

would have voted on the following votes I missed.

On rollcall 388, on H. Res. 1255 expressing support for designation of June 2008 as National Safety Month, I would have voted "yes."

On rollcall 389, on H. Res. 1243 expressing the immeasurable contributions of fathers in healthy development of children, supporting responsible fatherhood, and encouraging greater involvement of fathers in the lives of their children, especially on Father's Day, I would have voted "yes."

On rollcall 390, on H. Res. 127 recognizing and celebrating the 50th anniversary of the entry of Alaska into the Union as the 49th State, I would have voted "yes."

On rollcall 391, ordering the previous question on H. Res. 1253, I would have voted "yes."

On rollcall 392, on agreeing to H. Res. 1253 the rule providing for consideration of the Passenger Rail Investment and Improvement Act for 2008, H.R. 6003, I would have voted "yes."

On rollcall 393, on H.R. 6028 the Merida Initiative to Combat Illicit Narcotics and Reduce Organized Crime Authorization Act, I would have voted "yes."

On rollcall 394, on H. Res. 1063 marking the 225th anniversary of the treaty of Paris of 1783, which ended the Revolutionary War, I would have voted "yes."

On rollcall 395, on H. Con. Res. 318 supporting the goals and ideals of the International Year of Sanitation, I would have voted "yes."

On rollcall 396, on H. Con. Res. 336 honoring the sacrifices and contributions made by disabled American veterans, I would have voted "yes."

HONORING THE 50TH ANNIVERSARY OF EDWARDS LIFESCIENCES CORPORATION

HON. JOHN CAMPBELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 12, 2008

Mr. CAMPBELL of California. Madam Speaker, I rise to congratulate Edwards Lifesciences Corporation on their 50th anniversary. Edwards Lifesciences is a leader in cardiovascular disease treatments and I am proud to recognize them on this occasion.

Edwards Lifesciences Corporation traces its roots back to 1958, when Miles "Lowell" Edwards set out to build the first artificial heart. Throughout its 50-year history, the company has continued its legacy of heart valve innovation. Today, the company's line of tissue heart valves, provided under the Carpentier-Edwards brand name, have become the choice of surgeons worldwide due to their durability, performance and positive quality-of-life benefits for patients, making Edwards Lifesciences the world's number-one heart valve company.

From its success in replacement valve therapies, Edwards Lifesciences applied this experience to developing products for heart valve repair. Today, the company is one of the world's leading manufacturers of products for the surgical repair procedure—called annulo-

plasty—and its Carpentier-Edwards and Cosgrove-Edwards annuloplasty products are among the most sought-after by surgeons around the globe.

In addition to its heart valve therapies, the Edwards organization is credited with pioneering many other medical innovations, including the Swan-Ganz catheter, the first technology ever used for hemodynamic monitoring of critically ill patients, and the Fogarty line of embolectomy catheters, the first catheter-based technologies used to remove blood clots from the arms and legs.

In 2004, the Edwards Lifesciences Fund was established out of the company's commitment to strengthen its communities and to support advancements in cardiovascular disease awareness and knowledge. The fund has already awarded approximately \$5 million in grants to 115 charitable organizations.

I am pleased the original vision of Lowell Edwards continues today. Edwards Lifesciences is a global company with revenues exceeding \$1 billion and 5,600 employees strong, all dedicated to furthering Lowell Edwards' original vision to help clinicians, patients and their families work together as a united community fighting cardiovascular disease.

Madam Speaker I would like to congratulate Edwards Lifesciences on their 50 years.

TRIBUTE TO PETER B. RAMOS

HON. JOE BACA

OF CALIFORNIA—

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 12, 2008

Mr. BACA. Madam Speaker, I stand here today to honor a dedicated civic leader, loyal friend, loving father and husband, adoring grandfather and doting great-grandfather—Peter B. Ramos.

Born in El Paso, Texas, Pete moved to San Bernardino, California where he grew up to become a longstanding member of the community, including his participation at San Salvador Church in Colton and Sacred Heart Church in Palm Desert.

After graduating from San Bernardino High School in 1955, Pete proudly served in the U.S. Army and was stationed in Germany until 1958. Returning to San Bernardino, Pete was hired by the San Bernardino Unified School District, remaining a devoted employee for thirty years.

In 1973, Pete was an instrumental founding member of the GENTS Organization, a community-based association whose purpose is directed at helping today's youth become tomorrow's leaders. The leadership of Pete within the GENTS Organization has contributed to its successful fundraising events, generating thousands of dollars in scholarships, donations to charitable organizations and the sponsorship of sports activities for the youth.

In addition to his service to the San Bernardino Unified School District, Pete was also a part-time employee of the San Bernardino Golf Club. An avid golf player, his fervent passion for both the sport and the community was demonstrated by all of the golf clubs he helped establish. These include the

Gents Golf Association, San Bernardino County Twilight Golf League, Golf Buddies, Colton Golf Club, and San Bernardino Golf Club.

Pete was an empowering leader within the San Bernardino community, an excellent role model who set his sights on helping others have a better life. He lived by example, saying to me, "Joe, you can change life and attitudes by believing and giving others a chance."

Having always enjoyed his company on the green, he was also a strong supporter of my political endeavors. More than anything, Pete was a true friend to my family and I, especially in his great support of my sons, City Councilman Joe Baca Jr. and Jeremy Baca.

Pete is survived by his wife of 49 years, Helen Ramos, former City Councilwoman, whom he deeply loved. Pete is also survived by his daughter, Roseanne Reyes; his son, Armando; grandchildren, Raylene Soto, Leandra Soto, Bree Reyes, Michael Reyes; great-grandchild, Noelle Tavie; his sisters, Connie Hernandez, Lucy Zamora; brothers, Louis, Daniel, Joe; and many nieces, nephews and godchildren.

Let us take a moment to remember this great man and his admirable dedication to instilling positive change and leading an exemplary life, one in whose footsteps we all hope to follow. The thoughts and prayers of my wife Barbara, my family and I are with his family at this time.

God Bless Pete Ramos for love of country and mankind.

IN RECOGNITION OF SAN MATEO CITY MANAGER ARNE CROCE

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 12, 2008

Ms. SPEIER. Madam Speaker, I rise to express my deep appreciation and gratitude for the exemplary service to the City of San Mateo by Arne Croce, who is retiring as City Manager after 18 exemplary years.

Arne Croce has consistently impressed all who worked with him in his role as City Manager. During his tenure and through his efforts, San Mateo has continued to evolve and advance. In recent years, the city has added a new train station, state-of-the-art downtown movie theater, a fully-interactive new library, and will soon cut the ribbon on a true 21st century police station. Arne also oversees a program that provides scholarships to students pursuing studies in local government. His unceasing dedication to finding fresh, innovative ideas was a powerful force in keeping San Mateo solvent and thriving during economic hardships.

Madam Speaker, Arne Croce has served not only his city, but all of California as the dean of city managers. In this role he has been a bulldog when fighting for cities and a stellar role model for anyone considering a career in municipal government.

Arne is one of our best and brightest, a graduate of the University of California at Berkeley, where he earned his MBA by attending night school. He worked for the Legislative Analyst in Sacramento, the Sacramento
