

He was a member of the "Greatest Generation" and served his country with distinction and honor in World War II in the European Theatre.

Mr. Sparks has been a resident of St. Joseph, Michigan for more than 80 years. To say that Tom Sparks is a man who has been active in his community would be a gross understatement. Mr. Sparks has rarely missed a meeting of the St. Joseph City Commission over the last eight decades. He was first elected to serve on the St. Joseph City Commission in 1948 and served as Mayor of his adopted hometown from 1955 to 1963. Even into his 90s—his name appeared on the ballot seeking a seat on the City Commission.

Mr. Sparks retired from the City of Benton Harbor as assistant to the superintendent and a building inspector in 1975 at the age of 67. As part of his birthday celebration, it is fitting he is being recognized by City Commissioners in St. Joseph.

FREEDOM FOR CARLOS MARTÍN  
GOMEZ

HON. LINCOLN DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 13, 2008

Mr. LINCOLN DIAZ-BALART of Florida. Madam Speaker, I rise today to remind my colleagues about Carlos Martín Gomez, a political prisoner in totalitarian Cuba who continues his struggle to bring human rights and dignity to the people of Cuba.

In 2000 Cuban regime thugs arrested Mr. Martín for "desecrating" the thug-in-chief Fidel Castro. How exactly does one desecrate a tyrannical despot? In Mr. Martín's case by going to the Jose Martí Airport and calling out loud for the end of Fidel Castro's oppression of the Cuban people. Such a brave act earned Mr. Martín a 4-year sentence in the gulag.

The regime may have thought they could quiet Mr. Martín's calls for the end to the dictatorship by throwing him into a prison to suffer under unbearable conditions. But Mr. Martín would not let the walls of the gulag suffocate his continued calls for a free Cuba. Because of his continued crusade to bring freedom to the Cuban people, the regime added somewhere between 14 years and 37 years to his sentence.

Now the dictatorship is trying a different tactic to silence Mr. Martín, they are refusing to provide him with adequate medical care after a fish bone got caught in his throat. According to his sister, Mr. Martín has lost considerable weight as he is only able to ingest liquids due to his untreated throat condition.

Despite the gangster tactics and heinous threats against him, Mr. Martín refuses to back down and be silenced by the totalitarian regime. He still bravely continues to demand human rights and dignity for the Cuban people. On November 5, 2007, Mr. Martín released the following statement for the Cuban people from his prison:

Cuba is a big prison which the regime has filled with prisons, poverty, famine and disease. The communist thugs have subjected us to this for 48 years. Hopefully, soon we

will see freedom in the beautiful land of our birth, and that nobody has to flee . . . I reiterate my affection, respect and love, from the No. 3 cell of the Melena del Sur prison, in Havana province, to all who in one form or another, struggle for the independence and freedom of Cuba.

Madam Speaker, it is unconscionable that Carlos Martín Gomez is locked in a filthy dungeon for calling for human rights and freedom for the Cuban people. My colleagues, we must demand the immediate and unconditional release of Carlos Martín Gomez and every political prisoner in totalitarian Cuba.

COMMEMORATING THE OPENING  
OF THE STEVEN E. COPELAND  
GOVERNMENT CENTER

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 13, 2008

Mr. BURGESS. Madam Speaker, I rise today to commemorate the grand opening of the Steven E. Copeland Government Center in Cross Roads, Texas in Denton County. The grand opening for this new facility is Friday, February 22, 2008.

The center is named in honor of the late Steven Everett Copeland, an enthusiastic employee of Denton County Road and Bridge East. Mr. Copeland is remembered by his fellow workers and supervisors as a person who took pride in a job done well and was dedicated to giving his best to the citizens of Denton County. This center is dedicated to honor both his memory and his contributions to the local community.

This center will provide the citizens of Denton County increased access to county services and local government officials, including the County Commissioner for Precinct 1, Constable, County Clerk, Justice of the Peace, Tax Assessor, Probation Officers, and the Denton County Sheriff. Many local officials have already moved into the new facility, saying it allows them to be closer to their constituents and provides more efficient access for the public. Local residents are able to pay county taxes, register vehicles, and receive new license plates for their vehicles.

Along with these government offices, the Steven E. Copeland Government Center will also house a community room which is available to the public for use. Denton County has committed itself to providing the best for its citizens, and this new center is a shining example of that commitment.

Madam Speaker, it is with great honor that I congratulate Denton County Commissioner Cynthia White and the Commissioners Court on the opening of this facility. I am proud to represent Denton County in the 26th District of Texas and look forward to seeing the positive effects this center will have on the community.
