

years, Hope and Harvey Schechter. They are being honored at the 7th Annual Hillel 818 Dinner Celebration for their generous support and outstanding contributions to Los Angeles Valley College and to our community.

I have had the pleasure of working with Hope and Harvey throughout the years on many important issues of concern to the San Fernando Valley, the State of California and our Nation. I value their counsel, respect their knowledge and appreciate the help they have given me in my career.

Harvey is a remarkable individual who has dedicated his life to protecting our civil rights and combating anti-Semitism and racial discrimination. From 1952, when he began his impressive career with the Anti-Defamation League (ADL), until 1993 when he retired as Western States Regional Director of the ADL Foundation, he has been at the forefront on critical humanitarian issues of concern to the ADL, the Jewish community and the world at large. Harvey has been a mentor, confidant, friend, teacher and inspiration to others during his career. His speeches, writings, and incomparable wit have enriched all who have had the good fortune to know him.

Following Harvey's retirement from the ADL, he rediscovered the joy of learning at Los Angeles Valley College. He touched the lives of hundreds of students as he shared with them the knowledge he has gained in his 84 years.

Hope is an outstanding example of the American dream. Born in a small mining town in Arizona to Mexican-American parents who spoke no English, she overcame tremendous challenges to achieve great success. After dropping out of high school, she worked at menial jobs, including as an underpaid garment industry worker. Her personal experience with the injustices to unskilled workers led her to a career as a union organizer for the International Ladies Garment Workers Union. She helped improve the quality of life for hundreds of workers by her determination, positive attitude and resilience. Her career includes many significant contributions to our community, including Community Service Organizer, fighting for safe neighborhoods, establishing the first Head Start Operation in Los Angeles County, helping resolve racial issues as a member of the Board of Directors of the Council of Mexican American Affairs and many more. She became a Certified Court Reporter, established her own firm and was the first woman elected President of the General Court Reporters Association. During my brief period in law practice, Hope was my court reporter of choice.

Beyond her community contributions, Hope has been a valuable asset to the California Democratic Party, serving for many years on the California Democratic State Central Committee in a number of leadership positions and volunteering her time and efforts to numerous political campaigns. Hope's dedication and tireless efforts on behalf of our community are an inspiration to us all.

Hope and Harvey recently celebrated 53 years of a wonderful marriage. Although they have no children of their own, they have been "adopted" as parents by more than one hundred young people they have met on the campus and in the community.

I rise today to ask my colleagues to join me in honoring two special people who's caring and contributions have benefited so many.

#### THE NEW RUSSIAN GOVERNMENT

### HON. CLIFF STEARNS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 15, 2008

Mr. STEARNS. Madam Speaker, on May 7th, Dmitri Medvedev was sworn in as the new Russian President. It remains to be seen if he will be more than just a puppet controlled by Prime Minister Putin, but if the President's victory speech is any indication, we should expect a "direct continuation" of Putin's iron-fisted policies.

As Russia desires to regain its stance as a major world power, rest assured Putin and Medvedev will stop at nothing to achieve this. As Americans, we should be wary of Putin's legacy of government corruption, diminished democracy, and antagonistic stance toward its former Soviet neighbors and the West.

Although there may be opportunities for the U.S. to re-engage with Russia under Medvedev, we must proceed with caution. Let us not forget that there are Iranian enrichment facilities in Russia, and that Russia uses its oil and gas resources to manipulate and control its sovereign neighbors.

These are the characteristics of an emerging dictatorship hiding beneath the mask of democracy.

#### HONORING MARCUS MATHES OF PASCO COUNTY, FLORIDA

### HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 15, 2008

Ms. GINNY BROWN-WAITE of Florida. Madam Speaker, I rise today to honor an American soldier who gave his life in service to our Nation.

Army Sergeant Marcus Mathes of Pasco County, Florida, was killed Monday, April 28th outside Baghdad, Iraq, when the equipment truck he was working on was struck by enemy rocket fire. Sergeant Mathes is survived by his mother and step-father, Sue and Mike Sawyer of Sebring, his father, Ralph Mathes of Tampa, and two brothers, Kyle Mathes of Illinois, and Zach Sawyer of Sebring.

A graduate of Zephyrhills High School, Sergeant Mathes grew up in Highlands County before moving to live with his father in Pasco County. While in high school, Sergeant Mathes joined the JROTC, and had dreams of being a professional military member. Inspired by the events of September 11, he enlisted in the Army and left for boot camp on his 23rd

birthday. Serving in Afghanistan from October 2006 until March 2007, Sergeant Mathes was sent to Iraq in November of 2007.

A devoted family man, Sergeant Mathes married his high school sweetheart Julia two weeks after her graduation. The two were planning to celebrate their six-year wedding anniversary this June and had wanted to start a family together. During a visit to his base in Louisiana, Sergeant Mathes introduced his sister-in-law, Julia's sister Heather, to one of his fellow soldiers. Two months later, Bryan Harvey and Heather were married. One of his best friends who served in his same unit, Bryan was nearby when Sergeant Mathes was killed, even picking up his torn Bible where it was thrown from the truck.

Madam Speaker, it is soldiers like Sergeant Marcus Mathes who have volunteered to protect the freedoms that all Americans hold dear. While brave men and women like Marcus have perished in the name of freedom and liberty, his family, friends and loved ones should know that this Congress will never forget his sacrifice and commitment.

HONORING THE 100TH ANNIVERSARY OF THE ESTABLISHMENT OF THE LA CROSSE, WISCONSIN BOARD OF PARK COMMISSIONERS

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 15, 2008

Mr. KIND. Madam Speaker, I rise today to honor the city of La Crosse's Board of Park Commissioners for their 100 years of dedication to beautifying the largest city in western Wisconsin. Through their unrelenting hard work, a comprehensive park system consisting of 13 parks throughout the city was developed. Over the past century, countless families have benefited from the opportunities these parks have provided.

The Board of Park Commissioners was established through an ordinance passed by the Common Council in May of 1908. Mayor Wendell A. Anderson, a spirited advocate for park services, appointed Joseph M. Hixon, Edward L. Colman, Lucien F. Easton, and Henry Gund to the Board of Park Commissions. All 4 men were dedicated to public service and guided by a grand vision for the city of La Crosse. This vision was made into reality after the city hired landscape architect John Nolen, an understudy of the legendary Frederick Law Olmstead.

For 100 years, La Crosse's residents and visitors have enjoyed the comfort and recreation these parks offer. Having grown up on the north side of La Crosse, I know that the park system is an essential part of the community. Badger Park offered my friends and me a safe place to shoot hoops, play softball, and go ice skating. These parks are not only a way for families and friends to enjoy one another's company, but are also a means of creating lasting memories.

I applaud the La Crosse Common Council and the Board of Park Commissioners for their inspiration and dedication over the past 100

years. Their gift to the city of La Crosse will undoubtedly be enjoyed by many generations to come.
