## PURPOSE OF THE BILL

The purpose of H.R. 5699 is to authorize the Secretary of the Interior to acquire approximately 44 acres of land in Martinez, California.

## BACKGROUND AND NEED FOR LEGISLATION

H.R. 5699 authorizes the National Park Service to accept the donation of 44 undeveloped acres of property adjacent to the John Muir National Historic Site in Martinez, California. The John Muir Historic Site was established on August 31, 1964 (Public Law 88–547) and currently consists of 345 acres. H.R. 5699 allows the acquisition to occur only if it is donated by the Muir Heritage Land Trust.

## COMMITTEE ACTION

H.R. 5699 was introduced on November 13, 2014, by Congressman George Miller (D–CA) and was referred to the Committee on Natural Resources. On November 19, 2014, the Committee met to consider the bill. Congressman Peter A. DeFazio (D–OR) offered an amendment designated #1; the amendment was adopted by unanimous consent. No further amendments were offered, and the bill, as amended, was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

## COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

## COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

*H.R. 5699—John Muir National Historic Site Expansion Act*

H.R. 5699 would expand and adjust the boundary of the John Muir National Historic Site in California to include approximately 44 acres of donated land. The bill would require that the land be donated voluntarily by the Muir Heritage Land Trust and that it be administered as part of the historic site.

Based on information provided by the National Park Service (NPS), CBO estimates that implementing H.R. 5699 would have no significant impact on the federal budget. Under the legislation, the additional acres could only be acquired through donation. Based on

information from the NPS, we estimate that annual costs to operate and maintain the new properties would be minimal. Enacting H.R. 5699 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 5699 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Marin Burnett. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. Based on information provided by the National Park Service, CBO estimates that implementing H.R. 5699 would have no significant impact on the federal budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to authorize the Secretary of the Interior to acquire approximately 44 acres of land in Martinez, California.

#### EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

#### COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

#### COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95-220, as amended by Public Law 98-169) as relating to other programs.

#### PREEMPTION OF STATE, LOCAL, OR TRIBAL LAW

This bill is not intended to preempt any State, local, or tribal law.

#### CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
