

edge among competitors while preventing 26.7542 tons of nitrogen oxides from polluting our North Texas skies over the next 7 years.

The Texas Emissions Reduction Program presents businesses with the opportunity to "go green" by trading in their vehicles for cleaner, more economical diesel engines. TERP provides rebates and grants to help replace aging diesel engines that consume more fuel and generate more pollution than newer models.

All together, North Texas businesses have accumulated more than \$3.3 million in savings and cut down pollution by nearly 353 tons to date. The rebates and grants offered by TERP set a positive example of the benefits of replacing and modifying older diesel engines for the Nation.

Madam Speaker, I am privileged to represent such an environment-savvy and cost-conscious company in Texas' 26th Congressional District. I am certain that A and M Excavating's involvement in the Texas Emissions Reduction Program will encourage other area businesses to apply for the program in the future.

CAFÉ 2115—ANOTHER GREAT  
ADDITION TO HARLEM CUISINE

**HON. CHARLES B. RANGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 3, 2008*

Mr. RANGEL. Madam Speaker, today I would like to introduce and recognize Café 2115 in my home community, an example of the dining and retail renaissance in Harlem, and to enter into the RECORD an article from New York CaribNews for the week ending March 4, 2008, "Harlem's Finest with African Flavor."

Café 2115, recently opened at 2115 Frederick Douglas Boulevard, blends traditional African dishes with American fare and other delicacies from around the world. The owner, Abe Fofanah is a native of Sierra Leone, who came to the United States in 1998.

People who live in Harlem now have multiple options for shopping and dining that do not require them to leave the community. This is but one example of the richness of new restaurants and retail outlets that are opening in the 15th Congressional District on a daily basis. There is a renaissance occurring in Harlem.

**HON. RUSH D. HOLT**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 3, 2008*

Mr. HOLT. Madam Speaker, earlier this year, six remarkable New Jersey public servants retired from the Middletown Township Police Department. Let me take a few moments to tell you a little bit about each of these men.

Lieutenant William C. Best joined the Middletown Township Police Department in June 1971. Bill spent 20 years in the Patrol Division, working daily to help keep his community safe, and moving up through the ranks in the department until becoming a Patrol Lieutenant in April 2006. After more than 36 years on the force, Bill decided it was time to spend more time with his wife of 43 years, Sandra, their children, Kim and Amanda, and their two grandchildren—Molly and Teddy. I should also note that Bill's service to his country included a stint in the Navy from November 1961 through November 1963. Bill was a witness to history during this time, as he served aboard the aircraft carrier *Saratoga* during the Cuban Missile Crisis in October 1962.

Lieutenant Stanley Malinowski joined the department in December 1972, and over his nearly 36 year career he held multiple assignments in the Patrol Division and the Community Relations/DARE program. Like Lieutenant Best, Lieutenant Malinowski served his country in the Navy before joining the police department. Stanley is a Vietnam veteran, having served from 1965 to 1969. He spent three of his four years in the Navy aboard the guided missile destroyer USS *H.B. Wilson*, with multiple tours in Vietnam.

Detective First Class Barry Grimm joined the force in June 1971, and he held numerous assignments in the Patrol and Detective Divisions over the course of his more than 36 years with the department. Barry was one of

the department's arson investigation experts, and was an instructor at the National Fire Academy for more than 20 years. Barry has also been a member of the Middletown Township Fire Department since 1968 and served as its chief in 1999. Barry is looking forward to spending more time with his wife of 36 years, Birgit Mosehach Grimm, their four children, Amy, Michael, Christopher and Shawn, his son-in-law Patrick and daughter-in-law Bethany, and his two grandchildren Owen and Sophie.

Detective First Class Richard Rast joined the force in November 1977. During his more than 30 years on the force, Detective Rast served in the Patrol Division, the Community Relations Division, the Traffic Division, and the Detective Division. Detective Rast is a member of the Eastern State Criminal Investigators Association and the New Jersey Vehicle Theft Investigators Association. Like Lieutenants Best and Malinowski, Detective Rast is a Navy veteran, having served during the Vietnam era between January 1969 and November 1971. Rich and his wife Gloria have been married 38 years. They have two children, Bonnie and Sarah, and four grandchildren—Rebecca, Julia, and Brooke.

Corporal Frank Holden joined the department in August 1987 and retired on December 31, 2007. During his 20 year career in the Patrol Division, Corporal Holden received numerous awards for his work, both from the department and from community groups, including the Women's Center of Monmouth County, the American Legion Post 338 of Middletown, and the Middletown Fraternal Order of Police. Corporal Holden has been extremely active in his community as a fundraiser for multiple charities, including The Rainbow Foundation, Jason's Dreams for Kids, The Special Olympics, The Lance Armstrong Foundation, and Victory Junction Gang Camp. Frank and his wife Carol have lived in the Locust section of Middletown for the past 16 years. They have three children—Jennifer, Sara, and Adam.

Corporal Glenn Morehead joined the department in December 1980 and retired in December 2007. He received multiple awards during his long career, and his commitment to his community extended well beyond his work as a police officer. Corporal Morehead served over 20 years each with Leonardo First Aid Company, the Lincroft Fire Company, and the Middletown Township Fire Academy. In July 2008, Corporal Morehead and his wife will celebrate their 30th wedding anniversary. The Moreheads also have a son, Matthew.

I think it's important for their neighbors and the citizens of their community to understand just how fortunate Middletown has been to have had these six men in public service for so long. For decades, they helped keep Middletown and its residents safe from criminals, fires, and disasters—both natural and man-made. Their involvement in the community has enriched lives and helped make Middletown the wonderful place to live that it is today. As each of these men and their families begin a new chapter in their lives, I want them to know that they have my sincere thanks for their long years of service and my best wishes for the future. Congratulations and well done.
