BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 3120, “To Amend Title 18, United States Code, With Respect to Witness Retaliation, Witness Tampering and Jury Tampering” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on the Judiciary.

The rule waives clause 7 of rule XIII, which is the requirement for a cost estimate in the committee report, against consideration of the bill. The rule makes in order as an original bill for the purpose of amendment, the Judiciary Committee amendment in the nature of a substitute, which will be considered as read.

Members who have pre-printed their amendments in the Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House Rules. Finally, the rule provides for one motion to recommit, with or without instructions.
