

**EXTENSIONS OF REMARKS**

RECOGNIZING OFFICER GREG GORDON FOR RECEIVING THE GOLD MEDAL OF VALOR

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize Officer Greg Gordon of the Pensacola Police Department upon receiving the Gold Medal of Valor, the department's highest honor. Officer Gordon is a dedicated public servant, and I am proud to honor his heroism and commitment.

On July 3, 2009, Officer Gordon was en route to police headquarters when he responded to a call regarding a 9-1-1 hang up. Upon arriving at the scene, he saw smoke coming from the house and was told the resident was likely still inside the burning building. When he did not receive a response from the front door, Officer Gordon kicked in the door and crawled under the smoke to find the home's occupant. Officer Gordon pulled the man through the burning house and safely outside. Although Officer Gordon and the resident were treated for injuries, both came out safely.

For this selfless act of heroism, Officer Gordon is being awarded the Pensacola Police Department's highest award, the Gold Medal of Valor. Officer Gordon is only the 10th police officer to receive the medal since the department was formed in 1821. He was first hired as a cadet in 1996 and was promoted to police officer in 1999. A former SWAT member, Officer Gordon is assigned currently to the Uniform Patrol Division. Part of his patrol jurisdiction includes my Pensacola office, and his service to our office has been outstanding.

Madam Speaker, on behalf of the United States Congress, I am privileged to recognize Officer Greg Gordon for going above and beyond the call of duty. He is a true American hero and an invaluable member of our community. My wife Vicki and I wish Officer Gordon and his family all the best for the future.

Mr. ALEXANDER. Madam Speaker, I rise today in honor and remembrance of the life and achievements of Ben Katz, who passed away on January 13, 2010.

Ben was an inspiration to all who knew him. I wish to express my deepest condolences to his family, and may God continue to bless the memory of a man who will truly be missed by his family, his friends and his community.

**HON. HENRY E. BROWN, JR.**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. BROWN of South Carolina. Madam Speaker, I rise today to recognize Dr. Jairy C. Hunter, Jr. for 25 years of service as President of Charleston Southern University. Dr. Hunter assumed his role as President in 1984 during a difficult time in the school's history, but through strong leadership and a clear vision, the new President led the school towards academic greatness.

25 years later, Dr. Hunter's guidance produced record enrollment numbers, significant budget growth, and new degree and athletic programs, to name a few of his many accomplishments. Working with her husband, Sissy Hunter's dedication to the school has improved university relationships and made scholarship programs possible. Throughout the years, Dr. Hunter never lost sight of the school's Christian background and has kept faith at the forefront of Charleston Southern University's mission.

Dr. Jairy and Sissy Hunter are respected leaders not only within the Charleston Southern University community, but throughout the city of Charleston. Dr. Hunter, thank you for your dedication to Charleston Southern University and your commitment to academic excellence in South Carolina's First District.

HONORING THE BOY SCOUTS OF AMERICA ON THEIR 100TH ANNIVERSARY

**HON. J. GRESHAM BARRETT**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. BARRETT of South Carolina. Madam Speaker, today, I rise to honor the Boy Scouts of America on their 100th anniversary.

The Boy Scouts of America has been at the forefront of instilling timeless values in youth since its founding in 1910. Throughout its 100-year history, it has helped millions of youth succeed by providing the support, friendship, and mentoring necessary to live a happy and fulfilling life.

Today, the Boy Scouts of America is the largest youth service organization in America, with nearly 3 million members. These members learn responsible citizenship, character development, and self-reliance through participation in a wide range of outdoor activities, educational programs and career-oriented programs in partnership with local community groups.

The Boy Scouts have always held a special place in my heart because in 1951, my father started Boy Scout Troup 108—the first Boy Scout organization in Westminster, South Carolina. As a matter of fact, one of the first service projects of this troop was to raise the American Flag over the Westminster Post Office.

On this momentous anniversary, I would like to thank all of the Scouts for their service to their local communities and to our Nation. I would also like to thank their parents for all of the time and energy they have committed to scouting. It is the values of service, character, and leadership—the core values of scouting—that make our country great.

H. CON. RES. 226, SUPPORTING THE "SPIRIT OF '45"

**HON. BOB FILNER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. FILNER. Madam Speaker, I rise in support of a resolution that I have introduced: H. Con. Res. 226 which supports the Spirit of '45, a yearlong national campaign to raise public awareness of the 65th anniversary of the end of World War II, and the Spirit of '45 Day, to be observed each year on the second Sunday in August.

1945 was a defining year in the last century. Even after victory in Europe in World War II, our Nation still faced many hard fought battles in the Pacific and the decision to use the atomic bomb. In August of that year, Japan

surrendered, the war was over, and America joined the world to begin the work of peace. The United States started with the job of rebuilding allies and former enemies alike, leading the effort to form the United Nations, and helping millions of returning veterans begin their civilian lives with the G.I. Bill.

To raise awareness about this 65th anniversary, the Spirit of '45 is encouraging communities to hold commemorative events on the Spirit of '45 Day, the second Sunday in August, to honor the legacy of the World War II generation whose members are rapidly passing into history. Everyone is asked to collect first-hand memories of those who experienced August 14, 1945, memories that will be preserved on a Web site and shared with schools, libraries, museums, memorials and the public as a permanent reminder of a time when people came together to face common challenges as a united country. Many of the memories can also be forwarded to the Veterans History Project of the Library of Congress.

The 2010 Spirit of '45 activities will officially kick off at a reunion of World War II veterans on the USS *Midway* in San Diego, on Monday January 18, 2010. Invited to participate are World War II legends Ernest Borgnine, Tony Curtis, Kirk Douglas, and Hugh O'Brien. Also invited is Edith Shain, the nurse who was photographed being kissed by a joyous sailor in Times Square on August 14, 1945. A presentation will be made to the family of Bob Hope in honor of his legacy of support of our men and women in uniform.

The next major event of the Spirit of '45 will be right here in Washington, D.C. when hundreds of people will gather at the National World War II Memorial and lead the Memorial Day Parade down Constitution Avenue. Moving toward the weekend of August 14-15, public events are to be held across the country to commemorate the 65th anniversary of the end of World War II, including a major event already being planned in New York City's Times Square. Later events are being discussed for October, the 65th anniversary of the founding of the United Nations, and on Veterans Day in November.

The events will focus on how to assure that our "latest generation" of veterans receives the kind of welcome home as did their forefathers of the World War II generation, through education and training under the newly-passed "Post 9/11 G.I. Bill," employment opportunities, and many other ways of helping in their efforts to reconnect with their communities. I urge my colleagues to join in support of these remembrances of the ending of World War II by co-sponsoring H. Con. Res. 226.

A TRIBUTE TO AARON AND  
ASHLEY REDING

**HON. BRETT GUTHRIE**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. GUTHRIE. Madam Speaker, I rise today to honor Aaron and Ashley Reding of Howardstown, Kentucky as the recipients of the 2010 American Farm Bureau Federation's Young Farmers and Ranchers Achievement Award.

On January 11, 2010, the couple was announced as the winners of the Young Farmers & Ranchers (YF&R) Achievement Award at the American Farm Bureau Federation's 91st annual meeting in Seattle, Washington. The Redings had gone on to win this national title after being named the Kentucky Farm Bureau's Outstanding Young Farm Family in December of 2009.

The award recognizes young farmers and ranchers that have excelled with their respective operations and that have demonstrated a sense of commitment to promoting the agriculture industry. This honor is a well-deserved recognition of the rapid growth and financial progress of the Reding family's farm as well as a testament to years of hard work and dedication.

The Reding family operates a large-scale row crop operation and this year they grew 1,500 acres of both corn and soybeans in addition to 450 acres of wheat. Aaron bought two farms in the early 2000s and was later granted ownership of his family's farm in 2003. Ashley has also dedicated her life to agriculture, retiring from teaching to stay home and tend to the human resource and technological aspects of the farm, as well as to raise their three children.

The Redings have assumed a leadership role within their community, promoting not just their farm but the agriculture industry as a whole. They regularly host school tours and county leadership groups and often work with

chemical and seed companies in conducting research. Aaron and Ashley have even combined forces with their local press to draft an informative story about GPS and farming.

Among other organizations, both Aaron and Ashley are members of the American Soybean Association. Aaron is president of the Kentucky Soybean Association, a member of the county extension council and is a regional officer for the State Young Farmer Association. He is also currently the vice president and chairman of the policy development committee while Ashley is an active member on the women's committee.

I want to thank Aaron and Ashley, along with their children, for serving as a role model for all Kentucky families, especially those within the rapidly changing farming industry. I hope their success continues for many years to come.

PAYING TRIBUTE TO THE 1270  
FIFTH AVENUE RESIDENTS AS  
THEIR COOPERATIVE MARKS ITS  
50TH ANNIVERSARY

**HON. CHARLES B. RANGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 20, 2010*

Mr. RANGEL. Madam Speaker, this year marks the 50th anniversary of the 1270 Fifth Avenue Cooperative in my Congressional District. 1270 has the distinction of being the first middle-income co-op in my and surrounding Congressional Districts and the only residential co-op in Manhattan that is a cooperative nonprofit corporation.

Incorporated on August 8, 1957, under the New York State Cooperative Corporations Law, the building was constructed with a stream of funding from Section 213 of Title II of the National Housing Act. The \$4.5 million dollar mortgage held by the Federal Housing Administration has since matured in November of 1999.

Despite the neighborhood's initial negative reaction to 1270s construction, there was a tremendous demand for the apartments. At a time when segregated housing in Manhattan was still the norm, 1270, which was unrestricted regardless of race, gender, or creed, and priced for middle-income residents, was seen by minorities and liberal-minded folks as a desirable place to live. By November 1959 when the building first opened for occupancy, 194 of the 201 available units had been sold. The remaining seven apartments were sold and occupied by July 1961.

Making history for 1270 had its difficult moments. A board of directors was quickly elected in order to tackle problems as they surfaced. Throughout the years of struggle to establish and maintain a viable middle-income cooperative in East Harlem, the families and individuals at 1270 held together through a tremendous sense of home and community. Men and women who arrived as young adults lived and raised their children, and grew old here. Neighbors became lifelong friends and took care of each other.

There is no better measure of 1270's success than the fact that people who move
