

IN HONOR OF THE PRESCOTT FIRE DEPARTMENT'S 125TH ANNIVERSARY

HON. ANN KIRKPATRICK

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 25, 2010

Mrs. KIRKPATRICK of Arizona. Madam Speaker, I rise today to congratulate and recognize the Prescott Fire Department in Prescott, Arizona. On March 6th, the City of Prescott will celebrate the 125th Anniversary of their Fire Department's founding. Over the past 125 years, the brave men and women to be honored next Saturday fought some of the most tenacious fires in one of the toughest fire districts in our Nation. Growing up in Arizona, I heard stories about the Prescott Fire Department fighting the fire that destroyed one block of historic "Whiskey Row" in the summer of 1900 and I remember the Indian Fire—a wildfire that nearly burned through town in the Spring of 2002. Events like these, gave me a deep respect for firefighters, especially those in Prescott. Since 1885 the citizens of Prescott have benefitted from the expert services provided by Arizona's oldest fire department and I look forward to joining the Prescott Fire Department for many future celebrations.

HONORING MEHDI MORSHED

HON. DENNIS A. CARDOZA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 25, 2010

Mr. CARDOZA. Madam Speaker, I rise today to honor Mr. Mehdi Morshed, who has

been one of California's leading transportation policy experts and innovators for over 40 years.

Mr. Morshed served as a member of the California High Speed Rail Commission from 1994 to 1996 and was the first person to be appointed to the board of the newly created California High Speed Rail Authority in 1997. He was appointed by the board to be the first Executive Director of the Authority in 1998 and has served in that position since.

Mr. Morshed has been instrumental in guiding the development of the California High Speed Rail Project from its inception and has been an advocate nationwide. The project has evolved from a planning concept to a fully developed project with an 800-mile system that has won political, community, and finally voter support and is poised for implementation in the near future.

Prior to becoming the Executive Director, Mr. Morshed served as the principal policy person on transportation issues for the California State Senate for more than 20 years. Prior to that, he worked for the California Department of Transportation in various capacities, including planning, design and construction of bridges. He was a member of the design engineering team for San Diego's Coronado Bridge.

While with the California Senate, Mr. Morshed was responsible for the development and enactment of a wide range of transportation laws, policies and programs. He helped guide the creation of the State's principal transportation institutions including the High Speed Rail Authority, the California Transportation Commission and various local and regional commissions, transportation districts and other agencies.

Educated at the University of Washington, Seattle, as a civil engineer, he received a master's degree in transportation engineering from the University of California, Berkeley.

Madam Speaker, I ask that my colleagues join me in honoring Mr. Mehdi Morshed for his efforts and dedication to the transportation systems in California.

HONORING LAVERA ETHRIDGE-WILLIAMS

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 25, 2010

Mr. RADANOVICH. Madam Speaker, I rise today to commend and congratulate LaVera Ethridge-Williams upon being honored with the "Trail Blazers Award" by the African American Museum in Fresno, California.

Mrs. LaVera Ethridge-Williams was born in Boley, Oklahoma in 1927 to John and Alberta Ethridge. She was raised in Wewoke, Oklahoma where she received her early education. As a child, she cared for her younger siblings while her parents worked. In 1945, Mrs. Ethridge-Williams moved to Fresno, California and attended Fresno City College and California State University, Fresno.

In 1968, Mrs. Ethridge-Williams began the process of opening a child care center in West Fresno. She recognized that a child care cen-

ter would be a great asset to a community that was largely underserved. She faced many adversities; including obtaining a bank loan and attending many hearings with the state board for the Department of Health and Welfare. After four years of perseverance, Mrs. Ethridge-Williams was able to open her first private child care center. The center was designed specifically for infants and licensed by the California State Department of Social Welfare.

Mrs. Ethridge-Williams quickly began working on the goal of opening a chain of child care centers. She began designing the centers to be innovative and functional for the education of young children. These centers provided valuable early education, emphasizing the importance of school, health, vaccinations, nutrition, as well as employment opportunities for the West Fresno residents.

Mrs. Ethridge-Williams' love for her community and profession was evident throughout her life. She is one of the founding members of the Sickle Cell Support Group through her membership with the Fresno Chapter of The Links, Inc. For her service, Mrs. Ethridge-Williams has been recognized and honored with many awards; including being named the "Outstanding Black Woman of the Year" by Gamma Eta Chapter of the Iota Lambda Society, "Minority Business Enterprise Award" by the City of Fresno, "Portrait of Success Award" from the local NBC affiliate, KSEE 24, "Woman of the Year" for the 16th Senate District by former State Senator Jim Costa, "Martin Luther King, Jr. Award" and was recognized by the Fresno Unified School District for being a leader in education for the children in the community.

Mrs. Ethridge-Williams is married to Lonzell Williams and together they raised three children. They have five grandchildren and four great-grandchildren.

Madam Speaker, I rise today to commend and congratulate LaVera Ethridge-Williams upon being honored with the "Trail Blazers Award." I invite my colleagues to join me in wishing Mrs. Ethridge-Williams many years of continued success.
