PURPOSE OF THE BILL

The purpose of H.R. 1554 is to take certain property in McIntosh County, Oklahoma, into trust for the benefit of the Muscogee (Creek) Nation, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

The Muscogee (Creek) Nation has over 69,000 enrolled citizens and is headquartered in east-central Oklahoma. As part of their effort to create a resort hotel and casino near Lake Eufaula, the Nation purchased the Fountainhead Lodge and 48 surrounding acres through a foreclosure auction in 2005. This property included a 188-room hotel, a recreational building, and some duplex cabins. A lease on 18 acres of land owned by the U.S. Army Corps of Engineers (Corps) came with the property.

Once a survey of the purchased property was completed, it was determined that the recreational building was located entirely on the Corps’ land. In 2006, representatives of the Creek Nation met with the Corps to discuss development of the property. The Corps suggested that the Corps transfer ownership of the leased land to the Creek Nation to assist in its future development as a resort.

Enactment of H.R. 1554, and approval of their recently filed trust application for the 48 acres purchased in 2005, would allow the Nation to move forward with their plans to build a destination hotel and casino near Lake Eufaula. The bill provides that provides that after completion of a survey, the receipt of consideration and costs and satisfaction of certain terms, the Secretary of the Army shall transfer administrative jurisdiction of certain property to the Secretary of the Interior, who shall take the property into trust for the benefit of the Nation. The legislation requires the Nation to pay fair market value for the property as well as all costs related to the transfer. This bill also provides that gaming may only be conducted on the property pursuant to section 20(b)(1)(A) of the Indian Gaming Regulatory Act.

COMMITTEE ACTION

H.R. 1554 was introduced by Rep. Dan Boren (D–OK) on March 17, 2009 and was referred to the Committee on Natural Resources. The Committee held a hearing on H.R. 1554 on April 21, 2010. Mr. George Skibine, Acting Principal Deputy Assistant Secretary for Indian Affairs, testified in support of this legislation but expressed concerns with the way the bill was drafted.
On June 16, 2010 the Committee met to consider H.R. 1554. Rep. Boren offered an amendment in the nature of a substitute that provides for the involvement of the Secretary of the Army in making certain decisions regarding the transfer of lands, which addressed the drafting concerns expressed by the Administration. The amendment in the nature of a substitute also clarifies that gaming is not allowed under Section 20(a)(2) of IGRA, known as the “Oklahoma exception.” The amendment in the nature of a substitute was agreed to by voice vote. H.R. 1554, as amended, was then favorably reported to the House of Representatives by voice vote.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

CONSTITUTIONAL AUTHORITY STATEMENT

Article I, section 8 of the Constitution of the United States grants Congress the authority to enact this bill.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(3)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974.

2. Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to take certain property in McIntosh County, Oklahoma, into trust for the benefit of the Muscogee (Creek) Nation, and for other purposes.

4. Congressional Budget Office Cost Estimate. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

_H.R. 1554—Fountainhead Property Land Transfer Act_

H.R. 1554 would transfer 18 acres of land from the Army Corps of Engineers (the Corps) to the Department of the Interior (DOI) to be held in trust for the Muscogee Creek Nation. Based on information from the Corps, CBO estimates that implementing the legislation would increase offsetting receipts (a credit against direct spending) by about $2 million.
Under the bill, the Muscogee Creek Nation would pay fair market value to the Corps for the purchase of 18 acres of land in Oklahoma, which would be held in trust by DOI. Based on information from the Corps, CBO estimates that the value of the affected land is about $2 million. The bill also would require the tribe to pay all costs associated with transferring administrative jurisdiction of the land from the Corps to DOI.

According to the Corps, the affected land does not currently generate any receipts and is not expected to be sold or generate receipts over the next 10 years. Therefore, CBO estimates that implementing the legislation would increase offsetting receipts by about $2 million.

The Statutory Pay-As-You-Go Act of 2010 establishes budget reporting and enforcement procedures for legislation affecting direct spending or revenues. H.R. 1554 would increase offsetting receipts; therefore, pay-as-you-go procedures would apply. The net budgetary changes that are subject to pay-as-you-go procedures are shown in the following table.

H.R. 1554 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. The bill would benefit the Muscogee tribe and any costs to the tribe would be incurred voluntarily.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

EARMARK STATEMENT

H.R. 1554 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
