

*Resolved*, That a copy of this Resolution shall be transmitted to the president of the United States, the secretary of the United States Senate, the clerk of the United States House of Representatives, and each member of the Louisiana delegation to the United States Congress.

POM-390. A concurrent resolution adopted by the House of Representatives of the Legislature of the State of Louisiana relative to taking such actions as are necessary to support the Marriage Protection Amendment; to the Committee on the Judiciary.

#### HOUSE CONCURRENT RESOLUTION NO. 235

Whereas, marriage is a sacred institution that has endured for centuries as the bedrock of a healthy and successful family; and

Whereas, the stable and healthy marriage is the most beneficial circumstance within which to rear children; and

Whereas, marriage has been reflected historically in the laws of the United States and of the individual states as the union of a man and a woman; and

Whereas, in the 2004 Regular Session of the Louisiana Legislature, Act No. 926 provided that marriage in this state shall consist only of the union of one man and one woman; and

Whereas, Act No. 926 of the 2004 Regular Session was approved by eighty-three percent of the House of Representatives and seventy-nine percent of the Senate; and

Whereas, Act No. 926 of the 2004 Regular Session was submitted to the voters of Louisiana on September 18, 2004, and was approved by seventy-eight percent of the voters; and

Whereas, thirteen other states of the United States have approved similar constitutional amendments limiting marriage to the union of one man and one woman; and

Whereas, the protection of marriage is essential to the continued strength of the nation, and it is vital that Congress and the United States senators from Louisiana vote to support the Marriage Protection Amendment: Therefore be it

*Resolved*, That the Legislature of Louisiana does hereby memorialize the United States Congress and Senators Mary Landrieu and David Vitter to take such actions as are necessary to support and vote for the Marriage Protection Amendment presently pending in the United States Senate; and be it further

*Resolved*, That a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each of the United States senators from Louisiana.

POM-391. A joint resolution adopted by the General Assembly of the State of Tennessee relative to the addition of a balanced budget amendment to the United States Constitution; to the Committee on the Judiciary.

#### SENATE JOINT RESOLUTION NO. 574

Whereas with each passing year our nation falls further into debt as federal government expenditures repeatedly exceed available revenue; and

Whereas the federal public debt now stands at approximately \$8.2 trillion, which equates to \$27,600 of debt for every man, woman, and child in America; and

Whereas the annual federal budget has risen to unprecedented levels, demonstrating an unwillingness or inability of both the legislative and executive branches of federal government to control the federal debt; and

Whereas fiscal discipline is a powerful means for strengthening our nation; with a

constitutional provision requiring a federal balanced budget, less of America's financial resources would be channeled into servicing the national debt and more of our tax dollars would be available for public endeavors that reflect our national priorities, such as education, health, the security of our nation, and the creation of jobs; and

Whereas Thomas Jefferson recognized the importance of a balanced budget when he wrote: "The question whether one generation has the right to bind another by the deficit it imposes is a question of such consequence as to place it among the fundamental principles of government. We should consider ourselves unauthorized to saddle posterity with our debts, and morally bound to pay for them ourselves."; and

Whereas state legislatures overwhelmingly recognize the necessity of maintaining a balanced budget; whether through constitutional requirement or by statute, 49 states require a balanced budget; and

Whereas in promoting the broadest principles of a government of, by, and for the people, one of the core functions of the United States Constitution is to enumerate and limit federal power; and

Whereas the federal government's unlimited ability to borrow involves decisions of such magnitude, with such potentially profound consequences for the nation and its people, today and in the future, that it is an appropriate subject for limitation by the United States Constitution; and

Whereas the United States Constitution vests the ultimate responsibility to approve or disapprove amendments to the Constitution with the people of the several states, as represented by their elected legislatures: Now, therefore, be it

*Resolved by the Senate of the One Hundred Fourth General Assembly of the State of Tennessee, the House of Representatives Concurring*, that we hereby strongly urge the United States Congress to propose, adopt, and submit to the states for ratification an amendment to the United States Constitution requiring a balanced federal budget on an annual basis, except in times of extreme national emergency; and be it further

*Resolved*, that an enrolled copy of this resolution be transmitted to the President and the Secretary of the United States Senate, the Speaker and the Clerk of the United States House of Representatives, and each member of Tennessee's Congressional delegation.

POM-392. A resolution adopted by the Senate of the General Assembly of the State of Tennessee relative to the "Constitution Restoration Act of 2005"; to the Committee on the Judiciary.

#### SENATE RESOLUTION NO. 158

*Resolved by the Senate of the One Hundred Fourth General Assembly of the State of Tennessee*, That through passage of this resolution, this body hereby memorializes the United States Congress to enact S. 520 and H.R. 1070 of the 109th Congress, which bears the short title "Constitution Restoration Act of 2005", and by enacting such legislation protect the ability of the people of our state and nation to:

- (1) Display the Ten Commandments in public buildings and public places in this state and nation;
- (2) Express their faith in public;
- (3) Retain God in the Pledge of Allegiance;
- (4) Retain "In God We Trust" as our national motto; and
- (5) Otherwise acknowledge God as the sovereign source of law, liberty, and govern-

ment in these United States; and be it further

*Resolved*, That an enrolled copy of this resolution be transmitted to the Speaker and the Clerk of the United States House of Representatives; the President and the Secretary of the United States House of Representatives; the President and the Secretary of the United States Senate; and to each member of Tennessee's delegation to the United States Congress.
