IN HONOR OF FEDERICO'S DRIVE IN SHOE SERVICE

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 10, 2010

Mr. FARR. Madam Speaker, I rise today to congratulate Federico's Drive In Shoe Service, a local icon in my Central Coast Congressional District, on its 70th anniversary. Since 1940, Federico's has served the Monterey Bay area with exemplary craftsmanship, the highest quality materials, and quick and efficient service.

Charles Federico began his career at the age of fourteen. The young apprentice was assigned to the shoe shine stand for his first two years, and then graduated to replacing heels. Within ten years he had purchased his first store, handling shoe repair in one corner and selling fishing gear in another.

His business, then called Franklin Shoe Repair, expanded quickly; in 1957 he added the extra convenience of a drive-up window to his Monterey store which greatly increased the volume of business, and he also opened a second shop on the former Fort Ord Army Base. He paid particular attention to shop appearance, workmanship, merchandising and shop management. In 1958 he won the National Leather and Shoe Finders Association National Silver Cup Contest, as being the best shoe repair store in America. Over the years he and his son, Henry, have won 27 local and regional industry awards.

Members of my family have patronized Federico's shop for decades, and many of their customers cite their outstanding product knowledge and customer service as reasons for their loyalty. Charles is now ninety-three and his son, Henry, runs the shop. They have branched out into engraving trophies and sewing logo merchandise. Their employees carry on the traditions that won them the Silver Cup so many years ago.

Madam Speaker, I know my colleagues join me in wishing Federico's a very happy 70th Anniversary, and many more to come.
