

Mr. BLUNT. So the schedule for next week is Tuesday through Friday, and we are looking at the items we discussed plus the possibility of other work that might come from the Senate.

I yield.

Mr. HOYER. I thank the gentleman for yielding.

Obviously Friday is on the schedule. I expect we will be here on Friday. We have some other legislation on the suspension calendar. I don't know how extensive that will be.

Clearly we have been talking about FISA. FISA authorization ends on Friday. Again, we have a difference in perception of the consequences of that; but nevertheless, we have scheduled Friday so we are available depending on what the Senate does and depending on whether we can get to some agreement to ensure our presence to act on that, if possible.

Mr. BLUNT. I thank the gentleman for that information.

#### DISPENSING WITH CALENDAR WEDNESDAY BUSINESS ON WEDNESDAY NEXT

Mr. HOYER. Mr. Speaker, I ask unanimous consent that the business in order under the Calendar Wednesday rule be dispensed with on Wednesday next.

The SPEAKER pro tempore (Mr. SESTAK). Is there objection to the request of the gentleman from Maryland? There was no objection.

#### OUR OF MEETING ON TOMORROW

Mr. HOYER. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 10:30 a.m. tomorrow, and further, when the House adjourns on that day, it adjourn to meet at 12:30 p.m. on Tuesday, February 12, for morning-hour debate.

There was no objection.

#### HONORING OFFICER CHRISTOPHER RIDLEY

(Mr. ENGEL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ENGEL. Mr. Speaker, nearly 2 weeks ago Officer Christopher Ridley, age 23, of the Mount Vernon New York Police Department saw a street scuffle outside a county social services building in White Plains, New York. While off duty and in plain clothes, he drew his service weapon and attempted to break up the fight.

Unfortunately, officers from the Westchester County police also came upon the scuffle and tragically and mistakenly fired on Officer Ridley, who was killed.

Last week I attended the wake and funeral of Officer Ridley in the City of Mount Vernon, which is in my congressional district. Hundreds of local residents, police, and others from throughout the area turned out to pay their final respects. My heart goes out to Officer Ridley and his family by this terrible tragedy. One of our finest was struck down at a very young age, which is around the age of two of my children.

The investigation into the shooting has begun, but the life of a brave 23-year-old is already taken. I ask my colleagues to remember Officer Ridley, who was posthumously promoted to detective, and also remember so many others for the brave sacrifice they make each and every day protecting us and our communities.

We must always remember those in law enforcement for the difficult job they are called to do each and every day.

May Detective Ridley always be remembered for his brave commitment to maintaining the peace and keeping us safe.

#### RECOGNIZING PERIANESTHESIA NURSE AWARENESS WEEK

(Ms. FOXX asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. FOXX. Mr. Speaker, I rise today to praise and recognize the efforts of the Nation's more than 57,000 perianesthesia nurses. This week is PeriAnesthesia Nurse Awareness Week, a week that is dedicated each year to celebrating the important work that perianesthesia nurses do.

America's perianesthesia nurses practice in all phases of preanesthesia and postanesthesia care, ambulatory surgery, pain management, and special procedure areas.

The theme of this year's awareness week is "Advocacy." The American Society of PeriAnesthesia Nurses has designated advocacy as this year's theme in recognition of how the depth and breadth of perianesthesia nursing meets the varied health care needs of the American population in a broad range of nursing environments.

The American Society of PeriAnesthesia Nurses, which represents the perianesthesia nurses of this country, strives to advance nursing practice through education, research, and standards. The important work of perianesthesia nurses is best exemplified by their commitment to quality health care and the safety of patients in both hospital and ambulatory surgery settings.

Our Nation's demand for perianesthesia nurses will increase in the coming years as the American population ages, as we make new advances in medicine that prolong life, and as we continue to witness the meteoric expansion of home health care services. Perianesthesia nurses play a vital role in the operation and success of our Nation's health care system.

I ask my colleagues and my fellow Americans to join me in honoring the perianesthesia nurses who care so unselfishly and professionally for us all. The work they do happens every day all year round, and I hope they receive our appreciation on more than just this special week in their honor.
