

quality ingredients. The enjoyment that accompanies eating these goodies is endless.

In addition to marking the company's 20 years in Stuarts Draft, we're also noting a half-century of the Little Debbie brand. It was 50 years ago that the company's founders—O.D. and Ruth McKee—decided to use a likeness of their young granddaughter Debbie to mark the brand. All these years later, "Little Debbie" is the unmistakable trademark of a company that has been profitable every year since. That's quite a tribute for a company whose commitment to "total quality" is a daily endeavor. Having met hundreds of McKee employees over the years, I can attest that they constantly strive for integrity and to be innovative in their business.

McKee Foods is now one of the foundations of a region of my Congressional district that's long been known for its strong work ethic. The McKee family clearly recognized that attribute when it chose Stuarts Draft for its newest operation 20 years ago. I commend President and CEO Mike McKee and Vice President of Stuarts Draft Operations Randy Smith for making the Stuarts Draft facility a great place to continue the company's guiding values. It's been a true recipe for success since 1990 in Virginia. The Sixth District looks forward to much continued success for McKee Foods and "Little Debbie" for many decades to come.

CAPTAIN BOB O'BRIEN

**HON. MICHAEL E. McMAHON**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 14, 2010*

Mr. McMAHON. Madam Speaker, I rise today to honor Captain Robert O'Brien on his retirement from the United States Coast Guard. Captain O'Brien has dedicated his time, energy, and resources to maintaining and defending our country's maritime borders.

Captain O'Brien was born in Savannah, Georgia, and raised in Ridgeland, South Carolina. He enlisted in the Coast Guard on April 6, 1970, and served his country for 40 years. He will officially retire on October 1, 2010. He started his career as a seaman, and he rose through the ranks to become commanding officer of the New York Coast Guard Sector.

Captain O'Brien had a diverse and honorable history in the Coast Guard. In 1976, he was assigned Officer-in-Charge of the USCGC *Blackberry* in North Carolina. He was then promoted to Chief Boatswain's Mate in 1979, and was promoted in June 1980 to the rank of Chief Warrant Officer.

He received his commission as a Lieutenant in 1983. He served in many different states, ranging from Texas to Virginia. In 2003, he was promoted to Captain and assumed command of MSO Hampton Roads. Captain O'Brien then assumed command of the USCG Sector New York on June 15, 2006.

Captain O'Brien served his country with great distinction during this 40 year period. He was given the difficult task of keeping New York's waterways safe and secure, and performed this task admirably. He has also received numerous awards from the Coast

Guard, including the Meritorious Service Medal, the Coast Guard Commendation Medal, and three Coast Guard Good Conduct Medals.

Ferries and oil liners share the harbor, and both are crucial to the economic value of the tristate area, and Captain O'Brien's efforts throughout his career have ensured a safe and sound commute for Staten Islanders, as well as many New Yorkers, who traverse the waters frequently.

Madam Speaker, I ask that my colleagues join me in commending Captain Robert O'Brien on his dedication to the citizens of New York.

A former member of the U.S. Army Air Corp and a World War II veteran, he flew in C-47 aircraft in the European Theater of Operations with the IX Troop Carrier Command Pathfinder Group. Following his military service, Lynn devoted himself to public service, holding positions as a member of the Fairborn City Planning Board, City Council, Deputy Mayor and Mayor of Fairborn. He has been an active member of the Fairborn Chamber of Commerce, Fairborn Rotary Club and the American Legion. He currently serves on numerous local boards and committees, applying his knowledge and expertise for the betterment of the region.

HONORING DR. GEORGE TILLER

**HON. DEBBIE WASSERMAN SCHULTZ**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 14, 2010*

Ms. WASSERMAN SCHULTZ. Madam Speaker, I rise today in remembrance of Dr. George Tiller, a brave and prominent physician who dedicated his life to providing women the ability to choose. Dr. Tiller was shot and killed while serving as an usher at his church in Wichita, Kansas, a year ago this past May. His story is tragic but he is not the only one who has been targeted by intimidation tactics and acts of violence.

Since 1993, eight clinic workers have been murdered in the United States and seventeen attempted murders have occurred since 1991. Opponents of the women's right to choose have directed more than 6,100 reported acts of violence against physicians since 1977, which does not include the 156,000 reported bomb threats and harassing phone calls.

Whether you are on the right or left side of the isle on this issue, I believe we can all come together and agree that violence as a solution is unacceptable and will not be tolerated. We should be able to work in unison to find common ground on the issue of female reproductive rights without putting anyone's life in danger.

The Freedom of Access to Clinic Entrances Act was enacted in 1994 to provide federal protection against the unlawful and often violent tactics used by opponents of abortion rights. While violence has declined since then, violence at reproductive-health centers and abortion clinics is far from being eradicated.

Dr. Tiller was respecting the women's right to choose and for that, his life was taken. We must all work to ensure that no more lives are destroyed and acts of harassment are stopped. If there is one thing we can all agree on, it is that violence is not the answer and I look forward to the day that all doctors and clinical workers can go to work, free from fear of violence.
