

HOUSE OF REPRESENTATIVES—Monday, January 28, 2008

The House met at 2 p.m. and was called to order by the Speaker pro tempore (Mr. BUTTERFIELD).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
January 28, 2008.

I hereby appoint the Honorable G.K. BUTTERFIELD to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

Lord God, author of life and source of eternal love, You have revealed Yourself in human terms so that we may sense Your presence and in our minds hold onto Your commands.

Help us in Congress and as a nation to respect one another as You respect all and endow each human life with inalienable rights.

According to Your provident ways each age is blessed with unique personalities and particular persons who are given significant positions and great responsibilities.

Because the President of the United States of America has constitutional duties, overwhelming demands, powerful decisions to make, and enormous influence upon world history, he is always in need of our prayers.

As this Chamber and this body is readied to welcome President George W. Bush for his State of the Union Address, we ask Your blessing upon him, his Cabinet, all his advisers, and especially his family. Guide him, protect him. Grant him health and Your saving grace; that Your people may be united and strengthened in truth, goodness, and peace. This we ask calling upon Your holy name. Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from South Carolina (Mr.

WILSON) come forward and lead the House in the Pledge of Allegiance.

Mr. WILSON of South Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

MODERNIZING FOREIGN INTELLIGENCE SURVEILLANCE ACT

(Mr. HOLT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOLT. Mr. Speaker, later this week Congress will return to the issue of how best to modernize the Foreign Intelligence Surveillance Act. In November in this House of Representatives, we passed a very good bill. We would do well to observe the principles established in that bill.

Any final review of domestic surveillance passed by Congress should include court review of executive branch actions. The reason for this requirement is quite simple. Having a legal standard of review provides us both better intelligence and better civil liberty protections for our people. It is simple. It has been demonstrated that when officials must establish before an independent court that they know what they are doing, that they have reason to intercept communications, we get better intelligence. And, of course, that's the point, to have the intelligence to protect the American people from indiscriminate collection and fishing expeditions. Those are not productive.

In November, we passed a bill that would do this, the RESTORE Act. That bill guarantees court review of executive branch actions related to surveillance activities. I would commend that bill to this House.

BONUS DEPRECIATION

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, I rise today to thank the bipartisan leadership and the White House for including a bonus depreciation provision in the proposed economic stimulus package.

Currently, the package we plan to vote on tomorrow will include a 50 percent bonus depreciation for the first year for certain machinery and equip-

ment purchases. This increase in bonus depreciation was included in the Jobs Tax Relief Act of 2003 and contributed to the productivity of small businesses, a boost in job creation, and a steady rise in the growth of the economy over the last 5 years. This incentive for small businesses enables them to compete with foreign competitors. The best way to weather this current economic storm is to build on the principles that have made our economy the envy of the world. That means lower taxes, less government regulation, and economic incentives for American businesses. We should promote the concept that the people should keep their own money which they know how to spend best as explained by editor Jerry Bellune of the Lexington County Chronicle.

In conclusion, God bless our troops, and we will never forget September the 11th.

JOBS TRAINING PROGRAM

(Mr. DAVIS of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of Illinois. Mr. Speaker, I know we are going to be looking at economic stimulus packages, and we are going to be trying to jump-start and help our economy. It is my belief that one way that we can do that is to make sure that we provide a jobs training program for the 1 million young people across the country who don't have any money, no job, no employment, many of them are out of school.

Let's consider a job training program for our young people as a part of the economic stimulus package.

UNCLE SAM'S BIG BAILOUT

(Mr. POE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE. Mr. Speaker, the gloom, doom, and depressed say the economy is in trouble. The naysayer's solution is a big government bailout.

Since Uncle Sam has apparently spent the money brought in by income taxpayers, he will just borrow \$150 billion and give it away to Americans, many of whom don't even pay income tax.

The idea is that Americans will rush out and spend the free money and that will allegedly help the economy. But the last time the Feds gave away money, 75 percent of the recipients
