to contain a message from the President whereby he submits to the Congress a copy of an Executive Order, with an annex attached, he has issued with respect to Somalia.

EXECUTIVE ORDER WITH RESPECT TO SOMALIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 111-103)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Consistent with subsection 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) (IEEPA), and section 301 of the National Emergencies Act, 50 U.S.C. 1631 (NEA), I hereby report that I have issued an Executive Order (the "order") blocking the property of certain persons contributing to the conflict in Somalia. In that order, I declared a national emergency to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States posed by that conflict, as described below.

The United Nations Security Council, in Resolution 1844 of November 20, 2008, reaffirmed its condemnation of all acts of violence in Somalia and incitement to violence inside Somalia, and expressed its concern at all acts intended to prevent or block a peaceful political process. United Nations Security Council Resolution (UNSCR) 1844 also expressed grave concern over the recent increase in acts of piracy and armed robbery at sea against vessels off the coast of Somalia, and noted the role piracy may play in financing violations of the arms embargo on Somalia imposed by UNSCR 733 of January 23, 1992. In UNSCR 1844, the United Nations Security Council determined that the situation in Somalia poses a threat to international peace and security in the region and called on member States to apply certain measures against persons responsible for the continuing conflict. The United Nations Security Council has continued to express grave concern about the crisis in Somalia in UNSCR 1846 of December 2, 2008, UNSCR 1851 of December 16, 2008, and UNSCR 1872 of May 26, 2009.

Pursuant to the IEEPA and the NEA, I have determined that the deterioration of the security situation and the persistence of violence in Somalia, and acts of piracy and armed robbery at sea off the coast of Somalia, constitute an unusual and extraordinary threat to the national security and foreign policy of the United States. The order de-

clares a national emergency to deal with this threat.

The order is not targeted at the entire country of Somalia, but rather is intended to target those who threaten peace and stability in Somalia, who inhibit the delivery of humanitarian assistance to Somalia or the distribution of such assistance in Somalia, or who supply arms or related materiel in violation of the arms embargo. The order blocks the property and interests in property in the United States, or in the possession or control of United States persons, of the persons listed in the Annex to the order, as well as of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State:

to have engaged in acts that directly or indirectly threaten the peace, security, or stability of Somalia, including but not limited to (1) acts that threaten the Djibouti Agreement of August 18, 2008, or the political process, or (2) acts that threaten the Transitional Federal Institutions, the African Union Mission in Somalia (AMISOM), or other international peacekeeping operations related to Somalia;

to have obstructed the delivery of humanitarian assistance to Somalia, or access to, or distribution of, humanitarian assistance in Somalia; or

to have directly or indirectly supplied, sold, or transferred to Somalia, or to have been the recipient in the territory of Somalia of, arms or any related materiel, or any technical advice, training, or assistance, including financing and financial assistance, related to military activities.

The designation criteria will be applied in accordance with applicable Federal law including, where appropriate, the First Amendment to the United States Constitution. The designation criteria will also be applied taking into consideration the arms embargo on Somalia imposed by UNSCR 733 of January 23, 1992, as elaborated upon and amended by subsequent resolutions.

The order also authorizes the Secretary of the Treasury, in consultation with the Secretary of State, to designate for blocking any person determined to have materially assisted, sponsored, or provided financial, material, logistical, or technical support for, or goods or services in support of, the activities described above or any person whose property and interests in property are blocked pursuant to the order. I determined that, among other threats to the peace, security, or stability of Somalia, acts of piracy or armed robbery at sea off the coast of Somalia threaten the peace, security, or stability of Somalia. I further authorized the Secretary of the Treasury, in consultation with the Secretary of State, to designate for blocking any

person (defined as an individual or entity) determined to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the order.

I delegated to the Secretary of the Treasury, in consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA and the United Nations Participation Act, as may be necessary to carry out the purposes of the order. All executive agencies are directed to take all appropriate measures within their authority to carry out the provisions of the order.

The order, a copy of which is enclosed, became effective at 12:01 a.m. eastern daylight time on April 13, 2010.

BARACK OBAMA.

THE WHITE HOUSE, April 13, 2010.

#### CONDOLENCES FOR POLAND

(Mr. QUIGLEY asked and was given permission to address the House for 1 minute.)

Mr. QUIGLEY. Madam Speaker, I stand here today to join my Polish American constituents, the Polish nation, and the world in mourning those who perished in this weekend's tragic plane crash. The crash that killed President Lech Kaczynski of Poland, his First Lady, and many ranking military and civilian officers was aptly described by one paper as "literally a nation colliding with its past."

Poland is and has been a true friend and ally of the United States. Our two nations just recently celebrated 90 years of diplomatic relations. The contributions of Polish Americans to the United States are numerous. From the families who lost loved ones in the plane crash to the nation of Poland and to Chicago's own shaken Polish American community, this loss will be felt around the world for years to come.

We will stand with our friends as they find the resilience to emerge stronger, as they have before, following this unimaginable tragedy. I look forward to Poland's recovery and reemergence as a country that can and will overcome.

#### REMARKS ON TOM

##### OOSTERHOUDT'S 60TH BIRTHDAY

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, I am delighted to wish a happy birthday to my good friend and Key West community leader Tom Oosterhoudt. This Thursday night, the 15th, Tom will be surrounded by many community activists from the Keys to

celebrate. Tom will be turning 60. He has done so much to improve the Keys way of life. He is always a positive and an energetic person. He is a wonderful part of Keys life.

He is the editor and publisher of Conch Color, a magazine for the Florida Keys. Tom covers a multitude of events going on every day in the Keys, like the annual Ernest Hemingway look-alike contest, the Harry Truman Symposium at the Little White House.

Tom, thanks for covering all the many positive folks who work every day to improve the daily woes that Keys residents face: the housing shortage, the high cost of living, the unemployment problem, downstairs enclosures, high insurance rates. But with your help, with working together with leaders like Tom, we can work to improve paradise every day.

Tom, I hope you have a great celebration. I wish that I could be with your many friends and family members. You are an outstanding part of what makes the Florida Keys such an incredible place. Congratulations.

#### INTRODUCING THE CARRY-ON FAIRNESS ACT

(Mr. BISHOP of New York asked and was given permission to address the House for 1 minute.)

Mr. BISHOP of New York. Madam Speaker, flying the friendly skies for a commercial passenger is about to get even more expensive. Adding insult to travel delays, fees for checked-in luggage, and taxes already added to airfares, Spirit Airlines announced last week that it will be the first to charge fees for carry-on bags.

I am introducing a bill this evening to block Spirit and any other airline from ever being allowed to impose this unfair and completely unnecessary carry-on tax. If Spirit has its way, this fee could cost every passenger up to \$45 per item. Such nickel-and-diming the flying public has got to stop.

America should know that this tax would not pay for airport security or better infrastructure. One hundred percent of it would be kept by the airlines. If you are a family with young children or a senior who puts your medicine in a carry-on, this fee will hit you the hardest.

Madam Speaker, I urge my colleagues to cosponsor this bill to spare Americans from yet another tax on flying and discourage other airlines from ever considering charging it.

#### WE ALL GRIEVE WITH THE PEOPLE OF POLAND

(Mrs. MILLER of Michigan asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. MILLER of Michigan. Madam Speaker, this past Saturday, April 10,

2010, the people of Poland suffered an unspeakable tragedy. The world lost a great leader and the United States lost a true friend with the death of Polish President Lech Kaczynski, and much of the Polish leadership as well, that died in that plane crash in Russia.

President Kaczynski was a staunch supporter of freedom. Early in his life, he was a leader in the fight against communism. As a lawyer in Gdansk, he became an adviser to the Solidarity movement in the late 1970s. During martial law in 1981, he was jailed because the government thought he was an antisocialist element.

When Poland shed the yoke of communism, Lech Kaczynski continued to serve Poland until his death. He served as a senator, as the vice chair of Solidarity, as a member of Parliament, as the mayor of Warsaw, as the Minister of Justice, and Attorney General, and finally as President of Poland for the last 5 years.

He was a true friend of America, Madam Speaker. He fought corruption because he believed it was an impediment to justice and freedom. And we all mourn with the people of Poland at the loss of this true Polish patriot. May our great friend rest in peace.

#### EIGHTEEN STATES SAY "NO" TO THE FEDS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Madam Speaker, the States are fighting back and saying "no" to the government's oppressive takeover of health care. Eighteen States, including Texas, have joined in suing the government. Never before in American history have so many States banded together to claim a Federal law is unconstitutional.

The Constitution does not permit the Federal Government to force citizens to buy a government-ordained product like health insurance or face a penalty. The unconstitutional law also hires 16,000 more IRS agents to rifle through the financial records of citizens to make sure they are buying that mandated government product. Now, isn't that lovely?

Madam Speaker, the 10th Amendment states, in part, the powers not delegated to the United States are reserved to the States or the people. An objective reading of the Constitution seems to indicate the States have a legitimate complaint. These 18 States should be commended for protecting their citizens from the Federal Government's unlawful, unwarranted intrusion into the private lives of the citizens.

And that's just the way it is.
