

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 5278) TO ESTABLISH AN OVERSIGHT BOARD TO ASSIST THE GOVERNMENT OF PUERTO RICO, INCLUDING INSTRUMENTALITIES, IN MANAGING ITS PUBLIC FINANCES, AND FOR OTHER PURPOSES

JUNE 8, 2016.—Referred to the House Calendar and ordered to be printed

Mr. BYRNE, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 770]

The Committee on Rules, having had under consideration House Resolution 770, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5278, PROMESA, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114 57 and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides that upon passage of H.R. 5278, the House shall be considered to have: (1) stricken all after the enacting clause of S. 2328 and inserted in lieu thereof the pro-

visions of H.R. 5278, as passed by the House; and (2) passed the Senate bill as so amended.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes waivers of the following:

Section 303 of the Congressional Budget Act, prohibiting consideration of legislation, providing a change in revenues for a fiscal year until the budget resolution for that year has been agreed to.

Clause 10 of rule XXI, which prohibits the consideration of a bill or amendment if it has the net effect of increasing mandatory spending over the five-year or ten-year period. While the waiver is necessary because the Oversight Control Board is considered a Federal entity by the Congressional Budget Office, it is important to note that the Board's administrative costs are furnished entirely by direct transfers from the government of Puerto Rico and not from federal funds.

Section 425 of the Congressional Budget Act, which prohibits consideration of any legislation that would increase the direct costs of Federal intergovernmental mandates by an amount that causes thresholds specified in section 424 (a)(1) of the Congressional Budget Act to be exceeded. However, it is important to note that this legislation is supported by the Governor of Puerto Rico and includes language for the eventual dissolution of the Oversight Board—it is not envisioned as a permanent mandate.

Clause 3(e)(1) of rule XIII ("Ramseyer"), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on Natural Resources was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

The waiver of all points of order against the amendment in the nature of a substitute made in order as original text includes a waiver of Clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. It is important to note that while the waiver is necessary, Rules Committee Print 114-57 is identical to the text of H.R. 5278 as reported.

The waiver of all points of order against the amendments printed in this report includes waivers of the following for Amendment #1 offered by Representative Bishop:

Section 303 of the Congressional Budget Act, prohibiting consideration of an amendment providing a change in revenues for a fiscal year until the budget resolution for that year has been agreed to.

Clause 10 of rule XXI, which prohibits the consideration of an amendment if it has the net effect of increasing mandatory spending over the five-year or ten-year period. While the waiver is necessary because the control board is considered a Federal entity by the Congressional Budget Office, it is important to note that the Oversight Control Board's administrative costs are furnished en-

tirely by direct transfers from the government of Puerto Rico and not from federal funds.
