EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 1644 includes a waiver of clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected.

Although the rule waives all points of order against the amendment in the nature of a substitute made in order as original text, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waivers of clause 3(e)(1) of rule XIII are necessary because the submissions provided by the Committees on Natural Resources and Foreign Affairs were insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against provisions in H.R. 3662, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
