CORRECTION TO THE CONGRESSIONAL RECORD OF MONDAY, SEPTEMBER 29, 2008, AT PAGE 23363

METHAMPHETAMINE PRODUCTION PREVENTION ACT OF 2008

Mr. MARKEY. Madam Speaker, I ask unanimous consent that the Committee on Energy and Commerce and the Committee on the Judiciary be discharged from further consideration of the Senate bill (S. 1276) to establish a grant program to facilitate the creation of methamphetamine precursor electronic logbook systems, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

The text of the Senate bill is as follows:

S. 1276

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Methamphetamine Production Prevention Act of 2008”.

SEC. 2. CLARIFICATIONS REGARDING SIGNATURE CAPTURE AND RETENTION FOR ELECTRONIC METHAMPHETAMINE PRECURSOR LOGBOOK SYSTEMS.

Section 310(e)(1)(A) of the Controlled Substances Act (21 U.S.C. 830(e)(1)(A)) is amended by striking clauses (iv) through (vi) and inserting the following:

“(iv) In the case of a sale to which the requirement of clause (iii) applies, the seller does not sell such a product unless the sale is made in accordance with the following:

“(I) The prospective purchaser—

“(aa) presents an identification card that provides a photograph and is issued by a State or the Federal Government, or a document that, with respect to identification, is considered acceptable for purposes of sections 274a.2(b)(1)(v)(A) and 274a.2(b)(1)(v)(B) of title 8, Code of Federal Regulations (as in effect on or after March 9, 2006); and

“(bb) signs the written logbook and enters in the logbook his or her name, address, and the date and time of the sale, or for transactions involving an electronic logbook, the purchaser provides a signature using one of the following means:

“(AA) Signing a device presented by the seller that captures signatures in an electronic format. Such device shall display the notice described in clause (v). Any device used shall preserve each signature in a manner that clearly links that signature to the other electronically-captured logbook information relating to the prospective purchaser providing that signature.

“(BB) Signing a bound paper book. Such bound paper book shall include, for such purchaser, either (aaa) a printed sticker affixed to the bound paper book at the time of sale which either displays the name of each product sold, the quantity sold, the name and address of the purchaser, and the date and time of the sale, or a unique identifier which can be linked to that electronic information, or (bbb) a unique identifier which can be linked to that information and which is written into the book by the seller at the time of sale. The purchaser shall sign adjacent to the printed sticker or written unique identifier related to that sale. Such bound paper book shall display the notice described in clause (v).

“(CC) Signing a printed document that includes, for such purchaser, the name of each product sold, the quantity sold, the name and address of the purchaser, and the date and time of the sale. Such document shall be printed by the seller at the time of the sale. Such document shall contain a clearly identified signature line for a purchaser to sign. Such printed document shall display the notice described in clause (v). Each signed document shall be inserted into a binder or other secure means of document storage immediately after the purchaser signs the document.

“(II) The seller enters in the logbook the name of the product and the quantity sold. Such information may be captured through electronic means, including through electronic data capture through bar code reader or similar technology.

“(III) The logbook maintained by the seller includes the prospective purchaser’s name, address, and the date and time of the sale, as follows:

“(aa) If the purchaser enters the information, the seller must determine that the name entered in the logbook corresponds to the name provided on such identification and that the date and time entered are correct.

“(bb) If the seller enters the information, the prospective purchaser must verify that the information is correct.

“(cc) Such information may be captured through electronic means, including through electronic data capture through bar code reader or similar technology.

“(v) The written or electronic logbook includes, in accordance with criteria of the Attorney General, a notice to purchasers that entering false statements or misrepresentations in the logbook, or supplying false information or identification that results in the entry of false statements or misrepresentations, may subject the purchasers to criminal penalties under section 1001 of title 18, United States Code, which notice specifies the maximum fine and term of imprisonment under such section.

“(vi) Regardless of whether the logbook entry is written or electronic, the seller maintains each entry in the logbook for not fewer than 2 years after the date on which the entry is made.”

The Senate bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.
