ambassador to the United States Mission to the OSCE, Stephan M. Minikes, said in a statement to the OSCE Permanent Council in Vienna on January 19, 2005, that "we believe that the closure of the BMO would remove a key source of peaceful relations and of objective reporting on events at the sensitive border and increase the likelihood of heightened Russia-Georgia tensions."; Now, therefore, be it

Resolved, That it is the sense of the Senate that the United States should—

(1) urge Russia to live up to its commitments at the 1999 Organization for Security and Cooperation in Europe (OSCE) Summit in Istanbul regarding Georgia and Moldova;

(2) in cooperation with its European allies, maintain strong diplomatic pressure to permit the OSCE Border Monitoring Operation (BMO) in Georgia to continue; and

(3) if the BMO ceases to exist, seek, in cooperation with its European allies, an international presence to monitor objectively border crossings along the border between Georgia and the Russian republics of Chechnya, Dagestan, and Ingushetia.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 71

Whereas today's youth are vital to the preservation of our country and will be the future bearers of the bright torch of democracy;

Whereas youth need a safe haven from various negative influences such as child abuse, substance abuse and crime, and they need to have resources readily available to assist them when faced with circumstances that compromise their safety;

Whereas the United States needs increased numbers of community volunteers acting as positive influences on the Nation's youth;

Whereas the Safe Place program is committed to protecting our Nation's most valuable asset, our youth, by offering short term "safe places" at neighborhood locations where trained volunteers are available to counsel and advise youth seeking assistance and guidance;

Whereas the Safe Place program combines the efforts of the private sector and non-profit organizations uniting to reach youth in the early stages of crisis;

Whereas the Safe Place program provides a direct way to assist programs in meeting performance standards relative to outreach and community relations, as set forth in the Federal Runaway and Homeless Youth Act guidelines;

Whereas the Safe Place placard displayed at businesses within communities stands as a beacon of safety and refuge to at-risk youth;

Whereas more than 700 communities in 41 states and more than 14,000 locations have established Safe Place programs;

Whereas more than 75,000 young people have gone to Safe Place locations to get help when faced with crisis situations;

Whereas through the efforts of Safe Place coordinators across the country each year more than one-half million students learn that Safe Place is a resource if abusive or neglectful situations exist; and

Whereas increased awareness of the program's existence will encourage communities to establish Safe Places for the Nation's youth throughout the country: Now, therefore, be it

Resolved, That the Senate—

(1) proclaims the week of March 13 through March 19, 2005 as "National Safe Place Week" and

(2) calls upon the people of the United States and interested groups to promote awareness of and volunteer involvement in the Safe Place programs, and to observe the week with appropriate ceremonies and activities.

Mr. McCONNELL. I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 79 submitted earlier today by Senators CORZINE and LAUTENBERG.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 79) expressing the sense of the Senate in marking the dedication on March 15, 2005, of the expanded museum complex at Yad Vashem, the Holocaust Martyrs and Heroes Remembrance Authority in Israel, in furtherance of Yad Vashem's mission to document the history of the Jewish people during the Holocaust, to preserve
