HONORING LENAPE MIDDLE
SCHOOL

HON. PATRICK J. MURPHY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 22, 2008

Mr. PATRICK J. MURPHY of Pennsylvania. Madam Speaker. I rise today to honor the 50th anniversary of Lenape Middle School in Doylestown, Pennsylvania. This school has a long and notable history of educating Bucks County's youth as well as helping the greater community.

Lenape Middle School began its service to Bucks County when it opened on September 4, 1957. Originally serving all of Central Bucks School District, Lenape Middle School now educates students living in Doylestown, Doylestown Township, and parts of New Britain Township. Despite being the smallest of the Central Bucks School District's middle schools, Lenape Middle School is proudly one of the most diverse schools in the district.

Lenape Middle School is also home to several important scholastic programs. Lenape serves as the regional school for various district special education programs as well as serving as the host school for all English as a Second Language students. In honor of its notable academic work, Lenape Middle School was named a "School to Watch" by the National Forum to Accelerate Middle-Grades Reform in April 2007.

In addition, Lenape Middle School boasts distinguished participation in community service and outreach. Lenape is deeply involved in the 40 Assets project. This program seeks to recognize students for making a difference in the lives of one of their peers, teachers, or neighbors. Also, Lenape students actively participate in various community service organizations such as Ponds for Kids, the Relay for Life, and Recycle 4 Relay Campaign.

Lenape Middle School is an exceptional example of an outstanding academic institution. The outstanding work of both Lenape's students and teachers significantly improves the Bucks County community. Madam Speaker, I am proud to represent Lenape Middle School and grateful for the opportunity to recognize Lenape's 50th anniversary.

Mr. RANGEL. Madam Speaker:

Whereas, Since 1967, The Harlem Commonwealth Council has been dedicated to empowering the Harlem community through job creation and ownership of local commerce, industry and real estate. From the time of its humble beginnings, they have embarked in a mission to stimulate the overall economic development of Harlem through the creation of enterprises, generation of jobs, and improvement of services; and

bility in Harlem through economic development projects, academic empowerment, and entrepreneurial support; and

Whereas, Harlem Commonwealth Council has the distinction of having made historically significant contributions to its vibrant multicultural community in many instances without the financial support of governmental agencies or outside entities. Through a team of Harlem professionals, community and business leaders, it continues to engineer new initiatives that will foster and sustain economic prosperity to Harlem's residents and businesses; and

Whereas, Leading the way towards the future of the Harlem Commonwealth Council is none other than the distinguished Harlem veterinarian Dr. Joseph L. Tait. While pursuing Veterinary goals, he became a Director in the Commonwealth Holding Company, Inc. Board. Through hard work and perseverance he gained the confidence of his peers who elevated him to the position of Chairman of The Council and ultimately the President and CEO. As President, Dr. Tait has shifted the focus to include reaching out to the young people of our community to offer opportunities for growth professionally and educationally; and

Whereas, As the Harlem Commonwealth Council celebrates forty-one years of service to the Harlem community, it is important to note that when the world had given up on Harlem and urban communities like it nationwide, HCC and other community based organizations, business owners and residents did not.
