### NA HOA PILI KALOKO-HONOKOHAU RE-ESTABLISHMENT ACT OF 1995

---

APRIL 7 (legislative day, APRIL 5), 1995.—Ordered to be printed

---

Mr. MURKOWSKI, from the Committee on Energy and Natural  
Resources, submitted the following

### REPORT

[To accompany S. 357]

The Committee on Energy and Natural Resources, to which was referred the bill (S. 357) to amend the National Parks and Recreation Act of 1978 to establish the Friends of Kaloko-Honokohau, and advisory commission for the Kaloko-Honokohau National Historical Park, and for other purposes, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

#### PURPOSES OF THE MEASURE

The purpose of S. 357, as ordered reported, is to amend the National Parks and Recreation Act of 1978 to re-establish the Friends of Kaloko-Honokohau, an advisory commission for the Kaloko-Honokohau National Historical Park in Hawaii.

#### BACKGROUND AND NEED

Kaloko-Honokohau National Historical Park was established in 1978, as part of the National Parks and Recreation Act. The enabling legislation also established the Na Hoa Pili Kaloko-Honokohau, "the Friends of Kaloko-Honokohau," an advisory committee to advise the Park Service on the establishment and management of the park.

The enabling legislation provided that the advisory committee would terminate 10 years after the date of enactment. However, the legislation also provided that the park would not be formally established until a suitable land base had been acquired, which oc-

curred in 1990. Because of the delay between the passage of the park's enabling legislation and the establishment of the park, the authority for the advisory commission expired before the park was established.

Now that the park has been formally established, S. 357 would reestablish the advisory committee to allow it assist the Park Service in the preservation and interpretation of traditional Native Hawaiian culture and activities, two of the objectives for which the park was established.

#### LEGISLATIVE HISTORY

S. 357 was introduced by Senator Akaka on February 6, 1995. A similar measure is included in H.R. 694, which was passed by the House of Representatives on March 14, 1995.

in the 103d Congress, Senators Akaka and Inouye introduced S. 742 on April 2, 1993. The Subcommittee on Public Lands, National Parks and Forests held a hearing on that measure on June 17, 1993, and the Committee reported the bill on June 30, 1993. S. 742 passed the Senate on July 21, 1993. Similar provisions were included in a House-passed bill, H.R. 3252, a comprehensive bill on parks, rivers, trails, and historic sites. The Committee reported H.R. 3252, although no further action was taken in the Senate.

At the business meeting on March 29, 1995, the Committee on Energy and Natural Resources ordered S. 357 favorably reported, without amendment.

#### COST AND BUDGETARY CONSIDERATIONS

The following estimate of costs of this measure has been provided by the Congressional Budget Office:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, April 3, 1995.*

Hon. FRANK H. MURKOWSKI,  
*Chairman, Committee on Energy and Natural Resources, Senate,  
Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed S. 357, the Na Hoa Pili Kaloko-Honokohau Re-establishment Act of 1995, as ordered reported by the Senate Committee on Energy and Natural Resources on March 29, 1995.

Enactment of this bill cost the Federal Government less than \$10,000 annually, assuming appropriation of the necessary sums. The bill would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

S. 357 would reauthorize the nine-member Advisory Commission for Kaloko-Honokohau National Historical Park, which expired in 1988. Assuming appropriation of the necessary sums, CBO estimates that commission expenses would be less than \$10,000 annually once the nine members have been appointed.

Enactment of this legislation would have no impact on the budgets of State or local governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Deborah Reis.

Sincerely,

JAMES L. BLUM  
(For June E. O’Neill, *Director*).

#### REGULATORY IMPACT EVALUATION

In compliance with paragraph 11(b) of rule XXVI of the Standing Rules of the Senate, the committee makes the following evaluation of the regulatory impact which would be incurred in carrying out S. 357. The bill is not a regulatory measure in the sense of imposing Government-established standards or significant economic responsibilities on private individuals and businesses.

No personal information would be collected in administering the program. Therefore, there would be no impact on personal privacy. Little, if any, additional paperwork would result from the enactment of S. 357 as ordered reported.

EXECUTIVE COMMUNICATIONS

On March 24, 1995, the Committee on Energy and Natural Resources has requested legislative reports from the Department of the Interior and the Office of Management and Budget setting forth Executive agency recommendations on S. 357. These reports had not been received at the time the report on S. 357 was filed. When these reports become available, the chairman will request that they be printed in the Congressional Record for the advice of the Senate.

CHANGES IN EXISTING LAW

In compliance with paragraph 12 of rule XXVI of the Standing Rules of the Senate, changes in existing law made by the bill S. 357, as ordered reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, existing law in which no change is proposed is shown in roman):
