I. INTRODUCTION

The Committee on Standards of Official Conduct (Standards Committee) submits this Report pursuant to Rule XI, clause 3(a)(2), of the Rules of the U.S. House of Representatives (House Rules), which authorizes the Committee to investigate any alleged violation by a Member, officer, or employee of the House of Representatives, of the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee.

Based on the findings and conclusions of the Investigative Subcommittee following a thorough seven-month investigation, the Standards Committee unanimously voted to dismiss its review of the allegations regarding Representative Laura Richardson that were referred to the Standards Committee by the Office of Congressional Ethics (OCE). Representative Richardson did not knowingly accept a gift from Washington Mutual or violate any applicable standard of conduct in connection with the purchase of, foreclosure on, rescission of foreclosure sale for, or modification of loan terms for a residential property she owns in Sacramento, California. In addition, Representative Richardson did not violate the Ethics in Government Act (EIGA) in connection with her financial disclosure statements relating to her California properties.

II. INVESTIGATION

On August 6, 2009, OCE forwarded to the Standards Committee a report and findings (Report and Findings) recommending further review of allegations involving Representative Richardson. OCE's Report and Findings stated that there was "substantial reason to believe" that "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving preferential treatment from Washington Mutual Bank in the form of the postponement and/or rescission of the foreclosure sale of her home." However, OCE's Report and Findings stated that there was "not substantial reason to believe" that "Representative Richardson violated House Rule 26 (financial disclosure) by failing to disclose her Sacramento home as an asset and her mortgage liability on her financial disclosure forms." OCE's Report and Findings further stated that there was "not substantial reason to believe" that: "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving professional yard care services from her neighbors. Further, even if a violation occurred it would be de minimis."

On August 6, 2009, the Standards Committee began an initial investigation pursuant to Standards Committee Rule 18(a) into the matters in OCE's Report and Findings. On September 15, 2009, the Standards Committee voted to extend the matter regarding Representative Laura Richardson for forty-five days. During its initial

investigation, the Standards Committee authorized the issuance of three subpoenas. The documents collected by the Standards Committee during its initial investigation included Representative Richardson's loan application for her property in Sacramento, California. The loan application, and the supporting documents submitted with the application, indicated that Representative Richardson was receiving rental income from two residential properties she owned in San Pedro, California and Long Beach, California. At the time of the initial investigation, Representative Richardson had never disclosed any rental income on any Financial Disclosure Statement.

Based on the results of its initial investigation, and in accordance with clause 3 of House Rule XI and Standards Committee Rules 14(a)(6), 17A(f), and 19, the Standards Committee unanimously voted to establish an investigative subcommittee on October 29, 2009, to determine whether Representative Laura Richardson violated the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to her conduct in the performance of her duties or the discharge of her responsibilities by failing to disclose certain real property, income and liabilities on her financial disclosure forms (and amendments thereto) and whether Representative Richardson received an impermissible "gift" or received preferential treatment from her lender relating to the foreclosure, rescission of the foreclosure sale, or loan modification agreement for or relating to her property in Sacramento, California.[1]

The Investigative Subcommittee conducted a thorough seven-month investigation. The Investigative Subcommittee authorized the issuance of fourteen subpoenas; interviewed seven witnesses; and reviewed approximately seven thousand pages of documents. The Investigative Subcommittee also hired an independent consultant with experience in the mortgage industry to advise the Investigative Subcommittee. At the conclusion of the Investigative Subcommittee's investigation, the independent mortgage consultant reviewed the documents collected by the Investigative Subcommittee and the transcripts of the Investigative Subcommittee's interviews. Based on his review of the documents and interview transcripts, the mortgage consultant advised the Investigative Subcommittee as to whether the actions of Washington Mutual Bank (Washington Mutual), the bank that granted Representative Richardson the loan to purchase her Sacramento, California property, were commercially reasonable practices within the mortgage industry. Following its investigation, the members of the Investigative Subcommittee voted unanimously to adopt a report which was presented to the Standards Committee.

On June 30, 2010, the Standards Committee unanimously voted to adopt the Report of the Investigative Subcommittee and includes that Report herewith as part of the Standards Committee's Report to the House of Representatives on this matter. By this act, the

[1] The Standards Committee did not grant the Investigative Subcommittee jurisdiction to investigate whether Representative Richardson "violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving professional yard care services from her neighbors." As noted above, OCE's Report and Findings concluded that "there is not substantial reason to believe" that she committed such a violation, and that even had such a violation occurred, it would have been *de minimis*.

Standards Committee adopts the findings, conclusions, and recommendations of the Investigative Subcommittee.

III. FINDINGS AND CONCLUSIONS

The Standards Committee voted unanimously to release a public Report finding that Representative Richardson did not knowingly accept a gift from Washington Mutual or violate any applicable standard of conduct in connection with the purchase of, foreclosure on, rescission of foreclosure sale for, or modification of loan terms for a residential property she owns in Sacramento, California. In addition, Representative Richardson did not violate the Ethics in Government Act (EIGA) in connection with her financial disclosure statements relating to her California properties.

First, Representative Richardson did not knowingly make false statements in her mortgage application. Because the date of her closing was her first full day as a member of the California State Assembly and she was unable to attend the closing, Representative Richardson admitted that she did not review the mortgage application as closely as she should have and was not aware that the mortgage broker had forged documents included with the application.

The mortgage broker Representative Richardson used in connection with the purchase of her Sacramento property, without her knowledge, committed criminal fraud by claiming rental income for Representative Richardson on her mortgage application and forging rental agreements to act as supporting documents for this income. The Investigative Subcommittee found that, in calendar years 2007 and 2008, Representative Richardson did not lease or otherwise receive any rental income from the residential properties she owns in San Pedro, California; Long Beach, California; or Sacramento, California. However, Representative Richardson's mortgage broker Charles Thomas—who received a loan broker fee of nearly $11,000—admitted to the Investigative Subcommittee that he knowingly created and signed fake rental agreements and submitted that fraudulent information to Washington Mutual in connection with Representative Richardson's mortgage application. The independent mortgage consultant retained by the Investigative Subcommittee concluded that this was a case of "fraud for profit" by the mortgage broker, not a case of fraud by Representative Richardson. As such, she was the victim of mortgage fraud. The Standards Committee unanimously voted to refer Mr. Thomas to the Justice Department for further action as it deems necessary and appropriate.

The Investigative Subcommittee further found that Washington Mutual's actions in this case were commercially reasonable and that the bank treated Representative Richardson the same as Washington Mutual would treat any other similarly situated customer. First, Washington Mutual made a commercially reasonable business decision to place a temporary hold on the foreclosure proceedings for Representative Richardson's Sacramento property after Representative Richardson's employment changed and she contacted Washington Mutual seeking to reinstate the loan. Second, Washington Mutual mistakenly allowed the foreclosure sale of Representative Richardson's Sacramento property after informing

her in writing that Washington Mutual had placed a sixty-day hold on the foreclosure proceedings. Washington Mutual made a commercially reasonable business decision to rescind the foreclosure sale of Representative Richardson's Sacramento home due to its mistake, and in doing so treated her the same as it would any other similarly situated customer. (As a result of its mistake, Washington Mutual settled a lawsuit filed by the purchaser by refunding the foreclosure sale amount, paying the buyer an additional $100,000, and signing a nondisclosure agreement between the parties.) Finally, after rescinding the sale, Washington Mutual made a commercially reasonable business decision, based on Representative Richardson's change in circumstances, to modify Representative Richardson's mortgage on her Sacramento home.

Based on the findings and conclusions of the Investigative Subcommittee, on June 30, 2010, the Standards Committee unanimously voted to dismiss its review of the allegations regarding Representative Richardson that were referred to the Standards Committee by the Office of Congressional Ethics. OCE's Report and Findings are contained within the Standards Committee's Report.

The Standards Committee thanks the members of the Investigative Subcommittee for their hard work, dedication, and service to the Committee and to the House. Representative Ben Chandler served as Chair of the Investigative Subcommittee. Representative Gregg Harper served as Ranking Republican Member. Representatives Emmanuel Cleaver, II and Sue Myrick also served on the Subcommittee. Each of these members devoted substantial time and effort to the investigation, and the Committee thanks each of them for their service.

IV. STATEMENT UNDER RULE XIII, CLAUSE 3(c) OF THE RULES OF THE HOUSE OF REPRESENTATIVES

The Standards Committee made no special oversight findings in this report. No budget statement is submitted. No funding is authorized by any measure in this report.

EXECUTIVE SUMMARY

After an exhaustive investigation, the investigative subcommittee (Investigative Subcommittee) empanelled to review Representative Laura Richardson's conduct relating to her ownership of her California residences and related financial disclosure obligations found that:

- In calendar years 2007 and 2008, Representative Richardson did not lease or otherwise receive any rental income from the residential properties she owns in San Pedro, California; Long Beach, California; or Sacramento, California;
- The mortgage broker Representative Richardson used in connection with the purchase of her Sacramento property, without her knowledge, committed criminal fraud by claiming rental income for Representative Richardson on her mortgage application and forging rental agreements to act as supporting documents for this income;
- Washington Mutual Bank (Washington Mutual)—the bank that ultimately gave Representative Richardson a loan to purchase her Sacramento property—made a commercially reasonable business decision to place a temporary hold on the foreclosure proceedings for Representative Richardson's Sacramento property after Representative Richardson contacted Washington Mutual seeking to reinstate the loan, and in doing so treated Representative Richardson the same as it would any other similarly situated customer;
- Washington Mutual mistakenly allowed the foreclosure sale of Representative Richardson's Sacramento property after informing her in writing that Washington Mutual had placed a sixty-day hold on the foreclosure proceedings;
- Washington Mutual made a commercially reasonable business decision to rescind the foreclosure sale of Representative Richardson's Sacramento home due to its mistake, and in doing so treated Representative Richardson the same as it would any other similarly situated customer; and
- Washington Mutual made a commercially reasonable business decision to modify Representative Richardson's mortgage on her Sacramento home, and in doing so treated Representative Richardson the same as it would any other similarly situated customer.

Based on these findings, the Investigative Subcommittee concluded that:

- Representative Richardson did not knowingly accept a gift from Washington Mutual or violate any applicable standard of conduct in connection with the purchase of, foreclosure on, rescission of foreclosure sale for, or modification of loan terms for a residential property she owns in Sacramento, California; and

- Representative Richardson did not violate the Ethics in Government Act (EIGA) in connection with her financial disclosure statements relating to her California properties.

Given its findings and conclusions, the Investigative Subcommittee decided not to adopt any Statement of Alleged Violation in this case, and instead to draft this report and to make the following recommendations to the Standards Committee:

- The Investigative Subcommittee recommends that the Standards Committee dismiss its review of the allegations regarding Representative Richardson that were referred to the Standards Committee by the Office of Congressional Ethics; and
- The Investigative Subcommittee further recommends that the Standards Committee refer the matter involving Charles Thomas, the mortgage broker used in connection with the purchase of Representative Richardson's Sacramento property, who during the course of the investigation admitted to knowingly submitting fraudulent information to Washington Mutual in connection with Representative Richardson's mortgage application, to the Justice Department for such action as the Department deems necessary and appropriate.

JUNE 30, 2010

REPORT OF THE INVESTIGATIVE SUBCOMMITTEE

IN THE MATTER OF REPRESENTATIVE LAURA RICHARDSON

Mr. CHANDLER, from the Investigative Subcommittee, submitted the following

R E P O R T

TO THE

COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT

I. INTRODUCTION

The Investigative Subcommittee submits this Report to the Committee on Standards of Official Conduct (Standards Committee) pursuant to Standards Committee Rule 19(g) and the Standards Committee's October 29, 2009, resolution, which established the Investigative Subcommittee with jurisdiction to determine whether Representative Laura Richardson violated the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to her conduct in the performance of her duties or the discharge of her responsibilities by failing to disclose certain real property, income and liabilities on her financial disclosure forms (and amendments thereto) and whether Representative Richardson received an impermissible "gift" or preferential treatment from her lender relating to the foreclosure, rescission of the foreclosure sale or loan modification agreement for or relating to her property in Sacramento, California.

On March 26, 2009, at least two members of the board of the Office of Congressional Ethics (OCE) made a written request to commence a preliminary review of Representative Richardson's conduct, and OCE commenced its preliminary review of the matter on

April 2, 2009.[1] On April 24, 2009, at least three members of OCE's board voted to initiate a second phase of the review, and OCE commenced its second phase review on May 1, 2009.[2] On June 12, 2009, OCE's board voted to extend the second phase review for an additional 14 days.[3] OCE's second phase review ended on June 30, 2009.[4] OCE's board adopted its findings and voted to refer the matter to the Standards Committee for further review on July 24, 2009.[5] On August 6, 2009, OCE forwarded to the Standards Committee a report and findings (Report and Findings) recommending further review of allegations involving Representative Richardson.[6]

OCE's Report and Findings stated that there was "substantial reason to believe" that "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving preferential treatment from Washington Mutual Bank in the form of the postponement and/or rescission of the foreclosure sale of her home."[7] However, OCE's Report and Findings stated that there was "not substantial reason to believe" that "Representative Richardson violated House Rule 26 (financial disclosure) by failing to disclose her Sacramento home as an asset and her mortgage liability on her financial disclosure forms."[8] OCE's Report and Findings further stated that there was "not substantial reason to believe" that: "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving professional yard care services from her neighbors. Further, even if a violation occurred it would be de minimis."[9]

On August 6, 2009, the Standards Committee began an initial investigation into the matters in OCE's Report and Findings. The Standards Committee conducted its initial investigation in this matter pursuant to Standards Committee Rule 18(a), which authorizes the Committee to consider any information in its possession indicating that a Member, officer, or employee may have committed a violation of the Code of Official Conduct or of any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee in the performance of the duties or the discharge of the responsibilities of such individual. Standards Committee Rule 18(a) further authorizes the Chair and Ranking Member to jointly gather additional information concerning such an alleged violation by a Member, officer, or employee unless and until an investigative subcommittee has been established. On September 15, 2009, the Standards Committee voted to extend the matter regarding Representative Richardson for forty-five days.

During its initial investigation, the Standards Committee authorized the issuance of three subpoenas. The documents collected by the Standards Committee during its initial investigation included Representative Richardson's loan application for her property in

Sacramento, California. Representative Richardson's loan application, and the supporting documents submitted with the application, indicated that Representative Richardson was receiving rental income from two residential properties she owned in San Pedro, California, and Long Beach, California. At the time of the initial investigation, Representative Richardson had never disclosed any rental income on any Financial Disclosure Statement.

Based on the results of its initial investigation, the Standards Committee established an investigative subcommittee on October 29, 2009, with jurisdiction to determine whether Representative Richardson violated the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to her conduct in the performance of her duties or the discharge of her responsibilities by failing to disclose certain real property, income, and liabilities on her financial disclosure forms (and amendments thereto) and whether Representative Richardson received an impermissible "gift" or received preferential treatment from her lender relating to the foreclosure, rescission of the foreclosure sale, or loan modification agreement for or relating to her property in Sacramento, California.[10]

The Investigative Subcommittee conducted its investigation in this matter pursuant to Standards Committee Rule 19, which authorizes the Investigative Subcommittee to consider any evidence relevant to its inquiry and to require by subpoena or otherwise, the attendance and testimony of witnesses and the production of such books, records, correspondence, memoranda, papers, documents, and other items as it deems necessary to conduct the inquiry. During the course of its investigation, the Investigative Subcommittee authorized the issuance of fourteen subpoenas; interviewed seven witnesses; and reviewed approximately seven thousand pages of documents. Several of the witnesses that the Investigative Subcommittee interviewed were former employees of Washington Mutual Bank (Washington Mutual), which was the bank that loaned Representative Richardson the money to purchase her Sacramento property. Many of the relevant documents in this matter were in the possession of JPMorgan Chase, which purchased the assets of Washington Mutual on September 25, 2008, after Washington Mutual was seized by the Office of Thrift Supervision (OTS). Washington Mutual's seizure by OTS and the subsequent purchase of its assets by JPMorgan Chase contributed to some delay in the Investigative Subcommittee's efforts to locate certain witnesses and documents relevant to this matter.

The Investigative Subcommittee also hired an independent consultant with experience in the mortgage industry to advise the Investigative Subcommittee.[11] At the conclusion of the Investigative

[10] The Standards Committee did not grant the Investigative Subcommittee jurisdiction to investigate the allegation in OCE's Report and Findings that Representative Richardson "violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) knowingly receiving professional yard care services from her neighbors." Subcommittee's investigation, the independent mortgage consultant reviewed the documents collected by the Investigative Subcommittee and the transcripts of the Investigative Subcommittee's interviews. Based on his review of the documents and interview transcripts, the mortgage consultant advised the Investigative Subcommittee as to whether Washington Mutual's actions in this case were commercially reasonable practices within the mortgage industry.

The Investigative Subcommittee's findings and conclusions are set forth in this Report.

II. JURISDICTION OF THE INVESTIGATIVE SUBCOMMITTEE

Rule XI, clause 3(a)(2), of the Rules of the U.S. House of Representatives (House Rules), vests jurisdiction over the matters addressed in this Report with the Standards Committee. The Standards Committee may investigate any alleged violation by a Member, officer, or employee of the House of Representatives of the Code of Official Conduct or of any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee.[12] Sole and exclusive authority over the interpretation and enforcement of the Code of Official Conduct lies with the Standards Committee.[13]

The Standards Committee conducted an initial investigation in this matter pursuant to Standards Committee Rule 18(a), which authorizes the Standards Committee to consider any information in its possession indicating that a Member, officer, or employee may have committed a violation of the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee in the performance of the duties or the discharge of the responsibilities of such individual. The Chair and Ranking Republican Member conducted the initial investigation pursuant to House Rule XI, clause 3(b)(1)(B)(ii), and Standards Committee Rule 18(a), which authorizes them to jointly gather additional information concerning such an alleged violation by a Member, officer, or employee unless and until an investigative subcommittee has been established.

The Standards Committee established an investigative subcommittee in this matter with jurisdiction over the matters addressed in this Report pursuant to Standards Committee Rules 10(a)(2) and 18, which authorize the Standards Committee to establish an investigative subcommittee by an affirmative vote of the Committee.

The Investigative Subcommittee conducted its investigation in this matter pursuant to Standards Committee Rule 19, which authorizes the Investigative Subcommittee to consider any evidence relevant to its inquiry and to require by subpoena or otherwise, the attendance and testimony of witnesses and the production of such books, records, correspondence, memoranda, papers, documents, and other items as it deems necessary to conduct the inquiry. Further, pursuant to Standards Committee Rule 6(h), the Committee authorized the Investigative Subcommittee to hire an independent

mortgage consultant to advise the Investigative Subcommittee regarding commercially reasonable actions in the mortgage industry.

The Investigative Subcommittee prepared this report pursuant to Standards Committee Rule 19(g), which requires an investigative subcommittee, in a case in which the investigative subcommittee does not adopt a Statement of Alleged Violation, to transmit to the Standards Committee a report containing a summary of the information received during the inquiry, its conclusions and reasons therefore, and any appropriate recommendation.

III. FACTUAL FINDINGS

A. SUMMARY OF FACTUAL FINDINGS

In 1995, Representative Richardson purchased a house in San Pedro, California, in which Representative Richardson's mother has lived for several years. In 1999, Representative Richardson purchased a property in Long Beach, California, with her then-husband, which has been Representative Richardson's primary residence for several years. Representative Richardson and her then-husband finalized their divorce in 2005, and after the divorce, Representative Richardson was solely responsible for the mortgage on the Long Beach property. Representative Richardson has never collected any rent for either her San Pedro or Long Beach properties, which is consistent with the disclosures in the Financial Disclosure Statements she has filed.

Representative Richardson was elected to the California State Assembly in 2006. In 2007, Representative Richardson purchased a property in Sacramento, California, for the purpose of using the house when she was in Sacramento. Soon after Representative Richardson purchased the Sacramento property, Representative Juanita Millender-McDonald passed away, and Representative Richardson ran in a special election to replace Representative Millender-McDonald. Representative Richardson won the special election and was sworn in to the House of Representatives on September 4, 2007.

Representative Richardson used a mortgage broker in connection with obtaining a mortgage to purchase the Sacramento property. This mortgage broker, Charles Thomas, submitted numerous documents with Representative Richardson's loan application packet for the Sacramento property. Several of these documents indicated that Representative Richardson was receiving income from her San Pedro and Long Beach properties, which rental income was calculated into Representative Richardson's gross monthly income. Representative Richardson's loan application packet included two rental agreements for these properties which supported this income. The income from these rental agreements made it appear that Representative Richardson had more income than she actually did.

Representative Richardson ultimately obtained a loan for the Sacramento property from Washington Mutual.

Representative Richardson denied any knowledge that this false information was included with her mortgage application. Mr. Thomas told Investigative Subcommittee counsel that he placed the false information regarding Representative Richardson's supposed rental income on her mortgage application and that he forged the

rental agreements. Mr. Thomas also said that he did not know whether Representative Richardson was aware of the submission of the false rental income information.

After reviewing Representative Richardson's mortgage application and facts surrounding it, the mortgage consultant hired by the Investigative Subcommittee concluded that Representative Richardson was likely not involved in the mortgage fraud related to her mortgage application. The mortgage consultant further concluded that if the facts in Representative Richardson's mortgage application had been accurate, her initial mortgage for the Sacramento property would have been commercially reasonable. However, the mortgage consultant also concluded that Representative Richardson likely would not have qualified for the mortgage on her Sacramento property without the fraudulent rental income information submitted with her mortgage application.

In late 2007, Representative Richardson fell behind on her mortgage payments for the Sacramento property and went into default. Washington Mutual then began foreclosure proceedings. After some delay, Representative Richardson contacted Washington Mutual and expressed interest in bringing the loan current. Representative Richardson told Washington Mutual that her financial situation had changed from the time when she went into default on the Sacramento property because she had experienced a gap in income due to changing jobs. Washington Mutual placed a hold on the foreclosure proceedings. After reviewing the facts surrounding Washington Mutual's decision to place a hold on the foreclosure sale of Representative Richardson's Sacramento property, the mortgage consultant hired by the Investigative Subcommittee concluded that Washington Mutual's decision was commercially reasonable.

Washington Mutual agreed with Representative Richardson that it would put the foreclosure sale on hold for 60 days, beginning on April 4, 2008, with the hold to expire on June 4, 2008. Due to operational errors by Washington Mutual, the hold was lifted on April 15, 2008. This error resulted in a foreclosure sale of Representative Richardson's Sacramento home on May 7, 2008, with the property being sold to Red Rock Mortgage for $388,000.01. Upon realizing this error, Washington Mutual decided to rescind the foreclosure sale. Due to the rescission, Washington Mutual had to refund Red Rock Mortgage all of its money. After rescinding the foreclosure sale, Red Rock Mortgage sued Washington Mutual, and ultimately Washington Mutual entered into an out-of-court settlement with Red Rock Mortgage for a payment of approximately $100,000 in addition to returning the foreclosure sale amount. After reviewing the facts surrounding Washington Mutual's decision to rescind the foreclosure sale of Representative Richardson's Sacramento property, the mortgage consultant hired by the Investigative Subcommittee concluded that Washington Mutual's decision was commercially reasonable.

After Washington Mutual rescinded the foreclosure sale of Representative Richardson's Sacramento property, Washington Mutual and Representative Richardson worked on, and agreed to, a modification of Representative Richardson's loan. After reviewing the facts surrounding Washington Mutual's decision to offer a loan modification to Representative Richardson, the mortgage consultant hired by the Investigative Subcommittee concluded that the

loan modification offered to Representative Richardson was commercially reasonable.

B. REPRESENTATIVE RICHARDSON

Representative Richardson served on the Long Beach City Council from 2000 to 2006.[14] In 2006, Representative Richardson was elected to the California State Assembly.[15] A few months after Representative Richardson was elected to the California State Assembly, then-U.S. Representative Juanita Millender-McDonald passed away.[16] Representative Richardson ran in a special election to replace Representative Millender-McDonald.[17] Representative Richardson won the special election and was sworn in to the House of Representatives on September 4, 2007.[18]

Representative Richardson currently owns at least three residential properties, and rents an apartment in the Washington, D.C., metropolitan area.[19] In 1995, Representative Richardson purchased a property in San Pedro, California.[20] Representative Richardson's mother has lived in the San Pedro property for several years.[21] In 1999, Representative Richardson purchased a property in Long Beach, California, with her then-husband.[22] The Long Beach property has been Representative Richardson's primary residence for several years.[23] In 2007, Representative Richardson purchased a property in Sacramento, California.[24] Representative Richardson bought the house in Sacramento shortly after her election to the California State Assembly for the purpose of using the house when she was in Sacramento.[25]

Representative Richardson and her then-husband separated in 2000, and finalized their divorce in 2005.[26] After the divorce, Representative Richardson was solely responsible for the mortgage on the Long Beach property.[27]

Since her election to U.S. House of Representatives, Representative Richardson has also rented an apartment in the Washington, D.C., metropolitan area.[28] In 2008, her monthly rent was $1,790.[29]

Representative Richardson filed the Financial Disclosure Statement for candidates and new employees with the House of Representatives on February 22, 2008.[30] Representative Richardson filed Financial Disclosure Statements for current Members with the House of Representatives on May 19, 2008,[31] June 13, 2008,[32] and May 15, 2009.[33] Representative Richardson did not disclose any rental income on any of these Financial Disclosure Statements, and she did not list any of her residential properties on the liabilities section of her Financial Disclosure Statements.[34] Pursuant to House rules related to financial disclosure requirements, Representative Richardson was not required to disclose these properties or associated liabilities so long as they were not being held for investment purposes and no rental income was being collected.[35] Furthermore, Representative Richardson told the Investigative Subcommittee that she has never collected any rent for either her San Pedro or Long Beach properties.[36] Finally, no one, other than Representative Richardson or her mother, has been listed on the utilities for either the San Pedro or Long Beach properties.[37]

C. PURCHASE OF THE SACRAMENTO PROPERTY

1. Mortgage Broker

Representative Richardson used a mortgage broker to procure a loan to purchase her Sacramento property.[38] A mortgage broker is a mortgage industry professional that markets wholesale mortgage bankers' mortgage loans to potential borrowers.[39] Mortgage brokers receive and process mortgage loan applications, and then send the information to the wholesale mortgage bankers' underwriting departments for review.[40] A wholesale mortgage banker's underwriter makes the final decision to approve the mortgage loan application;

to approve the application with conditions; or to reject the application.[41]

Representative Richardson's mortgage broker was Charles Thomas of Avenue Mortgage.[42] Avenue Mortgage received a "Loan Origination Fee" of $10,700 for Representative Richardson's loan.[43] Representative Richardson was referred to Mr. Thomas by another client.[44] Mr. Thomas told the Investigative Subcommittee that he was aware that Representative Richardson was an elected official when he started working with her.[45]

2. Loan from Washington Mutual

Through Mr. Thomas, Representative Richardson received a loan from Washington Mutual to purchase her Sacramento property.[46] In 2007, Washington Mutual was one of the largest mortgage lenders in the United States.[47] Washington Mutual "had a large banking footprint in the West and many home loan offices around the country."[48] Washington Mutual was known in the mortgage industry as a lender that offered higher risk sub-prime and option Adjustable Rate Mortgage (ARM) loan products.[49] On September 26, 2008, in the largest single bank failure in United States history, Washington Mutual succumbed to the fallout from the subprime mortgage crisis, and was seized by its primary regulator, the Office of Thrift Supervision (OTS).[50] OTS appointed the Federal Deposit Insurance Corporation (FDIC) as the receiver for Washington Mutual.[51] The FDIC in turn conducted a bidding process that led to the purchase of Washington Mutual by JPMorgan Chase.[52]

Mr. Thomas told the Investigative Subcommittee that "[u]sually when we first structure a loan we try to decide which lender would be best for that borrower['s] situation. So, in the process, we would determine this type of borrower, their situation would be more fitted for this type of lender for example."[53] Mr. Thomas said that he selected Washington Mutual as the lender for Representative Richardson because the bank "was in a subprime marketplace. So most of the borrowers that were what we called subprime category borrowers or A minus borrowers or whatever you would like to coin them were then referred to lenders like Washington Mutual."[54] Mr. Thomas said that Washington Mutual was "pretty aggressive. They were doing some things kind of aggressively relevant to what other lenders were offering."[55] Mr. Thomas explained that Washington Mutual was "doing higher debt ratios and smaller down payments, no down payments, and things like that; and they would

do that for people who had credit scores that were slightly marginal."[56]

The California housing market experienced rapid house price appreciation from 2002 to 2007, reaching its peak in early 2007.[57] In late 2006 and early 2007, homebuyers felt a sense of urgency to purchase a home before home prices appreciated even higher.[58] However, many homebuyers in California were already priced out of the housing market due to the appreciation that had occurred since 2002.[59] Because fewer homebuyers could qualify for ordinary mortgages in many high cost markets, lenders began to use looser lending guidelines and began creating exotic mortgage products to increase the demand for mortgages.[60] During this time, lenders began offering mortgages with forty-year time frames, mortgages that allowed certain payments to be optional, mortgages that required low or no down payments, mortgages with adjustable interest rates, and "interest only" mortgages.[61] The effect of these "exotic" products was to bring homebuyers, who were previously "priced out" of the market, back into the market in California because they could qualify for a mortgage.[62]

Mr. Thomas told the Investigative Subcommittee that Representative Richardson "wanted a certain type of loan that she did not qualify for initially."[63] Mr. Thomas explained that Representative Richardson "wanted, for lack of a better word, a Grade A, you know, vanilla Fannie Mae financing; and I think she had thought that that is what she would qualify for, but her credit score was not in that category."[64] A credit report dated January 2, 2007, found in the Washington Mutual file for Representative Richardson indicated that the three major credit rating agencies reported credit scores of 575, 582, and 603 for Representative Richardson.[65] Mr. Thomas said that Representative Richardson "had a couple of mortgage lates I think as a result of a previous divorce[.]"[66] Mr. Thomas told the Investigative Subcommittee that Representative Richardson's loan was "what we call a 2/28 loan. It is a 30-year term that is broken up into the first 2 years of the 30-year term being fixed, so the 2-year fixed rate loan. . . . After 2 years, the loan will adjust depending upon the type of index and margins that loan has."[67] Washington Mutual categorized Representative Richardson's loan as "Sub Prime-Conventional."[68]

3. Submissions to Washington Mutual

Representative Richardson, through her mortgage broker Mr. Thomas, submitted numerous documents with her mortgage application.[69] Mr. Thomas told the Investigative Subcommittee that bor-

rowers provided all of the necessary documentation for a loan application to him as the broker, and that "copies will be fine to start the process[.]" [70] However, he stated that "the closing documents themselves were original documents. They required original signatures and things of that nature. But to start the process they could forward me their banks' statements, their W–2s via fax or email." [71]

Lenders consider several factors when reviewing loan applications.[72] For example, lenders will often use a rate sheet, which shows the wholesale interest rates for each day.[73] Loans can fall into different categories depending on how much documentation the lender has when reviewing the loan.[74] When a loan is a "full document" loan, lenders will consider all the debt and income information provided by the borrower when determining whether the prospective borrower qualifies for the loan.[75] This is in contrast to a "stated document" loan, in which the borrower states their income on the application but does not provide proof of the income in the way of documents such as tax forms or paystubs.[76] "Stated document" loans usually require larger down payments, higher credit scores, and have higher interest rates than a full document loan.[77] Representative Richardson's loan application appears to have been a "full document" loan.[78] This means that all the debt and income information provided by Representative Richardson was considered in qualifying for the loan.[79]

In some cases a borrower may also submit a credit letter of explanation.[80] These are most typically used if a borrower has any issues in the borrower's credit history.[81] In that case, the borrower may provide a credit letter of explanation to account for these issues.[82]

Mr. Thomas told the Investigative Subcommittee that his communications with Representative Richardson were primarily over the phone.[83] Representative Richardson told the Investigative Subcommittee that she never actually met with Mr. Thomas in person.[84] Mr. Thomas said he did not remember if Representative Richardson reviewed any portion of her loan application before he sent it to Washington Mutual, but it was not unusual for an applicant to not review an application before it is sent to the lender.[85] Representative Richardson did not remember if she signed any draft of her mortgage application prior to closing.[86] Representative Richardson told the Investigative Subcommittee that she never

granted Mr. Thomas authority to sign any document on her behalf.[87]

Representative Richardson told the Investigative Subcommittee that she was "sworn in [to the California State Assembly] on December 4th," and that her "first day on the job of being a full-time elected official was January 3rd."[88] Representative Richardson said that "because my day was so busy the first day, I missed the first completing of the documents and signed on the following day. So it was pretty hectic, and unfortunately, I know I don't think I reviewed things as closely as I should have."[89]

a. Employment Income Verification Letter

A one-page handwritten document entitled "Employment Income Verification Letter" was submitted with Representative Richardson's mortgage application.[90] On this document, Representative Richardson hand-wrote her salary as $113,098.00.[91] Representative Richardson told the Investigative Subcommittee that this was her salary in the California State Assembly.[92] She also hand-wrote that she received a "Per Diem Tax Free" of $36,450.00, "50% Tax Credit on Per Diem For [unknown word] My Evaluation" of $10,935.00, and "Rent Credit for San Pedro Residence" of $12,000.00.[93] Representative Richardson told the Investigative Subcommittee that she received a per diem from the California State Assembly, and she noted that she wrote "rent credit" not "rent income."[94] Representative Richardson explained to the Investigative Subcommittee that her "mother has a home in Gardenia. It was the hope that my mother, we were going to fix up her place and rent her place, and the money that she received from her place of her living in my place, then she would pay me out of that."[95] Representative Richardson said that her mother has "not yet" rented her Gardenia property.[96] At the bottom of the document, Representative Richardson hand-wrote that her "Stated Income" was $172,483.[97]

Mr. Thomas told the Investigative Subcommittee this "was a letter that was provided to me explaining the breakdown of her income."[98] Mr. Thomas said this letter was necessary "[b]ecause of how she was paid. She had her per diem and other expenses that were not normally on a payroll check. And I think the underwriter wanted that, something like that to kind of explain her income."[99] Mr. Thomas believed that the "Rent Credit for San Pedro Residence" was for a property that she was vacating.[100] Mr. Thomas said that they would have needed other backup documentation to support the "rent credit" such as a rental agreement.[101]

b. Credit Letter of Explanation

A credit letter of explanation was provided with Representative Richardson's loan application.[102] This letter appears to have been provided to explain certain late payments in Representative Richardson's credit history.[103]

c. Uniform Residential Loan Application

JPMorgan Chase and Representative Richardson provided the Investigative Subcommittee with numerous versions of the "Uniform Residential Loan Application" submitted to Washington Mutual for Representative Richardson's Sacramento property.[104] Mr. Thomas told the Investigative Subcommittee "a lot of things would need to be corrected on an application that could cause it to be faxed back by the lender to be accepted."[105] Mr. Thomas said that Representative Richardson would "[n]ot necessarily" have had to re-sign the application each time it was amended.[106]

Mr. Thomas said that there would never be a reason for him to sign Representative Richardson's name on her behalf.[107]

Several versions of the applications appeared to be drafts that were sent to Washington Mutual by facsimile from someone at Avenue Mortgage between January 3, 2007, and January 8, 2007.[108] Three of the versions contained a signature purporting to be Representative Richardson,[109] and the others did not.[110] Some of the pages contained the initials "LR" at the bottom,[111] and some did not.[112] The applications stated that the "Interviewer's Name" was Charles Thomas.[113] Representative Richardson confirmed that she signed and initialed the January 4, 2007, version of the application.[114]

Each version of the "Uniform Residential Loan Application" listed Representative Richardson's San Pedro, California, and Long Beach, California, properties in the "Schedule of Real Estate Owned" section.[115] The applications stated that Representative Richardson was paying a mortgage payment of $2,474 for the San Pedro property and $2,592 for the Long Beach property.[116] The application also stated that Representative Richardson was receiving "Gross Rental Income" of $2,000 for the San Pedro property and $2,250 for the Long Beach property.[117] Based on these mortgage

payments and rental income numbers, the applications stated that Representative Richardson was receiving "Net Rental Income" of negative $674 for the San Pedro property and negative $567 for the Long Beach property.[118] Mr. Thomas told the Investigative Subcommittee that he placed the information about this rental income on the applications and that Representative Richardson would have needed copies of rental applications to support her claim of rental income on the loan application.[119]

Representative Richardson said that she did not read the portion of her loan application indicating that she was receiving rental income for her San Pedro and Long Beach properties, but that the documents accurately stated her mortgage payments for her San Pedro and Long Beach residences.[120] Representative Richardson said that, if she had read that she was receiving rental income for these properties, she would have known this was incorrect.[121] Representative Richardson said that she did not become aware that this information was included in her mortgage application until around the end of 2008, or the beginning of 2009, when her lawyer informed her.[122]

d. Rental Agreements

Two documents were submitted to Washington Mutual as part of Representative Richardson's mortgage application purporting to be rental agreements for Representative Richardson's San Pedro (San Pedro Rental Agreement) and Long Beach (Long Beach Rental Agreement) properties.[123] The San Pedro Rental Agreement listed Representative Richardson as the landlord and Marjorie Washington and Deborah Washington as the tenants, and included purported signatures for all three people.[124] The San Pedro Rental Agreement stated that the agreement began on March 3, 2005.[125] The Long Beach Rental Agreement listed Representative Richardson as the landlord and Angela Parsons as the tenant, and included purported signatures for both people.[126] The Long Beach Rental Agreement stated that the rental agreement began on January 3, 2007.[127]

Representative Richardson told the Investigative Subcommittee that, at the time her loan application was submitted to Washington Mutual, she had no knowledge that these rental agreements were created or that they were submitted with her application.[128] Representative Richardson further stated that the handwriting on the rental agreements does not match her own.[129]

Mr. Thomas admitted to the Investigative Subcommittee that he created the rental agreements and submitted them to Washington Mutual.[130] During Mr. Thomas' interview, the following exchange occurred:

Q Do you recall whether Representative Richardson actually provided rental agreements for the two properties?

A No, I don't recall that, sir.

Q We have here two copies—or a copy of two rental agreements for each property. Does that comport—is it possible that you provided these rental agreements?

A I am sorry, sir.

Q Is it possible that you provided rental agreements? We have documents that appear to be rental agreements. Is that a possibility?

A Did she provide those?

Q Yes.

A It is possible, yes.

Q Is it possible that anybody else provided them?

A Not—maybe forwarded to the borrower, but no one else in my office would have provided any, no.

Q Say that again. You had forms that you would forward to a borrower?

A There was a—take a rental agreement, for example. Usually, they—borrowers don't carry rental agreements with them. So if they didn't have a rental agreement available, we would forward one to them.

Q In what circumstance would you forward a rental agreement to a borrower?

A You know, it depends. If they didn't have—they had had the information, but they didn't have the document, for example. It would just depend on the situation.

Q So if they had an informal agreement where they were renting and if they didn't have adequate documents supporting it, you would send them out a form rental agreement?

A Right. They would fill it out and send it back.

Q Would you ever fill it out?

A Yes. I would fill it out from time to time, yes.

Q Do you know if you sent Representative Richardson this form agreement?

A I am trying to remember. I believe so. I believe I did.

. . .

Q So, if you sent this—if you sent the form agreement and maybe even filled it out, would you have—I assume you sent it to Representative Richardson for her to sign; is that right?

A Yes, sir.

Q And, again, she was the only person you dealt with; is that right? You didn't deal with any assistant of hers or some other staff person?

A No, she was the only person I dealt with.

Q So do you recall receiving these from her signed?

A I do not remember.

Q But you or somebody at your office didn't sign them, did you?

A I signed the agreement. I told the FBI agent that also that talked to me about it.

Q Say that again.

A I had also told the FBI agent that I talked with that I had signed the agreement.

Q You signed the agreement?

A Yes, sir.

Q Did you do all the signatures, hers and the other person?

A The other person?

Q Well, there is a landlord and a tenant signature. Did you sign—did you put those signatures in?

A Yes, sir.

. . .

Q Why did you do that?

A As I told the agent at that time, I had no—I just feel—a stupid thing on my part to do, basically, obviously. I don't normally do that. It was a mistake that I made, and I told the FBI agent that already, also.

Q Did Representative Richardson know that you signed these?

A To be honest with you, I am not exactly sure.

. . .

Q Why would you be signing rental agreements in this case? How would that help or hurt her in this case?

A I don't think it helped or hurt her either way. Again, once you looked everything, she had enough income already to qualify. So in this case it wasn't anything to aid her or anything like that. It was just something stupid that I had done.[131]

Mr. Thomas said that he created the rental agreements after he received the Employment Income Verification letter from Representative Richardson and that the amount of rent in the rental agreement for the San Pedro property "was the amount indicated on the handwritten form that she would use particularly as part of her compensation, as a credit for that property taken when she moved to Sacramento."[132] Mr. Thomas said that the rent in the rental agreement for the Long Beach property "could have been just regular rents from the neighborhood or whatever the case may have been."[133]

The claim of rental income on Representative Richardson's mortgage application that was supported by these rental agreements made it appear that Representative Richardson had more income than she actually did.[134]

On March 30, 2010, Daniel Shallman, an attorney representing Representative Richardson, sent a letter to Dorothy C. Kim, an attorney at the United States Attorney's Office for the Central District of California.[135] Mr. Shallman's letter stated:

> As we discussed, I write to confirm the decision of the United States Attorney's Office for the Central District of California to decline criminal prosecution of Congresswoman Laura Richardson in connection with her application for a mortgage in January 2007 to purchase a prop-

[135] Letter from Daniel Shallman to Dorothy C. Kim, March 30, 2010.

> erty located at 3622 W. Curtis Drive, Sacramento, California. You advised me that, after having investigated the circumstances surrounding Ms. Richardson's application for a mortgage on this property from Washington Mutual Bank, the government would not seek criminal charges against Ms. Richardson related to this mortgage application.[136]

Ms. Kim replied to Mr. Shallman's letter via email on March 31, 2010, stating, "[s]orry for the delay. I agree with your letter."[137]

4. Fraud Prevention

The Investigative Subcommittee did not find any evidence that Washington Mutual was aware that Representative Richardson's loan application contained fraudulent information.[138] Mr. Huntzinger, the Investigative Subcommittee's independent mortgage consultant, explained that, as part of the underwriting approval process, the wholesale mortgage banker usually conducts quality control reviews and fraud prevention reviews.[139] Banks use various tools to conduct quality control reviews and prevent fraud.[140] For example, banks use automated valuation models (AVMs), which are automated reports that can provide property valuation by using mathematical modeling combined with databases.[141] Most AVMs calculate a property's value at a specific point in time.[142] Banks also use Social Security number verifications to verify that the Social Security number is valid, not stolen, and belongs to the same person who applied for the mortgage.[143]

Underwriters are also trained to assess the risk of a loan and in fraud prevention techniques.[144] They look for red flags that represent fraud risk and review automated fraud prevention reports.[145] One fraud prevention technique underwriters use is to have the borrower sign a 4502T form when the borrower applies for the loan.[146] This form is used by the lender to request transcripts of the federal income tax returns the borrower filed with the Internal Revenue Service (IRS).[147] Once the transcripts are received from the IRS, they are reviewed against copies of the federal income tax returns the borrower provided.[148] If the income does not match, this discrepancy would be a red flag of possible fraud.[149]

Some banks have set up special fraud prevention departments that work parallel to the underwriting department as the mortgage loan moves through the underwriting process.[150] These specialized

It is standard for an elected official to live in the district in which they are elected, and thus a rental agreement for that property should have raised a red flag that the agreement was potentially fraudulent. *Id.*

departments are highly trained in fraud prevention techniques and are usually better at identifying fraud than underwriting departments.[151]

Banks also have post closing departments that conduct post closing reviews once the loan is closed to ensure all necessary documents are in the closed loan file and completed to meet secondary market or portfolio delivery.[152]

5. Washington Mutual's Analysis of the Loan Application

Washington Mutual used numerous analysis tools when conducting its initial analysis of Representative Richardson's loan application.[153] When analyzing Representative Richardson's mortgage application, Washington Mutual listed Representative Richardson's monthly income as $12,462.33, and noted that the income was "stated."[154] Washington Mutual also recorded Representative Richardson as having "−1,242.00" in "Net Rental Income."[155] When taking into account this "Net Rental Income" Washington Mutual reduced Representative Richardson's "Monthly Gross Income" to $11,220.00.[156]

On January 2, 2007, Washington Mutual ordered a credit report for Representative Richardson.[157] The credit report listed four addresses for Representative Richardson.[158] The most recent addresses were for Representative Richardson's Long Beach home and her San Pedro home.[159] The version of the credit report provided to the Investigative Subcommittee by JPMorgan Chase had the word "Rental" handwritten across the addresses section of the credit report.[160]

The "Uniform Underwriting and Transmittal Summary" used by Washington Mutual in analyzing the loan for Representative Richardson's Sacramento property indicated Representative Richardson's "Base Income" was $9,424.83 and she had "Other Income" of $3,037.50.[161] The form also indicated that Representative Richardson's "First Mortgage P&I" was $4,498.57, and that the hazard insurance for the property was $158 and the taxes were $556.[162] Thus, the form showed that Representative Richardson's "Total Primary Housing Expenses" were $5,210.57.[163] The form also indicated that Representative Richardson's "Other Obligations" included "Other Property" of $5,066 and "All Other Monthly Payments" of $5,244.[164]

The "Underwriting Worksheet Summary" used by Washington Mutual in analyzing the loan for Representative Richardson's Sacramento property indicated the "Property Usage" of Representative

Richardson's Sacramento property was "Primary Residence."[165] The document further stated that Representative Richardson's loan was a "2 Year ARM (2/28 and 2/38)" with an initial interest rate of 8.8%[166] The document further stated that the sales price for and appraised value of Representative Richardson's Sacramento property was $535,000, which was also the loan amount.[167]

The "Underwriter Decision Summary" used by Washington Mutual in analyzing the loan for Representative Richardson's Sacramento property stated in the "Credit Comments" section that "Borrower has 2 rental properties, 1 paid aa and WFB mtg 2x30 for A− grade. Some derog in consumer—using 2 derog accts in d/r, also older derog. AKA's addressed."[168] The document further stated that Representative Richardson had "Net Rental Income" of "−1,242."[169] The document also stated that the "Analysis Type" was "STATED."[170] The document indicated that the "Loan-to-Value Ratio" for the property was 100%.[171]

The "Underwriting or Rate Exception" form used by Washington Mutual for the loan on Representative Richardson's Sacramento property included a "Description of Exception Requested" section, which stated "LTV exception max 95% Requested 100%."[172]

The "Underwriting Approval Sheet" used by Washington Mutual for the loan on Representative Richardson's Sacramento property stated that the loan was not on "Stated Income."[173] The document also stated that Representative Richardson had "Current Rental agreements on both Vernon and Parker properties."[174]

6. Conclusions Regarding the Loan Application

The Investigative Subcommittee asked Mr. Huntzinger to provide his professional opinions regarding the facts surrounding Representative Richardson's loan application. Mr. Huntzinger first provided the following explanation to the Investigative Subcommittee:

> Knowingly providing false information on a mortgage application usually is mortgage fraud. Falsifying rental agreements and sending them to a lender is also mortgage fraud. It is thus probable that someone committed mortgage fraud when submitting Representative Richardson's loan application. There are two categories of mortgage fraud: (1) fraud for profit and (2) fraud for housing. Fraud for profit is usually made by loan originators and sellers of real estate. The motivation is to profit from the loan fees for originators and the proceeds from the sale of the home for sellers of real estate. Fraud for housing is usually committed by homebuyers to qualify for a mortgage so they can purchase the home.[175]

[175] Huntzinger Report at 5.

Mr. Huntzinger then reported the following conclusions to the Investigative Subcommittee:

> Based on my review of the documents and testimony provided to me by the Investigative Subcommittee, this case is probably one of fraud for profit. Representative Richardson's mortgage broker had a motivation to close this loan because the loan broker fee was $10,700.00. Also, Representative Richardson's mortgage broker, the originator in this case, stated in his interview that he provided fake rental agreements and signed them. (Interview of Charles Thomas, at 23).
>
> Additionally, the handwriting of the signature on the credit letter of explanation included with Representative Richardson's application appears to have the same handwriting as the fake rental agreements and appears to have been executed on the same date. (CSOC.RICH.002088) Credit letters of explanation may either be signed by the borrower or signed by the mortgage broker attesting to what information was provided. It is unusual that Representative Richardson's mortgage broker would have signed Representative Richardson's name to the credit letter of explanation when the mortgage broker attested to the credit letter of explanation. This may indicate that Representative Richardson was not aware of, and did not participate in the drafting of, the documents submitted with her loan application.
>
> The standard mortgage process for a letter of explanation is to have the borrower write the letter, sign it and give the original letter to the lender. For sake of time and ease it is common for the loan processor to have a verbal conversation with the borrower, type up the letter with the explanations from the conversation and then the loan processer certifies the time, date of the conversation, accuracy of the information and signs the letter. These are called processor certification letter of explanation. Since this was not done it raises a red flag that likely the lender wanted to create the credit of explanation without the borrower's knowledge. This is another reason it is probable to be fraud for profit rather than fraud for housing.
>
> Based on my review of the documents and testimony provided to me by the Investigative Subcommittee, it is my professional opinion that Representative Richardson would not have qualified for the loan on her Sacramento property without the fraudulent information in her loan application. However, if the income information used by the Washington Mutual underwriters when reviewing Representative Richardson's loan application had been accurate, Representative Richardson's original loan on the Sacramento property would have been commercially reasonable because it was within the range of terms provided to similarly situated borrowers at the time Washington Mutual approved Representative Richardson's loan application.[176]

D. DEFAULT ON THE SACRAMENTO PROPERTY

1. Failure to Make Payments

In the second half of 2007, Representative Richardson failed to make several payments on the mortgage for her Sacramento property.[177] Representative Richardson told the Investigative Subcommittee that when she became a Member of the U.S. House of Representatives, she "had three mortgages, and [she] was reeling from a costly and bitter divorce."[178] She further stated that she "had to relocate again, this time to Washington, D.C."[179] She also had to "hire staff, find a place to live here as well[.]"[180] She explained that during this time she "fell seriously behind in [her] mortgage payments."[181]

Mr. Huntzinger, the mortgage industry consultant hired by the Investigative Subcommittee, explained that when a borrower fails to make a payment on the borrower's mortgage, the borrower is initially considered delinquent.[182] However, once a borrower is 90 to 120 days past due on the borrower's mortgage, the loan is no longer considered delinquent but rather it is in default. Mr. Huntzinger stated that it was "common in the mortgage industry to file foreclosure proceedings on a borrower who is 90 to 120 days past due on their mortgage."[183] The lender begins the process by filing a public notice of a default, at which point the loan is deemed to be in "a pre-foreclosure status[.]"[184] According to Mr. Huntzinger:

> If a loan is in a pre-foreclosure status, the following outcomes may result: (1) The borrower may get the loan reinstated by paying the defaulted amount during a statutory grace period. (2) The borrower may sell the home to a third party during the statutory grace period and pay off the loan. (3) A third party may buy the house at a public auction at the end of the pre-foreclosure period. (4) The lender may take ownership of the property with the intent to sell the property.[185]

Mr. Huntzinger explained to the Investigative Subcommittee that the lender can take ownership either through "an agreement with the borrower such as a deed in lieu of foreclosure or by bidding at a public auction."[186] Mr. Huntzinger further explained that some states have redemption periods after the foreclosure that allow the borrower time to redeem the house.[187]

According to a Washington Mutual Foreclosure Status Report generated on December 13, 2007, Representative Richardson defaulted on five payments of $4,227.98 from August 2007 through December 2007.[188] Representative Richardson also incurred four late charges of $253.68 for August 2007 through November 2007, and $1,171.00 in fees, costs, and expenses associated with the fore-

closure.[189] Washington Mutual issued a Notice of Default for Representative Richardson's Sacramento property on December 13, 2007.[190] The Notice of Default stated that Representative Richardson owed $18,356.40 in "past due payments plus permitted costs and expenses."[191]

2. Initial Attempt to Modify Loan

Representative Richardson told the Investigative Subcommittee that "[o]ver the holidays in late 2007 and into early 2008, I realized that I had to get organized, clearly. I sought loan modifications, including on the Sacramento property[.]"[192] Representative Richardson said that when she contacted Washington Mutual, "they told me I had to submit my information again, because what was different now from before when I originally got the loan was now I was here working in Congress. So I was no longer in the State Assembly. So I had to submit all new information."[193]

Mr. Huntzinger explained to the Investigative Subcommittee that it is not uncommon for loss mitigation efforts to occur from the time a borrower becomes delinquent on the loan to the day of public auction of the property.[194] Loss mitigation is the process by which a lender will work with a borrower who is behind on the borrower's mortgage payments.[195] The goal is to reduce the loss to the lender; so lenders will consider the effects to the bottom line with a loss mitigation option versus going through with foreclosure.[196] Mr. Huntzinger explained that "Loss Mitigation work outs include special forbearance, loan modifications, extensions of time, deed in lieu and short sales."[197]

When working on loss mitigation with a borrower, "lenders will look at the underlying reasons behind the delinquency or default to determine if this issue is behind the borrower and if the loan can be put back into a performing status."[198] In most cases, "common reasons for defaults are loss of income (job loss, income reduced, divorce and death) and health issues."[199] However, Mr. Huntzinger said that, "[m]ore recent issues include borrowers defaulting due to the decline in property values putting them underwater on the mortgage. This tends to be a choice issue versus an ability to pay issue."[200]

Ann Thorn, then-First Vice President, National Asset Recovery Manager at Washington Mutual, told the Investigative Subcommittee that Washington Mutual sent "reinstatement figures . . . to [Representative Richardson] prior to the foreclosure sale—it was, you know, 60 days prior to the foreclosure sale—that she could reinstate; or if she—or that we could qualify her for a modification, but that she had to qualify for a modification."[201] Ms. Thorn explained that a "'reinstatement' is the lump sum that is

due to bring the account to a current status of all of the monthly payments. 'Modification' is modifying the lump sum that is due to bring the account to a current status of all of the monthly payments."[202] Ms. Thorn said that "if the borrower can reinstate the loan, we certainly would like to have that lump sum of money, but if they don't, then we go through—again, we go through the financials, go through those and get the information, and see if a modification or some type of other workout is appropriate for the financials."[203]

Allison Dolan, then an Executive Response Team representative in the default area for Washington Mutual, told the Investigative Subcommittee that sometimes during a loan modification process, Washington Mutual would lower the interest rate on a loan.[204] Ms. Dolan said that the "interest rate on a loan could be lowered for either a period of 5 years or for the life of the loan if it was an extreme hardship case where the customer would never be able to recover from it."[205]

Julie Mathis, then-Vice President, Department Manager Home Preservation and part of Washington Mutual's Loss Mitigation Department,[206] told the Investigative Subcommittee that the Loss Mitigation Department "helps borrowers avoid foreclosure."[207] Ms. Mathis explained that borrowers:

> don't have to be in foreclosure; they can just be 1 or 2 months delinquent. But we try to help people avoid losing their homes. And we try to catch them as early as we can with a loan modification to bring the loan current, if they can afford that, or, if they can't, to do a short sale of the property, to be able to sell it for the market value rather than what they owe.[208]

Ms. Mathis told the Investigative Subcommittee that, at the time of Representative Richardson's loan modification:

> We used the Borrower Assistance Form in conjunction with a credit report. The credit report was only being used to validate the debt that was on the Borrower Assistance Form. So we wanted to make sure that the debt they listed included everything so that, if we were able to approve a mod, they would be able to pay their mortgage and all their other bills.
>
> So that information is put into a decisioning tool that makes that modification decision. It's not a judgment; it's not an independent decision by anyone. It's data input into a tool that provides the result.[209]

Ms. Mathis stated that there is no human discretion in the "decisioning tool."[210] Ms. Mathis stated that the tool determines

the terms of the loan, such as the interest rate and duration of the loan.[211] Ms. Mathis said that "[t]hose terms should come from our tool. And they're provided on a modification worksheet that goes to our fulfillment area, who generate the document."[212] Ms. Mathis told the Investigative Subcommittee that Washington Mutual did not consider the borrower's previous history of payments on the loan when determining whether to enter into a loan modification agreement.[213]

Ms. Mathis said that during the time of Representative Richardson's loan modification, Washington Mutual did not require borrowers to submit documentation to support their claims of income, living expenses, and debt.[214] Ms. Mathis said that when she started working in Loss Mitigation in approximately 1996, Washington Mutual required backup documentation for this information.[215] However, she stated that, "When we began servicing subprime mortgages, we did not require documentation."[216] Ms. Mathis said that she could not "recall when Fannie Mae and Freddie Mac stopped requiring [backup documentation] as well. It was right about the same time that both investors decided that we didn't have to validate income."[217]

Ms. Mathis stated:

> the decision was made that a lot of these mortgages were originated on stated income. So, the borrower obtained the loan without providing any documentation. So the decision was made at a senior—much more senior to me level that, in order to review for loss mitigation assistance, we weren't going to require the documentation either.[218]

Mr. Huntzinger told the Investigative Subcommittee that while it was "not 'best practices,'" for Washington Mutual to not consider any backup documentation during the loan modification process, "given the state of the California mortgage market in the spring of 2008, Washington Mutual was likely overwhelmed by the number of loan modification requests it was receiving, and thus it is not surprising that Washington Mutual would not require such backup documentation."[219]

Washington Mutual scheduled the foreclosure sale of Representative Richardson's Sacramento property for April 7, 2008.[225] On April 1, 2008, Washington Mutual issued a $388,000.00 bid for the foreclosure sale of Representative Richardson's Sacramento property.[226]

3. Contact with Washington Mutual's Government Affairs Office

After Washington Mutual rejected Representative Richardson's initial attempt to have her loan modified, Representative Richardson continued to reach out to Washington Mutual in an attempt to avoid foreclosure.[227] Representative Richardson told the Investigative Subcommittee that she "had made repeated calls to the 1–800 number, been put on hold, couldn't get an answer from anyone. I knew one person back from when I was in Sacramento, and I asked for a live person that I could talk to."[228] Representative Richardson did not know the person's name, but recalled that "[s]he was in government affairs, community affairs with Washington Mutual."[229]

Jan Owen, then-the First Vice President, State and Local Government and Industry Relations Manager for Washington Mutual, told the Investigative Subcommittee that she "received a call from the congresswoman, and she asked that Washington Mutual look at assisting her, that she had some problems and she was looking to get her problems fixed."[230] Ms. Owen said that she understood Representative Richardson "had missed some payments and had had some difficulties making these payments."[231] Ms. Owen said that Representative Richardson "was looking for some guidance and some assistance for a loan modification."[232]

Ms. Owen explained that after receiving a call from Representative Richardson, Ms. Owen "sent it off to our executive response team, which was a normal procedure."[233] Ms. Owen said that she "was getting a lot of calls from customers" in early April of 2008.[234] Ms. Owen said:

> I would receive calls from constituents—excuse me, from customers, and if they came in on my lines, I looked to the executive response team to work on the files. I was the dis-

Ms. Owen told the Investigative Subcommittee that the calls she was receiving during this time were "not necessarily" from elected representatives or other government officials.[236] She said, "some customers would have gotten my name from other customers. They would have gotten it from regulatory agencies, from State and local elected officials and their staffs, as well as from some congressional offices."[237]

Ms. Owen told the Investigative Subcommittee that Washington Mutual "had many high-profile people that we were working with; Congresswoman Richardson was one of them."[238] Ms. Owen explained that Washington Mutual was "concerned over the reputational risk of Washington Mutual, and we were very concerned—at this point, we were doing crisis management."[239] Ms. Owen said that Washington Mutual was "getting so many requests for loan modifications. We had staffing issues. And we were very concerned over any kind of bad press that would look poorly on Washington Mutual."[240] However, Ms. Owen said she did not believe Washington Mutual had any policy in place for how to treat high-profile customers.[241]

Ms. Owen sent an email to a general email distribution list for Washington Mutual's Executive Response Team and to Kimberly Smith, then-Department Manager, Community Outreach, Homeownership Preservation Team, on April 3, 2008, at 10:50 a.m.[242] In that email, Ms. Owen stated that Representative Richardson:

> Has called. She is attempting to reinstate her loan as she indicates she has the money and would like to stay with the payment plan she had before she had her problems. I understand from her that her problems began when she starting [sic] running for Congress—once she had just won the state assembly seat. The Congressional district she represents is San Pedro and Long Beach, CA. She believes there will be a foreclosure sale on the above referenced property on April 7, 2008. She wants to keep the house and again has indicated she has the $$ to pay the arrears and to pay this loan.

for the Executive Response Team, on April 3, 2008, at 1:25 p.m.[244] In that email, Ms. Alvarez stated:

> Hello,
>
> I am hoping that you can assist me with the Congressional complaint. I have called and left a message on her cell phone for her to call me. The situation as Jan describes it below is that the customer is attempting to bring the loan current. She is looking to obtain a reinstatement figure and prevent foreclosure. Can you please assist me with that?
>
> Thanks.[245]

Ms. Mathis, part of Washington Mutual's Loss Mitigation Department, said that the Executive Response Team is separate from the Loss Mitigation Department,[246] and that the Executive Response Team "handle[d] escalated issues."[247] Ms. Mathis said that escalated issues include, "[i]f it comes in, a congressperson complaint from one of their constituents, a borrower that's contacted the media, a high profile borrower, those types of situations. Or if the borrower has retained counsel, if they've retained an attorney."[248] Ms. Mathis explained that the Executive Response Team was "a specialized group of, basically, customer service reps."[249]

Ms. Dolan told the Investigative Subcommittee that the Executive Response Team

> responded to any complaints or escalations that were directed to Kerry Killinger [then-CEO of Washington Mutual] or any of the other higher up executive members of the company. We answered written complaints from the OTS, Attorney General, Better Business Bureau, as well as some escalated phone calls.[250]

Ms. Dolan said that the Executive Response Team had "almost like a hierarchy of complaints."[251] Ms. Dolan explained:

> You definitely wanted to handle Congressional complaints first, and that included any Congressional office complaints, where a Congressman writes in on behalf of their constituent regarding their loan situation. Then we had the regular Office of Thrift Supervision complaint who regulated us, and we wanted to make sure those were handled in a timely manner. Then Attorney General. And then Better Business Bureau was kind of the low end of the hierarchy of complaints.[252]

Ms. Dolan said that the Executive Response Team treated Representative Richardson's case as if it were a case where a Member of Congress contacted Washington Mutual on behalf of a constituent.[253]

Ms. Dolan told the Investigative Subcommittee that:

> As the housing crisis grew, we received more and more complaints regarding loss mitigation and the time and their processes as far as customers getting help and getting anxious about the status of their house. And a lot of what we did was reach to the management staff on loss mitigation to get specific answers. But we provided kind of general understanding of, okay, this is the time frame, this is what you need to send us and my team.[254]

Ms. Dolan said that when she "started in 2007, [the Executive Response Team] was just me and one other person working on the team, and by 2008 our team had grown to six people and they were continuing to hire."[255] Ms. Dolan said:

> A lot of times they do a Google search and they will pull up and start calling any numbers that they can find until they can get to somebody who they feel has more power than the customer service representatives. Also whenever anybody would send an e-mail to the CEO, it would get routed back through our work queue, as well as any letters that were sent to Seattle, Washington executive offices, directed to the president of the company.[256]

Ms. Dolan said that borrowers would reach the Executive Response Team through a variety of methods.[257] Ms. Dolan told the Investigative Subcommittee that it was "[v]ery typical" for a borrower to contact the Executive Response Team after being denied a loan modification.[258] Ms. Dolan said that "[e]verybody wants to believe that they want to save their house and they qualify and there is something we can do."[259] Ms. Dolan said that in many cases, the Executive Response Team was able to help people who had been previously denied a loan modification.[260] Ms. Dolan said that "a lot of times people are denied out because they didn't provide the documentation that they needed to in a timely manner."[261] Ms. Dolan also said that "if people's financial situations have changed, that could change the outcome of their modification request."[262]

Ms. Thorn told the Investigative Subcommittee it was not unusual for Washington Mutual to continue to work with a borrower who had been denied a loan modification.[263] Ms. Thorn explained that "there are many other workout opportunities other than just a mod, and there are lots of different programs within even the modification, so—or, you know, maybe somebody's financials have changed. Maybe their situation has changed. So it's not unusual.[264]

5. Hold on the Foreclosure Sale

Ms. Dolan told the Investigative Subcommittee that if a customer whose house was in the foreclosure process contacted the Executive Response Team seeking assistance, "we would place the foreclosure on hold to allow everybody time to review the case to see if it was something that we could help with."[265] Ms. Dolan said that "[i]f the customer called in and their foreclosure was a week away, we would put the hold on when they requested the package, just to make sure that it didn't go to sale before we could get the information."[266] Ms. Dolan said that "if it was a further off foreclosure or a date wasn't set yet for the property, we would wait until the package came in to place the hold on it."[267] Ms. Dolan said that the typical hold period was "anywhere from 30 to 60 days."[268] Ms. Mathis said that the typical hold period is thirty days, but that Washington Mutual would create longer holds "[i]f it's necessary."[269]

Ms. Mathis told the Investigative Subcommittee that, if Washington Mutual had:

> a borrower and the foreclosure sale is more than 72 hours from the date that we want to put it on hold, then within our servicing system there's a 'task' is what we call it. It's just an electronic message, basically, that is picked up by our Foreclosure Department, and the Foreclosure Department somehow notifies the attorney's office of the hold.[270]

Ms. Dolan told the Investigative Subcommittee that there were very few circumstances in which the Executive Response Team would not place a hold on a foreclosure.[271] Ms. Dolan said that "the only thing I can imagine that would do that is if it is an investor guideline that we were unable to hold it due to the investor agreement with who owns the loan. But typically we do hold it."[272] Ms. Dolan explained that "[t]he mantra was, you know, we want to err on the side of the customer and be safe instead of taking the property to foreclosure that could have been saved."[273]

Representative Richardson told the Investigative Subcommittee that "my experience that has been thus far is that if you are currently working on a modification, they give you an opportunity to complete the modification. That is what I have understood that has been happening."[274]

Ms. Siedzik, then part of Washington Mutual's Executive Response Team, sent an email to Allison Dolan on April 3, 2008, at 1:59 p.m.[275] In that email, Ms. Siedzik wrote, "Allison—will you please take care of this asap??? The FCL sales is scheduled 4/7."[276] Ms. Dolan replied to Ms. Siedzik's email on April 4, 2008, at 9:48

a.m.[277] In her reply, Ms. Dolan stated, "I have put the foreclosure sale on a 60 day hold and ordered the reinstatement figures. I should have those on Monday."[278] On April 3, 2008, Allison Dolan of Washington Mutual's Executive Response Team placed a hold on the planned foreclosure sale of Representative Richardson's Sacramento property.[279] Washington Mutual's Consolidated Notes Log states that the hold began on April 4, 2008, and would last for "60 DAYS TO ALLOW THE BORROWER TO REINSTATE THE LOAN. SHE IS A PROMINENT POLITICAL FIGURE."[280]

Ms. Dolan told the Investigative Subcommittee that her "manager at the time [Ms. Siedzik] had received an escalation through the executive offices that she brought to me and requested that I place the foreclosure on hold."[281] Ms. Dolan said she "received the loan number from my manager and kind of a brief synopsis."[282] Ms. Dolan did not know how Representative Richardson got in contact with the Executive Response Team.[283]

On April 7, 2008, Washington Mutual publicly announced the postponement of the foreclosure sale until May 7, 2008.[284]

Ms. Dolan sent an email to Ms. Siedzik and Ms. Alvarez on April 10, 2008, at 1:15 p.m.[285] In that email, Ms. Dolan stated, "Here is the Reinstatement figures for this loan. Do you want me to fed-ex it to the borrower?"[286] On April 11, 2008, Ms. Alvarez replied to Ms. Dolan's April 10, 2008, email stating: "Yes please send this to her via overnight on Monday."[287] Ms. Dolan told the Investigative Subcommittee that "[t]here was usually some lag time between the package being received in the mail or via fax and then the actual loss mitigation workout rep receiving the file to work."[288]

Ms. Dolan sent a letter to Representative Richardson dated April 17, 2008.[289] That letter stated:

> Dear Ms. Richardson:
>
> Thank you for your recent contact with our Executive Office. Please find your reinstatement figures enclosed. Please remit the exact reinstatement amount in certified funds to us at the below address:
>
> Washington Mutual
> Default Cash Processing

As of April 7, 2008, Representative Richardson's total reinstatement amount was $37,023.60.[291] Representative Richardson never paid this reinstatement amount.[292]

The Washington Mutual Case Notes state that on April 22, 2008, "LOAN SERVICE EXECUTIVE RESOLVED S/W MS RICHARDSONS ASSISTANT AND ADVISED HIM THAT THE RESINT FIGURES HAVE BEEN SENT TO HER VIA FED EX ON 4/17. HE WILL MAKE SURE THAT SHE RECEIVES THEM." [293]

The Executive Response Team did not notify the Loss Mitigation Department before it placed the hold on the foreclosure sale.[294] Ms. Mathis told the Investigative Subcommittee that it was not unusual for the Executive Response Team to not contact the Loss Mitigation Department prior to placing the hold on the foreclosure sale, "if they haven't gotten to that point yet. They could have just started their research. And if their research was surrounding the foreclosure, then they're going to go through the entire timeline of what happened, when and why[.]" [295]

6. Conclusions Regarding the Decision To Place a Hold on the Foreclosure Sale

The Investigative Subcommittee asked Mr. Huntzinger, its independent mortgage consultant, to provide his professional opinions regarding the commercial reasonableness of Washington Mutual's decision to place a hold on the foreclosure sale of Representative Richardson's Sacramento property. Mr. Huntzinger reported the following conclusions to the Investigative Subcommittee:

> Based on my review of the documents and testimony provided to me by the Investigative Subcommittee, it is my professional opinion that the hold on the foreclosure proceedings for Representative Richardson's Sacramento property seems to be commercially reasonable. Representative Richardson did make contact with the lender seeking a workout. The Washington Mutual Executive Response Team placed a 60 day hold on the foreclosure to give time for the loss mitigation area to collect the information necessary to determine what work outs could be offered. It was reasonable for Washington Mutual to place a hold on the foreclosure because Representative Richardson's situation had changed and she was communicating with the lender.
>
> Also, Washington Mutual had an appraisal completed on the property on March of 2008 showing a market value of $475,000. (JPMC–000731) The original loan was for $535,000. So, Washington Mutual was underwater on the loan. If the Loss Mitigation Team could find a work out, it would reduce the financial loss to Washington Mutual. This is the goal of loss mitigation. Otherwise Washington Mutual would have had to recognize a loss on the property. Thus, based on Representative Richardson's change in financial situation and expression of interest in staying

E. FORECLOSURE SALE OF THE SACRAMENTO PROPERTY

1. Washington Mutual Inadvertently Released the Hold

Shortly after the foreclosure sale of Representative Richardson's home was placed on hold, Washington Mutual inadvertently removed the hold.[297] Ms. Thorn, then a National Asset Recovery Manager at Washington Mutual, told the Investigative Subcommittee that the foreclosure sale of Representative Richardson's Sacramento property was put on hold by the Executive Response Team but it appeared in the Washington Mutual computer system as though the hold was placed by the Loss Mitigation Department.[298] She explained that during a routine audit of the current foreclosure holds, the Loss Mitigation Department flagged the hold because at that time, "Loss Mitigation was not working a deal with the borrower, and so they recognized the loan as not, you know, in my hold and shouldn't be owned by Loss Mitigation."[299] As such, the auditor for the Loss Mitigation Department removed the hold "and off [the property] went to sale. It was an error."[300] Ms. Thorn explained that "the hold should have—they could have coded it differently, you know, and put it on a different type of hold. But the loan—the bottom line here is, the loan should have remained on hold."[301]

John Berens, then the Division Executive for Default Servicing at Washington Mutual told the Investigative Subcommittee:

> I mean, we always try to look back whenever, you know, we have a process failure. And I think the issue here is with the escalation group not—two things, really. One is, the pre-review before a sale didn't dig deep enough, right, to identify that there had been a conversation with the borrower prior to going to sale. And the escalation group maybe, you know, didn't put the right code on the system, things of that nature didn't know how to properly cancel the sale or put the sale on hold.[302]

2. Foreclosure Sale

After the hold on the foreclosure sale of Representative Richardson's Sacramento property was removed, the home "went subsequently to a foreclosure."[303] Washington Mutual's "Foreclosure Sale Bidding Instructions" for Representative Richardson's Sacramento property stated that the total debt on the property was $573,898.87, but that the market value of the property was $475,000.00.[304] The instructions further state that Washington Mutual's bid for the property was $388,000.00, and that the sale

date was May 7, 2008.[305] At the foreclosure sale, Red Rock Mortgage won the foreclosure auction by bidding $388,000.01 for the property.[306]

Representative Richardson told the Investigative Subcommittee that she was unaware that the house was sold at foreclosure until she "received a phone call from a reporter who said, your house was—did you know—his exact words, his words were something like, do you know your house was sold today at auction?"[307] Representative Richardson said that she "got on the phone and tried to reach Washington Mutual to find out what happened, because I understood I had a loan modification in place. That was my understanding."[308]

F. RESCISSION OF THE FORECLOSURE SALE

1. Internal Washington Mutual Discussion

After Representative Richardson contacted Washington Mutual to ask why her home was sold at a foreclosure sale, Washington Mutual had numerous internal discussions about how to react to the foreclosure sale.[309] One of the first such conversations began when Sara Gaugl of Washington Mutual's Home Loans Public Relations sent an email on May 21, 2008, at 1:24 p.m. to Brad Kallner, then a National Manager of Loss Mitigation at Washington Mutual, with copies to Steven Champney, then a Senior Vice President National Default Management at Washington Mutual; Mr. Berens; Ms. Owen, and Alan Elias, then a Senior Vice President, Corporate Communications for Washington Mutual.[310] The subject of Ms. Gaugl's email was "Research Needed: Congresswoman Richardson/ Foreclosure."[311] Ms. Gaugl's email forwarded a news article about the foreclosure sale of Representative Richardson's Sacramento property.[312] In the email, Ms. Gaugl stated:

> Brad—
>
> Please see the article embedded below for more detail, but long story short, Congresswoman Laura Richardson appears to have defaulted on her WaMu loan (second home) and on March 19, a notice was filed with the county that her property would be sold at auction.
>
> Congresswoman Richardson initially declined to comment, however, Jan Owen has learned from the Congresswoman that she plans to communicate to The Washington Post that she has established a repayment plan with WaMu.

Mr. Kallner replied to Ms. Gaugl's email on May 21, 2008, at 5:16 p.m., and added Ms. Siedzik and Ms. Smith, Department Manager, Community Outreach, Homeownership Preservation Team, at Washington Mutual, to the email.[314] Mr. Kallner's email stated, "I have checked with Kim, we tried to work a modification, unfortunately she had a deficit monthly of over $2,100. We placed the original foreclosure sale date on hold for 30 days in April. The loan went to sale on 5/7/08, third party outbid."[315] Ms. Smith replied to Mr. Kallner's email on May 21, 2008, at 5:30 p.m.[316] Ms. Smith's reply email stated:

> . . . just one clarification
>
> The foreclosure hold that was placed in April was not initiated by loss mit.
>
> After loss mitigation denied the workout request, it appears the homeowner called in and requested additional time to reinstate the loan. On 4/3/08, our executive response team submitted a request to the attorney to postpone the 4/7/08 sale date.[317]

Ms. Owen told the Investigative Subcommittee that "we spent a lot of time worrying about the reputation of Washington Mutual and working on press statements and working with the PR division and Sarah [Gaugl] to craft what we wanted to say to the press."[318]

David Schneider, then President of Home Loans at Washington Mutual, sent an email to Mr. Berens, on May 22, 2008, at 12:41 p.m.[319] The subject of the email was: "Congresswoman Richards [sic] and David S."[320] Mr. Schneider's email stated, "What went wrong in the process?"[321] Mr. Berens replied to Mr. Schneider's email on May 22, 2008, at 12:58 p.m.[322] Mr. Berens' reply email stated:

> Human error. Loss mitigator working their exception report saw we had turned the customer down for loss mit and removed the code.
>
> They should have dug deeper. ERT letter went to customer the day after we removed the code.
>
> I think we have a good case to rescind the sale. Customer will be put back in the same position as prior to the sale assuming she cooperates (we need her agreement to show the postponement letter to the third party). I'll send you an update when I get further info.[323]

Mr. Schneider replied to Mr. Berens on May 22, 2008, at 1:15 p.m. asking, "What about the process to look at all loans prior to

> Yes, it was reviewed prior to going to sale, but the notes were not real clear on the hold and LMT authorized the removal of the hold.
>
> We are working through to see if we can tighten the process here since this was an executive complaint.
>
> I will call you shortly as there is a lot of movement here with next steps regarding the media and jumping on a call with communications and legal in a minute. I have had several conversations with the Congresswoman and she is in damage control and wants to be on the same page with the media. She is not at all blaming Wamu for what we have done—at least not to me.[326]

On May 27, 2008, Ms. Gaugl sent an email to several Washington Mutual executives, including Ms. Thorn and Ms. Owen.[327] Ms. Gaugl's email stated:

> All:
>
> FYI—it appears that Congresswoman Richardson has now engaged a spokesperson—William Marshall. Among other things, he states that Ms. Richardson is awaiting clarification from WaMu as to whether she had secured new loan terms in time, but that she is still in fact the owner of her Sacramento home (though public records state otherwise).
>
> I'll continue to let you know of any other new developments as reported by the media.[328]

Ms. Thorn sent an email to Ms. Gaugl, Ms. Owen, and Paul Battaglia, then a First Vice President and Senior Counsel at Washington Mutual, on May 28, 2008, at 12:44 p.m.[329] Ms. Thorn's email stated:

> I got a phone call last night leaving me a message to please call Congresswoman Richardson.
>
> Any change in how you would like me to respond/handle? I have not done anything at this point in time.
>
> Seems that the new opinion coming out of John Berens' office is that we should not rescind the sale unless she comes up with the reinstatement funds in which we gave her the 60 days to do so.
>
> Just wanted to pass this along.[330]

Ms. Owen replied to Ms. Thorn's email on May 28, 2008, at 1:19 p.m.[331] Ms. Owen's reply stated, "Ann: I will try and get a call in

Washington Mutual provided the Investigative Subcommittee with undated, handwritten notes.[333] The notes stated:

On May 28, 2008, at 10:06 p.m., Ms. Gaugl sent an email to Mr. Schneider, Mr. Berens, Mr. Champney, with a copy to several other Washington Mutual employees.[335] Ms. Gaugl's email stated:

> All:
>
> So you are aware, I just received a call from a producer with CNN re: Congresswoman Richardson's "debacle." Apparently, CNN's Campbell Brown plans to discuss the Congresswoman's situation during tomorrow's 8 p.m. Eastern broadcast.
>
> The producer said she's been tasked with cross-checking the accuracy of Ms. Richardson's statements with WaMu, at which point I informed her that we have not received consent from Ms. Richardson that would allow us to discuss her loan situation.
>
> At that point, she informed me that CNN has talked with a forensic accountant. Based on his/her analysis of Ms. Richardson's financial situation, the accountant has "determined" that the Congresswoman probably shouldn't have qualified for the (WaMu) loan in the first place.
>
> I'll keep you informed as I learn more. I expect to receive an update from CNN tomorrow.[336]

Ms. Owen forwarded Ms. Gaugl's email to Scott Gaspard, then in Government Relations at Washington Mutual, on May 28, 2008, at 10:06 p.m., stating, "In my opinion we are running on borrowed time."[337] Ms. Owen told the Investigative Subcommittee that she was:

> concerned that Washington Mutual would be perceived in the press as being a bumbling company. And we were having so many internal problems with loan modifications and so many people coming and trying to get loan modifica-

> tions. Plus, we were having problems as a company. We were also downsizing.
>
> I was talking about borrowed time, that the press was going to show us as a company that was not a good company and not running its affairs properly.[338]

Ms. Owen sent an email to Mr. Gaspard on May 29, 2008, at 12:28 p.m.[339] The subject of Ms. Owen's email was "I will not be on the call."[340] Ms. Owen's email stated:

> Today if you are ok with that. Also we were on a call for much of the morning, regarding Richardson—we are instructing the trustee to file the notice of rescission—should record on Monday. We are verbally reporting that to Richardson today and we are working on putting together a modification package for her. Call with any questions, i [sic] am on the cell. J[341]

On June 3, 2008, Mr. Elias, then with Washington Mutual's Corporate Communications team, sent an email to Ms. Owen, with the subject "Richardson Update."[342] In the email, Mr. Elias wrote, "I really am looking forward to her almost immediately defaulting on any new plans or failing to pay to get caught up. Maybe we should throw a lawn mower into the deal to sweetem [sic] the pot?! ;)"[343] Ms. Owen replied, "You, my dear are evil—being situaTionally [sic] ADD—I am now concerned about Pelosi being forced into calling for an ethics commission investigation[.]"[344] Ms. Owen told the Investigative Subcommittee:

> There had been—in my opinion, there had been too much press on this. If I remember correctly, the congresswoman had to—didn't have to refile some of her financial statements to the FEC? And I felt that, from a political perspective, that, if that happened, Washington Mutual would be called in, and we would be made, again, to look like we didn't know how to do our business.[345]

During the Investigative Subcommittee's interview of Ms. Thorn, the following exchange occurred:

> *Chairman Chandler.* So, as I understand this, you were then placed in a position where you had a difficulty on both ends. You had a difficulty with the error that was made—I hate to use the term "liability," but you had at least some problem that you recognized by making an error relative to the hold that you had given to Representative Richardson.
>
> *The Witness.* Correct.
>
> *Chairman Chandler.* And since you had already made the sale, you had to analyze whether you had some difficulty also in rescinding a sale made to a buyer in good faith.

The Witness. Correct.

Chairman Chandler. And that's what you all were wrestling with about when it came to the rescission.

I assume that a number of your people sat around the table or talked somehow about the ramifications of the rescission, based on that whole fact scenario—

The Witness. Correct.

Chairman Chandler. And how it would affect Washington Mutual.

The Witness. Absolutely.

Chairman Chandler. So would it be your testimony that the rescission was made ultimately based on those facts and had nothing to do with Representative Richardson in any other—in her capacity or any other.

I mean, with that fact situation, you would have acted the same way under any circumstances?

The Witness. Absolutely. Any circumstance, absolutely. Absolutely.[346]

2. Rescission of the Foreclosure Sale

Washington Mutual ultimately decided to rescind the foreclosure sale of Representative Richardson's Sacramento property and recorded the rescission on June 2, 2008.[347]

The Investigative Subcommittee asked Ms. Thorn how frequently Washington Mutual rescinded foreclosure sales, and she responded, "[r]escinding sales is certainly not common practice. Does it happen? Yes, and we have them. But common? No. I mean, it happens on a, you know, weekly, monthly basis that we have rescissions. It's not unusual."[348] Ms. Thorn further stated that: "You know, from a percentage standpoint, I would have to venture a guess of, you know, it's 1 percent, less than a percent of our monthly total sales that actually get rescinded."[349] Asked the same questions, Ms. Mathis stated that rescissions of foreclosure sales occurred "[m]aybe once a month or once every 2 months, something like that."[350]

Ms. Dolan told the Investigative Subcommittee that she was aware of other rescissions at Washington Mutual, and that they occurred once every few months.[351] Ms. Dolan said that the rescissions were "costly and we try to only do rescissions if there was a mistake made on behalf of Washington Mutual."[352]

At the time of the rescission of the foreclosure sale, Representative Richardson had not completed the loan modification process.[353] Ms. Mathis stated that loan modifications usually occurred before a foreclosure sale was rescinded, because "we want to make sure that they can be approved for the workout before we rescind the

sale, so there's not—we don't want to rescind something if the borrower can't afford a modification." [354]

Ms. Mathis told the Investigative Subcommittee that approving a rescission before the completion of the loan modification process was unusual.[355] Ms. Mathis said that "[g]enerally, it would be because another area failed to hold—put the loan on hold properly. Something fell through the cracks, and it didn't—they didn't intend for it to go to sale, but it did. And then they would come to Loss Mitigation to help them with that." [356]

Ms. Thorn told the Investigative Subcommittee that Washington Mutual's decision to rescind the foreclosure sale was based in large part on the letter that Ms. Dolan sent Representative Richardson on April 17, 2008, stating that Washington Mutual had "placed a sixty day hold on all foreclosure sale or actions[.]" [357] Ms. Thorn said that Washington Mutual made the decision to rescind the foreclosure sale prior to coming to an agreement on a modified loan based on:

> The chronology and the facts going through her loan history—not loan history from when she made payments, but from the conversations that we had with her; and then the conversation she had with the customer service representative that said, we're going to send our reinstatement figures to her, and we're going to put the file on hold for 60 days.[358]

Ms. Thorn told the Investigative Subcommittee that "[r]escinding, not rescinding, again goes back to, you know, the facts of that we made an error and, you know, that we need to make right on that. Even though it went to a third party, we made an error on here and we need to rescind the sale." [359] Ms. Thorn explained:

> Had we not sent that letter saying that we were going to put the loan on hold for 60 days, you know, and then 3 days after the loan went to sale and, you know, we got the phone call of, you know, Hey, I want to reinstate my loan or I want to mod now; well, are you going to qualify for a mod. And if it went to third party, in that case, you know, that's where it becomes, you know, sticky in those situations. But because in this particular situation we have that letter and a promise to the customer, that's where then the—you know, the choice becomes easier of making the rescission." [360]

Ms. Thorn said that "in my world or foreclosure, because of, you know, what it means to foreclose on somebody and what the end result is, if we do something wrong, whether it's a $50,000 house or a $9 million house, you know, it doesn't matter, we're going to

take action on that."[361] Ms. Thorn said that Washington Mutual had "tons of movie stars, sports stars, you know, all of that, and really, honestly, I don't care; I really don't."[362] Ms. Thorn said that "[t]hey go from $25,000 to $15 million, and you know, the fact of the matter is and the policy and the procedure of the leadership team is that if we have a situation where we have something that is not right, we make it right."[363]

Ms. Thorn said her:

> opinion was to rescind the foreclosure sale. . . . Because we sent her a letter in April—I think it was, you know, April, you know, mid-April—saying that we were going to give her 60 days; and we sent her reinstatement figures, and we told her we were going to postpone the sale for 60 days, and we didn't abide by that agreement that we sent to her.[364]

Mr. Berens told the Investigative Subcommittee that Washington Mutual's policy was "typically to try to keep the borrower in their home."[365] Mr. Berens said that Representative Richardson's status as a Member of Congress did not factor into Washington Mutual's decision to rescind the foreclosure sale.[366] Mr. Berens said, "It doesn't matter to me if she was a congresswoman. . . . One of the big contributing factors is we told her the sale wasn't going to happen. That's a big factor. Right? If one of our employees tells a customer something, that's what we want to—that's a big factor."[367] Mr. Berens said that Representative Richardson's ability to repay the loan would be considered in the loan modification agreement. However, he did not "think it would change the—you know, we still made a commitment to the customer. I mean, if they didn't pay, of course we'd probably go to sale later, right?"[368] Mr. Berens explained, "[y]ou can always foreclose again[.]"[369]

3. Washington Mutual's Communications with Representative Richardson

In addition to having its internal discussions regarding how to react to the foreclosure sale, Washington Mutual also discussed the foreclosure sale with Representative Richardson.[370] Washington Mutual provided the Investigative Subcommittee with handwritten notes of a May 28, 2008, telephone call between Washington Mutual employees and Representative Richardson.[371] The notes do not indicate the participants in the telephone call. The notes state that Ann Thorn "advised we are going through the process of rescinding sale, must first come to an agreement w/ 3rd party. Asked what her intentions were."[372] The notes state Representative Richardson

said her "intention is to do the loan modification."[373] According to the notes, Ms. Thorn "explained that Loss Mit was an option as long as [she] qualified."[374]

The notes indicate that Ms. Thorn asked Representative Richardson what were her "intentions with this property? Another option is to stay the course, leaving the FC and sale in place."[375] Representative Richardson responded that she "would like to establish a repayment plan."[376] The notes state that Ms. Thorn told Representative Richardson that Washington Mutual would "set up time to review the account so we can be prepared to set things in motion."[377] According to the notes, Representative Richardson stated: "[a]ll I'm asking is that WaMu allow me to continue with the repayment plan and pay back every dime I owe."[378]

Ms. Thorn sent an email to Representative Richardson on June 3, 2008, at 8:06 a.m., forwarding a "copy of the rescission notice that should be filed today or tomorrow."[379] Representative Richardson replied to Ms. Thorn's email on June 3, 2008, at 3:23 p.m., stating, "Thank you for the email—today is election day and I will follow up with you tomorrow."[380]

Ms. Thorn sent an email to Ms. Gaugl, Ms. Owen, Mr. Battaglia, and Mr. Cook on June 3, 2008, at 11:08 a.m.[381] Ms. Thorn's email stated, "I just wanted to let you know that I have sent a copy of the rescission to Congresswoman [sic] this morning. Once it is recorded, we will get the Loss Mit package out."[382]

4. Third Party Claim

Once Washington Mutual decided to rescind the foreclosure sale, it had to address the concerns of the third-party purchaser of Representative Richardson's Sacramento property.[383] Mr. Berens sent an email to Ms. Thorn and Ms. Woodcock on May 27, 2008, at 9:58 a.m.[384] In the email, Mr. Berens asked if Washington Mutual was "progressing with the rescission sale? Does the third party want some cash?"[385] Ms. Thorn replied to Mr. Berens' email stating, "Yes and he has not asked for any yet, but we are anticipating that he will. Seattle is working with outside counsel to discuss with him. York—the third party has not hired an attorney."[386]

Ms. Thorn told the Investigative Subcommittee that Washington Mutual did not consider the potential for the third party to file suit when deciding whether to rescind the foreclosure sale.[387] Ms. Thorn said that litigation "doesn't have any reflection on this. The two are not related whatsoever."[388]

On June 2, 2008, the foreclosure trustee for Representative Richardson's Sacramento property recorded a "Notice of Rescission of Trustee's Deed Upon Sale."[389] The notice stated, in part:

> 4. On 05/07/2008, at 01:30 PM the property was purportedly sold to RED ROCK MORTGAGE, INC being the highest bidder at such time who bid the amount of $388,000.01.
>
> 5. The Trustee's Sale on 05/07/2008 is being rescinded at the request of the Beneficiary as the Beneficiary had previously agreed to postpone the foreclosure sale to June 4, 2008. The Trustee's sale of 05/07/2008 is therefore null and void, and of no force and effect.
>
> 6. The express purpose of this Notice of Rescission is to return the priority and existence of all lien holders to the status quo ante that existed prior to the Trustee's Sale.[390]

On June 2, 2008, Washington Mutual's outside counsel sent a letter to the third party purchaser's outside counsel.[391] In the letter, Washington Mutual rejected Red Rock's counter offer, and instead informed Red Rock Mortgage's outside counsel that Washington Mutual was sending "separately a check in the sum of $391,190.06, which includes refund of Red Rock Mortgage's purchase funds of $388,001.01, plus 10% interest thereon through June 6, 2008 totaling $3,189.05."[392] In the letter, Washington Mutual further offered to reimburse Red Rock Mortgage and pay any expenses incurred related to the property "if you will kindly provide an itemization of the expenses and receipts for the expenditures."[393]

After Washington Mutual rescinded the foreclosure sale, Red Rock Mortgage filed suit against Washington Mutual.[394] Washington Mutual eventually settled the lawsuit with Red Rock Mortgage with a payment of $100,000, in addition to the refund of the foreclosure sale amount, and a non-disclosure agreement between the parties.[395]

5. Conclusions Regarding Decision to Rescind the Foreclosure Sale

The Investigative Subcommittee asked Mr. Huntzinger to provide his professional opinions regarding Washington Mutual's decision to rescind the foreclosure sale of Representative Richardson's Sacramento home. Mr. Huntzinger reported the following to the Investigative Subcommittee:

Based on my review of the documents and testimony provided to me by the Investigative Subcommittee, it is my professional opinion that the rescission of the foreclosure sale was commercially reasonable. Washington Mutual made an agreement with Representative Richardson to put the foreclosure sale on hold and the hold was lifted due to operational errors by Washington Mutual. This error resulted in the foreclosure sale of Representative Richardson's property. It is my understanding that rescission is not a com-

mon practice by lenders. However, if a lender made an error resulting in a foreclosure sale, the lenders should cancel the foreclosure sale. It also not surprising that Washington Mutual had to pay Red Rock Mortgage some amount as a settlement of Red Rock's lawsuit.[396]

G. Modification of the Loan

1. Documents Submitted by Representative Richardson

Following the rescission of the foreclosure sale, Washington Mutual worked with Representative Richardson to modify her loan.[397] Ms. Mathis, then a manager with Washington Mutual's Loss Mitigation Department, told the Investigative Subcommittee that she was asked by Ms. Thorn to work with Representative Richardson on her loan modification.[398] Ms. Mathis said that she became involved "[a]fter the [foreclosure] sale had taken place and it was in the process of being rescinded."[399] Ms. Mathis said that she "was involved to the extent of calling the borrower with Ms. Thorn, with Ann, to get information so that we could rereview her loan to see if we could offer a modification. Since my team handled the modifications, Ann came to me."[400]

Ms. Mathis sent the two-page Washington Mutual Borrower Assistance Form to Representative Richardson via email on June 6, 2008, at 12:10 p.m.[401] Ms. Thorn sent an email to Ms. Gaugl, Ms. Owen, Mr. Battaglia, and Mr. Cook on June 6, 2008, at 12:27 p.m.[402] In her email, Ms. Thorn stated that Representative Richardson "was not prepared to discuss financials today. We sent her the financial package via email and she said she will have it done by Tuesday or Wednesday."[403]

Ms. Gaugl sent an email to Ms. Thorn, Mr. Battaglia, Ms. Owen, and Don Cook, a Vice President at Washington Mutual, on June 10, 2008, at 9:52 p.m.[404] In that email, Ms. Gaugl stated:

> All:

> In advance of Ann's discussion tomorrow with Ms. Richardson, I wanted to make you aware of the blog posting embedded below (thanks for forwarding, Paul). Unfortunately, some reporters are jumping to the conclusion that Ms. Richardson was able to secure a loan modification agreement with WaMu, despite her current financial standing.
>
> Ann, please let us know how things go tomorrow (if you two are able to connect), and whether Ms. Richardson is expected to qualify for a workout based on the financial information provided. If we hear from Ms. Richardson, I will schedule a call tomorrow mid-day so that we can quickly touch base and discuss next steps.[405]

Representative Richardson replied to Ms. Mathis' June 6, 2008, email on June 12, 2008, at 10:20 a.m.[406] In her reply, Representative Richardson stated: "Please advise Ann Thorn that I will work on this during the weekend. I apologize for the delay I did not recognize your email / name. I was looking for something from Ann or Ms. Woodcock, so I missed it."[407]

Ms. Thorn sent a letter to Representative Richardson on June 17, 2008.[408] In her letter, Ms. Thorn stated:

> Dear Ms. Richardson:
>
> Your e-mail to Julie Mathis dated June 12, 2008 was forwarded to me. You indicated in your e-mail that you would be working on your Homeownership Preservation package over the June 14–15 weekend. I therefore expected to receive your updated financial information sometime on Monday. It is now Tuesday, and I still have not received anything from you, nor have you called to explain your delay.
>
> As you know, in April, 2008, you contacted WaMu asking for the amount necessary to reinstate your loan. We sent you the reinstatement figure on April 17, 2008, along with a cover letter stating that we would postpone the foreclosure proceedings to June 4, 2008. Your property then went to foreclosure sale on May 7, 2008, where it was sold to the high bidder Red Rock Mortgage, Inc. At the time of the foreclosure sale, you were in default on your home and there was not any loan workout or modification agreement in place between you and WaMu, as your prior request for a loan modification was denied.
>
> Due in part to your comments to me that you fully intended to pay your obligations to WaMu, we honored our commitment to postpone the foreclosure sale by instructing the foreclosure trustee to record a Notice of Rescission of the foreclosure sale, thereby restoring legal title to the Property in your name.
>
> Following the Notice of Rescission, we've had several telephone conversations where you reiterated your desire to fulfill your loan obligation. On May 28, 2008, Wendy Woodcock and I had a telephone conversation with you where we told you that you would have to send in updated financial information for review. We sent you the forms on June 6, 2008, but they have not yet been completed and returned for our review.
>
> Based on your most recent assurance that you would be working on providing the financial information over the June 14–15 weekend, we expect to have all of the information that we've requested by the end of the day on Friday, June 20, 2008. If we do not have all of the information requested, we will reschedule the foreclosure sale of your property.[409]

Representative Richardson replied to Ms. Thorn's letter by way of an email sent on June 18, 2008, at 10:24 a.m.[410] Representative Richardson's email stated:

> Ms. Thorn,
>
> Due to the numerous issues that have surrounded my agreement and the improper sale of my property, I am working with my original broker to complete the application accurately. I am limited to his availability therefore it is taking longer than I expected. I advised Ms. Mathis of my delay via email and was told you would be notified.

> I will meet your deadline; however, in the future clear indications of time deadlines is [sic] needed.[411]

When Representative Richardson was working to complete the Loss Mitigation forms, she sought the assistance of Mr. Thomas, her original mortgage broker.[412] On June 17, 2008, Representative Richardson received an email from Mr. Thomas.[413] The email stated:

> Good Morning Congresswoman Richardson,
>
> I completed the WAMU application, but I have a few questions that I need answered before I forward to you. Those questions are as follows:
>
> Has Your Monthly Income Changed from the $9,428.83 + 3037.80. . . .

> Am I using your Farmers and Merchants Account as your primary account?

I think if we could schedule a time to speak again that would be great. I apologize that we didn't discuss this yesterday. We can also complete this via-email if that fits your schedule better . . . Please advise.[414]

Representative Richardson replied to Mr. Thomas's email on June 18, 2008.[415] Her email stated:

Representative Richardson sent another email to Mr. Thomas that same day.[416] This email stated, "I just faxed the two forms and received a confirmation sheet. I forgot one line the loans and rent' section. Together prior to short term loan modifications, it is about $6,000.00 per month."[417]

Mr. Thomas told the Investigative Subcommittee that Representative Richardson:

> had called me—I want to say it was June; it may have been last year—and asked me was I familiar with that process. I told her that I had helped a couple of borrowers, and she asked—she said she was applying to get her loan modified and asked me could I take a look at the application, basically, and she forwarded that over to me.[418]

Representative Richardson completed the two-page Borrower's Assistance Form and provided it to Washington Mutual.[419] This was a financial work sheet, which "lists out the expenses and income for a mortgagor to give [Washington Mutual] an idea of their financial situation and the ability to do a loss mitigation workout."[420] Washington Mutual also pulled a credit report for Representative Richardson.[421]

On June 19, 2008, at 7:54 p.m., Representative Richardson sent a facsimile to Ms. Thorn and Ms. Mathis.[422] The facsimile included the two-page Washington Mutual Borrower Assistance Form as completed by Representative Richardson.[423] Representative Richardson confirmed to the Investigative Subcommittee that it was her handwriting on the Borrower Assistance Form.[424] The form asked several background questions, including "How many people live at your address?" and "Do you have any other loans on the home?"[425] One question on the form asked "What is the reason you are having trouble with your home loan payments?"[426] In response to that question, Representative Richardson wrote, "I have experienced three employment changes within one year, two delays of income for over three months, unexpected illness and subsequent death of

my father."[427] The form also included space to include information about expenses, income, and assets.[428] In the income section, Representative Richardson included monthly "Gross Wages" of $14,100 and "possible rent credit" of $1,500 to $2,000, for total monthly income of $15,600 to $16,100.[429] Representative Richardson confirmed that this "rent credit" was the same potential income from the rent of her mother's home as she referenced on the Employment Income Verification letter submitted with her original loan application in 2007.[430]

Washington Mutual utilized a Financial Review Worksheet when analyzing whether to grant a loan, and at what terms.[431] That document listed Representative Richardson's gross monthly income as $14,100 and net monthly income as $11,280.[432] The document listed the amount of her "Other Mortgages," which included the mortgage on her San Pedro and Long Beach properties and her rental property in Washington, D.C., to be $6,100.[433] Ms. Mathis told the Investigative Subcommittee that the Financial Review Worksheet for Representative Richardson's loan modification indicates that Washington Mutual did not take into account the "possible rent credit" that Representative Richardson indicated on her Borrower Assistance Form.[434] Ms. Mathis stated that "[i]f this says 'possible rent credit,' we wouldn't use possible. You would already have to have it rented. We don't base our modifications on assumed income. You have to actually have the income or the—it might not be income just money coming into the house."[435]

Ms. Mathis told the Investigative Subcommittee that if borrowers "only provide gross income, we use a certain percentage—and I don't recall if they were using 20 percent or 25 percent—to get to a net. I don't remember what the amount used to reduce it is."[436]

Ms. Mathis told the Investigative Subcommittee that based on the recommendation from the "decisioning tool" Washington Mutual decided to offer Representative Richardson a loan modification.[437] Ms. Thorn sent an email to Ms. Mathis, Mr. Battaglia, Ms. Gaugl, and Ms. Owen on June 20, 2008, at 2:57 p.m.[438] Ms. Thorn's email stated, "Julie [Mathis] will be calling her this afternoon and offering her a mod."[439]

Ms. Mathis sent an email to Ms. Thorn, Ms. Gaugl, and Mr. Battaglia on June 23, 2008, at 4:22 p.m.[440] Ms. Mathis' email stated:

> Ms. Richardson wants to know if her rights to the property have been restored and if the locks were changed how she can get into the property. She also wants to coordinate a press release with Sara [Gaugl], I provided her with Sara's phone number.[441]

Ms. Owen told the Investigative Subcommittee that she did not believe that Washington Mutual gave Representative Richardson any preferential treatment at any point.[442] Ms. Owen said that Representative Richardson "was given the amount of—she was given what all the rest of our customers were given when they came through and they were able to work with our loan modification people."[443] Ms. Owen said that Representative Richardson never sought to use her position as a Member of Congress to get any favorable treatment from Washington Mutual.[444]

Immediately after Washington Mutual completed the modification of Representative Richardson's loan, the bank discovered that certain unpaid taxes and insurance had been inadvertently left out of the loan modification figures.[445] Thus, Washington Mutual contacted Representative Richardson to complete a second modification of the loan.[446] Ms. Mathis told the Investigative Subcommittee that:

> Apparently, when the property went to foreclosure sale and was purchased by the third party, we put a stop on our servicing system not to pay any taxes or insurance on the property, because it had been purchased by a third party so we were no longer responsible.
>
> After the rescission was done, those stops remained on the loan. Therefore, the taxes didn't get paid, which caused an issue because they needed to be paid. So we had to go through some hoops to get those stops removed from the servicing system so we could actually get checks cut and pay the taxes.
>
> And because we did that, we advanced money on her account, we had to recover that money, so we had to roll that into the principal balance and re-amortize it. So, in essence, modify the modification.[447]

Ms. Mathis stated that as a result of the re-modification of Representative Richardson's loan, Representative Richardson paid "[a]ll the taxes that would have been paid."[448]

Ms. Thorn sent an email to several Washington Mutual employees on July 7, 2008, at 3:59 p.m.[449] The subject of Ms. Thorn's email was "RE: [account number] Richardson."[450] Ms. Thorn's email stated, "Michelle, can you please get this changed today as

this is a highly escalated matter."[451] Ms. Thorn told the Investigative Subcommittee that:

> any time we have a situation where we have a borrower where we have made an error, where we've taken their home and, you know, we're giving back; where they're going through the process of rescinding that sale, in my world that's escalated, you know, that we've made the error and, you know, gotten to that point where I have now a third—and especially when there is a third-party purchaser involved."[452]

Ms. Thorn sent an email to several Washington Mutual employees on July 9, 2008, at 1:31 p.m.[453] Ms. Thorn's email stated, "Taxes are included and new mod figs need to be communicated to Richardson to let her know that taxes are now included, but we amended the interest and maturity to keep payments the same as originally communicated."[454]

Washington Mutual and Representative Richardson entered into a Loan Modification Agreement effective on August 1, 2008.[455] According to the Loan Modification Agreement, the unpaid principal balance of the mortgage was $533,455.31.[456] The Loan Modification Agreement further stated that the accrued but unpaid interest, costs and expenses on the mortgage were $63,875.45.[457] Thus, the new balance on the loan was $597,330.76.[458] The Loan Modification Agreement stated that the interest was modified to a fixed rate of 8.254%.[459] The maturity date on the loan remained the same, but the amortization period changed to 40 years.[460] The Loan Modification Agreement specifically noted:

> Borrower acknowledges and understands that, as a result of this Agreement which may defer payment of an arrearage, or extend the loan amortization period, or both, a lump sum payment may be due on the Maturity Date. All amounts due and owing under the Note, Security Instrument and this Agreement are due in full on the Maturity Date.[461]

The Loan Modification Agreement also contained the following provision, which Representative Richardson crossed out before signing:

> **Acknowledgement by Borrower.** As part of the consideration for the Agreement, Borrower agrees to release and waive all claims Borrower might assert against the Trust or its agents, officers, directors, attorneys, employees and any predecessor in interest to the Note and Security Instrument, and which Borrower contends caused Borrower damage or injury, or which Borrower contends renders the Note or the Security Instrument void, voidable, or

3. Analysis of Modified Loan

Mr. Huntzinger analyzed the commercial reasonableness of Representative Richardson's modified loan, and came to the following conclusion:

> Based on my review of the documents and testimony provided to me by the Investigative Subcommittee, it is my professional opinion that the terms of the loan modification offered to Representative Richardson was commercially reasonable. Washington Mutual appeared to be able to recapture the past due principal and interest payments, escrow advances, late fees and third party costs by rolling them into the modified loan. Representative Richardson's original unpaid principal balance (UPB) was $535,001, with an initial interest rate of 8.8%, with a 30-year term and an appraised value of $543,000. Representative Richardson's modified UPB is $597,455.31, with a new fixed rate of 8.254%, with the same maturity date but re-amortized UPB over 40 years and an appraised value as of March 2008 of $475,000. Thus, the loan modification was not just commercially reasonable, but was in fact beneficial to Washington Mutual. It thus made sense that Washington Mutual wanted to enter into a loan modification agreement under those terms. It should be noted that Washington Mutual bid $388,000 at the May 2008 Sheriff Sale even though they had a March 2008 appraisal value of $475,000. When the house sold at the May 2008 Sheriff Sale to Red Rock Mortgage it sold for $388,001 or one dollar over Washington Mutual's bid. These shows how weak the housing market was in California at this time and how few bidders were at the sale. Washington Mutual would have expected to end up with similar results at another sale and benefited with a modified loan about $210,000 greater than their sheriff sale bid a few months earlier.[463]

IV. LEGAL ANALYSIS

A. SUMMARY OF LEGAL ANALYSIS

The Investigative Subcommittee initially reviewed Representative Richardson's conduct pursuant to the rules and standards of conduct related to the receipts of gifts or other benefits by Members, including House Rule XXV, clause 5(a)(1)(A)(i) and paragraph 5 of the Code of Ethics for Government Service; and to the rules and standards of conduct applicable to a Member's financial disclosure obligations, including the Ethics in Government Act, House

Rule XXVI, and 18 U.S.C. § 1001. During the course of the investigation, the Investigative Subcommittee discovered that Representative Richardson's mortgage application for her Sacramento property contained false information, and thus reviewed Representative Richardson's conduct pursuant to the laws and other standards of conduct relevant to mortgage fraud, including 18 U.S.C. § 1344, 18 U.S.C. § 1014, and paragraph 2 of the Code of Ethics for Government Service. The Investigative Subcommittee concluded that Representative Richardson did not violate any rules or other standards of conduct.

B. RELEVANT RULES AND STANDARDS OF CONDUCT

1. House Gift Rule

House Rule XXV, clause 5(a)(1)(A)(i) states, "a Member may not knowingly accept a gift."[464] A "gift" is defined as "a gratuity, favor, discount, entertainment, hospitality, loan forbearance, or other item having monetary value."[465] The term "gift" includes gifts of "services, training transportation, lodging and meals, whether provided in kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred."[466] To establish a violation under House Rule XXV, clause 5(a)(1)(A)(i), it must be shown that a Member knowingly accepted an item or service of value.[467]

The restrictions of the gift rule do not apply to items "for which the [official] pays the market value."[468] However, if a Member is sold property at less than market value, or receives more than market value in selling property, that would constitute a gift.[469]

House Rule XXV includes several exceptions to the general prohibition on receiving gifts or other benefits.[470] The list of exceptions in House Rule XXV explicitly includes bank loans, stating that Members may accept "[o]pportunities and benefits that are . . . in the form of loans from banks and other financial institutions on terms generally available to the public[.]"[471] As such, if a Member or staff person were given a loan at a below-market interest rate, that could constitute an improper gift.[472]

House Rule XXV also provides a general exception for benefits "resulting from outside business or employment activities of the Member . . . (or other outside activities that are not connected to the duties of such individual as an officeholder)[.]"[473] Such benefits are only allowable if they "have not been offered or enhanced because of the official position of such individual and are customarily provided to others in similar circumstances[.]"[474]

2. Ethics in Government Act

The Ethics in Government Act of 1978 (EIGA) mandates annual financial disclosure by all senior federal personnel, including all Members and some employees of the House.[475] The EIGA, as amended, provides the statutory basis for the disclosure currently required of House Members, candidates, and senior House employees. House Rule XXVI adopts Title I of EIGA as a rule of the House.[476] House Rule XXVI, clause 1, requires the Clerk of the House to publish a report each August 1 compiling all Member Financial Disclosure Statements filed by June 15 of that year.[477] Failure to file or falsifying disclosure statements is a violation of EIGA, punishable by a civil fine up to $50,000 per violation.[478]

Schedule III of Form A of the Financial Disclosure Statement instructs filers to disclose "[t]he identity and category of value of any interest in property held during the preceding calendar year in a trade or business, or investment or the production of income, which has a fair market value which exceeds $1,000 as of the close of the preceding calendar year."[479] The "Instruction Guide for Completing Calendar Year 2008 Financial Disclosure Statement Form A" informs filers that "the term '*income*' means all income from whatever source derived, including but not limited to the following items: gross income derived from business (and net income if the individual elects to include it); gains derived from dealings in property; interest; rents. . . ."[480] The House Ethics Manual also provides more specific guidance regarding a filer's duty to disclose information regarding property that generates rental income:

> **Example 10:** Member J's home includes a basement apartment that he rents to a tenant for $800 a month. [Member J] must disclose this rental income, as well as the property that generated it. The "asset value" is the value of the entire home, not just the basement apartment.[481]

Schedule V of Form A of the Financial Disclosure Statement instructs filers to disclose "liabilities of over $10,000 owed to any one creditor at any time during the reporting period by you, your spouse, or dependent child."[482] Filers can exclude "[a]ny mortgage on your personal residence (unless it is rented out); loans secured by automobiles, household furniture, or appliances; liabilities of a business in which you own an interest; and liabilities owed to a spouse, or the child, parent, or sibling of you or your spouse."[483] The "Instruction Guide for Completing Calendar Year 2008 Financial Disclosure Statement Form A" clarifies, "if you show only one rental property as an asset, 'mortgage on real property' is sufficient. If on the other hand, you have multiple rental properties, state the property to which each obligation relates, together with

the type of liability (e.g., 'mortgage on 123 Main Street, Dover, Del')."[484]

The Standards Committee issued guidance on the financial disclosure requirements for mortgages on December 30, 2008.[485] In that guidance, the Standards Committee stated that "filers of a Financial Disclosure Statement are not required to disclose a mortgage on their personal residence."[486] The Standards Committee's guidance further states that "this exclusion extends to home equity loans and home equity lines of credit on personal residences, as long as the property is used only as a personal residence and does not generate any rental income."[487]

Schedule VI of Form A of the Financial Disclosure Statement instructs filers to "[r]eport the source, a brief description, and the value of all gifts totaling more than $335 received by you, your spouse, or a dependent child from any source during the year."[488] The term "gift" is defined in these instructions as "a payment advance, forbearance, rendering, or deposit of money, or any thing of value, unless consideration of equal or greater value is received by the donor."[489] The exceptions listed in these instructions do not include loans or mortgage terms.[490] As noted, the Standards Committee has interpreted the term "gift" to include where a Member or staff person is given a loan at a below-market interest rate, or, is allowed to purchase property on terms that are more favorable than available to the general public.[491]

3. False Statements

The "Instruction Guide for Completing Calendar Year 2008 Financial Disclosure Statement Form A" also informs Members and other filers that failure to file or falsifying disclosure statements could result in prosecution for violating the False Statements Accountability Act, codified at 18 U.S.C. § 1001.[492] Any individual can be imprisoned for up to five years if,

> in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, [he or she] knowingly and willfully—(1) falsifies, conceals, or covers up by any trick, scheme, or device a material fact; (2) makes any materially false, fictitious, or fraudulent statement or representation; or (3) makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry[.][493]

This provision applies to Members of Congress and other employees and officers in the legislative branch regarding:

>
> (2) any investigation or review, conducted pursuant to the authority of any committee, subcommittee, commission or office of the Congress, consistent with applicable rules of the House or Senate.[494]

In order to prove that a person is guilty of violating the false statements act under 18 U.S.C. § 1001, the government must show that the defendant either knew the relevant statements were false or that the defendant acted with a conscious purpose to avoid learning the truth of the statements.[495]

4. Fraud

An individual may be prosecuted under the federal bank fraud statute if he or she:

> knowingly executes, or attempts to execute, a scheme or artifice (1) to defraud a financial institution; or (2) to obtain any of the moneys, funds, credits, assets, securities, or other property owned by, or under the custody or control of, a financial institution, by means of false or fraudulent pretenses, representations, or promises.[496]

Violators "shall be fined not more than $1,000,000 or imprisoned not more than 30 years, or both." [497] Courts have held that the required mental state to prove bank fraud is knowledge of falsity and the intent to influence the actions of a financial institution concerning a loan or some other transaction.[498] As such, in order to prove that a person is guilty of bank fraud under 18 U.S.C. § 1344, the government must show that the defendant either knew the relevant statements were false or that the defendant acted with a conscious purpose to avoid learning the truth of the statements.[499]

The federal mortgage fraud statutes also create criminal and civil penalties for "[w]hoever knowingly makes any false statement or report, or willfully overvalues any land, property or security, for the purpose of influencing in any way the action of . . . Federal credit union, an insured State-chartered credit union, [or] any institution the accounts of which are insured by the Federal Deposit Insurance Corporation." [500] The elements of this crime are: (1) that defendant made a false statement or statements to the bank; (2) that defendant made the false statement or statements in order to influence the bank's actions; (3) that statement or statements were

false as to material facts; and (4) that defendant made false statements knowingly.[501]

5. Code of Ethics for Government Service

Under paragraph 2 of the Code of Ethics for Government Service ("Code of Ethics"), "any person in government service should . . . Uphold the Constitution, laws, and legal regulations of the United States and of all governments therein and never be a party to their evasion."[502] Under paragraph 5 of the Code of Ethics, "any person in government service should . . . never accept for himself or his family, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of his governmental duties."[503]

The Code of Ethics does not create a new penalty for a Member's violation, "nor does it impose any positive legal requirement for specific acts or omissions."[504] The Code of Ethics was created to "reaffirm[] the traditional standard—that those holding public office are not owners of authority, but agents of public purpose—concerning which there can be no disagreement and to which all Federal employees unquestionably should adhere."[505] In contrast to statutes, which can be objectively tested, the standards outlined in the Code of Ethics "can only be stated in subjective language and must rely on the facts determined in each situation. If it should be necessary to measure an allegation against a standard, that measurement will be as meaningful as the depth to which the measuring body draws out the facts and nuances."[506] As such, the Committee has found that a Member can violate a provision of the Code of Ethics, even if a Member has not acted in violation of any law.[507]

6. Generally Applicable House Rules

In addition to the rules and standards of conduct discussed above, House Rule XXIII, clauses 1 and 2, which are generally applicable to any conduct by Members, may also be relevant to Representative Richardson's conduct in this matter.

Under House Rule XXIII, clause 1: "A Member, Delegate, Resident Commissioner, officer, or employee of the House shall behave at all times in a manner that shall reflect creditably on the House." Historically, the Standards Committee has invoked clause 1 to review conduct that encompasses violations of law and abuses of a Member's official position.[508] "Clause 1 was adopted in part, so that the Committee, in applying the Code, would retain the ability to deal with any given act or accumulation of acts which, in the judgment of the committee, are severe enough to reflect discredit on the Congress."[509]

Under House Rule XXIII, clause 2, a Member must "adhere to the spirit as well as the letter" of the House Rules.[510] House Rule XXIII, clause 2, was drafted to "provide the House the means to deal with infractions that rise to trouble it without burdening it with defining specific charges that would be difficult to state with precision."[511] The practical effect of House Rule XXIII, clause 2, has been to provide a device for construing other provisions of the Code of Conduct and House Rules.[512] This rule has been interpreted to mean that a Member or employee may not do indirectly what the Member or employee would be barred from doing directly.[513] In other words, the House Rules should be read broadly, and a narrow technical reading of the House Rules should not overcome its "spirit" and the intent of the House in adopting the rules.[514] However, House Rule XXIII, clause 2, has not only been used as an aid to interpreting other House rules, but has been used in recommending expulsion of Members for various reasons.[515]

C. DISCUSSION

1. Representative Richardson Complied with her Financial Disclosure Requirements

During the Standards Committee's initial investigation, it reviewed Representative Richardson's mortgage application for her Sacramento property. That review revealed that documents were submitted to Washington Mutual asserting that Representative Richardson was receiving rental income for her San Pedro and Long Beach properties.[516] Representative Richardson had never disclosed any such rental income on her Financial Disclosure Statements, nor did she list the mortgages on her San Pedro and Long Beach properties as liabilities on her Financial Disclosure Statements.[517] If Representative Richardson was receiving rental income for her San Pedro and Long Beach properties, this failure to disclose would have violated the rules and standards related to Representative Richardson's financial disclosure obligations.[518] If Representative Richardson was not receiving rental income for her San Pedro and Long Beach properties, she would have no disclosure obligations with respect to the properties.[519]

Through the course of its investigation, the Investigative Subcommittee determined that Representative Richardson had, in fact, never received any rental income for her San Pedro and Long Beach properties.[520] Instead, the record before the Investigative Subcommittee demonstrated that Representative Richardson's mortgage application for her Sacramento property contained false information, created and provided by her mortgage broker without her knowledge.[521] As such, the Investigative Subcommittee concluded that Representative Richardson did not violate any rules, statutes, or other standards of conduct related to her financial disclosure obligations.

2. Representative Richardson Did Not Commit Mortgage Fraud

The record before the Investigative Subcommittee shows that criminal mortgage fraud was committed when Representative Richardson's mortgage application was submitted to Washington Mutual.[522] The statements in Representative Richardson's mortgage application regarding her rental income were false,[523] were made in order to influence Washington Mutual,[524] and were material to her loan application.[525] Thus, if Representative Richardson knowingly submitted the false information in a mortgage application, she would have committed fraud.[526]

However, the Investigative Subcommittee concluded that Representative Richardson did not knowingly make the false statements.[527] Instead, the Investigative Subcommittee concluded that Representative Richardson was the victim of mortgage fraud, not the perpetrator of the fraud. The Investigative Subcommittee based this conclusion on Representative Richardson's statements that she had no knowledge of the fraud,[528] and on the statements of Representative Richardson's mortgage broker, who admitted to the fraud.[529] The Investigative Subcommittee further based its conclusion on the analysis conducted by the Investigative Subcommittee's independent mortgage consultant, who believed this case was one of fraud for profit by the broker and not one of fraud for housing by the buyer.[530]

3. Representative Richardson Did Not Receive an Improper Gift or Other Benefit in Connection with the Hold on the Foreclosure Sale of Her Sacramento Property

If Washington Mutual had placed the hold on the foreclosure sale of Representative Richardson's property as a special favor to Representative Richardson because she was a Member of Congress, that hold would be considered an improper gift or other benefit under the applicable rules or other standards of conduct.[531] However, if Washington Mutual placed the hold on the foreclosure sale of Representative Richardson's property in the ordinary course of its business, the hold would not be considered an improper gift or other benefit.[532]

The Investigative Subcommittee concluded that Representative Richardson did not receive an improper gift or other benefit when Washington Mutual placed a hold on the foreclosure sale of her Sacramento property.[533] The Investigative Subcommittee based this conclusion on the testimony of various former employees of Washington Mutual stating that Representative Richardson's financial situation had changed such that a hold was appropriate and that she did not receive any special treatment.[534] The Investigative Subcommittee further based its conclusion on the analysis conducted by Mr. Huntzinger, the Investigative Subcommittee's independent mortgage consultant. Mr. Huntzinger concluded that Washington Mutual's decision to place the hold on the foreclosure sale of Representative Richardson's property was commercially reasonable and did not appear to be a special favor to Representative Richardson because she was a Member of Congress.[535] Instead, Mr. Huntzinger determined that Washington Mutual placed the hold on the foreclosure sale of Representative Richardson's property in the ordinary course of its business, and treated Representative Richardson the same as it would any other similarly situated customer.[536]

4. Representative Richardson Did Not Receive an Improper Gift or Other Benefit in Connection with the Rescission of the Foreclosure Sale of Her Sacramento Property

If Washington Mutual had rescinded the foreclosure sale of Representative Richardson's Sacramento property as a special favor to Representative Richardson because she was a Member of Congress, that rescission would be considered an improper gift or other benefit under the applicable rules or other standards of conduct.[537] However, if Washington Mutual rescinded the foreclosure sale of Representative Richardson's Sacramento property in the ordinary course of its business, the rescission would not be considered an improper gift or other benefit.[538]

The Investigative Subcommittee concluded that Representative Richardson did not receive an improper gift or other benefit when Washington Mutual rescinded the foreclosure sale of her Sac-

ramento property.[539] The Investigative Subcommittee based this conclusion on the testimony of various former employees of Washington Mutual stating that the decision to rescind the foreclosure sale was based on Washington Mutual's desire to fix its original mistake in foreclosing on the property after telling Representative Richardson that a hold was placed on the foreclosure sale and that Representative Richardson did not receive any special treatment.[540] The Investigative Subcommittee further based its conclusion on the analysis conducted by Mr. Huntzinger, the Investigative Subcommittee's independent mortgage consultant. Mr. Huntzinger concluded that Washington Mutual's decision to rescind the foreclosure sale of Representative Richardson's property was commercially reasonable and did not appear to be a special favor to Representative Richardson because she was a Member of Congress.[541] Instead, Mr. Huntzinger determined that Washington Mutual rescinded the foreclosure sale of Representative Richardson's property in the ordinary course of its business, and treated Representative Richardson the same as it would any other similarly situated customer.[542]

5. Representative Richardson Did Not Receive an Improper Gift or Other Benefit in Connection with the Modification of the Loan for Her Sacramento Property

If Washington Mutual had modified the loan for Representative Richardson's Sacramento property as a special favor to Representative Richardson because she was a Member of Congress, that loan modification would be considered an improper gift or other benefit under the applicable rules or other standards of conduct.[543] However, if Washington Mutual modified the loan for Representative Richardson's Sacramento property in the ordinary course of its business, the loan modification would not be considered an improper gift or other benefit.[544]

The Investigative Subcommittee concluded that Representative Richardson did not receive an improper gift or other benefit when Washington Mutual modified the loan for her Sacramento property. The Investigative Subcommittee based this conclusion on the testimony of various former employees of Washington Mutual stating that the terms of the loan modification were based entirely on Washington Mutual's impartial "decisioning tool" and that Representative Richardson did not receive any special treatment.[545] The Investigative Subcommittee further based its conclusion on the analysis conducted by Mr. Huntzinger, the Investigative Subcommittee's independent mortgage consultant. Mr. Huntzinger concluded that Washington Mutual's decision to modify the loan on Representative Richardson's property was commercially reasonable and did not appear to be a special favor to Representative Richardson because she was a Member of Congress.[546] Instead, Mr. Huntzinger determined that Washington Mutual modified the loan

on Representative Richardson's property in the ordinary course of its business, and treated Representative Richardson the same as it would any other similarly situated customer.[547]

D. CONCLUSION

The Investigative Subcommittee found that Representative Richardson did not violate any rules or other standards of conduct in connection with her Sacramento property. Instead, the Investigative Subcommittee concluded that Representative Richardson complied with her financial disclosure obligations. The Investigative Subcommittee further found that Representative Richardson was the victim of mortgage fraud. Finally, the Investigative Subcommittee concluded that Representative Richardson did not receive any improper gifts from Washington Mutual in connection with her Sacramento property.

V. RECOMMENDATIONS

The Investigative Subcommittee found that Representative Richardson did not collect rent on her residential properties in San Pedro, California, and Long Beach, California. For this reason, the Investigative Subcommittee concluded that Representative Richardson did not violate the Ethics in Government Act in connection with her financial disclosure statements relating to her California properties. Instead, the Investigative Subcommittee concluded that Representative Richardson's mortgage broker, without her knowledge, fraudulently submitted false rental income information with her loan application for her Sacramento property.

The Investigative Subcommittee further found that Representative Richardson did not knowingly accept a gift from Washington Mutual or violate any applicable standard of conduct in connection with the purchase of, foreclosure on, rescission of foreclosure sale for, or modification of loan terms for a residential property she owns in Sacramento, California. Instead, the Investigative Subcommittee found that Washington Mutual's decisions to offer Representative Richardson a loan on the property, to place a hold on the foreclosure sale of the property, to rescind the foreclosure sale of the property, and to modify the loan for the property were each made in the ordinary course of Washington Mutual's business, and were commercially reasonable based on the information before Washington Mutual at that time.

Based on these findings, the Investigative Subcommittee declined to adopt a Statement of Alleged Violation, and unanimously decided to issue this report pursuant to Standards Committee Rule 19(g).

The Investigative Subcommittee further decided to make the following recommendations:

1. The Investigative Subcommittee recommends that the Standards Committee dismiss the review of the allegations in OCE's Report and Findings that "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving preferential treatment from Washington Mutual Bank in the

[547] *Id.*

form of the postponement and/or rescission of the foreclosure sale of her home." [548]

2. The Investigative Subcommittee further recommends that the Standards Committee dismiss the review of the allegations in OCE's Report and Findings that "Representative Richardson violated House Rule 26 (financial disclosure) by failing to disclose her Sacramento home as an asset and her mortgage liability on her financial disclosure forms." [549]

3. The Investigative Subcommittee further recommends that the Standards Committee dismiss the review of the allegations in OCE's Report and Findings that "Representative Richardson violated House Rule 25, clause 5(1)(A)(i) and clause 5(3)(R)(v) by knowingly receiving professional yard care services from her neighbors. Further, even if a violation occurred it would be de minimis." [550]

4. The Investigative Subcommittee further recommends that the Standards Committee refer the mortgage fraud issue involving Charles Thomas in connection with Representative Richardson's mortgage application, in violation of 18 U.S.C. 1014, and any other statute, to the U.S. Department of Justice for such action as the Department deems necessary and appropriate.

5. The Investigative Subcommittee further recommends that, pursuant to Standards Committee Rule 21(a), the Standards Committee transmit this Report to the House and approve its dissemination to the public.

Re: ***Laura Richardson Government Investigation***

Dear Dorothy:

As we discussed, I write to confirm the decision of the United States Attorney's Office for the Central District of California to decline criminal prosecution of Congresswoman Laura Richardson in connection with her application for a mortgage in January 2007 to purchase a property located at 3622 W. Curtis Drive, Sacramento, California. You advised me that, after having investigated the circumstances surrounding Ms. Richardson's application for a mortgage on this property from Washington Mutual Bank, the government would not seek criminal charges against Ms. Richardson related to this mortgage application.

We greatly appreciate the time and consideration you have given to this matter.

Sincerely,

Daniel N. Shallman

AMENDMENT TO ELECTRONIC SERVICES AGREEMENT AND DISCLOSURE

CHANGE TO FOREIGN CURRENCY CONVERSION RATE. The rate used to convert a VISA debit/credit card transaction made in foreign currency to US dollars has changed. Effective April 2, 2005, the exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by VISA from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate VISA itself receives, or the government-mandated rate in effect for the applicable central processing date; in each instance, plus or minus any adjustment determined by the Credit Union.

The terms of your loan/lease agreement require that you obtain comprehensive and collision (physical damage) insurance against loss or damage (subject to a maximum deductible of $ 1,000) on the personal property that is securing your loan or that is the subject of your lease ("collateral") in an amount sufficient to cover the lienholder's interest in the collateral. This coverage is commonly referred to as comprehensive and collision insurance. You may obtain the insurance from any agent or company of your choice, subject to our reasonable approval. Please instruct your insurance agent to send a copy of the insurance policy, including an appropriate loss payable clause endorsement naming the credit union as the lienholder/loss payee, to the credit union.

Please complete the following insurance information:

Insurance Company Name: Allstate Insurance Co Agent Name: _____

Telephone No: _____ Policy No: _____ Comp Ded: $_____ Coll Ded. $_____

Address _____ City _____ State _____ Zip Code _____

WARNING: Unless you provide us with evidence of insurance coverage required by your loan/lease agreement with us, we may purchase insurance at your expense to protect our interest in your collateral. This insurance may, but need not, also protect your interest. If the collateral becomes damaged, the coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with the evidence that you have obtained acceptable insurance coverage elsewhere as required by your loan/lease agreement with us. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including the insurance premium, interest or lease charges and any other charges, including tracking and administrative costs and commissions, we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The effective date of coverage may be the date your prior coverage lapsed or the date you failed to provide proof of acceptable insurance. **The costs of the insurance, and finance charges thereon, may be added to your total outstanding balance or obligation and the number and/or amount of your periodic payments may be increased to cover such premium charges.** If the cost of the insurance or any other charges imposed in connection with the placement of the insurance are added to your outstanding balance or obligation, the interest rate/lease charge on your underlying loan/lease agreement with us will apply to these added amounts. The costs of the insurance may be considerably more than the cost of insurance you may be able to obtain on your own. The coverage will not be liability insurance and will not satisfy any need for the property damage liability coverage or your obligations under any state's mandatory liability, financial responsibility or no fault laws. See the Security Agreement for additional information. You hereby authorize the credit union to provide its insurance service center with the necessary information for verification of adequate coverage. The terms of these Supplemental Insurance Provisions are hereby made a part of your loan/lease agreement and are binding upon you with the same effect as if they were set forth in such loan/lease agreement. You acknowledge that you have read and agree to the foregoing.

☐ **VARIABLE RATE**

Your loan is subject to a Variable Rate which is based on the One-Year U. S. Treasury Constant Maturity Rate as published in the Federal Reserve Bulletin H .15 (available by calling (415) 974-2659) and will be the rate in effect on the first day of the month immediately preceding the first day of each calendar quarter of each year, rounded up to the nearest 1/4 percentage point, ("Index") plus 0 % ("Margin"). The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on the first day of each calendar quarter of each year. Increases or decreases in the Interest Rate will cause like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. Your Interest Rate will never change more than 2.00 percentage points in any given year and is subject to a minimum of 4.00% and a maximum of 18.00%. For example, if Your loan is for $10,000 for 60 months at an interest Rate of 10.00% and the interest Rate increases to 12.00% after 6 months, You would be required to make 4 additional payments.

ADDITIONAL PROVISIONS OF LOAN AGREEMENT (continued from the reverse side)

1. **PROMISE TO PAY.** You promise to pay the amount borrowed, plus interest, other permitted charges and fees to the order of Tiger Federal Credit Union ("Lender") or order, according to the terms of this Agreement (including those set forth in the Federal Truth-in-Lending Disclosure). Numbers, phrases or words preceded by a ☐ are applicable only if the ☐ is marked, e.g. ☒ . In this Agreement the use of the words "Credit Union", "We", "Us" and "Our" mean Tiger Federal Credit Union. The Borrower(s) and any Co-Signer(s) of the Agreement, individually and collectively, are sometimes referred to as "You" and "Your".

2. **LIABILITY OF PARTIES.** Each person who signs this Agreement as a Borrower or Co-Signer or who endorses or negotiates the loan proceeds check related to this Agreement (other than a Dealer/Payee) and whose name appears on the front of this Agreement as Borrower agrees to be individually and jointly obligated to pay Your loan in accordance with the terms and conditions of this Agreement. Any person who signs this Agreement or the loan proceeds check related to this Agreement and checks the box preceding "Owner of Collateral (other than Borrower)" does so voluntarily and solely to give a security interest in the Collateral shown in the Security Interest section in this Agreement, but is not personally liable for any indebtedness created by this Agreement.

3. **INTEREST.** Interest will be charged on the unpaid balance of Your loan at the Simple Interest Rate (or at a rate computed according to the Variable Rate provisions) designated in this Agreement until Your balance is paid in full. Any payment may be made early without penalty, and any early payments will have the result of reducing the total amount of interest paid. Any payment made after the due date will have the result of increasing the total amount of interest paid.

4. **PAYMENTS.** Your payments are to be made according to the Payment Schedule (adjustable to correlate to interest rate changes as computed according to the Variable Rate provisions) in this Agreement. If, when You pay Your last scheduled payment, the amount You pay exceeds Your loan balance, then You give the Credit Union permission to deposit the excess to Your share account.

5. **COLLATERAL.** The Credit Union has been granted a security interest or lien in or upon the Collateral designated in this Agreement or in a separate document such as a Security Agreement, Mortgage, Assignment, Pledge, Trust Deed or similar document (the subject matter of such a security interest or lien is referred to as "Collateral" in this Agreement). Except for the Credit Union's security interest or lien, the Collateral is owned free and clear from any adverse claim, security interest or encumbrance other than as now disclosed to the Credit Union. Without the express written consent of the Credit Union, no other liens, security interests or encumbrances will be allowed to attach to the Collateral. You agree to inform the Credit Union immediately if the Collateral is to be moved from Your address shown on the reverse side or from such other address at which You have informed the Credit Union the Collateral is now located. The Collateral shall not be sold or ownership otherwise transferred and at all times the Collateral shall be kept in good repair. The Collateral shall not be used for any unlawful purpose. The Credit Union shall receive the full cooperation of the Borrower, Co-Signer or Owner in obtaining everything that We require to place and/or maintain Our security interest in and/or lien on the Collateral. The Credit Union may examine and inspect the Collateral at any time wherever located. All taxes or assessments on the Collateral shall be paid as they come due, and if not paid, the Credit Union may pay them and shall be entitled to reimbursement or, alternatively, to add any amount so paid to the unpaid balance of Your loan subject to the applicable interest rate.

Personal property given as Security under this Agreement (other than household goods or any dwelling) secures the repayment of all amounts You may owe Us in the future if that status is reflected in the "Security" section under the "Truth-in-Lending Disclosure" in any particular Loan Agreement evidencing such future debt.

6. **LIEN ON SHARES.** If shares or deposits are pledged as security for this loan, You understand that the balance in Your account(s) on deposit with the Credit Union must be kept at least equal to the balance of Your loan until Your loan is repaid in full. We may, however, permit You to maintain or reduce Your account balances below Your loan balance. If You are in default, the Credit Union may apply all shares (except Keogh Accounts and IRA Accounts) then on deposit to Your loan up to an amount sufficient to repay Your loan.

7. **PROPERTY INSURANCE.** You promise to maintain property insurance in an amount necessary to protect Our security interest in the Collateral with Us named as loss payee for Our protection. Such insurance shall protect against loss by fire, theft, and collision and will provide "all risks" hull insurance in the case of aircraft or boats and accessories thereto, if any. You may provide the required property insurance through an existing policy or by a policy You independently obtain and pay for from a person of Your own choosing, providing such person is reasonably acceptable to Us. You agree to deliver satisfactory evidence of the insurance policy to Us within any time period specified in any notice from Us or on Our behalf. If You do not get or keep this insurance, We may, at Our sole option, obtain insurance to protect Our interest and add its costs to Your loan and You agree to pay for it by such means as increasing Your payment or increasing Your loan term). We are under no obligation to obtain insurance on Your behalf. If We do obtain insurance, the cost of obtaining that insurance may be added to Your loan balance, subject to the applicable interest rate. We have the authority to obtain, adjust, settle or cancel insurance and may endorse any party's name on any draft.

8. **DEFAULT.** Your loan shall be in default if any of the following things occur: (a) You do not make any payment or perform any obligation under this Agreement or any other agreement that You may have with the Credit Union; or (b) You have made a false or misleading statement in Your credit application and/or in Your representations to the Credit Union while You owe money on this loan; or (c) You should die, or be involved in any insolvency, receivership or custodial proceeding brought by or against You; or (d) a judgement or tax lien should be filed against You or any attachment or garnishment should be issued against any of Your property or rights, specifically including anyone starting an action or proceeding to seize any of Your funds on deposit with the Credit Union; and/or (e) the Credit Union should, in good faith, believe Your ability to repay Your indebtedness hereunder is or soon will be impaired, time being of the very essence.

Upon any occurrence of default, and to the extent permitted by law, We may declare the entire balance of Your loan immediately due and payable, without prior notice or demand. If the entire balance is not then paid immediately upon default, and if permitted by law, the Credit Union may enter the premises where the Collateral is located and take possession of it and the Credit Union may assert the defense of a superior right of possession as the holder of a security interest to any offense of alleged wrongful taking and conversion. The Credit Union may sell or dispose of the Collateral in any manner permitted by law, and any resulting deficiency on Your loan shall be immediately paid to the Credit Union. In the event collection efforts are required to obtain payment on this or any other account, You agree, to the extent permitted by law, to pay all court costs, private process server fees, investigation fees or other costs incurred in collection and reasonable attorney fees incurred in the course of collecting any amounts owed under this Agreement or in the recovery of any Collateral. As permitted by law, the Credit Union shall have the right to impress and enforce a statutory lien upon the shares and dividends of any member indebted to it and We may enforce Our right to do so without further notice to You. Additionally, You agree that We may set-off any mutual indebtedness.

9. **ASSUMABILITY.** Your loan is not assumable.

10. **DELAY IN ENFORCEMENT.** We do not lose Our rights under this or any related agreement if We delay enforcing them. We can accept late payments, partial payments, or any other payments, even if they are marked "paid in full" without losing any of Our rights under this Agreement. If any provision of this or any related agreement is determined to be unenforceable or invalid, all other provisions remain in full force and effect.

11. **GOVERNING LAW.** You understand and agree that this Agreement will be governed by the laws of the state in which it is written except to the extent that Federal law controls.

12. **INDEX.** If this is a variable rate loan, the index referred to in this Agreement is an index used to calculate Your actual Interest Rate. If this index ceases to exist, We may adopt a new Index which will then be used to figure Your actual Interest Rate.

NOTICE TO BORROWER AND ANY CO-BORROWER

By endorsing or negotiating the loan proceeds check related to this Agreement, (1) You accept and agree to the terms of this Agreement including the provisions designated in this Agreement; and, (2) You grant Us a security interest or lien in or upon any Collateral designated in this Agreement; and, (3) You promise to obtain and maintain property insurance (if applicable) according to the Property Insurance provision above and any "Agreement to Provide Insurance" given to You along with this Agreement.

If You do not agree to any of the terms of this Agreement, do not endorse the loan proceeds check and return this Agreement and check to Us immediately at the address shown on the front of the check.

Auto Pay - Enrollment Form

YES, please sign me/us up for Auto Pay, the convenient service that automatically deducts my/our mortgage loan payment from the designated Bank account each month in accordance with the Terms and Conditions on page 2, and other provisions of this Enrollment Form.

My/Our Washington Mutual Loan Number is: [redacted]

The name(s) on the account is/are as follows:
Laura Richardson

Borrower Name

Co-Borrower Name (if applicable)

(562) 706-[redacted]

Daytime Phone Number

Evening Phone Number

Select a payment date
Your payment will automatically be deducted from your Bank account each month on the Deduction Date you choose below. The Deduction Date must be at least one day prior to the last day of your late-charge grace period under the terms of your loan documents. If you choose a Deduction Date that is on or after the last day of your late-charge grace period, or if you do not choose a Deduction Date at all, the deduction will occur on the payment due date. If the Deduction Date falls on a weekend or a legal or business holiday, the deduction will occur on the following business day. If you would like additional information about your available draft dates, please call us toll free at 1-866-926-8937.

☐ I choose the following Deduction Date: The _____ day of each month.

Choose a Payment Option

If you have a fixed-rate loan or an adjustable rate loan (other than an Option ARM), please choose from the following payment options:

☐ Minimum Monthly Payment Only

☐ Minimum Monthly Payment, together with an additional amount of $_____, for a total payment of $_____.

This additional amount will be deducted from the designated Bank account and applied each month to pay down the principal balance of your loan. If you have an adjustable rate loan, see the Terms and Conditions regarding changes in your monthly payments.

If you have an Option ARM loan, please choose from the following payment options:

Option 1: Minimum Payment
This amount pays the interest and, if applicable, principal that is currently due under your loan note. This amount may not be sufficient to pay all of the accrued interest for the previous month or to pay the loan in full over the remaining scheduled term. Negative amortization may result, which means that any unpaid interest will be added to the principal loan balance and will accrue additional interest.

Option 2: Interest Only Payment
This amount pays all of the accrued interest for the previous month (including the amount that exceeds the Minimum Payment). However, no portion of the payment will be applied to reduce the principal balance of your loan.

Option 3: Full Principal and Interest Payment (based on the remaining scheduled term of your loan)
This amount pays all of the accrued interest for the previous month (including the amount that exceeds the Minimum Payment) and a sufficient amount of principal to pay off your loan based on the remaining scheduled term under your loan documents.

Option 4: Full Principal and Interest Payment (based on a 15-year term)
This amount pays all of the accrued interest for the previous month (including the amount that exceeds the Minimum Payment) and a sufficient amount of principal to pay off your loan based on a 15-year term.

The Minimum Payment is the LEAST amount that you must pay. One or more of the other options may not be available each month. If other options are available, the payment amounts for those options will always be equal to or greater than the Minimum Payment.

If you do not select one of the above payment options, only the Minimum Payment will be deducted. If the selected payment option is not available or is less than your Minimum Payment in a given month, the Minimum Payment will be deducted. In any event, other amounts described in the Terms and Conditions will also be deducted. Payment amounts for all of the Option ARM loan payment options listed above are subject to change, as described in the Terms and Conditions.

In addition to the Option ARM loan payment option you have chosen above, you may also have an additional fixed amount deducted from your Bank account each month and applied to pay down the principal balance of your loan.

☐ Yes, please deduct the additional amount of $_____ each month and apply it to pay down the principal balance of the loan.

Provide account information

Please choose one of the following accounts from which your home loan payment will be deducted each month:

☐ Checking Account OR ☐ Savings Account

Please provide the following information about your designated checking or savings account:

Financial Institution: _____

Account Number: _____

Nine-Digit Transit/ABA Routing Number: _____

(You will find these numbers at the bottom left-hand corner of your check or savings account deposit slip.)

If you have selected a checking account, please enclose a voided check with this form. If you have selected a savings account, please include a deposit slip (if available) with this form. If a deposit slip is not available, contact your financial institution for its Transit/ABA Routing Number.

Terms and Conditions

The monthly deductions from the designated account at your financial institution ("Bank") will include all principal, interest, escrow payments (such as taxes, property insurance and mortgage insurance) and payments for optional products with respect to your loan, as the same may change from time to time under the terms of the governing documents, plus any additional payments that you authorize, on the monthly dates ("Deduction Dates") as indicated. You agree to maintain sufficient available funds in the account on the business day prior to each Deduction Date to cover the amount of the deduction. If there are insufficient funds in the account to cover the deduction, Washington Mutual Bank, FA ("Washington Mutual") has the right to assess a rejection fee as well as any late charge that may be due, and it is authorized to attempt to make the deduction at any later time(s). Washington Mutual reserves the right to change its rejection fee at any time without notice. You are responsible for any fees that may be imposed by your Bank. In any event, if the automated deduction is not made, you remain responsible for making your payment on time by remitting a check to Washington Mutual for the full payment due. You also remain responsible for paying directly to Washington Mutual any late charges and other fees and amounts due with respect to your loan. Washington Mutual is not liable for any losses incurred by reason of any failure in the automated deduction process. If your loan is not current, Washington Mutual may suspend the automated deductions from your Bank account and you will be responsible for making your payments directly. If your loan is paid ahead, the drafting of your next payment will occur after your prepaid amount has been used. You acknowledge that your receipt of the loan was not conditioned upon your agreement to authorize these automated deductions. You will continue to pay your loan payments directly to Washington Mutual until you have received a confirmation letter that advises you of the commencement date of the automated deductions. You may change your automated deductions online or by notifying Washington Mutual in writing, and the changes will be effective within ten (10) business days after the date the notice is received. You may terminate your authorization for automated deductions by notifying Washington Mutual in writing, and the termination will be effective ten (10) business days after the date the notice is received. You will need to terminate the automated deduction service once your loan is paid off. Washington Mutual may modify or terminate the automated deduction service by notifying you in writing at the address set forth in its loan records. Following the effective date of any termination by Washington Mutual or you, you will be responsible for making your payments directly and in a timely manner. These Terms and Conditions and the other provisions of this Enrollment Form shall be governed by and interpreted in accordance with the laws of the United States of America and, to the extent that the laws of the United States of America are not applicable, with the internal laws of the State of California (without giving effect to any choice of law or rule that would cause the application of the laws of any jurisdiction other than the United States of America or the State of California to the rights and duties of the parties). By signing and returning the Enrollment Form, you agree to these Terms and Conditions and the other provisions of the Enrollment Form. If Washington Mutual so agrees, then, in accordance with Washington Mutual's instructions, either you or Washington Mutual may fax documents to the other, and the faxed documents and any signature(s) thereon shall be regarded as the same as original(s).

Please retain a copy of the completed, signed Enrollment Form for your records.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here Signature of U.S. person [signature] Date 1/9/07

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purpose of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or the other owner of a grantor trust and not the trust, and

JPMC- 000031
CONFIDENTIAL

CSOC.RICH.001463

- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

CSOC.RICH.001464

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000[1]	Generally, exempt recipients 1 through 7[2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form on-line at *www.socialsecurity.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

NOTICE: The Structural Pest Control Board encourages competitive business practices among registered companies. Reports on this structure prepared by various registered companies should list the same findings, (i.e., termite infestations, termite damage, fungus damage, etc.). However, recommendations to correct these findings may vary from company to company. You have a right to seek a second opinion from another company.

Under the California Mechanics Lien Law, any Structural Pest Control Operator who contracts to do work for any contractor, subcontractor, laborer, supplier, or other person who helps to improve your property but has not been paid for his work or supplies, has a right to enforce a claim against your property. This means that after a hearing, your property could be sold by a court officer and the proceeds of the sale used to satisfy the debt. This can happen even if you paid your contractor in full if the subcontractors, laborers, or suppliers remain unpaid. We reserve the right to file a claim or lien against your property. Certain claimants, such as subcontractors or material suppliers are required to provide you with a document entitled "Preliminary Notice". General contractors and laborers for wages do not provide this notice. A "Preliminary Notice" is not a lien against the property. Its' purpose is to notify you of persons who may have a right to file a lien against your property for debts that are not paid.

Bonay Pest Control cannot certify the roof nor do we offer any opinion as to its' quality.

The exterior surface of the roof will not be inspected. If you want the water tightness of the roof determined, you should contact a roofing contractor who is licensed by the Contractor's State License Board.

Most exposed areas repaired will be painted or primed with one (1) coat of paint or primer. No guarantee is given on color match or quality of painting.

If damage extends into inaccessible areas, a Supplemental Inspection will be made and Report issued outlining our findings, recommendations, and additional costs.

This is a separated report which is defined as Section I/Section II conditions evident on the date of the inspection. Section I contains items where there is visible evidence of active infestation, infection or conditions that have resulted in or from infestation or infection. Section II items are conditions deemed likely to lead to infestation or infection but where no visible evidence of such was found. Further inspection items are defined as recommendations to inspect area(s) which during the original inspection did not allow the inspector access to complete the inspection and cannot be defined as Section I or Section II.

All work performed by others must be seen in progress.

MOLD DISCLAIMER: BONAY PEST CONTROL cannot inspect, certify or identify molds, nor do we offer any opinion as to the type of condition of a mold. If there is a mold problem, the home owner or interested parties should contact a qualified expert in this field of work to outline findings and recommendations.

Bonay Pest Control does not inspect tub and shower enclosures for water tightness.

"NOTICE" The Structural Pest Control Board encourages competitive business practices among registered companies. Reports on this structure prepared by various registered companies should list the same findings. (i.e., termite infestations, termite damage, fungus damage etc.). However, recommendations to correct those findings may vary from company to company. You have a right to seek a second opinion from another company.

Under the California Mechanics Lien Law, any Structural Pest Control Operator who contracts to do work for any contractor, subcontractor, laborer, supplier, or other person who helps to improve your property but has not been paid for his work or supplies, has the right to enforce a claim against your property. This means that after a hearing, your property could be sold by a court officer and the proceeds of the sale used to satisfy the debt. This can happen even if you paid your contractor in full if the subcontractor, laborers, or suppliers remain unpaid. We reserve the right to file a claim or lien against your property. Certain claimants, such as subcontractors or material suppliers are required to provide you with a document entitled 'Preliminary Notice'. General contractors and laborers for wages do not provide this notice. A 'Preliminary Notice' is not a lien against the property. Its' purpose is to notify you of persons who may have a right to file a lien against your property for debts that are not paid.

Bouey Pest Control cannot certify the roof nor do we offer any opinion as to its' quality.

The exterior surface of the roof will not be inspected. If you want the water tightness of the roof determined, you should contact a roofing contractor who is licensed by the Contractor's State License Board.

Most exposed areas repaired will be painted or primed with one (1) coat of paint or primer. No guarantee is given on color match or quality of painting.

If damage extends into inaccessible areas, a Supplemental Inspection will be made and Report issued outlining our findings, recommendations, and additional cost.

Structure is constructed on a concrete slab with finished walls on the interior and exterior. These areas are inaccessible for inspection and interior conditions are not known.

This is a separated report which is defined as Section I/Section II conditions evident on the date of the inspection. Section I contains items where there is visible evidence of active infestation, infection or conditions that have resulted in or from infestation or infection. Section II items are conditions deemed likely to lead to infestation or infection but where no visible evidence of such was found. Further inspection items are defined as recommendations to inspect area(s) which during the original inspection did not allow the inspector access to complete the inspection and cannot be defined as evidence of Section II.

All work performed by others must be seen in progress.

MOLD DISCLAIMER: BOUEY PEST CONTROL cannot inspect, certify or identify molds, nor do we offer any opinion as to the type of condition of a mold. If there is a mold present, the home owner or interested parties should contact a qualified expert in this field of work to outline findings and recommendations.

NOTICE TO OWNER

Under the California Mechanics Lien Law any contractor, subcontractor, laborer, supplier or other person who has furnished labor or materials to improve your property, and is not paid for his or her work or supplies, has a right to enforce a claim against your property. This means that after a court hearing, your property could be sold by a court officer and the proceeds of the sale used to satisfy the indebtedness. This can happen even if you have paid your contractor in full if the subcontractor, laborers or suppliers remain unpaid. To preserve their right to file a claim or lien against your property, certain claimants such as subcontractors or material suppliers are required to provide you with a document entitled "Preliminary Notice." Prime contractors and laborers for wages do not have to provide this notice. A Preliminary Notice is not a lien against your property. Its purpose is to notify you of persons who may have a right to file a lien against your property if they are not paid.

BUYER'S INSPECTION ADVISORY

(C.A.R. Form BIA, Revised 10/06)

Property Address: 3622 [illegible] Road, Sacramento, CA _____ ("Property").

A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.

B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. This purchase agreement gives you the right to investigate the Property. If you exercise this right, and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professionals who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.

C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are disclosed to you or previously unknown defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.

D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other systems. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Seller gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. In some transactions, Brokers may refer you to certain companies that perform inspections. Brokers may receive a fee for referrals. Brokers have a duty to make a diligent visual inspection of the accessible areas of the Property and to disclose the results of that inspection. However, as some Property defects or conditions may not be discoverable from a visual inspection, it is possible Brokers are not aware of them. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. **YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

1. **GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS:** Foundation, roof, plumbing, heating, air conditioning, electrical, mechanical, security, pools/spas, other structural and non-structural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property. (Structural engineers are best suited to determine possible design or construction defects, and whether improvements are structurally sound.)
2. **SQUARE FOOTAGE, AGE, BOUNDARIES:** Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Permits, records, verify existing room and other additions or construction behind walls or ceilings do not necessarily identify the Property boundaries. Professionals such as engineers, architects, surveyors and tax engineers are best suited to determine square footage, dimensions and boundaries of the Property.)
3. **WOOD DESTROYING PESTS:** Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms and other infestation or infection. Inspection reports covering these items can be separated into two sections: Section 1 identifies areas where infestation or infection is evident. Section 2 identifies areas where there are conditions likely to lead to infestation or infection. A registered structural pest control company is best suited to perform these inspections.
4. **DOG, STRUCTURAL:** Existence of dry or concealed rot, dryness or cracking of soil, excessive settling or movement, and the adequacy of drainage. (Geotechnical engineers are best suited to determine such conditions, causes and remedies.)

Uniform Residential Appraisal Report

File No. 111001900

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.

2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.

3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.

5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.

6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

Dear **LAURA RICHARDSON**

Thank you for your continued interest in our Homeownership Preservation Program. Enclosed is your proposed Loan Modification Agreement ("Agreement") (three identical sets of documents). The Agreement was prepared consistent with the terms you discussed with a loan workout specialist. The Agreement will not be binding or effective until is has been signed by both you and the lender in compliance with the instructions and conditions in this letter.

Please review the Agreement carefully and if you so desire, consult your own attorney. When you are satisfied with the Agreement and if you wish to proceed with the loan modification, sign all the documents **in black ink, in the presence of a notary** and keep one for your records and return two signed originals to Washington Mutual Bank in the envelope provided. *Please sign your name exactly as it is printed under the signature line. Where appropriate, witness signatures must be from two different individuals and require their printed name under their signature.*

Along with the signed Agreement, you must also send a **certified check or cashier's check** in the amount of $ **0.00** . This amount includes charges for the modification fee and necessary advances including but not limited to recording fees, attorney fees and costs, returned check fees and late charge fees, if any. Additional sums may become due as a result of the timing of this letter and Agreement. Nothing in this letter or Agreement precludes our collections of additional advances.

A title search and endorsement to the original title policy or new title policy must be obtained prior to recording the Agreement.

There is no Agreement if:

- clear title is not confirmed to the satisfaction of the lender;
- the mortgage insurer does not approve; or
- there are any material adverse changes in the circumstances or property condition.

Failure to comply with the requirements and conditions within the specified time period may result in the resumption of normal collection and foreclosure efforts, without further notice.

Upon the Agreement becoming binding and effective, the principal and interest amount of your monthly payments will be $ **4,267.58** . Your first payment including taxes and insurance (if applicable) is due **SEPTEMBER 1, 2008** , the total payment amount is $ **4,352.32** . This payment amount is subject to change upon escrow analysis, if applicable.

If you are currently in an active bankruptcy, or have been discharged from a bankruptcy previously, then this letter and Agreement does not in any way mean that Washington Mutual Bank, the Trust, or anyone acting on their behalf is attempting to hold you personally liable for the loan. This notice is intended to inform you of your rights as they refer to the lender's ability to foreclose on your property per the loan documents if the loan is not timely brought current.

Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against Lender or against collection of the Loan.~~

However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. ~~15. Acknowledgment by Borrower. As part of the consideration for this Agreement, Borrower agrees to release and waive all claims Borrower might assert against the Trust and or its agents, and arising from any act or omission to act on the part of the Trust or it's agents, officers, directors, attorneys, employees and any predecessor in interest to the Note and Security Instrument, and which Borrower contends caused Borrower damage or injury, or which Borrower contends renders the Note or the Security Instrument void, voidable, or unenforceable. This release extends to any claims arising from any judicial foreclosure proceedings or power of sale proceedings if any, conducted prior to the date of this Agreement. Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against Lender or against collection of the Loan.~~

16. **Bankruptcy Considerations.** Notwithstanding anything to the contrary contained in this Agreement, the Parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Note holder may not pursue the Borrower for personal liability. However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.

FYI
After much discussion regarding recording Kentucky workouts the extend the term or increase the modified UPB past the origination amount First American states the following " Most Counties in KY WILL record loan modifications, however, Fayette County and a handful of others small Counties will not record loan modifications, Lydia will then contact the county to verify if the workout can be recorded. Lydia will then email the outcome to the negotiator

Dear **LAURA RICHARDSON**

Thank you for your continued interest in our Homeownership Preservation Program. Enclosed is your proposed Loan Modification Agreement ("Agreement") (three identical sets of documents). The Agreement was prepared consistent with the terms you discussed with a loan workout specialist. The Agreement will not be binding or effective until is has been signed by both you and the lender in compliance with the instructions and conditions in this letter.

Please review the Agreement carefully and if you so desire, consult your own attorney. When you are satisfied with the Agreement and if you wish to proceed with the loan modification, sign all the documents **in black ink, in the presence of a notary** and keep one for your records and return two signed originals to Washington Mutual Bank in the envelope provided. *Please sign your name exactly as it is printed under the signature line. Where appropriate, witness signatures must be from two different individuals and require their printed name under their signature.*

Along with the signed Agreement, you must also send a **certified check or cashier's check** in the amount of $ **0.00** . This amount includes charges for the modification fee and necessary advances including but not limited to recording fees, attorney fees and costs, returned check fees and late charge fees, if any. Additional sums may become due as a result of the timing of this letter and Agreement. Nothing in this letter or Agreement precludes our collections of additional advances.

The signed Agreement and certified or cashier's check must be received by Washington Mutual Bank at the following address on or before **JULY 30, 2008** .

WASHINGTON MUTUAL BANK
7255 BAYMEADOWS WAY
JACKSONVILLE, FLORIDA 32256

A title search and endorsement to the original title policy or new title policy must be obtained prior to recording the Agreement.

There is no Agreement if:

- clear title is not confirmed to the satisfaction of the lender;
- the mortgage insurer does not approve; or
- there are any material adverse changes in the circumstances or property condition.

Failure to comply with the requirements and conditions within the specified time period may result in the resumption of normal collection and foreclosure efforts, without further notice.

Upon the Agreement becoming binding and effective, the principal and interest amount of your monthly payments will be $ **4,267.58** . Your first payment including taxes and insurance (if applicable) is due **SEPTEMBER 1, 2008** , the total payment amount is $ **4,352.32** . This payment amount is subject to change upon escrow analysis, if applicable.

If you are currently in an active bankruptcy, or have been discharged from a bankruptcy previously, then this letter and Agreement does not in any way mean that Washington Mutual Bank, the Trust, or anyone acting on their behalf is attempting to hold you personally liable for the loan. This notice is intended to inform you of your rights as they refer to the lender's ability to foreclose on your property per the loan documents if the loan is not timely brought current.

If you have any further questions please consult with your Washington Mutual Homeowner's Assistance representative by calling the toll-free phone number below.

Sincerely,

Homeowner's Assistance Department

10. **Acceleration Upon Unauthorized Transfer.** If all or any part of the Subject Property or any interest is sold or transferred (or if a beneficial interest in the Borrower is sold or transferred and the Borrower is not a natural person) without the Note holder and mortgagee's prior written consent, the Note holder may, at its option require immediate payment in full of all sums due under the Note, Security Instrument and this Agreement. 15. **Acknowledgment by Borrower.** As part of the consideration for this Agreement, Borrower agrees to release and waive all claims Borrower might assert against the Trust and or its agents, and arising from any act or omission to act on the part of the Trust or it's agents, officers, directors, attorneys, employees and any predecessor-in-interest to the Note and Security Instrument, and which Borrower contends caused Borrower damage or injury, or which Borrower contends renders the Note or the Security Instrument void, voidable, or unenforceable. This release extends to any claims arising from any judicial foreclosure proceedings or power of sale proceedings if any, conducted prior to the date of this Agreement. Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against Lender or against collection of the Loan.

16. **Bankruptcy Considerations.** Notwithstanding anything to the contrary contained in this Agreement, the Parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Note holder may not pursue the Borrower for personal liability. However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.

Okay good. I looked at Savannah's numbers and the math adds up, so you're good to go forward and prepare the mod documents based on these numbers. If not already done, I recommend someone make a call to Richardson to inform her that the taxes are included (capitalized) in the MOD and documents are on the way. From her e-mail to Julie and Ann yesterday she is inquiring about the taxes.

Taxes are included and new mod figs need to be communicated to richardson to let her know that taxes are now included, but we amended the interest and maturity to keep payments the same as originally communicated.
I talked with Paul about this and he was fine

Ann: Yes. Per my voice mail message, I'm trying to understand the MOD terms as they were communicated to Richardson. Are the terms the same as listed below by Savannah? Or does the recently discovered tax advance crate an issue?

Savannah

There is now a disbursement stop 1 preventing me from disbursing these taxes. I am attempting to contact the appropriate person to have that stop removed. Also California tax offices are adding redemption amounts to their tax roll. I have to verify with them the new amount to be paid for the month of July after it becomes available.

Hi Michelle,
Can you give us an idea on how long it will take for the escrow to appear? Can this be done today or will it take until Monday to see the changes in the system?

Ok, I need to understand something. We already talked to Richardson and told her the terms of the Modification as I understood. Then we realized taxes/insurance were not paid by Red Rock and now need to pay 2-3 weeks later and get back to her with new figures? Is that the case?

I need to understand this because it is my impression that Richardson thinks she has a new deal.....please clarify.

I sent an email to Chrissy 6/26/08 but didn't hear anything back. Do you know how/when the fc stop 7 will be removed? That is preventing us from getting the taxes disbursed and escrow set up.

Louise,

Loss Mit only blocks taxes on short sales. This is not a short sale and it doesn't appear that we placed the disbursement stop. Per SAF1, processor EDC placed the block on there on 5/14/08. It appears her name is Veronica McNeil-Ellis. Can you check with her to determine if the block can be removed?

Thanks

Savannah,
Per instructions we have received by Christina Lopez dated 12/3/07, we cannot disburse tax if the man code is "w" with disbursement stop 1.

So with the codes that are on the account now, we are not able to pay any tax payments.

Also there is a foreclosure code 7--conveyed, which also prevents us from paying.

Louise,
Management is requesting we get this Mod out asap. I just want to make sure I asked the right person (Wonza) to help me set up the escrow - property taxes are delinquent. There is a note on the loan from 5/20/08 saying the taxes were not going to be paid because of the mancode. Now that the mancode is W - can this be taken care of? Do you have a timeframe for completion so I can let managament know?

Hi Wonza,
There were two checks returned 4/21/08 for delinquent property taxes $8109.81 + $405.49. This loan went to fc sale which has been rescinded and we will be modifying this loan. Who can send the task to set up the escrow for these taxes and possibly research if those taxes are still delinquent since the checks came back from Sacramento County?

I sent an email to Chrissy 6/26/08 but didn't hear anything back. Do you know how/when the fc stop 7 will be removed? That is preventing us from getting the taxes disbursed and escrow set up.

Louise,

Loss Mit only blocks taxes on short sales. This is not a short sale and it doesn't appear that we placed the disbursement stop. Per SAF1, processor EDC placed the block on there on 5/14/08. It appears her name is Veronica McNeil-Ellis. Can you check with her to determine if the block can be removed?

Thanks

Savannah,
Per instructions we have received by Christina Lopez dated 12/3/07, we cannot disburse tax if the man code is "w" with disbursement stop 1.

So with the codes that are on the account now, we are not able to pay any tax payments.

Also there is a foreclosure code 7--conveyed, which also prevents us from paying.

Louise,
Management is requesting we get this Mod out asap. I just want to make sure I asked the right person (Wonza) to help me set up the escrow - property taxes are delinquent. There is a note on the loan from 5/20/08 saying the taxes were not going to be paid because of the mancode. Now that the mancode is W - can this be taken care of? Do you have a timeframe for completion so I can let managament know?

Hi Wonza,
There were two checks returned 4/21/08 for delinquent property taxes $8109.81 + $405.49. This loan went to fc sale which has been rescinded and we will be modifying this loan. Who can send the task to set up the escrow for these taxes and possibly research if those taxes are still delinquent since the checks came back from Sacramento County?

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S.

currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be

JPMC- 000819
CONFIDENTIAL

CSOC.RICH.001691

in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

JPMC- 000820
CONFIDENTIAL

CSOC.RICH.001692

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

JPMC- 000821

CSOC.RICH.001693

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

JPMC- 000822

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

JPMC- 000823
CONFIDENTIAL

CSOC.RICH.001695

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender

JPMC- 000824
CONFIDENTIAL

CSOC.RICH.001696

to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

JPMC- 000825
CONFIDENTIAL

CSOC.RICH.001697

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA

requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

FIXED/ADJUSTABLE RATE RIDER

THIS FIXED/ADJUSTABLE RATE RIDER is made on this 4th day of January, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Washington Mutual Bank
("Lender") of the same date and covering the property described in the Security Instrument and located at:
3622 West Curtis Drive, Sacramento, CA 95818

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR A CHANGE FROM THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND FOR CHANGES IN THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 8.800 %. The Note provides for a change in the initial fixed interest rate to an adjustable interest rate and for changes in the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate Borrower will pay will change to an adjustable interest rate on the first day of February, 2009, and the interest rate Borrower will pay may change on that day every 6th month thereafter. Each date on which Borrower's interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate Borrower's new interest rate by adding Four and 99/100 percentage points (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be Borrower's new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the Maturity Date at Borrower's new interest rate in substantially equal payments. The result of this calculation will be the new amount of Borrower's monthly payment.

(D) Limits on Interest Rate Changes

The interest rate Borrower is required to pay at the first Change Date will not be greater than 10.800 % or less than 8.800 %. Thereafter, Borrower's interest rate will never be increased or decreased on any single Change Date by more than One percentage point(s) (1.000%) from the rate of interest Borrower has been paying for the preceding months. Borrower's interest rate will never be greater than 14.800 % or less than 8.800 %.

(E) Effective Date of Changes

Borrower's new interest rate will become effective on each Change Date. Borrower will pay the amount of Borrower's new monthly payment beginning on the first monthly payment date after the Change Date until the amount of Borrower's monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to Borrower a notice of any changes in Borrower's interest rate and the amount of Borrower's monthly payment before the effective date of any change. The notice will include information required by law to be given to the Borrower and also the title and telephone number of a person who will answer any question Borrwer may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 18 of the Security Instrument is amended to read as follows:

(A) Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrumem provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrumem. However, this option shall not be exercised by Lender if such exercise is prohibited Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument shall then instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.

Dear **LAURA RICHARDSON**

Thank you for your continued interest in our Homeownership Preservation Program. Enclosed is your proposed Loan Modification Agreement ("Agreement") (three identical sets of documents). The Agreement was prepared consistent with the terms you discussed with a loan workout specialist. The Agreement will not be binding or effective until is has been signed by both you and the lender in compliance with the instructions and conditions in this letter.

Please review the Agreement carefully and if you so desire, consult your own attorney. When you are satisfied with the Agreement and if you wish to proceed with the loan modification, sign all the documents **in black ink, in the presence of a notary** and keep one for your records and return two signed originals to Washington Mutual Bank in the envelope provided. *Please sign your name exactly as it is printed under the signature line. Where appropriate, witness signatures must be from two different individuals and require their printed name under their signature.*

Along with the signed Agreement, you must also send a **certified check or cashier's check** in the amount of $ **0.00** . This amount includes charges for the modification fee and necessary advances including but not limited to recording fees, attorney fees and costs, returned check fees and late charge fees, if any. Additional sums may become due as a result of the timing of this letter and Agreement. Nothing in this letter or Agreement precludes our collections of additional advances.

The signed Agreement and certified or cashier's check must be received by Washington Mutual Bank at the following address on or before **JULY 30, 2008** .

A title search and endorsement to the original title policy or new title policy must be obtained prior to recording the Agreement.

There is no Agreement if:

- clear title is not confirmed to the satisfaction of the lender;
- the mortgage insurer does not approve; or
- there are any material adverse changes in the circumstances or property condition.

Failure to comply with the requirements and conditions within the specified time period may result in the resumption of normal collection and foreclosure efforts, without further notice.

Upon the Agreement becoming binding and effective, the principal and interest amount of your monthly payments will be $ **4,267.58** . Your first payment including taxes and insurance (if applicable) is due **SEPTEMBER 1, 2008** , the total payment amount is $ **4,352.32** . This payment amount is subject to change upon escrow analysis, if applicable.

If you are currently in an active bankruptcy, or have been discharged from a bankruptcy previously, then this letter and Agreement does not in any way mean that Washington Mutual Bank, the Trust, or anyone acting on their behalf is attempting to hold you personally liable for the loan. This notice is intended to inform you of your rights as they refer to the lender's ability to foreclose on your property per the loan documents if the loan is not timely brought current.

If you have any further questions please consult with your Washington Mutual Homeowner's Assistance representative by calling the toll-free phone number below.

Sincerely,

10. **Acceleration Upon Unauthorized Transfer.** If all or any part of the Subject Property or any interest is sold or transferred (or if a beneficial interest in the Borrower is sold or transferred and the Borrower is not a natural person) without the Note holder and mortgagee's prior written consent, the Note holder may, at its option require immediate payment in full of all sums due under the Note, Security Instrument and this Agreement. If the Note holder exercises this option, the Note holder shall give the Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is mailed within which the Borrower must pay all sums due under the Note, Security Instrument and this Agreement. If the Borrower fails to pay these sums prior to the expiration of the 30 day period, the Note holder may invoke any remedies permitted by the Note, Security Instrument and applicable law.

11. **Effect of this Agreement.** Except to the extent that they are modified by this Agreement, the Borrower(s) hereby reaffirm all of the covenants, agreements and requirements of the Note and Security Instrument, including without limitation, the Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that the Borrower is obliged to make under the Security Instrument. Borrower(s) further agree to be bound by the terms and provisions of the Note and Security Instrument, as modified hereby.

12. **No Release.** Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and/or Security Instrument. Except as expressly provided in this Agreement, all of the terms, covenants agreements and the Note and Security Instrument will remain unchanged and the Parties will be bound by, and comply with, all of the terms and provisions of the instruments, as amended by this Agreement.

13. **Warranties.** Borrower does hereby state and warrant that the above described Note is valid and enforceable in all respects and is not subject to any claims, defenses or right of offset or credit except as herein specifically provided. Borrower does further hereby extend all liens and security interests on all of the Subject Property and any other rights and interests which now or hereafter secure said Note until said Note as modified hereby has been fully paid, and agree that this modification and extension will in no manner impair the Note or any of the liens and security interests securing the same and that all of the liens, equities, rights, remedies and security interests securing said Note shall remain in full force and effect and shall not in any manner be waived. Borrower further agrees that all of the terms, covenants, warranties and provisions contained in the original Note and Security Instrument are now and shall be and remain in full force and effect as therein written, except as otherwise expressly provided herein, until the Note is paid in full and all other obligations under the Security Instrument and this Agreement are fulfilled.

14. **Further Assurances.** Borrower does further state and warrant that all of the recitals, statements and agreements contained herein are true and correct and that Borrower is the sole owner of the fee simple title to all of the Subject Property securing the Note.

CSOC.RICH.001791

~~15. Acknowledgment by Borrower. As part of the consideration for this Agreement, Borrower agrees to release and waive all claims Borrower might assert against the Trust and or its agents, and arising from any act or omission to act on the part of the Trust or it's agents, officers, directors, attorneys, employees and any predecessor in interest to the Note and Security Instrument, and which Borrower contends caused Borrower damage or injury, or which Borrower contends renders the Note or the Security Instrument void, voidable, or unenforceable. This release extends to any claims arising from any judicial foreclosure proceedings or power of sale proceedings if any, conducted prior to the date of this Agreement. Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against Lender or against collection of the Loan.~~

16. **Bankruptcy Considerations.** Notwithstanding anything to the contrary contained in this Agreement, the Parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Note holder may not pursue the Borrower for personal liability. However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.

Trustee Sale No. 723387CA Loan No. [redacted] Title Order No. M721884

IMPORTANT NOTICE
NOTICE OF DEFAULT AND ELECTION TO SELL UNDER DEED OF TRUST

IF YOUR PROPERTY IS IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR PAYMENTS, IT MAY BE SOLD WITHOUT ANY COURT ACTION, and you may have the legal right to bring your account in good standing by paying all of your past due payments plus permitted costs and expenses within the time permitted by law for reinstatement of your account, which is normally five business days prior to the date set for the sale of your property. No sale date may be set until three months from the date this notice of default may be recorded (which date of recordation appears on this notice).

This amount is $18,356.40 as of December 13, 2007 and will increase until your account becomes current.

While your property is in foreclosure, you still must pay other obligations (such as insurance and taxes) required by your note and deed of trust or mortgage. If you fail to make future payments on the loan, pay taxes on the property, provide insurance on the property, or pay other obligations as required in the note and deed of trust or mortgage, the beneficiary or mortgagee may insist that you do so in order to reinstate your account in good standing. In addition, the beneficiary or mortgagee may require as a condition to reinstatement that you provide reliable written evidence that you paid all senior liens, property taxes, and hazard insurance premiums.

Upon your written request, the beneficiary or mortgagee will give you a written itemization of the entire amount you must pay. You may not have to pay the entire unpaid portion of your account, even though full payment was demanded, but you must pay all amounts in default at the time payment is made. However, you and your beneficiary or mortgagee may mutually agree in writing prior to the time the notice of sale is posted (which may not be earlier than the end of the three-month period stated above) to, among other things, (1) provide additional time in which to cure the default by transfer of the property or otherwise; or (2) establish a schedule of payments in order to cure your default; or both (1) and (2).

Following the expiration of the time period referred to in the first paragraph of this notice, unless the obligation being foreclosed upon or a separate written agreement between you and your creditor permits a longer period, you have only the legal right to stop the sale of property by paying the entire amount demanded by your creditor.

To find out the amount you must pay, or to arrange for payment to stop the foreclosure, or if your property is in foreclosure for any other reason, contact: WASHINGTON MUTUAL BANK, FA at 7301 BAYMEADOWS WAY , JACKSONVILLE, FL 32256, (877) 926-8937.

If you have any questions, you should contact a lawyer or the governmental agency which may have insured your loan. Notwithstanding the fact that your property is in foreclosure, you may offer your property for sale, provided the sale is concluded prior to the conclusion of the foreclosure.

REMEMBER, YOU MAY LOSE LEGAL RIGHTS IF YOU DO NOT TAKE PROMPT ACTION. This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a visual inspection of the exterior areas of the subject property from at least the street, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

The appraiser must be able to obtain adequate information about the physical characteristics (including, but not limited to, condition, room count, gross living area, etc.) of the subject property from the exterior-only inspection and reliable public and/or private sources to perform this appraisal. The appraiser should use the same type of data sources that he or she uses for comparable sales such as, but not limited to, multiple listing services, tax and assessment records, prior inspections, appraisal files, information provided by the property owner, etc.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.

2. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

3. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.

4. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.

5. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

NEIGHBORHOOD MARKET CONDITIONS

CURRENT DEMAND FOR HOUSING HAS SOFTEN AND HAS CAUSED DOWNWARD PRESSURE ON HOUSING PRICES. CURRENT LOAN RATES AND POINTS HAVE BEEN SOMEWHAT STABLE. THERE HAS BEEN A RECENT TIGHTEN OF CREDIT STANDARDS BY MORTGAGE COMPANIES. THE RECENT PROBLEMS IN THE SECONDARY MORTGAGE MARKET MAY HAVE A NEGATIVE EFFECT UPON THE AVAILABILITY OF MORTGAGE MONEY. EMPLOYMENT IN THIS AREA HAS BEEN GOOD. ACCORDING TO THE LOCAL BOARD OF REALTORS THE TYPICAL MARKETING TIME IS BETWEEN 2 TO 6 MONTHS. THOSE STATISTICS MAY BE MISS LEADING, BECAUSE MAY OF THE HOME HAVE BEEN RE-LISTED AT LOWER PRICES. HOWEVER, THE NUMBER OF LISTINGS HAVE BEEN RECENTLY INCREASING & IF THIS TREND CONTINUES, MARKETING TIMES WILL INCREASE AS A RESULT OF RISE IN INVENTORY, WHICH WILL SLOW OR STABILIZE VALUES IN THE NEXT 6 MONTHS. THERE IS NO REASON TO EXPECT INCREASING RATE OF SALES, OTHER THAN NORMAL SEASONAL FLUCTUATIONS.

Summary Price Information: 09/27/2007 THROUGH 03/27/2008

Minimum $190,000 **Maximum** $852,500 **Average** $454,315 **Median** $415,000

THERE IS CURRENTLY 7 LISTINGS IN THE SUBJECT'S AREA. THERE WAS 42 SALES IN THE SUBJECT'S AREA DURING THE PAST YEAR.

You are hereby notified that the installments under the referenced loan were not paid when due. The failure to pay the delinquent monthly installments constitutes a breach of the Deed of Trust. In order to cure the breach you must remit the sums due as listed below. Failure to cure the breach on or before 12/01/07 may result in acceleration of the sums secured by the Deed of Trust, as well as sale of the property encumbered by the Deed of Trust. Furthermore, additional costs may be incurred and become due. If you cannot pay by the date indicated in this letter, there are various options that may be available to you through Washington Mututal to prevent a foreclosure sale of your property. Please see the enclosed form for a brief outline of the options that are available.

You may also be eligible for home ownership counseling under the Housing and Community Development Act of 1987. You may contact HUD directly at (800) 569-4287.

As a word of caution, payment of the amount noted above will not be accepted once the default has increased. So it is absolutely essential that you call for an updated quote when preparing to remit the amount past due.

Washington Mutual reserves the right to accept or reject a partial payment of the total amount due without waiving any of its rights herein or otherwise. For example, if you send us less than the full amount due, we can keep your payment and apply it to your debt but still proceed with our foreclosure since you have not cured your default.

The Deed of Trust provides that, notwithstanding the Lender's election to accelerate the total indebtedness, you will have the right to reinstate the default by paying all sums that have become due pursuant to the Note and Deed of Trust.

This notice is to further advise you of your right to bring a court action to assert the nonexistence of a default or other defense you may wish to raise to any acceleration and sale.

You are further notified that, in order to ascertain the use and condition of the Property that is subject to said Deed of Trust, the undersigned Lender may cause entry upon and inspection of the property. Said entry and inspection may be made even if the above described defaults are cured.

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

Uniform Residential Appraisal Report

File No. 411001990

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.

2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.

3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.

5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.

6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

1. I have, at a minimum, developed and reported this appraisal in accordance with the scope of work requirements stated in this appraisal report.

2. I performed a complete visual inspection of the interior and exterior areas of the subject property. I reported the condition of the improvements in factual, specific terms. I identified and reported the physical deficiencies that could affect the livability, soundness, or structural integrity of the property.

3. I performed this appraisal in accordance with the requirements of the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared.

4. I developed my opinion of the market value of the real property that is the subject of this report based on the sales comparison approach to value. I have adequate comparable market data to develop a reliable sales comparison approach for this appraisal assignment. I further certify that I considered the cost and income approaches to value but did not develop them, unless otherwise indicated in this report.

5. I researched, verified, analyzed, and reported on any current agreement for sale for the subject property, any offering for sale of the subject property in the twelve months prior to the effective date of this appraisal, and the prior sales of the subject property for a minimum of three years prior to the effective date of this appraisal, unless otherwise indicated in this report.

6. I researched, verified, analyzed, and reported on the prior sales of the comparable sales for a minimum of one year prior to the date of sale of the comparable sale, unless otherwise indicated in this report.

7. I selected and used comparable sales that are locationally, physically, and functionally the most similar to the subject property.

8. I have not used comparable sales that were the result of combining a land sale with the contract purchase price of a home that has been built or will be built on the land.

9. I have reported adjustments to the comparable sales that reflect the market's reaction to the differences between the subject property and the comparable sales.

10. I verified, from a disinterested source, all information in this report that was provided by parties who have a financial interest in the sale or financing of the subject property.

11. I have knowledge and experience in appraising this type of property in this market area.

12. I am aware of, and have access to, the necessary and appropriate public and private data sources, such as multiple listing services, tax assessment records, public land records and other such data sources for the area in which the property is located.

13. I obtained the information, estimates, and opinions furnished by other parties and expressed in this appraisal report from reliable sources that I believe to be true and correct.

14. I have taken into consideration the factors that have an impact on value with respect to the subject neighborhood, subject property, and the proximity of the subject property to adverse influences in the development of my opinion of market value. I have noted in this appraisal report any adverse conditions (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) observed during the inspection of the subject property or that I became aware of during the research involved in performing this appraisal. I have considered these adverse conditions in my analysis of the property value, and have reported on the effect of the conditions on the value and marketability of the subject property.

15. I have not knowingly withheld any significant information from this appraisal report and, to the best of my knowledge, all statements and information in this appraisal report are true and correct.

16. I stated in this appraisal report my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the assumptions and limiting conditions in this appraisal report.

17. I have no present or prospective interest in the property that is the subject of this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or opinion of market value in this appraisal report on the race, color, religion, sex, age, marital status, handicap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property or on any other basis prohibited by law.

18. My employment and/or compensation for performing this appraisal or any future or anticipated appraisals was not conditioned on any agreement or understanding, written or otherwise, that I would report (or present analysis supporting) a predetermined specific value, a predetermined minimum value, a range or direction in value, a value that favors the cause of any party, or the attainment of a specific result or occurrence of a specific subsequent event (such as approval of a pending mortgage loan application).

19. I personally prepared all conclusions and opinions about the real estate that were set forth in this appraisal report. If I relied on significant real property appraisal assistance from any individual or individuals in the performance of this appraisal or the preparation of this appraisal report, I have named such individual(s) and disclosed the specific tasks performed in this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in this appraisal report; therefore, any change made to this appraisal is unauthorized and I will take no responsibility for it.

20. I identified the lender/client in this appraisal report who is the individual, organization, or agent for the organization that ordered and will receive this appraisal report.

RESPA SERVICING DISCLOSURE

Lender: Washington Mutual Bank

NOTICE TO FIRST LIEN MORTGAGE LOAN APPLICANTS: THE RIGHT TO COLLECT YOUR MORTGAGE LOAN PAYMENTS MAY BE TRANSFERRED.FEDERALLAW GIVES YOU CERTAIN RELATED RIGHTS. IF YOUR LOAN IS MADE, SAVE THIS STATEMENT WITH YOUR LOAN DOCUMENTS. SIGN THE ACKNOWLEDGMENT AT THE END OF THIS STATEMENT ONLY IF YOU UNDERSTAND ITS CONTENTS.

Because you are applying for a mortgage loan covered by the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. Section 2601 et seq.) you have certain rights under that Federal law.

This statement tells you about those rights. It also tells you what the chances are that the servicing for this loan may be transferred to a different loan servicer. "Servicing" refers to collecting your principal, interest and escrow account payments, if any. If your loan servicer changes, there are certain procedures that must be followed. This statement generally explains those procedures.

Transfer Practices and Requirements

If the servicing of your loan is assigned, sold, or transferred to a new servicer, you must be given written notice of that transfer. The present loan servicer must send you notice in writing of the assignment, sale or transfer of the servicing not less than 15 days before the effective date of the transfer. The new loan servicer must also send you notice within 15 days after the effective date of the transfer. The present servicer and the new servicer may combine this information in one notice, so long as the notice is sent to you 15 days before the effective date of transfer. The 15 day period is not applicable if a notice of prospective transfer is provided to you at settlement. The law allows a delay in the time (not more than 30 days after a transfer) for servicers to notify you, upon the occurrence of certain business emergencies.

Notices must contain certain information. They must contain the effective date of the transfer of the servicing of your loan to the new servicer, and the name, address, and toll-free or collect call telephone number of the new servicer, and toll-free or collect call telephone numbers of a person or department for both your present servicer and your new servicer to answer your questions. During the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old servicer before its due date may not be treated by the new loan servicer as late, and a late fee may not be imposed on you.

Complaint Resolution

Section 6 of RESPA (12 U.S.C. Section 2605) gives you certain consumer rights, *whether or not your loan servicing is transferred.* If you send a "qualified written request" to your servicer, your servicer must provide you with a written acknowledgment within 20 Business Days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and the information regarding your request. Not later than 60 Business Days after receiving your request, your servicer must make any appropriate corrections to your account, or must provide you with a written clarification regarding any dispute. During this 60-Business Day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to such period or qualified written request.

A Business Day is any day in which the offices of the business entity are open to the public for carrying on substantially all of its business functions.

Damages and Costs

Section 6 of RESPA also provides for damages and costs for individuals or classes of individuals in circumstances where servicers are shown to have violated the requirements of that Section.

DEFINITION OF TRUTH-IN-LENDING TERMS

ANNUAL PERCENTAGE RATE

This is not the Note rate for which the borrower applied. The Annual Percentage Rate (APR) is the cost of the loan in percentage terms taking into account various loan charges of which interest is only one such charge. Other charges which are used in calculation of the Annual Percentage Rate are Private Mortgage Insurance or FHA Mortgage Insurance Premium (when applicable) and Prepaid Finance Charges (loan discount, origination fees, prepaid interest and other credit costs). The APR is calculated by spreading these charges over the life of the loan which results in a rate generally higher than the interest rate shown on your Mortgage/Deed of Trust Note. If interest was the only Finance Charge, then the interest rate and the Annual Percentage Rate would be the same.

PREPAID FINANCE CHARGES

Prepaid Finance Charges are certain charges made in connection with the loan and which must be paid upon the close of the loan. These charges are defined by the Federal Reserve Board in Regulation Z and the charges must be paid by the borrower. Non-Inclusive examples of such charges are: Loan origination fee, "Points" or Discount, Private Mortgage Insurance or FHA Mortgage Insurance, Tax Service Fee. Some loan charges are specifically excluded from the Prepaid Finance Charge such as appraisal fees and credit report fees.

Prepaid Finance Charges are totaled and then subtracted from the Loan Amount (the face amount of the Deed of Trust/Mortgage Note). The net figure is the Amount Financed as explained below.

FINANCE CHARGE

The amount of interest, prepaid finance charge and certain insurance premiums (if any) which the borrower will be expected to pay over the life of the loan.

AMOUNT FINANCED

The Amount Financed is the loan amount applied for less the prepaid finance charges. Prepaid finance charges can be found on the Good Faith Estimate/Settlement Statement (HUD-1 or 1A). For example if the borrower's note is for $100,000 and the Prepaid Finance Charges total $5,000, the Amount Financed would be $95,000. The Amount Financed is the figure on which the Annual Percentage Rate is based.

TOTAL OF PAYMENTS

This figure represents the total of all payments made toward principal, interest and mortgage insurance (if applicable).

PAYMENT SCHEDULE

The dollar figures in the Payment Schedule represent principal, interest, plus Private Mortgage Insurance (if applicable). These figures will not reflect taxes and insurance escrows or any temporary buydown payments contributed by the seller.

**Based on Lender's recent loan data, Premium Yield Adjustment ("PYA") averages 1.030 % of loan amount. PYA is a fee paid to your broker by the lender outside of closing rather than by you at closing in cash. Although choosing to have the lender pay the Premium Yield Adjustment means that you won't have to pay the fee to your broker in cash at closing, it will increase your interest rate. Whether a premium yield adjustment is paid to your broker on your behalf is your decision. Please consult with your broker.

***Based on Lender's recent loan data, Broker Origination fees average 1.400 % of loan amount. Your agreement with your mortgage broker will govern the actual fees you pay your broker at closing.

RESPA SERVICING DISCLOSURE

Lender: Washington Mutual Bank

NOTICE TO FIRST LIEN MORTGAGE LOAN APPLICANTS: THE RIGHT TO COLLECT YOUR MORTGAGE LOAN PAYMENTS MAY BE TRANSFERRED. FEDERAL LAW GIVES YOU CERTAIN RELATED RIGHTS. IF YOUR LOAN IS MADE, SAVE THIS STATEMENT WITH YOUR LOAN DOCUMENTS. SIGN THE ACKNOWLEDGMENT AT THE END OF THIS STATEMENT ONLY IF YOU UNDERSTAND ITS CONTENTS.

Because you are applying for a mortgage loan covered by the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. Section 2601 et seq.) you have certain rights under that Federal law.

This statement tells you about those rights. It also tells you what the chances are that the servicing for this loan may be transferred to a different loan servicer. "Servicing" refers to collecting your principal, interest and escrow account payments, if any. If your loan servicer changes, there are certain procedures that must be followed. This statement generally explains those procedures.

Transfer Practices and Requirements

If the servicing of your loan is assigned, sold, or transferred to a new servicer, you must be given written notice of that transfer. The present loan servicer must send you notice in writing of the assignment, sale or transfer of the servicing not less than 15 days before the effective date of the transfer. The new loan servicer must also send you notice within 15 days after the effective date of the transfer. The present servicer and the new servicer may combine this information in one notice, so long as the notice is sent to you 15 days before the effective date of transfer. The 15 day period is not applicable if a notice of prospective transfer is provided to you at settlement. The law allows a delay in the time (not more than 30 days after a transfer) for servicers to notify you, upon the occurrence of certain business emergencies.

Notices must contain certain information. They must contain the effective date of the transfer of the servicing of your loan to the new servicer, and the name, address, and toll-free or collect call telephone number of the new servicer, and toll-free or collect call telephone numbers of a person or department for both your present servicer and your new servicer to answer your questions. During the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old servicer before its due date may not be treated by the new loan servicer as late, and a late fee may not be imposed on you.

Complaint Resolution

Section 6 of RESPA (12 U.S.C. Section 2605) gives you certain consumer rights, *whether or not your loan servicing is transferred.* If you send a "qualified written request" to your servicer, your servicer must provide you with a written acknowledgment within 20 Business Days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and the information regarding your request. Not later than 60 Business Days after receiving your request, your servicer must make any appropriate corrections to your account, or must provide you with a written clarification regarding any dispute. During this 60-Business Day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to such period or qualified written request.

A Business Day is any day in which the offices of the business entity are open to the public for carrying on substantially all of its business functions.

Damages and Costs

Section 6 of RESPA also provides for damages and costs for individuals or classes of individuals in circumstances where servicers are shown to have violated the requirements of that Section.

Information Sharing with Other Nonaffiliated Third Parties and Your Opt Out Rights
Unless you request otherwise, we may share all the information we collect, as described above, with additional types of nonaffiliated third parties, such as:

If you prefer that we not share nonpublic personal information with these nonaffiliated third parties, you may opt out of those disclosures (other than those permitted by law) by following the steps in the "Your Opt Out Choices" section.

We will stop sharing this information as soon as reasonably practicable. Again, your opt out will apply to all accounts you hold individually and to all accounts you hold jointly with other persons. DEFINITION OF TRUTH-IN-LENDING TERMS

ANNUAL PERCENTAGE RATE

This is not the Note rate for which the borrower applied. The Annual Percentage Rate (APR) is the cost of the loan in percentage terms taking into account various loan charges of which interest is only one such charge. Other charges which are used in calculation of the Annual Percentage Rate are Private Mortgage Insurance or FHA Mortgage Insurance Premium (when applicable) and Prepaid Finance Charges (loan discount, origination fees, prepaid interest and other credit costs). The APR is calculated by spreading these charges over the life of the loan which results in a rate generally higher than the interest rate shown on your Mortgage/Deed of Trust Note. If interest was the only Finance Charge, then the interest rate and the Annual Percentage Rate would be the same.

PREPAID FINANCE CHARGES

Prepaid Finance Charges are certain charges made in connection with the loan and which must be paid upon the close of the loan. These charges are defined by the Federal Reserve Board in Regulation Z and the charges must be paid by the borrower. Non-Inclusive examples of such charges are: Loan origination fee, "Points" or Discount, Private Mortgage Insurance or FHA Mortgage Insurance, Tax Service Fee. Some loan charges are specifically excluded from the Prepaid Finance Charge such as appraisal fees and credit report fees.

Prepaid Finance Charges are totaled and then subtracted from the Loan Amount (the face amount of the Deed of Trust/Mortgage Note). The net figure is the Amount Financed as explained below.

FINANCE CHARGE

The amount of interest, prepaid finance charge and certain insurance premiums (if any) which the borrower will be expected to pay over the life of the loan.

AMOUNT FINANCED

The Amount Financed is the loan amount applied for less the prepaid finance charges. Prepaid finance charges can be found on the Good Faith Estimate/Settlement Statement (HUD-1 or 1A). For example if the borrower's note is for $100,000 and the Prepaid Finance Charges total $5,000, the Amount Financed would be $95,000. The Amount Financed is the figure on which the Annual Percentage Rate is based.

TOTAL OF PAYMENTS

This figure represents the total of all payments made toward principal, interest and mortgage insurance (if applicable).

PAYMENT SCHEDULE

The dollar figures in the Payment Schedule represent principal, interest, plus Private Mortgage Insurance (if applicable). These figures will not reflect taxes and insurance escrows or any temporary buydown payments contributed by the seller.

Important information from your lender

NOTICE TO THE HOME LOAN APPLICANT

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer generated summary calculated at the time of the request and based on information that a consumer reporting agency or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the County of SACRAMENTO :

[Type of Recording Jurisdiction] [Name of Recording Jurisdiction]

Legal Description Attached Hereto And Made A Part Hereof

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S.

currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be

JPMC- 000129
CONFIDENTIAL

CSOC.RICH.001910

in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

JPMC- 000130
CONFIDENTIAL

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

JPMC- 000131
CONFIDENTIAL

CSOC.RICH.001912

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

JPMC- 000132
CONFIDENTIAL

CSOC.RICH.001913

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

JPMC- 000133
CONFIDENTIAL

CSOC.RICH.001914

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender

to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA

requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

FIXED/ADJUSTABLE RATE RIDER

THIS FIXED/ADJUSTABLE RATE RIDER is made on this 4th day of January , 2007 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Washington Mutual Bank
("Lender") of the same date and covering the property described in the Security Instrument and located at:
3622 West Curtis Drive, Sacramento, CA 95818

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR A CHANGE FROM THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND FOR CHANGES IN THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 8.800 %. The Note provides for a change in the initial fixed interest rate to an adjustable interest rate and for changes in the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate Borrower will pay will change to an adjustable interest rate on the first day of February, 2008 , and the interest rate Borrower will pay may change on that day every 6th month thereafter. Each date on which Borrower's interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

JPMC- 000142
CONFIDENTIAL

CSOC.RICH.001923

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate Borrower's new interest rate by adding Four and 99/100 percentage points (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be Borrower's new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the Maturity Date at Borrower's new interest rate in substantially equal payments. The result of this calculation will be the new amount of Borrower's monthly payment.

(D) Limits on Interest Rate Changes

The interest rate Borrower is required to pay at the first Change Date will not be greater than 10.800 % or less than 8.800%. Thereafter, Borrower's interest rate will never be increased or decreased on any single Change Date by more than One percentage point(s) (1.000%) from the rate of interest Borrower has been paying for the preceding months. Borrower's interest rate will never be greater than 14.800 % or less than 8.800 %.

(E) Effective Date of Changes

Borrower's new interest rate will become effective on each Change Date. Borrower will pay the amount of Borrower's new monthly payment beginning on the first monthly payment date after the Change Date until the amount of Borrower's monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to Borrower a notice of any changes in Borrower's interest rate and the amount of Borrower's monthly payment before the effective date of any change. The notice will include information required by law to be given to the Borrower and also the title and telephone number of a person who will answer any question Borrwer may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 18 of the Security Instrument is amended to read as follows:

(A) Until Borrower's intitial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument shall then instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.

(L) "Escrow Items" means those items that are described in Section 3.
(M) "Miscellaneous Proceeds" means any compensation, settlement, award of damages, or proceeds paid by any third party (other than insurance proceeds paid under the coverages described in Section 5) for: (i) damage to, or destruction of, the Property; (ii) condemnation or other taking of all or any part of the Property; (iii) conveyance in lieu of condemnation; or (iv) misrepresentations of, or omissions as to, the value and/or condition of the Property.
(N) "Mortgage Insurance" means insurance protecting Lender against the nonpayment of, or default on, the Loan.
(O) "Periodic Payment" means the regularly scheduled amount due for (i) principal and interest under the Note, plus (ii) any amounts under Section 3 of this Security Instrument.
(P) "RESPA" means the Real Estate Settlement Procedures Act (12 U.S.C. Section 2601 et seq.) and its implementing regulation, Regulation X (24 C.F.R. Part 3500), as they might be amended from time to time, or any additional or successor legislation or regulation that governs the same subject matter. As used in this Security Instrument, "RESPA" refers to all requirements and restrictions that are imposed in regard

to a "federally related mortgage loan" even if the Loan does not qualify as a "federally related mortgage loan" under RESPA.
(Q) "Successor in Interest of Borrower" means any party that has taken title to the Property, whether or not that party has assumed Borrower's obligations under the Note and/or this Security Instrument.

TRANSFER OF RIGHTS IN THE PROPERTY
This Security Instrument secures to Lender: (i) the repayment of the Loan, and all renewals, extensions and modifications of the Note; and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."
BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.
THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.
UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:
1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S.

currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be

JPMC- 000148

CSOC.RICH.001929

in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

JPMC- 000149
CONFIDENTIAL

CSOC.RICH.001930

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. **Property Insurance.** Borrower shall keep the Improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

JPMC- 000150

CSOC.RICH.001931

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. **Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

JPMC- 000151

CSOC.RICH.001932

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

JPMC- 000152
CONFIDENTIAL

CSOC.RICH.001933

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender

JPMC- 000153
CONFIDENTIAL

CSOC.RICH.001934

to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. **Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. **Loan Charges.** Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. **Notices.** All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA

requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

FIXED/ADJUSTABLE RATE RIDER

THIS FIXED/ADJUSTABLE RATE RIDER is made on this 4th day of January 2007 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Washington Mutual Bank
("Lender") of the same date and covering the property described in the Security Instrument and located at:
3622 West Curtis Drive, Sacramento, CA 95818

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR A CHANGE FROM THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND FOR CHANGES IN THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 8.800 %. The Note provides for a change in the initial fixed interest rate to an adjustable interest rate and for changes in the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate Borrower will pay will change to an adjustable interest rate on the first day of February, 2009 , and the interest rate Borrower will pay may change on that day every 6th month thereafter. Each date on which Borrower's interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

JPMC- 000161
CONFIDENTIAL

CSOC.RICH.001942

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate Borrower's new interest rate by adding Four and 99/100 percentage points (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be Borrower's new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the Maturity Date at Borrower's new interest rate in substantially equal payments. The result of this calculation will be the new amount of Borrower's monthly payment.

(D) Limits on Interest Rate Changes

The interest rate Borrower is required to pay at the first Change Date will not be greater than 10.800 % or less than 8.800 %. Thereafter, Borrower's interest rate will never be increased or decreased on any single Change Date by more than One percentage point(s) (1.000 %) from the rate of interest Borrower has been paying for the preceding months. Borrower's interest rate will never be greater than 14.800 % or less than 8.800 %.

(E) Effective Date of Changes

Borrower's new interest rate will become effective on each Change Date. Borrower will pay the amount of Borrower's new monthly payment beginning on the first monthly payment date after the Change Date until the amount of Borrower's monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to Borrower a notice of any changes in Borrower's interest rate and the amount of Borrower's monthly payment before the effective date of any change. The notice will include information required by law to be given to the Borrower and also the title and telephone number of a person who will answer any question Borrower may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 18 of the Security Instrument is amended to read as follows:

(A) Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument shall then instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.

For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S.

currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be

JPMC- 000168

CSOC.RICH.001949

in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

JPMC- 000169
CONFIDENTIAL

CSOC.RICH.001950

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

JPMC- 000170

CSOC.RICH.001951

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

JPMC- 000171

CSOC.RICH.001952

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

JPMC- 000172
CONFIDENTIAL

CSOC.RICH.001953

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender

JPMC- 000173
CONFIDENTIAL

CSOC.RICH.001954

to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

JPMC- 000174

CSOC.RICH.001955

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA

JPMC- 000175

CSOC.RICH.001956

requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

FIXED/ADJUSTABLE RATE RIDER

THIS FIXED/ADJUSTABLE RATE RIDER is made on this 4th day of January, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Washington Mutual Bank ("Lender") of the same date and covering the property described in the Security Instrument and located at:

3622 West Curtis Drive, Sacramento, CA 95818

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR A CHANGE FROM THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND FOR CHANGES IN THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 8.800 %. The Note provides for a change in the initial fixed interest rate to an adjustable interest rate and for changes in the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate Borrower will pay will change to an adjustable interest rate on the first day of February, 2009, and the interest rate Borrower will pay may change on that day every 6th month thereafter. Each date on which Borrower's interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

JPMC- 000181
CONFIDENTIAL

CSOC.RICH.001962

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate Borrower's new interest rate by adding Four and 99/100 percentage points (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be Borrower's new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the Maturity Date at Borrower's new interest rate in substantially equal payments. The result of this calculation will be the new amount of Borrower's monthly payment.

(D) Limits on Interest Rate Changes

The interest rate Borrower is required to pay at the first Change Date will not be greater than 10.800 % or less than 8.800 %. Thereafter, Borrower's interest rate will never be increased or decreased on any single Change Date by more than One percentage point(s) (1.000%) from the rate of interest Borrower has been paying for the preceding months. Borrower's interest rate will never be greater than 14.800 % or less than 8.800 %.

(E) Effective Date of Changes

Borrower's new interest rate will become effective on each Change Date. Borrower will pay the amount of Borrower's new monthly payment beginning on the first monthly payment date after the Change Date until the amount of Borrower's monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to Borrower a notice of any changes in Borrower's interest rate and the amount of Borrower's monthly payment before the effective date of any change. The notice will include information required by law to be given to the Borrower and also the title and telephone number of a person who will answer any question Borrwer may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 18 of the Security Instrument is amended to read as follows:

(A) Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, *Covenant 18 of the Security Instrument provides as follows:*

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Covenant 18 of the Security Instrument shall then instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.

Notice to Home Loan Applicant and Credit Score Disclosure

NOTICE TO THE HOME LOAN APPLICANT

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer generated summary calculated at the time of the request and based on information that a consumer reporting agency or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

FIXED/ADJUSTABLE RATE LOAN PROGRAM DISCLOSURE
(2-Year, 3-Year and 5-Year Fixed Adjustable Rate Program)
(LIBOR Index - Rate Caps)

In this Disclosure, the words "you," "your," and "yours" refer to the person(s) who apply for one of the loan programs described in this Disclosure. The words "we," "us," and "our" refer to Washington Mutual Bank

(or anyone who later acquires the loan and is entitled to receive loan payments).
This Disclosure describes the features of the adjustable rate mortgage program you are considering. With this program, both the interest rate and the monthly payment for the loan may change. Information is available to you upon request regarding any of the other adjustable rate mortgage programs offered by us. This is not a commitment or offer to make a loan. We reserve the right to change any of the terms contained in this Disclosure at any time without prior notice.

A. **LOAN TERM**

This loan program provides for a 30 year repayment term or a 40 year repayment term. The date on which the loan term ends is called the "Maturity Date."

B. **HOW YOUR INTEREST RATE IS DETERMINED AND CAN CHANGE**

1. The initial interest rate on your loan is fixed, and therefore will not change, for a period of two, three, or five years, depending upon the particular loan program for which you apply and are approved. This initial interest rate is established by us based upon existing market conditions. This initial interest rate may or may not be based upon the "Index" and "Margin" (as those terms are defined below) used to make later interest rate adjustments. If the initial interest rate is equal to the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Fully Indexed Rate." If the initial interest rate is less than the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Discounted Rate." If the initial interest rate is greater than the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Premium Rate." Ask us for the amount of our current interest rate discounts or premiums.

2. After the initial two, three, or five year fixed interest rate period is over, the interest rate on your loan will be subject to change and the interest rate may change again every six months thereafter. Each day on which your interest rate may be adjusted is called a "Change Date." Beginning with the first Change Date, but subject to the limits described in Section B.4. of this Disclosure, your interest rate will be based on an "Index." The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. *The Wall Street Journal* is available at many newsstands and public libraries nationwide. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index." If the Index is no longer available, we will choose a new Index that is based on comparable information. We will give you notice of this choice. In calculating your adjustable interest rate, we will also use a "Margin," which is a fixed number of percentage points that will be specified in the note evidencing your loan. Ask us about our current interest rate and current Margin.

3. On each Change Date, your interest rate will first be adjusted to equal the Current Index plus the Margin. We will then round this sum to the nearest one-eighth of one percentage point (0.125%). Subject to the interest rate limits discussed in Section B.4. of this Disclosure, this will be your new interest rate until the next Change Date. In some cases, the interest rate of your loan may increase even if the Index has decreased.

4. On the first Change Date, your interest rate cannot increase to a rate that is more than two percentage points (2%) higher than the initial fixed interest rate of your loan (if you have a two year fixed interest rate period); more than three percentage points (3%) higher than the initial fixed interest rate of your loan (if you have a three year fixed interest rate period); or more than three percentage points (3%) higher than the initial fixed interest rate of your loan (if you have a five year fixed interest rate period). On each Change Date after the first Change Date, your interest rate cannot increase or decrease by more than one percentage point (1%) from the interest rate in effect for the preceding six months. During the entire term of your loan, your interest rate cannot increase to a rate that is more than 6% higher than the initial fixed interest rate of your loan. However, during the entire term of your loan your interest rate will never decrease below the initial fixed interest rate. **This means that, regardless of the value of the Index during the term of your loan, your interest rate will never be lower than the initial fixed interest rate of your loan.**

C. **HOW YOUR MONTHLY PAYMENTS ARE DETERMINED AND CAN CHANGE**

1. Your monthly payments are based on the interest rate of your loan, the principal balance of your loan, and the Maturity Date of your loan. Your initial monthly payment will equal the amount sufficient to repay the original principal balance of your loan, together with interest at the initial interest rate of your loan, in full in substantially equal installments through the Maturity Date. This initial monthly payment will apply for the first 24 monthly payments (if your loan program has a two year fixed interest rate period); the first 36 monthly payments (if your loan program has a three year fixed interest rate period); or the first 60 monthly payments (if your loan program has a five year fixed interest rate period).

2. Beginning on the date that is one month following the first Change Date, and then again every six months thereafter, your monthly payment may change. Each date that your payment may change is called a "Payment Change Date." Your monthly payment can increase or decrease substantially based on changes in the interest rate. For each Payment Change Date, we will determine the amount of your new payment as follows. After calculating your new interest rate for each Change Date, we will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal loan balance that you are expected to owe at the Change Date together with

interest at the new interest rate in full in substantially equal installments through the Maturity Date of your loan. The result of this calculation will be the amount of your new monthly payment beginning on the Payment Change Date and continuing until your monthly payment changes again.

3. All of the monthly payments described in this disclosure include only principal and interest and do not include any escrow payments, such as taxes, assessments, insurance premiums, ground rents, private mortgage insurance premiums, or payments for optional products or services that are due with respect to the loan. These payments will be in addition to your principal and interest payments described above.

4. You will be notified at least 25, but not more than 120, calendar days before the date that a monthly payment is due at a new level. This notice will contain information about the Index, your interest rates, payment amount, and loan balance.

D. EXAMPLES OF HOW YOUR MONTHLY PAYMENT CAN CHANGE[1]

The following examples illustrate how your monthly payment may change using a 30-year repayment term and a 40-year repayment term. Each example is based on a $10,000 loan. The initial interest rate is the rate in effect in September, 2006. The interest rate limits described in Section B.4. of this Disclosure, if applicable, were used in these examples. **Your monthly payment can increase or decrease substantially based on changes in the interest rate.**

1. Two Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$99.03	$145.38	49th
40 YEARS	$96.83	$145.54	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $99.03 = $594.18
40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 1.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$91.47	$137.07	49th
40 YEARS	$88.86	$137.15	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $91.47 = $548.82
40 year term: $60,000 / $10,000 = 6 : 6 x $88.86 = $533.16

(c) Initial Interest Rate That is a Premium Rate

On a loan with an initial interest rate of 13.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, plus a premium of 2.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 19.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$114.54	$162.07	49th
40 YEARS	$113.03	$162.31	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $114.54 = $687.24
40 year term: $60,000 / $10,000 = 6 : 6 x $113.03 = $678.18

2. Three Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$99.03	$144.97	55th
40 YEARS	$96.83	$145.39	55th

[1] These examples are based on an Index value in effect on September 2006. The margins, discounts, and premiums are ones that we have used recently. Your margin, discount, or premium may be different.

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $99.03 = $594.18
40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 1.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$91.47	$136.61	55th
40 YEARS	$88.86	$136.96	55th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $91.47 = $548.82
40 year term: $60,000 / $10,000 = 6 : 6 x $88.86 = $533.16

(c) Initial Interest Rate That is a Premium Rate

On a loan with an initial interest rate of 13.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, plus a premium of 2.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 19.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$114.54	$161.76	55th
40 YEARS	$113.03	$162.21	55th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $114.54 = $687.24
40 year term: $60,000 / $10,000 = 6 : 6 x $113.03 = $678.18

3. Five Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.800% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 0.700%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.800%.

30 YEARS	$93.72	$137.73	79th
40 YEARS	$91.24	$138.95	79th

CALIFORNIA CREDIT SCORE NOTICE

	Date: January 04, 2007

NOTICE TO THE HOME LOAN APPLICANT

In connection with your application for a home loan, the lender must disclose to you the score that a credit bureau distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer generated summary calculated at the time of the request and based on information a credit bureau or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the credit bureau at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The credit bureau plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

FIXED/ADJUSTABLE RATE LOAN PROGRAM DISCLOSURE
(2-Year, 3-Year and 5-Year Fixed Adjustable Rate Program)
(LIBOR Index - Rate Caps)

In this Disclosure, the words "you," "your," and "yours" refer to the person(s) who apply for one of the loan programs described in this Disclosure. The words "we," "us," and "our" refer to Washington Mutual Bank

(or anyone who later acquires the loan and is entitled to receive loan payments).
This Disclosure describes the features of the adjustable rate mortgage program you are considering. With this program, both the interest rate and the monthly payment for the loan may change. Information is available to you upon request regarding any of the other adjustable rate mortgage programs offered by us. *This is not a commitment or offer to make a loan.* We reserve the right to change any of the terms contained in this Disclosure at any time without prior notice.

A. LOAN TERM

This loan program provides for a 30 year repayment term or a 40 year repayment term. The date on which the loan term ends is called the "Maturity Date."

B. HOW YOUR INTEREST RATE IS DETERMINED AND CAN CHANGE

1. The initial interest rate on your loan is fixed, and therefore will not change, for a period of two, three, or five years, depending upon the particular loan program for which you apply and are approved. This initial interest rate is established by us based upon existing market conditions. This initial interest rate may or may not be based upon the "Index" and "Margin" (as those terms are defined below) used to make later interest rate adjustments. If the initial interest rate is equal to the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Fully Indexed Rate." If the initial interest rate is less than the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Discounted Rate." If the initial interest rate is greater than the sum of the Index plus the Margin rounded to the nearest 1/8 of 1%, then it will be referred to in this Disclosure as a "Premium Rate." Ask us for the amount of our current interest rate discounts or premiums.

2. After the initial two, three, or five year fixed interest rate period is over, the interest rate on your loan will be subject to change and the interest rate may change again every six months thereafter. Each day on which your interest rate may be adjusted is called a "Change Date." Beginning with the first Change Date, but subject to the limits described in Section B.4. of this Disclosure, your interest rate will be based on an "Index." The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. *The Wall Street Journal* is available at many newsstands and public libraries nationwide. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index." If the Index is no longer available, we will choose a new Index that is based on comparable information. We will give you notice of this choice. In calculating your adjustable interest rate, we will also use a "Margin," which is a fixed number of percentage points that will be specified in the note evidencing your loan. Ask us about our current interest rate and current Margin.

3. On each Change Date, your interest rate will first be adjusted to equal the Current Index plus the Margin. We will then round this sum to the nearest one-eighth of one percentage point (0.125%). Subject to the interest rate limits discussed in Section B.4. of this Disclosure, this will be your new interest rate until the next Change Date. In some cases, the interest rate of your loan may increase even if the Index has decreased.

4. On the first Change Date, your interest rate cannot increase to a rate that is more than two percentage points (2%) higher than the initial fixed interest rate of your loan (if you have a two year fixed interest rate period); more than three percentage points (3%) higher than the initial fixed interest rate of your loan (if you have a three year fixed interest rate period); or more than three percentage points (3%) higher than the initial fixed interest rate of your loan (if you have a five year fixed interest rate period). On each Change Date after the first Change Date, your interest rate cannot increase or decrease by more than one percentage point (1%) from the interest rate in effect for the preceding six months. During the entire term of your loan, your interest rate cannot increase to a rate that is more than 6% higher than the initial fixed interest rate of your loan. However, during the entire term of your loan your interest rate will never decrease below the initial fixed interest rate. **This means that, regardless of the value of the Index during the term of your loan, your interest rate will never be lower than the initial fixed interest rate of your loan.**

C. HOW YOUR MONTHLY PAYMENTS ARE DETERMINED AND CAN CHANGE

1. Your monthly payments are based on the interest rate of your loan, the principal balance of your loan, and the Maturity Date of your loan. Your initial monthly payment will equal the amount sufficient to repay the original principal balance of your loan, together with interest at the initial interest rate of your loan, in full in substantially equal installments through the Maturity Date. This initial monthly payment will apply for the first 24 monthly payments (if your loan program has a two year fixed interest rate period); the first 36 monthly payments (if your loan program has a three year fixed interest rate period); or the first 60 monthly payments (if your loan program has a five year fixed interest rate period).

2. Beginning on the date that is one month following the first Change Date, and then again every six months thereafter, your monthly payment may change. Each date that your payment may change is called a "Payment Change Date." Your monthly payment can increase or decrease substantially based on changes in the interest rate. **For each Payment Change Date, we will determine the amount of your new payment as follows. After calculating** your new interest rate for each Change Date, we will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal loan balance that you are expected to owe at the Change Date together with

JPMC- 000195
CONFIDENTIAL

CSOC.RICH.001976

interest at the new interest rate in full in substantially equal installments through the Maturity Date of your loan. The result of this calculation will be the amount of your new monthly payment beginning on the Payment Change Date and continuing until your monthly payment changes again.

3. All of the monthly payments described in this disclosure include only principal and interest and do not include any escrow payments, such as taxes, assessments, insurance premiums, ground rents, private mortgage insurance premiums, or payments for optional products or services that are due with respect to the loan. These payments will be in addition to your principal and interest payments described above.

4. You will be notified at least 25, but not more than 120, calendar days before the date that a monthly payment is due at a new level. This notice will contain information about the Index, your interest rates, payment amount, and loan balance.

D. EXAMPLES OF HOW YOUR MONTHLY PAYMENT CAN CHANGE[1]

The following examples illustrate how your monthly payment may change using a 30-year repayment term and a 40-year repayment term. Each example is based on a $10,000 loan. The initial interest rate is the rate in effect in September, 2006. The interest rate limits described in Section B.4. of this Disclosure, if applicable, were used in these examples. **Your monthly payment can increase or decrease substantially based on changes in the interest rate.**

1. Two Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$99.03	$145.38	49th
40 YEARS	$96.83	$145.54	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $99.03 = $594.18
40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 1.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$91.47	$137.07	49th
40 YEARS	$88.86	$137.15	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $91.47 = $548.82
40 year term: $60,000 / $10,000 = 6 : 6 x $88.86 = $533.16

(c) Initial Interest Rate That is a Premium Rate

On a loan with an initial interest rate of 13.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, plus a premium of 2.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 19.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$114.54	$162.07	49th
40 YEARS	$113.03	$162.31	49th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $114.54 = $687.24
40 year term: $60,000 / $10,000 = 6 : 6 x $113.03 = $678.18

2. Three Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$99.03	$144.97	55th
40 YEARS	$96.83	$145.39	55th

40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 1.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$91.47	$136.61	55th
40 YEARS	$88.86	$136.96	55th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $91.47 = $548.82
40 year term: $60,000 / $10,000 = 6 : 6 x $88.86 = $533.16

(c) Initial Interest Rate That is a Premium Rate

On a loan with an initial interest rate of 13.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, plus a premium of 2.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 19.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$114.54	$161.76	55th
40 YEARS	$113.03	$162.21	55th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $114.54 = $687.24
40 year term: $60,000 / $10,000 = 6 : 6 x $113.03 = $678.18

3. Five Year Fixed Interest Rate Period

(a) Initial Interest Rate That is a Fully Indexed Rate

On a loan with an initial interest rate of 11.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%), the maximum amount that the interest rate could increase under this program is six percentage points, to 17.500%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$99.03	$143.69	79th
40 YEARS	$96.83	$144.92	79th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $99.03= $594.18
40 year term: $60,000 / $10,000 = 6 : 6 x $96.83 = $580.98

(b) Initial Interest Rate That is a Discounted Rate

On a loan with an initial interest rate of 10.800% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, minus a discount of 0.700%), the maximum amount that the interest rate could increase under this program is six percentage points, to 16.800%.

Loan Term	Initial Monthly Payment	Maximum Monthly Payment	Month Maximum Payment Reached
30 YEARS	$93.72	$137.73	79th
40 YEARS	$91.24	$138.95	79th

To see what your payment is, divide your mortgage amount by 10,000; then multiply the monthly payment shown above by that amount. For example, the initial monthly payment for a mortgage loan amount of $60,000 would be:

30 year term: $60,000 / $10,000 = 6 : 6 x $93.72 = $562.32
40 year term: $60,000 / $10,000 = 6 : 6 x $91.24 = $547.44

(c) Initial Interest Rate That is a Premium Rate

On a loan with an initial interest rate of 13.500% (i.e., an Index of 5.454%, plus a Margin of 5.990%, rounded to the nearest 1/8 of 1%, plus a premium of 2.000%), the maximum amount that the interest rate could increase under this program is six percentage points, to 19.500%.

Balancing Your Escrow Account

The front of this statement shows that you have an Escrow Account Shortage of $3,745.53. How was this determined?

Your previous year's activity is used to estimate the deposit and disbursement activity in your Escrow Account and project your lowest account balance for the year ahead. Your projected lowest account balance is compared to your minimum required balance as shown in the Escrow Account Balancer below these paragraphs. This determines the amount required to bring your Escrow Account into balance.

Since taxes and insurance premiums often go up, we require that you maintain a minimum required balance in your account at all times to prevent a negative balance in your account.

As shown in the information in the box and graph below, you will reach your lowest account balance of $2,768.63- in March 10. This is subtracted from your minimum required balance of $976.90 resulting in an Escrow Account Shortage of $3,745.53.

In order to pay your Escrow Account Shortage and bring your account into balance, you may pay the $3,745.53 shortage in full (Option A on front) or pay the shortage over 29 months (Option B on front). It's your choice.

Balancing Your Escrow Account

The front of this statement shows that you have an Escrow Account Shortage of $4,440.81. How was this determined?

Your previous year's activity is used to estimate the deposit and disbursement activity in your Escrow Account and project your lowest account balance for the year ahead. Your projected lowest account balance is compared to your minimum required balance as shown in the Escrow Account Balancer below these paragraphs. This determines the amount required to bring your Escrow Account into balance.

Since taxes and insurance premiums often go up, we require that you maintain a minimum required balance in your account at all times to prevent a negative balance in your account.

As shown in the information in the box and graph below, you will reach your lowest account balance of $3,463.91- in March 09. This is subtracted from your minimum required balance of $976.90 resulting in an Escrow Account Shortage of $4,440.81.

In order to pay your Escrow Account Shortage and bring your account into balance, you may pay the $4,440.81 shortage in full (Option A on front) or pay the shortage over 12 months (Option B on front). It's your choice.

Escrow Account Balancer

Annual Escrow Account Statement

Statement Date: September 22, 2008
Review Period: January 2007 to September 2008
Your Loan Number:

What is an escrow account?

A portion of each of your monthly home loan payments goes into an escrow account. This money is used to pay items such as your property taxes and insurance premiums when they are due.

In accordance with federal guidelines, we review your Escrow Account at least one time each year to ensure that we are collecting enough money to make all required payments. This document is a review of your Escrow Account activity since your last analysis.

Monthly Home Loan Payment

	Current	New Payment (effective 10/01/08)
Principal & Interest	$ 4,267.58	$ 4,267.58
Escrow Account Deposit	$ 0.01	$ 84.74
Total Payment Amount	**$ 4,267.59**	**$ 4,352.32**

To determine your Escrow Account Deposit for your new payment, we project the amounts to be paid out of your Escrow Account as described on the back of this page. Your monthly Escrow Account Deposit will reflect any change in the amount of the bills paid since your last analysis. Please compare the Current and New Payment breakdowns to the left.

Our calculations also show that your Escrow Account is currently in balance.

ESCROW ACCOUNT AGREEMENT
TAX & INSURANCE

Borrower(s): Laura Richardson Loan No.

The undersigned borrower(s) have applied for a Real Estate Loan with **Washington Mutual Bank** hereinafter called the "Lender", secured by a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") and repaid as stated in a Promissory Note.

It is understood that a Tax and Insurance Escrow Account is:

[X] 1. Optional: An impound account is not required for your loan.

[ ] 2. Required: An impound account is required for your loan.

Each of the undersigned borrower(s) agree to make the Note payments and pay the Lender the amounts the Lender has figured for deposit in the Tax and Insurance Escrow Account. These amounts should be enough to pay, when due, all taxes, assessments, insurance premiums and other expenses relating to the loan.

If the Lender determines that there will not be enough money to pay the expenses, they may require the borrower(s) to increase payments into the Tax and Insurance Escrow Account. The Lender will not have to pay the expenses if there is not enough money in the Tax and Insurance Escrow Account. A default under the Security Instrument may occur if any of the described expenses remain unpaid.

If the Tax and Insurance Escrow Account is required, the borrower(s) cannot cancel it. If the Tax and Insurance Escrow Account is optional, the borrower(s) may cancel it at any time. If the borrower(s) defaults on their Security Instrument, the Lender may change the Tax and Insurance Escrow Account from optional to a required Tax and Insurance Escrow Account.

The Lender or any investor who purchases the loan may change or cancel the Tax and Insurance Escrow Account arrangements as allowed by law.

If the law of the state in which the property is located requires payment of interest on money in the Escrow Account, the Lender will compute and pay interest at a rate of no less than the minimum required by such applicable law on single-family owner-occupied residences only.

The Flood Disaster Protection Act of 1973, as amended, requires that all federally insured or regulated lenders require the purchase of flood insurance on all buildings being financed in Special Flood Hazard areas (SFHAs) of communities participating in the National Flood Insurance Program (NFIP).

Special Flood Hazard areas are defined by the Federal Emergency Management Agency (FEMA) and are indicated on FEMA Flood Insurance Rate Maps (FIRMs) or, if the FIRM is unavailable, on Flood Hazard Boundary Maps (FHBMs).

A review of the FIRM or FHBM on which the improved real estate or mobile home securing your loan is located shows that the subject property location was not located in a FEMA determined SFHA. As a result of this determination, flood insurance is not a requirement of your loan at this time.

If, during the term of your loan with us the subject property is identified as being in a SFHA, as defined by FEMA and indicated on a FIRM or FHBM, the National Flood Insurance Reform Act of 1994 (Reform Act) requires that you purchase and maintain Flood Insurance at your expense.

3. **Recordation of Instruments**
Recordation of any instruments delivered through this escrow, if necessary or proper in the issuance of the policy of title insurance called for, is authorized.
4. **Authorization to Furnish Copies**

6. **Personal Property Taxes**
No examination or insurance as to the amount or payment of personal property taxes is required unless specifically requested.
7. **Right of Cancellation**
Any principal instructing you to cancel this escrow shall file notice of cancellation in your office, in writing. You shall within two (2) working days thereafter mail, by certified mail, one copy of the notice to each of the other principals at the addresses stated in this escrow. Unless written objection to cancellation is filed in your office by a principal within ten (10) days after date of mailing, you are authorized to comply with the notice and demand payment of your cancellation charges, as provided in this agreement. If written objection is filed, you are authorized to hold all money and instruments in this escrow and take no further action until otherwise directed, either by the principals' mutual written instructions, or final order of a court of competent jurisdiction.

In the event such action is filed, the parties jointly and severally agree to pay your cancellation charges and costs, expenses and reasonable attorneys' fees which you are required to expend or incur in the interpleader action in the amount thereof to be fixed and judgement therefor to be rendered by the Court. Upon the filing of the action, you shall thereupon be fully released from all obligations to further perform any duties otherwise imposed by the terms of this escrow.

6. **Personal Property Taxes**
No examination or insurance as to the amount or payment of personal property taxes is required unless specifically requested.
7. **Right of Cancellation**
Any principal instructing you to cancel this escrow shall file notice of cancellation in your office, in writing. You shall within two (2) working days thereafter mail, by certified mail, one copy of the notice to each of the other principals at the addresses stated in this escrow. Unless written objection to cancellation is filed in your office by a principal within ten (10) days after date of mailing, you are authorized to comply with the notice and demand payment of your cancellation charges, as provided in this agreement. If written objection is filed, you are authorized to hold all money and instruments in this escrow and take no further action until otherwise directed, either by the principals' mutual written instructions, or final order of a court of competent jurisdiction.

In the event such action is filed, the parties jointly and severally agree to pay your cancellation charges and costs, expenses and reasonable attorney's fees which you are required to expend or incur in the interpleader action in the amount thereof to be fixed and judgement therefor to be rendered by the Court. Upon the filing of the action, you shall thereupon be fully released from all obligations to further perform any duties otherwise imposed by the terms of this escrow.

In the event of any dispute arising out of the instructions in this escrow, the prevailing party shall be entitled to recover its costs and reasonable attorneys' fees. The arbitrator will have the authority to decide whether any such claim or controversy is barred by the statute of limitations and, if so, to dismiss the arbitration on that basis.
If there is a dispute as to whether an issue is arbitrable, the arbitrators will have the authority to resolve any such dispute.
The decision that results from an arbitration proceeding may be submitted to any authorized court of law to be confirmed and a judgment entered. Subject: 3 urgent loan stip exceptions
Importance: High

Hi there, please review the below 3 stip exceptions and let me know what is determined on these issues. Thanks and have a great evening.

Richardson- DTI excessive >55% current 84.2%; appears lender qualified income from previous job (city counsel) job terminated 12/06 per VOE- income for state assembly representative position used to qualify borrower; (2) LTV 5% exception max 95%, actual is 100%.

- Disagree with excessive DTI findings, underwriter qualified borrower from newly appointed position as an Assembly Member in which a letter from State Capital-CA State Assembly Deputy Administrative Office was provided and audited
- LTV 5% exception max 95%, actual is 100%
- 5% LTV exception was approved and copy of exception in file allowing 100% LTV

Lindenmann- $260K loan amount exception, max allowed for C grade loan is $600K and actual is $660K.

- Copy of loan amount exception in file signed by Sr. Manager, Art Scorciolla.

Hoke- 5.4% DTI exception, max allowed is 55% and actual is 60.4%, lender did not include primary housing in there ratios and no lease found for subject property.

- I disagree with the findings due to the following: Rental income was not used for subject property so rental lease was not necessary.
- The primary housing was included in DTI.
- Primary housing totaled $7054.67 including a 1st & 2nd and taxes and insurance.
- DTI is 55.43% and not 60.4%.

Re : Lates on Mortgages

Mr. Thomas,

As per your request I am forwarding to you this letter stating why I was late on my Mortgage loan. As you know my life the past year has been very hectic and chaotic. I was recently divorced and elected the post of Assembly Representative of the 55th District in the State of California. During all these events my schedule did not permit me To do a lot of the things that I normally would have been able to take care of so I reached Out to my ex-husband for help and he agreed to cover the Mortgage payements while I was on the campaign trail , but he is also is very busy (currently serving as the Chief Of Police of the city of Long Beach) and forgot to take care of those payments for me In a timely manner, I make no excuse for the lates , but ask for your compassion in this matter to see that we had a lot of things happening and just were over whelmed.

Thanking you in advance for your assistance,

Laura Richardson

APR and Finance Charge Verification

The Loan Fulfillment Center Associate must compare the fees and prepaid interest presented on this form with the "Loan Documents APR and Prepaid Fees Verification Form", the signed loan documents, and the Final HUD-1 to verify that

- The APR at funding is not more than .125 higher than the APR as reflected on the signed Truth-in-Lending Disclosure, and
- The Finance Charge at funding is not more than $35 higher than the Finance Charge as reflected on the signed Truth-in-Lending Disclosure on all rescindable transactions.
- The Finance Charge at funding is not more than $100 higher than the Finance Charge as reflected on the signed Truth-In-Lending Disclosure on all transactions that are not rescindable.

If a change in fees or prepaid interest causes the Finance Charge or the APR to be understated by more than the tolerance, loan documents must be re-drawn and the borrower must sign a new Truth in Lending disclosure and notice of Right to Cancel.

"BEST PRICE" INFORMATION

Your mortgage broker has submitted your loan application to Long Beach Mortgage. Our policy is to offer every qualified applicant the best price we can. A number of factors affect the price we can offer. For example, as a general rule:

- The price of a loan with a prepayment penalty is lower than the price of a loan without a prepayment penalty.
- The price of a loan that is 80% or less than the value of a borrower's home will be lower than the price of a loan that is equal to 100% of the home's value.
- The price of a loan approved based on conventional income documentation will be lower than the price of a loan approved based on minimal income documentation.
- The price of a loan secured by the borrower's primary residence will be lower than the price of a loan secured by a second home or investment property.

Also, a borrower's past credit history directly affects the price of a loan. For example, a borrower who has been late in paying an existing mortgage loan or who has recently filed a bankruptcy will pay more than a borrower who has a record of timely mortgage payments and has not recently filed bankruptcy.

We always recommend that you talk to your broker about what product, pricing, program and lender best suits your needs.

THANK YOU AND YOUR BROKER FOR YOUR INTEREST IN A LONG BEACH MORTGAGE HOME LOAN!

Re: Assemblywoman Laura Richardson

Dear Sandy,

Per our discussion on this file, we are hoping that we pull at least a 600 mid-fico on this file and switch to a piggyback loan. If our credit score mirrors the 582 on broker credit we are requesting an LTV exception. Our borrower has a 2x30 (April, June 2006) and would not qualify for one loan @ 100% otherwise; we would need an LTV exception or an exception to count the two late payments as "rolling." Borrower is moving from Southern California to Sacramento as a result of her recent election to State Office.

Charles Thomas, our Loan Officer on this deal, helped Ms. Richardson enroll in "auto-pay" on her mortgage's in an effort to avoid future late payments. This has proven helpful given Ms. Richardson's busy schedule. Per your request she can provide an LOE to explain past late's if needed.

She has a current approval with

Compensating Factors:

- ✓ Full Doc
- ✓ Stable Employment
  - o Elected Politician – just starting two year term as Assemblywoman
- ✓ $41,000+ in Reserves

I have included both a letter confirmation from Lynda Roper, State Deputy Administrative Officer and a screen print of Ms. Richardson's State website (http://democrats.assembly.ca.gov/members/a55/)

Thanks for your consideration.

Best regards and Happy New Year,

Paul
