

used to support measures, implemented by federal land and natural resource management agencies, the States, and Indian tribes to protect U.S. natural resources, wildlife, and fisheries against adverse impacts from climate change.

**Subtitle H: Climate Change Education and Centers for Excellence**

Under Subtitle H, an estimated \$2 billion (\$50 million per year) will be used to provide support, through the National Science Foundation and EPA, for the development and implementation of climate change education programs and to provide cost-sharing grants supporting the establishment, at colleges, universities, and non-profit organizations, of national centers for excellence on climate change science, technology, and policy.

**TITLE IV—ENCOURAGING GLOBAL ACTION**

**Subtitle A: International Forest Protection Fund**

Under Subtitle A, an estimated \$147 billion (1.5 to 2 percent of auction proceeds) will be used to support policies in qualifying developing countries that reduce emissions from deforestation and forest degradation or increase carbon sequestration through restoration of forests and degraded lands, afforestation, and improved forest management. Countries that initially do not qualify are eligible for capacity-building grants to prepare them for participation.

**Subtitle B: International Clean Technology Fund**

Under Subtitle B, an estimated \$301 billion (3.5 to 4 percent of auction proceeds) will be used to provide support for the adoption of clean energy and efficiency technologies by major-emitting developing countries that the President certifies as having taken "comparable action" to combat climate change, taking into account the country's level of economic development.

**Subtitle C: International Climate Change Adaptation Fund**

Under Subtitle C, an estimated \$185 billion (2 to 2.5 percent of auction proceeds) will be used to support an international adaptation program, to be administered by the U.S. Agency for International Development, which will fund projects to assist the most vulnerable developing countries in adapting to the impacts of climate change.

**TITLE V—LEGAL FRAMEWORK FOR GEOLOGICAL SEQUESTRATION OF CARBON DIOXIDE**

Title V amends the Safe Drinking Water Act to require EPA to develop comprehensive regulatory standards for underground injection of carbon dioxide, and directs EPA to establish a task force charged with providing Congress with recommendations regarding the legal framework to govern liability with respect to closed geological storage sites.

**TITLE VI—BUILDING EFFICIENCY STANDARDS**

Title VI incorporates provisions from the House-passed version of the energy bill from 2007, requiring the Department of Energy to develop model building efficiency codes that States are required to adopt and enforce. States that do so become eligible for funding from the National Energy Efficiency Fund (described in subtitle C of Title III).

**TITLE VII—REVIEWS AND RECOMMENDATIONS**

Title VII establishes a comprehensive framework for periodic review and reports to Congress, by the National Academy of

Sciences (NAS), the Government Accountability Office (GAO), and relevant federal agencies, of all major aspects of the bill. Every five years, an interagency body will make recommendations to the President, and the President will in turn make recommendations to Congress, on changes to the framework established by the bill. Title VII also provides for expedited Congressional consideration of a presidential recommendation to tighten the bill's emissions cap if the NAS's findings indicate such action is necessary.

**INTRODUCTORY REMARKS OF THE REV. EARL ABEL POST OFFICE NAMING BILL**

**HON. EMANUEL CLEAVER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2008*

Mr. CLEAVER. Madam Speaker, as Mayor of Kansas City, Missouri and in my career as a Methodist minister, I had the distinct honor of getting to know many of the dedicated community leaders whose sole purpose for being involved was to improve the lives of their fellow citizens. One of the best and most beloved of these leaders was the Reverend Earl Abel.

Reverend Abel was born on September 12, 1930. He attended the University of Kansas and went on to receive his Doctor of Divinity Degree from Western Baptist Bible College. Reverend Abel worked as a U.S. Postal Service mail carrier until he organized the Palestine Missionary Baptist Church in 1959.

Under Reverend Abel's leadership, what started out as a modest church of 11 members grew into a thriving ministry, touching the lives of thousands of community members across Kansas City, Missouri. While he was pastor, Palestine Church built two senior citizens residences, a Senior Activity Center, and a church camp for both youth and adults. Even as he worked tirelessly to reach out through these programs, Reverend Abel's involvement in the community did not end with his efforts at Palestine Church. Reverend Abel served as Chaplain for the Kansas City Police Department, President of the Baptist Ministers Union, member of the Kansas City Council on Crime Prevention, and authored a book entitled *If a Church is to Grow*. In 1999, Missouri Governor Mel Carnahan appointed Reverend Abel to the Appellate Judicial Commission.

On May 17, 2005, Reverend Abel passed away after 46 years of service at Palestine Missionary Baptist Church of Jesus Christ and more than 48 years as a minister of God.

Today I rise to offer a bill to honor this man by naming a post office facility in Kansas City after him. Given his early career as a mail carrier, it is only fitting for the location at 1700 Cleveland Avenue, in the heart of Kansas City, to carry his name. It is my hope that this small gesture helps ensure that the legacy of Reverend Abel lives on. A companion bill in the Senate will be filed today by Senator CLAIRE MCCASKILL, herself a tireless public servant and a friend of Reverend Abel.

I hope my fellow colleagues will join me in recognizing Reverend Earl Abel for his loving ministry and limitless dedication to serving the

Kansas City, Missouri community. I thank the Chair and ask that the full text of the bill, and these remarks, be inserted into the RECORD at the appropriate place.

**PERSONAL EXPLANATION**

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2008*

Ms. McCOLLUM of Minnesota. Madam Speaker, because of an important event in my district, I was not present for the vote on H. Res. 923. Had I been present, I would have voted "yea."

**EARMARK DECLARATION**

**HON. DANA ROHRABACHER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 5, 2008*

Mr. ROHRABACHER. Madam Speaker, pursuant to the requirements of the Republican Conference of the House, I am submitting for the RECORD the following information regarding an earmark I requested, which was included in the reported version of H.R. 5658, the "Duncan Hunter National Defense Authorization Act":

Requesting Member: Congressman DANA ROHRABACHER (CA-46).

Bill Number: H.R. 5658, the "Duncan Hunter National Defense Authorization Act."

Account: Ap,A Aircraft Procurement, Army; 020 Utility Helicopter Mods.

Legal Name of Requesting Entity: Army National Guard Readiness Center.

Address of Requesting Entity: 111 S. George Mason Drive, Arlington, VA 22204.

Description of Request: Provide \$5 million for helicopter modernization. The UH-60 Black Hawk helicopter is an essential capability of the National Guard. It provides units in every State with a multi-mission aircraft for search & rescue, utility lift, disaster relief and medical evacuation. The Army National Guard (ARNG) is authorized 782 Black Hawk aircraft, but is short of this authorization by almost 100 aircraft. This shortage requires ARNG units to loan or transfer Black Hawks in support deployments, training or State missions, resulting in a higher usage rate of available airframes. Additionally, more than 500 of the 782 National Guard aircraft are older UH-60A models, with an average age of approximately 25 years. The Army is procuring over 1,200 UH-60M Black Hawks for utility, special operations and MEDEVAC missions to replace the aging UH-60A from operational units by 2016. The Army acquired 33 UH-60M Black Hawks by the end of FY07, and from FY09 to FY13, the Army plans to procure an additional 300 UH-60M Black Hawks (70 of those aircraft are programmed for ARNG units). However, without an accelerated procurement of the UH-60M, the Army National Guard will be operating more than 400 UH-60A helicopters beyond 2020. The ARNG and the Active Army developed a program to support the continued

modernization of the ARNG Black Hawk fleet. Unfortunately, this program is not fully funded. The ARNG plan is to accelerate the fielding of UH-60M Black Hawks by 10 aircraft per year. Although the Active Army has programmed UH-60A recapitalization for the ARNG with Operations and Maintenance (O&M) funds, which includes an airframe life extension, fleet-wide product improvements and the replacement of components, the UH-60A to L upgrade is not funded. The UH-60L Black Hawk is more economical to operate and has 1,000 lbs. of additional lift than the UH-60A. The desired rate of UH-60A to L upgrades is 38 per year. Funding the UH-60A to L upgrade will significantly improve the Black Hawk fleet, and assure that ARNG units are ready, deployable, and available to protect our national interests both abroad and at home. This ARNG aviation initiative has been identified by the Chief of the National Guard Bureau (CNGB) as FY09 "Essential 10—Top 25" unfunded priorities.

HONORING MAYOR PAUL  
GATTUSO, RECENTLY AP-  
POINTED PRESIDENT OF THE  
WEST CENTRAL MUNICIPAL CON-  
FERENCE

### HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2008

Mr. LIPINSKI. Madam Speaker, I rise today to honor Paul Gattuso, the Mayor of the Village of Westchester and an outstanding citizen of Illinois' Third Congressional District, for his recent appointment as President of the West Central Municipal Conference (WCMC) in west suburban Cook County, Illinois. Throughout his distinguished career, Mayor Gattuso has served his community with excellence and intelligence and I am pleased to recognize this most recent of his many accomplishments.

Mayor Gattuso has a longstanding tradition of service to his community. He has served with distinction as the Mayor of Westchester since 2005. Prior to his election, he spent 10 years as a Village Trustee. He also supports a variety of local organizations, such as the Kiwanis Club and the Westchester Chamber of Commerce.

In addition to his dedicated service to the community, Mayor Gattuso is a successful businessman. He has owned and operated a thriving restaurant, Pauls's Pizza and Hot Dogs, in Westchester for over 20 years. The restaurant, a favorite among residents, proudly sponsors numerous youth and athletic organizations.

The West Central Municipal Conference is a membership-supported association representing 36 municipalities and one township within west suburban Cook County. As President of the WCMC, Mayor Gattuso will use his passion for helping people to assist the WCMC in serving the needs of its various communities and providing valuable services to the citizens who work and live in the region. I am confident that under his leadership the WCMC will continue to be a successful council of governments.

Mayor Gattuso is also a proud husband and father. His son is studying pre-law at Marquette University, while his daughter has a wonderful career in design.

It is my great privilege to recognize Paul Gattuso as he begins his term as President of West Central Municipal Conference. His experience, knowledge, and commitment to the community will undoubtedly contribute greatly to a successful tenure.

IN HONOR OF COMMAND SER-  
GEANT MAJOR BRETT RANKERT

### HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2008

Mr. FARR. Madam Speaker, I rise today to honor Command Sergeant Major Brett Rankert for his 25 years of service to the Nation as a member of the United States Army. On behalf of the whole House, I am honored to extend to CSM Rankert and his family the gratitude of the Congress and the American people for his service on this occasion of his retirement.

I have had the great personal pleasure of meeting CSM Rankert during his tour of duty as the Presidio of Monterey Command Sergeant Major. I can say without reservation that his performance in this position epitomizes the very best of what military service should be—smart, professional, selfless, and humane. He has truly been an ambassador for the uniformed services in general, and the Army in particular. My office has repeatedly worked with CSM Rankert to help resolve problems ranging from individual soldier concerns to the frustrations of several elderly Presidio neighbors over the 'just outside the gate' smoking habits of certain DLI students. In every instance of which I am aware, CSM Rankert has helped to transform a situation from conflict to resolution with grace, certainty, and a smile.

CSM Rankert is also a warrior—a soldier's soldier. A native of South Bend, Indiana, he first enlisted into the Army in 1983. CSM Rankert's leadership qualities, particularly his attention to the soldiers in his care, led to a succession of promotions and leadership positions, including Team Leader, Squad Leader, Platoon Sergeant, First Sergeant, and ultimately Command Sergeant Major. His assignments included the 313th Military Intelligence Battalion in support of the 82nd Airborne Division; the 102nd Military Intelligence Battalion in support of the 2nd Infantry Division; and the 101st Military Intelligence Battalion serving as the Bravo Company First Sergeant. Finally, I should note that CSM Rankert never scored below a perfect 300 on his annual physical fitness test.

His military education included the Army Airborne Course, Basic Instructor Training Course, Advanced Noncommissioned Officers Course, First Sergeants Course, United States Army Sergeants Major Academy, Command Sergeants Major Designee Course, and the Garrison Sergeants Major Course. He holds a Bachelor of Science Degree in Liberal Arts from Excelsior College, New York, and an Associates of Applied Science Degree in Intelligence Operations. CSM Rankert's Awards

and decorations include the Legion of Merit, the Army Parachutist Badge, Meritorious Service Medal (3rd OLC), Army Commendation Medal (2nd OLC), Army Achievement Medal (4th OLC), Kosovo Campaign Medal, Global War on Terrorism Service Medal, Korean Defense Service Medal, NCO Professional Development Ribbon (4th Award), NATO Medal.

Madam Speaker, in closing, I want to emphasize the importance of military families in the ultimate success of our military's mission. CSM Rankert's past and future success are very much built on the support and partnership of his wife Sharon and son Justin. I want to thank them for their public service and wish the Rankert family good luck and God's speed in the next chapter of their lives.

HONORING DENNIS LEMASTERS II

### HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2008

Mr. GRAVES. Madam Speaker, I proudly pause to recognize Dennis Lemasters II of Platte City, Missouri. Dennis is a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 1028, and earning the most prestigious award of Eagle Scout.

Dennis has been very active with his troop, participating in many scout activities. Over the many years Dennis has been involved with scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community.

Madam Speaker, I proudly ask you to join me in commending Dennis Lemasters II for his accomplishments with the Boy Scouts of America and for his efforts put forth in achieving the highest distinction of Eagle Scout.

IN SUPPORT OF WILMINGTON,  
NORTH CAROLINA BEING RECOG-  
NIZED AS "AMERICA'S WORLD  
WAR II CITY"

### HON. MIKE MCINTYRE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 5, 2008

Mr. MCINTYRE. Madam Speaker, it is my great pleasure to rise today to pay tribute to the City of Wilmington, North Carolina, for its remarkable contributions to the U.S. war efforts during World War II. Its rich World War II legacy reminds us not only of its unique and pivotal role in the war, but also of the honorable dedication of all North Carolinians during our Nation's time of need. As a reflection of its unique and pivotal role, and its deep and unmatched sacrifice, I stand to proclaim that Wilmington, North Carolina, should be recognized as "America's World War II City." In fact, both the New Hanover County Commissioner and City Council have proclaimed it so!

During World War II, Wilmington was the country's unique wartime boomtown, aptly and officially named "The Defense Capital of the
