Mr. DREIER, from the Committee on Rules,  
submitted the following

REPORT

[To accompany H. Res. 180]

The Committee on Rules, having had under consideration House Resolution 180, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 858, the “Quincy Library Group Forest Recovery and Economic Stability Act of 1997,” under a modified closed rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Resources.

The rule provides, in lieu of the Resources Committee amendment, that the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 shall be considered as an original bill for the purpose of amendment and that the amendment be considered as read. The rule also waives clause 7 of rule XVI (germaneness) and clause 5(a) of rule XXI (appropriating in a legislative bill) against the amendment in the nature of a substitute printed in the Congressional Record.

The rule provides for an amendment offered by Representative Miller (CA) or his designee printed in the Congressional Record. The amendment offered by Representative Miller (CA) or his designee shall be considered as read, shall be debatable for one hour equally divided between a proponent and opponent, and shall not be subject to amendment.

2

Finally the rule provides one motion to recommit, with or without instructions.
