PURPOSE OF THE BILL

The purpose of H.R. 3923 is to provide for the exchange of certain land located in the Arapaho-Roosevelt National Forests in the State of Colorado.
BACKGROUND AND NEED FOR LEGISLATION

Since 1967, the Forest Service has issued two special use permits to the Sugar Loaf Fire Protection District (District) to own and operate two fire stations on National Forest System land. The District would like to own the parcels on which the fire stations sit in order to build an area for firefighter training and bathroom facilities. Currently, the fire stations do not have running water, because state and county regulations prohibit well and septic systems on public lands for private use. The District would also like the option to expand the fire stations in the future.

H.R. 3923 authorizes the District and the Secretary of Agriculture to conduct a land exchange. The District would receive approximately 5.08 acres of federal land on which the fire stations sit, and the Forest Service would receive land of equal value from the District. The land proposed by the legislation to be acquired by the Forest Service is currently an inholding owned by the Sugar Loaf Fire Protection District within the Arapaho and Roosevelt National Forests.

COMMITTEE ACTION

H.R. 3923 was introduced on October 23, 2009 by Representative Jared Polis (D–CO). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on National Parks, Forests and Public Lands. At an April 27th, 2010, hearing before the Subcommittee, a representative from the Department of Agriculture testified in favor of the bill, provided that the timeline was modified and other technical corrections were made.

On June 16th, 2010, the Subcommittee was discharged from further consideration of H.R. 3923 and the full Natural Resources Committee met to consider the bill. Subcommittee Chairman Raul Grijalva (D–AZ) offered an amendment in the nature of a substitute to clarify the terms of the land exchange and to address other technical suggestions offered by the administration. The amendment in the nature of a substitute was agreed to by unanimous consent. The bill, as amended, was then ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

CONSTITUTIONAL AUTHORITY STATEMENT

Article IV, section 3, of the Constitution of the United States grants Congress the authority to enact this bill.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(3)(B) of that Rule provides that this requirement does not apply when the Committee has in-
cluded in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974.

2. Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to provide for the exchange of certain land located in the Arapaho-Roosevelt National Forests in the State of Colorado, and for other purposes.

4. Congressional Budget Office Cost Estimate. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 3923—Sugar Loaf Fire Protection District Land Exchange Act

H.R. 3923 would authorize the exchange of approximately five acres of federal land for a similar amount of acreage owned by the Sugar Loaf Fire Protection District of Boulder, Colorado. If the land exchange does not occur within one year, the federal land could be sold to the district and the proceeds could be spent without further appropriation.

Based on information provided by the Forest Service, which administers the federal land to be conveyed, CBO estimates that implementing the bill would have no effect on the federal budget. The federal land could be disposed of (by either of the methods authorized by H.R. 3923) under existing law. Enacting this bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures would not apply.

H.R. 3923 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. The land conveyance authorized in the bill would benefit the fire protection district. Any costs to the district would be incurred voluntarily.

On January 21, 2010, CBO transmitted a cost estimate for S. 555, the Sugar Loaf Fire Protection District Land Exchange Act of 2009, as ordered reported by the Senate Committee on Energy and Natural Resources on December 16, 2009. S. 555 and H.R. 3923 are nearly identical, and the estimated costs are the same.

The CBO staff contacts for this estimate are Alan Eder and Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

EARMARK STATEMENT

H.R. 3923 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.
PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
