SEC. 710. ESTABLISHMENT OF A CENTENNIAL MONETARY COMMISSION.

(a) FINDINGS.—Congress finds the following:

(1) The Constitution endows Congress with the power “to coin money, regulate the value thereof”.

(2) Following the financial crisis known as the Panic of 1907, Congress established the National Monetary Commission to provide recommendations for the reform of the financial and monetary systems of the United States.

(3) Incorporating several of the recommendations of the National Monetary Commission, Congress created the Federal Reserve System in 1913. As currently organized, the Federal Reserve System consists of the Board of Governors in Washington, District of Columbia, and the Federal Reserve Banks organized into 12 districts around the United States. The stockholders of the 12 Federal Reserve Banks include national and certain State-chartered commercial banks, which operate on a fractional reserve basis.

(4) Originally, Congress gave the Federal Reserve System a monetary mandate to provide an elastic currency, within the context of a gold standard, in response to seasonal fluctuations in the demand for currency.

(5) Congress also gave the Federal Reserve System a financial stability mandate to serve as the lender of last resort to solvent but illiquid banks during a financial crisis.

(6) In 1977, Congress changed the monetary mandate of the Federal Reserve System to a dual mandate for maximum employment and stable prices.

(7) Empirical studies and historical evidence, both within the United States and in other countries, demonstrate that price stability is desirable because both inflation and deflation damage the economy.

(8) The economic challenge of recent years—most notably the bursting of the housing bubble, the financial crisis of 2008, and the ensuing anemic recovery—have occurred at great cost in terms of lost jobs and output.

(9) Policymakers are reexamining the structure and functioning of financial institutions and markets to determine what, if any, changes need to be made to place the financial system on a stronger, more sustainable path going forward.

(10) The Federal Reserve System has taken extraordinary actions in response to the recent economic challenges.

(11) The Federal Open Market Committee has engaged in multiple rounds of quantitative easing, providing unprecedented liquidity to financial markets, while committing to holding short-term interest rates low for a seemingly indefinite period, and pursuing a policy of credit allocation by purchasing Federal agency debt and mortgage-backed securities.

(12) In the wake of the recent extraordinary actions of the Federal Reserve System, Congress—consistent with its constitutional responsibilities and as it has done periodically throughout the history of the United States—has once again renewed its examination of monetary policy.

(13) Central in such examination has been a renewed look at what is the most proper mandate for the Federal Reserve System to conduct monetary policy in the 21st century.

(b) ESTABLISHMENT OF A CENTENNIAL MONETARY COMMISSION.—There is established a commission to be known as the “Centennial Monetary Commission” (in this section referred to as the “Commission”).

(c) STUDY AND REPORT ON MONETARY POLICY.—

(1) STUDY.—The Commission shall—

(A) examine how United States monetary policy since the creation of the Board of Governors of the Federal Reserve System in 1913 has affected the performance of the United States economy in terms of output, employment, prices, and financial stability over time;

(B) evaluate various operational regimes under which the Board of Governors of the Federal Reserve System and the Federal Open Market Committee may conduct monetary policy in terms achieving the maximum sustainable level of output and employment and price stability over the long term, including—

(i) discretion in determining monetary policy without an operational regime;

(ii) price level targeting;

(iii) inflation rate targeting;

(iv) nominal gross domestic product targeting (both level and growth rate);
(v) the use of monetary policy rules; and
(vi) the gold standard;
(C) evaluate the use of macro-prudential supervision and regulation as a tool of monetary policy in terms of achieving the maximum sustainable level of output and employment and price stability over the long term;
(D) evaluate the use of the lender-of-last-resort function of the Board of Governors of the Federal Reserve System as a tool of monetary policy in terms of achieving the maximum sustainable level of output and employment and price stability over the long term;
(E) recommend a course for United States monetary policy going forward, including—
   (i) the legislative mandate;
   (ii) the operational regime;
   (iii) the securities used in open market operations; and
   (iv) transparency issues; and
(F) consider the effects of the GDP output and employment targets of the “dual mandate” (both from the creation of the dual mandate in 1977 until the present time and estimates of the future effect of the dual mandate) on—
   (i) United States economic activity;
   (ii) Federal Reserve actions; and
   (iii) Federal debt.

(2) REPORT.—Not later than December 1, 2017, the Commission shall submit to Congress and make publicly available a report containing a statement of the findings and conclusions of the Commission in carrying out the study under paragraph (1), together with the recommendations the Commission considers appropriate. In making such report, the Commission shall specifically report on the considerations required under paragraph (1)(F).

PURPOSE AND SUMMARY

Introduced by Chairman Jeb Hensarling on September 9, 2016, H.R. 5983, the Financial CHOICE Act of 2016, replaces harmful provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) with free market solutions that will grow the economy, end the phenomenon of “too big to fail” financial institutions, and strengthen tools to police fraud and deception. The CHOICE Act also contains key reforms to ensure that the Federal Reserve sets effective, rules-based monetary policy without political interference, while also increasing transparency and accountability for the Fed’s regulatory functions.

BACKGROUND AND NEED FOR LEGISLATION

The major provisions of the Financial CHOICE Act are the following:

PROVIDE FOR ELECTION TO BE A STRONGLY CAPITALIZED, WELL MANAGED FINANCIAL INSTITUTION

A banking organization 1 may elect to become eligible for certain relief from current regulatory requirements and will be deemed to be well-capitalized for purposes of all prompt corrective action laws if (1) the banking organization maintains a leverage ratio of at least 10 percent and (2) the insured depository institution has a composite CAMELS rating 2 of a 1 or a 2 at the time the banking organization makes the election. Such a banking organization will be exempt from the following laws, rules, and regulations:

---

1 A “banking organization” will be defined to include (1) insured depository institutions (IDIs); (2) bank holding companies (BHCs) and savings and loan holding companies (SLHCs); (3) all companies that are treated as bank holding companies under the International Banking Act; and (4) U.S. intermediate holding companies established by a foreign banking organization.

2 The CAMELS rating is a supervisory rating system to classify an IDI’s overall condition. The components of a bank’s condition that are assessed are (1) capital adequacy; (2) asset quality; (3) management capability; (4) earnings; (5) liquidity; and (6) sensitivity to market risk. An overall CAMELS score of 3, 4 or 5 can expose an IDI to any of the informal and formal enforcement actions available to the banking agencies. These regulatory tools include memorandums of understanding, consent orders, cease and desist orders, written agreements and prompt corrective action directives, imposed in an escalating manner if an institution’s CAMELS ratings do not improve or continue to deteriorate.

3 In the case of a banking organization that is a newly-chartered insured depository institution or a banking organization that becomes a banking organization because it controls a newly-chartered insured depository institution, such banking organization may be treated as a qualifying banking organization immediately upon becoming a banking organization, if (1) an election to be treated as a qualifying banking organization was included in the application filed with the appropriate Federal banking agency in connection with becoming a banking organization; and (2) as of the date the banking organization becomes a banking organization, the banking organization’s tangible equity divided by the banking organization’s leverage exposure, expressed as a percentage, is at least 10 percent.
A "banking agency" will be defined to include: (1) the Board of Governors of the Federal Reserve System (Board of Governors); (2) the Federal Deposit Insurance Corporation (FDIC); (3) the National Credit Union Administration (NCUA); and (4) the Office of the Comptroller of the Currency (OCC).

Banking agencies will be permitted to establish regulations implementing a standard of the type provided for in Section 165(f) of the Dodd-Frank Act. Section 165(f) of the Dodd-Frank Act permits the Board of Governors to prescribe, by regulation, periodic public disclosures in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities of certain banking organizations.

For purposes of a banking organization's qualifying capital election, its leverage ratio will be calculated based on the average of its leverage ratio as calculated for each of the four most recently completed calendar quarter end-dates prior to the filing date of the notice of election. A banking organization may make a qualifying capital election by filing with its appropriate banking agency and any applicable State bank supervisor that regulates the banking organization a notice of election that sets forth its leverage ratio and that of its affiliated IDIs and BHC, as appropriate) as of each of the four most recently completed quarter end-dates and the average of its leverage ratio for such dates. A banking organization's qualifying capital election shall become effective on the 30th day after receipt by the appropriate banking agency unless such banking agency notifies the banking organization (and any applicable State bank super-

\*Banking agencies will be permitted to establish regulations implementing a standard of the type provided for in Section 165(f) of the Dodd-Frank Act. Section 165(f) of the Dodd-Frank Act permits the Board of Governors to prescribe, by regulation, periodic public disclosures in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities of certain banking organizations.

\*For purposes of a banking organization's qualifying capital election, its leverage ratio will be calculated based on the average of its leverage ratio as calculated for each of the four most recently completed calendar quarter end-dates prior to the filing date of the notice of election. A banking organization may make a qualifying capital election by filing with its appropriate banking agency and any applicable State bank supervisor that regulates the banking organization a notice of election that sets forth its leverage ratio and that of its affiliated IDIs and BHC, as appropriate) as of each of the four most recently completed quarter end-dates and the average of its leverage ratio for such dates. A banking organization's qualifying capital election shall become effective on the 30th day after receipt by the appropriate banking agency unless such banking agency notifies the banking organization (and any applicable State bank super-
The numerator of the leverage ratio, or “tangible equity,” will be composed of (1) all “common equity tier 1 capital” (as defined in the OCC’s, FDIC’s, and the Board of Governors’ existing capital rules) plus (2) existing additional tier 1 capital” (as defined in the banking agencies’ existing capital rules). Common equity tier 1 capital generally consists of total shareholders’ equity less goodwill, identifiable intangible assets, and deferred tax assets dependent on future taxable income. Additional tier 1 capital generally consists of noncumulative perpetual preferred stock. In addition, banking organizations that can treat certain trust preferred securities as tier 1 capital under the banking agencies’ existing capital rules will be permitted to include such securities in the definition of “tangible equity.” For credit unions, “tangible equity” will be defined as “net worth” as that term is defined in 12 C.F.R. 702.2.

The denominator of the leverage ratio, or “leverage exposure,” for banking organizations that are not “traditional banking organizations” or credit unions will be the same as the denominator in the final rules establishing a “supplementary leverage ratio” issued by the banking agencies on September 3, 2014. Generally, leverage exposure includes both (1) on-balance sheet assets and (2) asset-equivalents of certain off-balance sheet exposures. For traditional banking organizations, “leverage exposure” will be defined to mean total assets (minus any items deducted from common equity tier 1 capital) as calculated in accordance with generally accepted accounting principles and as reported on the traditional banking organization’s applicable regulatory filing with the banking organization’s appropriate Federal banking agency. For credit unions, “leverage exposure” will be defined as “total assets” as that term is defined in 12 C.F.R. 702.2.

If a banking organization that has made a qualifying capital election fails to maintain a 10 percent leverage ratio, then the banking organization will be (1) prohibited from making a capital distribution if its primary federal regulator objects to such distribution; (2) required to submit a capital restoration plan to its primary federal regulator (and any applicable State bank supervisor that regulates the banking organization) within three months after the date that the banking organization’s leverage ratio falls below 10 percent; and (3) required to restore its leverage ratio to at least 10 percent within one year after the date that its leverage ratio fell below 10 percent. If a banking organization fails to restore its leverage ratio to at least 10 percent within one year, then the banking organization will lose all regulatory relief. In addition, if a banking organization that has made a qualifying capital election fails to maintain a 6 percent leverage ratio, then the banking organization will immediately lose all regulatory relief. A banking organization that loses regulatory relief but subsequently maintains a 10 percent leverage ratio that regulates the banking organization) that its qualifying capital election is deficient because (1) it fails to demonstrate that the banking organization’s leverage ratio satisfies the 10 percent test or (2) in the case of an IDI, its composite CAMELS rating at the date the appropriate banking agency received its qualifying capital election was less than 1 or 2.
verage ratio for 8 consecutive calendar quarters may make a subsequent qualifying capital election.

Each banking agency will be required to conduct public hearings and deliver a report to Congress explaining how it would design a requirement that large banking organizations issue contingent capital with a market-based conversion trigger.

To address deficiencies in the prompt corrective action regime exposed by the financial crisis, the Government Accountability Office (GAO) will be directed to conduct a study and report to Congress on the pros and cons of replacing the prompt corrective action regulatory capital ratios with an objective measure based upon a bank’s level of non-performing assets.

END “TOO BIG TO FAIL” AND BANK BAILOUTS

- Implement reforms requiring greater transparency in the FSOC’s deliberations, broader participation by non-agency heads, and funding through the appropriations process.
- Repeal Title II of the Dodd-Frank Act and substitute a new chapter of the Bankruptcy Code designed to accommodate the failure of a large, complex financial institution (House-passed H.R. 2947, the Financial Institution Bankruptcy Act of 2016).
- Prohibit the use of the Exchange Stabilization Fund to bail out a financial firm or its creditors.
- Repeal the FDIC’s authority to (1) bail out creditors of “solvent” banks, and (2) bail out creditors other than insured depositors of “insolvent” banks that are in receivership.

Amend the Bank Holding Company Act to prohibit the Federal Reserve from waiving an application for a company to become a bank holding company in an emergency situation (except in the limited situation where a company is acquiring a failing bank).

  ○ Eliminate the authority of the SEC to obtain officer and director bars in administrative proceedings; and
  ○ Require GAO to submit a report to the Committee on Financial Services and the Committee on Banking, Housing and Urban Affairs on the SEC use of its authority to impose or obtain civil monetary penalties for violations of the securities laws beginning on June 1, 2010.
• Incorporate legislation drafted by the Committee on Agriculture to reform the Commodity Futures Trading Commission (CFTC), which received broad new powers over the derivatives markets in the Dodd-Frank Act (House-passed H.R. 2289, the Commodity End-User Relief Act). Specific reforms include:
  ○ Make the CFTC's division directors answerable to the entire Commission, not just the Chairman's office;
  ○ Enhance the CFTC staff procedures governing the issuance of “no-action” letters to improve Commissioners' oversight of activities happening outside the official rulemaking process;
  ○ Require the CFTC to develop a strategic technology plan every five years focused on market surveillance and risk detec-
tion, which must also include a detailed accounting of how funds provided for technology will be used;
  ○ Require the CFTC and its Office of the Chief Economist to develop comprehensive internal risk control mechanisms to safeguard market data;
  ○ Ensure that every Commissioner has a seat at the table in approving the renewal of omnibus orders of investigation that authorize the issuance of subpoenas;
  ○ Prohibit the CFTC from issuing policy statements, guidance, interpretive rules, or other procedural rules that have the ultimate effect of law, without providing the public the notice and the opportunity to comment as required in the Administrative Procedure Act;
  ○ Create a judicial review process similar to that of the SEC for rulemakings to ensure the two regulators charged with overseeing the derivatives markets have similar procedures in place to allow market participants to challenge their rules; and
  ○ Require the CFTC to finally put in place a comprehensive plan for how to address the international nature of swaps trading and to determine how to share regulatory obligations over transactions that cross international boundaries.
  • Require the SEC and CFTC to harmonize, where applicable, rulemakings, guidance, and other interpretive orders required by Title VII of the Dodd-Frank Act to simplify compliance burdens and improve oversight.
  • Demand greater accountability and transparency from the Federal Reserve, both in its conduct of monetary policy and its prudential regulatory activity (House-passed H.R. 3189, the Fed Oversight Reform and Modernization (FORM) Act) by:
    ○ Providing for a more transparent and disciplined monetary policy by requiring the Federal Reserve’s Federal Open Market Committee (FOMC) to describe how FOMC policy rate decisions compare to a well-known standard;
    ○ Establishing a more balanced rotation of the Federal Reserve’s twelve District Bank Presidents who formally vote during each FOMC meeting (with every President continuing to contribute his or her views during each meeting);
    ○ Requiring the Board of Governors’ Chair to testify before the House Financial Services Committee and the Senate Banking Committee on a quarterly basis (rather than semi-annually as provided under current law);
    ○ In instances when the Board of Governors does not have a Senate-confirmed Vice-Chair for Supervision, requiring the Board’s Vice-Chair to testify on supervisory matters before Congress on a semi-annual basis, as contemplated by the Dodd-Frank Act; and
    ○ Providing for an annual audit of the Board of Governors and the Federal Reserve banks by GAO.
  • Streamline federal resources by combining the Treasury Department’s Federal Insurance Office (FIO) and the FSOC Independent Member with insurance expertise to create one independent office that is both more accountable and more capable of effectively defending U.S. interests in international insurance negotiations.
• Create greater transparency for financial regulators by requiring them to release for notice and comment a public disclosure of any positions they plan to take as part of international regulatory negotiations, and provide a public report to Congress on the negotiations at their conclusion.
• Impose an across-the-board requirement on all of the financial regulators that they conduct detailed cost-benefit analysis, with limited exemptions for Self-Regulatory Organizations in certain circumstances, when promulgating regulations and perform a retrospective review of those regulations against a pre-defined set of metrics to evaluate success or failure every five years.
• Increase oversight of all of the financial regulatory agencies to by subjecting them to the annual appropriations process. For the Federal Reserve, subject prudential regulatory and financial supervision activities to appropriations, while leaving monetary policy off-budget.
• Harmonize the bureaucratic structures of federal financial regulatory agencies so they all reflect multiple, bipartisan viewpoints with independent members by:
  - Converting regulatory agencies currently headed by single directors—CFPB, the OCC, and the Federal Housing Finance Agency (FHFA)—into bipartisan, five-member commissions;
  - Increasing the NCUA’s board membership from three to five; and
  - Modifying the composition of the FDIC’s five-member board by replacing the CFPB Director and the Comptroller of the Currency with two independent members.
• Require that all major financial regulations (those likely to result in (1) an annual economic impact of more than $100 million, (2) a major increase in prices for consumers or costs for businesses, or (3) significant adverse effects on competition, employment, investment, productivity or innovation, or international competitiveness) receive affirmative congressional approval before becoming effective (House-passed H.R. 427, Regulations from the Executive in Need of Scrutiny (REINS) Act).
• Repeal the Chevron doctrine requiring judicial deference to agency interpretations by altering the standard of judicial review in the Administrative Procedure Act as it relates to financial regulatory agencies.
• Overhaul the current regime for stress testing banks, by implementing the following reforms that require the banking agencies to:
  - Issue regulations, after providing for notice and comment, that provide for at least three different sets of conditions—baseline, adverse, and severely adverse—under which the evaluation required by Section 165 of the Dodd-Frank Act or under the banking agencies’ rules implementing stress testing requirements will be conducted and the methodologies employed, including models to estimate losses on certain assets;
  - Provide copies of such regulations to GAO and the Panel of Economic Advisors of the Congressional Budget Office before publishing such regulation; and
  - Publish a summary of all stress test results.
• Overhaul the current “living will” regime outlined in Section 165 of the Dodd-Frank Act, by requiring that banking agencies:
Can only request a “living will” once every two years from a banking organization;
- Must provide feedback on “living wills” to banking organizations within six months of their submission; and
- Must publicly disclose their assessment frameworks.

- Create a credit union advisory council at the NCUA.

DEMAND ACCOUNTABILITY FROM WALL STREET THROUGH ENHANCED PENALTIES FOR FRAUD AND DECEPTION

- Impose enhanced penalties for financial fraud and self-dealing, and promote greater transparency and accountability in the civil enforcement process:
  - Double the statutory cap for the most serious securities law violations to $300,000 per violation for individuals and $1.45 million for companies;
  - Allow the SEC to triple the monetary fines sought in both administrative and civil actions in certain cases where the penalties are tied to the defendant’s illegal profits. (Currently, securities laws allow the SEC to calculate penalties equal to a defendant’s “gross amount of pecuniary gain.”);  
  - Give the SEC new authority to impose sanctions equal to investor losses in cases involving “fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement” where the loss, risk of loss, or pecuniary gain is significant;
  - Within five years of a prior criminal conviction or civil judgment or order regarding securities fraud, subject repeat offenders to triple damages by creating a new “fourth tier” of penalties that the SEC may impose;
  - Increase the civil penalties that the Public Company Accounting Oversight Board (PCAOB) may impose on a registered public accounting firm from $2 million to $4,000,000, and from $100,000 to $200,000 for an individual associated with such a firm; and from $15,000,000 to $20,000,000 and $750,000 to $1,000,000 for firms and individuals, respectively, engaged in intentional or knowing violations;
  - Increase the maximum criminal fines for individuals specified in Section 32(a) of the Securities Exchange Act of 1934, for such violations as insider trading, from $5 million to $7 million;
  - Increase statutory criminal penalties for prohibited foreign trade practices that constitute willful violations of the Foreign Corrupt Practices Act of 1977 from $2 million to $4 million for issuers and from $100,000 to $250,000 for individuals;
  - Increase statutory civil penalties for violations of the Foreign Corrupt Practices Act, from $10,000 to $50,000 for issuers and individuals;
  - Double the civil penalty that the SEC may impose on any person who, at the time of an insider trading violation, directly or indirectly controlled the person who committed such violation, from $1 million to $2 million;
  - Provide that any monetary sanctions required to be paid pursuant to an SEC enforcement action, including any interest, may be added to and become part of a distribution fund for injured investors;
Provide the SEC with the ability to maintain the confidentiality of records obtained from foreign law enforcement and foreign securities authorities;
Amend Section 105 of the Sarbanes-Oxley Act to ensure that the PCAOB is fully responsive and accountable to Congress;
Amend Section 109(c) of the Sarbanes-Oxley Act to require that all fines collected by the PCAOB be remitted to Treasury for deficit reduction;
Require that all fines that would otherwise be remitted to the Municipal Securities Rulemaking Board (MSRB) go to Treasury for deficit reduction; and
Increase the maximum civil and criminal penalty amounts that can be assessed under the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 for violations involving financial institutions from $1 million to $1,500,000.

• Repeal the Volcker Rule (Section 619 of the Dodd-Frank Act);

• Exempt all non-residential mortgage asset classes from the Dodd-Frank Act’s risk retention requirements for asset-backed securities;

• Repeal the SEC’s authority to both prospectively and retroactively eliminate or restrict securities arbitration;
• Repeal the SEC’s authority to further restrict the ability to engage in legitimate securities short selling;
• Repeal or amend provisions that increase credit rating agency civil liability and serve as barriers to entry for new market participants;
• Provide the SEC with the authority to perform risk-based examinations of credit rating agencies;
• Amend Section 15E of the Securities Exchange Act, as amended by the Dodd-Frank Act, to provide the SEC with clear exemptive authority if the SEC determines that any rules relating to credit rating agencies creates a barrier to entry into the credit rating agency market or impedes competition among credit rating agencies;

• Repeal CFPB’s ability to give grants to the North American Securities Administrators Association (the state securities regulator trade association) to create programs regarding false designations. Repealing this provision also eliminates a lapsed authorization of appropriations of $40 million for FY 2011–2015 ($8 million each year).
• Incorporate the following Committee- or House-passed capital formation bills:
  Æ H.R. 686, the Small Business Mergers, Acquisitions, Sales, and Brokerage Simplification Act (Rep. Huizenga)
  Amends Section 15(b) of the Securities Exchange Act of 1934 to create a simplified SEC registration system for firms known as M&A brokers that perform services in connection with the transfer of ownership of smaller privately held companies.
  Æ H.R. 1090, the Retail Investor Protection Act (Rep. Wagner)
  Repeals the Department of Labor’s (DOL’s) fiduciary rule and restricts DOL from promulgating similar regulations until after the SEC exercises its authority under Section 913 of the Dodd-Frank Act. Requires that before the SEC issues a final rule to implement Section 913 of the Dodd-Frank Act, it must first engage in a complete analysis of the rule’s impacts on the availability of retirement product and access to retirement advice for retail investors.
  Æ H.R. 1675, the Encouraging Employee Ownership Act (Rep. Hultgren)
  Amends SEC Rule 701, originally adopted in 1988 under Section 3(b) of the Securities Act of 1933 (Securities Act) and last updated in 1999. The legislation requires the SEC to in-
crease that threshold from $5 million to $10 million and index the amount for inflation every five years.

  Provides a voluntary exemption for all Emerging Growth Companies and other issuers with annual gross revenues under $250 million from the SEC requirements to file financial statements in an interactive data format known as eXtensible Business Reporting Language (XBRL).

- **H.R. 1975, the Securities and Exchange Commission Overpayment Credit Act (Rep. Meeks)**
  Authorizes the SEC to refund overpayments of fees made by national securities exchanges and other self-regulatory organizations under Section 31 of the Exchange Act. The SEC has refused to refund these overpayments because it believes it lacks the authority to do so under current law.

  Amends the definition of accredited investor under the Securities Act to expand the pool of eligible investors in private securities offerings.

- **H.R. 4139, the Fostering Innovation Act (Rep. Sinema)**
  Extends the time period in which Emerging Growth Companies must comply with Section 404(b) of the Sarbanes-Oxley Act (SOX). Section 404 requires the management of a company to assess the effectiveness of the company's internal controls for financial reporting and mandates that a public company's auditor attest to, and report on, the management's assessment. The significant compliance costs associated with Section 404(b) disproportionately harm small companies, diverting resources from growth to regulatory costs.
Requires the SEC to respond to any findings and recommendations, within its jurisdiction, put forth by the SEC's annual Government-Business Forum on Small Business Capital Formation.

- **H.R. 4852, the Private Placement Improvement Act (Rep. Garrett)**
  
  Prohibits the SEC from issuing regulations that would frustrate Title II of the JOBS Act, which lifted the ban on general solicitation or advertising for Reg D Rule 506 private offerings.

- **H.R. 4854, the Supporting America’s Innovators Act (Rep. McHenry)**

COMMITTEE OVERSIGHT FINDINGS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the findings and recommendations of the Committee based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee states that H.R. 5893 will end taxpayer funded bailouts of large financial institutions, make federal financial regulators more transparent and accountable, facilitate the implementation of rules-based monetary policy, enhance capital formation, and provide relief for community financial institutions.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee estimates that while H.R. 5983 does contain specified amounts of new budget authority, it does not contain entitlement authority, or tax expenditures or revenues. The Committee adopts as its own the estimate to be prepared by the Congressional Budget Office concerning such new budget authority.

COMMITTEE COST ESTIMATE

The Committee adopts as its own the cost estimate to be prepared by the Congressional Budget Office.

CONGRESSIONAL BUDGET OFFICE ESTIMATES

With respect to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, an estimate and comparison prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974 was not submitted to the Committee before the filing of this report.

FEDERAL MANDATES STATEMENT

Pursuant to Section 423 of the Unfunded Mandates Reform Act (UMRA), the Committee adopts as its own the estimate of federal mandates to be prepared by the Congressional Budget Office.

ADVISORY COMMITTEE STATEMENT

Five advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act are created within this legislation. Pursuant to the Act, the Committee determines that the functions of each proposed advisory committee are not presently being performed by an agency or existing advisory committee. The Committee further determines that such functions cannot be performed by enlarging the mandate of an existing advisory committee. The advisory committees created by the Financial CHOICE Act are as follows: (1) the Small Business Advisory Board (Sec. 1014A(a)); (2)
the Credit Union Advisory Council (Sec. 1014A(b)); (3) the Community Bank Advisory Council (Sec. 1014A(c)); (4) the Small Business Capital Formation Advisory Committee (Sec. 1031(b)); and (5) the National Credit Union Administration Advisory Council (Sec. 1181).

**Applicability to Legislative Branch**

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

**Earmark Identification**

H.R. 5983 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

**Duplication of Federal Programs**

Pursuant to section 3(g) of H. Res. 5, 114th Cong. (2015), the Committee states that no provision of H.R. 5983 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

**Disclosure of Directed Rulemaking**

Pursuant to section 3(i) of H. Res. 5, 114th Cong. (2015), the Committee states that H.R. 5983 contains approximately 19 directed rulemakings.

SEC. 165. ENHANCED SUPERVISION AND PRUDENTIAL STANDARDS FOR NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD OF GOVERNORS AND CERTAIN BANK HOLDING COMPANIES.

(a) IN GENERAL.—

(2) TAILORED APPLICATION.—

(A) IN GENERAL.—In prescribing more stringent prudential standards under this section, the Board of Governors may, on its own or pursuant to a recommendation by the Council in accordance with section 115, differentiate among companies on an individual basis or by category, taking into consideration their capital structure, riskiness, complexity, financial activities (including the financial activities of their subsidiaries), size, and any other risk-related factors that the Board of Governors deems appropriate.

(i) risk-based capital requirements and leverage limits, unless the Board of Governors, in consultation with the Council, determines that such requirements are not appropriate for a company subject to more stringent prudential standards because of the activities of such company (such as investment company activities or assets under management) or structure, in which case, the Board of Governors shall apply other
standards that result in similarly stringent risk controls;
(ii) liquidity requirements;
(iii) overall risk management requirements;
(iv) resolution plan and credit exposure report requirements; and

(C) take into account any recommendations of the Council under section 115; and]
[(D) (B) adapt the required standards as appropriate in light of any predominant line of business of such company,
including assets under management or other activities for which particular standards may not be appropriate.

(4) CONSULTATION.—Before imposing prudential standards or any other requirements pursuant to this section, including notices of deficiencies in resolution plans and more stringent requirements or divestiture orders resulting from such notices, that are likely to have a significant impact on a functionally regulated subsidiary or depository institution subsidiary of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors shall consult with each Council member that primarily supervises any such subsidiary with respect to any such standard or requirement.

(5) FAILURE TO RESUBMIT CREDIBLE PLAN.—
If a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) fails to timely resubmit the resolution plan as required under paragraph (4), with such revisions as are required under subparagraph (B), the Board of Governors and the Corporation may jointly impose more stringent capital, leverage, or liquidity requirements, or restrictions on the growth, activities, or operations of the company, or any subsidiary thereof, until such time as the company resubmits a plan that remedies the deficiencies.

Not later than 18 months after the date of enactment of this Act, the Board of Governors and the Corporation shall jointly issue final rules implementing this subsection.

(1) Requirement.—The Board of Governors shall require a bank holding company with total consolidated assets equal to or greater than $50,000,000,000 or a nonbank financial company supervised by the Board of Governors to maintain a debt to equity ratio of no more than 15 to 1, upon a determination by the Council that such company poses a grave threat to the financial stability of the United States and that the imposition of such requirement is necessary to mitigate the risk that such company poses to the financial stability of the United States. Nothing in this paragraph shall apply to a Federal home loan bank.

(2) Considerations.—In making a determination under this subsection, the Council shall consider the factors described in subsections (a) and (b) of section 113 and any other risk-related factors that the Council deems appropriate.

(3) Regulations.—The Board of Governors shall promulgate regulations to establish procedures and timelines for complying with the requirements of this subsection.

(k) Inclusion of Off-Balance-Sheet Activities in Computing Capital Requirements.—

(1) In General.—In the case of any bank holding company described in subsection (a) or nonbank financial company supervised by the Board of Governors, the computation of capital for purposes of meeting capital requirements shall take into account any off-balance-sheet activities of the company.

(2) Exemptions.—If the Board of Governors determines that an exemption from the requirement under paragraph (1) is appropriate, the Board of Governors may exempt a company, or any transaction or transactions engaged in by such company, from the requirements of paragraph (1).

(3) Off-Balance-Sheet Activities Defined.—For purposes of this subsection, the term “off-balance-sheet activities” means an existing liability of a company that is not currently a balance sheet liability, but may become one upon the happening of some future event, including the following transactions, to the extent that they may create a liability:

(A) Direct credit substitutes in which a bank substitutes its own credit for a third party, including standby letters of credit.

(B) Irrevocable letters of credit that guarantee repayment of commercial paper or tax-exempt securities.

(C) Risk participations in bankers’ acceptances.

(D) Sale and repurchase agreements.

(E) Asset sales with recourse against the seller.

(F) Interest rate swaps.

SEC. 166. EARLY REMEDIATION REQUIREMENTS.

(a) IN GENERAL.—The Board of Governors, in consultation with the Council and the Corporation, shall prescribe regulations establishing requirements to provide for the early remediation of financial distress of a nonbank financial company supervised by the Board of Governors or a bank holding company described in section 165(a), except that nothing in this subsection authorizes the provision of financial assistance from the Federal Government.

(b) PURPOSE OF THE EARLY REMEDIATION REQUIREMENTS.—The purpose of the early remediation requirements under subsection (a) shall be to establish a series of specific remedial actions to be taken by a nonbank financial company supervised by the Board of Governors or a bank holding company described in section 165(a) that is experiencing increasing financial distress, in order to minimize the probability that the company will become insolvent and the potential harm of such insolvency to the financial stability of the United States.

(c) REMEDIATION REQUIREMENTS.—The regulations prescribed by the Board of Governors under subsection (a) shall—

(1) define measures of the financial condition of the company, including regulatory capital, liquidity measures, and other forward-looking indicators; and

(2) establish requirements that increase in stringency as the financial condition of the company declines, including—

(A) requirements in the initial stages of financial decline, including limits on capital distributions, acquisitions, and asset growth; and

(B) requirements at later stages of financial decline, including a capital restoration plan and capital-raising requirements, limits on transactions with affiliates, management changes, and asset sales.

SEC. 167. AFFILIATIONS.

(a) AFFILIATIONS.—Nothing in this subtitle shall be construed to require a nonbank financial company supervised by the Board of Governors, or a company that controls a nonbank financial company supervised by the Board of Governors, to conform the activities thereof to the requirements of section 4 of the Bank Holding Company Act of 1956 (12 U.S.C. 1843).

(b) REQUIREMENT.—

(1) IN GENERAL.—

(A) BOARD AUTHORITY.—If a nonbank financial company supervised by the Board of Governors conducts activities other than those that are determined to be financial in nature or incidental thereto under section 4(k) of the Bank Holding Company Act of 1956, the Board of Governors may require such company to establish and conduct all or a portion of such activities that are determined to be financial in nature or incidental thereto in or through an intermediate holding company established pursuant to regulation of the Board of Governors, not later than 90 days (or such longer period as the Board of Governors may deem appropriate) after the date on which the nonbank financial company supervised by the Board of Governors is notified of the determination of the Board of Governors under this section.
(B) NECESSARY ACTIONS.—Notwithstanding subpara-
graph (A), the Board of Governors shall require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company if the Board of Governors makes a determination that the establishment of such intermediate holding company is necessary to—

(i) appropriately supervise activities that are deter-

mined to be financial in nature or incidental thereto;
or

(ii) to ensure that supervision by the Board of Gov-

ernors does not extend to the commercial activities of such nonbank financial company.

(2) INTERNAL FINANCIAL ACTIVITIES.—For purposes of this subsection, activities that are determined to be financial in na-

ture or incidental thereto under section 4(k) of the Bank Hold-

ing Company Act of 1956, as described in paragraph (1), shall not include internal financial activities, including internal treasury, investment, and employee benefit functions. With re-

spect to any internal financial activity engaged in for the com-

pany or an affiliate and a non-affiliate of such company during the year prior to the date of enactment of this Act, such com-

pany (or an affiliate that is not an intermediate holding com-

pany or subsidiary of an intermediate holding company) may continue to engage in such activity, as long as not less than 2/3 of the assets or 2/3 of the revenues generated from the activ-

ity are from or attributable to such company or an affiliate, subject to review by the Board of Governors, to determine whether engaging in such activity presents undue risk to such company or to the financial stability of the United States.

(3) SOURCE OF STRENGTH.—A company that directly or indi-

rectly controls an intermediate holding company established under this section shall serve as a source of strength to its sub-

sidiary intermediate holding company.

(4) PARENT COMPANY REPORTS.—The Board of Governors may, from time to time, require reports under oath from a com-

pany that controls an intermediate holding company, and from the appropriate officers or directors of such company, solel

y for purposes of ensuring compliance with the provisions of this section, including assessing the ability of the company to serve as a source of strength to its subsidiary intermediate holding company pursuant to paragraph (3) and enforcing such compli-

ance.

(5) LIMITED PARENT COMPANY ENFORCEMENT.—

(A) IN GENERAL.—In addition to any other authority of the Board of Governors, the Board of Governors may enforce compliance with the provisions of this subsection that are applicable to any company described in paragraph (1) that controls an intermediate holding company under sec-

tion 8 of the Federal Deposit Insurance Act, and such company shall be subject to such section (solely for such pur-

poses) in the same manner and to the same extent as if such company were a bank holding company.

(B) APPLICATION OF OTHER ACT.—Any violation of this subsection by any company that controls an intermediate holding company may also be treated as a violation of the
Federal Deposit Insurance Act for purposes of subparagraph (A).

|(C) No effect on other authority.—No provision of this paragraph shall be construed as limiting any authority of the Board of Governors or any other Federal agency under any other provision of law.

|(c) Regulations.—The Board of Governors—

| (1) shall promulgate regulations to establish the criteria for determining whether to require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company under subsection (b); and

| (2) may promulgate regulations to establish any restrictions or limitations on transactions between an intermediate holding company or a nonbank financial company supervised by the Board of Governors and its affiliates, as necessary to prevent unsafe and unsound practices in connection with transactions between such company, or any subsidiary thereof, and its parent company or affiliates that are not subsidiaries of such company, except that such regulations shall not restrict or limit any transaction in connection with the bona fide acquisition or lease by an unaffiliated person of assets, goods, or services.

SEC. 168. Regulations.

The Board of Governors shall have authority to issue regulations to implement subtitles A and C and the amendments made thereunder. Except as otherwise specified in subtitle A or C, not later than 18 months after the effective date of this Act, the Board of Governors shall issue final regulations to implement subtitles A and C, and the amendments made thereunder.

SEC. 170. Safe Harbor.

(a) Regulations.—The Board of Governors shall promulgate regulations on behalf of, and in consultation with, the Council setting forth the criteria for exempting certain types or classes of U.S. nonbank financial companies or foreign nonbank financial companies from supervision by the Board of Governors.

(b) Considerations.—In developing the criteria under subsection (a), the Board of Governors shall take into account the factors for consideration described in subsections (a) and (b) of section 113 in determining whether a U.S. nonbank financial company or foreign nonbank financial company shall be supervised by the Board of Governors.

(c) Rule of Construction.—Nothing in this section shall be construed to require supervision by the Board of Governors of a U.S. nonbank financial company or foreign nonbank financial company, if such company does not meet the criteria for exemption established under subsection (a).

(d) Revisions.—

(1) In general.—The Board of Governors shall, in consultation with the Council, review the regulations promulgated under subsection (a), not less frequently than every 5 years, and based upon the review, the Board of Governors may revise such regulations on behalf of, and in consultation with, the Council to update as necessary the criteria set forth in such regulations.
TRANSITION PERIOD.—No revisions under paragraph (1) shall take effect before the end of the 2-year period after the date of publication of such revisions in final form.

REPORT.—The Chairman of the Board of Governors and the Chairperson of the Council shall submit a joint report to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives not later than 30 days after the date of the issuance in final form of regulations under subsection (a), or any subsequent revision to such regulations under subsection (d), as applicable. Such report shall include, at a minimum, the rationale for exemption and empirical evidence to support the criteria for exemption.

(B) LIMITATION.—Before conducting a special examination of a nonbank financial company supervised by the Board of Governors or a bank holding company described in section 165(a) of the Financial Stability Act of 2010, the Corporation shall review any available and acceptable resolution plan that the company has submitted in accordance with section 165(d) of that Act, consistent with the nonbinding effect of such plan, and available reports of examination, and shall coordinate to the maximum extent practicable with the Board of Governors, in order to minimize duplicative or conflicting examinations.”.

[(3) by adding at the end the following:
"(6) POWERS AND DUTIES WITH RESPECT TO DEPOSITORY INSTITUTION HOLDING COMPANIES.—For purposes of exercising the backup authority provided in this subsection—
"(A) the Corporation shall have the same powers with respect to a depository institution holding company and its affiliates as the appropriate Federal banking agency has with respect to the holding company and its affiliates; and
"(B) the holding company and its affiliates shall have the same duties and obligations with respect to the Corporation as the holding company and its affiliates have with respect to the appropriate Federal banking agency.”.
[(c) RULE OF CONSTRUCTION.—Nothing in this Act shall be construed to limit or curtail the Corporation’s current authority to examine or bring enforcement actions with respect to any insured depository institution or institution-affiliated party.]

SEC. 174. STUDIES AND REPORTS ON HOLDING COMPANY CAPITAL REQUIREMENTS.
[(a) STUDY OF HYBRID CAPITAL INSTRUMENTS.—The Comptroller General of the United States, in consultation with the Board of Governors, the Comptroller of the Currency, and the Corporation, shall conduct a study of the use of hybrid capital instruments as a component of Tier 1 capital for banking institutions and bank holding companies. The study shall consider—
[(1) the current use of hybrid capital instruments, such as trust preferred shares, as a component of Tier 1 capital;
[(2) the differences between the components of capital permitted for insured depository institutions and those permitted for companies that control insured depository institutions;
[(3) the benefits and risks of allowing such instruments to be used to comply with Tier 1 capital requirements;
[(4) the economic impact of prohibiting the use of such capital instruments for Tier 1;
[(5) a review of the consequences of disqualifying trust preferred instruments, and whether it could lead to the failure or undercapitalization of existing banking organizations;
[(6) the international competitive implications prohibiting hybrid capital instruments for Tier 1;
[(7) the impact on the cost and availability of credit in the United States from such a prohibition;
the availability of capital for financial institutions with less than $10,000,000,000 in total assets; and any other relevant factors relating to the safety and soundness of our financial system and potential economic impact of such a prohibition.

(b) Study of Foreign Bank Intermediate Holding Company Capital Requirements.—The Comptroller General of the United States, in consultation with the Secretary, the Board of Governors, the Comptroller of the Currency, and the Corporation, shall conduct a study of capital requirements applicable to United States intermediate holding companies of foreign banks that are bank holding companies or savings and loan holding companies. The study shall consider—

(1) current Board of Governors policy regarding the treatment of intermediate holding companies; (2) the principle of national treatment and equality of competitive opportunity for foreign banks operating in the United States; (3) the extent to which foreign banks are subject on a consolidated basis to home country capital standards comparable to United States capital standards; (4) potential effects on United States banking organizations operating abroad of changes to United States policy regarding intermediate holding companies; (5) the impact on the cost and availability of credit in the United States from a change in United States policy regarding intermediate holding companies; and (6) any other relevant factors relating to the safety and soundness of our financial system and potential economic impact of such a prohibition.

(c) Report.—Not later than 18 months after the date of enactment of this Act, the Comptroller General of the United States shall submit reports to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives summarizing the results of the studies required under subsection (a). (c) By the Board of Governors and the Secretary.—The Board of Governors and the Secretary shall consult with their for-
eign counterparts and through appropriate multilateral organizations to encourage comprehensive and robust prudential supervision and regulation for all highly leveraged and interconnected financial companies.

**BANK HOLDING COMPANY ACT OF 1956**

ACQUISITION OF BANK SHARES OR ASSETS

SEC. 3. (a) It shall be unlawful, except with the prior approval of the Board, (1) for any action to be taken that causes any company to become a bank holding company; (2) for any action to be taken that causes a bank to become a subsidiary of a bank holding company; (3) for any bank holding company to acquire direct or indirect ownership or control of any voting shares of any bank if, after such acquisition, such company will directly or indirectly own or control more than 5 per centum of the voting shares of such bank; (4) for any bank holding company or subsidiary thereof, other than a bank, to acquire all or substantially all of the assets of a bank; or (5) for any bank holding company to merge or consolidate with any other bank holding company. Notwithstanding the foregoing this prohibition shall not apply to (A) shares acquired by a bank, (i) in good faith in a fiduciary capacity, except where such shares are held under a trust that constitutes a company as defined in section 2(b) and except as provided in paragraphs (2) and (3) of section 2(g), or (ii) in the regular course of securing or collecting a debt previously contracted in good faith, but any shares acquired after the date of enactment of this Act in securing or collecting any such previously contracted debt shall be disposed of within a period of two years from the date on which they were acquired; (B) additional shares acquired by a bank holding company in a bank in which such bank holding company owned or controlled a majority of the voting shares prior to such acquisition; or (C) the acquisition, by a company, of control of a bank in a reorganization in which a person or group of persons exchanges their shares of the bank for shares of a newly formed bank holding company and receives after the reorganization substantially the same proportional share interest in the holding company as they held in the bank except for changes in shareholders’ interests resulting from the exercise of dissenting shareholders’ rights under State or Federal law if—

(i) immediately following the acquisition—

(I) the bank holding company meets the capital and other financial standards prescribed by the Board by regulation for such a bank holding company; and

(II) the bank is adequately capitalized (as defined in section 38 of the Federal Deposit Insurance Act);
(ii) the holding company does not engage in any activities other than those of managing and controlling banks as a result of the reorganization;

(iii) the company provides 30 days prior notice to the Board and the Board does not object to such transaction during such 30-day period; and

(iv) the holding company will not acquire control of any additional bank as a result of the reorganization.

The Board is authorized upon application by a bank to extend, from time to time for not more than one year at a time, the two-year period referred to above for disposing of any shares acquired by a bank in the regular course of securing or collecting a debt previously contracted in good faith, if, in the Board's judgment, such an extension would not be detrimental to the public interest, but no such extension shall in the aggregate exceed three years. For the purpose of the preceding sentence, bank shares acquired after the date of enactment of the Bank Holding Company Act Amendments of 1970 shall not be deemed to have been acquired in good faith in a fiduciary capacity if the acquiring bank or company has sole discretionary authority to exercise voting rights with respect thereto, but in such instances acquisitions may be made without prior approval of the Board if the Board, upon application filed within ninety days after the shares are acquired, approves retention or, if retention is disapproved, the acquiring bank disposes of the shares or its sole discretionary voting rights within two years after issuance of the order of disapproval.

(b)(1) NOTICE AND HEARING REQUIREMENTS.—[Upon receiving]

(A) IN GENERAL.—Upon receiving from a company any application for approval under this section, the Board shall give notice to the Comptroller of the Currency, if the applicant company or any bank the voting shares or assets of which are sought to be required is a national banking association, or to the appropriate supervisory authority of the interested State, if the applicant company or any bank the voting shares or assets of which are sought to be acquired is a State bank, in order to provide for the submission of the views and recommendations of the Comptroller of the Currency or the State supervisory authority, as the case may be. The views and recommendations shall be submitted within thirty calendar days of the date on which notice is given, or within ten calendar days of such date if the Board advises the Comptroller of the Currency or the State supervisory authority that an emergency exists requiring expeditious action. If the thirty-day notice period applies and if the Comptroller of the Currency or the State supervisory authority so notified by the Board disapproves the application in writing within this period, the Board shall forthwith give written notice of that fact to the applicant. Within three days after giving such notice to the applicant, the Board shall notify in writing the applicant and the disapproving authority of the date for commencement of a hearing by it on such application. Any such hearing shall be commenced not less than ten nor more than thirty days after the Board has given written notice to the applicant of the action of the disapproving authority. The
length of any such hearing shall be determined by the Board, but it shall afford all interested parties a reasonable opportunity to testify at such hearing. At the conclusion thereof, the Board shall, by order, grant or deny the application on the basis of the record made at such hearing. In the event of the failure of the Board to act on any application for approval under this section within the ninety-one-day period which begins on the date of submission to the Board of the complete record on that application, the application shall be deemed to have been granted.

(B) IMMEDIATE ACTION.—

(i) IN GENERAL.—Notwithstanding any other provision of this subsection, if the Board finds that it must act immediately on any application for approval under this section in order to prevent the probable failure of a bank or bank holding company involved in a proposed acquisition, merger, or consolidation transaction, the Board may dispense with the notice requirements of this subsection, and if notice is given, the Board may request that the views and recommendations of the Comptroller of the Currency or the State supervisory authority, as the case may be, be submitted immediately in any form or by any means acceptable to the Board. If the Board has found pursuant to this subsection either that an emergency exists requiring expeditious action or that it must act immediately to prevent probable failure, the Board may grant or deny any such application without a hearing notwithstanding any recommended disapproval by the appropriate supervisory authority.

(ii) EXCEPTION.—The Board may not take any action pursuant to clause (i) on an application that would cause any company to become a bank holding company unless such application involves the company acquiring a bank that is critically undercapitalized (as such term is defined under section 38(b) of the Federal Deposit Insurance Act).

(2) WAIVER IN CASE OF BANK IN DANGER OF CLOSING.—If the Board receives a certification described in section 13(f)(8)(D) of the Federal Deposit Insurance Act from the appropriate Federal or State chartering authority that a bank is in danger of closing, the Board may dispense with the notice and hearing requirements of paragraph (1) with respect to any application received by the Board relating to the acquisition of such bank, the bank holding company which controls such bank, or any other affiliated bank.

(c) FACTORS FOR CONSIDERATION BY BOARD.—

(1) COMPETITIVE FACTORS.—The Board shall not approve—

(A) any acquisition or merger or consolidation under this section which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States, or

(B) any other proposed acquisition or merger or consolidation under this section whose effect in any section of the country
may be substantially to lessen competition, or to tend to create a monopoly, or which in any other manner would be in restraints or trade, unless it finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served.

(2) Banking and Community Factors.—In every case, the Board shall take into consideration the financial and managerial resources and future prospects of the company or companies and the banks concerned, and the convenience and needs of the community to be served.

(3) Supervisory Factors.—The Board shall disapprove any application under this section by any company if—

(A) the company fails to provide the Board with adequate assurances that the company will make available to the Board such information on the operations or activities of the company, and any affiliate of the company, as the Board determines to be appropriate to determine and enforce compliance with this Act; or

(B) in the case of an application involving a foreign bank, the foreign bank is not subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in the bank's home country.

(4) Treatment of Certain Bank Stock Loans.—Notwithstanding any other provision of law, the Board shall not follow any practice or policy in the consideration of any application for the formation of a one-bank holding company if following such practice or policy would result in the rejection of such application solely because the transaction to form such one-bank holding company involves a bank stock loan which is for a period of not more than twenty-five years. The previous sentence shall not be construed to prohibit the Board from rejecting any application solely because the other financial arrangements are considered unsatisfactory. The Board shall consider transactions involving bank stock loans for the formation of a one-bank holding company having a maturity of twelve years or more on a case by case basis and no such transaction shall be approved if the Board believes the safety or soundness of the bank may be jeopardized.

(5) Managerial Resources.—Consideration of the managerial resources of a company or bank under paragraph (2) shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or bank.

(6) Money Laundering.—In every case, the Board shall take into consideration the effectiveness of the company or companies in combatting money laundering activities, including in overseas branches.

(7) Financial Stability.—In every case, the Board shall take into consideration the extent to which a proposed acquisition, merger, or consolidation would result in greater or more concentrated risks to the stability of the United States banking or financial system.

(d) Interstate Banking.—

(1) Approvals Authorized.—
(A) Acquisition of Banks.—The Board may approve an application under this section by a bank holding company that is well capitalized and well managed to acquire control of, or acquire all or substantially all of the assets of, a bank located in a State other than the home State of such bank holding company, without regard to whether such transaction is prohibited under the law of any State.

(B) Preservation of State Age Laws.—

(i) In General.—Notwithstanding subparagraph (A), the Board may not approve an application pursuant to such subparagraph that would have the effect of permitting an out-of-State bank holding company to acquire a bank in a host State that has not been in existence for the minimum period of time, if any, specified in the statutory law of the host State.

(ii) Special Rule for State Age Laws Specifying a Period of More Than 5 Years.—Notwithstanding clause (i), the Board may approve, pursuant to subparagraph (A), the acquisition of a bank that has been in existence for at least 5 years without regard to any longer minimum period of time specified in a statutory law of the host State.

(C) Shell Banks.—For purposes of this subsection, a bank that has been chartered solely for the purpose of, and does not open for business prior to, acquiring control of, or acquiring all or substantially all of the assets of, an existing bank shall be deemed to have been in existence for the same period of time as the bank to be acquired.

(D) Effect on State Contingency Laws.—No provision of this subsection shall be construed as affecting the applicability of a State law that makes an acquisition of a bank contingent upon a requirement to hold a portion of such bank’s assets available for call by a State-sponsored housing entity established pursuant to State law, if—

(i) the State law does not have the effect of discriminating against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or bank holding companies;

(ii) that State law was in effect as of the date of enactment of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994;

(iii) the Federal Deposit Insurance Corporation has not determined that compliance with such State law would result in an unacceptable risk to the Deposit Insurance Fund; and

(iv) the appropriate Federal banking agency for such bank has not found that compliance with such State law would place the bank in an unsafe or unsound condition.

(2) Concentration Limits.—

(A) Nationwide Concentration Limits.—The Board may not approve an application pursuant to paragraph (1)(A) if the applicant (including all insured depository institutions which are affiliates of the applicant) controls, or upon consummation of the acquisition for which such ap-
application is filed would control, more than 10 percent of the total amount of deposits of insured depository institutions in the United States.

(B) STATEWIDE CONCENTRATION LIMITS OTHER THAN WITH RESPECT TO INITIAL ENTRIES.—The Board may not approve an application pursuant to paragraph (1)(A) if—

(i) immediately before the consummation of the acquisition for which such application is filed, the applicant (including any insured depository institution affiliate of the applicant) controls any insured depository institution or any branch of an insured depository institution in the home State of any bank to be acquired or in any host State in which any such bank maintains a branch; and

(ii) the applicant (including all insured depository institutions which are affiliates of the applicant), upon consummation of the acquisition, would control 30 percent or more of the total amount of deposits of insured depository institutions in any such State.

(C) EFFECTIVENESS OF STATE DEPOSIT CAPS.—No provision of this subsection shall be construed as affecting the authority of any State to limit, by statute, regulation, or order, the percentage of the total amount of deposits of insured depository institutions in the State which may be held or controlled by any bank or bank holding company (including all insured depository institutions which are affiliates of the bank or bank holding company) to the extent the application of such limitation does not discriminate against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or holding companies.

(D) EXCEPTIONS TO SUBPARAGRAPH (B).—The Board may approve an application pursuant to paragraph (1)(A) without regard to the applicability of subparagraph (B) with respect to any State if—

(i) there is a limitation described in subparagraph (C) in a State statute, regulation, or order which has the effect of permitting a bank or bank holding company (including all insured depository institutions which are affiliates of the bank or bank holding company) to control a greater percentage of total deposits of all insured depository institutions in the State than the percentage permitted under subparagraph (B); or

(ii) the acquisition is approved by the appropriate State bank supervisor of such State and the standard on which such approval is based does not have the effect of discriminating against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or holding companies.

(E) DEPOSIT DEFINED.—For purposes of this paragraph, the term “deposit” has the same meaning as in section 3(l) of the Federal Deposit Insurance Act.

(3) COMMUNITY REINVESTMENT COMPLIANCE.—In determining whether to approve an application under paragraph (1)(A), the Board shall—
(A) comply with the responsibilities of the Board regarding such application under section 804 of the Community Reinvestment Act of 1977; and

(B) take into account the applicant’s record of compliance with applicable State community reinvestment laws.

(4) APPLICABILITY OF ANTITRUST LAWS.—No provision of this subsection shall be construed as affecting—

(A) the applicability of the antitrust laws; or

(B) the applicability, if any, of any State law which is similar to the antitrust laws.

(5) EXCEPTION FOR BANKS IN DEFAULT OR IN DANGER OF DEFAULT.—The Board may approve an application pursuant to paragraph (1)(A) which involves—

(A) an acquisition of 1 or more banks in default or in danger of default; or

(B) an acquisition with respect to which assistance is provided under section 13(c) of the Federal Deposit Insurance Act;

without regard to subparagraph (B) or (D) of paragraph (1) or paragraph (2) or (3).

(e) Every bank that is a holding company and every bank that is a subsidiary of such a company shall become and remain an insured depository institution as such term is defined in section 3 of the Federal Deposit Insurance Act.

(f) 

(g) MUTUAL BANK HOLDING COMPANY.—

(1) ESTABLISHMENT.—Notwithstanding any provision of Federal law other than this Act, a savings bank or cooperative bank operating in mutual form may reorganize so as to form a holding company.

(2) REGULATIONS.—A bank holding company organized as a mutual holding company shall be regulated on terms, and shall be subject to limitations, comparable to those applicable to any other bank holding company.

Authority for Certain Nonbank Financial
Companies and Bank Holding Companies

SEC. 165. ENHANCED SUPERVISION AND PRUDENTIAL STANDARDS
FOR NONBANK FINANCIAL COMPANIES SUPERVISED BY
THE BOARD OF GOVERNORS AND CERTAIN BANK HOLD-
ING COMPANIES.

(a) IN GENERAL.—
(1) PURPOSE.—In order to prevent or mitigate risks to the fi-
nancial stability of the United States that could arise from the
material financial distress or failure, or ongoing activities, of
large, interconnected financial institutions, the Board of Gov-
ernors shall, on its own or pursuant to recommendations by
the Council under section 115, establish prudential standards
for nonbank financial companies supervised by the Board of
Governors and bank holding companies with total consolidated
assets equal to or greater than $50,000,000,000 that—
(A) are more stringent than the standards and require-
ments applicable to nonbank financial companies and bank
holding companies that do not present similar risks to the
financial stability of the United States; and
(B) increase in stringency, based on the considerations
identified in subsection (b)(3).
(2) TAILORED APPLICATION.—
(A) IN GENERAL.—In prescribing more stringent pruden-
tial standards under this section, the Board of Governors
may, on its own or pursuant to a recommendation by the
Council in accordance with section 115, differentiate
among companies on an individual basis or by category,
taking into consideration their capital structure, riskiness,
complexity, financial activities (including the financial ac-
tivities of their subsidiaries), size, and any other risk-re-
lated factors that the Board of Governors deems appro-
priate.
(B) ADJUSTMENT OF THRESHOLD FOR APPLICATION OF
CERTAIN STANDARDS.—The Board of Governors may, pursu-
ant to a recommendation by the Council in accordance
with section 115, establish an asset threshold above
$50,000,000,000 for the application of any standard estab-
lished under subsections (c) through (g).
(b) DEVELOPMENT OF PRUDENTIAL STANDARDS.—
(1) IN GENERAL.—
(A) REQUIRED STANDARDS.—The Board of Governors
shall establish prudential standards for nonbank financial
companies supervised by the Board of Governors and bank
holding companies described in subsection (a), that shall
include—
(i) risk-based capital requirements and leverage lim-
its, unless the Board of Governors, in consultation
with the Council, determines that such requirements
are not appropriate for a company subject to more
stringent prudential standards because of the activi-
ties of such company (such as investment company ac-
tivities or assets under management) or structure, in
which case, the Board of Governors shall apply other
standards that result in similarly stringent risk con-
trols;
(ii) liquidity requirements;
(iii) overall risk management requirements;
(iv) resolution plan and credit exposure report re-
quirements; and
(v) concentration limits.
(B) ADDITIONAL STANDARDS AUTHORIZED.—The Board of
Governors may establish additional prudential standards
for nonbank financial companies supervised by the Board
of Governors and bank holding companies described in subsection (a), that include—

(i) a contingent capital requirement;
(ii) enhanced public disclosures;
(iii) short-term debt limits; and
(iv) such other prudential standards as the Board or Governors, on its own or pursuant to a recommendation made by the Council in accordance with section 115, determines are appropriate.

(2) STANDARDS FOR FOREIGN FINANCIAL COMPANIES.—In applying the standards set forth in paragraph (1) to any foreign nonbank financial company supervised by the Board of Governors or foreign-based bank holding company, the Board of Governors shall—

(A) give due regard to the principle of national treatment and equality of competitive opportunity; and
(B) take into account the extent to which the foreign financial company is subject on a consolidated basis to home country standards that are comparable to those applied to financial companies in the United States.

(3) CONSIDERATIONS.—In prescribing prudential standards under paragraph (1), the Board of Governors shall—

(A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—

(i) the factors described in subsections (a) and (b) of section 113;
(ii) whether the company owns an insured depository institution;
(iii) nonfinancial activities and affiliations of the company; and
(iv) any other risk-related factors that the Board of Governors determines appropriate;

(B) to the extent possible, ensure that small changes in the factors listed in subsections (a) and (b) of section 113 would not result in sharp, discontinuous changes in the prudential standards established under paragraph (1) of this subsection;

(C) take into account any recommendations of the Council under section 115; and

(D) adapt the required standards as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(4) CONSULTATION.—Before imposing prudential standards or any other requirements pursuant to this section, including notices of deficiencies in resolution plans and more stringent requirements or divestiture orders resulting from such notices, that are likely to have a significant impact on a functionally regulated subsidiary or depository institution subsidiary of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors shall consult with each Council mem-
ber that primarily supervises any such subsidiary with respect to any such standard or requirement.

(5) REPORT.—The Board of Governors shall submit an annual report to Congress regarding the implementation of the prudential standards required pursuant to paragraph (1), including the use of such standards to mitigate risks to the financial stability of the United States.

(c) CONTINGENT CAPITAL.—

(1) IN GENERAL.—Subsequent to submission by the Council of a report to Congress under section 115(c), the Board of Governors may issue regulations that require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(2) FACTORS TO CONSIDER.—In issuing regulations under this subsection, the Board of Governors shall consider—

(A) the results of the study undertaken by the Council, and any recommendations of the Council, under section 115(c);

(B) an appropriate transition period for implementation of contingent capital under this subsection;

(C) the factors described in subsection (b)(3)(A);

(D) capital requirements applicable to the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), and subsidiaries thereof; and

(E) any other factor that the Board of Governors deems appropriate.

(d) RESOLUTION PLAN AND CREDIT EXPOSURE REPORTS.—

(1) RESOLUTION PLAN.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation the plan of such company for rapid and orderly resolution in the event of material financial distress or failure, which shall include—

(A) information regarding the manner and extent to which any insured depository institution affiliated with the company is adequately protected from risks arising from the activities of any nonbank subsidiaries of the company;

(B) full descriptions of the ownership structure, assets, liabilities, and contractual obligations of the company;

(C) identification of the cross-guarantees tied to different securities, identification of major counterparties, and a process for determining to whom the collateral of the company is pledged; and

(D) any other information that the Board of Governors and the Corporation jointly require by rule or order.

(2) CREDIT EXPOSURE REPORT.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation on—
(A) the nature and extent to which the company has credit exposure to other significant nonbank financial companies and significant bank holding companies; and

(B) the nature and extent to which other significant nonbank financial companies and significant bank holding companies have credit exposure to that company.

(3) REVIEW.—The Board of Governors and the Corporation shall review the information provided in accordance with this subsection by each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a).

(4) NOTICE OF DEFICIENCIES.—If the Board of Governors and the Corporation jointly determine, based on their review under paragraph (3), that the resolution plan of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) is not credible or would not facilitate an orderly resolution of the company under title 11, United States Code—

(A) the Board of Governors and the Corporation shall notify the company of the deficiencies in the resolution plan; and

(B) the company shall resubmit the resolution plan within a timeframe determined by the Board of Governors and the Corporation, with revisions demonstrating that the plan is credible and would result in an orderly resolution under title 11, United States Code, including any proposed changes in business operations and corporate structure to facilitate implementation of the plan.

(5) FAILURE TO RESUBMIT CREDIBLE PLAN.—

(A) IN GENERAL.—If a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) fails to timely resubmit the resolution plan as required under paragraph (4), with such revisions as are required under subparagraph (B), the Board of Governors and the Corporation may jointly impose more stringent capital, leverage, or liquidity requirements, or restrictions on the growth, activities, or operations of the company, or any subsidiary thereof, until such time as the company resubmits a plan that remedies the deficiencies.

(B) DIVESTITURE.—The Board of Governors and the Corporation, in consultation with the Council, may jointly direct a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), by order, to divest certain assets or operations identified by the Board of Governors and the Corporation, to facilitate an orderly resolution of such company under title 11, United States Code, in the event of the failure of such company, in any case in which—

(i) the Board of Governors and the Corporation have jointly imposed more stringent requirements on the company pursuant to subparagraph (A); and

(ii) the company has failed, within the 2-year period beginning on the date of the imposition of such requirements under subparagraph (A), to resubmit the
resolution plan with such revisions as were required under paragraph (4)(B).

(6) NO LIMITING EFFECT.—A resolution plan submitted in accordance with this subsection shall not be binding on a bankruptcy court, a receiver appointed under title II, or any other authority that is authorized or required to resolve the nonbank financial company supervised by the Board, any bank holding company, or any subsidiary or affiliate of the foregoing.

(7) NO PRIVATE RIGHT OF ACTION.—No private right of action may be based on any resolution plan submitted in accordance with this subsection.

(8) RULES.—Not later than 18 months after the date of enactment of this Act, the Board of Governors and the Corporation shall jointly issue final rules implementing this subsection.

(e) CONCENTRATION LIMITS.—

(1) STANDARDS.—In order to limit the risks that the failure of any individual company could pose to a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors, by regulation, shall prescribe standards that limit such risks.

(2) LIMITATION ON CREDIT EXPOSURE.—The regulations prescribed by the Board of Governors under paragraph (1) shall prohibit each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a) from having credit exposure to any unaffiliated company that exceeds 25 percent of the capital stock and surplus (or such lower amount as the Board of Governors may determine by regulation to be necessary to mitigate risks to the financial stability of the United States) of the company.

(3) CREDIT EXPOSURE.—For purposes of paragraph (2), “credit exposure” to a company means—

(A) all extensions of credit to the company, including loans, deposits, and lines of credit;

(B) all repurchase agreements and reverse repurchase agreements with the company, and all securities borrowing and lending transactions with the company, to the extent that such transactions create credit exposure for the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a);

(C) all guarantees, acceptances, or letters of credit (including endorsement or standby letters of credit) issued on behalf of the company;

(D) all purchases of or investment in securities issued by the company;

(E) counterparty credit exposure to the company in connection with a derivative transaction between the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) and the company; and

(F) any other similar transactions that the Board of Governors, by regulation, determines to be a credit exposure for purposes of this section.
(4) **ATTRIBUTION RULE.**—For purposes of this subsection, any transaction by a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) with any person is a transaction with a company, to the extent that the proceeds of the transaction are used for the benefit of, or transferred to, that company.

(5) **RULEMAKING.**—The Board of Governors may issue such regulations and orders, including definitions consistent with this section, as may be necessary to administer and carry out this subsection.

(6) **EXEMPTIONS.**—This subsection shall not apply to any Federal home loan bank. The Board of Governors may, by regulation or order, exempt transactions, in whole or in part, from the definition of the term "credit exposure" for purposes of this subsection, if the Board of Governors finds that the exemption is in the public interest and is consistent with the purpose of this subsection.

(7) **TRANSITION PERIOD.**—

(A) **IN GENERAL.**—This subsection and any regulations and orders of the Board of Governors under this subsection shall not be effective until 3 years after the date of enactment of this Act.

(B) **EXTENSION AUTHORIZED.**—The Board of Governors may extend the period specified in subparagraph (A) for not longer than an additional 2 years.

(f) **ENHANCED PUBLIC DISCLOSURES.**—The Board of Governors may prescribe, by regulation, periodic public disclosures by nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a) in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(g) **SHORT-TERM DEBT LIMITS.**—

(1) **IN GENERAL.**—In order to mitigate the risks that an over-accumulation of short-term debt could pose to financial companies and to the stability of the United States financial system, the Board of Governors may, by regulation, prescribe a limit on the amount of short-term debt, including off-balance sheet exposures, that may be accumulated by any bank holding company described in subsection (a) and any nonbank financial company supervised by the Board of Governors.

(2) **BASIS OF LIMIT.**—Any limit prescribed under paragraph (1) shall be based on the short-term debt of the company described in paragraph (1) as a percentage of capital stock and surplus of the company or on such other measure as the Board of Governors considers appropriate.

(3) **SHORT-TERM DEBT DEFINED.**—For purposes of this subsection, the term "short-term debt" means such liabilities with short-dated maturity that the Board of Governors identifies, by regulation, except that such term does not include insured deposits.

(4) **RULEMAKING AUTHORITY.**—In addition to prescribing regulations under paragraphs (1) and (3), the Board of Governors may prescribe such regulations, including definitions consistent with this subsection, and issue such orders, as may be necessary to carry out this subsection.
(5) AUTHORITY TO ISSUE EXEMPTIONS AND ADJUSTMENTS.—Notwithstanding the Bank Holding Company Act of 1956 (12 U.S.C. 1841 et seq.), the Board of Governors may, if it determines such action is necessary to ensure appropriate heightened prudential supervision, with respect to a company described in paragraph (1) that does not control an insured depository institution, issue to such company an exemption from or adjustment to the limit prescribed under paragraph (1).

(h) RISK COMMITTEE.—

(1) NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD OF GOVERNORS.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors that is a publicly traded company to establish a risk committee, as set forth in paragraph (3), not later than 1 year after the date of receipt of a notice of final determination under section 113(e)(3) with respect to such nonbank financial company supervised by the Board of Governors.

(3) RISK COMMITTEE.—A risk committee required by this subsection shall—

(A) be responsible for the oversight of the enterprise-wide risk management practices of the nonbank financial company supervised by the Board of Governors or bank holding company described in subsection (a), as applicable;

(B) include such number of independent directors as the Board of Governors may determine appropriate, based on the nature of operations, size of assets, and other appropriate criteria related to the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), as applicable; and

(i) STRESS TESTS.—

(1) BY THE BOARD OF GOVERNORS.—

(A) ANNUAL TESTS REQUIRED.—The Board of Governors, in coordination with the appropriate primary financial regulatory agencies and the Federal Insurance Office, shall conduct annual analyses in which nonbank financial com-
panies supervised by the Board of Governors and bank holding companies described in subsection (a) are subject to evaluation of whether such companies have the capital, on a total consolidated basis, necessary to absorb losses as a result of adverse economic conditions.

(B) Test Parameters and Consequences.—The Board of Governors—

(i) shall provide for at least 3 different sets of conditions under which the evaluation required by this subsection shall be conducted, including baseline, adverse, and severely adverse;

(ii) may require the tests described in subparagraph (A) at bank holding companies and nonbank financial companies, in addition to those for which annual tests are required under subparagraph (A);

(iii) may develop and apply such other analytic techniques as are necessary to identify, measure, and monitor risks to the financial stability of the United States;

(iv) shall require the companies described in subparagraph (A) to update their resolution plans required under subsection (d)(1), as the Board of Governors determines appropriate, based on the results of the analyses; and

(v) shall publish a summary of the results of the tests required under subparagraph (A) or clause (ii) of this subparagraph.

(2) By the Company.—

(A) Requirement.—A nonbank financial company supervised by the Board of Governors and a bank holding company described in subsection (a) shall conduct semiannual stress tests. All other financial companies that have total consolidated assets of more than $10,000,000,000 and are regulated by a primary Federal financial regulatory agency shall conduct annual stress tests. The tests required under this subparagraph shall be conducted in accordance with the regulations prescribed under subparagraph (C).

(B) Report.—A company required to conduct stress tests under subparagraph (A) shall submit a report to the Board of Governors and to its primary financial regulatory agency at such time, in such form, and containing such information as the primary financial regulatory agency shall require.

(iv) require companies subject to this paragraph to publish a summary of the results of the required stress tests.

(j) LEVERAGE LIMITATION.—

(1) REQUIREMENT.—The Board of Governors shall require a bank holding company with total consolidated assets equal to or greater than $50,000,000,000 or a nonbank financial company supervised by the Board of Governors to maintain a debt to equity ratio of no more than 15 to 1, upon a determination by the Council that such company poses a grave threat to the financial stability of the United States and that the imposition of such requirement is necessary to mitigate the risk that such company poses to the financial stability of the United States. Nothing in this paragraph shall apply to a Federal home loan bank.

(2) CONSIDERATIONS.—In making a determination under this subsection, the Council shall consider the factors described in subsections (a) and (b) of section 113 and any other risk-related factors that the Council deems appropriate.

(3) REGULATIONS.—The Board of Governors shall promulgate regulations to establish procedures and timelines for complying with the requirements of this subsection.

(k) INCLUSION OF OFF-BALANCE-SHEET ACTIVITIES IN COMPUTING CAPITAL REQUIREMENTS.—

(1) IN GENERAL.—In the case of any bank holding company described in subsection (a) or nonbank financial company supervised by the Board of Governors, the computation of capital for purposes of meeting capital requirements shall take into account any off-balance-sheet activities of the company.

(2) EXEMPTIONS.—If the Board of Governors determines that an exemption from the requirement under paragraph (1) is appropriate, the Board of Governors may exempt a company, or any transaction or transactions engaged in by such company, from the requirements of paragraph (1).

(7) Capital requirements to address activities that pose risks to the financial system.—

(A) In general.—Subject to the recommendations of the Council, in accordance with section 120, the Federal banking agencies shall develop capital requirements applicable to insured depository institutions, depository institution holding companies, and nonbank financial companies supervised by the Board of Governors that address the risks that the activities of such institutions pose, not only to the institution engaging in the activity, but to other public and private stakeholders in the event of adverse performance, disruption, or failure of the institution or the activity.
(B) CONTENT.—Such rules shall address, at a minimum, the risks arising from—

(i) significant volumes of activity in derivatives, securitized products purchased and sold, financial guarantees purchased and sold, securities borrowing and lending, and repurchase agreements and reverse repurchase agreements;

(ii) concentrations in assets for which the values presented in financial reports are based on models rather than historical cost or prices deriving from deep and liquid 2-way markets; and

(iii) concentrations in market share for any activity that would substantially disrupt financial markets if the institution is forced to unexpectedly cease the activity.

(c) CLARIFICATION.—

(1) IN GENERAL.—In establishing the minimum leverage capital requirements and minimum risk-based capital requirements on a consolidated basis for a depository institution holding company or a nonbank financial company supervised by the Board of Governors as required under paragraphs (1) and (2) of subsection (b), the appropriate Federal banking agencies shall not be required to include, for any purpose of this section (including in any determination of consolidation), a person regulated by a State insurance regulator or a regulated foreign subsidiary or a regulated foreign affiliate of such person engaged in the business of insurance, to the extent that such person acts in its capacity as a regulated insurance entity.

(2) RULE OF CONSTRUCTION ON BOARD'S AUTHORITY.—This subsection shall not be construed to prohibit, modify, limit, or otherwise supersede any other provision of Federal law that provides the Board of Governors authority to issue regulations and orders relating to capital requirements for depository institution holding companies or nonbank financial companies supervised by the Board of Governors.

(3) RULE OF CONSTRUCTION ON ACCOUNTING PRINCIPLES.—

(A) IN GENERAL.—A depository institution holding company or nonbank financial company supervised by the Board of Governors of the Federal Reserve that is also a person regulated by a State insurance regulator that is engaged in the business of insurance that files financial statements with a State insurance regulator or the National Association of Insurance Commissioners utilizing only Statutory Accounting Principles in accordance with State law, shall not be required by the Board under the authority of this section or the authority of the Home Owners’ Loan Act to prepare such financial statements in accordance with Generally Accepted Accounting Principles.

(D) RULEMAKING BY THE CORPORATION.—The Corporation may prescribe such rules, including definitions of terms, as the Corporation deems appropriate to establish an interest rate for or to make payments of post-insolvency interest to creditors holding proven claims against the receivership estate of a covered financial company, except that no such interest shall be paid until the Corporation as receiver has satisfied the principal amount of all creditor claims.

(8) SUSPENSION OF LEGAL ACTIONS.—

(ii) the date on which the cause of action accrues.

(C) REVIVAL OF EXPIRED STATE CAUSES OF ACTION.—
(i) IN GENERAL.—In the case of any tort claim described in clause (ii) for which the applicable statute of limitations under State law has expired not more than 5 years before the date of appointment of the Corporation as receiver for a covered financial company, the Corporation may bring an action as receiver on such claim without regard to the expiration of the statute of limitations.
(ii) CLAIMS DESCRIBED.—A tort claim referred to in clause (i) is a claim arising from fraud, intentional misconduct resulting in unjust enrichment, or intentional misconduct resulting in substantial loss to the covered financial company.

(11) AVOIDABLE TRANSFERS.—
(A) FRAUDULENT TRANSFERS.—The Corporation, as receiver for any covered financial company, may avoid a transfer of any interest of the covered financial company in property, or any obligation incurred by the covered financial company, that was made or incurred at or within 2 years before the date on which the Corporation was appointed receiver, if—
(i) the covered financial company voluntarily or involuntarily—
(I) made such transfer or incurred such obligation with actual intent to hinder, delay, or defraud any entity to which the covered financial company was or became, on or after the date on which such transfer was made or such obligation was incurred, indebted; or
(II) received less than a reasonably equivalent value in exchange for such transfer or obligation; and
(ii) the covered financial company voluntarily or involuntarily—
(I) was insolvent on the date that such transfer was made or such obligation was incurred, or became insolvent as a result of such transfer or obligation;
(II) was engaged in business or a transaction, or was about to engage in business or a transaction, for which any property remaining with the covered financial company was an unreasonably small capital;
[III] intended to incur, or believed that the covered financial company would incur, debts that would be beyond the ability of the covered financial company to pay as such debts matured; or
[IV] made such transfer to or for the benefit of an insider, or incurred such obligation to or for the benefit of an insider, under an employment contract and not in the ordinary course of business.

(B) PREFERENTIAL TRANSFERS.—The Corporation as receiver for any covered financial company may avoid a transfer of an interest of the covered financial company in property—

(i) to or for the benefit of a creditor;
(ii) for or on account of an antecedent debt that was owed by the covered financial company before the transfer was made;
(iii) that was made while the covered financial company was insolvent;
(iv) that was made—
(I) 90 days or less before the date on which the Corporation was appointed receiver; or
(II) more than 90 days, but less than 1 year before the date on which the Corporation was appointed receiver, if such creditor at the time of the transfer was an insider; and
(v) that enables the creditor to receive more than the creditor would receive if—
(I) the covered financial company had been liquidated under chapter 7 of the Bankruptcy Code;
(II) the transfer had not been made; and
(III) the creditor received payment of such debt to the extent provided by the provisions of chapter 7 of the Bankruptcy Code.

(C) POST-RECEIVERSHIP TRANSACTIONS.—The Corporation as receiver for any covered financial company may avoid a transfer of property of the receivership that occurred after the Corporation was appointed receiver that was not authorized under this title by the Corporation as receiver.

(D) RIGHT OF RECOVERY.—To the extent that a transfer is avoided under subparagraph (A), (B), or (C), the Corporation may recover, for the benefit of the covered financial company, the property transferred or, if a court so orders, the value of such property (at the time of such transfer) from—

(i) the initial transferee of such transfer or the person for whose benefit such transfer was made; or
(ii) any immediate or mediate transferee of any such initial transferee.

(E) RIGHTS OF TRANSFEE OR OBLIGEE.—The Corporation may not recover under subparagraph (D)(ii) from—

(i) any transferee that takes for value, including in satisfaction of or to secure a present or antecedent
debt, in good faith, and without knowledge of the voidability of the transfer avoided; or
[(ii) any immediate or mediate good faith transferee of such transferee.]

(F) DEFENSES.—Subject to the other provisions of this title—

[(i) a transferee or obligee from which the Corporation seeks to recover a transfer or to avoid an obligation under subparagraph (A), (B), (C), or (D) shall have the same defenses available to a transferee or obligee from which a trustee seeks to recover a transfer or avoid an obligation under sections 547, 548, and 549 of the Bankruptcy Code; and
[(ii) the authority of the Corporation to recover a transfer or avoid an obligation shall be subject to sub-sections (b) and (c) of section 546, section 547(c), and section 548(c) of the Bankruptcy Code.]

(G) RIGHTS UNDER THIS SECTION.—The rights of the Corporation as receiver under this section shall be superior to any rights of a trustee or any other party (other than a Federal agency) under the Bankruptcy Code.

(H) RULES OF CONSTRUCTION; DEFINITIONS.—For purposes of—

[(i) subparagraphs (A) and (B)—
[(I) the term “insider” has the same meaning as in section 101(31) of the Bankruptcy Code;
[(II) a transfer is made when such transfer is so perfected that a bona fide purchaser from the covered financial company against whom applicable law permits such transfer to be perfected cannot acquire an interest in the property transferred that is superior to the interest in such property of the transferee, but if such transfer is not so perfected before the date on which the Corporation is appointed as receiver for the covered financial company, such transfer is made immediately before the date of such appointment; and
[(III) the term “value” means property, or satisfaction or securing of a present or antecedent debt of the covered financial company, but does not include an unperformed promise to furnish support to the covered financial company; and
[(ii) subparagraph (B)—
[(I) the covered financial company is presumed to have been insolvent on and during the 90-day period immediately preceding the date of appointment of the Corporation as receiver; and
[(II) the term “insolvent” has the same meaning as in section 101(32) of the Bankruptcy Code.

(12) SETOFF.—

[(A) GENERALLY.—Except as otherwise provided in this title, any right of a creditor to offset a mutual debt owed by the creditor to any covered financial company that arose before the Corporation was appointed as receiver for the covered financial company against a claim of such
creditor may be asserted if enforceable under applicable noninsolvency law, except to the extent that—

[i] the claim of the creditor against the covered financial company is disallowed;

[ii] the claim was transferred, by an entity other than the covered financial company, to the creditor—

[II] after the Corporation was appointed as receiver of the covered financial company; or

[II(aa)] after the 90-day period preceding the date on which the Corporation was appointed as receiver for the covered financial company; and

[bb] while the covered financial company was insolvent (except for a setoff in connection with a qualified financial contract); or

[iii] the debt owed to the covered financial company was incurred by the covered financial company—

[II] after the 90-day period preceding the date on which the Corporation was appointed as receiver for the covered financial company;

[II] while the covered financial company was insolvent; and

[III] for the purpose of obtaining a right of setoff against the covered financial company (except for a setoff in connection with a qualified financial contract).

(B) INSUFFICIENCY.—

(i) IN GENERAL.—Except with respect to a setoff in connection with a qualified financial contract, if a creditor offsets a mutual debt owed to the covered financial company against a claim of the covered financial company on or within the 90-day period preceding the date on which the Corporation is appointed as receiver for the covered financial company, the Corporation may recover from the creditor the amount so offset, to the extent that any insufficiency on the date of such setoff is less than the insufficiency on the later of—

[I] the date that is 90 days before the date on which the Corporation is appointed as receiver for the covered financial company; or

[II] the first day on which there is an insufficiency during the 90-day period preceding the date on which the Corporation is appointed as receiver for the covered financial company.

(ii) DEFINITION OF INSUFFICIENCY.—In this subparagraph, the term “insufficiency” means the amount, if any, by which a claim against the covered financial company exceeds a mutual debt owed to the covered financial company by the holder of such claim.

(C) INSOLVENCY.—The term “insolvent” has the same meaning as in section 101(32) of the Bankruptcy Code.

(D) PRESUMPTION OF INSOLVENCY.—For purposes of this paragraph, the covered financial company is presumed to have been insolvent on and during the 90-day period pre-
ceding the date of appointment of the Corporation as receiver.

(E) LIMITATION.—Nothing in this paragraph (12) shall be the basis for any right of setoff where no such right exists under applicable noninsolvency law.

(F) PRIORITY CLAIM.—Except as otherwise provided in this title, the Corporation as receiver for the covered financial company may sell or transfer any assets free and clear of the setoff rights of any party, except that such party shall be entitled to a claim, subordinate to the claims payable under subparagraphs (A), (B), (C), and (D) of subsection (b)(1), but senior to all other unsecured liabilities defined in subsection (b)(1)(E), in an amount equal to the value of such setoff rights.

(13) ATTACHMENT OF ASSETS AND OTHER INJUNCTIVE RELIEF.—Subject to paragraph (14), any court of competent jurisdiction may, at the request of the Corporation as receiver for a covered financial company, issue an order in accordance with Rule 65 of the Federal Rules of Civil Procedure, including an order placing the assets of any person designated by the Corporation under the control of the court and appointing a trustee to hold such assets.

(14) STANDARDS.—

(A) SHOWING.—Rule 65 of the Federal Rules of Civil Procedure shall apply with respect to any proceeding under paragraph (13), without regard to the requirement that the applicant show that the injury, loss, or damage is irreparable and immediate.

(B) STATE PROCEEDING.—If, in the case of any proceeding in a State court, the court determines that rules of civil procedure available under the laws of the State provide substantially similar protections of the right of the parties to due process as provided under Rule 65 (as modified with respect to such proceeding by subparagraph (A)), the relief sought by the Corporation pursuant to paragraph (14) may be requested under the laws of such State.

(15) TREATMENT OF CLAIMS ARISING FROM BREACH OF CONTRACTS EXECUTED BY THE CORPORATION AS RECEIVER.—Notwithstanding any other provision of this title, any final and non-appealable judgment for monetary damages entered against the Corporation as receiver for a covered financial company for the breach of an agreement executed or approved by the Corporation after the date of its appointment shall be paid as an administrative expense of the receiver. Nothing in this paragraph shall be construed to limit the power of a receiver to exercise any rights under contract or law, including to terminate, breach, cancel, or otherwise discontinue such agreement.

(16) ACCOUNTING AND RECORDKEEPING REQUIREMENTS.—

(A) IN GENERAL.—The Corporation as receiver for a covered financial company shall, consistent with the accounting and reporting practices and procedures established by the Corporation, maintain a full accounting of each receivership or other disposition of any covered financial company.
(B) Annual Accounting or Report.—With respect to each receivership to which the Corporation is appointed, the Corporation shall make an annual accounting or report, as appropriate, available to the Secretary and the Comptroller General of the United States.

(C) Availability of Reports.—Any report prepared pursuant to subparagraph (B) and section 203(c)(3) shall be made available to the public by the Corporation.

(D) Recordkeeping Requirement.—

(i) In General.—The Corporation shall prescribe such regulations and establish such retention schedules as are necessary to maintain the documents and records of the Corporation generated in exercising the authorities of this title and the records of a covered financial company for which the Corporation is appointed receiver, with due regard for—

(I) the avoidance of duplicative record retention; and

(II) the expected evidentiary needs of the Corporation as receiver for a covered financial company and the public regarding the records of covered financial companies.

(ii) Retention of Records.—Unless otherwise required by applicable Federal law or court order, the Corporation may not, at any time, destroy any records that are subject to clause (i).

(iii) Records Defined.—As used in this subparagraph, the terms "records" and "records of a covered financial company" mean any document, book, paper, map, photograph, microfiche, microfilm, computer or electronically-created record generated or maintained by the covered financial company in the course of and necessary to its transaction of business.

(b) Priority of Expenses and Unsecured Claims.—

(1) In General.—Unsecured claims against a covered financial company, or the Corporation as receiver for such covered financial company under this section, that are proven to the satisfaction of the receiver shall have priority in the following order:

(A) Administrative expenses of the receiver.

(B) Any amounts owed to the United States, unless the United States agrees or consents otherwise.

(C) Wages, salaries, or commissions, including vacation, severance, and sick leave pay earned by an individual (other than an individual described in subparagraph (G)), but only to the extent of 11,725 for each individual (as indexed for inflation, by regulation of the Corporation) earned not later than 180 days before the date of appointment of the Corporation as receiver.

(D) Contributions owed to employee benefit plans arising from services rendered not later than 180 days before the date of appointment of the Corporation as receiver, to the extent of the number of employees covered by each such plan, multiplied by 11,725 (as indexed for inflation, by regulation of the Corporation), less the aggregate
amount paid to such employees under subparagraph (C),
plus the aggregate amount paid by the receivership on be-
half of such employees to any other employee benefit plan.

(E) Any other general or senior liability of the covered
financial company (which is not a liability described under
subparagraph (F), (G), or (H)).

(F) Any obligation subordinated to general creditors
(which is not an obligation described under subparagraph
(G) or (H)).

(G) Any wages, salaries, or commissions, including va-
cation, severance, and sick leave pay earned, owed to sen-
ior executives and directors of the covered financial com-
pany.

(H) Any obligation to shareholders, members, general
partners, limited partners, or other persons, with interests
in the equity of the covered financial company arising as
a result of their status as shareholders, members, general
partners, limited partners, or other persons with interests
in the equity of the covered financial company.

(2) POST-RECEIVERSHIP FINANCING PRIORITY.—In the event
that the Corporation, as receiver for a covered financial com-
pany, is unable to obtain unsecured credit for the covered fi-
nancial company from commercial sources, the Corporation as
receiver may obtain credit or incur debt on the part of the cov-
ered financial company, which shall have priority over any or
all administrative expenses of the receiver under paragraph
(1)(A).

(3) CLAIMS OF THE UNITED STATES.—Unsecured claims of
the United States shall, at a minimum, have a higher priority
than liabilities of the covered financial company that count as
regulatory capital.

(4) CREDITORS SIMILARLY SITUATED.—All claimants of a cov-
ered financial company that are similarly situated under para-
graph (1) shall be treated in a similar manner, except that the
Corporation may take any action (including making payments,
subject to subsection (o)(1)(D)(i)) that does not comply with this
subsection, if—

(A) the Corporation determines that such action is nec-
essary—

(i) to maximize the value of the assets of the cov-
ered financial company;

(ii) to initiate and continue operations essential to
implementation of the receivership or any bridge fi-
nancial company;

(iii) to maximize the present value return from the
sale or other disposition of the assets of the covered fi-
nancial company; or

(iv) to minimize the amount of any loss realized
upon the sale or other disposition of the assets of the
covered financial company; and

(B) all claimants that are similarly situated under
paragraph (1) receive not less than the amount provided in
paragraphs (2) and (3) of subsection (d).

(5) SECURED CLAIMS UNAFFECTED.—This section shall not
affect secured claims or security entitlements in respect of as-
sets or property held by the covered financial company, except to the extent that the security is insufficient to satisfy the claim, and then only with regard to the difference between the claim and the amount realized from the security.

(6) Priority of Expenses and Unsecured Claims in the Orderly Liquidation of SIPC Member.—Where the Corporation is appointed as receiver for a covered broker or dealer, unsecured claims against such covered broker or dealer, or the Corporation as receiver for such covered broker or dealer under this section, that are proven to the satisfaction of the receiver under section 205(e), shall have the priority prescribed in paragraph (1), except that—

(A) SIPC shall be entitled to recover administrative expenses incurred in performing its responsibilities under section 205 on an equal basis with the Corporation, in accordance with paragraph (1)(A);

(B) the Corporation shall be entitled to recover any amounts paid to customers or to SIPC pursuant to section 205(f), in accordance with paragraph (1)(B);

(C) SIPC shall be entitled to recover any amounts paid out of the SIPC Fund to meet its obligations under section 205 and under the Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa et seq.), which claim shall be subordinate to the claims payable under subparagraphs (A) and (B) of paragraph (1), but senior to all other claims; and

(D) the Corporation may, after paying any proven claims to customers under section 205 and the Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa et seq.), and as provided above, pay dividends on other proven claims, in its discretion, and to the extent that funds are available, in accordance with the priorities set forth in paragraph (1).

(c) Provisions Relating to Contracts Entered Into Before Appointment of Receiver.—

(1) Authority to Repudiate Contracts.—In addition to any other rights that a receiver may have, the Corporation as receiver for any covered financial company may disaffirm or repudiate any contract or lease—

(A) to which the covered financial company is a party;

(B) the performance of which the Corporation as receiver, in the discretion of the Corporation, determines to be burdensome; and

(C) the disaffirmance or repudiation of which the Corporation as receiver determines, in the discretion of the Corporation, will promote the orderly administration of the affairs of the covered financial company.

(2) Timing of Repudiation.—The Corporation, as receiver for any covered financial company, shall determine whether or not to exercise the rights of repudiation under this section within a reasonable period of time.

(3) Claims for Damages for Repudiation.—

(A) In General.—Except as provided in paragraphs (4), (5), and (6) and in subparagraphs (C), (D), and (E) of this paragraph, the liability of the Corporation as receiver for a covered financial company for the disaffirmance or repu-
274
diation of any contract pursuant to paragraph (1) shall be—

(i) limited to actual direct compensatory damages; and
(ii) determined as of—

(I) the date of the appointment of the Corporation as receiver; or
(II) in the case of any contract or agreement referred to in paragraph (8), the date of the disaffirmance or repudiation of such contract or agreement.

(B) NO LIABILITY FOR OTHER DAMAGES.—For purposes of subparagraph (A), the term “actual direct compensatory damages” does not include—

(i) punitive or exemplary damages;
(ii) damages for lost profits or opportunity; or
(iii) damages for pain and suffering.

(C) MEASURE OF DAMAGES FOR REPUDIATION OF QUALIFIED FINANCIAL CONTRACTS.—In the case of any qualified financial contract or agreement to which paragraph (8) applies, compensatory damages shall be—

(i) deemed to include normal and reasonable costs of cover or other reasonable measures of damages utilized in the industries for such contract and agreement claims; and
(ii) paid in accordance with this paragraph and subsection (d), except as otherwise specifically provided in this subsection.

(D) MEASURE OF DAMAGES FOR REPUDIATION OR DISAFFIRMANCE OF DEBT OBLIGATION.—In the case of any debt for borrowed money or evidenced by a security, actual direct compensatory damages shall be no less than the amount lent plus accrued interest plus any accreted original issue discount as of the date the Corporation was appointed receiver of the covered financial company and, to the extent that an allowed secured claim is secured by property the value of which is greater than the amount of such claim and any accrued interest through the date of repudiation or disaffirmance, such accrued interest pursuant to paragraph (1).

(E) MEASURE OF DAMAGES FOR REPUDIATION OR DISAFFIRMANCE OF CONTINGENT OBLIGATION.—In the case of any contingent obligation of a covered financial company consisting of any obligation under a guarantee, letter of credit, loan commitment, or similar credit obligation, the Corporation may, by rule or regulation, prescribe that actual direct compensatory damages shall be no less than the estimated value of the claim as of the date the Corporation was appointed receiver of the covered financial company, as such value is measured based on the likelihood that such contingent claim would become fixed and the probable magnitude thereof.

(4) LEASES UNDER WHICH THE COVERED FINANCIAL COMPANY IS THE LESSEE.—
[(A) IN GENERAL.—]If the Corporation as receiver disaffirms or repudiates a lease under which the covered financial company is the lessee, the receiver shall not be liable for any damages (other than damages determined pursuant to subparagraph (B)) for the disaffirmance or repudiation of such lease.

[(B) PAYMENTS OF RENT.—]Notwithstanding subparagraph (A), the lessor under a lease to which subparagraph (A) would otherwise apply shall—

[(i)] be entitled to the contractual rent accruing before the later of the date on which—

[(I)] the notice of disaffirmance or repudiation is mailed; or

[(II)] the disaffirmance or repudiation becomes effective, unless the lessor is in default or breach of the terms of the lease;

[(ii)] have no claim for damages under any acceleration clause or other penalty provision in the lease; and

[(iii)] have a claim for any unpaid rent, subject to all appropriate offsets and defenses, due as of the date of the appointment which shall be paid in accordance with this paragraph and subsection (d).

[(5) LEASES UNDER WHICH THE COVERED FINANCIAL COMPANY IS THE LESSOR.—]

[(A) IN GENERAL.—]If the Corporation as receiver for a covered financial company repudiates an unexpired written lease of real property of the covered financial company under which the covered financial company is the lessee and the lessee is not, as of the date of such repudiation, in default, the lessee under such lease may either—

[(i)] treat the lease as terminated by such repudiation; or

[(ii)] remain in possession of the leasehold interest for the balance of the term of the lease, unless the lessee defaults under the terms of the lease after the date of such repudiation.

[(B) PROVISIONS APPLICABLE TO LESSEE REMAINING IN POSSESSION.—]If any lessee under a lease described in subparagraph (A) remains in possession of a leasehold interest pursuant to clause (ii) of subparagraph (A)—

[(i)] the lessee—

[(I)] shall continue to pay the contractual rent pursuant to the terms of the lease after the date of the repudiation of such lease; and

[(II)] may offset against any rent payment which accrues after the date of the repudiation of the lease, any damages which accrue after such date due to the nonperformance of any obligation of the covered financial company under the lease after such date; and

[(ii)] the Corporation as receiver shall not be liable to the lessee for any damages arising after such date as a result of the repudiation, other than the amount of any offset allowed under clause (i)(II).

[(6) CONTRACTS FOR THE SALE OF REAL PROPERTY.—]
(A) **IN GENERAL.—** If the receiver repudiates any contract (which meets the requirements of subsection (a)(6)) for the sale of real property, and the purchaser of such real property under such contract is in possession and is not, as of the date of such repudiation, in default, such purchaser may either—

(i) treat the contract as terminated by such repudiation; or

(ii) remain in possession of such real property.

(i) the purchaser—

(I) shall continue to make all payments due under the contract after the date of the repudiation of the contract; and

(II) may offset against any such payments any damages which accrue after such date due to the nonperformance (after such date) of any obligation of the covered financial company under the contract; and

(ii) the Corporation as receiver shall—

(I) not be liable to the purchaser for any damages arising after such date as a result of the repudiation, other than the amount of any offset allowed under clause (i)(II);

(III) have no obligation under the contract other than the performance required under subclause (II).

(C) **ASSIGNMENT AND SALE ALLOWED.—**

(i) **IN GENERAL.—** No provision of this paragraph shall be construed as limiting the right of the Corporation as receiver to assign the contract described in subparagraph (A) and sell the property, subject to the contract and the provisions of this paragraph.

(ii) **NO LIABILITY AFTER ASSIGNMENT AND SALE.—** If an assignment and sale described in clause (i) is consummated, the Corporation as receiver shall have no further liability under the contract described in subparagraph (A) or with respect to the real property which was the subject of such contract.

(7) **PROVISIONS APPLICABLE TO SERVICE CONTRACTS.—**

(A) **SERVICES PERFORMED BEFORE APPOINTMENT.—** In the case of any contract for services between any person and any covered financial company for which the Corporation has been appointed receiver, any claim of such person for services performed before the date of appointment shall be—

(i) a claim to be paid in accordance with subsections (a), (b), and (d); and
(ii) deemed to have arisen as of the date on which the receiver was appointed.

(B) Services performed after appointment and prior to repudiation.—If, in the case of any contract for services described in subparagraph (A), the Corporation as receiver accepts performance by the other person before making any determination to exercise the right of repudiation of such contract under this section—

(i) the other party shall be paid under the terms of the contract for the services performed; and

(ii) the amount of such payment shall be treated as an administrative expense of the receivership.

(C) Acceptance of performance no bar to subsequent repudiation.—The acceptance by the Corporation as receiver for services referred to in subparagraph (B) in connection with a contract described in subparagraph (B) shall not affect the right of the Corporation as receiver to repudiate such contract under this section at any time after such performance.

(8) Certain qualified financial contracts.—

(A) Rights of parties to contracts.—Subject to subsection (a)(8) and paragraphs (9) and (10) of this subsection, and notwithstanding any other provision of this section, any other provision of Federal law, or the law of any State, no person shall be stayed or prohibited from exercising—

(i) any right that such person has to cause the termination, liquidation, or acceleration of any qualified financial contract with a covered financial company which arises upon the date of appointment of the Corporation as receiver for such covered financial company or at any time after such appointment;

whether acting as the Corporation or as receiver for a covered financial company, may not avoid any transfer of money or other property in connection with any qualified financial contract with a covered financial company.

(ii) EXCEPTION FOR CERTAIN TRANSFERS.—Clause (i) shall not apply to any transfer of money or other property in connection with any qualified financial contract with a covered financial company if the transferee had actual intent to hinder, delay, or defraud such company, the creditors of such company, or the Corporation as receiver appointed for such company.

(D) CERTAIN CONTRACTS AND AGREEMENTS DEFINED.—For purposes of this subsection, the following definitions shall apply:

any provision in a qualified financial contract that suspends, conditions, or extinguishes a payment obligation of a party, in whole or in part, or does not create a payment obligation of a party that would otherwise exist, solely because of the status of such party as a nondefaulting party in connection with the insolvency of a covered financial company that is a party to the contract or the appointment of or the exercise of rights or powers by the Corporation as receiver for such covered financial company, and not as a result of the exercise by a party of any right to offset, setoff, or net obligations that exist under the contract, any other contract between those parties, or applicable law.

(G) CERTAIN OBLIGATIONS TO CLEARING ORGANIZATIONS.—In the event that the Corporation has been appointed as receiver for a covered financial company which is a party to any qualified financial contract cleared by or subject to the rules of a clearing organization (as defined in paragraph (9)(D)), the receiver shall use its best efforts to meet all margin, collateral, and settlement obligations of the covered financial company that arise under qualified financial contracts (other than any margin, collateral, or settlement obligation that is not enforceable against the receiver under paragraph (8)(F)(i) or paragraph (10)(B)), as required by the rules of the clearing organization when due. Notwithstanding any other provision of this title, if the receiver fails to satisfy any such margin, collateral, or settlement obligations under the rules of the clearing organization, the clearing organization shall have the immediate right to exercise, and shall not be stayed from exercising, all of its rights and remedies under its rules and applicable law with respect to any qualified financial contract of the covered financial company, including, without limitation, the right to liquidate all positions and collateral of such covered financial company under the company's qualified financial contracts, and suspend or cease to act for such covered financial company, all in accordance with the rules of the clearing organization.

(iv) CATEGORIZATION AND TIERING.—The joint regulations prescribed under clause (i) shall, as appropriate, differentiate among financial companies by taking into consideration their size, risk, complexity, leverage, frequency and dollar amount of qualified financial contracts, interconnectedness to the financial system, and any other factors deemed appropriate.

(9) TRANSFER OF QUALIFIED FINANCIAL CONTRACTS.—

(A) IN GENERAL.—In making any transfer of assets or liabilities of a covered financial company in default, which includes any qualified financial contract, the Corporation as receiver for such covered financial company shall either—

(ii) transfer none of the qualified financial contracts, claims, property or other credit enhancement referred to in clause (i) (with respect to such person and any affiliate of such person).

(B) TRANSFER TO FOREIGN BANK, FINANCIAL INSTITUTION, OR BRANCH OR AGENCY THEREOF.—In transferring any qualified financial contracts and related claims and property under subparagraph (A)(i), the Corporation as receiver for the covered financial company shall not make such transfer to a foreign bank, financial institution organized under the laws of a foreign country, or a branch or agency of a foreign bank or financial institution unless, under the law applicable to such bank, financial institution, branch or agency, to the qualified financial contracts, and to any netting contract, any security agreement or arrangement or other credit enhancement related to one or more qualified financial contracts, the contractual rights of
the parties to such qualified financial contracts, netting contracts, security agreements or arrangements, or other credit enhancements are enforceable substantially to the same extent as permitted under this section.

(C) Transfer of contracts subject to the rules of a clearing organization.—In the event that the Corporation as receiver for a financial institution transfers any qualified financial contract and related claims, property, or credit enhancement pursuant to subparagraph (A)(i) and such contract is cleared by or subject to the rules of a clearing organization, the clearing organization shall not be required to accept the transferee as a member by virtue of the transfer.

[D] CONTRACTS TO EXTEND CREDIT.—Notwithstanding any other provision in this title, if the Corporation as receiver enforces any contract to extend credit to the covered financial company or bridge financial company, any valid and enforceable obligation to repay such debt shall be paid by the Corporation as receiver, as an administrative expense of the receivership.

(i) such guaranty or other support and all related assets and liabilities are transferred to and assumed by a bridge financial company or a third party (other than a third party for which a conservator, receiver, trustee in bankruptcy, or other legal custodian has been appointed, or which is otherwise the subject of a bankruptcy or insolvency proceeding) within the same period of time as the Corporation is entitled to transfer the qualified financial contracts of such covered financial company; or

(ii) the Corporation, as receiver, otherwise provides adequate protection with respect to such obligations.

[(E) **QUALIFIED FINANCIAL CONTRACTS.**—No credit or debt obtained or issued by a bridge financial company may contain terms that impair the rights of a counterparty to a qualified financial contract upon a default by the bridge financial company, other than the priority of such counterparty’s unsecured claim (after the exercise of rights) relative to the priority of the bridge financial company’s obligations in respect of such credit or debt, unless such counterparty consents in writing to any such impairment.

[(17) **EFFECT ON DEBTS AND LIENS.**—The reversal or modification on appeal of an authorization under this subsection to obtain credit or issue debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so issued, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the issuance of such debt, or the granting of such priority or lien, were stayed pending appeal.

[(2) **SCHEDULING.**—The court shall expedite the consideration of any case brought by the Corporation against a director, officer, employee, agent, attorney, accountant, or appraiser of a covered financial company or any other person employed by or providing services to a covered financial company. As far as practicable, the court shall give such case priority on its docket.

[(3) **JUDICIAL DISCRETION.**—The court may modify the schedule and limitations stated in paragraphs (1) and (2) in a particular case, based on a specific finding that the ends of justice that would be served by making such a modification would outweigh the best interest of the public in having the case resolved expeditiously.

[(k) **FOREIGN INVESTIGATIONS.**—The Corporation, as receiver for any covered financial company, and for purposes of carrying out
any power, authority, or duty with respect to a covered financial company—

(1) may request the assistance of any foreign financial authority and provide assistance to any foreign financial authority in accordance with section 8(v) of the Federal Deposit Insurance Act, as if the covered financial company were an insured depository institution, the Corporation were the appropriate Federal banking agency for the company, and any foreign financial authority were the foreign banking authority; and

(C) INTEREST RATE.—Each purchase of obligations by the Secretary under this paragraph shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary, taking into consideration the current average yield on outstanding marketable obligations of the United States of comparable maturity, plus an interest rate surcharge to be determined by the Secretary, which shall be greater than the difference between—

The Corporation may, at any time, amend any orderly liquidation plan approved by the Secretary with the concurrence of the Secretary.

(B) MANDATORY REPAYMENT PLAN.—

(II) the value the claimant was entitled to receive from the Corporation on such claim solely from the proceeds of the liquidation of the covered financial company under this title; and

(ii) if the amounts to be recovered on a cumulative basis under clause (i) are insufficient to meet the requirements of subparagraph (B), after taking into ac-

lates the restrictions under this section, the appropriate Federal banking agency, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as appropriate, shall order, after due notice and opportunity for hearing, the banking entity or nonbank financial company supervised by the Board to terminate the activity and, as relevant, dispose of the investment. \[ \text{(2) SPECIAL PROCEDURES FOR DESIGNATED CLEARING ENTITIES AND Designated activities of certain financial institutions.} \]

\[ \text{(A) CFTC AND COMMISSION.} \] The Commodity Futures Trading Commission and the Commission may each prescribe regulations, in consultation with the Council and the Board of Governors, containing risk management standards, taking into consideration relevant international standards and existing prudential requirements, for those designated clearing entities and financial institutions en-

(i) the operations related to payment, clearing, and settlement activities of such designated clearing entities; and

(ii) the conduct of designated activities by such financial institutions.

(B) RE view and Determination.—The Board of Governors may determine that existing prudential requirements of the Commodity Futures Trading Commission, the Commission, or both (including requirements prescribed pursuant to subparagraph (A)) with respect to designated clearing entities and financial institutions engaged in designated activities for which the Commission or the Commodity Futures Trading Commission is the Supervisory Agency or the appropriate financial regulator are insufficient to prevent or mitigate significant liquidity, credit, operational, or other risks to the financial markets or to the financial stability of the United States.

(C) Written Determination.—Any determination by the Board of Governors under subparagraph (B) shall be provided in writing to the Commodity Futures Trading Commission or the Commission, as applicable, and the Council, and shall explain why existing prudential requirements, considered as a whole, are insufficient to ensure that the operations and activities of the designated clearing entities or the activities of financial institutions described in subparagraph (B) will not pose significant liquidity, credit, operational, or other risks to the financial markets or to the financial stability of the United States.

The Board of Governors' determination shall contain a detailed analysis supporting its findings and identify the specific prudential requirements that are insufficient.

(D) CFTC and Commission Response.—The Commodity Futures Trading Commission or the Commission, as applicable, shall within 60 days either object to the Board of Governors' determination with a detailed analysis as to why existing prudential requirements are sufficient, or submit an explanation to the Council and the Board of Governors describing the actions to be taken in response to the Board of Governors' determination.

(E) Authorization.—Upon an affirmative vote by not fewer than 2/3 of members then serving on the Council, the Council shall either find that the response submitted under subparagraph (D) is sufficient, or require the Commodity Futures Trading Commission, or the Commission, as applicable, to prescribe such risk management standards as the Council determines is necessary to address the specific prudential requirements that are determined to be insufficient.

(b) Objectives and Principles.—The objectives and principles for the risk management standards prescribed under subsection (a) shall be to—

(1) promote robust risk management;
(2) promote safety and soundness;
(3) reduce systemic risks; and
(4) support the stability of the broader financial system.

(c) SCOPE.—The standards prescribed under subsection (a) may address areas such as—

(5) capital and financial resource requirements for designated financial market utilities; and
(6) other areas that are necessary to achieve the objectives and principles in subsection (b).

(d) LIMITATION ON SCOPE.—Except as provided in subsections (e) and (f) of section 807, nothing in this title shall be construed to permit the Council or the Board of Governors to take any action or exercise any authority granted to the Commodity Futures Trading Commission under section 2(h) of the Commodity Exchange Act or the Securities and Exchange Commission under section 3C(a) of the Securities Exchange Act of 1934, including—
(1) the approval of, disapproval of, or stay of the clearing requirement for any group, category, type, or class of swaps that a designated clearing entity may accept for clearing;
(2) the determination that any group, category, type, or class of swaps shall be subject to the mandatory clearing requirement of section 2(h)(1) of the Commodity Exchange Act or section 3C(a)(1) of the Securities Exchange Act of 1934;

All such discounts and borrowing privileges shall be subject to such other limitations, restrictions, and regulations as the Board of Governors may prescribe. c Earnings on Federal Reserve Balances.—A Federal Reserve Bank may pay earnings on balances maintained by or on behalf of a designated financial market utility in the same manner and to the same extent as the Federal Reserve Bank may pay earnings to a depository institution under the Federal Reserve Act, subject to any applicable rules, orders, standards, or guidelines prescribed by the Board of Governors.

(ii) how the designated financial market utility plans to manage any identified risks.
(D) ADDITIONAL INFORMATION.—The Supervisory Agency may require a designated financial market utility to provide any information necessary to assess the effect the proposed change would have on the nature or level of risks associated with the designated financial market utility’s payment, clearing, or settlement activities and the sufficiency of any proposed risk management techniques.

(E) NOTICE OF OBJECTION.—The Supervisory Agency shall notify the designated financial market utility of any objection regarding the proposed change within 60 days from the later of—

(ii) the date the Supervisory Agency receives any further information it requests for consideration of the notice.

(H) REVIEW EXTENSION FOR NOVEL OR COMPLEX ISSUES.—The Supervisory Agency may, during the 60-day review period, extend the review period for an additional 60 days for proposed changes that raise novel or complex issues, subject to the Supervisory Agency providing the designated financial market utility with prompt written notice of the extension. Any extension under this subparagraph will extend the time periods under subparagraphs (E) and (G).

(I) CHANGE ALLOWED EARLIER IF NOTIFIED OF NO OBJECTION.—A designated financial market utility may implement a change in less than 60 days from the date of receipt of the notice of proposed change by the Supervisory Agency, or the date the Supervisory Agency receives any further information it requested, if the Supervisory Agency notifies the designated financial market utility in writing that it does not object to the proposed change and authorizes the designated financial market utility to implement the change on an earlier date, subject to any conditions imposed by the Supervisory Agency.

(2) EMERGENCY CHANGES.—

(A) IN GENERAL.—A designated financial market utility may implement a change that would otherwise require advance notice under this subsection if it determines that—

(i) an emergency exists; and

(ii) immediate implementation of the change is necessary for the designated financial market utility to
continue to provide its services in a safe and sound manner.

(B) NOTICE REQUIRED WITHIN 24 HOURS.—The designated financial market utility shall provide notice of any such emergency change to its Supervisory Agency, as soon as practicable, which shall be no later than 24 hours after implementation of the change.

(C) CONTENTS OF EMERGENCY NOTICE.—In addition to the information required for changes requiring advance notice, the notice of an emergency change shall describe—

(ii) the reason the change was necessary for the designated financial market utility to continue to provide its services in a safe and sound manner.

Any such recommendation for enforcement action shall provide a detailed analysis supporting the recommendation of the Board of Governors.

SEC. 931. FINDINGS

Congress finds the following:

(1) Because of the systemic importance of credit ratings and the reliance placed on credit ratings by individual and institutional investors and financial regulators, the activities and performances of credit rating agencies, including nationally recognized statistical rating organizations, are matters of national public interest, as credit rating agencies are central to capital formation, investor confidence, and the efficient performance of the United States economy.

(2) Credit rating agencies, including nationally recognized statistical rating organizations, play a critical "gatekeeper" role in the debt market that is functionally similar to that of securities analysts, who evaluate the quality of securities in the equity market, and auditors, who review the financial statements of firms. Such role justifies a similar level of public oversight and accountability.

(3) Because credit rating agencies perform evaluative and analytical services on behalf of clients, much as other financial "gatekeepers" do, the activities of credit rating agencies are fundamentally commercial in character and should be subject to the same standards of liability and oversight as apply to auditors, securities analysts, and investment bankers.

(4) In certain activities, particularly in advising arrangers of structured financial products on potential ratings of such products, credit rating agencies face conflicts of interest that need to be carefully monitored and that therefore should be addressed explicitly in legislation in order to give clearer authority to the Securities and Exchange Commission.

(5) In the recent financial crisis, the ratings on structured financial products have proven to be inaccurate. This inaccuracy contributed significantly to the mismanagement of risks by financial institutions and investors, which in turn adversely impacted the health of the economy in the United States and around the world. Such inaccuracy necessitates increased accountability on the part of credit rating agencies.

(b) STATE OF MIND.—Section 21D(b)(2) of the Securities Exchange Act of 1934 (15 U.S.C. 78u-4(b)(2)) is amended—

“(A) IN GENERAL.—Except as provided in subparagraph (B), in any”; and

(2) by adding at the end the following:

“(B) EXCEPTION.—In the case of an action for money damages brought against a credit rating agency or a controlling person under this title, it shall be sufficient, for purposes of pleading any required state of mind in relation to such action, that the complaint state with particularity facts giving rise to a strong inference that the credit rating agency knowingly or recklessly failed—

(i) to conduct a reasonable investigation of the rated security with respect to the factual elements relied upon by its own methodology for evaluating credit risk; or

(ii) to obtain reasonable verification of such factual elements (which verification may be based on a sampling technique that does not amount to an audit) from other sources that the credit rating agency considered to be competent and that were independent of the issuer and underwriter.”

(b) STUDY.—The Commission shall carry out a study of—
[1] the credit rating process for structured finance products and the conflicts of interest associated with the issuer-pay and the subscriber-pay models;

[2] the feasibility of establishing a system in which a public or private utility or a self-regulatory organization assigns nationally recognized statistical rating organizations to determine the credit ratings of structured finance products, including—

In issuing any rule under this paragraph, the Commission shall give thorough consideration to the provisions of section 15E(w) of the Securities Exchange Act of 1934, as that provision would have been added by section 939D of H.R. 4173 (111th Congress), as passed by the Senate on May 20, 2010, and shall implement the system described in such section 939D unless the Commission determines that an alternative system would better serve the public interest and the protection of investors.

(a) SENSE OF CONGRESS ON EXPLOITATION AND TRADE OF CONFLICT MINERALS ORIGINATING IN THE DEMOCRATIC REPUBLIC OF THE CONGO.—It is the sense of Congress that the exploitation and trade of conflict minerals originating in the Democratic Republic of the Congo is helping to finance conflict characterized by extreme levels of violence in the eastern Democratic Republic of the Congo, particularly sexual- and gender-based violence, and contributing to an emergency humanitarian situation therein, warranting the provisions of section 13(p) of the Securities Exchange Act of 1934, as added by subsection (b).

(b) DISCLOSURE RELATING TO CONFLICT MINERALS ORIGINATING IN THE DEMOCRATIC REPUBLIC OF THE CONGO.—Section 13 of the Securities Exchange Act of 1934 (15 U.S.C. 78m), as amended by this Act, is amended by adding at the end the following new subsection:

"(B) CERTIFICATION.—The person submitting a report under subparagraph (A) shall certify the audit described in clause (i) of such subparagraph that is included in such report. "(4) TERMINATION OF DISCLOSURE REQUIREMENTS.—The requirements of paragraph (1) shall terminate on the date on which the President determines and certifies to the appropriate congressional committees, but in no case earlier than the date that is one day after the end of the 5-year period beginning on the date of the enactment of this subsection, that no armed
groups continue to be directly involved and benefitting from commercial activity involving conflict minerals.

This subsection shall not be construed to limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other acts or omissions outside the scope of such person’s employment.

SEC. 7. (a)(1) Each insured State nonmember bank and each foreign bank having an insured branch which is not a Federal branch shall make to the Corporation reports of condition which shall be in such form and shall contain such information as the Board of Directors may require. Such reports shall be made to the Corporation on the dates selected as provided in paragraph (3) of this subsection and the deposit liabilities shall be reported therein in accordance with and pursuant to paragraphs (4) and (5) of this subsection. The Board of Directors may call for additional reports of condition on dates to be fixed by it and may call for such other reports as the Board may from time to time require. Any such bank which (A) maintains procedures reasonably adapted to avoid any inadvertent error and, unintentionally and as a result of such an error, fails to make or publish any report required under this paragraph, or submits or publishes any false or misleading report or information, or (B) inadvertently transmits or publishes any report which is minimally late, shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false or misleading information is not corrected. Such bank shall have the burden of proving that an error was inadvertent and that a report was inadvertently transmitted or published late. Any such bank which fails to make or publish any report required under this paragraph, within the period of time specified by the Corporation, or submits or publishes any false or misleading report or information, in a manner not described in the 2nd preceding sentence shall be subject to a penalty of not more than $20,000 for each day during which such failure continues or such false or misleading information is not corrected. Such bank shall have the burden of proving that an error was inadvertent and that a report was inadvertently transmitted or published late. Any such bank which knowingly or with reckless disregard for the accuracy of any information or report described in such sentence submits or publishes any false or misleading report or information, the Corporation may assess a penalty of not more than $1,000,000 or 1 percent of total assets of such bank, whichever is less, per day for each day during which such failure continues or such false or misleading information is not corrected. Notwithstanding the preceding sentence, if any such bank knowingly or with reckless disregard for the accuracy of any information or report described in such sentence submits or publishes any false or misleading report or information, the Corporation may assess a penalty of not more than $1,500,000 or 1 percent of total assets of such bank, whichever is less, per day for each day during which such failure continues or such false or misleading information is not corrected. Any penalty imposed under any of the 4 preceding sentences shall be assessed and collected by the Corporation in the manner provided in sub-
paragraphs (E), (F), (G), and (I) of section 8(i)(2) (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such section. Any such bank against which any penalty is assessed under this subsection shall be afforded an agency hearing if such bank submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) shall apply to any proceeding under this paragraph.

(2)(A) The Corporation and, with respect to any State depository institution, any appropriate State bank supervisor for such institution, shall have access to reports of examination made by, and reports of condition made to, the Comptroller of the Currency, the Federal Housing Finance Agency, any Federal home loan bank, or any Federal Reserve bank and to all revisions of reports of condition made to any of them, and they shall promptly advise the Corporation of any revisions or changes in respect to deposit liabilities made or required to be made in any report of condition. The Corporation may accept any report made by or to any commission, board, or authority having supervision of a depository institution, and may furnish to the Comptroller of the Currency, to the Federal Housing Finance Agency, to any Federal home loan bank, to any Federal Reserve bank, and to any such commission, board, or authority, reports of examinations made on behalf of, and reports of condition made to, the Corporation.

(B) ADDITIONAL REPORTS.—The Board of Directors may from time to time require any insured depository institution to file such additional reports as the Corporation, after consultation with the Comptroller of the Currency and the Board of Governors of the Federal Reserve System, as appropriate, may deem advisable for insurance purposes.

(C) DATA SHARING WITH OTHER AGENCIES AND PERSONS.—In addition to reports of examination, reports of condition, and other reports required to be regularly provided to the Corporation (with respect to all insured depository institutions, including a depository institution for which the Corporation has been appointed conservator or receiver) or an appropriate State bank supervisor (with respect to a State depository institution) under subparagraph (A) or (B), a Federal banking agency may, in the discretion of the agency, furnish any report of examination or other confidential supervisory information concerning any depository institution or other entity examined by such agency under authority of any Federal law, to—

(i) any other Federal or State agency or authority with supervisory or regulatory authority over the depository institution or other entity;
(ii) any officer, director, or receiver of such depository institution or entity; and
(iii) any other person that the Federal banking agency determines to be appropriate.

(3) Each insured depository institution shall make to the appropriate Federal banking agency 4 reports of condition annually upon dates which shall be selected by the Chairman of the Board of Directors, the Comptroller of the Currency, and the Chairman of the Board of Governors of the Federal Reserve System. The dates selected shall be the same for all insured depository institutions, ex-
cept that when any of said reporting dates is a nonbusiness day for any depository institution, the preceding business day shall be its reporting date. Such reports of condition shall be the basis for the certified statements to be filed pursuant to subsection (c). The deposit liabilities shall be reported in said reports of condition in accordance with and pursuant to paragraphs (4) and (5) of this subsection, and such other information shall be reported therein as may be required by the respective agencies. Each said report of condition shall contain a declaration by the president, a vice president, the cashier or the treasurer, or by any other officer designated by the board of directors or trustees of the reporting depository institution to make such declaration, that the report is true and correct to the best of his knowledge and belief. The correctness of said report of conditions shall be attested by the signatures of at least two directors or trustees of the reporting depository institution other than the officer making such declaration, with a declaration that the report has been examined by them and to the best of their knowledge and belief is true and correct. At the time of making said reports of condition each insured depository institution shall furnish to the Corporation a copy thereof containing such signed declaration and attestations. Nothing herein shall preclude any of the foregoing agencies from requiring the banks or savings associations under its jurisdiction to make additional reports of condition at any time.

(4) In the reports of condition required to be made by paragraph (3) of this subsection, each insured depository institution shall report the total amount of the liability of the depository institution for deposits in the main office and in any branch located in any State of the United States, the District of Columbia, any Territory of the United States, Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, or the Virgin Islands, according to the definition of the term “deposit” in and pursuant to subsection (1) of section 3 of this Act, without any deduction for indebtedness of depositors or creditors or any deduction for cash items in the process of collection drawn on others than the reporting depository institution: Provided, That the depository institution in reporting such deposits may (i) subtract from the deposit balance due to any depository institution the deposit balance due from the same depository institution (other than trust funds deposited by either depository institution) and any cash items in the process of collection due from or due to such depository institutions shall be included in determining such net balance, except that balances of time deposits of any depository institution and any balances standing to the credit of private depository institutions, of depository institutions in foreign countries, of foreign branches of other American depository institutions, and of American branches of foreign banks shall be reported gross without any such subtraction, and (ii) exclude any deposits received in any office of the depository institution for deposit in any other office of the depository institution: And provided further, That outstanding drafts (including advices and authorizations to charge depository institution’s balance in another depository institution) drawn in the regular course of business by the reporting depository institution on depository institutions need not be reported as deposit liabilities. The amount of trust funds held in the depository institution’s own trust department, which
the reporting depository institution keeps segregated and apart from its general assets and does not use in the conduct of its business, shall not be included in the total deposits in such reports, but shall be separately stated in such reports. Deposits which are accumulated for the payment of personal loans and are assigned or pledged to assure payment of loans at maturity shall not be included in the total deposits in such reports, but shall be deducted from the loans for which such deposits are assigned or pledged to assure repayment.

(5) The deposits to be reported on such reports of condition shall be segregated between (i) time and savings deposits and (ii) demand deposits. For this purpose, the time and savings deposits shall consist of time certificates of deposit, time deposits-open account and savings deposits; and demand deposits shall consist of all deposits other than time and savings deposits.

(6) **LIFELINE ACCOUNT DEPOSITS.**—In the reports of condition required to be reported under this subsection, the deposits in lifeline accounts (as defined in section 232(a)(3)(D) of the Bank Enterprise Act of 1991) shall be reported separately.

(7) The Board of Directors, after consultation with the Comptroller of the Currency and the Board of Governors of the Federal Reserve System, may by regulation define the terms “cash items” and “process of collection”, and shall classify deposits as “time,” “savings,” and “demand” deposits, for the purposes of this section.

(8) In respect of any report required or authorized to be supplied or published pursuant to this subsection or any other provision of law, the Board of Directors or the Comptroller of the Currency, as the case may be, may differentiate between domestic banks and foreign banks to such extent as, in their judgment, may be reasonably required to avoid hardship and can be done without substantial compromise of insurance risk or supervisory and regulatory effectiveness.

(9) **DATA COLLECTIONS.**—In addition to or in connection with any other report required under this subsection, the Corporation shall take such action as may be necessary to ensure that—

(A) each insured depository institution maintains; and

(B) the Corporation receives on a regular basis from such institution, information on the total amount of all insured deposits, preferred deposits, and uninsured deposits at the institution. In prescribing reporting and other requirements for the collection of actual and accurate information pursuant to this paragraph, the Corporation shall minimize the regulatory burden imposed upon insured depository institutions that are well capitalized (as defined in section 38) while taking into account the benefit of the information to the Corporation, including the use of the information to enable the Corporation to more accurately determine the total amount of insured deposits in each insured depository institution for purposes of compliance with this Act.

(10) A Federal banking agency may not, by regulation or otherwise, designate, or require an insured institution or an affiliate to designate, a corporation as highly leveraged or a transaction with a corporation as a highly leveraged transaction
solely because such corporation is or has been a debtor or bankrupt under title 11, United States Code, if, after confirmation of a plan of reorganization, such corporation would not otherwise be highly leveraged.

(11) **STREAMLINING REPORTS OF CONDITION.—**

(A) **REVIEW OF INFORMATION AND SCHEDULES.—**Before the end of the 1-year period beginning on the date of enactment of the Financial Services Regulatory Relief Act of 2006 and before the end of each 5-year period thereafter, each Federal banking agency shall, in conjunction with the other relevant Federal banking agencies, review the information and schedules that are required to be filed by an insured depository institution in a report of condition required under paragraph (3).

(B) **REDUCTION OR ELIMINATION OF INFORMATION FOUND TO BE UNNECESSARY.—**After completing the review required by subparagraph (A), a Federal banking agency, in conjunction with the other relevant Federal banking agencies, shall reduce or eliminate any requirement to file information or schedules under paragraph (3) (other than information or schedules that are otherwise required by law) if the agency determines that the continued collection of such information or schedules is no longer necessary or appropriate.

(12) **SHORT FORM REPORTING.—**

(A) **IN GENERAL.—**The appropriate Federal banking agencies shall issue regulations allowing for a reduced reporting requirement for covered depository institutions when making the first and third report of condition for a year, as required pursuant to paragraph (3).

(B) **COVERED DEPOSITORY INSTITUTION DEFINED.—**For purposes of this paragraph, the term "covered depository institution" means an insured depository institution that—

(i) is highly rated and well capitalized (as defined under section 38(b)); and

(ii) satisfies such other criteria as the appropriate Federal banking agencies determine appropriate.

(b) **ASSESSMENTS.—**

(1) **RISK-BASED ASSESSMENT SYSTEM.—**

(A) **RISK-BASED ASSESSMENT SYSTEM REQUIRED.—**The Board of Directors shall, by regulation, establish a risk-based assessment system for insured depository institutions.

(B) **PRIVATE REINSURANCE AUTHORIZED.—**In carrying out this paragraph, the Corporation may—

(i) obtain private reinsurance covering not more than 10 percent of any loss the Corporation incurs with respect to an insured depository institution; and

(ii) base that institution’s assessment (in whole or in part) on the cost of the reinsurance.

(C) **RISK-BASED ASSESSMENT SYSTEM DEFINED.—**For purposes of this paragraph, the term “risk-based assessment system” means a system for calculating a depository institution’s assessment based on—
(i) the probability that the Deposit Insurance Fund will incur a loss with respect to the institution, taking into consideration the risks attributable to—

(I) different categories and concentrations of assets;

(II) different categories and concentrations of liabilities, both insured and uninsured, contingent and noncontingent; and

(III) any other factors the Corporation determines are relevant to assessing such probability;

(ii) the likely amount of any such loss; and

(iii) the revenue needs of the Deposit Insurance Fund.

(D) SEPARATE ASSESSMENT SYSTEMS.—The Board of Directors may establish separate risk-based assessment systems for large and small members of the Deposit Insurance Fund.

(E) INFORMATION CONCERNING RISK OF LOSS AND ECONOMIC CONDITIONS.—

(i) SOURCES OF INFORMATION.—For purposes of determining risk of losses at insured depository institutions and economic conditions generally affecting depository institutions, the Corporation shall collect information, as appropriate, from all sources the Board of Directors considers appropriate, including reports of condition, inspection reports, and other information from all Federal banking agencies, any information available from State bank supervisors, State insurance and securities regulators, the Securities and Exchange Commission (including information described in section 35), the Secretary of the Treasury, the Commodity Futures Trading Commission, the Farm Credit Administration, the Federal Trade Commission, any Federal reserve bank or Federal home loan bank, and other regulators of financial institutions, and any information available from private economic, credit, or business analysts.

(ii) CONSULTATION WITH FEDERAL BANKING AGENCIES.—

(I) IN GENERAL.—Except as provided in subclause (II), in assessing the risk of loss to the Deposit Insurance Fund with respect to any insured depository institution, the Corporation shall consult with the appropriate Federal banking agency of such institution.

(II) TREATMENT ON AGGREGATE BASIS.—In the case of insured depository institutions that are well capitalized (as defined in section 38) and, in the most recent examination, were found to be well managed, the consultation under subclause (I) concerning the assessment of the risk of loss posed by such institutions may be made on an aggregate basis.

(iii) RULE OF CONSTRUCTION.—No provision of this paragraph shall be construed as providing any new
authority for the Corporation to require submission of information by insured depository institutions to the Corporation.

(F) MODIFICATIONS TO THE RISK-BASED ASSESSMENT SYSTEM ALLOWED ONLY AFTER NOTICE AND COMMENT.—In revising or modifying the risk-based assessment system at any time after the date of the enactment of the Federal Deposit Insurance Reform Act of 2005, the Board of Directors may implement such revisions or modification in final form only after notice and opportunity for comment.

(2) SETTING ASSESSMENTS.—

(A) IN GENERAL.—The Board of Directors shall set assessments for insured depository institutions in such amounts as the Board of Directors may determine to be necessary or appropriate, subject to subparagraph (D).

(B) FACTORS TO BE CONSIDERED.—In setting assessments under subparagraph (A), the Board of Directors shall consider the following factors:

(i) The estimated operating expenses of the Deposit Insurance Fund.

(ii) The estimated case resolution expenses and income of the Deposit Insurance Fund.

(iii) The projected effects of the payment of assessments on the capital and earnings of insured depository institutions.

(iv) The risk factors and other factors taken into account pursuant to paragraph (1) under the risk-based assessment system, including the requirement under such paragraph to maintain a risk-based system.

(v) Any other factors the Board of Directors may determine to be appropriate.

(D) NOTICE OF ASSESSMENTS.—The Corporation shall notify each insured depository institution of that institution’s assessment.

(E) BANK ENTERPRISE ACT REQUIREMENT.—The Corporation shall design the risk-based assessment system so that, insofar as the system bases assessments, directly or indirectly, on deposits, the portion of the deposits of any insured depository institution which are attributable to life-line accounts established in accordance with the Bank Enterprise Act of 1991 shall be subject to assessment at a rate determined in accordance with such Act.

(3) DESIGNATED RESERVE RATIO.—

(A) ESTABLISHMENT.—

(i) IN GENERAL.—Before the beginning of each calendar year, the Board of Directors shall designate the reserve ratio applicable with respect to the Deposit Insurance Fund and publish the reserve ratio so designated.

(ii) RULEMAKING REQUIREMENT.—Any change to the designated reserve ratio shall be made by the Board of Directors by regulation after notice and opportunity for comment.

(B) MINIMUM RESERVE RATIO.—The reserve ratio designated by the Board of Directors for any year may not be
less than 1.35 percent of estimated insured deposits, or the comparable percentage of the assessment base set forth in paragraph (2)(C).

(C) FACTORS.—In designating a reserve ratio for any year, the Board of Directors shall—

(i) take into account the risk of losses to the Deposit Insurance Fund in such year and future years, including historic experience and potential and estimated losses from insured depository institutions;

(ii) take into account economic conditions generally affecting insured depository institutions so as to allow the designated reserve ratio to increase during more favorable economic conditions and to decrease during less favorable economic conditions, notwithstanding the increased risks of loss that may exist during such less favorable conditions, as determined to be appropriate by the Board of Directors;

(iii) seek to prevent sharp swings in the assessment rates for insured depository institutions; and

(iv) take into account such other factors as the Board of Directors may determine to be appropriate, consistent with the requirements of this subparagraph.

(D) PUBLICATION OF PROPOSED CHANGE IN RATIO.—In soliciting comment on any proposed change in the designated reserve ratio in accordance with subparagraph (A), the Board of Directors shall include in the published proposal a thorough analysis of the data and projections on which the proposal is based.

(E) DIF RESTORATION PLANS.—

(i) IN GENERAL.—Whenever—

(I) the Corporation projects that the reserve ratio of the Deposit Insurance Fund will, within 6 months of such determination, fall below the minimum amount specified in subparagraph (B)(ii) for the designated reserve ratio; or

(II) the reserve ratio of the Deposit Insurance Fund actually falls below the minimum amount specified in subparagraph (B)(ii) for the designated reserve ratio without any determination under subclause (I) having been made,

the Corporation shall establish and implement a Deposit Insurance Fund restoration plan within 90 days that meets the requirements of clause (ii) and such other conditions as the Corporation determines to be appropriate.

(ii) REQUIREMENTS OF RESTORATION PLAN.—A Deposit Insurance Fund restoration plan meets the requirements of this clause if the plan provides that the reserve ratio of the Fund will meet or exceed the minimum amount specified in subparagraph (B)(ii) for the designated reserve ratio before the end of the 8-year period beginning upon the implementation of the plan (or such longer period as the Corporation may deter-
mine to be necessary due to extraordinary circumstances).

(iii) RESTRICTION ON ASSESSMENT CREDITS.—As part of any restoration plan under this subparagraph, the Corporation may elect to restrict the application of assessment credits provided under subsection (e)(3) for any period that the plan is in effect.

(iv) LIMITATION ON RESTRICTION.—Notwithstanding clause (iii), while any restoration plan under this subparagraph is in effect, the Corporation shall apply credits provided to an insured depository institution under subsection (e)(3) against any assessment imposed on the institution for any assessment period in an amount equal to the lesser of—

(I) the amount of the assessment; or

(II) the amount equal to 3 basis points of the institution's assessment base.

(v) TRANSPARENCY.—Not more than 30 days after the Corporation establishes and implements a restoration plan under clause (i), the Corporation shall publish in the Federal Register a detailed analysis of the factors considered and the basis for the actions taken with regard to the plan.

(4) DEPOSITORY INSTITUTION REQUIRED TO MAINTAIN ASSESSMENT-RELATED RECORDS.—Each insured depository institution shall maintain all records that the Corporation may require for verifying the correctness of any assessment on the insured depository institution under this subsection until the later of—

(A) the end of the 3-year period beginning on the due date of the assessment; or

(B) in the case of a dispute between the insured depository institution and the Corporation with respect to such assessment, the date of a final determination of any such dispute.

(5) EMERGENCY SPECIAL ASSESSMENTS.—In addition to the other assessments imposed on insured depository institutions under this subsection, the Corporation may impose 1 or more special assessments on insured depository institutions in an amount determined by the Corporation if the amount of any such assessment is necessary—

(A) to provide sufficient assessment income to repay amounts borrowed from the Secretary of the Treasury under section 14(a) in accordance with the repayment schedule in effect under section 14(c) during the period with respect to which such assessment is imposed;

(B) to provide sufficient assessment income to repay obligations issued to and other amounts borrowed from insured depository institutions under section 14(d); or

(C) for any other purpose that the Corporation may deem necessary.

(6) COMMUNITY ENTERPRISE CREDITS.—The Corporation shall allow a credit against any semiannual assessment to any insured depository institution which satisfies the requirements of the Community Enterprise Assessment Credit Board under
section 233(a)(1) of the Bank Enterprise Act of 1991 in the amount determined by such Board by regulation.

(c) CERTIFIED STATEMENTS; PAYMENTS.—

(1) CERTIFIED STATEMENTS REQUIRED.—

(A) IN GENERAL.—Each insured depository institution shall file with the Corporation a certified statement containing such information as the Corporation may require for determining the institution’s assessment.

(B) FORM OF CERTIFICATION.—The certified statement required under subparagraph (A) shall—

(i) be in such form and set forth such supporting information as the Board of Directors shall prescribe; and

(ii) be certified by the president of the depository institution or any other officer designated by its board of directors or trustees that to the best of his or her knowledge and belief, the statement is true, correct and complete, and in accordance with this Act and regulations issued hereunder.

(2) PAYMENTS REQUIRED.—

(A) IN GENERAL.—Each insured depository institution shall pay to the Corporation the assessment imposed under subsection (b).

(B) FORM OF PAYMENT.—The payments required under subparagraph (A) shall be made in such manner and at such time or times as the Board of Directors shall prescribe by regulation.

(3) NEWLY INSURED INSTITUTIONS.—To facilitate the administration of this section, the Board of Directors may waive the requirements of paragraphs (1) and (2) for the initial assessment period in which a depository institution becomes insured.

(4) PENALTY FOR FAILURE TO MAKE ACCURATE CERTIFIED STATEMENT.—

(A) FIRST TIER.—Any insured depository institution which—

(i) maintains procedures reasonably adapted to avoid any inadvertent error and, unintentionally and as a result of such an error, fails to submit the certified statement under paragraph (1) within the period of time required under paragraph (1) or submits a false or misleading certified statement; or

(ii) submits the statement at a time which is minimally after the time required in such paragraph, shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false and misleading information is not corrected. The institution shall have the burden of proving that an error was inadvertent or that a statement was inadvertently submitted late.

(B) SECOND TIER.—Any insured depository institution which fails to submit the certified statement under paragraph (1) within the period of time required under paragraph (1) or submits a false or misleading certified statement in a manner not described in subparagraph (A) shall be subject to a penalty of not more than $20,000 for each
day during which such failure continues or such false and misleading information is not corrected.

(C) THIRD TIER.—Notwithstanding subparagraphs (A) and (B), if any insured depository institution knowingly or with reckless disregard for the accuracy of any certified statement described in paragraph (1) submits a false or misleading certified statement under paragraph (1), the Corporation may assess a penalty of not more than $1,000,000 or not more than 1 percent of the total assets of the institution, whichever is less, per day for each day during which the failure continues or the false or misleading information in such statement is not corrected.

(D) ASSESSMENT PROCEDURE.—Any penalty imposed under this paragraph shall be assessed and collected by the Corporation in the manner provided in subparagraphs (E), (F), (G), and (I) of section 8(i)(2) (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such section.

(E) HEARING.—Any insured depository institution against which any penalty is assessed under this paragraph shall be afforded an agency hearing if the institution submits a request for such hearing within 20 days after the issuance of the notice of the assessment. Section 8(h) shall apply to any proceeding under this subparagraph.

(d) CORPORATION EXEMPT FROM APPORTIONMENT.—Notwithstanding any other provision of law, amounts received pursuant to any assessment under this section and any other amounts received by the Corporation shall not be subject to apportionment for the purposes of chapter 15 of title 31, United States Code, or under any other authority.

(e) REFUNDS, DIVIDENDS, AND CREDITS.—

(1) REFUNDS OF OVERPAYMENTS.—In the case of any payment of an assessment by an insured depository institution in excess of the amount due to the Corporation, the Corporation may—

(B) credit such excess amount toward the payment of subsequent assessments until such credit is exhausted.

(2) DIVIDENDS FROM EXCESS AMOUNTS IN DEPOSIT INSURANCE FUND.—

(A) RESERVE RATIO IN EXCESS OF 1.5 PERCENT OF ESTIMATED INSURED DEPOSITS.—If, at the end of a calendar year, the reserve ratio of the Deposit Insurance Fund exceeds 1.5 percent of estimated insured deposits, the Corporation shall declare the amount in the Fund in excess of the amount required to maintain the reserve ratio at 1.5 percent of estimated insured deposits, as dividends to be paid to insured depository institutions.

(B) LIMITATION.—The Board of Directors may, in its sole discretion, suspend or limit the declaration of payment of dividends under subparagraph (A).

(C) NOTICE AND OPPORTUNITY FOR COMMENT.—The Corporation shall prescribe, by regulation, after notice and op-

(3) ONE-TIME CREDIT BASED ON TOTAL ASSESSMENT BASE AT YEAR-END 1996.—

(A) IN GENERAL.—Before the end of the 270-day period beginning on the date of the enactment of the Federal Deposit Insurance Reform Act of 2005, the Board of Directors shall, by regulation after notice and opportunity for comment, provide for a credit to each eligible insured depository institution (or a successor insured depository institution), based on the assessment base of the institution on December 31, 1996, as compared to the combined aggregate assessment base of all eligible insured depository institutions, taking into account such factors as the Board of Directors may determine to be appropriate.

(B) CREDIT LIMIT.—The aggregate amount of credits available under subparagraph (A) to all eligible insured depository institutions shall equal the amount that the Corporation could collect if the Corporation imposed an assessment of 10.5 basis points on the combined assessment base of the Bank Insurance Fund and the Savings Association Insurance Fund as of December 31, 2001.

(C) ELIGIBLE INSURED DEPOSITORY INSTITUTION DEFINED.—For purposes of this paragraph, the term “eligible insured depository institution” means any insured depository institution that—

(D) APPLICATION OF CREDITS.—

(i) IN GENERAL.—Subject to clause (ii), the amount of a credit to any eligible insured depository institution under this paragraph shall be applied by the Corporation, subject to subsection (b)(3)(E), to the assessments imposed on such institution under subsection (b) that become due for assessment periods beginning after the effective date of regulations prescribed under subparagraph (A).

(ii) TEMPORARY RESTRICTION ON USE OF CREDITS.—The amount of a credit to any eligible insured depository institution under this paragraph may not be applied to more than 90 percent of the assessments imposed on such institution under subsection (b) that become due for assessment periods beginning in fiscal years 2008, 2009, and 2010.

(E) LIMITATION ON AMOUNT OF CREDIT FOR CERTAIN DEPOSITORY INSTITUTIONS.—In the case of an insured depository institution that exhibits financial, operational, or compliance weaknesses ranging from moderately severe to un-
satisfactory, or is not adequately capitalized (as defined in section 38) at the beginning of an assessment period, the amount of any credit allowed under this paragraph against the assessment on that depository institution for such period may not exceed the amount calculated by applying to that depository institution the average assessment rate on all insured depository institutions for such assessment period.

(F) Sucessor defined.—The Corporation shall define the term “successor” for purposes of this paragraph, by regulation, and may consider any factors as the Board may deem appropriate.

(4) Administrative review.—

(B) Administrative review.—Any review under subparagraph (A) of any determination of the Corporation under paragraph (2) or (3) shall be final and not subject to judicial review.

depository institution in a fiduciary capacity as trustee pursu-

(j)(1) No person, acting directly or indirectly or through or in concert with one or more other persons, shall acquire control of any insured depository institution through a purchase, assignment, transfer, pledge, or other disposition of voting stock of such insured depository institution unless the appropriate Federal banking agency has been given sixty days’ prior written notice of such proposed acquisition and within that time period the agency has not issued a notice disapproving the proposed acquisition or, in the discretion of the agency, extending for an additional 30 days the period during which such a disapproval may issue. The period for disapproval under the preceding sentence may be extended not to exceed 2 additional times for not more than 45 days each time if—

(B) in the agency’s judgment, any material information submitted is substantially inaccurate;

(C) the agency has been unable to complete the investigation of an acquiring party under paragraph (2)(B) because of any delay caused by, or the inadequate cooperation of, such acquiring party; or

(ii) to analyze the safety and soundness of any plans or proposals described in paragraph (6)(E) or the future prospects of the institution.

An acquisition may be made prior to expiration of the disapproval period if the agency issues written notice of its intent not to disapprove the action.

The appropriate Federal banking agency shall give due consideration to the views and recommendations of such State agency in determining whether to disapprove any proposed acquisition. Notwithstanding the provisions of this paragraph, if the appropriate Federal banking agency determines that it must act immediately upon any notice of a proposed acquisition in order to prevent the probable default of the depository institution involved in the proposed acquisition, such Federal banking agency may dispense with the requirements of this paragraph or, if a copy of the notice is forwarded to the State depository institution supervisory agency, such Federal banking agency may request that the views and recommendations of such State depository insti-
tution supervisory agency be submitted immediately in any form or by any means acceptable to such Federal banking agency.

(B) INVESTIGATION OF PRINCIPALS REQUIRED.—Upon receiving any notice under this subsection, the appropriate Federal banking agency shall—

(ii) solicit public comment on such proposed acquisition, particularly from persons in the geographic area where the bank proposed to be acquired is located, before final consideration of such notice by the agency,

unless the agency determines in writing that such disclosure or solicitation would seriously threaten the safety or soundness of such bank.

(3) Within three days after its decision to disapprove any proposed acquisition, the appropriate Federal banking agency shall notify the acquiring party in writing of the disapproval. Such notice shall provide a statement of the basis for the disapproval.

(4) Within ten days of receipt of such notice of disapproval, the acquiring party may request an agency hearing on the proposed acquisition. In such hearing all issues shall be determined on the record pursuant to section 554 of title 5, United States Code. The length of the hearing shall be determined by the appropriate Federal banking agency. At the conclusion thereof, the appropriate Federal banking agency shall by order approve or disapprove the proposed acquisition on the basis of the record made at such hearing.

(5) Any person whose proposed acquisition is disapproved after agency hearings under this subsection may obtain review by the United States court of appeals for the circuit in which the home office of the bank to be acquired is located, or the United States Court of Appeals for the District of Columbia Circuit, by filing a notice of appeal in such court within ten days from the date of such order, and simultaneously sending a copy of such notice by registered or certified mail to the appropriate Federal banking agency. The appropriate Federal banking agency shall promptly certify and file in such court the record upon which the disapproval was based.
The findings of the appropriate Federal banking agency shall be set aside if found to be arbitrary or capricious or if found to violate procedures established by this subsection.

(6) Except as otherwise provided by regulation of the appropriate Federal banking agency, a notice filed pursuant to this subsection shall contain the following information:

(A) The identity, personal history, business background and experience of each person by whom or on whose behalf the acquisition is to be made, including his material business activities and affiliations during the past five years, and a description of any material pending legal or administrative proceedings in which he is a party and any criminal indictment or conviction of such person by a State or Federal court.

(B) A statement of the assets and liabilities of each person by whom or on whose behalf the acquisition is to be made, as of the end of the fiscal year for each of five fiscal years immediately preceding the date of the notice, together with related statements of income and source and application of funds for each of the fiscal years then concluded, all prepared in accordance with generally accepted accounting principles consistently applied, and an interim statement of the assets and liabilities for each such person, together with related statements of income and source and application of funds, as of a date not more than ninety days prior to the date of the filing of the notice.

(C) The terms and conditions of the proposed acquisition and the manner in which the acquisition is to be made.

(D) The identity, source and amount of the funds or other consideration used or to be used in making the acquisition, and if any part of these funds or other consideration has been or is to be borrowed or otherwise obtained for the purpose of making the acquisition, a description of the transaction, the names of the parties, and any arrangements, agreements, or understandings with such persons.

(E) Any plans or proposals which any acquiring party making the acquisition may have to liquidate the bank, to sell its assets or merge it with any company or to make any other major change in its business or corporate structure or management.

(F) The identification of any person employed, retained, or to be compensated by the acquiring party, or by any person on his behalf, to make solicitations or recommendations to stockholders for the purpose of assisting in the acquisition, and a brief description of the terms of such employment, retainer, or arrangement for compensation.

(G) Copies of all invitations or tenders or advertisements making a tender offer to stockholders for purchase of their stock to be used in connection with the proposed acquisition.

(H) Any additional relevant information in such form as the appropriate Federal banking agency may require by regulation or by specific request in connection with any particular notice.

(7) The appropriate Federal banking agency may disapprove any proposed acquisition if—

(A) the proposed acquisition of control would result in a monopoly or would be in furtherance of any combination or con-
spionage to monopolize or to attempt to monopolize the business of banking in any part of the United States;

(B) the effect of the proposed acquisition of control in any section of the country may be substantially to lessen competition or to tend to create a monopoly or the proposed acquisition of control would in any other manner be in restraint of trade, and the anticompetitive effects of the proposed acquisition of control are not clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served;

(C) either the financial condition of any acquiring person or the future prospects of the institution is such as might jeopardize the financial stability of the bank or prejudice the interests of the depositors of the bank;

(D) the competence, experience, or integrity of any acquiring person or of any of the proposed management personnel indicates that it would not be in the interest of the depositors of the bank, or in the interest of the public to permit such person to control the bank;

(E) any acquiring person neglects, fails, or refuses to furnish the appropriate Federal banking agency all the information required by the appropriate Federal banking agency; or

(F) the appropriate Federal banking agency determines that the proposed transaction would result in an adverse effect on the Deposit Insurance Fund.

(ii) provide the insured depository institution with a statement of the charges on the basis of which the determination to terminate such institution's insured status was made (or a copy of the notice under subparagraph (A)); and

(iii) notify the insured depository institution of the date (not less than 30 days after notice under this subparagraph) and place for a hearing before the Board of Directors (or any person designated by the Board) with respect to the termination of the institution's insured status.

(3) HEARING; TERMINATION.—If, on the basis of the evidence presented at a hearing before the Board of Directors (or any person designated by the Board for such purpose), in which all issues shall be determined on the record pursuant to section 554 of title 5, United States Code, and the written findings of the Board of Directors (or such person) with respect to such evidence (which shall be conclusive), the Board of Directors finds that any unsafe or unsound practice or condition or any violation specified in the notice to an insured depository institution under paragraph (2)(B) or subsection (w) has been established, the Board of Directors may issue an order terminating the insured status of such depository institution effective as of a date subsequent to such finding.

(4) APPEARANCE; CONSENT TO TERMINATION.—Unless the depository institution shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the termination of its status as an insured depository institution and termination of such status thereupon may be ordered.

(5) JUDICIAL REVIEW.—Any insured depository institution whose insured status has been terminated by order of the Board of Directors under this subsection shall have the right of judicial review of such order only to the same extent as provided for the review of orders under subsection (h) of this section.

(6) PUBLICATION OF NOTICE OF TERMINATION.—The Corporation may publish notice of such termination and the depository institution shall give notice of such termination to each of its depositors at his last address of record on the books of the depository institution, in such manner and at such time as the Board of Directors may find to be necessary and may order for the protection of depositors.

(7) TEMPORARY INSURANCE OF DEPOSITS INSURED AS OF TERMINATION.—After the termination of the insured status of any
depository institution under the provisions of this subsection, the insured deposits of each depositor in the depository institution on the date of such termination, less all subsequent withdrawals from any deposits of such depositor, shall continue for a period of at least 6 months or up to 2 years, within the discretion of the Board of Directors, to be insured, and the depository institution shall continue to pay to the Corporation assessments as in the case of an insured depository institution during such period. No additions to any such deposits and no new deposits in such depository institution made after the date of such termination shall be insured by the Corporation, and the depository institution shall not advertise or hold itself out as having insured deposits unless in the same connection it shall also state with equal prominence that such additions to deposits and new deposits made after such date are not so insured. Such depository institution shall, in all other respects, be subject to the duties and obligations of an insured depository institution for the period referred to in the 1st sentence from the date of such termination, and in the event that such depository institution shall be closed on account of inability to meet the demands of its depositors within such period, the Corporation shall have the same powers and rights with respect to such depository institution as in case of an insured depository institution.

(8) TEMPORARY SUSPENSION OF INSURANCE.—

(A) IN GENERAL.—If the Board of Directors initiates a termination proceeding under paragraph (2), and the Board of Directors, after consultation with the appropriate Federal banking agency, finds that an insured depository institution (other than a savings association to which subparagraph (B) applies) has no tangible capital under the capital guidelines or regulations of the appropriate Federal banking agency, the Corporation may issue a temporary order suspending deposit insurance on all deposits received by the institution.

(B) SPECIAL RULE FOR CERTAIN SAVINGS INSTITUTIONS.—

(i) CERTAIN GOODWILL INCLUDED IN TANGIBLE CAPITAL.—In determining the tangible capital of a savings association for purposes of this paragraph, the Board of Directors shall include goodwill to the extent it is considered a component of capital under section 5(t) of the Home Owners' Loan Act. Any savings association which would be subject to a suspension order under subparagraph (A) but for the operation of this subparagraph, shall be considered by the Corporation to be a "special supervisory association".

(ii) SUSPENSION ORDER.—The Corporation may issue a temporary order suspending deposit insurance on all deposits received by a special supervisory association whenever the Board of Directors determines that—

(I) the capital of such association, as computed utilizing applicable accounting standards, has suffered a material decline;
(II) that such association (or its directors or officers) is engaging in an unsafe or unsound practice in conducting the business of the association;

(III) that such association is in an unsafe or unsound condition to continue operating as an insured association; or

(IV) that such association (or its directors or officers) has violated any applicable law, rule, regulation, or order, or any condition imposed in writing by a Federal banking agency, or any written agreement including a capital improvement plan entered into with any Federal banking agency, or that the association has failed to enter into a capital improvement plan which is acceptable to the Corporation within the time period set forth in section 5(t) of the Home Owners’ Loan Act.

Nothing in this paragraph limits the right of the Corporation or the Comptroller of the Currency to enforce a contractual provision which authorizes the Corporation or the Comptroller of the Currency, as a successor to the Federal Savings and Loan Insurance Corporation or the Federal Home Loan Bank Board, to require a savings association to write down or amortize goodwill at a faster rate than otherwise required under this Act or under applicable accounting standards.

(C) EFFECTIVE PERIOD OF TEMPORARY ORDER.—Any order issued under subparagraph (A) shall become effective not earlier than 10 days from the date of service upon the institution and, unless set aside, limited, or suspended by a court in proceedings authorized hereunder, such temporary order shall remain effective and enforceable until an order of the Board under paragraph (3) becomes final or until the Corporation dismisses the proceedings under paragraph (3).

(D) JUDICIAL REVIEW.—Before the close of the 10-day period beginning on the date any temporary order has been served upon an insured depository institution under subparagraph (A), such institution may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district in which the home office of the institution is located, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order, and such court shall have jurisdiction to issue such injunction.

(E) CONTINUATION OF INSURANCE FOR PRIOR DEPOSITS.—The insured deposits of each depositor in such depository institution on the effective date of the order issued under this paragraph, minus all subsequent withdrawals from any deposits of such depositor, shall continue to be insured, subject to the administrative proceedings as provided in this Act.

(F) PUBLICATION OF ORDER.—The depository institution shall give notice of such order to each of its depositors in such manner and at such times as the Board of Directors
may find to be necessary and may order for the protection of depositors.

(G) NOTICE BY CORPORATION.—If the Corporation determines that the depository institution has not substantially complied with the notice to depositors required by the Board of Directors, the Corporation may provide such notice in such manner as the Board of Directors may find to be necessary and appropriate.

(H) LACK OF NOTICE.—Notwithstanding subparagraph (A), any deposit made after the effective date of a suspension order issued under this paragraph shall remain insured to the extent that the depositor establishes that—

(i) such deposit consists of additions made by automatic deposit the depositor was unable to prevent; or

(ii) such depositor did not have actual knowledge of the suspension of insurance.

(9) FINAL DECISIONS TO TERMINATE INSURANCE.—Any decision by the Board of Directors to—

(A) issue a temporary order terminating deposit insurance; or

(B) issue a final order terminating deposit insurance (other than under subsection (p) or (q));

shall be made by the Board of Directors and may not be delegated.

(10) LOW- TO MODERATE-INCOME HOUSING LENDER.—In making any determination regarding the termination of insurance of a solvent savings association, the Corporation may consider the extent of the association's low- to moderate-income housing loans.

(b)(1) If, in the opinion of the appropriate Federal banking agency, any insured depository institution, depository institution which has insured deposits, or any institution-affiliated party is engaging or has engaged, or the agency has reasonable cause to believe that the depository institution or any institution-affiliated party is about to engage, in an unsafe or unsound practice in conducting the business of such depository institution, or is violating or has violated, or the agency has reasonable cause to believe that the depository institution or any institution-affiliated party is about to violate, a law, rule, or regulation, or any condition imposed in writing by a Federal banking agency in connection with any action on any application, notice, or other request by the depository institution or institution-affiliated party, or any written agreement entered into with the agency, the appropriate Federal banking agency for the depository institution may issue and serve upon the depository institution or such party a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the depository institution or the institution-affiliated party. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the agency at the request of any party so served. Unless the party or parties so served shall appear at the hearing personally or by a duly author-
ized representative, they shall be deemed to have consented to the issuance of the cease-and-desist order. In the event of such consent, or if upon the record made at any such hearing, the agency shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, the agency may issue and serve upon the depository institution or the institution-affiliated party an order to cease and desist from any such violation or practice. Such order may, by provisions which may be mandatory or otherwise, require the depository institution or its institution-affiliated parties to cease and desist from the same, and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

(2) A cease-and-desist order shall become effective at the expiration of thirty days after the service of such order upon the depository institution or other person concerned (except in the case of a cease-and-desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein, except to such extent as it is stayed, modified, terminated, or set aside by action of the agency or a reviewing court.

(3) This subsection, subsections (c) through (s) and subsection (u) of this section, and section 50 of this Act shall apply to any bank holding company, and to any “subsidiary” (other than a bank) of a bank holding company, as those terms are defined in the Bank Holding Company Act of 1956, any savings and loan holding company and any subsidiary (other than a depository institution) of a savings and loan holding company (as such terms are defined in section 10 of Home Owners’ Loan Act), any noninsured State member bank and to any organization organized and operated under section 25(a) of the Federal Reserve Act or operating under section 25 of the Federal Reserve Act, in the same manner as they apply to a State member insured bank. Nothing in this subsection or in subsection (c) of this section shall authorize any Federal banking agency, other than the Board of Governors of the Federal Reserve System, to issue a notice of charges or cease-and-desist order against a bank holding company or any subsidiary thereof (other than a bank or subsidiary of that bank) or against a savings and loan holding company or any subsidiary thereof (other than a depository institution or a subsidiary of such depository institution).

(4) This subsection, subsections (c) through (s) and subsection (u) of this section, and section 50 of this Act shall apply to any foreign bank or company to which subsection (a) of section 8 of the International Banking Act of 1978 applies and to any subsidiary (other than a bank) of any such foreign bank or company in the same manner as they apply to a bank holding company and any subsidiary thereof (other than a bank) under paragraph (3) of this subsection. For the purposes of this paragraph, the term “subsidiary” shall have the meaning assigned to it in section 2 of the Bank Holding Company Act of 1956.

(5) This section shall apply, in the same manner as it applies to any insured depository institution for which the appropriate Federal banking agency is the Comptroller of the Currency, to any national banking association chartered by the Comptroller of the Currency, including an uninsured association.
(6) AFFIRMATIVE ACTION TO CORRECT CONDITIONS RESULTING FROM VIOLATIONS OR PRACTICES.—The authority to issue an order under this subsection and subsection (c) which requires an insured depository institution or any institution-affiliated party to take affirmative action to correct or remedy any conditions resulting from any violation or practice with respect to which such order is issued includes the authority to require such depository institution or such party to—

(A) make restitution or provide reimbursement, indemnification, or guarantee against loss if—

(i) such depository institution or such party was unjustly enriched in connection with such violation or practice; or

(ii) the violation or practice involved a reckless disregard for the law or any applicable regulations or prior order of the appropriate Federal banking agency;

(B) restrict the growth of the institution;

(C) dispose of any loan or asset involved;

(D) rescind agreements or contracts; and

(E) employ qualified officers or employees (who may be subject to approval by the appropriate Federal banking agency at the direction of such agency); and

(F) take such other action as the banking agency determines to be appropriate.

(7) AUTHORITY TO LIMIT ACTIVITIES.—The authority to issue an order under this subsection or subsection (c) includes the authority to place limitations on the activities or functions of an insured depository institution or any institution-affiliated party.

(8) UNSATISFACTORY ASSET QUALITY, MANAGEMENT, EARNINGS, OR LIQUIDITY AS UNSAFE OR UNSOUND PRACTICE.—If an insured depository institution receives, in its most recent report of examination, a less-than-satisfactory rating for asset quality, management, earnings, or liquidity, the appropriate Federal banking agency may (if the deficiency is not corrected) deem the institution to be engaging in an unsafe or unsound practice for purposes of this subsection.

(9)

(10) STANDARD FOR CERTAIN ORDERS.—No authority under this subsection or subsection (c) to prohibit any institution-affiliated party from withdrawing, transferring, removing, dissipating, or disposing of any funds, assets, or other property may be exercised unless the appropriate Federal banking agency meets the standards of Rule 65 of the Federal Rules of Civil Procedure, without regard to the requirement of such rule that the applicant show that the injury, loss, or damage is irreparable and immediate.

(c)(1) Whenever the appropriate Federal banking agency shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the depository institution or any institution-affiliated party pursuant to paragraph (1) of subsection (b) of this section, or the continuation thereof, is likely to cause insolvency or significant dissipation of assets or earnings of the depository institution, or is likely to weaken the condition of the depository institution or oth-
erwise prejudice the interests of its depositors prior to the completion of the proceedings conducted pursuant to paragraph (1) of subsection (b) of this section, the agency may issue a temporary order requiring the depository institution or such party to cease and desist from any such violation or practice and to take affirmative action to prevent or remedy such insolvency, dissipation, condition, or prejudice pending completion of such proceedings. Such order may include any requirement authorized under subsection (b)(6). Such order shall become effective upon service upon the depository institution or such party participating in the conduct of the affairs of such depository institution and, unless set aside, limited, or suspended by a court in proceedings authorized by paragraph (2) of this subsection, shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the agency shall dismiss the charges specified in such notice, or if a cease-and-desist order is issued against the depository institution or such party, until the effective date of such order.

(2) Within ten days after the depository institution concerned or any institution-affiliated party has been served with a temporary cease-and-desist order, the depository institution or such party may apply to the United States district court for the judicial district in which the home office of the depository institution is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the depository institution or such party under paragraph (1) of subsection (b) of this section, and such court shall have jurisdiction to issue such injunction.

(3) INCOMPLETE OR INACCURATE RECORDS.—

(A) TEMPORARY ORDER.—If a notice of charges served under subsection (b)(1) specifies, on the basis of particular facts and circumstances, that an insured depository institution's books and records are so incomplete or inaccurate that the appropriate Federal banking agency is unable, through the normal supervisory process, to determine the financial condition of that depository institution or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of that depository institution, the agency may issue a temporary order requiring—

(i) the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or

(ii) affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under subsection (b)(1).

(B) EFFECTIVE PERIOD.—Any temporary order issued under subparagraph (A)—

(i) shall become effective upon service; and

(ii) unless set aside, limited, or suspended by a court in proceedings under paragraph (2), shall remain in effect and enforceable until the earlier of—
(I) the completion of the proceeding initiated under subsection (b)(1) in connection with the notice of charges; or

(II) the date the appropriate Federal banking agency determines, by examination or otherwise, that the insured depository institution's books and records are accurate and reflect the financial condition of the depository institution.

(4) False Advertising or Misuse of Names to Indicate Insured Status.—

(A) Temporary Order.—

(i) In General.—If a notice of charges served under subsection (b)(1) specifies on the basis of particular facts that any person engaged or is engaging in conduct described in section 18(a)(4), the Corporation or other appropriate Federal banking agency may issue a temporary order requiring—

(I) the immediate cessation of any activity or practice described, which gave rise to the notice of charges; and

(II) affirmative action to prevent any further, or to remedy any existing, violation.

(ii) Effect of Order.—Any temporary order issued under this subparagraph shall take effect upon service.

(B) Effective Period of Temporary Order.—A temporary order issued under subparagraph (A) shall remain effective and enforceable, pending the completion of an administrative proceeding pursuant to subsection (b)(1) in connection with the notice of charges—

(i) until such time as the Corporation or other appropriate Federal banking agency dismisses the charges specified in such notice; or

(ii) if a cease-and-desist order is issued against such person, until the effective date of such order.

(C) Civil Money Penalties.—Any violation of section 18(a)(4) shall be subject to civil money penalties, as set forth in subsection (i), except that for any person other than an insured depository institution or an institution-affiliated party that is found to have violated this paragraph, the Corporation or other appropriate Federal banking agency shall not be required to demonstrate any loss to an insured depository institution.

(d) In the case of violation or threatened violation of, or failure to obey, a temporary cease-and-desist order issued pursuant to paragraph (1) of subsection (c) of the section, the appropriate Federal banking agency may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the depository institution is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

(e) Removal and Prohibition Authority.—
(1) Authority to Issue Order.—Whenever the appropriate Federal banking agency determines that—
(A) any institution-affiliated party has, directly or indirectly—
(i) violated—
(I) any law or regulation;
(II) any cease-and-desist order which has become final;
(III) any condition imposed in writing by a Federal banking agency in connection with any action on any application, notice, or request by such depository institution or institution-affiliated party;
or
(IV) any written agreement between such depository institution and such agency;
(ii) engaged or participated in any unsafe or unsound practice in connection with any insured depository institution or business institution; or
(iii) committed or engaged in any act, omission, or practice which constitutes a breach of such party’s fiduciary duty;
(B) by reason of the violation, practice, or breach described in any clause of subparagraph (A)—
(i) such insured depository institution or business institution has suffered or will probably suffer financial loss or other damage;
(ii) the interests of the insured depository institution’s depositors have been or could be prejudiced; or
(iii) such party has received financial gain or other benefit by reason of such violation, practice, or breach; and
(C) such violation, practice, or breach—
(i) involves personal dishonesty on the part of such party; or
(ii) demonstrates willful or continuing disregard by such party for the safety or soundness of such insured depository institution or business institution,
the appropriate Federal banking agency for the depository institution may serve upon such party a written notice of the agency’s intention to remove such party from office or to prohibit any further participation by such party, in any manner, in the conduct of the affairs of any insured depository institution.

(2) Specific Violations.—
(A) In General.—Whenever the appropriate Federal banking agency determines that—
(i) an institution-affiliated party has committed a violation of any provision of subchapter II of chapter 53 of title 31, United States Code, and such violation was not inadvertent or unintentional;
(ii) an officer or director of an insured depository institution has knowledge that an institution-affiliated party of the insured depository institution has violated any such provision or any provision of law referred to in subsection (g)(1)(A)(ii);
(iii) an officer or director of an insured depository institution has committed any violation of the Depository Institution Management Interlocks Act; or

(iv) an institution-affiliated party of a subsidiary (other than a bank) of a bank holding company or of a subsidiary (other than a savings association) of a savings and loan holding company has been convicted of any criminal offense involving dishonesty or a breach of trust or a criminal offense under section 1956, 1957, or 1960 of title 18, United States Code, or has agreed to enter into a pretrial diversion or similar program in connection with a prosecution for such an offense,

the agency may serve upon such party, officer, or director a written notice of the agency's intention to remove such party from office.

(B) FACTORS TO BE CONSIDERED.—In determining whether an officer or director should be removed as a result of the application of subparagraph (A)(ii), the agency shall consider whether the officer or director took appropriate action to stop, or to prevent the recurrence of, a violation described in such subparagraph.

(3) SUSPENSION ORDER.—

(A) SUSPENSION OR PROHIBITION AUTHORIZED.—If the appropriate Federal banking agency serves written notice under paragraph (1) or (2) to any institution-affiliated party of such agency's intention to issue an order under such paragraph, the appropriate Federal banking agency may suspend such party from office or prohibit such party from further participation in any manner in the conduct of the affairs of the depository institution, if the agency—

(i) determines that such action is necessary for the protection of the depository institution or the interests of the depository institution's depositors; and

(ii) serves such party with written notice of the suspension order.

(B) EFFECTIVE PERIOD.—Any suspension order issued under subparagraph (A)—

(i) shall become effective upon service; and

(ii) unless a court issues a stay of such order under subsection (f), shall remain in effect and enforceable until—

(I) the date the appropriate Federal banking agency dismisses the charges contained in the notice served under paragraph (1) or (2) with respect to such party; or

(II) the effective date of an order issued by the agency to such party under paragraph (1) or (2).

(C) COPY OF ORDER.—If an appropriate Federal banking agency issues a suspension order under subparagraph (A) to any institution-affiliated party, the agency shall serve a copy of such order on any insured depository institution with which such party is associated at the time such order is issued.
(4) A notice of intention to remove an institution-affiliated party from office or to prohibit such party from participating in the conduct of the affairs of an insured depository institution, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the agency at the request of (A) such party, and for good cause shown, or (B) the Attorney General of the United States. Unless such party shall appear at the hearing in person or by a duly authorized representative, such party shall be deemed to have consented to the issuance of an order of such removal or prohibition. In the event of such consent, or if upon the record made at any such hearing the agency shall find that any of the grounds specified in such notice have been established, the agency may issue such orders of suspension or removal from office, or prohibition from participation in the conduct of the affairs of the depository institution, as it may deem appropriate. Any such order shall become effective at the expiration of thirty days after service upon such depository institution and such party (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the agency or a reviewing court.

(5) For the purpose of enforcing any law, rule, regulation, or cease-and-desist order in connection with an interlocking relationship, the term ‘officer’ within the term ‘institution-affiliated party’ as used in this subsection means an employee or officer with management functions, and the term ‘director’ within the term ‘institution-affiliated party’ as used in this subsection includes an advisory or honorary director, a trustee of a depository institution under the control of trustees, or any person who has a representative or nominee serving in any such capacity.

(A) participate in any manner in the conduct of the affairs of any institution or agency specified in paragraph (7)(A);

(B) solicit, procure, transfer, attempt to transfer, vote, or attempt to vote any proxy, consent, or authorization with respect to any voting rights in any institution described in subparagraph (A);

(C) violate any voting agreement previously approved by the appropriate Federal banking agency; or

(D) vote for a director, or serve or act as an institution-affiliated party.

(7) INDUSTRYWIDE PROHIBITION.—

(A) In General.—Except as provided in subparagraph (B), any person who, pursuant to an order issued under this subsection or subsection (g), has been removed or suspended from office in an insured depository institution or prohibited from participating in the conduct of the affairs of an insured depository institution may not, while such order is in effect, continue or commence to hold any office
in, or participate in any manner in the conduct of the affairs of—

(i) any insured depository institution;
(ii) any institution treated as an insured bank under subsection (b)(3) or (b)(4), or as a savings association under subsection (b)(9);
(iii) any insured credit union under the Federal Credit Union Act;
(iv) any institution chartered under the Farm Credit Act of 1971;
(v) any appropriate Federal depository institution regulatory agency; and
(vi) the Federal Housing Finance Agency and any Federal home loan bank.

(B) EXCEPTION IF AGENCY PROVIDES WRITTEN CONSENT.—If, on or after the date an order is issued under this subsection which removes or suspends from office any institution-affiliated party or prohibits such party from participating in the conduct of the affairs of an insured depository institution, such party receives the written consent of—

(i) the agency that issued such order; and
(ii) the appropriate Federal financial institutions regulatory agency of the institution described in any clause of subparagraph (A) with respect to which such party proposes to become an institution-affiliated party,

subparagraph (A) shall, to the extent of such consent, cease to apply to such party with respect to the institution described in each written consent. Any agency that grants such a written consent shall report such action to the Corporation and publicly disclose such consent.

(C) VIOLATION OF PARAGRAPH TREATED AS VIOLATION OF ORDER.—Any violation of subparagraph (A) by any person who is subject to an order described in such subparagraph shall be treated as a violation of the order.

(D) APPROPRIATE FEDERAL FINANCIAL INSTITUTIONS REGULATORY AGENCY DEFINED.—For purposes of this paragraph and subsection (j), the term “appropriate Federal financial institutions regulatory agency” means—

(i) the appropriate Federal banking agency, in the case of an insured depository institution;

(iv) the Secretary of the Treasury, in the case of the Federal Housing Finance Agency and any Federal home loan bank.

(E) CONSULTATION BETWEEN AGENCIES.—The agencies referred to in clauses (i) and (ii) of subparagraph (B) shall
consult with each other before providing any written consent described in subparagraph (B).

(F) APPLICABILITY.—This paragraph shall only apply to a person who is an individual, unless the appropriate Federal banking agency specifically finds that it should apply to a corporation, firm, or other business enterprise.

(f) Within ten days after any institution-affiliated party has been suspended from office and/or prohibited from participation in the conduct of the affairs of an insured depository institution under subsection (e)(3) of this section, such party may apply to the United States district court for the judicial district in which the home office of the depository institution is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such party under subsection (e)(1) or (e)(2) of this section, and such court shall have jurisdiction to stay such suspension and/or prohibition.

(g) SUSPENSION, REMOVAL, AND PROHIBITION FROM PARTICIPATION ORDERS IN THE CASE OF CERTAIN CRIMINAL OFFENSES.—

(1) SUSPENSION OR PROHIBITION.—

(A) IN GENERAL.—Whenever any institution-affiliated party is the subject of any information, indictment, or complaint, involving the commission of or participation in—

(i) a crime involving dishonesty or breach of trust which is punishable by imprisonment for a term exceeding one year under State or Federal law, or

(ii) a criminal violation of section 1956, 1957, or 1960 of title 18, United States Code, or section 5322 or 5324 of title 31, United States Code,

the appropriate Federal banking agency may, if continued service or participation by such party posed, poses, or may pose a threat to the interests of the depositors of, or threatened, threatens, or may threaten to impair public confidence in, any relevant depository institution (as defined in subparagraph (E)), by written notice served upon such party, suspend such party from office or prohibit such party from further participation in any manner in the conduct of the affairs of any depository institution.

(i) COPY.—A copy of any notice under subparagraph (A) shall also be served upon any depository institution that the subject of the notice is affiliated with at the time the notice is issued.

(ii) EFFECTIVE PERIOD.—A suspension or prohibition under subparagraph (A) shall remain in effect until the information, indictment, or complaint referred to in such subparagraph is finally disposed of or until terminated by the agency.

(C) REMOVAL OR PROHIBITION.—

(i) IN GENERAL.—If a judgment of conviction or an agreement to enter a pretrial diversion or other similar program is entered against an institution-affiliated party in connection with a crime described in subparagraph (A)(i), at such time as such judgment is not subject to further appellate review, the appropriate Fed-
eral banking agency may, if continued service or participation by such party posed, poses, or may pose a threat to the interests of the depositors of, or threatened, threatens, or may threaten to impair public confidence in, any relevant depository institution (as defined in subparagraph (E)), issue and serve upon such party an order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of any depository institution without the prior written consent of the appropriate agency.

(ii) REQUIRED FOR CERTAIN OFFENSES.—In the case of a judgment of conviction or agreement against an institution-affiliated party in connection with a violation described in subparagraph (A)(ii), the appropriate Federal banking agency shall issue and serve upon such party an order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of any depository institution without the prior written consent of the appropriate agency.

(D) PROVISIONS APPLICABLE TO ORDER.—

(i) COPY.—A copy of any order under subparagraph (C) shall also be served upon any depository institution that the subject of the order is affiliated with at the time the order is issued, whereupon the institution-affiliated party who is subject to the order (if a director or an officer) shall cease to be a director or officer of such depository institution.

(ii) EFFECT OF ACQUITTAL.—A finding of not guilty or other disposition of the charge shall not preclude the agency from instituting proceedings after such finding or disposition to remove such party from office or to prohibit further participation in depository institution affairs, pursuant to paragraph (1), (2), or (3) of subsection (e) of this section.

(iii) EFFECTIVE PERIOD.—Any notice of suspension or order of removal issued under this paragraph shall remain effective and outstanding until the completion of any hearing or appeal authorized under paragraph (3) unless terminated by the agency.

(E) RELEVANT DEPOSITORY INSTITUTION.—For purposes of this subsection, the term "relevant depository institution" means any depository institution of which the party is or was an institution-affiliated party at the time at which—

(i) the information, indictment, or complaint described in subparagraph (A) was issued; or

(2) If at any time, because of the suspension of one or more directors pursuant to this section, there shall be on the board of directors of a national bank less than a quorum of directors not so suspended, all powers and functions vested in or exercisable by such board shall vest in and be exercisable by the director or directors on the board not so suspended, until such time as there shall be
a quorum of the board of directors. In the event all of the directors of a national bank are suspended pursuant to this section, the Comptroller of the Currency shall appoint persons to serve temporarily as directors in their place and stead pending the termination of such suspensions, or until such time as those who have been suspended, cease to be directors of the bank and their respective successors take office.

(3) Within thirty days from service of any notice of suspension or order of removal issued pursuant to paragraph (1) of this subsection, the institution-affiliated party concerned may request in writing an opportunity to appear before the agency to show that the continued service to or participation in the conduct of the affairs of the depository institution by such party does not, or is not likely to, pose a threat to the interests of the bank’s depositors or threaten to impair public confidence in the depository institution. Upon receipt of any such request, the appropriate Federal banking agency shall fix a time (not more than thirty days after receipt of such request, unless extended at the request of such party) and place at which such party may appear, personally or through counsel, before one or more members of the agency or designated employees of the agency to submit written materials (or, at the discretion of the agency, oral testimony) and oral argument. Within sixty days of such hearing, the agency shall notify such party whether the suspension or prohibition from participation in any manner in the conduct of the affairs of the depository institution will be continued, terminated, or otherwise modified, or whether the order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of the depository institution will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the agency’s decision, if adverse to such party. The Federal banking agencies are authorized to prescribe such rules as may be necessary to effectuate the purposes of this subsection.

(h)(1) Any hearing provided for in this section (other than the hearing provided for in subsection (g)(3) of this section) shall be held in the Federal judicial district or in the territory in which the home office of the depository institution is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. After such hearing, and within ninety days after the appropriate Federal banking agency or Board of Governors of the Federal Reserve System has notified the parties that the case has been submitted to it for final decision, it shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection (h). Unless a petition for review is timely filed in a court of appeals of the United States, as herein-after provided in paragraph (2) of this subsection, and thereafter until the record in the proceeding has been filed as so provided, the issuing agency may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the agency may modify, terminate, or set aside any such order with permission of the court.
(2) Any party to any proceeding under paragraph (1) may obtain a review of any order served pursuant to paragraph (1) of this subsection (other than an order issued with the consent of the depository institution or the institution-affiliated party concerned, or an order issued under paragraph (1) of subsection (g) of this section) by the filing in the court of appeals of the United States for the circuit in which the home office of the depository institution is located, or in the United States Court of Appeals for the District of Columbia Circuit, within thirty days after the date of service of such order, a written petition praying that the order of the agency be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the agency, and thereupon the agency shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall except as provided in the last sentence of said paragraph (1) be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the agency. Review of such proceedings shall be had as provided in chapter 7 of title 5 of the United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari, as provided in section 1254 of title 28 of the United States Code.

(3) The commencement of proceedings for judicial review under paragraph (2) of this subsection shall not, unless specifically ordered by the court, operate as a stay of any order issued by the agency.

(i)(1) The appropriate Federal banking agency may in its discretion apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the depository institution is located, for the enforcement of any effective and outstanding notice or order issued under this section or under section 38 or 39, and such courts shall have jurisdiction and power to order and require compliance herewith; but except as otherwise provided in this section or under section 38 or 39 no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under any such section, or to review, modify, suspend, terminate, or set aside any such notice or order.

(2) CIVIL MONEY PENALTY.—
   (A) FIRST TIER.—Any insured depository institution which, and any institution-affiliated party who—
      (i) violates any law or regulation;
      (ii) violates any final order or temporary order issued pursuant to subsection (b), (c), (e), (g), or (s) or any final order under section 38 or 39;
      (iii) violates any condition imposed in writing by a Federal banking agency in connection with any action on any application, notice, or other request by the depository institution or institution-affiliated party; or
      (iv) violates any written agreement between such depository institution and such agency,
   shall forfeit and pay a civil penalty of not more than $5,000 for each day during which such violation continues.
(B) SECOND TIER.—Notwithstanding subparagraph (A), any insured depository institution which, and any institution-affiliated party who—

(i)(I) commits any violation described in any clause of subparagraph (A);

(III) breaches any fiduciary duty;

(ii) which violation, practice, or breach—

(I) is part of a pattern of misconduct;

(II) causes or is likely to cause more than a minimal loss to such depository institution; or

(III) results in pecuniary gain or other benefit to such party,

shall forfeit and pay a civil penalty of not more than $25,000 for each day during which such violation, practice, or breach continues.

(C) THIRD TIER.—Notwithstanding subparagraphs (A) and (B), any insured depository institution which, and any institution-affiliated party who—

(i) knowingly—

(I) commits any violation described in any clause of subparagraph (A);

(II) engages in any unsafe or unsound practice in conducting the affairs of such depository institution; or

(III) breaches any fiduciary duty; and

(ii) knowingly or recklessly causes a substantial loss to such depository institution or a substantial pecuniary gain or other benefit to such party by reason of such violation, practice, or breach,

shall forfeit and pay a civil penalty in an amount not to exceed the applicable maximum amount determined under subparagraph (D) for each day during which such violation, practice, or breach continues.

(D) MAXIMUM AMOUNTS OF PENALTIES FOR ANY VIOLATION DESCRIBED IN SUBPARAGRAPH (C).—The maximum daily amount of any civil penalty which may be assessed pursuant to subparagraph (C) for any violation, practice, or breach described in such subparagraph is—

(i) in the case of any person other than an insured depository institution, an amount to not exceed $1,500,000; and

(ii) in the case of any insured depository institution, an amount not to exceed the lesser of—

(I) $1,500,000; or

(II) 1 percent of the total assets of such institution.

(E) ASSESSMENT.—

(i) WRITTEN NOTICE.—Any penalty imposed under subparagraph (A), (B), or (C) may be assessed and collected by the appropriate Federal banking agency by written notice.
(ii) **Finality of Assessment.**—If, with respect to any assessment under clause (i), a hearing is not requested pursuant to subparagraph (H) within the period of time allowed under such subparagraph, the assessment shall constitute a final and unappealable order.

(F) **Authority to Modify or Remit Penalty.**—Any appropriate Federal banking agency may compromise, modify, or remit any penalty which such agency may assess or had already assessed under subparagraph (A), (B), or (C).

(G) **Mitigating Factors.**—In determining the amount of any penalty imposed under subparagraph (A), (B), or (C), the appropriate agency shall take into account the appropriateness of the penalty with respect to—

- (i) the size of financial resources and good faith of the insured depository institution or other person charged;
- (ii) the gravity of the violation;
- (iii) the history of previous violations; and
- (iv) such other matters as justice may require.

(H) **Hearing.**—The insured depository institution or other person against whom any penalty is assessed under this paragraph shall be afforded an agency hearing if such institution or person submits a request for such hearing within 20 days after the issuance of the notice of assessment.

(I) **Collection.**—

- (i) **Referral.**—If any insured depository institution or other person fails to pay an assessment after any penalty assessed under this paragraph has become final, the agency that imposed the penalty shall recover the amount assessed by action in the appropriate United States district court.
- (ii) ** Appropriateness of Penalty Not Reviewable.**—In any civil action under clause (i), the validity and appropriateness of the penalty shall not be subject to review.

(J) **Disbursement.**—All penalties collected under authority of this paragraph shall be deposited into the Treasury.

(K) **Regulations.**—Each appropriate Federal banking agency shall prescribe regulations establishing such procedures as may be necessary to carry out this paragraph.

(3) **Notice under this Section After Separation from Service.**—The resignation, termination of employment or participation, or separation of an institution-affiliated party (including a separation caused by the closing of an insured depository institution) shall not affect the jurisdiction and authority of the appropriate Federal banking agency to issue any notice or order and proceed under this section against any such party, if such notice or order is served before the end of the 6-year period beginning on the date such party ceased to be such a party with respect to such depository institution (whether such date occurs before, on, or after the date of the enactment of this paragraph).
(4) PREJUDGMENT ATTACHMENT.—

(A) IN GENERAL.—In any action brought by an appropriate Federal banking agency (excluding the Corporation when acting in a manner described in section 11(d)(18)) pursuant to this section, or in actions brought in aid of, or to enforce an order in, any administrative or other civil action for money damages, restitution, or civil money penalties brought by such agency, the court may, upon application of the agency, issue a restraining order that—

(i) prohibits any person subject to the proceeding from withdrawing, transferring, removing, dissipating, or disposing of any funds, assets or other property; and

(ii) appoints a temporary receiver to administer the restraining order.

(B) STANDARD.—

(i) SHOWING.—Rule 65 of the Federal Rules of Civil Procedure shall apply with respect to any proceeding under subparagraph (A) without regard to the requirement of such rule that the applicant show that the injury, loss, or damage is irreparable and immediate.

(ii) STATE PROCEEDING.—If, in the case of any proceeding in a State court, the court determines that rules of civil procedure available under the laws of such State provide substantially similar protections to a party's right to due process as Rule 65 (as modified with respect to such proceeding by clause (i)), the relief sought under subparagraph (A) may be requested under the laws of such State.

(j) CRIMINAL PENALTY.—Whoever, being subject to an order in effect under subsection (e) or (g), without the prior written approval of the appropriate Federal financial institutions regulatory agency, knowingly participates, directly or indirectly, in any manner (including by engaging in an activity specifically prohibited in such an order or in subsection (e)(6)) in the conduct of the affairs of—

(1) any insured depository institution;

(2) any institution treated as an insured bank under subsection (b)(3) or (b)(4);

(3) any insured credit union (as defined in section 101(7) of the Federal Credit Union Act); or

(4) any institution chartered under the Farm Credit Act of 1971, shall be fined not more than $1,000,000, imprisoned for not more than 5 years, or both.

(l) Any service required or authorized to be made by the appropriate Federal banking agency under this section may be made by registered mail, or in such other manner reasonably calculated to give actual notice as the agency may by regulation or otherwise provide. Copies of any notice or order served by the agency upon any State depository institution or any institution-affiliated party, pursuant to the provisions of this section, shall also be sent to the appropriate State supervisory authority.

(m) In connection with any proceeding under subsection (b), (c)(1), or (e) of this section involving an insured State bank or any institution-affiliated party, the appropriate Federal banking agency
shall provide the appropriate State supervisory authority with notice of the agency’s intent to institute such a proceeding and the grounds therefor. Unless within such time as the Federal banking agency deems appropriate in the light of the circumstances of the case (which time must be specified in the notice prescribed in the preceding sentence) satisfactory corrective action is effectuated by action of the State supervisory authority, the agency may proceed as provided in this section. No bank or other party who is the subject of any notice or order issued by the agency under this section shall have standing to raise the requirements of this subsection as ground for attacking the validity of any such notice or order.

(n) In the course of or in connection with any proceeding under this section, or in connection with any claim for insured deposits or any examination or investigation under section 10(c), the agency conducting the proceeding, examination, or investigation or considering the claim for insured deposits, or any member or designated representative thereof, including any person designated to conduct any hearing under this section, shall have the power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpenas and subpenas duces tecum; and such agency is empowered to make rules and regulations with respect to any such proceedings, claims, examinations, or investigations. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory or other place subject to the jurisdiction of the United States at any designated place where such proceeding is being conducted. Any such agency or any party to proceedings under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpena or subpena duces tecum issued pursuant to this subsection, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpenaed under this subsection shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. Any court having jurisdiction of any proceeding instituted under this section by an insured depository institution or a director or officer thereof, may allow to any such party such reasonable expenses and attorneys’ fees as it deems just and proper; and such expenses and fees shall be paid by the depository institution or from its assets. Any person who willfully shall fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, contracts, agreements, or other records, if in such person’s power so to do, in obedience to the subpoena of the appropriate Federal banking agency, shall be guilty of a misdemeanor and, upon conviction, shall be subject to a fine of not more than $1,000 or to imprisonment for a term of not more than one year or both.

(o) Whenever the insured status of a State member bank shall be terminated by action of the Board of Directors, the Board of Governors of the Federal Reserve System shall terminate its membership in the Federal Reserve System in accordance with the provisions of section 9 of the Federal Reserve Act, and whenever the
insured status of a national member bank shall be so terminated
the Comptroller of the Currency shall appoint a receiver for the
bank, which shall be the Corporation. Except as provided in sub-
section (c) or (d) of section 4, whenever a member bank shall cease
to be a member of the Federal Reserve System, its status as an in-
sured depository institution shall, without notice or other action by
the Board of Directors, terminate on the date the bank shall cease
to be a member of the Federal Reserve System, with like effect as
if its insured status had been terminated on said date by the Board
of Directors after proceedings under subsection (a) of this section.
Whenever the insured status of an insured Federal savings bank
shall be terminated by action of the Board of Directors, the Compt-
roller of the Currency shall appoint a receiver for the bank, which
shall be the Corporation.

(p) Notwithstanding any other provision of law, whenever the
Board of Directors shall determine that an insured depository insti-
tution is not engaged in the business of receiving deposits, other
than trust funds as herein defined, the Corporation shall notify the
depository institution that its insured status will terminate at the
expiration of the first full assessment period following such notice.
A finding by the Board of Directors that a depository institution is
not engaged in the business of receiving deposits, other than such
trust funds, shall be conclusive. The Board of Directors shall pre-
scribe the notice to be given by the depository institution of such
termination and the Corporation may publish notice thereof. Upon
the termination of the insured status of any such depository insti-
tution, its deposits shall thereupon cease to be insured and the de-
pository institution shall thereafter be relieved of all future obliga-
tions to the Corporation, including the obligation to pay future as-
sessments.

(q) Whenever the liabilities of an insured depository institution
for deposits shall have been assumed by another insured depository
institution or depository institutions, whether by way of merger,
consolidation, or other statutory assumption, or pursuant to con-
tract (1) the insured status of the depository institution whose li-
abilities are so assumed shall terminate on the date of receipt by
the Corporation of satisfactory evidence of such assumption; (2) the
separate insurance of all deposits so assumed shall terminate at
the end of six months from the date such assumption takes effect
or, in the case of any time deposit, the earliest maturity date after
the six-month period. Where the deposits of an insured depository
institution are assumed by a newly insured depository institution,
the depository institution whose deposits are assumed shall not be
required to pay any assessment with respect to the deposits which
have been so assumed after the assessment period in which the as-
sumption takes effect.

(r)(1) Except as otherwise specifically provided in this section,
the provisions of this section shall be applied to foreign banks in
accordance with this subsection.

(2) An act or practice outside the United States on the part of
a foreign bank or any officer, director, employee, or agent thereof
may not constitute the basis for any action by any officer or agency
of the United States under this section, unless—

(A) such officer or agency alleges a belief that such act or
practice has been, is, or is likely to be a cause of or carried on
in connection with or in furtherance of an act or practice within any one or more States which, in and of itself, would constitute an appropriate basis for action by a Federal officer or agency under this section; or

(B) the alleged act or practice is one which, if proven, would, in the judgment of the Board of Directors, adversely affect the insurance risk assumed by the Corporation.

(3) In any case in which any action or proceeding is brought pursuant to an allegation under paragraph (2) of this subsection for the suspension or removal of any officer, director, or other person associated with a foreign bank, and such person fails to appear promptly as a party to such action or proceeding and to comply with any effective order or judgment therein, any failure by the foreign bank to secure his removal from any office he holds in such bank and from any further participation in its affairs shall, in and of itself, constitute grounds for termination of the insurance of the deposits in any branch of the bank.

(4) Where the venue of any judicial or administrative proceeding under this section is to be determined by reference to the location of the home office of a bank, the venue of such a proceeding with respect to a foreign bank having one or more branches or agencies in not more than one judicial district or other relevant jurisdiction shall be within such jurisdiction. Where such a bank has branches or agencies in more than one such jurisdiction, the venue shall be in the jurisdiction within which the branch or branches or agency or agencies involved in the proceeding are located, and if there is more than one such jurisdiction, the venue shall be proper in any such jurisdiction in which the proceeding is brought or to which it may appropriately be transferred.

(5) Any service required or authorized to be made on a foreign bank may be made on any branch or agency located within any State, but if such service is in connection with an action or proceeding involving one or more branches or one or more agencies located in any State, service shall be made on at least one branch or agency so involved.

(s) COMPLIANCE WITH MONETARY TRANSACTION RECORDKEEPING AND REPORT REQUIREMENTS.—

(1) COMPLIANCE PROCEDURES REQUIRED.—Each appropriate Federal banking agency shall prescribe regulations requiring insured depository institutions to establish and maintain procedures reasonably designed to assure and monitor the compliance of such depository institutions with the requirements of subchapter II of chapter 53 of title 31, United States Code.

(2) EXAMINATIONS OF DEPOSITORY INSTITUTION TO INCLUDE REVIEW OF COMPLIANCE PROCEDURES.—

(A) IN GENERAL.—Each examination of an insured depository institution by the appropriate Federal banking agency shall include a review of the procedures required to be established and maintained under paragraph (1).

(B) EXAM REPORT REQUIREMENT.—The report of examination shall describe any problem with the procedures maintained by the insured depository institution.

(3) ORDER TO COMPLY WITH REQUIREMENTS.—If the appropriate Federal banking agency determines that an insured depository institution—
(A) has failed to establish and maintain the procedures described in paragraph (1); or
(B) has failed to correct any problem with the procedures maintained by such depository institution which was previously reported to the depository institution by such agency,

the agency shall issue an order in the manner prescribed in subsection (b) or (c) requiring such depository institution to cease and desist from its violation of this subsection or regulations prescribed under this subsection.

(t) AUTHORITY OF FDIC TO TAKE ENFORCEMENT ACTION AGAINST INSURED DEPOSITORY INSTITUTIONS AND INSTITUTION-AFFILIATED PARTIES.—

(1) RECOMMENDING ACTION BY APPROPRIATE FEDERAL BANKING AGENCY.—The Corporation, based on an examination of an insured depository institution by the Corporation or by the appropriate Federal banking agency or on other information, may recommend in writing to the appropriate Federal banking agency that the agency take any enforcement action authorized under section 7(j), this section, or section 18(j) with respect to any insured depository institution, any depository institution holding company, or any institution-affiliated party. The recommendation shall be accompanied by a written explanation of the concerns giving rise to the recommendation.

(2) FDIC’S AUTHORITY TO ACT IF APPROPRIATE FEDERAL BANKING AGENCY FAILS TO FOLLOW RECOMMENDATION.—If the appropriate Federal banking agency does not, before the end of the 60-day period beginning on the date on which the agency receives the recommendation under paragraph (1), take the enforcement action recommended by the Corporation or provide a plan acceptable to the Corporation for responding to the Corporation’s concerns, the Corporation may take the recommended enforcement action if the Board of Directors determines, upon a vote of its members, that—

(A) the insured depository institution is in an unsafe or unsound condition;
(B) the institution or institution-affiliated party is engaging in unsafe or unsound practices, and the recommended enforcement action will prevent the institution or institution-affiliated party from continuing such practices;
(C) the conduct or threatened conduct (including any acts or omissions) poses a risk to the Deposit Insurance Fund, or may prejudice the interests of the institution’s depositors or
(D) the conduct or threatened conduct (including any acts or omissions) of the depository institution holding company poses a risk to the Deposit Insurance Fund, provided that such authority may not be used with respect to a depository institution holding company that is in generally sound condition and whose conduct does not pose a foreseeable and material risk of loss to the Deposit Insurance Fund;

(3) EFFECT OF EXIGENT CIRCUMSTANCES.—
(A) **AUTHORITY TO ACT.**—The Corporation may, upon a vote of the Board of Directors, and after notice to the appropriate Federal banking agency, exercise its authority under paragraph (2) in exigent circumstances without regard to the time period set forth in paragraph (2).

(B) **AGREEMENT ON EXIGENT CIRCUMSTANCES.**—The Corporation shall, by agreement with the appropriate Federal banking agency, set forth those exigent circumstances in which the Corporation may act under subparagraph (A).

(4) **CORPORATION'S POWERS; INSTITUTION'S DUTIES.**—For purposes of this subsection—

(A) the Corporation shall have the same powers with respect to any insured depository institution and its affiliates as the appropriate Federal banking agency has with respect to the institution and its affiliates; and

(B) the institution and its affiliates shall have the same duties and obligations with respect to the Corporation as the institution and its affiliates have with respect to the appropriate Federal banking agency.

(5) **REQUESTS FOR FORMAL ACTIONS AND INVESTIGATIONS.**—

(A) **SUBMISSION OF REQUESTS.**—A regional office of an appropriate Federal banking agency (including a Federal Reserve bank) that requests a formal investigation of or civil enforcement action against an insured depository institution or institution-affiliated party shall submit the request concurrently to the chief officer of the appropriate Federal banking agency and to the Corporation.

(B) **AGENCIES REQUIRED TO REPORT ON REQUESTS.**—Each appropriate Federal banking agency shall report semi-annually to the Corporation on the status or disposition of all requests under subparagraph (A), including the reasons for any decision by the agency to approve or deny such requests.

(6) **POWERS AND DUTIES WITH RESPECT TO DEPOSITORY INSTITUTION HOLDING COMPANIES.**—For purposes of exercising the backup authority provided in this subsection—

(A) the Corporation shall have the same powers with respect to a depository institution holding company and its affiliates as the appropriate Federal banking agency has with respect to the holding company and its affiliates; and

(B) the holding company and its affiliates shall have the same duties and obligations with respect to the Corporation as the holding company and its affiliates have with respect to the appropriate Federal banking agency.

(6) **REFERRAL TO BUREAU OF CONSUMER FINANCIAL PROTECTION.**—Subject to subtitle B of the Consumer Financial Protection Act of 2010, each appropriate Federal banking agency shall make a referral to the Bureau of Consumer Financial Protection when the Federal banking agency has a reasonable belief that a violation of an enumerated consumer law, as defined in the Consumer Financial Protection Act of 2010, has been committed by any insured depository institution or institution-affiliated party within the jurisdiction of that appropriate Federal banking agency.

(u) **PUBLIC DISCLOSURES OF FINAL ORDERS AND AGREEMENTS.**—
(1) IN GENERAL.—The appropriate Federal banking agency shall publish and make available to the public on a monthly basis—

(A) any written agreement or other written statement for which a violation may be enforced by the appropriate Federal banking agency, unless the appropriate Federal banking agency, in its discretion, determines that publication would be contrary to the public interest;

(B) any final order issued with respect to any administrative enforcement proceeding initiated by such agency under this section or any other law; and

(C) any modification to or termination of any order or agreement made public pursuant to this paragraph.

(2) HEARINGS.—All hearings on the record with respect to any notice of charges issued by a Federal banking agency shall be open to the public, unless the agency, in its discretion, determines that holding an open hearing would be contrary to the public interest.

(3) TRANSCRIPT OF HEARING.—A transcript that includes all testimony and other documentary evidence shall be prepared for all hearings commenced pursuant to subsection (i). A transcript of public hearings shall be made available to the public pursuant to section 552 of title 5, United States Code.

(4) DELAY OF PUBLICATION UNDER EXCEPTIONAL CIRCUMSTANCES.—If the appropriate Federal banking agency makes a determination in writing that the publication of a final order pursuant to paragraph (1)(B) would seriously threaten the safety and soundness of an insured depository institution, the agency may delay the publication of the document for a reasonable time.

(5) DOCUMENTS FILED UNDER SEAL IN PUBLIC ENFORCEMENT HEARINGS.—The appropriate Federal banking agency may file any document or part of a document under seal in any administrative enforcement hearing commenced by the agency if disclosure of the document would be contrary to the public interest. A written report shall be made part of any determination to withhold any part of a document from the transcript of the hearing required by paragraph (2).

(6) RETENTION OF DOCUMENTS.—Each Federal banking agency shall keep and maintain a record, for a period of at least 6 years, of all documents described in paragraph (1) and all informal enforcement agreements and other supervisory actions and supporting documents issued with respect to or in connection with any administrative enforcement proceeding initiated by such agency under this section or any other laws.

(7) DISCLOSURES TO CONGRESS.—No provision of this subsection may be construed to authorize the withholding, or to prohibit the disclosure, of any information to the Congress or any committee or subcommittee of the Congress.

(v) FOREIGN INVESTIGATIONS.—

(1) REQUESTING ASSISTANCE FROM FOREIGN BANKING AUTHORITIES.—In conducting any investigation, examination, or enforcement action under this Act, the appropriate Federal banking agency may—
(A) request the assistance of any foreign banking authority; and
(B) maintain an office outside the United States.

(2) PROVIDING ASSISTANCE TO FOREIGN BANKING AUTHORITIES.—

(A) IN GENERAL.—Any appropriate Federal banking agency may, at the request of any foreign banking authority, assist such authority if such authority states that the requesting authority is conducting an investigation to determine whether any person has violated, is violating, or is about to violate any law or regulation relating to banking matters or currency transactions administered or enforced by the requesting authority.

(B) INVESTIGATION BY FEDERAL BANKING AGENCY.—Any appropriate Federal banking agency may, in such agency's discretion, investigate and collect information and evidence pertinent to a request for assistance under subparagraph (A). Any such investigation shall comply with the laws of the United States and the policies and procedures of the appropriate Federal banking agency.

(C) FACTORS TO CONSIDER.—In deciding whether to provide assistance under this paragraph, the appropriate Federal banking agency shall consider—

(i) whether the requesting authority has agreed to provide reciprocal assistance with respect to banking matters within the jurisdiction of any appropriate Federal banking agency; and

(ii) whether compliance with the request would prejudice the public interest of the United States.

(D) TREATMENT OF FOREIGN BANKING AUTHORITY.—For purposes of any Federal law or appropriate Federal banking agency regulation relating to the collection or transfer of information by any appropriate Federal banking agency, the foreign banking authority shall be treated as another appropriate Federal banking agency.

(3) RULE OF CONSTRUCTION.—Paragraphs (1) and (2) shall not be construed to limit the authority of an appropriate Federal banking agency or any other Federal agency to provide or receive assistance or information to or from any foreign authority with respect to any matter.

(w) TERMINATION OF INSURANCE FOR MONEY LAUNDERING OR CASH TRANSACTION REPORTING OFFENSES.—

(1) IN GENERAL.—

(A) CONVICTION OF TITLE 18 OFFENSES.—

(i) DUTY TO NOTIFY.—If an insured State depository institution has been convicted of any criminal offense under section 1956 or 1957 of title 18, United States Code, the Attorney General shall provide to the Corporation a written notification of the conviction and shall include a certified copy of the order of conviction from the court rendering the decision.

(ii) NOTICE OF TERMINATION; PRETERMINATION HEARING.—After receipt of written notification from the Attorney General by the Corporation of such a conviction, the Board of Directors shall issue to the insured
depository institution a notice of its intention to terminate the insured status of the insured depository institution and schedule a hearing on the matter, which shall be conducted in all respects as a termination hearing pursuant to paragraphs (3) through (5) of subsection (a).

(B) Conviction of Title 31 Offenses.—If an insured State depository institution is convicted of any criminal offense under section 5322 or 5324 of title 31, United States Code, after receipt of written notification from the Attorney General by the Corporation, the Board of Directors may initiate proceedings to terminate the insured status of the insured depository institution in the manner described in subparagraph (A).

(C) Notice to State Supervisor.—The Corporation shall simultaneously transmit a copy of any notice issued under this paragraph to the appropriate State financial institutions supervisor.

(2) Factors to be Considered.—In determining whether to terminate insurance under paragraph (1), the Board of Directors shall take into account the following factors:

(A) The extent to which directors or senior executive officers of the depository institution knew of, or were involved in, the commission of the money laundering offense of which the institution was found guilty.

(B) The extent to which the offense occurred despite the existence of policies and procedures within the depository institution which were designed to prevent the occurrence of any such offense.

(C) The extent to which the depository institution has fully cooperated with law enforcement authorities with respect to the investigation of the money laundering offense of which the institution was found guilty.

(D) The extent to which the depository institution has implemented additional internal controls (since the commission of the offense of which the depository institution was found guilty) to prevent the occurrence of any other money laundering offense.

(E) The extent to which the interest of the local community in having adequate deposit and credit services available would be threatened by the termination of insurance.

(3) Notice to State Banking Supervisor and Public.—When the order to terminate insured status initiated pursuant to this subsection is final, the Board of Directors shall—

(A) notify the State banking supervisor of any State depository institution described in paragraph (1), where appropriate, at least 10 days prior to the effective date of the order of termination of the insured status of such depository institution, including a State branch of a foreign bank; and

(B) publish notice of the termination of the insured status of the depository institution in the Federal Register.

(4) Temporary Insurance of Previously Insured Deposits.—Upon termination of the insured status of any State depository institution pursuant to paragraph (1), the deposits of
such depository institution shall be treated in accordance with subsection (a)(7).

(A) IN GENERAL.—Notwithstanding any other provision of this Act, the Corporation may not exercise any authority under this subsection or subsection (d), (f), (h), (i), or (k) with respect to any insured depository institution unless—

(i) the Corporation determines that the exercise of such authority is necessary to meet the obligation of the Corporation to provide insurance coverage for the insured deposits in such institution; and

(ii) the total amount of the expenditures by the Corporation and obligations incurred by the Corporation (including any immediate and long-term obligation of the Corporation and any direct or contingent liability for future payment by the Corporation) in connection with the exercise of any such authority with respect to such institution is the least costly to the Deposit Insurance Fund of all possible methods for meeting the Corporation's obligation under this section.

(B) DETERMINING LEAST COSTLY APPROACH.—In determining how to satisfy the Corporation's obligations to an institution's insured depositors at the least possible cost to the Deposit Insurance Fund, the Corporation shall comply with the following provisions:

(i) PRESENT-VALUE ANALYSIS; DOCUMENTATION REQUIRED.—The Corporation shall—

(I) evaluate alternatives on a present-value basis, using a realistic discount rate;

(II) document that evaluation and the assumptions on which the evaluation is based, including any assumptions with regard to interest rates, asset recovery rates, asset holding costs, and payment of contingent liabilities; and

(III) retain the documentation for not less than 5 years.

(ii) FOREGONE TAX REVENUES.—Federal tax revenues that the Government would forego as the result of a proposed transaction, to the extent reasonably ascer-
tainable, shall be treated as if they were revenues foregone by the Deposit Insurance Fund.

(C) TIME OF DETERMINATION.—

(i) GENERAL RULE.—For purposes of this subsection, the determination of the costs of providing any assistance under paragraph (1) or (2) or any other provision of this section with respect to any depository institution shall be made as of the date on which the Corporation makes the determination to provide such assistance to the institution under this section.

(ii) RULE FOR LIQUIDATIONS.—For purposes of this subsection, the determination of the costs of liquidation of any depository institution shall be made as of the earliest of—

(I) the date on which a conservator is appointed for such institution;

(II) the date on which a receiver is appointed for such institution; or

(III) the date on which the Corporation makes any determination to provide any assistance under this section with respect to such institution.

(D) LIQUIDATION COSTS.—In determining the cost of liquidating any depository institution for the purpose of comparing the costs under subparagraph (A) (with respect to such institution), the amount of such cost may not exceed the amount which is equal to the sum of the insured deposits of such institution as of the earliest of the dates described in subparagraph (C), minus the present value of the total net amount the Corporation reasonably expects to receive from the disposition of the assets of such institution in connection with such liquidation.

(E) DEPOSIT INSURANCE FUND AVAILABLE FOR INTENDED PURPOSE ONLY.—

(i) IN GENERAL.—After December 31, 1994, or at such earlier time as the Corporation determines to be appropriate, the Corporation may not take any action, directly or indirectly, with respect to any insured depository institution that would have the effect of increasing losses to the Deposit Insurance Fund by protecting—

(I) depositors for more than the insured portion of deposits (determined without regard to whether such institution is liquidated); or

(II) creditors other than depositors.

(ii) DEADLINE FOR REGULATIONS.—The Corporation shall prescribe regulations to implement clause (i) not later than January 1, 1994, and the regulations shall take effect not later than January 1, 1995.

(iii) PURCHASE AND ASSUMPTION TRANSACTIONS.—No provision of this subparagraph shall be construed as prohibiting the Corporation from allowing any person who acquires any assets or assumes any liabilities of any insured depository institution for which the Corporation has been appointed conservator or receiver to acquire uninsured deposit liabilities of such institution.
so long as the insurance fund does not incur any loss with respect to such deposit liabilities in an amount greater than the loss which would have been incurred with respect to such liabilities if the institution had been liquidated.

(F) DISCRETIONARY DETERMINATIONS.—Any determination which the Corporation may make under this paragraph shall be made in the sole discretion of the Corporation.

(G) SYSTEMIC RISK.—

(i) EMERGENCY DETERMINATION BY SECRETARY OF THE TREASURY.—Notwithstanding subparagraphs (A) and (E), if, upon the written recommendation of the Board of Directors (upon a vote of not less than two-thirds of the members of the Board of Directors) and the Board of Governors of the Federal Reserve System (upon a vote of not less than two-thirds of the members of such Board), the Secretary of the Treasury (in consultation with the President) determines that—

(I) the Corporation's compliance with subparagraphs (A) and (E) with respect to an insured depository institution for which the Corporation has been appointed receiver would have serious adverse effects on economic conditions or financial stability; and

(II) any action or assistance under this subparagraph would avoid or mitigate such adverse effects,

the Corporation may take other action or provide assistance under this section for the purpose of winding up the insured depository institution for which the Corporation has been appointed receiver as necessary to avoid or mitigate such effects.

(ii) REPAYMENT OF LOSS.—

(I) IN GENERAL.—The Corporation shall recover the loss to the Deposit Insurance Fund arising from any action taken or assistance provided with respect to an insured depository institution under clause (i) from 1 or more special assessments on insured depository institutions, depository institution holding companies (with the concurrence of the Secretary of the Treasury with respect to holding companies), or both, as the Corporation determines to be appropriate.

(II) TREATMENT OF DEPOSITORY INSTITUTION HOLDING COMPANIES.—For purposes of this clause, sections 7(c)(2) and 18(h) shall apply to depository institution holding companies as if they were insured depository institutions.

(III) REGULATIONS.—The Corporation shall prescribe such regulations as it deems necessary to implement this clause. In prescribing such regulations, defining terms, and setting the appropriate assessment rate or rates, the Corporation shall establish rates sufficient to cover the losses
incurred as a result of the actions of the Corporation under clause (i) and shall consider: the types of entities that benefit from any action taken or assistance provided under this subparagraph; economic conditions, the effects on the industry, and such other factors as the Corporation deems appropriate and relevant to the action taken or the assistance provided. Any funds so collected that exceed actual losses shall be placed in the Deposit Insurance Fund.

(iii) DOCUMENTATION REQUIRED.—The Secretary of the Treasury shall—

(I) document any determination under clause (i); and

(II) retain the documentation for review under clause (iv).

(iv) GAO REVIEW.—The Comptroller General of the United States shall review and report to the Congress on any determination under clause (i), including—

(I) the basis for the determination;

(II) the purpose for which any action was taken pursuant to such clause; and

(III) the likely effect of the determination and such action on the incentives and conduct of insured depository institutions and uninsured depositors.

(v) NOTICE.—

(I) IN GENERAL.—Not later than 3 days after making a determination under clause (i), the Secretary of the Treasury shall provide written notice of any determination under clause (i) to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance, and Urban Affairs of the House of Representatives.

(II) DESCRIPTION OF BASIS OF DETERMINATION.—The notice under subclause (I) shall include a description of the basis for any determination under clause (i).

(H) RULE OF CONSTRUCTION.—No provision of law shall be construed as permitting the Corporation to take any action prohibited by paragraph (4) unless such provision expressly provides, by direct reference to this paragraph, that this paragraph shall not apply with respect to such action.

(5) The Corporation may not use its authority under this subsection to purchase the voting or common stock of an insured depository institution. Nothing in the preceding sentence shall be construed to limit the ability of the Corporation to enter into and enforce covenants and agreements that it determines to be necessary to protect its financial interest.

(6)(A) During any period in which an insured depository institution has received assistance under this subsection and such assistance is still outstanding, such insured depository institution may defer the payment of any State or local tax which is determined on
the basis of the deposits held by such insured depository institution or of the interest or dividends paid on such deposits. 

(B) When such insured depository institution no longer has any outstanding assistance, such insured depository institution shall pay all taxes which were deferred under subparagraph (A). Such payments shall be made in accordance with a payment plan established by the Corporation, after consultation with the applicable State and local taxing authorities.

(7) The transfer of any assets or liabilities associated with any trust business of an insured depository institution in default under subparagraph (2)(A) shall be effective without any State or Federal approval, assignment, or consent with respect thereto.

(8) ASSISTANCE BEFORE APPOINTMENT OF CONSERVATOR OR RECEIVER.—

(A) IN GENERAL.—Subject to the least-cost provisions of paragraph (4), the Corporation shall consider providing direct financial assistance under this section for depository institutions before the appointment of a conservator or receiver for such institution only under the following circumstances:

(i) TROUBLED CONDITION CRITERIA.—The Corporation determines—

(I) grounds for the appointment of a conservator or receiver exist or likely will exist in the future unless the depository institution’s capital levels are increased; and

(II) it is unlikely that the institution can meet all currently applicable capital standards without assistance.

(ii) OTHER CRITERIA.—The depository institution meets the following criteria:

(I) The appropriate Federal banking agency and the Corporation have determined that, during such period of time preceding the date of such determination as the agency or the Corporation considers to be relevant, the institution’s management has been competent and has complied with applicable laws, rules, and supervisory directives and orders.

(II) The institution’s management did not engage in any insider dealing, speculative practice, or other abusive activity.

(B) PUBLIC DISCLOSURE.—Any determination under this paragraph to provide assistance under this section shall be made in writing and published in the Federal Register.

(9) Any assistance provided under this subsection may be in subordination to the rights of depositors and other creditors.

(10) In its annual report to the Congress, the Corporation shall report the total amount it has saved, or estimates it has saved, by exercising the authority provided in this subsection.

(11) UNENFORCEABILITY OF CERTAIN AGREEMENTS.—No provision contained in any existing or future standstill, confidentiality, or other agreement that, directly or indirectly—

(A) affects, restricts, or limits the ability of any person to offer to acquire or acquire,
(B) prohibits any person from offering to acquire or acquiring, or
(C) prohibits any person from using any previously disclosed information in connection with any such offer to acquire or acquisition of, all or part of any insured depository institution, including any liabilities, assets, or interest therein, in connection with any transaction in which the Corporation exercises its authority under section 11 or 13, shall be enforceable against or impose any liability on such person, as such enforcement or liability shall be contrary to public policy.

(d) SALE OF ASSETS TO CORPORATION.—
(1) In general.—Any conservator, receiver, or liquidator appointed for any insured depository institution in default, including the Corporation acting in such capacity, shall be entitled to offer the assets of such depository institutions for sale to the Corporation or as security for loans from the Corporation.

(2) Proceeds.—The proceeds of every sale or loan of assets to the Corporation shall be utilized for the same purposes and in the same manner as other funds realized from the liquidation of the assets of such depository institutions.

(3) RIGHTS AND POWERS OF CORPORATION.—
(A) In general.—With respect to any asset acquired or liability assumed pursuant to this section, the Corporation shall have all of the rights, powers, privileges, and authorities of the Corporation as receiver under sections 11 and 15(b).

(B) Rule of construction.—Such rights, powers, privileges, and authorities shall be in addition to and not in derogation of any rights, powers, privileges, and authorities otherwise applicable to the Corporation.

(C) Fiduciary responsibility.—In exercising any right, power, privilege, or authority described in subparagraph (A), the Corporation shall continue to be subject to the fiduciary duties and obligations of the Corporation as receiver to claimants against the insured depository institution in receivership.

(D) Disposition of assets.—In exercising any right, power, privilege, or authority described in subparagraph (A) regarding the sale or disposition of assets sold to the Corporation pursuant to paragraph (1), the Corporation shall conduct its operations in a manner which—

(i) maximizes the net present value return from the sale or disposition of such assets;

(ii) minimizes the amount of any loss realized in the resolution of cases;

(iii) ensures adequate competition and fair and consistent treatment of offerors;

(iv) prohibits discrimination on the basis of race, sex, or ethnic groups in the solicitation and consideration of offers; and

(v) maximizes the preservation of the availability and affordability of residential real property for low- and moderate-income individuals.

(4) LOANS.—The Corporation, in its discretion, may make loans on the security of or may purchase and liquidate or sell any part of the assets of an insured depository institution which is now or may hereafter be in default.

(e) AGREEMENTS AGAINST INTERESTS OF CORPORATION.—

(1) IN GENERAL.—No agreement which tends to diminish or defeat the interest of the Corporation in any asset acquired by it under this section or section 11, either as security for a loan or by purchase or as receiver of any insured depository institution, shall be valid against the Corporation unless such agreement—

(A) is in writing,

(B) was executed by the depository institution and any person claiming an adverse interest thereunder, including the obligor, contemporaneously with the acquisition of the asset by the depository institution,

(C) was approved by the board of directors of the depository institution or its loan committee, which approval shall be reflected in the minutes of said board or committee, and

(D) has been, continuously, from the time of its execution, an official record of the depository institution.

(2) EXEMPTIONS FROM CONTEMPORANEOUS EXECUTION REQUIREMENT.—An agreement to provide for the lawful collateralization of—

(A) deposits of, or other credit extension by, a Federal, State, or local governmental entity, or of any depositor referred to in section 11(a)(2), including an agreement to provide collateral in lieu of a surety bond;

(B) bankruptcy estate funds pursuant to section 345(b)(2) of title 11, United States Code;

(C) extensions of credit, including any overdraft, from a Federal reserve bank or Federal home loan bank; or

(D) one or more qualified financial contracts, as defined in section 11(e)(8)(D),

shall not be deemed invalid pursuant to paragraph (1)(B) solely because such agreement was not executed contemporaneously with the acquisition of the collateral or because of pledges, delivery, or substitution of the collateral made in accordance with such agreement.

(f) ASSISTED EMERGENCY INTERSTATE ACQUISITIONS.—(1) This subsection shall apply only to an acquisition of an insured bank or a holding company by an out-of-State bank savings association or out-of-State holding company for which the Corporation provides assistance under subsection (c).

(2)(A) Whenever an insured bank with total assets of $500,000,000 or more (as determined from its most recent report of condition) is in default, the Corporation, as receiver, may, in its discretion and upon such terms and conditions as the Corporation may determine, arrange the sale of assets of the closed bank and the assumption of the liabilities of the closed bank, including the sale of such assets and the assumption of such liabilities by an insured depository institution located in the State where the closed bank was chartered but established by an out-of-State bank or holding company. Where otherwise lawfully required, a transaction
under this subsection must be approved by the primary Federal or State supervisor of all parties thereto.

(B)(i) Before making a determination to take any action under subparagraph (A), the Corporation shall consult the State bank supervisor of the State in which the insured bank in default was chartered.

(ii) The State bank supervisor shall be given a reasonable opportunity, and in no event less than forty-eight hours, to object to the use of the provisions of this paragraph. Such notice may be provided by the Corporation prior to its appointment as receiver, but in anticipation of an impending appointment.

(iii) If the State supervisor objects during such period, the Corporation may use the authority of this paragraph only by a vote of 75 percent of the Board of Directors. The Board of Directors shall provide to the State supervisor, as soon as practicable, a written certification of its determination.

(3) EMERGENCY INTERSTATE ACQUISITIONS OF INSURED BANKS IN DANGER OF DEFAULT.—

(A) ACQUISITION OF INSURED BANKS IN DANGER OF DEFAULT.—One or more out-of-State banks or out-of-State holding companies may acquire and retain all or part of the shares or assets of, or otherwise acquire and retain—

(i) an insured bank in danger of default which has total assets of $500,000,000 or more; or

(ii) 2 or more affiliated insured banks in danger of default which have aggregate total assets of $500,000,000 or more, if the aggregate total assets of such banks is equal to or greater than 33 percent of the aggregate total assets of all affiliated insured banks.

(B) ACQUISITION OF A HOLDING COMPANY OR OTHER BANK AFFILIATE.—If one or more out-of-State banks or out-of-State holding companies acquire 1 or more affiliated insured banks under subparagraph (A) the aggregate total assets of which is equal to or greater than 33 percent of the aggregate total assets of all affiliated insured banks, any such out-of-State bank or out-of-State holding company may also, as part of the same transaction, acquire and retain the shares or assets of, or otherwise acquire and retain—

(i) the holding company which controls the affiliated insured banks so acquired; or

(ii) any other affiliated insured bank.

(C) REQUEST FOR ASSISTANCE BY CORPORATE BOARD OF DIRECTORS.—The Corporation may assist an acquisition or merger authorized under subparagraph (A) only if the board of directors or trustees of each insured bank in danger of default which is being acquired has requested in writing that the Corporation assist the acquisition or merger.

(D) CERTAIN ACQUISITIONS AUTHORIZED AFTER ASSISTANCE IS PROVIDED.—Notwithstanding paragraph (1), if—

(i) at any time after the date of the enactment of the Financial Institutions Emergency Acquisitions Amendments of 1987, the Corporation provides any assistance under subsection (c) to an insured bank; and

(ii) at the time such assistance is granted, the insured bank, the holding company which controls the insured
bank (if any), or any affiliated insured bank is eligible to be acquired by an out-of-State bank or out-of-State holding company under this paragraph, the insured bank, the holding company, and such other affiliated insured bank shall remain eligible, subject to such terms and conditions as the Corporation (in the Corporation’s discretion) may impose, to be acquired by an out-of-State bank or out-of-State holding company under this paragraph as long as any portion of such assistance remains outstanding.

(E) **STATE BANK SUPERVISOR APPROVAL.**—The Corporation may take no final action in connection with any acquisition under this paragraph unless the State bank supervisor of the State in which the bank in danger of default is located approves the acquisition.

(F) **OTHER REQUIREMENTS NOT AFFECTED.**—This paragraph does not affect any other requirement under Federal or State law for regulatory approval of an acquisition under this paragraph.

(G) **ACQUISITION MAY BE CONDITIONED ON RECEIPT OF CONSIDERATION FOR CORPORATION’S ASSISTANCE.**—Any acquisition described in subparagraph (D) may be conditioned on the receipt of such consideration for the Corporation’s assistance as the Board of Directors deems appropriate.

(4)(A) **ACQUISITIONS NOT SUBJECT TO CERTAIN OTHER LAWS.**—Section 3(d) of the Bank Holding Company Act of 1956, any provision of State law, and section 408(e)(3) of the National Housing Act shall not apply to prohibit any acquisition under paragraph (2) or (3), except that an out-of-State bank may make such an acquisition only if such ownership is otherwise specifically authorized.

(B) Any subsidiary created by operation of this subsection may retain and operate any existing branch or branches of the institution merged with or acquired under paragraph (2) or (3), but otherwise shall be subject to the conditions upon which a national bank may establish and operate branches in the State in which such insured institution is located.

(C) No insured institution acquired under this subsection shall after it is acquired move its principal office or any branch office which it would be prohibited from moving if the institution were a national bank.

(D) **SUBSEQUENT NONEMERGENCY INTERSTATE ACQUISITIONS SUBJECT TO STATE LAW.**—

(i) **IN GENERAL.**—Any out-of-State bank holding company which acquires control of an insured bank in any State under paragraph (2) or (3) may acquire any other insured bank and establish branches in such State to the same extent as a bank holding company whose insured bank subsidiaries’ operations are principally conducted in such State may acquire any other insured bank or establish branches.

(ii) **DELAYED DATE OF APPLICABILITY.**—Clause (i) shall not apply with respect to any out-of-State bank holding company referred to in such clause before the earlier of—

(I) the end of the 2-year period beginning on the date the acquisition referred to in such clause with respect to such company is consummated; or
(II) the end of any period established under State law during which such out-of-State bank holding company may not be treated as a bank holding company whose insured bank subsidiaries’ operations are principally conducted in such State for purposes of acquiring other insured banks or establishing bank branches.

(iii) **Determination of principally conducted**.—For purposes of this subparagraph, the State in which the operations of a holding company’s insured bank subsidiaries are principally conducted is the State determined under section 3(d) of the Bank Holding Company Act of 1956 with respect to such holding company.

(E) **Certain State Interstate Banking Laws Inapplicable**.—Any holding company which acquires control of any insured bank or holding company under paragraph (2) or (3) or subparagraph (D) of this paragraph shall not, by reason of such acquisition, be required under the law of any State to divest any other insured bank or be prevented from acquiring any other bank or holding company.

(5) In determining whether to arrange a sale of assets and assumption of liabilities or an acquisition or a merger under the authority of paragraph (2) or (3), the Corporation may solicit such offers or proposals as are practicable from any prospective purchasers or merger partners it determines, in its sole discretion, are both qualified and capable of acquiring the assets and liabilities of the bank in default or the bank in danger of default.

(6)(A) If, after receiving offers, the offer presenting the lowest expense to the Corporation, that is in a form and with conditions acceptable to the Corporation (hereinafter referred to as the “lowest acceptable offer”), is from an offeror that is not an existing in-State bank of the same type as the bank that is in default or is in danger of default (or, where the bank is an insured bank other than a mutual savings bank, the lowest acceptable offer is not from an in-State holding company), the Corporation shall permit the offeror which made the initial lowest acceptable offer and each offeror who made an offer the estimated cost of which to the Corporation was within 15 per centum or $15,000,000, whichever is less, of the initial lowest acceptable offer to submit a new offer.

(B) In considering authorizations under this subsection, the Corporation shall give consideration to the need to minimize the cost of financial assistance and to the maintenance of specialized depository institutions. The Corporation shall authorize transactions under this subsection considering the following priorities:

(i) First, between depository institutions of the same type within the same State.

(ii) Second, between depository institutions of the same type—

(I) in different States which by statute specifically authorize such acquisitions; or

(II) in the absence of such statutes, in different States which are contiguous.

(iii) Third, between depository institutions of the same type in different States other than the States described in clause (ii).

(iv) Fourth, between depository institutions of different types in the same State.
(v) Fifth, between depository institutions of different types—
(I) in different States which by statute specifically authorize such acquisitions; or
(II) in the absence of such statutes, in different States which are contiguous.
(vi) Sixth, between depository institutions of different types in different States other than the States described in clause (v).

(C) MINORITY BANK PRIORITY.—In the case of a minority-controlled bank, the Corporation shall seek an offer from other minority-controlled banks before proceeding with the bidding priorities set forth in subparagraph (B).

(D) In determining the cost of offers and reoffers, the Corporation's calculations and estimations shall be determinative. The Corporation may set reasonable time limits on offers and reoffers.

(7) No sale may be made under the provisions of paragraph (2) or (3)—

(A) which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States;

(B) whose effect in any section of the country may be substantially to lessen competition, or to tend to create a monopoly, or which in any other manner would be in restraint of trade, unless the Corporation finds that the anticompetitive effects of the proposed transactions are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served; or

(C) if in the opinion of the Corporation the acquisition threatens the safety and soundness of the acquirer or does not result in the future viability of the resulting depository institution.

(8) As used in this subsection—

(A) the term “in-State depository institution or in-State holding company” means an existing insured depository institution currently operating in the State in which the bank in default or the bank in danger of default is chartered or a company that is operating an insured depository institution subsidiary in the State in which the bank in default or the bank in danger of default is chartered;

(D) the term “subsidiary” has the meaning given to such term in section 2(d) of the Bank Holding Company Act of 1956.

(9) NO ASSISTANCE AUTHORIZED FOR CERTAIN SUBSIDIARIES OF HOLDING COMPANIES.—

(A) IN GENERAL.—The Corporation shall not provide any assistance to a subsidiary, other than a subsidiary that is an insured depository institution, of a holding company in connection with any acquisition under this subsection.

(B) INTERMEDIATE HOLDING COMPANY PERMITTED.—This paragraph does not prohibit an intermediate holding company or an affiliate of an insured depository institution from being a conduit for assistance ultimately intended for an insured bank.

(10) ANNUAL REPORT.—

(A) REQUIRED.—In its annual report to Congress the Corporation shall include a report on the acquisitions under this subsection during the preceding year.

(B) CONTENTS.—The report required under subparagraph (A) shall contain the following information:

(i) The number of acquisitions under this subsection.

(ii) A brief description of each such acquisition and the circumstances under which such acquisition occurred.

(11) DETERMINATION OF TOTAL ASSETS.—For purposes of this subsection, the total assets of any insured bank shall be determined on the basis of the most recent report of condition of such bank which is available at the time of such determination.

(12) ACQUISITION OF MINORITY BANK BY MINORITY BANK HOLDING COMPANY WITHOUT REGARD TO ASSET SIZE.—

(A) IN GENERAL.—For the purpose of ensuring continued minority control of a minority-controlled bank, paragraphs (2) and (3) shall apply with respect to the acquisition of a minority-controlled bank by an out-of-State minority-controlled depository institution or depository institution holding company without regard to the fact that the total assets of such minority-controlled bank are less than $500,000,000.

(B) DEFINITIONS.—For purposes of this paragraph:

The amount payable
hereunder shall be paid in two equal installments, the first installment to be paid prior to December 31, 1950.

(h) The powers conferred on the Board of Directors and the Corporation by this section to take action to reopen an insured depository institution in default or to avert the default of an insured depository institution may be used with respect to an insured branch of a foreign bank if, in the judgment of the Board of Directors, the public interest in avoiding the closing of such branch substantially outweighs any additional risk of loss to the Deposit Insurance Fund which the exercise of such powers would entail.

(j) **LOAN LOSS AMORTIZATION FOR CERTAIN BANKS.**—

(1) **ELIGIBILITY.**—The appropriate Federal banking agency shall permit an agricultural bank to take the actions referred to in paragraph (2) if it finds that—

(A) there is no evidence that fraud or criminal abuse on the part of the bank led to the losses referred to in paragraph (2); and

(B) the agricultural bank has a plan to restore its capital, not later than the close of the amortization period established under paragraph (2), to a level prescribed by the appropriate Federal banking agency.

(2) **SEVEN-YEAR LOSS AMORTIZATION.**—(A) Any loss on any qualified agricultural loan that an agricultural bank would otherwise be required to show on its annual financial statement for any year between December 31, 1983, and January 1, 1992, may be amortized on its financial statements over a period of not to exceed 7 years, as provided in regulations issued by the appropriate Federal banking agency.

(B) An agricultural bank may reappraise any real estate or other property, real or personal, that it acquired coincident to the making of a qualified agricultural loan and that it owned on January 1, 1983, and any such additional property that it acquires prior to January 1, 1992. Any loss that such bank would otherwise be required to show on its annual financial statements as the result of any such reappraisal may be amortized on its financial statements over a period of not to exceed 7 years, as provided in regulations issued by the appropriate Federal banking agency.

(3) **REGULATIONS.**—Not later than 90 days after the date of enactment of this subsection, the appropriate Federal banking agency shall issue regulations implementing this subsection with respect to banks that it supervises, including regulations implementing the capital restoration requirement of paragraph (1)(B).

(4) **DEFINITIONS.**—As used in this subsection—

(A) the term “agricultural bank” means a bank—

(i) the deposits of which are insured by the Federal Deposit Insurance Corporation;

(ii) which is located in an area the economy of which is dependent on agriculture;

(5) MAINTENANCE OF PORTFOLIO.—As a condition of eligibility under this subsection, the agricultural bank must agree to maintain in its loan portfolio a percentage of agricultural loans which is not lower than the percentage of such loans in its loan portfolio on January 1, 1986.

(k) EMERGENCY ACQUISITIONS.—

(1) IN GENERAL.—

(A) ACQUISITIONS AUTHORIZED.—

(i) TRANSACTIONS DESCRIBED.—Notwithstanding any provision of State law, upon determining that severe financial conditions threaten the stability of a significant number of savings associations, or of savings associations possessing significant financial resources, the Corporation, in its discretion and if it determines such authorization would lessen the risk to the Corporation, may authorize—

(I) a savings association that is eligible for assistance pursuant to subsection (c) to merge or consolidate with, or to transfer its assets and liabilities to, any other savings association or any insured bank,

(II) any other savings association to acquire control of such savings association, or

(III) any company to acquire control of such savings association or to acquire the assets or assume the liabilities thereof.

The Corporation may not authorize any transaction under this subsection unless the Corporation determines that the authorization will not present a substantial risk to the safety or soundness of the savings association to be acquired or any acquiring entity.

(ii) TERMS OF TRANSACTIONS.—Mergers, consolidations, transfers, and acquisitions under this subsection shall be on such terms as the Corporation shall provide.

(iii) APPROVAL BY APPROPRIATE AGENCY.—Where otherwise required by law, transactions under this subsection must be approved by the appropriate Federal banking agency of every party thereto.

(iv) ACQUISITIONS BY SAVINGS ASSOCIATIONS.—Any Federal savings association that acquires another savings association pursuant to clause (i) may, with the concurrence of the Comptroller of the Currency, hold that savings association as a subsidiary notwith-
standing the percentage limitations of section 5(c)(4)(B) of the Home Owners' Loan Act.

(v) DUAL SERVICE.—Dual service by a management official that would otherwise be prohibited under the Depository Institution Management Interlocks Act may, with the approval of the Corporation, continue for up to 10 years.

(vi) CONTINUED APPLICABILITY OF CERTAIN STATE RESTRICTIONS.—Nothing in this subsection overrides or supersedes State laws restricting or limiting the activities of a savings association on behalf of another entity.

(B) CONSULTATION WITH STATE OFFICIAL.—

(i) CONSULTATION REQUIRED.—Before making a determination to take any action under subparagraph (A), the Corporation shall consult the State official having jurisdiction of the acquired institution.

(ii) PERIOD FOR STATE RESPONSE.—The official shall be given a reasonable opportunity, and in no event less than 48 hours, to object to the use of the provisions of this paragraph. Such notice may be provided by the Corporation prior to its appointment as receiver, but in anticipation of an impending appointment.

(4) BRANCHING PROVISIONS.—

(A) IN GENERAL.—If a merger, consolidation, transfer, or acquisition under this subsection involves a savings association eligible for assistance and a bank or bank holding company, a savings association may retain and operate any existing branch or branches or any other existing facilities. If the savings association continues to exist as a separate entity, it may establish and operate new branches
to the same extent as any savings association that is not affiliated with a bank holding company and the home office of which is located in the same State.

(III) The member is a qualified thrift lender (as defined in section 10(m) of the Home Owners’ Loan Act) or would be a qualified thrift lender if commercial real estate owned and nonperforming commercial loans acquired in acquisition and merger transactions that were instituted by the Federal Home Loan Bank Board or the Federal Savings and Loan Insurance Corporation for supervisory reasons were excluded from the member’s total assets.

(IV) The appropriate Federal banking agency has determined that the member’s management is competent and has complied with applicable laws, rules, and supervisory directives and orders.

(V) The member’s management did not engage in insider dealing or speculative practices or other activities that jeopardized the member’s safety and soundness or contributed to its impaired capital position.

(VI) The member’s offices are located in an economically depressed region.

(B) Corporation consideration of assistance proposal.—If a member meets the requirements of clauses (i) and (ii) of subparagraph (A), the Corporation shall consider providing direct financial assistance.

STATE BANKS AS MEMBERS.

SEC. 9. Any bank incorporated by special law of any State, operating under the Code of Law for the District of Columbia, or organized under the general laws of any State or of the United States, including Morris Plan banks and other incorporated banking institutions engaged in similar business, desiring to become a member
of the Federal Reserve System, may make application to the Board of Governors of the Federal Reserve System, under such rules and regulations as it may prescribe, for the right to subscribe to the stock of the Federal reserve bank organized within the district in which the applying bank is located. Such application shall be for the same amount of stock that the applying bank would be required to subscribe to as a national bank. For the purposes of membership of any such bank the terms “capital” and “capital stock” shall include the amount of outstanding capital notes and debentures legally issued by the applying bank and purchased by the Reconstruction Finance Corporation. The Board of Governors of the Federal Reserve System, subject to the provisions of this Act and to such conditions as it may prescribe pursuant thereto may permit the applying bank to become a stockholder of such Federal reserve bank.

Upon the conversion of a national bank into a State bank, or the merger or consolidation of a national bank with a State bank which is not a member of the Federal Reserve System, the resulting or continuing State bank may be admitted to membership in the Federal Reserve System by the Board of Governors of the Federal Reserve System in accordance with the provisions of this section, but, otherwise, the Federal Reserve bank stock owned by the national bank shall be canceled and paid for as provided in section 5 of this Act. Upon the merger or consolidation of a national bank with a State member bank under a State charter, the membership of the State bank in the Federal Reserve System shall continue.

Any such State bank which, at the date of the approval of this Act, has established and is operating a branch or branches in conformity with the State law, may retain and operate the same while remaining or upon becoming a stockholder of such Federal reserve bank; but no such State bank may retain or acquire stock in a Federal reserve bank except upon relinquishment of any branch or branches established after the date of the approval of this Act beyond the limits of the city, town, or village in which the parent bank is situated. Provided, however, That nothing herein contained shall prevent any State member bank from establishing and operating branches in the United States or any dependency or insular possession thereof or in any foreign country, on the same terms and conditions and subject to the same limitations and restrictions as are applicable to the establishment of branches by national banks except that the approval of the Board of Governors of the Federal Reserve System, instead of the Comptroller of the Currency, shall be obtained before any State member bank may hereafter establish any branch and before any State bank hereafter admitted to membership may retain any branch established after February 25, 1927, beyond the limits of the city, town, or village in which the parent bank is situated. The approval of the Board shall likewise be obtained before any State member bank may establish any new branch within the limits of any such city, town, or village.

In acting upon such applications the Board of Governors of the Federal Reserve System shall consider the financial condition of the applying bank, the general character of its management, and whether or not the corporate powers exercised are consistent with the purposes of this Act.
Whenever the Board of Governors of the Federal Reserve System shall permit the applying bank to become a stockholder in the Federal reserve bank of the district its stock subscription shall be payable on call of the Board of Governors of the Federal Reserve System, and stock issued to it shall be held subject to the provisions of this Act.

All banks admitted to membership under authority of this section shall be required to comply with the reserve and capital requirements of this Act, to conform to those provisions of law imposed on national banks which prohibit such banks from lending on or purchasing their own stock and which relate to the withdrawal or impairment of their capital stock, and to conform to the provisions of sections 5199(b) and 5204 of the Revised Statutes with respect to the payment of dividends; except that any reference in any such provision to the Comptroller of the Currency shall be deemed for the purposes of this sentence to be a reference to the Board of Governors of the Federal Reserve System. Such banks and the officers, agents, and employees thereof shall also be subject to the provisions of and to the penalties prescribed by sections 334, 656, and 1005 of Title 18, United States Code, and shall be required to make reports of condition and of the payment of dividends to the Federal Reserve bank of which they become a member. Not less than three of such reports shall be made annually on call of the Federal Reserve bank on dates to be fixed by the Board of Governors of the Federal Reserve System. Any bank which (A) maintains procedures reasonably adapted to avoid any inadvertent error and, unintentionally and as a result of such an error, fails to make or publish any report required under this paragraph, within the period of time specified by the Board, or submits or publishes any false or misleading report or information, or (B) inadvertently transmits or publishes any report which is minimally late, shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false or misleading information is not corrected. The bank shall have the burden of proving that an error was inadvertent and that a report was inadvertently transmitted or published late. Any bank which fails to make or publish such reports within the period of time specified by the Board, or submits or publishes any false or misleading report or information, in a manner not described in the 2nd preceding sentence shall be subject to a penalty of not more than $20,000 for each day during which such failure continues or such false or misleading information is not corrected. Notwithstanding the preceding sentence, if any bank knowingly or with reckless disregard for the accuracy of any information or report described in such sentence submits or publishes any false or misleading report or information, the Board may assess a penalty of not more than [[$1,000,000] $1,500,000 or 1 percent of total assets of such bank, whichever is less, per day for each day during which such failure continues or such false or misleading information is not corrected. Any penalty imposed under any of the 4 preceding sentences shall be assessed and collected by the Board in the manner provided in subparagraphs (E), (F), (G), and (I) of section 8(i)(2) of the Federal Deposit Insurance Act (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such section. Any bank against
which any penalty is assessed under this subsection shall be afforded an agency hearing if such bank submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) of the Federal Deposit Insurance Act shall apply to any proceeding under this paragraph. Such reports of condition shall be in such form and shall contain such information as the Board of Governors of the Federal Reserve System may require.

As a condition of membership such banks shall likewise be subject to examinations made by direction of the Board of Governors of the Federal Reserve System or of the Federal reserve bank by examiners selected or approved by the Board of Governors of the Federal Reserve System.

Whenever the directors of the Federal reserve bank shall approve the examinations made by the State authorities, such examinations and the reports thereof may be accepted in lieu of examinations made by examiners selected or approved by the Board of Governors of the Federal Reserve System: Provided, however, That when it deems it necessary the board may order special examinations by examiners of its own selection and shall in all cases approve the form of the report. The expenses of all examinations, other than those made by State authorities, may, in the discretion of the Board of Governors of the Federal Reserve System, be assessed against the banks examined and, when so assessed, shall be paid by the banks examined. The Board of Governors of the Federal Reserve System, at its discretion, may furnish any report of examination or other confidential supervisory information concerning any State member bank or other entity examined under any other authority of the Board, to any Federal or State agency or authority with supervisory or regulatory authority over the examined entity, to any officer, director, or receiver of the examined entity, and to any other person that the Board determines to be proper.

If at any time it shall appear to the Board of Governors of the Federal Reserve System that a member bank has failed to comply with the provisions of this section or the regulations of the Board of Governors of the Federal Reserve System made pursuant thereto, or has ceased to exercise banking functions without a receiver or liquidating agent having been appointed therefor, it shall be within the power of the board after hearing to require such bank to surrender its stock in the Federal reserve bank and to forfeit all rights and privileges of membership. The Board of Governors of the Federal Reserve System may restore membership upon due proof of compliance with the conditions imposed by this section.

Any State bank or trust company desiring to withdraw from membership in a Federal reserve bank may do so, after six months' written notice shall have been filed with the Board of Governors of the Federal Reserve System, upon the surrender and cancellation of all of its holdings of capital stock in the Federal reserve bank: Provided, That the Board of Governors of the Federal Reserve System, in its discretion and subject to such conditions as it may prescribe, may waive such six months' notice in individual cases and may permit any such State bank or trust company to withdraw from membership in a Federal reserve bank prior to the expiration of six months from the date of the written notice of its intention to withdraw: Provided, however, That no Federal reserve bank shall, except under express authority of the Board of Governors of
the Federal Reserve System, cancel within the same calendar year more than twenty-five per centum of its capital stock for the purpose of effecting voluntary withdrawals during that year. All such applications shall be dealt with in the order in which they are filed with the board. Whenever a member bank shall surrender its stock holdings in a Federal reserve bank, or shall be ordered to do so by the Board of Governors of the Federal Reserve System, under authority of law, all of its rights and privileges as a member bank shall thereupon cease and determine, and after due provision has been made for any indebtedness due or to become due to the Federal reserve bank it shall be entitled to a refund of its cash paid subscription with interest at the rate of one-half of one per centum per month from date of last dividend, if earned, the amount refunded in no event to exceed the book value of the stock at that time, and shall likewise be entitled to repayment of deposits and of any other balance due from the Federal reserve bank.

No applying bank shall be admitted to membership unless it possesses capital stock and surplus which, in the judgment of the Board of Governors of the Federal Reserve System, are adequate in relation to the character and condition of its assets and to its existing and prospective deposit liabilities and other corporate responsibilities: Provided, That no bank engaged in the business of receiving deposits other than trust funds, which does not possess capital stock and surplus in an amount equal to that which would be required for the establishment of a national banking association in the place in which it is located, shall be admitted to membership unless it is, or has been, approved for deposit insurance under the Federal Deposit Insurance Act. The capital stock of a State member bank shall not be reduced except with the prior consent of the Board.

In order to facilitate the admission to membership in the Federal Reserve System of any State bank which is required under subsection (y) of section 12B of this Act to become a member of the Federal Reserve System in order to be an insured bank or continue to have any part of its deposits insured under such section 12B, the Board of Governors of the Federal Reserve System may waive in whole or in part the requirements of this section relating to the admission of such bank to membership: Provided, That, if such bank is admitted with a capital less than that required for the organization of a national bank in the same place and its capital and surplus are not, in the judgment of the Board of Governors of the Federal Reserve System, adequate in relation to its liabilities to depositors and other creditors, the said Board may, in its discretion, require such bank to increase its capital and surplus to such amount as the Board may deem necessary within such period prescribed by the Board as in its judgment shall be reasonable in view of all the circumstances: Provided, however, That no such bank shall be required to increase its capital to an amount in excess of that required for the organization of a national bank in the same place. (Omitted from U.S. Code.)

Banks becoming members of the Federal Reserve System under authority of this section shall be subject to the provisions of this section and to those of this Act which relate specifically to member banks, but shall not be subject to examination under the provisions of the first two paragraphs of section fifty-two hundred and forty
of the Revised Statutes as amended by section twenty-one of this Act. Subject to the provisions of this Act and to the regulations of the board made pursuant thereto, any bank becoming a member of the Federal Reserve System shall retain its full charter and statutory rights as a State bank or trust company, and may continue to exercise all corporate powers granted it by the State in which it was created, and shall be entitled to all privileges of member banks, except that the Board of Governors of the Federal Reserve System may limit the activities of State member banks and subsidiaries of State member banks in a manner consistent with section 24 of the Federal Deposit Insurance Act. No Federal reserve bank shall be permitted to discount for any State bank or trust company notes, drafts, or bills of exchange of any one borrower who is liable for borrowed money to such State bank or trust company in an amount greater than that which could be borrowed lawfully from such State bank or trust company were it a national banking association. The Federal reserve bank, as a condition of the discount of notes, drafts, and bills of exchange for such State bank or trust company, shall require a certificate or guaranty to the effect that the borrower is not liable to such bank in excess of the amount provided by this section, and will not be permitted to become liable in excess of this amount while such notes, drafts, or bills of exchange are under discount with the Federal reserve bank.

It shall be unlawful for any officer, clerk, or agent of any bank admitted to membership under authority of this section to certify any check drawn upon such bank unless the person or company drawing the check has on deposit therewith at the time such check is certified an amount of money equal to the amount specified in such check. Any check so certified by duly authorized officers shall be a good and valid obligation against such bank, but the act of any such officer, clerk, or agent in violation of this section may subject such bank to a forfeiture of its membership in the Federal Reserve System upon hearing by the Board of Governors of the Federal Reserve System.

All banks or trust companies incorporated by special law or organized under the general laws of any State, which are members of the Federal reserve system, when designated for that purpose by the Secretary of the Treasury, shall be depositaries of public money, under such regulations as may be prescribed by the Secretary; and they may also be employed as financial agents of the Government; and they shall perform all such reasonable duties, as depositaries of public money and financial agents of the Government, as may be required of them. The Secretary of the Treasury shall require of the banks and trust companies thus designated satisfactory security, by the deposit of United States bonds or otherwise, for the safe keeping and prompt payment of the public money deposited with them and for the faithful performance of their duties as financial agents of the Government.

Any mutual savings bank having no capital stock (including any other banking institution the capital of which consists of weekly or other time deposits which are segregated from all other deposits and are regarded as capital stock for the purposes of taxation and the declaration of dividends), but having surplus and undivided profits not less than the amount of capital required for the organization of a national bank in the same place, may apply for and be
admitted to membership in the Federal Reserve System in the same manner and subject to the same provisions of law as State banks and trust companies, except that any such savings banks shall subscribe for capital stock of the Federal reserve bank in an amount equal to six-tenths of 1 per centum of its total deposit liabilities as shown by the most recent report of examination of such savings bank preceding its admission to membership. Thereafter such subscription shall be adjusted semiannually on the same percentage basis in accordance with rules and regulations prescribed by the Board of Governors of the Federal Reserve System. If any such mutual savings bank applying for membership is not permitted by the laws under which it was organized to purchase stock in a Federal reserve bank, it shall, upon admission to the system, deposit with the Federal reserve bank an amount equal to the amount which it would have been required to pay in on account of a subscription to capital stock. Thereafter such deposit shall be adjusted semiannually in the same manner as subscriptions for stock. Such deposits shall be subject to the same conditions with respect to repayment as amounts paid upon subscriptions to capital stock by other member banks and the Federal reserve bank shall pay interest thereon at the same rate as dividends are actually paid on outstanding shares of stock of such Federal reserve bank. If the laws under which any such savings bank was organized be amended so as to authorize mutual savings banks to subscribe for Federal reserve bank stock, such savings bank shall thereupon subscribe for the appropriate amount of stock in the Federal reserve bank, and the deposit hereinbefore provided for in lieu of payment upon capital stock shall be applied upon such subscription. If the laws under which any such savings bank was organized be not amended at the next session of the legislature following the admission of such savings bank to membership so as to authorize mutual savings banks to purchase Federal reserve bank stock, or if such laws be so amended and such bank fail within six months thereafter to purchase such stock, all of its rights and privileges as a member bank shall be forfeited and its membership in the Federal Reserve System shall be terminated in the manner prescribed elsewhere in this section with respect to State member banks and trust companies. Each such mutual savings bank shall comply with all the provisions of law applicable to State member banks and trust companies, with the regulations of the Board of Governors of the Federal Reserve System and with the conditions of membership prescribed for such savings bank at the time of admission to membership, except as otherwise hereinbefore provided with respect to capital stock.

Each bank admitted to membership under this section shall obtain from each of its affiliates other than member banks and furnish to the Federal reserve bank of its district and to the Board of Governors of the Federal Reserve System not less than three reports during each year. Such reports shall be in such form as the Board of Governors of the Federal Reserve System may prescribe, shall be verified by the oath or affirmation of the president or such other officer as may be designated by the board of directors of such affiliate to verify such reports, and shall disclose the information hereinafter provided for as of dates identical with those fixed by the Board of Governors of the Federal Reserve System for reports
of the condition of the affiliated member bank. Each such report of an affiliate shall be transmitted as herein provided at the same time as the corresponding report of the affiliated member bank, except that the Board of Governors of the Federal Reserve System may, in its discretion, extend such time for good cause shown. Each such report shall contain such information as in the judgment of the Board of Governors of the Federal Reserve System shall be necessary to disclose fully the relations between such affiliate and such bank and to enable the Board to inform itself as to the effect of such relations upon the affairs of such bank. The reports of such affiliates shall be published by the bank under the same conditions as govern its own condition reports.

Any such affiliated member bank may be required to obtain from any such affiliate such additional reports as in the opinion of its Federal reserve bank or the Board of Governors of the Federal Reserve System may be necessary in order to obtain a full and complete knowledge of the condition of the affiliated member bank. Such additional reports shall be transmitted to the Federal reserve bank and the Board of Governors of the Federal Reserve System and shall be in such form as the Board of Governors of the Federal Reserve System may prescribe.

Any such affiliated member bank which fails to obtain from any of its affiliates and furnish any report provided for by the two preceding paragraphs of this section shall be subject to a penalty of $100 for each day during which such failure continues, which, by direction of the Board of Governors of the Federal Reserve System, may be collected, by suit or otherwise, by the Federal reserve bank of the district in which such member bank is located.

State member banks shall be subject to the same limitations and conditions with respect to the purchasing, selling, underwriting, and holding of investment securities and stock as are applicable in the case of national banks under paragraph "Seventh" of section 5136 of the Revised Statutes, as amended. This paragraph shall not apply to any interest held by a State member bank in accordance with section 5136A of the Revised Statutes of the United States and subject to the same conditions and limitations provided in such section.

After the date of the enactment of the Banking Act of 1935, no certificate evidencing the stock of any State member bank shall bear any statement purporting to represent the stock of any other corporation, except a member bank or a corporation engaged on June 16, 1934 in holding the bank premises of such member bank, nor shall the ownership, sale, or transfer of any certificate representing the stock of any State member bank be conditioned in any manner whatsoever upon the ownership, sale, or transfer of a certificate representing the stock of any other corporation, except a member bank or a corporation engaged on June 16, 1934 in holding the bank premises of such member bank: Provided, That this section shall not operate to prevent the ownership, sale, or transfer of stock of any other corporation being conditioned upon the ownership, sale, or transfer of a certificate representing stock of a State member bank.

In connection with examinations of State member banks, examiners selected or approved by the Board of Governors of the Federal Reserve System shall make such examinations of the affairs of all
affiliates of such banks as shall be necessary to disclose fully the relations between such banks and their affiliates and the effect of such relations upon the affairs of such banks. The expense of examination of affiliates of any State member bank may, in the discretion of the Board of Governors of the Federal Reserve System, be assessed against such bank and, when so assessed, shall be paid by such bank. In the event of the refusal to give any information requested in the course of the examination of any such affiliate, or in the event of the refusal to permit such examination, or in the event of the refusal to pay any expense so assessed, the Board of Governors of the Federal Reserve System may, in its discretion, require any or all State member banks affiliated with such affiliate to surrender their stock in the Federal reserve bank and to forfeit all rights and privileges of membership in the Federal Reserve System, as provided in this section.

(23) A State member bank may make investments directly or indirectly, each of which is designed primarily to promote the public welfare, including the welfare of primarily low- and moderate-income communities or families (such as by providing housing, services, or jobs), to the extent permissible under State law. A State member bank shall not make any such investment if the investment would expose the State member bank to unlimited liability. The Board shall limit a State member bank’s investment in any 1 project and a State member bank’s aggregate investments under this paragraph. The aggregate amount of investments of any State member bank under this paragraph may not exceed an amount equal to the sum of 5 percent of the State member bank’s capital stock actually paid in and unimpaired and 5 percent of the State member bank’s unimpaired surplus, unless the Board determines, by order, that a higher amount will pose no significant risk to the Deposit Insurance Fund; and the State member bank is adequately capitalized. In no case shall the aggregate amount of investments of any State member bank under this paragraph exceed an amount equal to the sum of 15 percent of the State member bank’s capital stock actually paid in and unimpaired and 15 percent of the State member bank’s unimpaired surplus. The foregoing standards and limitations apply to investments under this paragraph made by a State member bank directly and by its subsidiaries.

BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM

SEC. 10. The Board of Governors of the Federal Reserve System (hereinafter referred to as the “Board”) shall be composed of seven members, to be appointed by the President, by and with the advice and consent of the Senate, after the date of enactment of the Banking Act of 1935, for terms of fourteen years except as hereinafter provided, but each appointive member of the Federal Reserve Board in office on such date shall continue to serve as a member of the Board until February 1, 1936, and the Secretary of the Treasury and the Comptroller of the Currency shall continue to serve as members of the Board until February 1, 1936. In selecting the members of the Board, not more than one of whom shall be se-
lected from any one Federal Reserve district, the President shall have due regard to a fair representation of the financial, agricultural, industrial, and commercial interests, and geographical divisions of the country. In selecting members of the Board, the President shall appoint at least 1 member with demonstrated primary experience working in or supervising community banks having less than $10,000,000,000 in total assets. The members of the Board shall devote their entire time to the business of the Board and shall each receive and annual salary of $15,000, payable monthly, together with actual necessary traveling expenses.

The members of the Board shall be ineligible during the time they are in office and for two years thereafter to hold any office, position, or employment in any member bank, except that this restriction shall not apply to a member who has served the full term for which he was appointed. Upon the expiration of the term of any appointive member of the Federal Reserve Board in office on the date of enactment of the Banking Act of 1935, the President shall fix the term of the successor to such member at not to exceed fourteen years, as designated by the President at the time of nomination, but in such manner as to provide for the expiration of the term of not more than one member in any two-year period, and thereafter each member shall hold office for a term of fourteen years from the expiration of the term of his predecessor, unless sooner removed for cause by the President. Of the persons thus appointed, 1 shall be designated by the President, by and with the advice and consent of the Senate, to serve as Chairman of the Board for a term of 4 years, and 2 shall be designated by the President, by and with the advice and consent of the Senate, to serve as Vice Chairmen of the Board, each for a term of 4 years, 1 of whom shall serve in the absence of the Chairman, as provided in the fourth undesignated paragraph of this section, and 1 of whom shall be designated Vice Chairman for Supervision. The Vice Chairman for Supervision shall develop policy recommendations for the Board regarding supervision and regulation of depository institution holding companies and other financial firms supervised by the Board, and shall oversee the supervision and regulation of such firms. The chairman of the Board, subject to its supervision, shall be its active executive officer. Each member of the Board shall within fifteen days after notice of appointment make and subscribe to the oath of office. Upon the expiration of their terms of office, members of the Board shall continue to serve until their successors are appointed and have qualified. Any person appointed as a member of the Board after the date of enactment of the Banking Act of 1935 shall not be eligible for reappointment as such member after he shall have served a full term of fourteen years.

The Board of Governors of the Federal Reserve System shall have power to levy semiannually upon the Federal reserve banks, in proportion to their capital stock and surplus, an assessment sufficient to pay its estimated expenses and the salaries of its members and employees for the half year succeeding the levying of such assessment, together with any deficit carried forward from the preceding half year, and such assessments may include amounts sufficient to provide for the acquisition by the Board in its own name of such site or building in the District of Columbia as in its judgment alone shall be necessary for the purpose of providing suitable
and adequate quarters for the performance of its functions. After September 1, 2000, the Board may also use such assessments to acquire, in its own name, a site or building (in addition to the facilities existing on such date) to provide for the performance of the functions of the Board. After approving such plans, estimates, and specifications as it shall have caused to be prepared, the Board may, notwithstanding any other provision of law, cause to be constructed on any site so acquired by it a building or buildings suitable and adequate in its judgment for its purposes and proceed to take all such steps as it may deem necessary or appropriate in connection with the construction, equipment, and furnishing of such building or buildings. The Board may maintain, enlarge, or remodel any building or buildings so acquired or constructed and shall have sole control of such building or buildings and space therein.

The principal offices of the Board shall be in the District of Columbia. At meetings of the Board the chairman shall preside, and, in his absence, the vice chairman shall preside. In the absence of the chairman and the vice chairman, the Board shall elect a member to act as chairman pro tempore. The Board shall determine and prescribe the manner in which its obligations shall be incurred and its disbursements and expenses allowed and paid, and may leave on deposit in the Federal Reserve banks the proceeds of assessments levied upon them to defray its estimated expenses and the salaries of its members and employees, whose employment, compensation, leave, and expenses shall be governed solely by the provisions of this Act, specific amendments thereof, and rules and regulations of the Board not inconsistent therewith; and funds derived from such assessments shall not be construed to be Government funds or appropriated moneys. No member of the Board of Governors of the Federal Reserve System shall be an officer or director of any bank, banking institution, trust company, or Federal Reserve bank or hold stock in any bank, banking institution, or trust company; and before entering upon his duties as a member of the Board of Governors of the Federal Reserve System he shall certify under oath that he has complied with this requirement, and such certification shall be filed with the secretary of the Board. Whenever a vacancy shall occur, other than by expiration of term, among the six members of the Board of Governors of the Federal Reserve System appointed by the President as above provided, a successor shall be appointed by the President, by and with the advice and consent of the Senate, to fill such vacancy, and when appointed he shall hold office for the unexpired term of his predecessor.

The President shall have power to fill all vacancies that may happen on the Board of Governors of the Federal Reserve System during the recess of the Senate by granting commissions which shall expire with the next session of the Senate.

Nothing in this Act contained shall be construed as taking away any powers heretofore vested by law in the Secretary of the Treasury which relate to the supervision, management, and control of the Treasury Department and bureaus under such department, and wherever any power vested by this Act in the Board of Governors of the Federal Reserve System or the Federal reserve agent appears to conflict with the powers of the Secretary of the Treasury,
such powers shall be exercised subject to the supervision and control of the Secretary.

The Board of Governors of the Federal Reserve System shall annually make a full report of its operations to the Speaker of the House of Representatives, who shall cause the same to be printed for the information of the Congress. The report required under this paragraph shall include the reports required under section 707 of the Equal Credit Opportunity Act, section 18(f)(7) of the Federal Trade Commission Act, section 114 of the Truth in Lending Act, and the tenth undesignated paragraph of this section.

No Federal Reserve bank may authorize the acquisition or construction of any branch building, or enter into any contract or other obligation for the acquisition or construction of any branch building, without the approval of the Board.

The Board of Governors of the Federal Reserve System shall keep a complete record of the action taken by the Board and by the Federal Open Market Committee upon all questions of policy relating to open-market operations and shall record therein the votes taken in connection with the determination of open-market policies and the reasons underlying the action of the Board and the Committee in each instance. The Board shall keep a similar record with respect to all questions of policy determined by the Board, and shall include in its annual report to the Congress a full account of the action so taken during the preceding year with respect to open-market policies and operations and with respect to the policies determined by it and shall include in such report a copy of the records required to be kept under the provisions of this paragraph.

In each such appearance, the Vice Chairman for Supervision shall provide written testimony that includes the status of all pending and anticipated rulemakings that are being made by the Board of Governors of the Federal Reserve System. If, at the time of any appearance described in this paragraph, the position of Vice Chairman for Supervision is vacant, the Vice Chairman for the Board of Governors of the Federal Reserve System (who has the responsibility to serve in the absence of the Chairman) shall appear instead and provide the required written testimony. If, at the time of any appearance described in this paragraph, both Vice Chairman positions are vacant, the Chairman of the Board of Governors of the Federal Reserve System shall appear instead and provide the required written testimony. eral Reserve System (who has the responsibility to serve in the absence of the Chairman) shall appear instead and provide the required written testimony. If, at the time of any appearance described in this paragraph, both Vice Chairman positions are vacant, the Chairman of the Board of Governors of the Federal Reserve System shall appear instead and provide the required written testimony. SEC. 11. The Board of Governors of the Federal Reserve System shall be authorized and empowered:

(a)(1) To examine at its discretion the accounts, books and affairs of each Federal reserve bank and of each member bank and to require such statements and reports as it may deem necessary. The said board shall publish once each week a statement showing the condition of each Federal reserve bank and a consolidated statement for all Federal reserve banks. Such statements shall show in detail the assets and liabilities of the Federal reserve banks, single and combined, and shall furnish full information regarding the character of the money held as reserve and the amount, nature and maturities of the paper and other investments owned or held by Federal reserve banks.

(2) To require any depository institution specified in this paragraph to make, at such intervals as the Board may prescribe, such reports of its liabilities and assets as the Board may determine to be necessary or desirable to enable the Board to discharge its responsibility to monitor and control monetary and credit aggregates. Such reports shall be made (A) directly to the Board in the case of member banks and in the case of other depository institutions whose reserve requirements under section 19 of this Act exceed
zero, and (B) for all other reports to the Board through the (i) Federal Deposit Insurance Corporation in the case of insured State savings associations that are insured depository institutions (as defined in section 3 of the Federal Deposit Insurance Act), State nonmember banks, savings banks, and mutual savings banks, (ii) National Credit Union Administration Board in the case of insured credit unions, (iii) the Comptroller of the Currency in the case of any Federal savings association which is an insured depository institution (as defined in section 3 of the Federal Deposit Insurance Act) or which is a member as defined in section 2 of the Federal Home Loan Bank Act, and (iv) such State officer or agency as the Board may designate in the case of any other type of bank, savings association, or credit union. The Board shall endeavor to avoid the imposition of unnecessary burdens on reporting institutions and the duplication of other reporting requirements. Except as otherwise required by law, any data provided to any department, agency, or instrumentality of the United States pursuant to other reporting requirements shall be made available to the Board. The Board may classify depository institutions for the purposes of this paragraph and may impose different requirements on each such class.

(b) To permit, or, on the affirmative vote of at least five members of the Board of Governors of the Federal Reserve System to require Federal reserve banks to rediscount the discounted paper of other Federal reserve banks at rates of interest to be fixed by the Board of Governors of the Federal Reserve System.

c) To suspend for a period not exceeding thirty days, and from time to time to renew such suspension for periods not exceeding fifteen days, any reserve requirements specified in this Act.

d) To supervise and regulate through the Secretary of the Treasury the issue and retirement of Federal reserve notes, except for the cancellation and destruction, and accounting with respect to such cancellation and destruction, of notes unfit for circulation, and to prescribe rules and regulations under which such notes may be delivered by the Secretary of the Treasury to the Federal reserve agents applying therefor.

e) To add to the number of cities classified as Reserve cities under existing law in which national banking associations are subject to the Reserve requirements set forth in section twenty of this Act; or to reclassify existing Reserve cities or to terminate their designation as such.

(g) To require the writing off of doubtful or worthless assets upon the books and balance sheets of Federal reserve banks.

(h) To suspend, for the violation of any of the provisions of this Act, the operations of any Federal reserve bank, to take possession thereof, administer the same during the period of suspension, and, when deemed advisable, to liquidate or reorganize such bank.

(i) To require bonds of Federal reserve agents, to make regulations for the safeguarding of all collateral, bonds, Federal reserve notes, money or property of any kind deposited in the hands of such agents, and said board shall perform the duties, functions, or

(j) To exercise general supervision over said Federal reserve banks.

(k) To delegate, by published order or rule and subject to the Administrative Procedure Act, any of its functions, other than those relating to rulemaking or pertaining principally to monetary and credit policies, to one or more administrative law judges, members or employees of the Board, or Federal Reserve banks. The assignment of responsibility for the performance of any function that the Board determines to delegate shall be a function of the Chairman. The Board shall, upon the vote of one member, review action taken at a delegated level within such time and in such manner as the Board shall by rule prescribe. The Board of Governors may not delegate to a Federal reserve bank its functions for the establishment of policies for the supervision and regulation of depository institution holding companies and other financial firms supervised by the Board of Governors.

(l) To employ such attorneys, experts, assistants, clerks, or other employees as may be deemed necessary to conduct the business of the board. All salaries and fees shall be fixed in advance by said board and shall be paid in the same manner as the salaries of the members of said board. All such attorneys, experts, assistants, clerks, and other employees shall be appointed without regard to the provisions of the Act of January sixteenth, eighteen hundred and eighty-three (volume twenty-two, United States Statutes at Large, page four hundred and three), and amendments thereto, or any rule or regulation made in pursuance thereof: Provided, That nothing herein shall prevent the President from placing said employees in the classified service. Each member of the Board of Governors of the Federal Reserve System may employ, at a minimum, 2 individuals, with such individuals selected by such member and the salaries of such individuals set by such member. A member may employ additional individuals as determined necessary by the Board of Governors.

(n) To examine, at the Board’s discretion, any depository institution, and any affiliate of such depository institution, in connection with any advance to, any discount of any instrument for, or any request for any such advance or discount by, such depository institution under this Act.

(o) Authority to appoint Conservator or Receiver.—The Board may appoint the Federal Deposit Insurance Corporation as conservator or receiver for a State member bank under section 11(c)(9) of the Federal Deposit Insurance Act.

(p) Authority.—The Board may act in its own name and through its own attorneys in enforcing any provision of this title, regulations promulgated hereunder, or any other law or regulation, or in any action, suit, or proceeding to which the Board is a party and which involves the Board’s regulation or supervision of any bank, bank holding company (as defined in section 2 of the Bank Holding Company Act of 1956), or other entity, or the administration of its operations.

(q) Uniform Protection Authority for Federal Reserve Facilities.—
(1) Notwithstanding any other provision of law, to authorize personnel to act as law enforcement officers to protect and safeguard the premises, grounds, property, personnel, including members of the Board, of the Board, or any Federal reserve bank, and operations conducted by or on behalf of the Board or a reserve bank.

(2) The Board may, subject to the regulations prescribed under paragraph (5), delegate authority to a Federal reserve bank to authorize personnel to act as law enforcement officers to protect and safeguard the bank's premises, grounds, property, personnel, and operations conducted by or on behalf of the bank.

(3) Law enforcement officers designated or authorized by the Board or a reserve bank under paragraph (1) or (2) are authorized while on duty to carry firearms and make arrests without warrants for any offense against the United States committed in their presence, or for any felony cognizable under the laws of the United States committed or being committed within the buildings and grounds of the Board or a reserve bank if they have reasonable grounds to believe that the person to be arrested has committed or is committing such a felony. Such officers shall have access to law enforcement information that may be necessary for the protection of the property or personnel of the Board or a reserve bank.

(4) For purposes of this subsection, the term "law enforcement officers" means personnel who have successfully completed law enforcement training and are authorized to carry firearms and make arrests pursuant to this subsection.

(5) The law enforcement authorities provided for in this subsection may be exercised only pursuant to regulations prescribed by the Board and approved by the Attorney General.

(r)(1) Any action that this Act provides may be taken only upon the affirmative vote of 5 members of the Board may be taken upon the unanimous vote of all members then in office if there are fewer than 5 members in office at the time of the action.

(2)(A) Any action that the Board is otherwise authorized to take under section 13(3) may be taken upon the unanimous vote of all available members then in office, if—

(i) at least 2 members are available and all available members participate in the action;

(ii) the available members unanimously determine that—

(I) unusual and exigent circumstances exist and the borrower is unable to secure adequate credit accommodations from other sources;

(II) action on the matter is necessary to prevent, correct, or mitigate serious harm to the economy or the stability of the financial system of the United States;

(III) despite the use of all means available (including all available telephonic, telegraphic, and other electronic means), the other members of the Board have not been able to be contacted on the matter; and

(IV) action on the matter is required before the number of Board members otherwise required to vote on the matter can be contacted through any available means (includ-
...ing all available telephonic, telegraphic, and other electronic means); and

(iii) any credit extended by a Federal reserve bank pursuant to such action is payable upon demand of the Board; and

(iv) the available members secure the affirmative vote of not less than nine presidents of the Federal reserve banks.

(B) The available members of the Board shall document in writing the determinations required by subparagraph (A)(ii), and such written findings shall be included in the record of the action and in the official minutes of the Board, and copies of such record shall be provided as soon as practicable to the members of the Board who were not available to participate in the action and to the Chairman of the Committee on Banking, Housing, and Urban Affairs of the Senate and to the Chairman of the Committee on Financial Services of the House of Representatives.

(3) EARLIER RELEASE DATE AUTHORIZED.—The Chairman of the Board may publicly release the information described in paragraph (1) before the relevant date specified in paragraph (2), if the Chairman determines that such disclosure would be in the public interest and would not harm the effectiveness of the relevant credit facility or the purpose or conduct of covered transactions.

(4) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:
(A) CREDIT FACILITY.—The term “credit facility” means a program or facility, including any special purpose vehicle or other entity established by or on behalf of the Board of Governors of the Federal Reserve System or a Federal reserve bank, authorized by the Board of Governors under section 13(3), that is not subject to audit under section 714(e) of title 31, United States Code.

(6) CONSISTENT TREATMENT OF INFORMATION.—Except as provided in this subsection or section 13(3)(D), the information described in paragraph (1) and information concerning the transactions described in section 714(f) of such title, shall be confidential, including for purposes of section 552(b)(3) of title 5 of such Code, until the relevant mandatory release date described in paragraph (2), unless the Chairman of the Board determines that earlier disclosure of such information would be in the public interest and would not harm the effectiveness of the relevant credit facility or the purpose of conduct of the relevant transactions.

(7) PROTECTION OF PERSONAL PRIVACY.—This subsection and section 13(3)(C), section 714(f)(3)(C) of title 31, United States Code, and subsection (a) or (c) of section 1109 of the Dodd-Frank Wall Street Reform and Consumer Protection Act shall not be construed as requiring any disclosure of nonpublic personal information (as defined for purposes of section 502 of the Gramm-Leach-Bliley Act (12 U.S.C. 6802)) concerning any individual who is referenced in collateral pledged or assets transferred in connection with a credit facility or covered transaction, unless the person is a borrower, participant, or counterparty under the credit facility or covered transaction.

(8) STUDY OF FOIA EXEMPTION IMPACT.—

(A) STUDY.—The Inspector General of the Board of Governors of the Federal Reserve System shall—

Any Federal reserve bank may receive from any of its member banks or other depository institutions, and from the United States, deposits of current funds in lawful money, national-bank notes, Federal reserve notes, or checks, and drafts, payable upon presentation or other items, and also, for collection, maturing
notes and bills; or, solely for purposes of exchange or of collection, may receive from other Federal reserve banks deposits of current funds in lawful money, national-bank notes, or checks upon other Federal reserve banks, and checks and drafts, payable upon presentation within its district or other items, and maturing notes and bills payable within its district; or, solely for the purposes of exchange or of collection, may receive from any nonmember bank or trust company or other depository institution deposits of current funds in lawful money, national-bank notes, Federal reserve notes, checks and drafts payable upon presentation or other items, or maturing notes and bills: Provided, Such nonmember bank or trust company or other depository institution maintains with the Federal reserve bank of its district a balance in such amount as the Board determines taking into account items in transit, services provided by the Federal Reserve bank, and other factors as the Board may deem appropriate: Provided further, That nothing in this or any other section of this Act shall be construed as prohibiting a member or nonmember bank or other depository institution from making reasonable charges, to be determined and regulated by the Board of Governors of the Federal Reserve System, but in no case to exceed 10 cents per $100 or fraction thereof, based on the total of checks and drafts presented at any one time, for collection or payment of checks and drafts and remission therefor by exchange or otherwise; but no such charges shall be made against the Federal reserve banks.

Upon the indorsement of any of its member banks, which shall be deemed a waiver of demand, notice and protest by such bank as to its own indorsement exclusively, any Federal reserve bank may discount notes, drafts, and bills of exchange arising out of actual commercial transactions; that is, notes, drafts, and bills of exchange issued or drawn for agricultural, industrial, or commercial purposes, or the proceeds of which have been used, or are to be used, for such purposes, the Board of Governors of the Federal Reserve System to have the right to determine or define the character of the paper thus eligible for discount, within the meaning of this Act. Nothing in this Act contained shall be construed to prohibit such notes, drafts, and bills of exchange, secured by staple agricultural products, or other goods, wares, or merchandise from being eligible for such discount, and the notes, drafts, and bills of exchange of factors issued as such making advances exclusively to producers of staple agricultural products in their raw state shall be eligible for such discount; but such definition shall not include notes, drafts, or bills covering merely investments or issued or drawn for the purpose of carrying or trading in stocks, bonds, or other investment securities, except bonds and notes of the Government of the United States. Notes, drafts, and bills admitted to discount under the terms of this paragraph must have a maturity at the time of discount of not more than 90 days, exclusive of grace.

(3)(A) In unusual and exigent circumstances that pose a threat to the financial stability of the United States, the Board of Governors of the Federal Reserve System, by the affirmative vote of not less than five members and by the affirmative vote of not less than nine presidents of the Federal reserve banks, may authorize any Federal reserve bank, during such periods as the said board may determine, at rates established in accordance with the provisions of sec-
tion 14, subdivision (d), of this Act, to discount for any financial institution participant in any program or facility with broad-based eligibility, notes, drafts, and bills of exchange when such notes, drafts, and bills of exchange are indorsed or otherwise secured to the satisfaction of the Federal Reserve bank: Provided, That before discounting any such note, draft, or bill of exchange, the Federal reserve bank shall obtain evidence that such financial institution participant in any program or facility with broad-based eligibility is unable to secure adequate credit accommodations from other banking institutions. All such discounts for any financial institution participant in any program or facility with broad-based eligibility shall be subject to such limitations, restrictions, and regulations as the Board of Governors of the Federal Reserve System may prescribe.

(B)(i) As soon as is practicable after the date of enactment of this subparagraph, the Board shall establish, by regulation, in consultation with the Secretary of the Treasury, the policies and procedures governing emergency lending under this paragraph. Such policies and procedures shall be designed to ensure that any emergency lending program or facility is for the purpose of providing liquidity to the financial system, and not to aid a failing financial company, and that the security for emergency loans is sufficient to protect taxpayers from losses and that any such program is terminated in a timely and orderly fashion. The policies and procedures established by the Board shall require that a Federal reserve bank assign, consistent with sound risk management practices and to ensure protection for the taxpayer, a lendable value to all collateral for a loan executed by a Federal reserve bank under this paragraph in determining whether the loan is secured satisfactorily for purposes of this paragraph. Federal reserve banks may not accept equity securities issued by the recipient of any loan or other financial assistance under this paragraph as collateral. Not later than 6 months after the date of enactment of this sentence, the Board shall, by rule, establish—

(I) a method for determining the sufficiency of the collateral required under this paragraph;
(II) acceptable classes of collateral;
(III) the amount of any discount of such value that the Federal reserve banks will apply for purposes of calculating the sufficiency of collateral under this paragraph; and
(IV) a method for obtaining independent appraisals of the value of collateral the Federal reserve banks receive.

(ii) The Board shall establish procedures to prohibit borrowing from programs and facilities by borrowers that are insolvent. A borrower shall not be eligible to borrow from any emergency lending program or facility unless the Board and all federal banking regulators with jurisdiction over the borrower certify that, at the time the borrower initially borrows under the program or facility, the borrower is not insolvent. Such procedures may include a certification from the chief executive officer (or other authorized officer) of the borrower, at the time the borrower initially
borrows under the program or facility (with a duty by the borrower to update the certification if the information in the certification materially changes), that the borrower is not insolvent. A borrower shall be considered insolvent for purposes of this subparagraph, if the borrower is in bankruptcy, resolution under title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or is subject to resolution under any other Federal or State insolvency proceeding.

(iii) A program or facility that is structured to remove assets from the balance sheet of a single and specific company, or that is established for the purpose of assisting a single and specific company avoid bankruptcy, resolution under title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or resolution under any other Federal or State insolvency proceeding, shall not be considered a program or facility with broad-based eligibility.

(iv) The Board may not establish any program or facility under this paragraph without the prior approval of the Secretary of the Treasury.

(C) The Board shall provide to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives—

(i) not later than 7 days after the Board authorizes any loan or other financial assistance under this paragraph, a report that includes—

(I) the justification for the exercise of authority to provide such assistance;

(II) the identity of the recipients of such assistance;

(III) the date and amount of the assistance, and form in which the assistance was provided; and

(IV) the material terms of the assistance, including—

(aa) duration;

(bb) collateral pledged and the value thereof;

(cc) all interest, fees, and other revenue or items of value to be received in exchange for the assistance;

(dd) any requirements imposed on the recipient with respect to employee compensation, distribution of dividends, or any other corporate decision in exchange for the assistance; and

(ee) the expected costs to the taxpayers of such assistance; and

(ii) once every 30 days, with respect to any outstanding loan or other financial assistance under this paragraph, written updates on—

(I) the value of collateral;

(II) the amount of interest, fees, and other revenue or items of value received in exchange for the assistance; and

(III) the expected or final cost to the taxpayers of such assistance.
(D) The information required to be submitted to Congress under subparagraph (C) related to—
(i) the identity of the financial institution participants in an emergency lending program or facility commenced under this paragraph;
(ii) the amounts borrowed by each financial institution participant in any such program or facility;
(iii) identifying details concerning the assets or collateral held by, under, or in connection with such a program or facility,
shall be kept confidential, upon the written request of the Chairman of the Board, in which case such information shall be made available only to the Chairpersons or Ranking Members of the Committees described in subparagraph (C).

(E) If an entity to which a Federal reserve bank has provided a loan under this paragraph becomes a covered financial company, as defined in section 201 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, at any time while such loan is outstanding, and the Federal reserve bank incurs a realized net loss on the loan, then the Federal reserve bank shall have a claim equal to the amount of the net realized loss against the covered entity, with the same priority as an obligation to the Secretary of the Treasury under section 210(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

(E) PENALTY RATE.—
(i) IN GENERAL.—Not later than 6 months after the date of enactment of this subparagraph, the Board shall, with respect to a recipient of any loan or other financial assistance under this paragraph, establish by rule a minimum interest rate on the principal amount of any loan or other financial assistance.

(ii) MINIMUM INTEREST RATE DEFINED.—In this subparagraph, the term “minimum interest rate” shall mean the sum of—
(I) the average of the secondary discount rate of all Federal Reserve banks over the most recent 90-day period; and
(II) the average of the difference between a distressed corporate bond yield index (as defined by rule of the Board) and a bond yield index of debt issued by the United States (as defined by rule of the Board) over the most recent 90-day period.

(F) FINANCIAL INSTITUTION PARTICIPANT DEFINED.—For purposes of this paragraph, the term “financial institution participant”—
(i) means a company that is predominantly engaged in financial activities (as defined in section 102(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (12 U.S.C. 5311(a))); and
(ii) does not include an agency described in subparagraph (W) of section 5312(a)(2) of title 31, United States Code, or an entity controlled or sponsored by such an agency.
Upon the indorsement of any of its member banks, which shall be deemed a waiver of demand, notice, and protest by such bank as to its own indorsement exclusively, and subject to regulations and limitations to be prescribed by the Board of Governors of the Federal Reserve System, any Federal reserve bank may discount or purchase bills of exchange payable at sight or on demand which grow out of the domestic shipment or the exportation of nonperishable, readily marketable agricultural and other staples and are secured by bills of lading or other shipping documents conveying or securing title to such staples: Provided, That all such bills of exchange shall be forwarded promptly for collection, and demand for payment shall be made with reasonable promptness after the arrival of such staples at their destination: Provided further, That no such bill shall in any event be held by or for the account of a Federal reserve bank for a period in excess of ninety days. In discounting such bills Federal reserve banks may compute the interest to be deducted on the basis of the estimated life of each bill and adjust the discount after payment of such bills to conform to the actual life thereof.

The aggregate of notes, drafts, and bills upon which any person, copartnership, association, or corporation is liable as maker, acceptor, indorser, drawer, or guarantor, rediscounted for any member bank, shall at no time exceed the amount for which such person, copartnership, association, or corporation may lawfully become liable to a national banking association under the terms of section 5200 of the Revised Statutes, as amended: Provided, however, That nothing in this paragraph shall be construed to change the character or class of paper now eligible for rediscount by Federal reserve banks.

Any Federal reserve bank may discount acceptances of the kinds hereinafter described, which have a maturity at the time of discount of not more than 90 days' sight, exclusive of days of grace, and which are indorsed by at least one member bank: Provided, That such acceptances if drawn for an agricultural purpose and secured at the time of acceptance by warehouse receipts or other such documents conveying or securing title covering readily marketable staples may be discounted with a maturity at the time of discount of not more than six months' sight exclusive of days of grace.

(7)(A) Any member bank and any Federal or State branch or agency of a foreign bank subject to reserve requirements under section 7 of the International Banking Act of 1978 (hereinafter in this paragraph referred to as “institutions”), may accept drafts or bills of exchange drawn upon it having not more than six months' sight to run, exclusive of days of grace—

(i) which grow out of transactions involving the importation or exportation of goods;
(ii) which grow out of transactions involving the domestic shipment of goods; or
(iii) which are secured at the time of acceptance by a warehouse receipt or other such document conveying or securing title covering readily marketable staples.

(B) Except as provided in subparagraph (C), no institution shall accept such bills, or be obligated for a participation share in such bills, in an amount equal at any time in the aggregate to more than 150 per centum of its paid up and unimpaired capital stock
and surplus or, in the case of a United States branch or agency of a foreign bank, its dollar equivalent as determined by the Board under subparagraph (H).

(C) The Board, under such conditions as it may prescribe, may authorize, by regulation or order, any institution to accept such bills, or be obligated for a participation share in such bills, in an amount not exceeding at any time in the aggregate 200 per centum of its paid up and unimpaired capital stock and surplus or, in the case of a United States branch or agency of a foreign bank, its dollar equivalent as determined by the Board under subparagraph (H).

(D) Notwithstanding subparagraphs (B) and (C), with respect to any institution, the aggregate acceptances, including obligations for a participation share in such acceptances, growing out of domestic transactions shall not exceed 50 per centum of the aggregate of all acceptances, including obligations for a participation share in such acceptances, authorized for such institution under this paragraph.

(E) No institution shall accept bills, or be obligated for a participation share in such bills, whether in a foreign or domestic transaction, for any one person, partnership, corporation, association or other entity in an amount equal at any time in the aggregate to more than 10 per centum of its paid up and unimpaired capital stock and surplus, or, in the case of a United States branch or agency of a foreign bank, its dollar equivalent as determined by the Board under subparagraph (H), unless the institution is secured either by attached documents or by some other actual security growing out of the same transaction as the acceptance.

(F) With respect to an institution which issues an acceptance, the limitations contained in this paragraph shall not apply to that portion of an acceptance which is issued by such institution and which is covered by a participation agreement sold to another institution.

(G) In order to carry out the purposes of this paragraph, the Board may define any of the terms used in this paragraph, and, with respect to institutions which do not have capital or capital stock, the Board shall define an equivalent measure to which the limitations contained in this paragraph shall apply.

(H) Any limitation or restriction in this paragraph based on paid-up and unimpaired capital stock and surplus of an institution shall be deemed to refer, with respect to a United States branch or agency of a foreign bank, to the dollar equivalent of the paid-up capital stock and surplus of the foreign bank, as determined by the Board, and if the foreign bank has more than one United States branch or agency, the business transacted by all such branches and agencies shall be aggregated in determining compliance with the limitation or restriction.

Any Federal reserve bank may make advances for periods not exceeding fifteen days to its member banks on their promissory notes secured by the deposit or pledge of bonds, notes, certificates of indebtedness or Treasury bills of the United States, or by the deposit or pledge of debentures or other such obligations of Federal intermediate credit banks which are eligible for purchase by Federal reserve banks under section 13 (a) of this Act, or by the deposit or pledge of bonds issued under the provisions of subsection (c) of section 4 of the Home Owners’ Loan Act of 1933, as amended; and any Federal reserve bank may make advances for periods not exceeding
ninety days to its member banks on their promissory notes secured by such notes, drafts, bills of exchange, or bankers’ acceptances as are eligible for rediscount or for purchase by Federal reserve banks under the provisions of this Act, or secured by such obligations as are eligible for purchase under section 14(b) of this Act. All such advances shall be made at rates to be established by such Federal reserve banks, such rates to be subject to the review and determination of the Board of Governors of the Federal Reserve System. If any member bank to which any such advance has been made shall, during the life or continuance of such advance, and despite an official warning of the reserve bank of the district or of the Board of Governors of the Federal Reserve System to the contrary, increase its outstanding loans secured by collateral in the form of stocks, bonds, debentures, or other such obligations, or loans made to members of any organized stock exchange, investment house, or dealer in securities, upon any obligation, note, or bill, secured or unsecured, for the purpose of purchasing and/or carrying stocks, bonds, or other investment securities (except obligations of the United States) such advance shall be deemed immediately due and payable, and such member bank shall be ineligible as a borrower at the reserve bank of the district under the provisions of this paragraph for such period as the Board of Governors of the Federal Reserve System shall determine: Provided, That no temporary carrying or clearance loans made solely for the purpose of facilitating the purchase or delivery of securities offered for public subscription shall be included in the loans referred to in this paragraph.

The discount and rediscount and the purchase and sale by any Federal reserve bank of any bills receivable and of domestic and foreign bills of exchange, and of acceptances authorized by this Act, shall be subject to such restrictions, limitations, and regulations as may be imposed by the Board of Governors of the Federal Reserve System. (Omitted from U.S. Code)

Any member bank may accept drafts or bills of exchange drawn upon it having not more than three months’ sight to run, exclusive of days of grace, drawn under regulations to be prescribed by the Board of Governors of the Federal Reserve System by banks or
bankers in foreign countries or dependencies or insular possessions of the United States for the purpose of furnishing dollar exchange as required by the usages of trade in the respective countries, dependencies, or insular possessions. Such drafts or bills may be acquired by Federal reserve banks in such amounts and subject to such regulations, restrictions, and limitations as may be prescribed by the Board of Governors of the Federal Reserve System: Provided, however, That no member bank shall accept such drafts or bills of exchange referred to this paragraph for any one bank to an amount exceeding in the aggregate ten per centum of the paid-up and unimpaired capital and surplus of the accepting bank unless the draft or bill of exchange is accompanied by documents conveying or securing title or by some other adequate security: Provided further, That no member bank shall accept such drafts or bills in an amount exceeding at any time the aggregate of one-half of its paid-up and unimpaired capital and surplus. (Omitted from U.S. Code)

Subject to such limitations, restrictions and regulations as the Board of Governors of the Federal Reserve System may prescribe, any Federal reserve bank may make advances to any individual, partnership or corporation on the promissory notes of such individual, partnership or corporation secured by direct obligations of the United States or by any obligation which is a direct obligation of, or fully guaranteed as to principal and interest by, any agency of the United States. Such advances shall be made for periods not exceeding 90 days and shall bear interest at rates fixed from time to time by the Federal reserve bank, subject to the review and determination of the Board of Governors of the Federal Reserve System.

Subject to such restrictions, limitations, and regulations as may be imposed by the Board of Governors of the Federal Reserve System, each Federal Reserve bank may receive deposits from, discount paper endorsed by, and make advances to any branch or agency of a foreign bank in the same manner and to the same extent that it may exercise such powers with respect to a member bank if such branch or agency is maintaining reserves with such Reserve bank pursuant to section 7 of the International Banking Act of 1978. In exercising any such powers with respect to any such branch or agency, each Federal Reserve bank shall give due regard to account balances being maintained by such branch or agency with such Reserve bank and the proportion of the assets of such branch or agency being held as reserves under section 7 of the International Banking Act of 1978. For the purposes of this paragraph, the terms “branch,” “agency,” and “foreign bank” shall have the same meanings assigned to them in section 1 of the International Banking Act of 1978.

SEC. 19. (a) The Board is authorized for the purposes of this section to define the terms used in this section, to determine what shall be deemed a payment of interest, to determine what types of obligations, whether issued directly by a member bank or indirectly by an affiliate of a member bank or by other means, and regardless of the use of the proceeds, shall be deemed a deposit, and to prescribe such regulations as it may deem necessary to effectuate the purposes of this section and to prevent evasions thereof.
(b) **Reserve Requirements.**—

(1) **Definitions.**—The following definitions and rules apply to this subsection, subsection (c), section 11A, the first paragraph of section 13, and the second, thirteenth, and fourteenth paragraphs of section 16:

(A) The term “depository institution” means—

(i) any insured bank as defined in section 3 of the Federal Deposit Insurance Act or any bank which is eligible to make application to become an insured bank under section 5 of such Act;

(ii) any mutual savings bank as defined in section 3 of the Federal Deposit Insurance Act or any bank which is eligible to make application to become an insured bank under section 5 of such Act;

(iii) any savings bank as defined in section 3 of the Federal Deposit Insurance Act or any bank which is eligible to make application to become an insured bank under section 5 of such Act;

(iv) any insured credit union as defined in section 101 of the Federal Credit Union Act or any credit union which is eligible to make application to become an insured credit union pursuant to section 201 of such Act;

(v) any member as defined in section 2 of the Federal Home Loan Bank Act;

(vi) any savings association (as defined in section 3 of the Federal Deposit Insurance Act) which is an insured depository institution (as defined in such Act) or is eligible to apply to become an insured depository institution under the Federal Deposit Insurance Act; and

(vii) for the purpose of section 13 and the fourteenth paragraph of section 16, any association or entity which is wholly owned by or which consists only of institutions referred to in clauses (i) through (vi).

(B) The term “bank” means any insured or noninsured bank, as defined in section 3 of the Federal Deposit Insurance Act, other than a mutual savings bank or a savings bank as defined in such section.

(C) The term “transaction account” means a deposit or account on which the depositor or account holder is permitted to make withdrawals by negotiable or transferable instrument, payment orders of withdrawal, telephone transfers, or other similar items for the purpose of making payments or transfers to third persons or others. Such term includes demand deposits, negotiable order of withdrawal accounts, savings deposits subject to automatic transfers, and share draft accounts.

(D) The term “nonpersonal time deposits” means a transferable time deposit or account or a time deposit or account representing funds deposited to the credit of, or in which any beneficial interest is held by, a depositor who is not a natural person.

(E) The term “reservable liabilities” means transaction accounts, nonpersonal time deposits, and all net balances,
(F) In order to prevent evasions of the reserve requirements imposed by this subsection, after consultation with the Board of Directors of the Federal Deposit Insurance Corporation, the Comptroller of the Currency, and the National Credit Union Administration Board, the Board of Governors of the Federal Reserve System is authorized to determine, by regulation or order, that an account or deposit is a transaction account if such account or deposit may be used to provide funds directly or indirectly for the purpose of making payments or transfers to third persons or others.

(2) RESERVE REQUIREMENTS.—(A) Each depository institution shall maintain reserves against its transaction accounts as the Board may prescribe by regulation solely for the purpose of implementing monetary policy—

(i) in a ratio of not greater than 3 percent (and which may be zero) for that portion of its total transaction accounts of $25,000,000 or less, subject to subparagraph (C);

and

(ii) in the ratio of 12 per centum, or in such other ratio as the Board may prescribe not greater than 14 per centum (and which may be zero), for that portion of its total transaction accounts in excess of $25,000,000, subject to subparagraph (C).

(B) Each depository institution shall maintain reserves against its nonpersonal time deposits in the ratio of 3 per centum, or in such other ratio not greater than 9 per centum and not less than zero per centum as the Board may prescribe by regulation solely for the purpose of implementing monetary policy.

(C) Beginning in 1981, not later than December 31 of each year the Board shall issue a regulation increasing for the next succeeding calendar year the dollar amount which is contained in subparagraph (A) or which was last determined pursuant to this subparagraph for the purpose of such subparagraph, by an amount obtained by multiplying such dollar amount by 80 per centum of the percentage increase in the total transaction accounts of all depository institutions. The increase in such transaction accounts shall be determined by subtracting the amount of such accounts on June 30 of the preceding calendar year from the amount of such accounts on June 30 of the calendar year involved. In the case of any such 12-month period in which there has been a decrease in the total transaction accounts of all depository institutions, the Board shall issue such a regulation decreasing for the next succeeding calendar year such dollar amount by an amount obtained by multiplying such dollar amount by 80 per centum of the percentage decrease in the total transaction accounts of all depository institutions. The decrease in such transaction accounts shall be determined by subtracting the amount of such accounts on June 30 of the calendar year involved from the amount of such accounts on June 30 of the previous calendar year.
(D) Any reserve requirement imposed under this subsection shall be uniformly applied to all transaction accounts at all depository institutions. Reserve requirements imposed under this subsection shall be uniformly applied to nonpersonal time deposits at all depository institutions, except that such requirements may vary by the maturity of such deposits.

(3) WAIVER OF RATIO LIMITS IN EXTRAORDINARY CIRCUMSTANCES.—Upon a finding by at least 5 members of the Board that extraordinary circumstances require such action, the Board, after consultation with the appropriate committees of the Congress, may impose, with respect to any liability of depository institutions, reserve requirements outside the limitations as to ratios and as to types of liabilities otherwise prescribed by paragraph (2) for a period not exceeding 180 days, and for further periods not exceeding 180 days each by affirmative action by at least 5 members of the Board in each instance. The Board shall promptly transmit to the Congress a report of any exercise of its authority under this paragraph and the reasons for such exercise of authority.

(4) SUPPLEMENTAL RESERVES.—(A) The Board may, upon the affirmative vote of not less than 5 members, impose a supplemental reserve requirement on every depository institution of not more than 4 per centum of its total transaction accounts. Such supplemental reserve requirement may be imposed only if—

(i) the sole purpose of such requirement is to increase the amount of reserves maintained to a level essential for the conduct of monetary policy;

(ii) such requirement is not imposed for the purpose of reducing the cost burdens resulting from the imposition of the reserve requirements pursuant to paragraph (2);

(iii) such requirement is not imposed for the purpose of increasing the amount of balances needed for clearing purposes; and

(iv) on the date on which the supplemental reserve requirement is imposed, except as provided in paragraph (11), the total amount of reserves required pursuant to paragraph (2) is not less than the amount of reserves that would be required if the initial ratios specified in paragraph (2) were in effect.

(B) The Board may require the supplemental reserve authorized under subparagraph (A) only after consultation with the Board of Directors of the Federal Deposit Insurance Corporation, the Comptroller of the Currency, and the National Credit Union Administration Board. The Board shall promptly transmit to the Congress a report with respect to any exercise of its authority to require supplemental reserves under subparagraph (A) and such report shall state the basis for the determination to exercise such authority.

(C) If a supplemental reserve under subparagraph (A) has been required of depository institutions for a period of one year or more, the Board shall review and determine the need for continued maintenance of supplemental reserves and shall transmit annual reports to the Congress regarding the need, if any, for continuing the supplemental reserve.
Any supplemental reserve imposed under subparagraph (A) shall terminate at the close of the first 90-day period after such requirement is imposed during which the average amount of reserves required under paragraph (2) are less than the amount of reserves which would be required during such period if the initial ratios specified in paragraph (2) were in effect.

(5) Reserves related to foreign obligations or assets.—Foreign branches, subsidiaries, and international banking facilities of nonmember depository institutions shall maintain reserves to the same extent required by the Board for foreign branches, subsidiaries, and international banking facilities of member banks. In addition to any reserves otherwise required to be maintained pursuant to this subsection, any depository institution shall maintain reserves in such ratios as the Board may prescribe against—

(A) net balances owed by domestic offices of such depository institution in the United States to its directly related foreign offices and to foreign offices of nonrelated depository institutions;

(B) loans to United States residents made by overseas offices of such depository institution if such depository institution has one or more offices in the United States; and

(C) assets (including participations) held by foreign offices of a depository institution in the United States which were acquired from its domestic offices.

(6) Exemption for certain deposits.—The requirements imposed under paragraph (2) shall not apply to deposits payable only outside the States of the United States and the District of Columbia, except that nothing in this subsection limits the authority of the Board to impose conditions and requirements on member banks under section 25 of this Act or the authority of the Board under section 7 of the International Banking Act of 1978.

(7) Discount and borrowing.—Any depository institution in which transaction accounts or nonpersonal time deposits are held shall be entitled to the same discount and borrowing privileges as member banks. In the administration of discount and borrowing privileges, the Board and the Federal Reserve banks shall take into consideration the special needs of savings and other depository institutions for access to discount and borrowing facilities consistent with their long-term asset portfolios and the sensitivity of such institutions to trends in the national money markets.

(8) Transitional adjustments.—

(A) Any depository institution required to maintain reserves under this subsection which was engaged in business on July 1, 1979, but was not a member of the Federal Reserve System on or after that date, shall maintain reserves against its deposits during the first twelve-month period following the effective date of this paragraph in amounts equal to one-eighth of those otherwise required by this subsection, during the second such twelve-month period in amounts equal to one-fourth of those otherwise required, during the third such twelve-month period in
amounts equal to three-eighths of those otherwise required, during the fourth twelve-month period in amounts equal to one-half of those otherwise required, and during the fifth twelve-month period in amounts equal to five-eighths of those otherwise required, during the sixth twelve-month period in amounts equal to three-fourths of those otherwise required, and during the seventh twelve-month period in amounts equal to seven-eighths of those otherwise required. This subparagraph does not apply to any category of deposits or accounts which are first authorized pursuant to Federal law in any State after April 1, 1980.

(B) With respect to any bank which was a member of the Federal Reserve System during the entire period beginning on July 1, 1979, and ending on the effective date of the Monetary Control Act of 1980, the amount of required reserves imposed pursuant to this subsection on and after the effective date of such Act that exceeds the amount of reserves which would have been required of such bank if the reserve ratios in effect during the reserve computation period immediately preceding such effective date were applied may, at the discretion of the Board and in accordance with such rules and regulations as it may adopt, be reduced by 75 per centum during the first year which begins after such effective date, 50 per centum during the second year, and 25 per centum during the third year.

(C)(i) With respect to any bank which is a member of the Federal Reserve System on the effective date of the Monetary Control Act of 1980, the amount of reserves which would have been required of such bank if the reserve ratios in effect during the reserve computation period immediately preceding such effective date were applied that exceeds the amount of required reserves imposed pursuant to this subsection shall, in accordance with such rules and regulations as the Board may adopt, be reduced by 25 per centum during the first year which begins after such effective date, 50 per centum during the second year, and 75 per centum during the third year.

(ii) If a bank becomes a member bank during the four-year period beginning on the effective date of the Monetary Control Act of 1980, and if the amount of reserves which would have been required of such bank, determined as if the reserve ratios in effect during the reserve computation period immediately preceding such effective date were applied, and as if such bank had been a member during such period, exceeds the amount of reserves required pursuant to this subsection, the amount of reserves required to be maintained by such bank beginning on the date on which such bank becomes a member of the Federal Reserve System shall be the amount of reserves which would have been required of such bank if it had been a member on the day before such effective date, except that the amount of such excess shall, in accordance with such rules and regulations as the Board may adopt, be reduced by 25 per centum during the first year which begins after such effective date.
date, 50 per centum during the second year, and 75 per centum during the third year.

(D)(i) Any bank which was a member bank on July 1, 1979, and which withdrew from membership in the Federal Reserve System during the period beginning on July 1, 1979, and ending on March 31, 1980, shall maintain reserves during the first twelve-month period beginning on the date of enactment of this clause in amounts equal to one-half of those otherwise required by this subsection, during the second such twelve-month period in amounts equal to two-thirds of those otherwise required, and during the third such twelve-month period in amounts equal to five-sixths of those otherwise required.

(ii) Any bank which withdraws from membership in the Federal Reserve System on or after the date of enactment of the Depository Institutions Deregulation and Monetary Control Act of 1980 shall maintain reserves in the same amount as member banks are required to maintain under this subsection, pursuant to subparagraphs (B) and (C)(i).

(E) This subparagraph applies to any depository institution that, on August 1, 1978, (i) was engaged in business as a depository institution in a State outside the continental limits of the United States, and (ii) was not a member of the Federal Reserve System at any time on or after such date. Such a depository institution shall not be required to maintain reserves against such deposits held or maintained at its offices located in a State outside the continental limits of the United States until the first day of the sixth calendar year which begins after the effective date of the Monetary Control Act of 1980. Such a depository institution shall maintain reserves against such deposits during the sixth calendar year which begins after such effective date in an amount equal to one-eighth of that otherwise required by paragraph (2), during the seventh such year in an amount equal to one-fourth of that otherwise required, during the eighth such year in an amount equal to three-eighths of that otherwise required, during the ninth such year in an amount equal to five-eighths of that otherwise required, during the tenth such year in an amount equal to three-quarters of that otherwise required, and during the eleventh such year in an amount equal to seven-eighths of that otherwise required.

(9) EXEMPTION.—This subsection shall not apply with respect to any financial institution which—
(A) is organized solely to do business with other financial institutions;
(B) is owned primarily by the financial institutions with which it does business; and
(C) does not do business with the general public.

(10) WAIVERS.—In individual cases, where a Federal supervisory authority waives a liquidity requirement, or waives the penalty for failing to satisfy a liquidity requirement, the Board shall waive the reserve requirement, or waive the penalty for
failing to satisfy a reserve requirement, imposed pursuant to this subsection for the depository institution involved when requested by the Federal supervisory authority involved.

(11) ADDITIONAL EXEMPTIONS.—(A)(i) Notwithstanding the reserve requirement ratios established under paragraphs (2) and (5) of this subsection, a reserve ratio of zero per centum shall apply to any combination of reservable liabilities, which do not exceed $2,000,000 (as adjusted under subparagraph (B)), of each depository institution.

(ii) Each depository institution may designate, in accordance with such rules and regulations as the Board shall prescribe, the types and amounts of reservable liabilities to which the reserve ratio of zero per centum shall apply, except that transaction accounts which are designated to be subject to a reserve ratio of zero per cent shall be accounts which would otherwise be subject to a reserve ratio of 3 per centum under paragraph (2).

(iii) The Board shall minimize the reporting necessary to determine whether depository institutions have total reservable liabilities of less than $2,000,000 (as adjusted under subparagraph (B)). Consistent with the Board’s responsibility to monitor and control monetary and credit aggregates, depository institutions which have reserve requirements under this subsection equal to zero per cent shall be subject to less overall reporting requirements than depository institutions which have a reserve requirement under this subsection that exceeds zero per centum.

(B)(i) Beginning in 1982, not later than December 31 of each year, the Board shall issue a regulation increasing for the next succeeding calendar year the dollar amount specified in subparagraph (A), as previously adjusted under this subparagraph, by an amount obtained by multiplying such dollar amount by 80 per centum of the percentage increase in the total reservable liabilities of all depository institutions.

(ii) The increase in total reservable liabilities shall be determined by subtracting the amount of total reservable liabilities on June 30 of the preceding calendar year from the amount of total reservable liabilities on June 30 of the calendar year involved. In the case of any such twelve-month period in which there has been a decrease in the total reservable liabilities of all depository institutions, no adjustment shall be made. A decrease in total reservable liabilities shall be determined by subtracting the amount of total reservable liabilities on June 30 of the calendar year involved from the amount of total reservable liabilities on June 30 of the previous calendar year.

(12) EARNINGS ON BALANCES.—

(A) IN GENERAL.—Balances maintained at a Federal Reserve bank by or on behalf of a depository institution may receive earnings to be paid by the Federal Reserve bank at least once each calendar quarter, at a rate or rates established by the Federal Open Market Committee not to exceed the general level of short-term interest rates.

(B) REGULATIONS RELATING TO PAYMENTS AND DISTRIBUTIONS.—The Board may prescribe regulations concerning—
(i) the payment of earnings in accordance with this paragraph;
(ii) the distribution of such earnings to the depository institutions which maintain balances at such banks, or on whose behalf such balances are maintained; and
(iii) the responsibilities of depository institutions, Federal Home Loan Banks, and the National Credit Union Administration Central Liquidity Facility with respect to the crediting and distribution of earnings attributable to balances maintained, in accordance with subsection (c)(1)(A), in a Federal Reserve bank by any such entity on behalf of depository institutions.

(C) DEPOSITORY INSTITUTIONS DEFINED.—For purposes of this paragraph, the term “depository institution”, in addition to the institutions described in paragraph (1)(A), includes any trust company, corporation organized under section 25A or having an agreement with the Board under section 25, or any branch or agency of a foreign bank (as defined in section 1(b) of the International Banking Act of 1978).

(c)(1) Reserves held by a depository institution to meet the requirements imposed pursuant to subsection (b) shall, subject to such rules and regulations as the Board shall prescribe, be in the form of—

(A) balances maintained for such purposes by such depository institution in the Federal Reserve bank of which it is a member or at which it maintains an account, except that (i) the Board may, by regulation or order, permit depository institutions to maintain all or a portion of their required reserves in the form of vault cash, except that any portion so permitted shall be identical for all depository institutions, and (ii) vault cash may be used to satisfy any supplemental reserve requirement imposed pursuant to subsection (b)(4), except that all such vault cash shall be excluded from any computation of earnings pursuant to subsection (b); and

(B) balances maintained by a depository institution in a depository institution which maintains required reserve balances at a Federal Reserve bank, in a Federal Home Loan Bank, or in the National Credit Union Administration Central Liquidity Facility, if such depository institution, Federal Home Loan Bank, or National Credit Union Administration Central Liquidity Facility maintains such funds in the form of balances in a Federal Reserve bank of which it is a member or at which it maintains an account. Balances received by a depository institution from a second depository institution and used to satisfy the reserve requirement imposed on such second depository institution by this section shall not be subject to the reserve requirements of this section imposed on such first depository institution, and shall not be subject to assessments or reserves imposed on such first depository institution pursuant to section 7 of the Federal Deposit Insurance Act (12 U.S.C. 1817), section 404 of the National Housing Act (12 U.S.C. 1727), or section 202 of the Federal Credit Union Act (12 U.S.C. 1782).
(2) The balances maintained to meet the reserve requirements of subsection (b) by a depository institution in a Federal Reserve bank or passed through a Federal Home Loan Bank or the National Credit Union Administration Central Liquidity Facility or another depository institution to a Federal Reserve bank may be used to satisfy liquidity requirements which may be imposed under other provisions of Federal or State law.

(d) No member bank shall act as the medium or agent of any nonbanking corporation, partnership, association, business trust, or individual in making loans on the security of stocks, bonds, and other investment securities to brokers or dealers in stocks, bonds, and other investment securities. Every violation of this provision by any member bank shall be punishable by a fine of not more than $100 per day during the continuance of such violation; and such fine may be collected, by suit or otherwise, by the Federal reserve bank of the district in which such member bank is located.

(e) No member bank shall keep on deposit with any depository institution which is not authorized to have access to Federal Reserve advances under section 10(b) of this Act a sum in excess of 10 per centum of its own paid-up capital and surplus. No member bank shall act as the medium or agent of a nonmember bank in applying for or receiving discounts from a Federal reserve bank under the provisions of this Act, except by permission of the Board of Governors of the Federal Reserve System.

(f) The required balance carried by a member bank with a Federal reserve bank may, under the regulations and subject to such penalties as may be prescribed by the Board of Governors of the Federal Reserve System, be checked against and withdrawn by such member bank for the purpose of meeting existing liabilities.

(g) In estimating the reserve balances required by this Act, member banks may deduct from the amount of their gross demand deposits the amounts of balances due from other banks (except Federal Reserve banks and foreign banks) and cash items in process of collection payable immediately upon presentation in the United States, within the meaning of these terms as defined by the Board of Governors of the Federal Reserve System.

(h) National banks, or banks organized under local laws, located in a dependency or insular possession or any part of the United States outside the continental United States may remain nonmember banks, and shall in that event maintain reserves and comply with all the conditions now provided by law regulating them; or said banks may, with the consent of the Board of Governors of the Federal Reserve System, become member banks of any one of the reserve districts, and shall in that event take stock, maintain reserves, and be subject to all the other provisions of this Act.

(j) The Board may from time to time, after consulting with the Board of Directors of the Federal Deposit Insurance Corporation and the Director of the Office of Thrift Supervision, prescribe rules governing the payment and advertisement of interest on deposits, including limitations on the rates of interest which may be paid by member banks on time and savings deposits. The Board may prescribe different rate limitations for different classes of deposits, for deposits of different amounts or with different maturities or subject to different conditions regarding withdrawal or repayment, according to the nature or location of member banks or their depositors,
or according to such other reasonable bases as the Board may deem desirable in the public interest. No member bank shall pay any time deposit before its maturity except upon such conditions and in accordance with such rules and regulations as may be prescribed by the said Board, or waive any requirement of notice before payment of any savings deposit except as to all savings deposits having the same requirement: Provided, That the provisions of this paragraph shall not apply to any deposit which is payable only at an office of a member bank located outside of the States of the United States and the District of Columbia. During the period commencing on October 15, 1962, and ending on October 15, 1968, the provisions of this paragraph shall not apply to the rate of interest which may be paid by member banks on time deposits of foreign governments, monetary and financial authorities of foreign governments when acting as such, or international financial institutions of which the United States is a member.

(k) No member bank or affiliate thereof, or any successor or assignee of such member bank or affiliate or any endorser, guarantor, or surety of such member bank or affiliate may plead, raise, or claim directly or by counterclaim, setoff, or otherwise, with respect to any deposit or obligation of such member bank or affiliate, any defense, right, or benefit under any provision of a statute or constitution of a State or of a territory of the United States, or of any law of the District of Columbia, regulating or limiting the rate of interest which may be charged, taken, received, or reserved, and any such provision is hereby preempted, and no civil or criminal penalty which would otherwise be applicable under such provision shall apply to such member bank or affiliate or to any other person.

(l) CIVIL MONEY PENALTY.—

shall forfeit and pay a civil penalty in an amount not to exceed the applicable maximum amount determined under paragraph (4) for each day during which such violation, practice, or breach continues.

(4) MAXIMUM AMOUNTS OF PENALTIES FOR ANY VIOLATION DESCRIBED IN PARAGRAPH (3).—The maximum daily amount of any civil penalty which may be assessed pursuant to paragraph (3) for any violation, practice, or breach described in such paragraph is—

(6) HEARING.—The member bank or other person against whom any penalty is assessed under this subsection shall be afforded an agency hearing if such member bank or person submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) of the Federal Deposit Insurance Act shall apply to any proceeding under this subsection.

(3) The court shall commence the hearing on a motion under this subsection not later than 30 days after filing of the motion, and shall decide the motion not later than 15 days after commencement of such hearing, unless the movant expressly consents to a continuance for a specific period of time or compelling circumstances prevent the court from meeting the time limits established by this paragraph.

(4) For purposes of this subsection, the term "cause" includes—
   (A) substantial or continuing loss to or diminution of the estate and the absence of a reasonable likelihood of rehabilitation;

(c) The court may not convert a case under this chapter to a case under chapter 7 of this title if the debtor is a farmer or a corpora-
tion that is not a moneyed, business, or commercial corporation, unless the debtor requests such conversion.

(d) The court may convert a case under this chapter to a case under chapter 12 or 13 of this title only if—

(1) the debtor requests such conversion;
(2) the debtor has not been discharged under section 1141(d) of this title; and
(3) if the debtor requests conversion to chapter 12 of this title, such conversion is equitable.

(e) Except as provided in subsections (c) and (f), the court, on request of the United States trustee, may convert a case under this chapter to a case under chapter 7 of this title or may dismiss a case under this chapter, whichever is in the best interest of creditors and the estate if the debtor in a voluntary case fails to file, within fifteen days after the filing of the petition commencing such case or such additional time as the court may allow, the information required by paragraph (1) of section 521(a), including a list containing the names and addresses of the holders of the twenty largest unsecured claims (or of all unsecured claims if there are fewer than twenty unsecured claims), and the approximate dollar amounts of each of such claims.

(f) Notwithstanding any other provision of this section, a case may not be converted to a case under another chapter of this title unless the debtor may be a debtor under such chapter.

(3) the court finds, after notice and a hearing, that conversion is in the best interest of the creditors and the estate.

§ 1129. Confirmation of plan

(a) The court shall confirm a plan only if all of the following requirements are met:

(1) The plan complies with the applicable provisions of this title.
(2) The proponent of the plan complies with the applicable provisions of this title.
(3) The plan has been proposed in good faith and not by any means forbidden by law.
(4) Any payment made or to be made by the proponent, by the debtor, or by a person issuing securities or acquiring property under the plan, for services or for costs and expenses in or in connection with the case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the court as reasonable.

(5)(A)(i) The proponent of the plan has disclosed the identity and affiliations of any individual proposed to serve, after con-
firmation of the plan, as a director, officer, or voting trustee of the debtor, an affiliate of the debtor participating in a joint plan with the debtor, or a successor to the debtor under the plan; and

(ii) the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policy; and

(B) the proponent of the plan has disclosed the identity of any insider that will be employed or retained by the reorganized debtor, and the nature of any compensation for such insider.

(6) Any governmental regulatory commission with jurisdiction, after confirmation of the plan, over the rates of the debtor has approved any rate change provided for in the plan, or such rate change is expressly conditioned on such approval.

(7) With respect to each impaired class of claims or interests—

(A) each holder of a claim or interest of such class—

(i) has accepted the plan; or

(ii) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the debtor were liquidated under chapter 7 of this title on such date; or

(B) if section 1111(b)(2) of this title applies to the claims of such class, each holder of a claim of such class will receive or retain under the plan on account of such claim property of a value, as of the effective date of the plan, that is not less than the value of such holder’s interest in the estate’s interest in the property that secures such claims.

(8) With respect to each class of claims or interests—

(A) such class has accepted the plan; or

(B) such class is not impaired under the plan.

(9) Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that—

(A) with respect to a claim of a kind specified in section 507(a)(2) or 507(a)(3) of this title, on the effective date of the plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim;

(B) with respect to a class of claims of a kind specified in section 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7) of this title, each holder of a claim of such class will receive—

(i) if such class has accepted the plan, deferred cash payments of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or

(ii) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim;

(C) with respect to a claim of a kind specified in section 507(a)(8) of this title, the holder of such claim will receive
on account of such claim regular installment payments in cash—

(i) of a total value, as of the effective date of the plan, equal to the allowed amount of such claim;
(ii) over a period ending not later than 5 years after the date of the order for relief under section 301, 302, or 303; and
(iii) in a manner not less favorable than the most favored nonpriority unsecured claim provided for by the plan (other than cash payments made to a class of creditors under section 1122(b)); and
(D) with respect to a secured claim which would otherwise meet the description of an unsecured claim of a governmental unit under section 507(a)(8), but for the secured status of that claim, the holder of that claim will receive on account of that claim, cash payments, in the same manner and over the same period, as prescribed in subparagraph (C).

(10) If a class of claims is impaired under the plan, at least one class of claims that is impaired under the plan has accepted the plan, determined without including any acceptance of the plan by any insider.

(11) Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

(12) All fees payable under section 1930 of title 28, as determined by the court at the hearing on confirmation of the plan, have been paid or the plan provides for the payment of all such fees on the effective date of the plan.

(13) The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of this title, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114 of this title, at any time prior to confirmation of the plan, for the duration of the period the debtor has obligated itself to provide such benefits.

(14) If the debtor is required by a judicial or administrative order, or by statute, to pay a domestic support obligation, the debtor has paid all amounts payable under such order or such statute for such obligation that first become payable after the date of the filing of the petition.

(15) In a case in which the debtor is an individual and in which the holder of an allowed unsecured claim objects to the confirmation of the plan—

(A) the value, as of the effective date of the plan, of the property to be distributed under the plan on account of such claim is not less than the amount of such claim; or
(B) the value of the property to be distributed under the plan is not less than the projected disposable income of the debtor (as defined in section 1325(b)(2)) to be received during the 5-year period beginning on the date that the first payment is due under the plan, or during the period for which the plan provides payments, whichever is longer.
(16) All transfers of property under the plan shall be made in accordance with any applicable provisions of nonbankruptcy law that govern the transfer of property by a corporation or trust that is not a moneyed, business, or commercial corporation or trust.

(17) In a case under subchapter V, all payable fees, costs, and expenses of the special trustee have been paid or the plan provides for the payment of all such fees, costs, and expenses on the effective date of the plan.

(18) In a case under subchapter V, confirmation of the plan is not likely to cause serious adverse effects on financial stability in the United States.

(b)(1) Notwithstanding section 510(a) of this title, if all of the applicable requirements of subsection (a) of this section other than paragraph (8) are met with respect to a plan, the court, on request of the proponent of the plan, shall confirm the plan notwithstanding the requirements of such paragraph if the plan does not discriminate unfairly, and is fair and equitable, with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

(2) For the purpose of this subsection, the condition that a plan be fair and equitable with respect to a class includes the following requirements:

(A) With respect to a class of secured claims, the plan provides—

(i)(I) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the debtor or transferred to another entity, to the extent of the allowed amount of such claims; and

(II) that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the plan, of at least the value of such holder's interest in the estate's interest in such property;

(ii) for the sale, subject to section 363(k) of this title, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale, and the treatment of such liens on proceeds under clause (i) or (iii) of this subparagraph; or

(iii) for the realization by such holders of the indubitable equivalent of such claims.

(B) With respect to a class of unsecured claims—

(i) the plan provides that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or

(ii) the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or interest any property, except that in a case in which the debtor is an individual, the debtor may retain property included in the estate under section 1115, subject to the requirements of subsection (a)(14) of this section.
(C) With respect to a class of interests—

(i) the plan provides that each holder of an interest of such class receive or retain on account of such interest property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled, or the value of such interest; or

(ii) the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property.

(c) Notwithstanding subsections (a) and (b) of this section and except as provided in section 1127(b) of this title, the court may confirm only one plan, unless the order of confirmation in the case has been revoked under section 1144 of this title. If the requirements of subsections (a) and (b) of this section are met with respect to more than one plan, the court shall consider the preferences of creditors and equity security holders in determining which plan to confirm.

(d) Notwithstanding any other provision of this section, on request of a party in interest that is a governmental unit, the court may not confirm a plan if the principal purpose of the plan is the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933. In any hearing under this subsection, the governmental unit has the burden of proof on the issue of avoidance.

(e) In a small business case, the court shall confirm a plan that complies with the applicable provisions of this title and that is filed in accordance with section 1121(e) not later than 45 days after the plan is filed unless the time for confirmation is extended in accordance with section 1121(e)(3).

(1) the transfer under this section is necessary to prevent serious adverse effects on financial stability in the United States;
(2) the transfer does not provide for the assumption of any capital structure debt by the bridge company;
(3) the transfer does not provide for the transfer to the bridge company of any property of the estate that is subject to a lien securing a debt, executory contract, unexpired lease or agreement (including a qualified financial contract) of the debtor unless—

   (A)(i) the bridge company assumes such debt, executory contract, unexpired lease or agreement (including a qualified financial contract), including any claims arising in respect thereof that would not be allowed secured claims under section 506(a)(1) and after giving effect to such transfer, such property remains subject to the lien securing such debt, executory contract, unexpired lease or agreement (including a qualified financial contract); and

(4) the transfer does not provide for the assumption by the bridge company of any debt, executory contract, unexpired lease or agreement (including a qualified financial contract) of the

(9) the bridge company will have governing documents, and initial directors and senior officers, that are in the best interest of creditors and the estate.

(d) Immediately before a transfer under this section, the bridge company that is the recipient of the transfer shall—

(1) not have any property, executory contracts, unexpired leases, qualified financial contracts, or debts, other than any property acquired or executory contracts, unexpired leases, or debts assumed when acting as a transferee of a transfer under this section; and

(2) have equity securities that are property of the estate, which may be sold or distributed in accordance with this title.

§ 1186. Special trustee

(a)(1) An order approving a transfer under section 1185 shall require the trustee to transfer to a qualified and independent special trustee, who is appointed by the court, all of the equity securities in the bridge company that is the recipient of a transfer under section 1185 to hold in trust for the sole benefit of the estate, subject to satisfaction of the special trustee’s fees, costs, and expenses. The trust of which the special trustee is the trustee shall be a newly formed trust governed by a trust agreement approved by the court as in the best interests of the estate, and shall exist for the sole purpose of holding and administering, and shall be permitted to dispose of, the equity securities of the bridge company in accordance with the trust agreement.

(2) In connection with the hearing to approve a transfer under section 1185, the trustee shall confirm to the court that the Board has been consulted regarding the identity of the proposed special trustee and advise the court of the results of such consultation.

(b) The trust agreement governing the trust shall provide—

(ii) a material borrowing;
(iii) termination of an intercompany debt or guarantee;
(iv) a transfer of a substantial portion of the assets of the bridge company; or
(v) the issuance or sale of any securities of the bridge company;
(4) that any sale of any equity securities of the bridge company shall not be consummated until the special trustee consults with the Federal Deposit Insurance Corporation and the Board regarding such sale and discloses the results of such consultation with the court;

(6) the process and guidelines for the replacement of the special trustee; and
(7) that the property held in trust by the special trustee is subject to distribution in accordance with subsection (c).
(c)(1) The special trustee shall distribute the assets held in trust—
(A) if the court confirms a plan in the case, in accordance with the plan on the effective date of the plan; or
(B) if the case is converted to a case under chapter 7, as ordered by the court.
(2) As soon as practicable after a final distribution under paragraph (1), the office of the special trustee shall terminate, except as may be necessary to wind up and conclude the business and financial affairs of the trust.
(d) After a transfer to the special trustee under this section, the special trustee shall be subject only to applicable nonbankruptcy law, and the actions and conduct of the special trustee shall no longer be subject to approval by the court in the case under this subchapter.

§ 1187. Temporary and supplemental automatic stay; assumed debt

(a)(1) A petition filed under section 1183 operates as a stay, applicable to all entities, of the termination, acceleration, or modification of any debt, contract, lease, or agreement of the kind described in paragraph (2), or of any right or obligation under any such debt, contract, lease, or agreement, solely because of—
(A) a default by the debtor under any such debt, contract, lease, or agreement; or

(B) a provision in such debt, contract, lease, or agreement, or in applicable nonbankruptcy law, that is conditioned on—

(i) the insolvency or financial condition of the debtor at any time before the closing of the case;

(ii) the commencement of a case under this title concerning the debtor;

(iii) the appointment of or taking possession by a trustee in a case under this title concerning the debtor or by a custodian before the commencement of the case; or

(II) of an affiliate during the period from the commencement of the case until 48 hours after such order is entered;

(III) of the bridge company while the trustee or the special trustee is a direct or indirect beneficial holder of more than 50 percent of the equity securities of—

(bb) the affiliate, if all of the direct or indirect interests in the affiliate that are property of the estate are transferred under section 1185; or

(IV) of an affiliate while the trustee or the special trustee is a direct or indirect beneficial holder of more than 50 percent of the equity securities of—

(aa) the bridge company; or

(bb) the affiliate, if all of the direct or indirect interests in the affiliate that are property of the estate are transferred under section 1185.

(3) The stay under this subsection terminates—

(A) for the benefit of the debtor, upon the earliest of—

(i) 48 hours after the commencement of the case;

(ii) assumption of the debt, contract, lease, or agreement by the bridge company under an order authorizing a transfer under section 1185;

(iii) a final order of the court denying the request for a transfer under section 1185; or

(iv) the time the case is dismissed; and

(B) for the benefit of an affiliate, upon the earliest of—

(i) the entry of an order authorizing a transfer under section 1185 in which the direct or indirect interests in the af-
filiate that are property of the estate are not transferred under section 1185;
(ii) a final order by the court denying the request for a transfer under section 1185;
(iii) 48 hours after the commencement of the case if the court has not ordered a transfer under section 1185; or

(4) Subsections (d), (e), (f), and (g) of section 362 apply to a stay under this subsection.

(b) A debt, executory contract (other than a qualified financial contract), or unexpired lease of the debtor, or an agreement under which the debtor has issued or is obligated for any debt, may be assumed by a bridge company in a transfer under section 1185 notwithstanding any provision in an agreement or in applicable nonbankruptcy law that—
(1) prohibits, restricts, or conditions the assignment of the debt, contract, lease, or agreement; or
(2) accelerates, terminates, or modifies, or permits a party other than the debtor to terminate or modify, the debt, contract, lease, or agreement on account of—
(A) the assignment of the debt, contract, lease, or agreement; or
(B) a change in control of any party to the debt, contract, lease, or agreement.

(c)(1) A debt, contract, lease, or agreement of the kind described in subparagraph (A) or (B) of subsection (a)(2) may not be accelerated, terminated, or modified, and any right or obligation under such debt, contract, lease, or agreement may not be accelerated, terminated, or modified, as to the bridge company solely because of a provision in the debt, contract, lease, or agreement or in applicable nonbankruptcy law—
(A) of the kind described in subsection (a)(1)(B) as applied to the debtor;
(B) that prohibits, restricts, or conditions the assignment of the debt, contract, lease, or agreement; or
(C) that accelerates, terminates, or modifies, or permits a party other than the debtor to terminate or modify, the debt, contract, lease or agreement on account of—
(i) the assignment of the debt, contract, lease, or agreement; or
(ii) a change in control of any party to the debt, contract, lease, or agreement.

(2) If there is a default by the debtor under a provision other than the kind described in paragraph (1) in a debt, contract, lease or agreement of the kind described in subparagraph (A) or (B) of subsection (a)(2), the bridge company may assume such debt, contract, lease, or agreement only if the bridge company—

(3) under any security agreement or arrangement or other credit enhancement forming a part of or related to a qualified financial contract of the debtor or an affiliate.

(b)(1) During the period specified in section 1187(a)(3)(A), the trustee or the affiliate shall perform all payment and delivery obligations under such qualified financial contract of the debtor or the affiliate, as the case may be, that become due after the commencement of the case. The stay provided under subsection (a) terminates as to a qualified financial contract of the debtor or an affiliate immediately upon the failure of the trustee or the affiliate, as the case may be, to perform any such obligation during such period.

(2) Any failure by a counterparty to any qualified financial contract of the debtor or any affiliate to perform any payment or delivery obligation under such qualified financial contract, including during the pendency of the stay provided under subsection (a), shall constitute a breach of such qualified financial contract by the counterparty.

(c) Subject to the court's approval, a qualified financial contract between an entity and the debtor may be assigned to or assumed by the bridge company in a transfer under, and in accordance with, section 1185 if and only if—

(1) all qualified financial contracts between the entity and the debtor are assigned to and assumed by the bridge company in the transfer under section 1185;

(2) all claims of the entity against the debtor in respect of any qualified financial contract between the entity and the debtor (other than any claim that, under the terms of the qualified financial contract, is subordinated to the claims of general unsecured creditors) are assigned to and assumed by the bridge company;

(3) all claims of the debtor against the entity under any qualified financial contract between the entity and the debtor are assigned to and assumed by the bridge company; and

(4) all property securing or any other credit enhancement furnished by the debtor for any qualified financial contract described in paragraph (1) or any claim described in paragraph (2) or (3) under any qualified financial contract between the en-
tity and the debtor is assigned to and assumed by the bridge company.

(d) Notwithstanding any provision of a qualified financial contract or of applicable nonbankruptcy law, a qualified financial contract of the debtor that is assumed or assigned in a transfer under section 1185 may not be accelerated, terminated, or modified, after the entry of the order approving a transfer under section 1185, and any right or obligation under the qualified financial contract may not be accelerated, terminated, or modified, after the entry of the order approving a transfer under section 1185 solely because of a condition described in section 1187(c)(1), other than a condition of the kind specified in section 1187(b) that occurs after property of the estate no longer includes a direct beneficial interest or an indirect beneficial interest through the special trustee, in more than 50 percent of the equity securities of the bridge company.

(e) Notwithstanding any provision of any agreement or in applicable nonbankruptcy law, an agreement of an affiliate (including an executory contract, an unexpired lease, qualified financial contract, or an agreement under which the affiliate issued or is obligated for debt) and any right or obligation under such agreement may not be accelerated, terminated, or modified, solely because of a condition described in section 1187(c)(1), other than a condition of the kind specified in section 1187(b) that occurs after the bridge company is no longer a direct or indirect beneficial holder of more than 50 percent of the equity securities of the affiliate, at any time after the commencement of the case if—

(1) all direct or indirect interests in the affiliate that are property of the estate are transferred under section 1185 to the bridge company within the period specified in subsection (a);

(2) the bridge company assumes—

(A) any guarantee or other credit enhancement issued by the debtor relating to the agreement of the affiliate; and

(B) any obligations in respect of rights of setoff, netting arrangement, or debt of the debtor that directly arises out of or directly relates to the guarantee or credit enhancement; and

(3) any property of the estate that directly serves as collateral for the guarantee or credit enhancement is transferred to the bridge company.

§ 1189. Licenses, permits, and registrations

(a) Notwithstanding any otherwise applicable nonbankruptcy law, if a request is made under section 1185 for a transfer of property of the estate, any Federal, State, or local license, permit, or registration that the debtor or an affiliate had immediately before the commencement of the case and that is proposed to be transferred under section 1185 may not be accelerated, terminated, or modified at any time after the request solely on account of—

(1) the insolvency or financial condition of the debtor at any time before the closing of the case;

(2) the commencement of a case under this title concerning the debtor;

(3) the appointment of or taking possession by a trustee in a case under this title concerning the debtor or by a custodian before the commencement of the case; or
(4) a transfer under section 1185.

(b) Notwithstanding any otherwise applicable nonbankruptcy law, any Federal, State, or local license, permit, or registration that the debtor had immediately before the commencement of the case that is included in a transfer under section 1185 shall be valid and all rights and obligations thereunder shall vest in the bridge company.

§ 1190. Exemption from securities laws

For purposes of section 1145, a security of the bridge company shall be deemed to be a security of a successor to the debtor under a plan if the court approves the disclosure statement for the plan as providing adequate information (as defined in section 1125(a)) about the bridge company and the security.

§ 1191. Inapplicability of certain avoiding powers

A transfer made or an obligation incurred by the debtor to an affiliate prior to or after the commencement of the case, including any obligation released by the debtor or the estate to or for the benefit of an affiliate, in contemplation of or in connection with a transfer under section 1185 is not avoidable under section 544, 547, 548(a)(1)(B), or 549, or under any similar nonbankruptcy law.

§ 1192. Consideration of financial stability

The court may consider the effect that any decision in connection with this subchapter may have on financial stability in the United States.

PART IV—JURISDICTION AND VENUE

§ 1334. Bankruptcy cases and proceedings

(a) Except as provided in subsection (b) of this section, the district courts shall have original and exclusive jurisdiction of all cases under title 11.

(b) Except as provided in subsection (c)(2), and notwithstanding any Act of Congress that confers exclusive jurisdiction on a court or courts other than the district courts, the district courts shall have original but not exclusive jurisdiction of all civil proceedings arising under title 11, or arising in or related to cases under title 11.

(c)(1) Except with respect to a case under chapter 15 of title 11, nothing in this section prevents a district court in the interest of justice, or in the interest of comity with State courts or respect for State law, from abstaining from hearing a particular proceeding arising under title 11 or arising in or related to a case under title 11.

(2) Upon timely motion of a party in a proceeding based upon a State law claim or State law cause of action, related to a case under title 11 but not arising under title 11 or arising in a case under title 11, with respect to which an action could not have been commenced in a court of the United States absent jurisdiction under this section, the district court shall abstain from hearing such proceeding if an action is commenced, and can be timely adjudicated, in a State forum of appropriate jurisdiction.

(d) Any decision to abstain or not to abstain made under subsection (c) (other than a decision not to abstain in a proceeding described in subsection (c)(2)) is not reviewable by appeal or otherwise by the court of appeals under section 158(d), 1291, or 1292 of this title or by the Supreme Court of the United States under section 1254 of this title. Subsection (c) and this subsection shall not
be construed to limit the applicability of the stay provided for by section 362 of title 11, United States Code, as such section applies to an action affecting the property of the estate in bankruptcy.

(e) The district court in which a case under title 11 is commenced or is pending shall have exclusive jurisdiction—

(1) of all the property, wherever located, of the debtor as of the commencement of such case, and of property of the estate; and

(2) over all claims or causes of action that involve construction of section 327 of title 11, United States Code, or rules relating to disclosure requirements under section 327.

(f) This section does not grant jurisdiction to the district court after a transfer pursuant to an order under section 1185 of title 11 of any proceeding related to a special trustee appointed, or to a bridge company formed, in connection with a case under subchapter V of chapter 11 of title 11.
(B) to monitor the extent to which traditionally underserved communities and consumers, minorities (as such term is defined in section 1204(c) of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1811 note)), and low- and moderate-income persons have access to affordable insurance products regarding all lines of insurance, except health insurance;

(C) to recommend to the Financial Stability Oversight Council that it designate an insurer, including the affiliates of such insurer, as an entity subject to regulation as a nonbank financial company supervised by the Board of Governors pursuant to title I of the Dodd-Frank Wall Street Reform and Consumer Protection Act;

(D) to assist the Secretary in administering the Terrorism Insurance Program established in the Department of the Treasury under the Terrorism Risk Insurance Act of 2002 (15 U.S.C. 6701 note);

(E) to coordinate Federal efforts and develop Federal policy on prudential aspects of international insurance matters, including representing the United States, as appropriate, in the International Association of Insurance Supervisors (or a successor entity) and assisting the Secretary in negotiating covered agreements (as such term is defined in subsection (r));

(F) to determine, in accordance with subsection (f), whether State insurance measures are preempted by covered agreements;

(G) to consult with the States (including State insurance regulators) regarding insurance matters of national importance and prudential insurance matters of international importance; and

(2) ADVISORY FUNCTIONS.—The Office shall advise the Secretary on major domestic and prudential international insurance policy issues.

(3) ADVISORY CAPACITY ON COUNCIL.—The Director shall serve in an advisory capacity on the Financial Stability Oversight Council established under the Financial Stability Act of 2010.

(d) SCOPE.—The authority of the Office shall extend to all lines of insurance except—

(2) long-term care insurance, except long-term care insurance that is included with life or annuity insurance components, as determined by the Secretary in coordination with the Secretary of Health and Human Services, and in the case of long-term care insurance that is included with such components, the Secretary shall coordinate with the Secretary of Health and Human Services in performing the functions of the Office; and

(3) EXCEPTION FOR SMALL INSURERS.—Paragraph (2) shall not apply with respect to any insurer or affiliate thereof that meets a minimum size threshold that the Office may establish, whether by order or rule.

(4) ADVANCE COORDINATION.—Before collecting any data or information under paragraph (2) from an insurer, or affiliate of an insurer, the Office shall coordinate with each relevant Federal agency and State insurance regulator (or other relevant Federal or State regulatory agency, if any, in the case of an affiliate of an insurer) and any publicly available sources to determine if the information to be collected is available from, and may be obtained in a timely manner by, such Federal agency or State insurance regulator, individually or collectively, other regulatory agency, or publicly available sources. If the Director determines that such data or information is available, and may be obtained in a timely manner, by such an agency, regulator, or source, the Director shall obtain the data or information from such agency, regulator, or source. If the Director determines that such data or information is not so available, the Director may collect such data or information from an insurer (or affiliate) only if the Director complies with the requirements of subchapter I of chapter 35 of title 44, United States Code (relating to Federal information policy; commonly known as the Paperwork Reduction Act), in collecting such data or information. Notwithstanding any other provision of law, each such relevant Federal agency and State insurance regulator or other Federal or State regulatory agency is authorized to provide to the Office such data or information.

(5) CONFIDENTIALITY.—
(A) Retention of privilege.—The submission of any nonpublicly available data and information to the Office
under this subsection shall not constitute a waiver of, or otherwise affect, any privilege arising under Federal or State law (including the rules of any Federal or State court) to which the data or information is otherwise subject.

(B) CONTINUED APPLICATION OF PRIOR CONFIDENTIALITY AGREEMENTS.—Any requirement under Federal or State law to the extent otherwise applicable, or any requirement pursuant to a written agreement in effect between the original source of any nonpublicly available data or information and the source of such data or information to the Office, regarding the privacy or confidentiality of any data or information in the possession of the source to the Office, shall continue to apply to such data or information after the data or information has been provided pursuant to this subsection to the Office.

(C) INFORMATION-SHARING AGREEMENT.—Any data or information obtained by the Office may be made available to State insurance regulators, individually or collectively, through an information-sharing agreement that—

Subpoenas shall bear the signature of the Director and shall be served by any person or class of persons designated by the Director for that purpose. In the case of contumacy or failure to obey a subpoena, the subpoena shall be enforceable by order of any appropriate district court of the United States. Any failure to obey the order of the court may be punished by the court as a contempt of court.

(f) PREEMPTION OF STATE INSURANCE MEASURES.—

(1) STANDARD.—A State insurance measure shall be preempted pursuant to this section or section 314 if, and only to the extent that the Director determines, in accordance with this subsection, that the measure—

(A) results in less favorable treatment of a non-United States insurer domiciled in a foreign jurisdiction that is subject to a covered agreement than a United States insurer domiciled, licensed, or otherwise admitted in that State; and

(B) is inconsistent with a covered agreement.

(2) DETERMINATION.—
(A) NOTICE OF POTENTIAL INCONSISTENCY.—Before making any determination under paragraph (1), the Director shall—

(B) SCOPE OF REVIEW.—For purposes of this subsection, any determination of the Director regarding State insurance measures, and any preemption under paragraph (1) as a result of such determination, shall be limited to the subject matter contained within the covered agreement involved and shall achieve a level of protection for insurance or reinsurance consumers that is substantially equivalent to the level of protection achieved under State insurance or reinsurance regulation.

(C) NOTICE OF DETERMINATION OF INCONSISTENCY.—Upon making any determination under paragraph (1), the Director shall—

(h) Regulations, Policies, and Procedures.—The Secretary may issue orders, regulations, policies, and procedures to implement this section.

(i) Consultation.—The Director shall consult with State insurance regulators, individually or collectively, to the extent the Director determines appropriate, in carrying out the functions of the Office.

(B) any State coverage requirements for insurance;

(C) the application of the antitrust laws of any State to the business of insurance; or

(D) any State insurance measure governing the capital or solvency of an insurer, except to the extent that such State insurance measure results in less favorable treatment of a non-United State insurer than a United States insurer;

(2) be construed to alter, amend, or limit any provision of the Consumer Financial Protection Agency Act of 2010; or

(3) affect the preemption of any State insurance measure otherwise inconsistent with and preempted by Federal law.

(k) Retention of Existing State Regulatory Authority.—Nothing in this section or section 314 shall be construed to establish or provide the Office or the Department of the Treasury with general supervisory or regulatory authority over the business of insurance.

(l) Retention of Authority of Federal Financial Regulatory Agencies.—Nothing in this section or section 314 shall be construed to limit the authority of any Federal financial regulatory agency, including the authority to develop and coordinate policy, negotiate, and enter into agreements with foreign governments, authorities, regulators, and multinational regulatory committees and to preempt State measures to affect uniformity with international regulatory agreements.

(m) Retention of Authority of United States Trade Representative.—Nothing in this section or section 314 shall be construed to affect the authority of the Office of the United States Trade Representative pursuant to section 141 of the Trade Act of 1974 (19 U.S.C. 2171) or any other provision of law, including authority over the development and coordination of United States international trade policy and the administration of the United States trade agreements program.

NATIONAL SECURITIES EXCHANGES

SEC. 6. (a) An exchange may be registered as a national securities exchange under the terms and conditions hereinafter provided in this section and in accordance with the provisions of section 19(a) of this title, by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the rules of the exchange and such other information and documents as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(b) An exchange shall not be registered as a national securities exchange unless the Commission determines that—

(1) Such exchange is so organized and has the capacity to be able to carry out the purposes of this title and to comply, and (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) to enforce compliance by its members and persons associated with its members, with the provisions of this title, the rules and regulations thereunder, and the rules of the exchange.

(2) Subject to the provisions of subsection (c) of this section, the rules of the exchange provide that any registered broker or dealer or natural person associated with a registered broker or dealer may become a member of such exchange and any person may become associated with a member thereof.

(3) The rules of the exchange assure a fair representation of its members in the selection of its directors and administration of its affairs and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the exchange, broker, or dealer.

(4) The rules of the exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities.

(5) The rules of the exchange are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination between customers, issuers, brokers, or dealers, or to regulate by virtue of any authority conferred by this title matters not related to the purposes of this title or the administration of the exchange.

(6) The rules of the exchange provide that (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) its members and persons associated with its members shall be appropriately disciplined for violation of the provisions of this title, the rules or regulations thereunder,
or the rules of the exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction.

(7) The rules of the exchange are in accordance with the provisions of subsection (d) of this section, and in general, provide a fair procedure for the disciplining of members and persons associated with members, the denial of membership to any person seeking membership therein, the barring of any person from becoming associated with a member thereof, and the prohibition or limitation by the exchange of any person with respect to access to services offered by the exchange or a member thereof.

(8) The rules of the exchange do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(9)(A) The rules of the exchange prohibit the listing of any security issued in a limited partnership rollup transaction (as such term is defined in paragraphs (4) and (5) of section 14(h)), unless such transaction was conducted in accordance with procedures designed to protect the rights of limited partners, including—

(i) the right of dissenting limited partners to one of the following:

(I) an appraisal and compensation;

(II) retention of a security under substantially the same terms and conditions as the original issue;

(III) approval of the limited partnership rollup transaction by not less than 75 percent of the outstanding securities of each of the participating limited partnerships;

(IV) the use of a committee of limited partners that is independent, as determined in accordance with rules prescribed by the exchange, of the general partner or sponsor, that has been approved by a majority of the outstanding units of each of the participating limited partnerships, and that has such authority as is necessary to protect the interest of limited partners, including the authority to hire independent advisors, to negotiate with the general partner or sponsor on behalf of the limited partners, and to make a recommendation to the limited partners with respect to the proposed transaction; or

(V) other comparable rights that are prescribed by rule by the exchange and that are designed to protect dissenting limited partners;

(ii) the right not to have their voting power unfairly reduced or abridged;

(iii) the right not to bear an unfair portion of the costs of a proposed limited partnership rollup transaction that is rejected; and

(iv) restrictions on the conversion of contingent interests or fees into non-contingent interests or fees and restrictions on the receipt of a non-contingent equity interest in
exchange for fees for services which have not yet been pro-
vided.

(B) As used in this paragraph, the term “dissenting limited
partner” means a person who, on the date on which soliciting
material is mailed to investors, is a holder of a beneficial inter-
est in a limited partnership that is the subject of a limited
partnership rollup transaction, and who casts a vote against
the transaction and complies with procedures established by
the exchange, except that for purposes of an exchange or ten-
der offer, such person shall file an objection in writing under
the rules of the exchange during the period during which the
offer is outstanding.

(10)(A) The rules of the exchange prohibit any member that
is not the beneficial owner of a security registered under sec-
tion 12 from granting a proxy to vote the security in connection
with a shareholder vote described in subparagraph (B), unless
the beneficial owner of the security has instructed the member
to vote the proxy in accordance with the voting instructions of
the beneficial owner.

(B) A shareholder vote described in this subparagraph is a
shareholder vote with respect to the election of a member of
the board of directors of an issuer, executive compensation, or
any other significant matter, as determined by the Commiss-
ion, by rule, and does not include a vote with respect to the
uncontested election of a member of the board of directors of
any investment company registered under the Investment
Company Act of 1940 (15 U.S.C. 80b–1 et seq.).

(C) Nothing in this paragraph shall be construed to prohibit
a national securities exchange from prohibiting a member that
is not the beneficial owner of a security registered under sec-
tion 12 from granting a proxy to vote the security in connection
with a shareholder vote not described in subparagraph (A).

(c)(1) A national securities exchange shall deny membership to
(A) any person, other than a natural person, which is not a reg-
istered broker or dealer or (B) any natural person who is not, or
is not associated with, a registered broker or dealer.

(2) A national securities exchange may, and in cases in which the
Commission, by order, directs as necessary or appropriate in the
public interest or for the protection of investors shall, deny mem-
bership to any registered broker or dealer or natural person associ-
ated with a registered broker or dealer, and bar from becoming as-
associated with a member any person, who is subject to a statutory
disqualification. A national securities exchange shall file notice
with the Commission not less than thirty days prior to admitting
any person to membership or permitting any person to become as-
associated with a member, if the exchange knew, or in the exercise
of reasonable care should have known, that such person was sub-
ject to a statutory disqualification. The notice shall be in such form
and contain such information as the Commission, by rule, may pre-
scribe as necessary or appropriate in the public interest or for the
protection of investors.

(3)(A) A national securities exchange may deny membership to,
or condition the membership of, a registered broker or dealer if (i)
such broker or dealer does not meet such standards of financial re-
sponsibility or operational capability or such broker or dealer or
any natural person associated with such broker or dealer does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) such broker or dealer or person associated with such broker or dealer has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a member and the natural persons associated with such an applicant in accordance with procedures established by the rules of the exchange.

(B) A national securities exchange may bar a natural person from becoming a member or associated with a member, or condition the membership of a natural person or association of a natural person with a member, if such natural person (i) does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a person associated with a member in accordance with procedures established by the rules of the exchange and require any person associated with a member, or any class of such persons, to be registered with the exchange in accordance with procedures so established.

(C) A national securities exchange may bar any person from becoming associated with a member if such person does not agree (i) to supply the exchange with such information with respect to its relationship and dealings with the member as may be specified in the rules of the exchange and (ii) to permit the examination of its books and records to verify the accuracy of any information so supplied.

(4) A national securities exchange may limit (A) the number of members of the exchange and (B) the number of members and designated representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker: Provided, however, That no national securities exchange shall have the authority to decrease the number of memberships in such exchange, or the number of members and designated representatives of members permitted to effect transactions on the floor of such exchange without the services of another person acting as broker, below such number in effect on May 1, 1975, or the date such exchange was registered with the Commission, whichever is later: And provided further, That the Commission, in accordance with the provisions of section 19(c) of this title, may amend the rules of any national securities exchange to increase (but not to decrease) or to remove any limitation on the number of memberships in such exchange or the number of members or designated representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker, if the Commission finds that such limitation imposes a burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(d)(1) In any proceeding by a national securities exchange to determine whether a member or person associated with a member should be disciplined (other than a summary proceeding pursuant
to paragraph (3) of this subsection), the exchange shall bring specific charges, notify such member or person of, and give him an opportunity to defend against, such charges, and keep a record. A determination by the exchange to impose a disciplinary sanction shall be supported by a statement setting forth—

(A) any act or practice in which such member or person associated with a member has been found to have engaged, or which such member or person has been found to have omitted;

(B) the specific provision of this title, the rules or regulations thereunder, or the rules of the exchange which any such act or practice, or omission to act, is deemed to violate; and

(C) the sanction imposed and the reasons therefor.

(2) In any proceeding by a national securities exchange to determine whether a person shall be denied membership, barred from becoming associated with a member, or prohibited or limited with respect to access to services offered by the exchange or a member thereof (other than a summary proceeding pursuant to paragraph (3) of this subsection), the exchange shall notify such person of, and give him an opportunity to be heard upon, the specific grounds for denial, bar, or prohibition or limitation under consideration and keep a record. A determination by the exchange to deny membership, bar a person from becoming associated with a member, or prohibit or limit a person with respect to access to services offered by the exchange or a member thereof shall be supported by a statement setting forth the specific grounds on which the denial, bar, or prohibition or limitation is based.

(3) A national securities exchange may summarily (A) suspend a member or person associated with a member who has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a member of any self-regulatory organization, (B) suspend a member who is in such financial or operating difficulty that the exchange determines and so notifies the Commission that the member cannot be permitted to continue to do business as a member with safety to investors, creditors, other members, or the exchange, or (C) limit or prohibit any person with respect to access to services offered by the exchange if subparagraph (A) or (B) of this paragraph is applicable to such person or, in the case of a person who is not a member, if the exchange determines that such person does not meet the qualification requirements or other prerequisites for such access and such person cannot be permitted to continue to have such access with safety to investors, creditors, members, or the exchange. Any person aggrieved by any such summary action shall be promptly afforded an opportunity for a hearing by the exchange in accordance with the provisions of paragraph (1) or (2) of this subsection. The Commission, by order, may stay any such summary action on its own motion or upon application by any person aggrieved thereby, if the Commission determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and the protection of investors.

(e)(1) On and after the date of enactment of the Securities Acts Amendments of 1975, no national securities exchange may impose any schedule or fix rates of commissions, allowances, discounts, or
other fees to be charged by its members: Provided, however, That until May 1, 1976, the preceding provisions of this paragraph shall not prohibit any such exchange from imposing or fixing any schedule of commissions, allowances, discounts, or other fees to be charged by its members for acting as broker on the floor of the exchange or as odd-lot dealer: And provided further, That the Commission, in accordance with the provisions of section 19(b) of this title as modified by the provisions of paragraph (3) of this subsection, may—

(A) permit a national securities exchange, by rule, to impose a reasonable schedule or fix reasonable rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange prior to November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees are in the public interest; and

(B) permit a national securities exchange, by rule, to impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange after November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees (i) are reasonable in relation to the costs of providing the service for which such fees are charged (and the Commission publishes the standards employed in adjudging reasonableness) and (ii) do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title, taking into consideration the competitive effects of permitting such schedule or fixed rates weighed against the competitive effects of other lawful actions which the Commission is authorized to take under this title.

(2) Notwithstanding the provisions of section 19(c) of this title, the Commission, by rule, may abrogate any exchange rule which imposes a schedule or fixes rates of commissions, allowances, discounts, or other fees, if the Commission determines that such schedule or fixed rates are no longer reasonable, in the public interest, or necessary to accomplish the purposes of this title.

(3)(A) Before approving or disapproving any proposed rule change submitted by a national securities exchange which would impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange, the Commission shall afford interested persons (i) an opportunity for oral presentation of data, views, and arguments and (ii) with respect to any such rule concerning transactions effected after November 1, 1976, if the Commission determines there are disputed issues of material fact, to present such rebuttal submissions and to conduct (or have conducted under subparagraph (B) of this paragraph) such cross-examination as the Commission determines to be appropriate and required for full disclosure and proper resolution of such disputed issues of material fact.

(B) The Commission shall prescribe rules and make rulings concerning any proceeding in accordance with subparagraph (A) of this paragraph designed to avoid unnecessary costs or delay. Such rules or rulings may (i) impose reasonable time limits on each interested person’s oral presentations, and (ii) require any cross-examination to which a person may be entitled under subparagraph (A) of this
(C)(i) If any class of persons, the members of which are entitled to conduct (or have conducted) cross-examination under subparagraphs (A) and (B) of this paragraph and which have, in the view of the Commission, the same or similar interests in the proceeding, cannot agree upon a single representative of such interests for purposes of cross-examination, the Commission may make rules and rulings specifying the manner in which such interests shall be represented and such cross-examination conducted.

(ii) No member of any class of persons with respect to which the Commission has specified the manner in which its interests shall be represented pursuant to clause (i) of this subparagraph shall be denied, pursuant to such clause (i), the opportunity to conduct (or have conducted) cross-examination as to issues affecting his particular interests if he satisfies the Commission that he has made a reasonable and good faith effort to reach agreement upon group representation and there are substantial and relevant issues which would not be presented adequately by group representation.

(D) A transcript shall be kept of any oral presentation and cross-examination.

(E) In addition to the bases specified in subsection 25(a), a reviewing Court may set aside an order of the Commission under section 19(b) approving an exchange rule imposing a schedule or fixing rates of commissions, allowances, discounts, or other fees, if the Court finds—

1. a Commission determination under subparagraph (A) of this paragraph that an interested person is not entitled to conduct cross-examination or make rebuttal submissions, or

2. a Commission rule or ruling under subparagraph (B) of this paragraph limiting the petitioner's cross-examination or rebuttal submissions, has precluded full disclosure and proper resolution of disputed issues of material fact which were necessary for fair determination by the Commission.

(f) The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to assure equal regulation, may require—

1. any person not a member or a designated representative of a member of a national securities exchange effecting transactions on such exchange without the services of another person acting as a broker, or

2. any broker or dealer not a member of a national securities exchange effecting transactions on such exchange on a regular basis,
to comply with such rules of such exchange as the Commission may specify.

1. REGISTRATION REQUIRED.—An exchange that lists or trades security futures products may register as a national se-

If such exchange has filed documents with the Commodity Futures Trading Commission, to the extent that such documents contain information satisfying the Commission’s informational requirements, copies of such documents may be filed with the Commission in lieu of the required written notice.

(B) IMMEDIATE EFFECTIVENESS.—Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if such registration would be subject to suspension or revocation.

(C) TERMINATION.—Such registration shall be terminated immediately if any of the conditions for registration set forth in this subsection are no longer satisfied.

(3) PUBLIC AVAILABILITY.—The Commission shall promptly publish in the Federal Register an acknowledgment of receipt of all notices the Commission receives under this subsection and shall make all such notices available to the public.

(G) require that the security futures product be subject to the prohibition against dual trading in section 4j of the Commodity Exchange Act (7 U.S.C. 6j) and the rules and regulations thereunder or the provisions of section 11(a) of this title and the rules and regulations thereunder, except to the extent otherwise permitted under this title and the rules and regulations thereunder;

(K) require that the market on which the security futures product is traded has in place procedures to coordinate trading halts between such market and any market on which any security underlying the security futures product is traded and other markets on which any related security is traded; and

(L) require that the margin requirements for a security futures product comply with the regulations prescribed pursuant to section 7(c)(2)(B), except that nothing in this subparagraph shall be construed to prevent a national securities exchange or national securities association from requiring higher margin levels for a security futures product when it deems such action to be necessary or appropriate.

(4) AUTHORITY TO MODIFY CERTAIN LISTING STANDARD REQUIREMENTS.—

(A) AUTHORITY TO MODIFY.—The Commission and the Commodity Futures Trading Commission, by rule, regulation, or order, may jointly modify the listing standard requirements specified in subparagraph (A) or (D) of paragraph (3) to the extent such modification fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(B) AUTHORITY TO GRANT EXEMPTIONS.—The Commission and the Commodity Futures Trading Commission, by order, may jointly exempt any person from compliance with the listing standard requirement specified in subparagraph (E) of paragraph (3) to the extent such exemption fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(5) REQUIREMENTS FOR OTHER PERSONS TRADING SECURITY FUTURE PRODUCTS.—It shall be unlawful for any person (other than a national securities exchange or a national securities association registered pursuant to section 15A(a)) to constitute, maintain, or provide a marketplace or facilities for bringing together purchasers and sellers of security future products or to
otherwise perform with respect to security future products the functions commonly performed by a stock exchange as that term is generally understood, unless a national securities association registered pursuant to section 15A(a) or a national securities exchange of which such person is a member—

(A) has in place procedures for coordinated surveillance among such person, the market trading the securities underlying the security future products, and other markets trading related securities to detect manipulation and insider trading;

(B) has rules to require audit trails necessary or appropriate to facilitate the coordinated surveillance required in subparagraph (A); and

(C) has rules to require such person to coordinate trading halts with markets trading the securities underlying the security future products and other markets trading related securities.

(6) DEFERRAL OF OPTIONS ON SECURITY FUTURES TRADING.—No person shall offer to enter into, enter into, or confirm the execution of any put, call, straddle, option, or privilege on a security future, except that, after 3 years after the date of the enactment of this subsection, the Commission and the Commodity Futures Trading Commission may by order jointly determine to permit trading of puts, calls, straddles, options, or privileges on any security future authorized to be traded under the provisions of this Act and the Commodity Exchange Act.

(7) DEFERRAL OF LINKED AND COORDINATED CLEARING.—

(A) Notwithstanding paragraph (2), until the compliance date, a national securities exchange or national securities association registered pursuant to section 15A(a) may trade a security futures product that does not—

(i) conform with any listing standard promulgated to meet the requirement specified in subparagraph (E) of paragraph (3); or

(ii) meet the criterion specified in section 2(a)(1)(D)(i)(IV) of the Commodity Exchange Act.

(B) The Commission and the Commodity Futures Trading Commission shall jointly publish in the Federal Register a notice of the compliance date no later than 165 days before the compliance date.

(C) For purposes of this paragraph, the term "compliance date" means the later of—

(i) 180 days after the end of the first full calendar month period in which the average aggregate comparable share volume for all security futures products based on single equity securities traded on all national securities exchanges, any national securities associations registered pursuant to section 15A(a), and all other persons equals or exceeds 10 percent of the average aggregate comparable share volume of options on single equity securities traded on all national securities exchanges and any national securities associations registered pursuant to section 15A(a); or

(ii) 2 years after the date on which trading in any security futures product commences under this title.
(i) Consistent with this title, each national securities exchange registered pursuant to subsection (a) of this section shall issue such rules as are necessary to avoid duplicative or conflicting rules applicable to any broker or dealer registered with the Commission pursuant to section 15(b) (except paragraph (11) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act (except paragraph (2) thereof), with respect to the application of—

(1) rules of such national securities exchange of the type specified in section 15(c)(3)(B) involving security futures products; and

(2) similar rules of national securities exchanges registered pursuant to section 6(g) and national securities associations registered pursuant to section 15A(k) involving security futures products.

(j) **PROCEDURES AND RULES FOR SECURITY FUTURE PRODUCTS.**—
A national securities exchange registered pursuant to subsection (a) shall implement the procedures specified in section 6(h)(5)(A) of this title and adopt the rules specified in subparagraphs (B) and (C) of section 6(h)(5) of this title not later than 8 months after the date of receipt of a request from an alternative trading system for such implementation and rules.

(k)(1) To the extent necessary or appropriate in the public interest, to promote fair competition, and consistent with the promotion of market efficiency, innovation, and expansion of investment opportunities, the protection of investors, and the maintenance of fair and orderly markets, the Commission and the Commodity Futures Trading Commission shall jointly issue such rules, regulations, or orders as are necessary and appropriate to permit the offer and sale of a security futures product traded on or subject to the rules of a foreign board of trade to United States persons.

(2) The rules, regulations, or orders adopted under paragraph (1) shall take into account, as appropriate, the nature and size of the markets that the securities underlying the security futures product reflect.

(l) **SECURITY-BASED SWAPS.**—It shall be unlawful for any person to effect a transaction in a security-based swap with or for a person that is not an eligible contract participant, unless such transaction is effected on a national securities exchange registered pursuant to subsection (b).

(m) **VENTURE EXCHANGE.**—

(1) **REGISTRATION.**—

(A) **IN GENERAL.**—A national securities exchange may elect to be treated (or for a listing tier of such exchange to be treated) as a venture exchange by notifying the Commission of such election, either at the time the exchange applies to be registered as a national securities exchange or after registering as a national securities exchange.

(B) **DETERMINATION TIME PERIOD.**—With respect to a securities exchange electing to be treated (or for a listing tier of such exchange to be treated) as a venture exchange—

(i) if the time the exchange applies to be registered as a national securities exchange, such application and election shall be deemed to have been approved by the Commission unless the Commission denies such appli-
cation before the end of the 6-month period beginning on the date the Commission received such application; and

(ii) after registering as a national securities exchange, such election shall be deemed to have been approved by the Commission unless the Commission denies such approval before the end of the 6-month period beginning on the date the Commission received notification of such election.

(2) Powers and Restrictions.—A venture exchange—
(A) may only constitute, maintain, or provide a market place or facilities for bringing together purchasers and sellers of venture securities;
(B) may determine the increment to be used for quoting and trading venture securities on the exchange;
(C) shall disseminate last sale and quotation information on terms that are fair and reasonable and not unreasonably discriminatory;
(D) may choose to carry out periodic auctions for the sale of a venture security instead of providing continuous trading of the venture security; and
(E) may not extend unlisted trading privileges to any venture security.

(3) Exemptions from Certain National Security Exchange Regulations.—A venture exchange shall not be required to—
(A) comply with any of sections 242.600 through 242.612 of title 17, Code of Federal Regulations;
(B) comply with any of sections 242.300 through 242.303 of title 17, Code of Federal Regulations;
(C) submit any data to a securities information processor; or
(D) use decimal pricing.

(4) Treatment of Certain Exempted Securities.—A security that is exempt from registration pursuant to section 3(b) of the Securities Act of 1933 shall be exempt from section 12(a) of this title with respect to the trading of such security on a venture exchange, if the issuer of such security is in compliance with all disclosure obligations of such section 3(b) and the regulations issued under such section.

(5) Definitions.—For purposes of this subsection:
(A) Early-stage, Growth Company.—
(i) In General.—The term “early-stage, growth company” means an issuer—
(I) that has not made an initial public offering of any securities of the issuer; and
(II) with a market capitalization of $1,000,000,000 (as such amount is indexed for inflation every 5 years by the Commission to reflect the change in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics, setting the threshold to the nearest $1,000,000) or less.
(ii) Treatment When Market Capitalization Exceeds Threshold.—
(I) IN GENERAL.—In the case of an issuer that is an early-stage, growth company the securities of which are traded on a venture exchange, such issuer shall not cease to be an early-stage, growth company by reason of the market capitalization of such issuer exceeding the threshold specified in clause (i)(II) until the end of the period of 24 consecutive months during which the market capitalization of such issuer exceeds $2,000,000,000 (as such amount is indexed for inflation every 5 years by the Commission to reflect the change in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics, setting the threshold to the nearest $1,000,000).

(II) EXEMPTIONS.—If an issuer would cease to be an early-stage, growth company under subclause (I), the venture exchange may, at the request of the issuer, exempt the issuer from the market capitalization requirements of this subparagraph for the 1-year period that begins on the day after the end of the 24-month period described in such subclause. The venture exchange may, at the request of the issuer, extend the exemption for 1 additional year.

(a) LISTING STANDARDS.—The Commission shall, by rule, direct the national securities exchanges and national securities associations to prohibit the listing of any security of an issuer that does not comply with the requirements of this section.

(b) RECOVERY OF FUNDS.—The rules of the Commission under subsection (a) shall require each issuer to develop and implement a policy providing—

(1) for disclosure of the policy of the issuer on incentive-based compensation that is based on financial information required to be reported under the securities laws; and

(2) that, in the event that the issuer is required to prepare an accounting restatement due to the material noncompliance of the issuer with any financial reporting requirement under the securities laws, the issuer will recover from any current or former executive officer of the issuer who received incentive-based compensation (including stock options awarded as compensation) during the 3-year period preceding the date on which the issuer is required to prepare an accounting restatement, based on the erroneous data, in excess of what would have been paid to the executive officer under the accounting restatement, where such executive officer had control or author-
ity over the financial reporting that resulted in the accounting restatement.

REGISTRATION REQUIREMENTS FOR SECURITIES

SEC. 12. (a) It shall be unlawful for any member, broker, or dealer to effect any transaction in any security (other than an exempted security) on a national securities exchange unless a registration is effective as to such security for such exchange in accordance with the provisions of this title and the rules and regulations thereunder. The provisions of this subsection shall not apply in respect of a security futures product traded on a national securities exchange.

(b) A security may be registered on a national securities exchange by the issuer filing an application with the exchange (and filing with the Commission such duplicate originals thereof as the Commission may require), which application shall contain—

(1) Such information, in such detail, as to the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer, and any guarantor of the security as to principal or interest or both, as the Commission may by rules and regulations require, as necessary or appropriate in the public interest or for the protection of investors, in respect of the following:

(A) the organization, financial structures, and nature of the business;

(B) the terms, position, rights, and privileges of the different classes of securities outstanding;

(C) the terms on which their securities are to be, and during the preceding three years have been, offered to the public or otherwise;

(D) the directors, officers, and underwriters, and each security holder of record holding more than 10 per centum of any class of any equity security of the issuer (other than an exempted security), their remuneration and their interests in the securities of, and their material contracts with, the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer;

(E) remuneration to others than directors and officers exceeding $20,000 per annum;

(F) bonus and profit-sharing arrangements;

(G) management and service contracts;

(H) options existing or to be created in respect of their securities;

(I) material contracts, not made in the ordinary course of business, which are to be executed in whole or in part at or after the filing of the application or which were made not more than two years before such filing, and every material patent or contract for a material patent right shall be deemed a material contract;

(J) balance sheets for not more than the three preceding fiscal years, certified if required by the rules and regula-
tions of the Commission by a registered public accounting firm:
(K) profit and loss statements for not more than the three preceding fiscal years, certified if required by the rules and regulations of the Commission by a registered public accounting firm; and
(L) any further financial statements which the Commission may deem necessary or appropriate for the protection of investors.

(2) Such copies of articles of incorporation, bylaws, trust indentures, or corresponding documents by whatever name known, underwriting arrangements, and other similar documents of, and voting trust agreements with respect to, the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer as the Commission may require as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security.

(3) Such copies of material contracts, referred to in paragraph (1)(I) above, as the Commission may require as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security.

(c) If in the judgment of the Commission any information required under subsection (b) of this section is inapplicable to any specified class or classes of issuers, the Commission shall require in lieu thereof the submission of such other information of comparable character as it may deem applicable to such class of issuers.

(d) If the exchange authorities certify to the Commission that the security has been approved by the exchange for listing and registration, the registration shall become effective thirty days after the receipt of such certification by the Commission or within such shorter period of time as the Commission may determine. A security registered with a national securities exchange may be withdrawn or stricken from listing and registration in accordance with the rules of the exchange and, upon such terms as the Commission may deem necessary to impose for the protection of investors, upon application by the issuer or the exchange to the Commission; whereupon the issuer shall be relieved from further compliance with the provisions of this section and section 13 of this title and any rules or regulations under such sections as to the securities so withdrawn or stricken. An unissued security may be registered only in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(e) Notwithstanding the foregoing provisions of this section, the Commission may by such rules and regulations as it deems necessary or appropriate in the public interest or for the protection of investors permit securities listed on any exchange at the time the registration of such exchange as a national securities exchange becomes effective, to be registered for a period ending not later than July 1, 1935, without complying with the provisions of this section.

(f)(1)(A) Notwithstanding the preceding subsections of this section, any national securities exchange, in accordance with the re-
quirements of this subsection and the rules hereunder, may extend unlisted trading privileges to—

(i) any security that is listed and registered on a national securities exchange, subject to subparagraph (B); and

(ii) any security that is otherwise registered pursuant to this section, or that would be required to be so registered except for the exemption from registration provided in subparagraph (B) or (G) of subsection (g)(2), subject to subparagraph (E) of this paragraph.

(B) A national securities exchange may not extend unlisted trading privileges to a security described in subparagraph (A)(i) during such interval, if any, after the commencement of an initial public offering of such security, as is or may be required pursuant to subparagraph (C).

(C) Not later than 180 days after the date of enactment of the Unlisted Trading Privileges Act of 1994, the Commission shall prescribe, by rule or regulation, the duration of the interval referred to in subparagraph (B), if any, as the Commission determines to be necessary or appropriate for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title. Until the earlier of the effective date of such rule or regulation or 240 days after such date of enactment, such interval shall begin at the opening of trading on the day on which such security commences trading on the national securities exchange with which such security is registered and end at the conclusion of the next day of trading.

(D) The Commission may prescribe, by rule or regulation such additional procedures or requirements for extending unlisted trading privileges to any security as the Commission deems necessary or appropriate for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title.

(E) No extension of unlisted trading privileges to securities described in subparagraph (A)(ii) may occur except pursuant to a rule, regulation, or order of the Commission approving such extension or extensions. In promulgating such rule or regulation or in issuing such order, the Commission—

(i) shall find that such extension or extensions of unlisted trading privileges is consistent with the maintenance of fair and orderly markets, the protection of investors and the public interest, and otherwise in furtherance of the purposes of this title;

(ii) shall take account of the public trading activity in such securities, the character of such trading, the impact of such extension on the existing markets for such securities, and the desirability of removing impediments to and the progress that has been made toward the development of a national market system; and

(iii) shall not permit a national securities exchange to extend unlisted trading privileges to such securities if any rule of such national securities exchange would unreasonably impair the ability of a dealer to solicit or effect transactions in such securities for its own account, or would unreasonably restrict competition among dealers in such securities or between such deal-
ers acting in the capacity of market makers who are specialists and such dealers who are not specialists.

(F) An exchange may continue to extend unlisted trading privileges in accordance with this paragraph only if the exchange and the subject security continue to satisfy the requirements for eligibility under this paragraph, including any rules and regulations issued by the Commission pursuant to this paragraph, except that unlisted trading privileges may continue with regard to securities which had been admitted on such exchange prior to July 1, 1964, notwithstanding the failure to satisfy such requirements. If unlisted trading privileges in a security are discontinued pursuant to this subparagraph, the exchange shall cease trading in that security, unless the exchange and the subject security thereafter satisfy the requirements of this paragraph and the rules issued hereunder.

(G) For purposes of this paragraph—

(i) a security is the subject of an initial public offering if—

(I) the offering of the subject security is registered under the Securities Act of 1933; and

(II) the issuer of the security, immediately prior to filing the registration statement with respect to the offering, was not subject to the reporting requirements of section 13 or 15(d) of this title; and

(ii) an initial public offering of such security commences at the opening of trading on the day on which such security commences trading on the national securities exchange with which such security is registered.

(2)(A) At any time within 60 days of commencement of trading on an exchange of a security pursuant to unlisted trading privileges, the Commission may summarily suspend such unlisted trading privileges on the exchange. Such suspension shall not be reviewable under section 25 of this title and shall not be deemed to be a final agency action for purposes of section 704 of title 5, United States Code. Upon such suspension—

(i) the exchange shall cease trading in the security by the close of business on the date of such suspension, or at such time as the Commission may prescribe by rule or order for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title; and

(ii) if the exchange seeks to extend unlisted trading privileges to the security, the exchange shall file an application to reinstate its ability to do so with the Commission pursuant to such procedures as the Commission may prescribe by rule or order for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title.

(B) A suspension under subparagraph (A) shall remain in effect until the Commission, by order, grants approval of an application to reinstate, as described in subparagraph (A)(ii).

(C) A suspension under subparagraph (A) shall not affect the validity or force of an extension of unlisted trading privileges in effect prior to such suspension.

(D) The Commission shall not approve an application by a national securities exchange to reinstate its ability to extend unlisted trading privileges to a security unless the Commission finds, after
notice and opportunity for hearing, that the extension of unlisted trading privileges pursuant to such application is consistent with the maintenance of fair and orderly markets, the protection of investors and the public interest, and otherwise in furtherance of the purposes of this title. If the application is made to reinstate unlisted trading privileges to a security described in paragraph (1)(A)(ii), the Commission—

(i) shall take account of the public trading activity in such security, the character of such trading, the impact of such extension on the existing markets for such a security, and the desirability of removing impediments to and the progress that has been made toward the development of a national market system; and

(ii) shall not grant any such application if any rule of the national securities exchange making application under this subsection would unreasonably impair the ability of a dealer to solicit or effect transactions in such security for its own account, or would unreasonably restrict competition among dealers in such security or between such dealers acting in the capacity of marketmakers who are specialists and such dealers who are not specialists.

(3) Notwithstanding paragraph (2), the Commission shall by rules and regulations suspend unlisted trading privileges in whole or in part for any or all classes of securities for a period not exceeding twelve months, if it deems such suspension necessary or appropriate in the public interest or for the protection of investors or to prevent evasion of the purposes of this title.

(4) On the application of the issuer of any security for which unlisted trading privileges on any exchange have been continued or extended pursuant to this subsection, or of any broker or dealer who makes or creates a market for such security, or of any other person having a bona fide interest in the question of termination or suspension of such unlisted trading privileges, or on its own motion, the Commission shall by order terminate, or suspend for a period not exceeding twelve months, such unlisted trading privileges for such security if the Commission finds, after appropriate notice and opportunity for hearing, that such termination or suspension is necessary or appropriate in the public interest or for the protection of investors.

(5) In any proceeding under this subsection in which appropriate notice and opportunity for hearing are required, notice of not less than ten days to the applicant in such proceeding, to the issuer of the security involved, to the exchange which is seeking to continue or extend or has continued or extended unlisted trading privileges for such security, and to the exchange, if any, on which such security is listed and registered, shall be deemed adequate notice, and any broker or dealer who makes or creates a market for such security, and any other person having a bona fide interest in such proceeding, shall upon application be entitled to be heard.

(6) Any security for which unlisted trading privileges are continued or extended pursuant to this subsection shall be deemed to be registered on a national securities exchange within the meaning of this title. The powers and duties of the Commission under this title shall be applicable to the rules of an exchange in respect to any such security. The Commission may, by such rules and regulations
as it deems necessary or appropriate in the public interest or for the protection of investors, either unconditionally or upon specified terms and conditions, or for stated periods, exempt such securities from the operation of any provision of section 13, 14, or 16 of this title.

(g)(1) Every issuer which is engaged in interstate commerce, or in a business affecting interstate commerce, or whose securities are traded by use of the mails or any means or instrumentality of interstate commerce shall—

(A) within 120 days after the last day of its first fiscal year ended on which the issuer has total assets exceeding $10,000,000 and a class of equity security (other than an exempted security) held of record by either—

(i) 2,000 persons, or

(ii) 500 persons who are not accredited investors (as such term is defined by the Commission), and

(B) in the case of an issuer that is a bank, a savings and loan holding company (as defined in section 10 of the Home Owners’ Loan Act), or a bank holding company, as such term is defined in section 2 of the Bank Holding Company Act of 1956 (12 U.S.C. 1841), not later than 120 days after the last day of its first fiscal year ended after the effective date of this subsection, on which the issuer has total assets exceeding $10,000,000 and a class of equity security (other than an exempted security) held of record by 2,000 or more persons, register such security by filing with the Commission a registration statement (and such copies thereof as the Commission may require) with respect to such security containing such information and documents as the Commission may specify comparable to that which is required in an application to register a security pursuant to subsection (b) of this section. Each such registration statement shall become effective sixty days after filing with the Commission or within such shorter period as the Commission may direct. Until such registration statement becomes effective it shall not be deemed filed for the purposes of section 18 of this title. Any issuer may register any class of equity security not required to be registered by filing a registration statement pursuant to the provisions of this paragraph. The Commission is authorized to extend the date upon which any issuer or class of issuers is required to register a security pursuant to the provisions of this paragraph.

(2) The provisions of this subsection shall not apply in respect of—

(A) any security listed and registered on a national securities exchange.

(B) any security issued by an investment company registered pursuant to section 8 of the Investment Company Act of 1940.

(C) any security, other than permanent stock, guaranty stock, permanent reserve stock, or any similar certificate evidencing nonwithdrawable capital, issued by a savings and loan association, building and loan association, cooperative bank, homestead association, or similar institution, which is supervised and examined by State or Federal authority having supervision over any such institution.

(D) any security of an issuer organized and operated exclusively for religious, educational, benevolent, fraternal, chari-
table, or reformatory purposes and not for pecuniary profit, and no part of the net earnings of which inures to the benefit of any private shareholder or individual; or any security of a fund that is excluded from the definition of an investment company under section 3(c)(10)(B) of the Investment Company Act of 1940.

(E) any security of an issuer which is a “cooperative association” as defined in the Agricultural Marketing Act, approved June 15, 1929, as amended, or a federation of such cooperative associations, if such federation possesses no greater powers or purposes than cooperative associations so defined.

(F) any security issued by a mutual or cooperative organization which supplies a commodity or service primarily for the benefit of its members and operates not for pecuniary profit, but only if the security is part of a class issuable only to persons who purchase commodities or services from the issuer, the security is transferable only to a successor in interest or occupancy of premises serviced or to be served by the issuer, and no dividends are payable to the holder of the security.

(G) any security issued by an insurance company if all of the following conditions are met:

(i) Such insurance company is required to and does file an annual statement with the Commissioner of Insurance (or other officer or agency performing a similar function) of its domiciliary State, and such annual statement conforms to that prescribed by the National Association of Insurance Commissioners or in the determination of such State commissioner, officer or agency substantially conforms to that so prescribed.

(ii) Such insurance company is subject to regulation by its domiciliary State of proxies, consents, or authorizations in respect of securities issued by such company and such regulation conforms to that prescribed by the National Association of Insurance Commissioners.

(iii) After July 1, 1966, the purchase and sales of securities issued by such insurance company by beneficial owners, directors, or officers of such company are subject to regulation (including reporting) by its domiciliary State substantially in the manner provided in section 16 of this title.

(H) any interest or participation in any collective trust funds maintained by a bank or in a separate account maintained by an insurance company which interest or participation is issued in connection with (i) a stock-bonus, pension, or profit-sharing plan which meets the requirements for qualification under section 401 of the Internal Revenue Code of 1954, (ii) an annuity plan which meets the requirements for deduction of the employer’s contribution under section 404(a)(2) of such Code, or (iii) a church plan, company, or account that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940.

(3) The Commission may by rules or regulations or, on its own motion, after notice and opportunity for hearing, by order, exempt from this subsection any security of a foreign issuer, including any certificate of deposit for such a security, if the Commission finds
that such exemption is in the public interest and is consistent with the protection of investors.

(4) Registration of any class of security pursuant to this subsection shall be terminated ninety days, or such shorter period as the Commission may determine, after the issuer files a certification with the Commission that the number of holders of record of such class of security is reduced to less than 300 persons, or, in the case of a bank, a savings and loan holding company (as defined in section 10 of the Home Owners’ Loan Act), or a bank holding company, as such term is defined in section 2 of the Bank Holding Company Act of 1956 (12 U.S.C. 1841), 1,200 persons. The Commission shall after notice and opportunity for hearing deny termination of registration if it finds that the certification is untrue. Termination of registration shall be deferred pending final determination on the question of denial.

(5) For the purposes of this subsection the term “class” shall include all securities of an issuer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges. The Commission may for the purpose of this subsection define by rules and regulations the terms “total assets” and “held of record” as it deems necessary or appropriate in the public interest or for the protection of investors in order to prevent circumvention of the provisions of this subsection. For purposes of this subsection, a security futures product shall not be considered a class of equity security of the issuer of the securities underlying the security futures product. For purposes of determining whether an issuer is required to register a security with the Commission pursuant to paragraph (1), the definition of “held of record” shall not include securities held by persons who received the securities pursuant to an employee compensation plan in transactions exempted from the registration requirements of section 5 of the Securities Act of 1933.

(6) EXCLUSION FOR PERSONS HOLDING CERTAIN SECURITIES.—

(A) IN GENERAL.—The Commission shall, by rule, exempt, conditionally or unconditionally, securities acquired pursuant to an offering made under section 4(a)(6) of the Securities Act of 1933 from the provisions of this subsection.

(B) TREATMENT OF SECURITIES ISSUED BY CERTAIN ISSUERS.—An exemption under subparagraph (A) shall be unconditional for securities offered by an issuer that had a public float of less than $75,000,000 as of the last business day of the issuer’s most recently completed semiannual period, computed by multiplying the aggregate worldwide number of shares of the issuer’s common equity securities held by non-affiliates by the price at which such securities were last sold (or the average bid and asked prices of such securities) in the principal market for such securities or, in the event the result of such public float calculation is zero, had annual revenues of less than $50,000,000 as of the issuer’s most recently completed fiscal year.

(h) The Commission may by rules and regulations, or upon application of an interested person, by order, after notice and opportunity for hearing, exempt in whole or in part any issuer or class
of issuers from the provisions of subsection (g) of this section or from section 13, 14, or 15(d) or may exempt from section 16 any officer, director, or beneficial owner of securities of any issuer, any security of which is required to be registered pursuant to subsection (g) hereof, upon such terms and conditions and for such period as it deems necessary or appropriate, if the Commission finds, by reason of the number of public investors, amount of trading interest in the securities, the nature and extent of the activities of the issuer, income or assets of the issuer, or otherwise, that such action is not inconsistent with the public interest or the protection of investors. The Commission may, for the purposes of any of the above-mentioned sections or subsections of this title, classify issuers and prescribe requirements appropriate for each such class.

(i) In respect of any securities issued by banks and savings associations the deposits of which are insured in accordance with the Federal Deposit Insurance Act, the powers, functions, and duties vested in the Commission to administer and enforce sections 10A(m), 12, 13, 14(a), 14(c), 14(d), 14(f), and 16 of this Act, and sections 302, 303, 304, 306, 401(b), 404, 406, and 407 of the Sarbanes-Oxley Act of 2002, (1) with respect to national banks and Federal savings associations, the accounts of which are insured by the Federal Deposit Insurance Corporation are vested in the Comptroller of the Currency, (2) with respect to all other member banks of the Federal Reserve System are vested in the Board of Governors of the Federal Reserve System, and (3) with respect to all other insured banks and State savings associations, the accounts of which are insured by the Federal Deposit Insurance Corporation, are vested in the Federal Deposit Insurance Corporation. The Comptroller of the Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation shall have the power to make such rules and regulations as may be necessary for the execution of the functions vested in them as provided in this subsection. In carrying out their responsibilities under this subsection, the agencies named in the first sentence of this subsection shall issue substantially similar regulations to those issued by the Commission under sections 10A(m), 12, 13, 14(a), 14(c), 14(d), 14(f) and 16 of this Act, and sections 302, 303, 304, 306, 401(b), 404, 406, and 407 of the Sarbanes-Oxley Act of 2002, unless they find that implementation of substantially similar regulations with respect to insured banks and insured institutions are not necessary or appropriate in the public interest or for protection of investors, and publish such findings, and the detailed reasons therefor, in the Federal Register. Such regulations of the above-named agencies, or the reasons for failure to publish such substantially similar regulations to those of the Commission, shall be published in the Federal Register within 120 days of the date of enactment of this subsection, and, thereafter, within 60 days of any changes made by the Commission in its relevant regulations and rules.

(j) The Commission is authorized, by order, as it deems necessary or appropriate for the protection of investors to deny, to suspend the effective date of, to suspend for a period not exceeding twelve months, or to revoke the registration of a security, if the Commission finds, on the record after notice and opportunity for hearing, that the issuer of such security has failed to comply with any provi-
sion of this title or the rules and regulations thereunder. No member of a national securities exchange, broker, or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce the purchase or sale of, any security the registration of which has been and is suspended or revoked pursuant to the preceding sentence.

(k) TRADING SUSPENSIONS; EMERGENCY AUTHORITY.—

(1) TRADING SUSPENSIONS.—If in its opinion the public interest and the protection of investors so require, the Commission is authorized by order—

(A) summarily to suspend trading in any security (other than an exempted security) for a period not exceeding 10 business days, and

(B) summarily to suspend all trading on any national securities exchange or otherwise, in securities other than exempted securities, for a period not exceeding 90 calendar days.

The action described in subparagraph (B) shall not take effect unless the Commission notifies the President of its decision and the President notifies the Commission that the President does not disapprove of such decision. If the actions described in subparagraph (A) or (B) involve a security futures product, the Commission shall consult with and consider the views of the Commodity Futures Trading Commission.

(2) EMERGENCY ORDERS.—

(A) IN GENERAL.—The Commission, in an emergency, may by order summarily take such action to alter, supplement, suspend, or impose requirements or restrictions with respect to any matter or action subject to regulation by the Commission or a self-regulatory organization under the securities laws, as the Commission determines is necessary in the public interest and for the protection of investors—

(i) to maintain or restore fair and orderly securities markets (other than markets in exempted securities);

(ii) to ensure prompt, accurate, and safe clearance and settlement of transactions in securities (other than exempted securities); or

(iii) to reduce, eliminate, or prevent the substantial disruption by the emergency of—

(II) the transmission or processing of securities transactions (other than transactions in exempted securities).

(B) EFFECTIVE PERIOD.—An order of the Commission under this paragraph shall continue in effect for the period specified by the Commission, and may be extended. Except as provided in subparagraph (C), an order of the Commission under this paragraph may not continue in effect for more than 10 business days, including extensions.

(C) EXTENSION.—An order of the Commission under this paragraph may be extended to continue in effect for more than 10 business days if, at the time of the extension, the
Commission finds that the emergency still exists and determines that the continuation of the order beyond 10 business days is necessary in the public interest and for the protection of investors to attain an objective described in clause (i), (ii), or (iii) of subparagraph (A). In no event shall an order of the Commission under this paragraph continue in effect for more than 30 calendar days.

(D) SECURITY FUTURES.—If the actions described in subparagraph (A) involve a security futures product, the Commission shall consult with and consider the views of the Commodity Futures Trading Commission.

(E) EXEMPTION.—In exercising its authority under this paragraph, the Commission shall not be required to comply with the provisions of—
(i) section 19(c); or
(ii) section 553 of title 5, United States Code.

(3) TERMINATION OF EMERGENCY ACTIONS BY PRESIDENT.—The President may direct that action taken by the Commission under paragraph (1)(B) or paragraph (2) of this subsection shall not continue in effect.

(4) COMPLIANCE WITH ORDERS.—No member of a national securities exchange, broker, or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce the purchase or sale of, any security in contravention of an order of the Commission under this subsection unless such order has been stayed, modified, or set aside as provided in paragraph (5) of this subsection or has ceased to be effective upon direction of the President as provided in paragraph (3).

(5) LIMITATIONS ON REVIEW OF ORDERS.—An order of the Commission pursuant to this subsection shall be subject to review only as provided in section 25(a) of this title. Review shall be based on an examination of all the information before the Commission at the time such order was issued. The reviewing court shall not enter a stay, writ of mandamus, or similar relief unless the court finds, after notice and hearing before a panel of the court, that the Commission's action is arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law.

(6) CONSULTATION.—Prior to taking any action described in paragraph (1)(B), the Commission shall consult with and consider the views of the Secretary of the Treasury, the Board of Governors of the Federal Reserve System, and the Commodity Futures Trading Commission, unless such consultation is impracticable in light of the emergency.

(7) DEFINITION.—For purposes of this subsection, the term “emergency” means—
(A) a major market disturbance characterized by or constituting—
(i) sudden and excessive fluctuations of securities prices generally, or a substantial threat thereof, that threaten fair and orderly markets; or

The provisions of this subsection shall not apply to variable annuity contracts or variable life policies issued by an insurance company or its separate accounts.

PERIODICAL AND OTHER REPORTS

SEC. 13. (a) Every issuer of a security registered pursuant to section 12 of this title shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security—
   (1) such information and documents (and such copies thereof) as the Commission shall require to keep reasonably current the information and documents required to be included in or filed with an application or registration statement filed pursuant to section 12, except that the Commission may not require the filing of any material contract wholly executed before July 1, 1962.
   (2) such annual reports (and such copies thereof), certified if required by the rules and regulations of the Commission by independent public accountants, and such quarterly reports (and such copies thereof), as the Commission may prescribe.

Every issuer of a security registered on a national securities exchange shall also file a duplicate original of such information, documents, and reports with the exchange. In any registration statement, periodic report, or other reports to be filed with the Commission, an emerging growth company need not present selected financial data in accordance with section 229.301 of title 17, Code of Federal Regulations, for any period prior to the earliest audited period presented in connection with its first registration statement that became effective under this Act or the Securities Act of 1933 and, with respect to any such statement or reports, an emerging growth company may not be required to comply with any new or revised financial accounting standard until such date that a company that is not an issuer (as defined under section 2(a) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7201(a))) is required to comply with such new or revised accounting standard, if such standard applies to companies that are not issuers.
(b)(1) The Commission may prescribe, in regard to reports made pursuant to this title, the form or forms in which the required information shall be set forth, the items or details to be shown in the balance sheet and the earnings statement, and the methods to be followed in the preparation of reports, in the appraisal or valuation of assets and liabilities, in the determination of depreciation and depletion, in the differentiation of recurring and nonrecurring income, in the differentiation of investment and operating income, and in the preparation, where the Commission deems it necessary or desirable, of separate and/or consolidated balance sheets or income accounts of any person directly or indirectly controlling or controlled by the issuer, or any person under direct or indirect common control with the issuer; but in the case of the reports of any person whose methods of accounting are prescribed under the provisions of any law of the United States, or any rule or regulation thereunder, the rules and regulations of the Commission with respect to reports shall not be inconsistent with the requirements imposed by such law or rule or regulation in respect of the same subject matter (except that such rules and regulations of the Commission may be inconsistent with such requirements to the extent that the Commission determines that the public interest or the protection of investors so requires).

(2) Every issuer which has a class of securities registered pursuant to section 12 of this title and every issuer which is required to file reports pursuant to section 15(d) of this title shall—

(A) make and keep books, records, and accounts, which, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(B) devise and maintain a system of internal accounting controls sufficient to provide reasonable assurances that—

(i) transactions are executed in accordance with management’s general or specific authorization;

(ii) transactions are recorded as necessary (I) to permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements, and (II) to maintain accountability for assets;

(iii) access to assets is permitted only in accordance with management’s general or specific authorization; and

(iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and

(C) notwithstanding any other provision of law, pay the allocable share of such issuer of a reasonable annual accounting support fee or fees, determined in accordance with section 109 of the Sarbanes-Oxley Act of 2002.

(3)(A) With respect to matters concerning the national security of the United States, no duty or liability under paragraph (2) of this subsection shall be imposed upon any person acting in cooperation with the head of any Federal department or agency responsible for such matters if such act in cooperation with such head of a department or agency was done upon the specific, written directive of the head of such department or agency pursuant to Presidential authority to issue such directives. Each directive issued under this paragraph shall set forth the specific facts and circumstances with
respect to which the provisions of this paragraph are to be invoked. Each such directive shall, unless renewed in writing, expire one year after the date of issuance.

(B) Each head of a Federal department or agency of the United States who issues a directive pursuant to this paragraph shall maintain a complete file of all such directives and shall, on October 1 of each year, transmit a summary of matters covered by such directives in force at any time during the previous year to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate.

(4) No criminal liability shall be imposed for failing to comply with the requirements of paragraph (2) of this subsection except as provided in paragraph (5) of this subsection.

(5) No person shall knowingly circumvent or knowingly fail to implement a system of internal accounting controls or knowingly falsify any book, record, or account described in paragraph (2).

(6) Where an issuer which has a class of securities registered pursuant to section 12 of this title or an issuer which is required to file reports pursuant to section 15(d) of this title holds 50 per centum or less of the voting power with respect to a domestic or foreign firm, the provisions of paragraph (2) require only that the issuer proceed in good faith to use its influence, to the extent reasonable under the issuer’s circumstances, to cause such domestic or foreign firm to devise and maintain a system of internal accounting controls consistent with paragraph (2). Such circumstances include the relative degree of the issuer’s ownership of the domestic or foreign firm and the laws and practices governing the business operations of the country in which such firm is located. An issuer which demonstrates good faith efforts to use such influence shall be conclusively presumed to have complied with the requirements of paragraph (2).

(7) For the purpose of paragraph (2) of this subsection, the terms “reasonable assurances” and “reasonable detail” mean such level of detail and degree of assurance as would satisfy prudent officials in the conduct of their own affairs.

(c) If in the judgment of the Commission any report required under subsection (a) is inapplicable to any specified class or classes of issuers, the Commission shall require in lieu thereof the submission of such reports of comparable character as it may deem applicable to such class or classes of issuers.

(d)(1) Any person who, after acquiring directly or indirectly the beneficial ownership of any equity security of a class which is registered pursuant to section 12 of this title, or any equity security of an insurance company which would have been required to be so registered except for the exemption contained in section 12(g)(2)(G) of this title, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940 or any equity security issued by a Native Corporation pursuant to section 37(d)(6) of the Alaska Native Claims Settlement Act, or otherwise becomes or is deemed to become a beneficial owner of any of the foregoing upon the purchase or sale of a security-based swap that the Commission may define by rule, and is directly or indirectly the beneficial owner of more than 5 per centum of such class shall, within ten days after such acquisition or within such shorter time as the Commission may establish by rule, file with the
Commission, a statement containing such of the following information, and such additional information, as the Commission may by rules and regulations, prescribe as necessary or appropriate in the public interest or for the protection of investors—

(A) the background, and identity, residence, and citizenship of, and the nature of such beneficial ownership by, such person and all other persons by whom or on whose behalf the purchases have been or are to be effected;

(B) the source and amount of the funds or other consideration used or to be used in making the purchases, and if any part of the purchase price is represented or is to be represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, or trading such security, a description of the transaction and the names of the parties thereto, except that where a source of funds is a loan made in the ordinary course of business by a bank, as defined in section 3(a)(6) of this title, if the person filing such statement so requests, the name of the bank shall not be made available to the public;

(C) if the purpose of the purchases or prospective purchases is to acquire control of the business of the issuer of the securities any plans or proposals which such persons may have to liquidate such issuer, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate structure;

(D) the number of shares of such security which are beneficially owned, and the number of shares concerning which there is a right to acquire, directly or indirectly, by (i) such person, and (ii) by each associate of such person, giving the background, identity, residence, and citizenship of each such associate; and

(E) information as to any contracts, arrangements, or understandings with any person with respect to any securities of the issuer, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, or understandings have been entered into, and giving the details thereof.

(2) If any material change occurs in the facts set forth in the statement filed with the Commission, an amendment shall be filed with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a "person" for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.
(5) The Commission, by rule or regulation or by order, may permit any person to file in lieu of the statement required by paragraph (1) of this subsection or the rules and regulations thereunder, a notice stating the name of such person, the number of shares of any equity securities subject to paragraph (1) which are owned by him, the date of their acquisition and such other information as the Commission may specify, if it appears to the Commission that such securities were acquired by such person in the ordinary course of his business and were not acquired for the purpose of and do not have the effect of changing or influencing the control of the issuer nor in connection with or as a participant in any transaction having such purpose or effect.

(6) The provisions of this subsection shall not apply to—

(A) any acquisition or offer to acquire securities made or proposed to be made by means of a registration statement under the Securities Act of 1933;

(B) any acquisition of the beneficial ownership of a security which, together with all other acquisitions by the same person of securities of the same class during the preceding twelve months, does not exceed 2 per centum of that class;

(C) any acquisition of an equity security by the issuer of such security;

(D) any acquisition or proposed acquisition of a security which the Commission, by rules or regulations or by order, shall exempt from the provisions of this subsection as not entered into for the purpose of, and not having the effect of, changing or influencing the control of the issuer or otherwise as not comprehended within the purposes of this subsection.

(e)(1) It shall be unlawful for an issuer which has a class of equity securities registered pursuant to section 12 of this title, or which is a closed-end investment company registered under the Investment Company Act of 1940, to purchase any equity security issued by it if such purchase is in contravention of such rules and regulations as the Commission, in the public interest or for the protection of investors, may adopt (A) to define acts and practices which are fraudulent, deceptive, or manipulative, and (B) to prescribe means reasonably designed to prevent such acts and practices. Such rules and regulations may require such issuer to provide holders of equity securities of such class with such information relating to the reasons for such purchase, the source of funds, the number of shares to be purchased, the price to be paid for such securities, the method of purchase, and such additional information, as the Commission deems necessary or appropriate in the public interest or for the protection of investors, or which the Commission deems to be material to a determination whether such security should be sold.

(2) For the purpose of this subsection, a purchase by or for the issuer or any person controlling, controlled by, or under common control with the issuer, or a purchase subject to control of the issuer or any such person, shall be deemed to be a purchase by the issuer. The Commission shall have power to make rules and regulations implementing this paragraph in the public interest and for the protection of investors, including exemptive rules and regulations covering situations in which the Commission deems it unnecessary or inappropriate that a purchase of the type described in
this paragraph shall be deemed to be a purchase by the issuer for purposes of some or all of the provisions of paragraph (1) of this subsection.

(3) At the time of filing such statement as the Commission may require by rule pursuant to paragraph (1) of this subsection, the person making the filing shall pay to the Commission a fee at a rate that, subject to paragraph (4), is equal to $92 per $1,000,000 of the value of securities proposed to be purchased. The fee shall be reduced with respect to securities in an amount equal to any fee paid with respect to any securities issued in connection with the proposed transaction under section 6(b) of the Securities Act of 1933, or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this paragraph.

(4) ANNUAL ADJUSTMENT.—For each fiscal year, the Commission shall by order adjust the rate required by paragraph (3) for such fiscal year to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 for such fiscal year.

(5) Fee Collections.—Fees collected pursuant to this subsection for fiscal year 2012 and each fiscal year thereafter shall be deposited and credited as general revenue of the Treasury and shall not be available for obligation.

(5) OFFSETTING COLLECTIONS.—Fees collected pursuant to this subsection for any fiscal year—

(A) except as provided in section 31(i)(2), shall be deposited and credited as offsetting collections to the account providing appropriations to the Commission, and

(B) except as provided in paragraph (8), shall not be collected for any fiscal year except to the extent provided in advance in appropriations Acts.

(6) EFFECTIVE DATE; PUBLICATION.—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5, United States Code. An adjusted rate prescribed under paragraph (4) shall be published and take effect in accordance with section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)).

(7) Pro Rata Application.—The rates per $1,000,000 required by this subsection shall be applied pro rata to amounts and balances of less than $1,000,000.

(8) Lapse of Appropriation.—If on the first day of a fiscal year a regular appropriation to the Commission has not been enacted, the Commission shall continue to collect fees (as offsetting collections) under this subsection at the rate in effect during the preceding fiscal year, until 5 days after the date such a regular appropriation is enacted.

(f)(1) Every institutional investment manager which uses the mails, or any means or instrumentality of interstate commerce in the course of its business as an institutional investment manager and which exercises investment discretion with respect to accounts holding equity securities of a class described in section 13(d)(1) of this title having an aggregate fair market value on the last trading day in any of the preceding twelve months of at least $100,000,000 or such lesser amount (but in no case less than $10,000,000) as the Commission, by rule, may determine, shall file reports with the
Commission in such form, for such periods, and at such times after
the end of such periods as the Commission, by rule, may prescribe,
but in no event shall such reports be filed for periods longer than
one year or shorter than one quarter. Such reports shall include for
each such equity security held on the last day of the reporting pe-
riod by accounts (in aggregate or by type as the Commission, by
rule, may prescribe) with respect to which the institutional invest-
ment manager exercises investment discretion (other than securi-
ties held in amounts which the Commission, by rule, determines to
be insignificant for purposes of this subsection), the name of the
issuer and the title, class, CUSIP number, number of shares or
principal amount, and aggregate fair market value of each such se-
curity. Such reports may also include for accounts (in aggregate or
by type) with respect to which the institutional investment man-
ger exercises investment discretion such of the following informa-
tion as the Commission, by rule, prescribes—

(A) the name of the issuer and the title, class, CUSIP num-
ber, number of shares or principal amount, and aggregate fair
market value or cost or amortized cost of each other security
(other than an exempted security) held on the last day of the
reporting period by such accounts;

(B) the aggregate fair market value or cost or amortized cost
of exempted securities (in aggregate or by class) held on the
last day of the reporting period by such accounts;

(C) the number of shares of each equity security of a class
described in section 13(d)(1) of this title held on the last day
of the reporting period by such accounts with respect to which
the institutional investment manager possesses sole or shared
authority to exercise the voting rights evidenced by such secur-
rities;

(D) the aggregate purchases and aggregate sales during the
reporting period of each security (other than an exempted secu-
rit)ty) effected by or for such accounts; and

(E) with respect to any transaction or series of transactions
having a market value of at least $500,000 or such other
amount as the Commission, by rule, may determine, effected
during the reporting period by or for such accounts in any eq-
urity security of a class described in section 13(d)(1) of this
title—

(i) the name of the issuer and the title, class, and CUSIP
number of the security;

(ii) the number of shares or principal amount of the se-
curity involved in the transaction;

(iii) whether the transaction was a purchase or sale;

(iv) the per share price or prices at which the trans-
action was effected;

(v) the date or dates of the transaction;

(vi) the date or dates of the settlement of the trans-
action;

(vii) the broker or dealer through whom the transaction
was effected;

(viii) the market or markets in which the transaction
was effected; and

(ix) such other related information as the Commission,
by rule, may prescribe.
(2) The Commission shall prescribe rules providing for the public disclosure of the name of the issuer and the title, class, CUSIP number, aggregate amount of the number of short sales of each security, and any additional information determined by the Commission following the end of the reporting period. At a minimum, such public disclosure shall occur every month.

(3) The Commission, by rule or order, may exempt, conditionally or unconditionally, any institutional investment manager or security or any class of institutional investment managers or securities from any or all of the provisions of this subsection or the rules thereunder.

(4) The Commission shall make available to the public for a reasonable fee a list of all equity securities of a class described in section 13(d)(1) of this title, updated no less frequently than reports are required to be filed pursuant to paragraph (1) of this subsection. The Commission shall tabulate the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State authorities and the public. Promptly after the filing of any such report, the Commission shall make the information contained therein conveniently available to the public for a reasonable fee in such form as the Commission, by rule, may prescribe, except that the Commission, as it determines to be necessary or appropriate in the public interest or for the protection of investors, may delay or prevent public disclosure of any such information in accordance with section 552 of title 5, United States Code. Notwithstanding the preceding sentence, any such information identifying the securities held by the account of a natural person or an estate or trust (other than a business trust or investment company) shall not be disclosed to the public.

(5) In exercising its authority under this subsection, the Commission shall determine (and so state) that its action is necessary or appropriate in the public interest and for the protection of investors or to maintain fair and orderly markets or, in granting an exemption, that its action is consistent with the protection of investors and the purposes of this subsection. In exercising such authority the Commission shall take such steps as are within its power, including consulting with the Comptroller General of the United States, the Director of the Office of Management and Budget, the appropriate regulatory agencies, Federal and State authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection, national securities exchanges, and registered securities associations, (A) to achieve uniform, centralized reporting of information concerning the securities holdings of and transactions by or for accounts with respect to which institutional investment managers exercise investment discretion, and (B) consistently with the objective set forth in the preceding subparagraph, to avoid unnecessarily duplicative reporting by, and minimize the compliance burden on, institutional investment managers. Federal authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection shall cooperate with the Commission in the performance of its responsibilities under the preceding sentence. An institutional investment manager
which is a bank, the deposits of which are insured in accordance with the Federal Deposit Insurance Act, shall file with the appropriate regulatory agency a copy of every report filed with the Commission pursuant to this subsection.

(6)(A) For purposes of this subsection the term “institutional investment manager” includes any person, other than a natural person, investing in or buying and selling securities for its own account, and any person exercising investment discretion with respect to the account of any other person.

(B) The Commission shall adopt such rules as it deems necessary or appropriate to prevent duplicative reporting pursuant to this subsection by two or more institutional investment managers exercising investment discretion with respect to the same amount.

(g)(1) Any person who is directly or indirectly the beneficial owner of more than 5 per centum of any security of a class described in subsection (d)(1) of this section or otherwise becomes or is deemed to become a beneficial owner of any security of a class described in subsection (d)(1) upon the purchase or sale of a security-based swap that the Commission may define by rule shall file with the Commission a statement setting forth, in such form and at such time as the Commission may, by rule, prescribe—

(A) such person’s identity, residence, and citizenship; and

(B) the number and description of the shares in which such person has an interest and the nature of such interest.

(2) If any material change occurs in the facts set forth in the statement filed with the Commission, an amendment shall be filed with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a “person” for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(5) In exercising its authority under this subsection, the Commission shall take such steps as it deems necessary or appropriate in the public interest or for the protection of investors (A) to achieve centralized reporting of information regarding ownership, (B) to avoid unnecessarily duplicative reporting by and minimize the compliance burden on persons required to report, and (C) to tabulate and promptly make available the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State agencies and the public.

(6) The Commission may, by rule or order, exempt, in whole or in part, any person or class of persons from any or all of the reporting requirements of this subsection as it deems necessary or appropriate in the public interest or for the protection of investors.

(h) LARGE TRADER REPORTING.—

(6) SUNSET.—The provisions of this subsection shall terminate on the date that is 30 days after the date on which the President makes the certification described in section 401(a) of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (22 U.S.C. 8551(a)).

PROXIES

SEC. 14. (a)(1) It shall be unlawful for any person, by the use of the mails or by any means or instrumentality of interstate commerce or of any facility of a national securities exchange or otherwise, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, to solicit or to permit the use of his name to solicit any proxy or consent or authorization in respect of any security (other than an exempted security) registered pursuant to section 12 of this title.

(2) The rules and regulations prescribed by the Commission under paragraph (1) may include—

(A) a requirement that a solicitation of proxy, consent, or authorization by (or on behalf of) an issuer include a nominee submitted by a shareholder to serve on the board of directors of the issuer; and

(B) a requirement that an issuer follow a certain procedure in relation to a solicitation described in subparagraph (A).

(b)(1) It shall be unlawful for any member of a national securities exchange, or any broker or dealer registered under this title, or any bank, association, or other entity that exercises fiduciary powers, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, to give, or to refrain from giving a proxy, consent, authorization, or information statement in respect of any security registered pursuant to section 12 of this title, or any security issued by an investment company registered under the Investment Company Act of 1940, and carried for the account of a customer.

(2) With respect to banks, the rules and regulations prescribed by the Commission under paragraph (1) shall not require the disclosure of the names of beneficial owners of securities in an account held by the bank on the date of enactment of this paragraph unless the beneficial owner consents to the disclosure. The provisions of this paragraph shall not apply in the case of a bank which the Commission finds has not made a good faith effort to obtain such consent from such beneficial owners.

(c) Unless proxies, consents, or authorizations in respect of a security registered pursuant to section 12 of this title, or a security issued by an investment company registered under the Investment Company Act of 1940, are solicited by or on behalf of the management of the issuer from the holders of record of such security in accordance with the rules and regulations prescribed under subsection (a) of this section, prior to any annual or other meeting of the holders of such security, such issuer shall, in accordance with
rules and regulations prescribed by the Commission, file with the
Commission and transmit to all holders of record of such security
information substantially equivalent to the information which
would be required to be transmitted if a solicitation were made, but
no information shall be required to be filed or transmitted pursuant
to this subsection before July 1, 1964.

(d)(1) It shall be unlawful for any person, directly or indirectly,
by use of the mails or by any means or instrumentality of inter-
state commerce or of any facility of a national securities exchange
or otherwise, to make a tender offer for, or a request or invitation
for tenders of, any class of any equity security which is registered
pursuant to section 12 of this title, or any equity security of an in-
surance company which would have been required to be so reg-
istered except for the exemption contained in section 12(g)(2)(G) of
this title, or any equity security issued by a closed-end investment
company registered under the Investment Company Act of 1940, if,
after consummation thereof, such person would, directly or indi-
rectly, be the beneficial owner of more than 5 per centum of such
class, unless at the time copies of the offer or request or invitation
are first published or sent or given to security holders such person
has filed with the Commission a statement containing such of the
information specified in section 13(d) of this title, and such addi-
tional information as the Commission may by rules and regulations
prescribe as necessary or appropriate in the public interest or for
the protection of investors. All requests or invitations for tenders
or advertisements making a tender offer or requesting or inviting
tenders, of such a security shall be filed as a part of such statement
and shall contain such of the information contained in such state-
ment as the Commission may by rules and regulations prescribe.
Copies of any additional material soliciting or requesting such ten-
der offers subsequent to the initial solicitation or request shall con-
tain such information as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for
the protection of investors, and shall be filed with the Commis-

(2) When two or more persons act as a partnership, limited part-
nership, syndicate, or other group for the purpose of acquiring,
holding, or disposing of securities of an issuer, such syndicate or
group shall be deemed a "person" for purposes of this subsection.

(3) In determining, for purposes of this subsection, any percent-
age of a class of any security, such class shall be deemed to consist
of the amount of the outstanding securities of such class, exclusive
of any securities of such class held by or for the account of the
issuer or a subsidiary of the issuer.

(4) Any solicitation or recommendation to the holders of such a
security to accept or reject a tender offer or request or invitation
for tenders shall be made in accordance with such rules and regu-
lations as the Commission may prescribe as necessary or appro-
priate in the public interest or for the protection of investors.
(5) Securities deposited pursuant to a tender offer or request or invitation for tenders may be withdrawn by or on behalf of the depositor at any time until the expiration of seven days after the time definitive copies of the offer or request or invitation are first published or sent or given to security holders, and at any time after sixty days from the date of the original tender offer or request or invitation, except as the Commission may otherwise prescribe by rules, regulations, or order as necessary or appropriate in the public interest or for the protection of investors.

(6) Where any person makes a tender offer, or request or invitation for tenders, for less than all the outstanding equity securities of a class, and where a greater number of securities is deposited pursuant thereto within ten days after copies of the offer or request or invitation are first published or sent or given to security holders than such person is bound or willing to take up and pay for, the securities taken up shall be taken up as nearly as may be pro rata, disregarding fractions, according to the number of securities deposited by each depositor. The provisions of this subsection shall also apply to securities deposited within ten days after notice of an increase in the consideration offered to security holders, as described in paragraph (7), is first published or sent or given to security holders.

(7) Where any person varies the terms of a tender offer or request or invitation for tenders before the expiration thereof by increasing the consideration offered to holders of such securities, such person shall pay the increased consideration to each security holder whose securities are taken up and paid for pursuant to the tender offer or request or invitation for tenders whether or not such securities have been taken up by such person before the variation of the tender offer or request or invitation.

(8) The provisions of this subsection shall not apply to any offer for, or request or invitation for tenders of, any security—

(A) if the acquisition of such security, together with all other acquisitions by the same person of securities of the same class during the preceding twelve months, would not exceed 2 per centum of that class;

(B) by the issuer of such security; or

(C) which the Commission, by rules or regulations or by order, shall exempt from the provisions of this subsection as not entered into for the purpose of, and not having the effect of, changing or influencing the control of the issuer or otherwise as not comprehended within the purposes of this subsection.

(e) It shall be unlawful for any person to make any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading, or to engage in any fraudulent, deceptive, or manipulative acts or practices, in connection with any tender offer or request or invitation for tenders, or any solicitation of security holders in opposition to or in favor of any such offer, request, or invitation. The Commission shall, for the purposes of this subsection, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative.
(f) If, pursuant to any arrangement or understanding with the person or persons acquiring securities in a transaction subject to subsection (d) of this section or subsection (d) of section 13 of this title, any persons are to be elected or designated as directors of the issuer, otherwise than at a meeting of security holders, and the persons so elected or designated will constitute a majority of the directors of the issuer, then, prior to the time any such person takes office as a director, and in accordance with rules and regulations prescribed by the Commission, the issuer shall file with the Commission, and transmit to all holders of record of securities of the issuer who would be entitled to vote at a meeting for election of directors, information substantially equivalent to the information which would be required by subsection (a) or (c) of this section to be transmitted if such person or persons were nominees for election as directors at a meeting of such security holders.

(g)(1)(A) At the time of filing such preliminary proxy solicitation material as the Commission may require by rule pursuant to subsection (a) of this section that concerns an acquisition, merger, consolidation, or proposed sale or other disposition of substantially all the assets of a company, the person making such filing, other than a company registered under the Investment Company Act of 1940, shall pay to the Commission the following fees:

(i) for preliminary proxy solicitation material involving an acquisition, merger, or consolidation, if there is a proposed payment of cash or transfer of securities or property to shareholders, a fee at a rate that, subject to paragraph (4), is equal to $92 per $1,000,000 of such proposed payment, or of the value of such securities or other property proposed to be transferred; and

(ii) for preliminary proxy solicitation material involving a proposed sale or other disposition of substantially all of the assets of a company, a fee at a rate that, subject to paragraph (4), is equal to $92 per $1,000,000 of the cash or of the value of any securities or other property proposed to be received upon such sale or disposition.

(B) The fee imposed under subparagraph (A) shall be reduced with respect to securities in an amount equal to any fee paid to the Commission with respect to such securities in connection with the proposed transaction under section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)), or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this subsection. Where two or more companies involved in an acquisition, merger, consolidation, sale, or other disposition of substantially all the assets of a company must file such proxy material with the Commission, each shall pay a proportionate share of such fee.

(2) At the time of filing such preliminary information statement as the Commission may require by rule pursuant to subsection (c) of this section, the issuer shall pay to the Commission the same fee as required for preliminary proxy solicitation material under paragraph (1) of this subsection.

(3) At the time of filing such statement as the Commission may require by rule pursuant to subsection (d)(1) of this section, the person making the filing shall pay to the Commission a fee at a rate that, subject to paragraph (4), is equal to $92 per $1,000,000
of the aggregate amount of cash or of the value of securities or other property proposed to be offered. The fee shall be reduced with respect to securities in an amount equal to any fee paid with respect to such securities in connection with the proposed transaction under section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)), or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this subsection.

(4) **ANNUAL ADJUSTMENT.**—For each fiscal year, the Commission shall by order adjust the rate required by paragraphs (1) and (3) for such fiscal year to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)) for such fiscal year.

(5) **FEE COLLECTION.**—Fees collected pursuant to this subsection for fiscal year 2012 and each fiscal year thereafter shall be deposited and credited as general revenue of the Treasury and shall not be available for obligation.

(5) **OFFSETTING COLLECTIONS.**—Fees collected pursuant to this subsection for any fiscal year—

(A) except as provided in section 31(i)(2), shall be deposited and credited as offsetting collections to the account providing appropriations to the Commission; and

(B) except as provided in paragraph (8), shall not be collected for any fiscal year except to the extent provided in advance in appropriations Acts.

(6) **REVIEW; EFFECTIVE DATE; PUBLICATION.**—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5, United States Code. An adjusted rate prescribed under paragraph (4) shall be published and take effect in accordance with section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)).

(7) **PRO RATA APPLICATION.**—The rates per $1,000,000 required by this subsection shall be applied pro rata to amounts and balances of less than $1,000,000.

(8) **LAPSE OF APPROPRIATION.**—If on the first day of a fiscal year a regular appropriation to the Commission has not been enacted, the Commission shall continue to collect fees (as offsetting collections) under this subsection at the rate in effect during the preceding fiscal year, until 5 days after the date such a regular appropriation is enacted.

(9) Notwithstanding any other provision of law, the Commission may impose fees, charges, or prices for matters not involving any acquisition, merger, consolidation, sale, or other disposition of assets described in this subsection, as authorized by section 9701 of title 31, United States Code, or otherwise.

(h) **PROXY SOLICITATIONS AND TENDER OFFERS IN CONNECTION WITH LIMITED PARTNERSHIP ROLLUP TRANSACTIONS.**—

(1) **PROXY RULES TO CONTAIN SPECIAL PROVISIONS.**—It shall be unlawful for any person to solicit any proxy, consent, or authorization concerning a limited partnership rollup transaction, or to make any tender offer in furtherance of a limited partnership rollup transaction, unless such transaction is conducted in accordance with rules prescribed by the Commission under
subsections (a) and (d) as required by this subsection. Such rules shall—

(A) permit any holder of a security that is the subject of the proposed limited partnership rollup transaction to engage in preliminary communications for the purpose of determining whether to solicit proxies, consents, or authorizations in opposition to the proposed limited partnership rollup transaction, without regard to whether any such communication would otherwise be considered a solicitation of proxies, and without being required to file soliciting material with the Commission prior to making that determination, except that—

(i) nothing in this subparagraph shall be construed to limit the application of any provision of this title prohibiting, or reasonably designed to prevent, fraudulent, deceptive, or manipulative acts or practices under this title; and

(ii) any holder of not less than 5 percent of the outstanding securities that are the subject of the proposed limited partnership rollup transaction who engages in the business of buying and selling limited partnership interests in the secondary market shall be required to disclose such ownership interests and any potential conflicts of interests in such preliminary communications;

(B) require the issuer to provide to holders of the securities that are the subject of the limited partnership rollup transaction such list of the holders of the issuer's securities as the Commission may determine in such form and subject to such terms and conditions as the Commission may specify;

(C) prohibit compensating any person soliciting proxies, consents, or authorizations directly from security holders concerning such a limited partnership rollup transaction—

(i) on the basis of whether the solicited proxy, consent, or authorization either approves or disapproves the proposed limited partnership rollup transaction; or

(ii) contingent on the approval, disapproval, or completion of the limited partnership rollup transaction;

(D) set forth disclosure requirements for soliciting material distributed in connection with a limited partnership rollup transaction, including requirements for clear, concise, and comprehensible disclosure with respect to—

(i) any changes in the business plan, voting rights, form of ownership interest, or the compensation of the general partner in the proposed limited partnership rollup transaction from each of the original limited partnerships;

(ii) the conflicts of interest, if any, of the general partner;

(iii) whether it is expected that there will be a significant difference between the exchange values of the limited partnerships and the trading price of the securities to be issued in the limited partnership rollup transaction;
(iv) the valuation of the limited partnerships and
the method used to determine the value of the inter-
ests of the limited partners to be exchanged for the se-
curities in the limited partnership rollup transaction;

(v) the differing risks and effects of the limited part-
nership rollup transaction for investors in different
limited partnerships proposed to be included, and the
risks and effects of completing the limited partnership
rollup transaction with less than all limited partner-
ships;

(vi) the statement by the general partner required
under subparagraph (E);

(vii) such other matters deemed necessary or appro-
priate by the Commission;

(E) require a statement by the general partner as to
whether the proposed limited partnership rollup trans-
action is fair or unfair to investors in each limited partner-
ship, a discussion of the basis for that conclusion, and an
evaluation and a description by the general partner of al-
ternatives to the limited partnership rollup transaction,
such as liquidation;

(F) provide that, if the general partner or sponsor has
obtained any opinion (other than an opinion of counsel),
appraisal, or report that is prepared by an outside party
and that is materially related to the limited partnership
rollup transaction, such soliciting materials shall contain
or be accompanied by clear, concise, and comprehensible
disclosure with respect to—

(i) the analysis of the transaction, scope of review,
preparation of the opinion, and basis for and methods
of arriving at conclusions, and any representations
and undertakings with respect thereto;

(ii) the identity and qualifications of the person who
prepared the opinion, the method of selection of such
person, and any material past, existing, or con-
templated relationships between the person or any of
its affiliates and the general partner, sponsor, suc-
cessor, or any other affiliate;

(iii) any compensation of the preparer of such opin-
ion, appraisal, or report that is contingent on the
transaction’s approval or completion; and

(iv) any limitations imposed by the issuer on the ac-
access afforded to such preparer to the issuer’s per-
sonnel, premises, and relevant books and records;

(G) provide that, if the general partner or sponsor has
obtained any opinion, appraisal, or report as described in
subparagraph (F) from any person whose compensation is
contingent on the transaction’s approval or completion or
who has not been given access by the issuer to its per-
sonnel and premises and relevant books and records, the
general partner or sponsor shall state the reasons therefor;

(H) provide that, if the general partner or sponsor has
not obtained any opinion on the fairness of the proposed
limited partnership rollup transaction to investors in each
of the affected partnerships, such soliciting materials shall
contain or be accompanied by a statement of such partner's or sponsor's reasons for concluding that such an opinion is not necessary in order to permit the limited partners to make an informed decision on the proposed transaction;

(I) require that the soliciting material include a clear, concise, and comprehensible summary of the limited partnership rollup transaction (including a summary of the matters referred to in clauses (i) through (vii) of subparagraph (D) and a summary of the matter referred to in subparagraphs (F), (G), and (H)), with the risks of the limited partnership rollup transaction set forth prominently in the fore part thereof;

(J) provide that any solicitation or offering period with respect to any proxy solicitation, tender offer, or information statement in a limited partnership rollup transaction shall be for not less than the lesser of 60 calendar days or the maximum number of days permitted under applicable State law; and

(K) contain such other provisions as the Commission determines to be necessary or appropriate for the protection of investors in limited partnership rollup transactions.

(2) Exemptions.—The Commission may, consistent with the public interest, the protection of investors, and the purposes of this title, exempt by rule or order any security or class of securities, any transaction or class of transactions, or any person or class of persons, in whole or in part, conditionally or unconditionally, from the requirements imposed pursuant to paragraph (1) or from the definition contained in paragraph (4).

(3) Effect on Commission Authority.—Nothing in this subsection limits the authority of the Commission under subsection (a) or (d) or any other provision of this title or precludes the Commission from imposing, under subsection (a) or (d) or any other provision of this title, a remedy or procedure required to be imposed under this subsection.

(4) Definition of Limited Partnership Rollup Transaction.—Except as provided in paragraph (5), as used in this subsection, the term "limited partnership rollup transaction" means a transaction involving the combination or reorganization of one or more limited partnerships, directly or indirectly, in which—

(5) **EXCLUSIONS FROM DEFINITION.**—Notwithstanding paragraph (4), the term “limited partnership rollup transaction” does not include—

(C) a transaction in which the securities to be issued or exchanged are not required to be and are not registered under the Securities Act of 1933;

(D) a transaction that involves only issuers that are not required to register or report under section 12, both before and after the transaction;

(E) a transaction, except as the Commission may otherwise provide by rule for the protection of investors, involving the combination or reorganization of one or more limited partnerships in which a non-affiliated party succeeds to the interests of a general partner or sponsor, if—

(i) such action is approved by not less than 66⅔ percent of the outstanding units of each of the participating limited partnerships; and

(ii) as a result of the transaction, the existing general partners will receive only compensation to which they are entitled as expressly provided for in the preexisting limited partnership agreements; or

(F) a transaction, except as the Commission may otherwise provide by rule for the protection of investors, in which the securities offered to investors are securities of another entity that are reported under a transaction reporting plan declared effective before the date of enactment of this subsection by the Commission under section 11A, if—

(i) **DISCLOSURE OF PAY VERSUS PERFORMANCE.**—The Commission shall, by rule, require each issuer to disclose in any proxy or consent solicitation material for an annual meeting of the shareholders of the issuer a clear description of any compensation required to be disclosed by the issuer under section 229.402 of title 17, Code of Federal Regulations (or any successor thereto), including, for any issuer other than an emerging growth company, information that shows the relationship between executive compensation actually paid and the financial performance of the issuer, taking into account any change in the value of the shares of stock and dividends of the issuer and any distributions. The disclosure under this subsection may include a graphic representation of the information required to be disclosed.

(j) **DISCLOSURE OF HEDGING BY EMPLOYEES AND DIRECTORS.**—The Commission shall, by rule, require each issuer to disclose in any proxy or consent solicitation material for an annual meeting of the shareholders of the issuer whether any employee or member of the board of directors of the issuer, or any designee of such employee or member, is permitted to purchase financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds) that are designed to hedge or offset any decrease in the market value of equity securities—

1. granted to the employee or member of the board of directors by the issuer as part of the compensation of the employee or member of the board of directors; or
2. held, directly or indirectly, by the employee or member of the board of directors.

2. **FREQUENCY OF VOTE.**—Not less frequently than once every 6 years, a proxy or consent or authorization for an annual or other meeting of the shareholders for which the proxy solicitation rules of the Commission require compensation disclosure shall include a separate resolution subject to shareholder vote to determine whether votes on the resolutions required under paragraph (1) will occur every 1, 2, or 3 years.

3. **EFFECTIVE DATE.**—The proxy or consent or authorization for the first annual or other meeting of the shareholders occurring after the end of the 6-month period beginning on the date of enactment of this section shall include—

   B. a separate resolution subject to shareholder vote to determine whether votes on the resolutions required under paragraph (1) will occur every 1, 2, or 3 years.
(b) SHAREHOLDER APPROVAL OF GOLDEN PARACHUTE COMPENSATION.—

(1) DISCLOSURE.—In any proxy or consent solicitation material (the solicitation of which is subject to the rules of the Commission pursuant to subsection (a)) for a meeting of the shareholders occurring after the end of the 6-month period beginning on the date of enactment of this section, at which shareholders are asked to approve an acquisition, merger, consolidation, or proposed sale or other disposition of all or substantially all the assets of an issuer, the person making such solicitation shall disclose in the proxy or consent solicitation material, in a clear and simple form in accordance with regulations to be promulgated by the Commission, any agreements or understandings that such person has with any named executive officers of such issuer (or of the acquiring issuer, if such issuer is not the acquiring issuer) concerning any type of compensation (whether present, deferred, or contingent) that is based on or otherwise relates to the acquisition, merger, consolidation, sale, or other disposition of all or substantially all of the assets of the issuer and the aggregate total of all such compensation that may (and the conditions upon which it may) be paid or become payable to or on behalf of such executive officer.

(2) SHAREHOLDER APPROVAL.—Any proxy or consent or authorization relating to the proxy or consent solicitation material containing the disclosure required by paragraph (1) shall include a separate resolution subject to shareholder vote to approve such agreements or understandings and compensation as disclosed, unless such agreements or understandings have been subject to a shareholder vote under subsection (a).

REGISTRATION AND REGULATION OF BROKERS AND DEALERS

SEC. 15. (a)(1) It shall be unlawful for any broker or dealer which is either a person other than a natural person or a natural person not associated with a broker or dealer which is a person other than a natural person (other than such a broker or dealer whose business is exclusively intrastate and who does not make use of any facility of a national securities exchange) to make use of the mails or any means or instrumentality of interstate commerce to effect any transactions in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) unless such broker or dealer is registered in accordance with subsection (b) of this section.

(2) The Commission, by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (1) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(b)(1) A broker or dealer may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings, the Commission, by order, shall grant or deny such registration. The Commission
may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if the Commission finds that the requirements of this section are satisfied. The order granting registration shall not be effective until such broker or dealer has become a member of a registered securities association, or until such broker or dealer has become a member of a national securities exchange, if such broker or dealer effects transactions solely on that exchange, unless the Commission has exempted such broker or dealer, by rule or order, from such membership. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would be subject to suspension or revocation under paragraph (4) of this subsection.

(2)(A) An application for registration of a broker or dealer to be formed or organized may be made by a broker or dealer to which the broker or dealer to be formed or organized is to be the successor. Such application, in such form as the Commission, by rule, may prescribe, shall contain such information and documents concerning the applicant, the successor, and any persons associated with the applicant or the successor, as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. The grant or denial of registration to such an applicant shall be in accordance with the procedures set forth in paragraph (1) of this subsection. If the Commission grants such registration, the registration shall terminate on the forty-fifth day after the effective date thereof, unless prior thereto the successor shall, in accordance with such rules and regulations as the Commission may prescribe, adopt the application for registration as its own.

(B) Any person who is a broker or dealer solely by reason of acting as a municipal securities dealer or municipal securities broker, who so acts through a separately identifiable department or division, and who so acted in such a manner on the date of enactment of the Securities Acts Amendments of 1975, may, in accordance with such terms and conditions as the Commission, by rule, prescribes as necessary and appropriate in the public interest and for the protection of investors, register such separately identifiable department or division in accordance with this subsection. If any such department or division is so registered, the department or division and not such person himself shall be the broker or dealer for purposes of this title.

(C) Within six months of the date of the granting of registration to a broker or dealer, the Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange of which such broker or dealer is a member, shall conduct an inspection of the broker or dealer to determine whether it is operating in conformity with the provisions of this title and the rules and regulations thereunder: Provided, however, That the Commission may delay such inspection of any class of brokers or dealers for a period not to exceed six months.

(3) Any provision of this title (other than section 5 and subsection (a) of this section) which prohibits any act, practice, or
course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered broker or dealer or any person acting on behalf of such a broker or dealer, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any broker or dealer if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest and that such broker or dealer, whether prior or subsequent to becoming such, or any person associated with such broker or dealer, whether prior or subsequent to becoming so associated—

(A) has willfully made or caused to be made in any application for registration or report required to be filed with the Commission or with any other appropriate regulatory agency under this title, or in any proceeding before the Commission with respect to registration, any statement which was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, or has omitted to state in any such application or report any material fact which is required to be stated therein.

(B) has been convicted within ten years preceding the filing of any application for registration or at any time thereafter of any felony or misdemeanor or of a substantially equivalent crime by a foreign court of competent jurisdiction which the Commission finds—

(ii) arises out of the conduct of the business of a broker, dealer, municipal securities dealer, municipal advisor, government securities broker, government securities dealer, investment adviser, bank, insurance company, fiduciary, transfer agent, nationally recognized statistical rating organization, foreign person performing a function substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act (7 U.S.C. 1 et seq.) or any substantially equivalent foreign statute or regulation;

(iii) involves the larceny, theft, robbery, extortion, forgery, counterfeiting, fraudulent concealment, embezzlement, fraudulent conversion, or misappropriation of funds, or securities, or substantially equivalent activity however denominated by the laws of the relevant foreign government; or

(iv) involves the violation of section 152, 1341, 1342, or 1343 or chapter 25 or 47 of title 18, United States Code, or a violation of a substantially equivalent foreign statute.

rules of the Municipal Securities Rulemaking Board, or is un-

rities Rulemaking Board, or has failed reasonably to supervise,
with a view to preventing violations of the provisions of such
statutes, rules, and regulations, another person who commits
such a violation, if such other person is subject to his super-
vision. For the purposes of this subparagraph (E) no person
shall be deemed to have failed reasonably to supervise any
other person, if—

(i) there have been established procedures, and a system
for applying such procedures, which would reasonably be
expected to prevent and detect, insofar as practicable, any
such violation by such other person, and

(ii) such person has reasonably discharged the duties
and obligations incumbent upon him by reason of such pro-

that such procedures and system were not being complied

(H) is subject to any final order of a State securities commission (or any agency or officer performing like functions), State authority that supervises or examines banks, savings associations, or credit unions, State insurance commission (or any agency or office performing like functions), an appropriate Federal banking agency (as defined in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1819(q))), or the National Credit Union Administration, that—

(i) bars such person from association with an entity regulated by such commission, authority, agency, or officer, or from engaging in the business of securities, insurance, banking, savings association activities, or credit union activities; or

(ii) constitutes a final order based on violations of any laws or regulations that prohibit fraudulent, manipulative, or deceptive conduct.

(5) Pending final determination whether any registration under this subsection shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered broker or dealer may, upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered broker or dealer is no longer in existence or has ceased to do business as a broker or dealer, the Commission, by order, shall cancel the registration of such broker or dealer.

(6)(A) With respect to any person who is associated, who is seeking to become associated, or, at the time of the alleged misconduct, who was associated or was seeking to become associated with a broker or dealer, or any person participating, or, at the time of the
alleged misconduct, who was participating, in an offering of any
penny stock, the Commission, by order, shall censure, place limita-
tions on the activities or functions of such person, or suspend for
a period not exceeding 12 months, or bar any such person from
being associated with a broker, dealer, investment adviser, munici-
pal securities dealer, municipal advisor, transfer agent, or nation-
ally recognized statistical rating organization, or from participating
in an offering of penny stock, if the Commission finds, on the
record after notice and opportunity for a hearing, that such censure,
placing of limitations, suspension, or bar is in the public in-
terest and that such person—

(i) has committed or omitted any act, or is subject to an
order or finding, enumerated in subparagraph (A), (D), (E),
(H), or (G) of paragraph (4) of this subsection;

(ii) has been convicted of any offense specified in subpara-
graph (B) of such paragraph (4) within 10 years of the com-

(B) It shall be unlawful—

(i) for any person as to whom an order under subparagraph
(A) is in effect, without the consent of the Commission, will-
fully to become, or to be, associated with a broker or dealer in
contravention of such order, or to participate in an offering of
penny stock in contravention of such order;

(ii) for any broker or dealer to permit such a person, without
the consent of the Commission, to become or remain, a person
associated with the broker or dealer in contravention of such
order, if such broker or dealer knew, or in the exercise of rea-
sonable care should have known, of such order; or

(iii) for any broker or dealer to permit such a person, without
the consent of the Commission, to participate in an offering of
penny stock in contravention of such order, if such broker or
dealer knew, or in the exercise of reasonable care should have
known, of such order and of such participation.

(C) For purposes of this paragraph, the term “person partici-
pating in an offering of penny stock” includes any person acting as
any promoter, finder, consultant, agent, or other person who en-
gages in activities with a broker, dealer, or issuer for purposes of
the issuance or trading in any penny stock, or inducing or attempt-
ing to induce the purchase or sale of any penny stock. The Commis-
sion may, by rule or regulation, define such term to include other
activities, and may, by rule, regulation, or order, exempt any per-
son or class of persons, in whole or in part, conditionally or uncon-
ditionally, from such term.

(7) No registered broker or dealer or government securities
broker or government securities dealer registered (or required to
register) under section 15C(a)(1)(A) shall effect any transaction in,
or induce the purchase or sale of, any security unless such broker
or dealer meets such standards of operational capability and such
broker or dealer and all natural persons associated with such
broker or dealer meet such standards of training, experience, com-
petence, and such other qualifications as the Commission finds nec-
ecessary or appropriate in the public interest or for the protection of investors. The Commission shall establish such standards by rules and regulations, which may—

(A) specify that all or any portion of such standards shall be applicable to any class of brokers and dealers and persons associated with brokers and dealers;

(B) require persons in any such class to pass tests prescribed in accordance with such rules and regulations, which tests shall, with respect to any class of partners, officers, or supervisory employees (which latter term may be defined by the Commission's rules and regulations and as so defined shall include branch managers of brokers or dealers) engaged in the management of the broker or dealer, include questions relating to bookkeeping, accounting, internal control over cash and securities, supervision of employees, maintenance of records, and other appropriate matters; and

(C) provide that persons in any such class other than brokers and dealers and partners, officers, and supervisory employees of brokers or dealers, may be qualified solely on the basis of compliance with such standards of training and such other qualifications as the Commission finds appropriate.

The Commission, by rule, may prescribe reasonable fees and charges to defray its costs in carrying out this paragraph, including, but not limited to, fees for any test administered by it or under its direction. The Commission may cooperate with registered securities associations and national securities exchanges in devising and administering tests and may require registered brokers and dealers and persons associated with such brokers and dealers to pass tests administered by or on behalf of any such association or exchange and to pay such association or exchange reasonable fees or charges to defray the costs incurred by such association or exchange in administering such tests.

(8) It shall be unlawful for any registered broker or dealer to effect any transaction in, or induce or attempt to induce the purchase or sale of, any security (other than or commercial paper, bankers' acceptances, or commercial bills), unless such broker or dealer is a member of a securities association registered pursuant to section 15A of this title or effects transactions in securities solely on a national securities exchange of which it is a member.

(9) The Commission by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (8) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(10) For the purposes of determining whether a person is subject to a statutory disqualification under section 6(c)(2), 15A(g)(2), or 17A(b)(4)(A) of this title, the term “Commission” in paragraph (4)(B) of this subsection shall mean “exchange”, “association”, or “clearing agency”, respectively.

(11) Broker/dealer registration with respect to transactions in security futures products.—

(A) Notice registration.—

(i) Contents of notice.—Notwithstanding paragraphs (1) and (2), a broker or dealer required to register only because it effects transactions in security fu-
tures products on an exchange registered pursuant to section 6(g) may register for purposes of this section by filing with the Commission a written notice in such form and containing such information concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. A broker or dealer may not register under this paragraph unless that broker or dealer is a member of a national securities association registered under section 15A(k).

(ii) **Immediate Effectiveness.**—Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if the registration would be subject to suspension or revocation under paragraph (4).

(iii) **Suspension.**—Such registration shall be suspended immediately if a national securities association registered pursuant to section 15A(k) of this title suspends the membership of that broker or dealer.

(iv) **Termination.**—Such registration shall be terminated immediately if any of the above stated conditions for registration set forth in this paragraph are no longer satisfied.

(B) **Exemptions for Registered Brokers and Dealers.**—A broker or dealer registered pursuant to the requirements of subparagraph (A) shall be exempt from the following provisions of this title and the rules thereunder with respect to transactions in security futures products:

(12) **Exemption for Security Futures Product Exchange Members.**—

(i) is a member of a designated contract market registered with the Commission as an exchange pursuant to section 6(g);

(ii) effects transactions only in securities on the exchange of which such person is a member; and

(iii) does not directly accept or solicit orders from public customers or provide advice to public customers in connection with the trading of security futures products.

(B) **Other Exemptions.**—A natural person exempt from registration pursuant to subparagraph (A) shall also be exempt from the following provisions of this title and the rules thereunder:
(A) IN GENERAL.—Except as provided in subparagraph (B), an M&A broker shall be exempt from registration under this section.

(B) EXCLUDED ACTIVITIES.—An M&A broker is not exempt from registration under this paragraph if such broker does any of the following:

(ii) Engages on behalf of an issuer in a public offering of any class of securities that is registered, or is required to be registered, with the Commission under section 12 or with respect to which the issuer files, or is required to file, periodic information, documents, and reports under subsection (d).

(iii) a disqualification under the rules adopted by the Commission under section 926 of the Investor Protection and Securities Reform Act of 2010 (15 U.S.C. 77d note); or

(iv) a final order described in paragraph (4)(H).

(E) DEFINITIONS.—In this paragraph:

(i) CONTROL.—The term "control" means the power, directly or indirectly, to direct the management or policies of a company, whether through ownership of securities, by contract, or otherwise. There is a presumption of control for any person who—

(II) multiplying such dollar amount by the quotient obtained under subclause (I).

(ii) Rounding.—Each dollar amount determined under clause (i) shall be rounded to the nearest multiple of $100,000.

(c)(1)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than commercial paper, bankers’ acceptances, or commercial bills), or any security-based swap agreement by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security or any security-based swap agreement involving a municipal security by means of
any manipulative, deceptive, or other fraudulent device or contrivance.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or to attempt to induce the purchase or sale of, any government security or any security-based swap agreement involving a government security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(2)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) otherwise than on a national securities exchange of which it is a member, in connection with which such broker or dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security in connection with which such broker, dealer, or municipal securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or induce or attempt to induce the purchase or sale of, any government security in connection with which such government securities broker or government securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(D) The Commission shall, for the purposes of this paragraph, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative and such quotations as are fictitious.

(E) The Commission shall, prior to adopting any rule or regulation under subparagraph (C), consult with and consider the views of the Secretary of the Treasury and each appropriate regulatory agency. If the Secretary of the Treasury or any appropriate regulatory agency comments in writing on a proposed rule or regulation of the Commission under such subparagraph (C) that has been published for comment, the Commission shall respond in writing to such written comment before adopting the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission, that such rule or regulation, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule or regulation, find that such rule or regulation is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(3)(A) No broker or dealer (other than a government securities broker or government securities dealer, except a registered broker
or dealer) shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security (except a government security) or commercial paper, bankers’ acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest or for the protection of investors to provide safeguards with respect to the financial responsibility and related practices of brokers and dealers including, but not limited to, the acceptance of custody and use of customers’ securities and the carrying and use of customers’ deposits or credit balances. Such rules and regulations shall (A) require the maintenance of reserves with respect to customers’ deposits or credit balances, and (B) no later than September 1, 1975, establish minimum financial responsibility requirements for all brokers and dealers.

(B) Consistent with this title, the Commission, in consultation with the Commodity Futures Trading Commission, shall issue such rules, regulations, or orders as are necessary to avoid duplicative or conflicting regulations applicable to any broker or dealer registered with the Commission pursuant to section 15(b) (except paragraph (11) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act (except paragraph (2) thereof), with respect to the application of: (i) the provisions of section 8, section 15(c)(3), and section 17 of this title and the rules and regulations thereunder related to the treatment of customer funds, securities, or property, maintenance of books and records, financial reporting, or other financial responsibility rules, involving security futures products; and (ii) similar provisions of the Commodity Exchange Act and rules and regulations thereunder involving security futures products.

(C) Notwithstanding any provision of sections 2(a)(1)(C)(i) or 4d(a)(2) of the Commodity Exchange Act and the rules and regulations thereunder, and pursuant to an exemption granted by the Commission under section 36 of this title or pursuant to a rule or regulation, cash and securities may be held by a broker or dealer registered pursuant to subsection (b)(1) and also registered as a futures commission merchant pursuant to section 4f(a)(1) of the Commodity Exchange Act, in a portfolio margining account carried as a futures account subject to section 4d of the Commodity Exchange Act and the rules and regulations thereunder, pursuant to a portfolio margining program approved by the Commodity Futures Trading Commission, and subject to subchapter IV of chapter 7 of title 11 of the United States Code and the rules and regulations thereunder. The Commission shall consult with the Commodity Futures Trading Commission to adopt rules to ensure that such transactions and accounts are subject to comparable requirements to the extent practicable for similar products.

(4) If the Commission finds, after notice and opportunity for a hearing, that any person subject to the provisions of section 12, 13, 14, or subsection (d) of section 15 of this title or any rule or regulation thereunder has failed to comply with any such provision, rule, or regulation in any material respect, the Commission may publish
its findings and issue an order requiring such person, and any person who was a cause of the failure to comply due to an act or omission the person knew or should have known would contribute to the failure to comply, to take steps to effect compliance, with such provision or such rule or regulation thereunder upon such terms and conditions and within such time as the Commission may specify in such order.

(5) No dealer (other than a specialist registered on a national securities exchange) acting in the capacity of market maker or otherwise shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or a municipal security) in contravention of such specified and appropriate standards with respect to dealing as the Commission, by rule, shall prescribe as necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to remove impediments to and perfect the mechanism of a national market system. Under the rules of the Commission a dealer in a security may be prohibited from acting as broker in that security.

(6) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security, municipal security, commercial paper, bankers' acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest and for the protection of investors or to perfect or remove impediments to a national system for the prompt and accurate clearance and settlement of securities transactions, with respect to the time and method of, and the form and format of documents used in connection with, making settlements of and payments for transactions in securities, making transfers and deliveries of securities, and closing accounts. Nothing in this paragraph shall be construed (A) to affect the authority of the Board of Governors of the Federal Reserve System, pursuant to section 7 of this title, to prescribe rules and regulations for the purpose of preventing the excessive use of credit for the purchase or carrying of securities, or (B) to authorize the Commission to prescribe rules or regulations for such purpose.

(7) In connection with any bid for or purchase of a government security related to an offering of government securities by or on behalf of an issuer, no government securities broker, government securities dealer, or bidder for or purchaser of securities in such offering shall knowingly or willfully make any false or misleading written statement or omit any fact necessary to make any written statement made not misleading.

(8) **Prohibition of Referral Fees.**—No broker or dealer, or person associated with a broker or dealer, may solicit or accept, directly or indirectly, remuneration for assisting an attorney in obtaining the representation of any person in any private action arising under this title or under the Securities Act of 1933.

(d) **Supplementary and Periodic Information.**—

(1) **In General.**—Each issuer which has filed a registration statement containing an undertaking which is or becomes operative under this subsection as in effect prior to the date of
enactment of the Securities Acts Amendments of 1964, and each issuer which shall after such date file a registration statement which has become effective pursuant to the Securities Act of 1933, as amended, shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, such supplementary and periodic information, documents, and reports as may be required pursuant to section 13 of this title in respect of a security registered pursuant to section 12 of this title. The duty to file under this subsection shall be automatically suspended if and so long as any issue of securities of such issuer is registered pursuant to section 12 of this title. The duty to file under this subsection shall also be automatically suspended as to any fiscal year, other than the fiscal year within which such registration statement became effective, if, at the beginning of such fiscal year, the securities of each class, other than any class of asset-backed securities, to which the registration statement relates are held of record by less than 300 persons, or, in the case of a bank, a savings and loan holding company (as defined in section 10 of the Home Owners' Loan Act), or a bank holding company, as such term is defined in section 2 of the Bank Holding Company Act of 1956 (12 U.S.C. 1841), 1,200 persons. For the purposes of this subsection, the term “class” shall be construed to include all securities of an issuer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges. The Commission may, for the purpose of this subsection, define by rules and regulations the term “held of record” as it deems necessary or appropriate in the public interest or for the protection of investors in order to prevent circumvention of the provisions of this subsection. Nothing in this subsection shall apply to securities issued by a foreign government or political subdivision thereof.

(2) Asset-backed securities.—

(A) Suspension of duty to file.—The Commission may, by rule or regulation, provide for the suspension or termination of the duty to file under this subsection for any class of asset-backed security, on such terms and conditions and for such period or periods as the Commission deems necessary or appropriate in the public interest or for the protection of investors.

(B) Classification of issuers.—The Commission may, for purposes of this subsection, classify issuers and prescribe requirements appropriate for each class of issuers of asset-backed securities.

(e) Notices to Customers Regarding Securities Lending.—Every registered broker or dealer shall provide notice to its customers that they may elect not to allow their fully paid securities to be used in connection with short sales. If a broker or dealer uses a customer’s securities in connection with short sales, the broker or dealer shall provide notice to its customer that the broker or dealer may receive compensation in connection with lending the customer’s securities. The Commission, by rule, as it deems necessary or appropriate in the public interest and for the protection
of investors, may prescribe the form, content, time, and manner of delivery of any notice required under this paragraph.

(f) The Commission, by rule, as it deems necessary or appropriate in the public interest and for the protection of investors or to assure equal regulation, may require any member of a national securities exchange not required to register under section 15 of this title and any person associated with any such member to comply with any provision of this title (other than section 15(a)) or the rules or regulations thereunder which by its terms regulates or prohibits any act, practice, or course of business by a “broker or dealer” or “registered broker or dealer” or a “person associated with a broker or dealer,” respectively.

(g) Every registered broker or dealer shall establish, maintain, and enforce written policies and procedures reasonably designed, taking into consideration the nature of such broker’s or dealer’s business, to prevent the misuse in violation of this title, or the rules or regulations thereunder, of material, nonpublic information by such broker or dealer or any person associated with such broker or dealer. The Commission, as it deems necessary or appropriate in the public interest or for the protection of investors, shall adopt rules or regulations to require specific policies or procedures reasonably designed to prevent misuse in violation of this title (or the rules or regulations thereunder) of material, nonpublic information.

(h) **Requirements for Transactions in Penny Stocks.**—

(1) IN GENERAL.—No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any penny stock by any customer except in accordance with the requirements of this subsection and the rules and regulations prescribed under this subsection.

(2) **Risk Disclosure with Respect to Penny Stocks.**—Prior to effecting any transaction in any penny stock, a broker or dealer shall give the customer a risk disclosure document that—

(A) contains a description of the nature and level of risk in the market for penny stocks in both public offerings and secondary trading;

(B) contains a description of the broker’s or dealer’s duties to the customer and of the rights and remedies available to the customer with respect to violations of such duties or other requirements of Federal securities laws;

(C) contains a brief, clear, narrative description of a dealer market, including “bid” and “ask” prices for penny stocks and the significance of the spread between the bid and ask prices;

(D) contains the toll free telephone number for inquiries on disciplinary actions established pursuant to section 15A(i) of this title;

(E) defines significant terms used in the disclosure document or in the conduct of trading in penny stocks; and

(F) contains such other information, and is in such form (including language, type size, and format), as the Commission shall require by rule or regulation.

(3) **Commission Rules Relating to Disclosure.**—The Commission shall adopt rules setting forth additional standards for
the disclosure by brokers and dealers to customers of information concerning transactions in penny stocks. Such rules—

(A) shall require brokers and dealers to disclose to each customer, prior to effecting any transaction in, and at the time of confirming any transaction with respect to any penny stock, in accordance with such procedures and methods as the Commission may require consistent with the public interest and the protection of investors—

(i) the bid and ask prices for penny stock, or such other information as the Commission may, by rule, require to provide customers with more useful and reliable information relating to the price of such stock;

(ii) the number of shares to which such bid and ask prices apply, or other comparable information relating to the depth and liquidity of the market for such stock; and

(iii) the amount and a description of any compensation that the broker or dealer and the associated person thereof will receive or has received in connection with such transaction;

(B) shall require brokers and dealers to provide, to each customer whose account with the broker or dealer contains penny stocks, a monthly statement indicating the market value of the penny stocks in that account or indicating that the market value of such stock cannot be determined because of the unavailability of firm quotes; and

(C) may, as the Commission finds necessary or appropriate in the public interest or for the protection of investors, require brokers and dealers to disclose to customers additional information concerning transactions in penny stocks.

(4) EXEMPTIONS.—The Commission, as it determines consistent with the public interest and the protection of investors, may by rule, regulation, or order exempt in whole or in part, conditionally or unconditionally, any person or class of persons, or any transaction or class of transactions, from the requirements of this subsection. Such exemptions shall include an exemption for brokers and dealers based on the minimal percentage of the broker's or dealer's commissions, commission-equivalents, and markups received from transactions in penny stocks.

(5) REGULATIONS.—It shall be unlawful for any person to violate such rules and regulations as the Commission shall prescribe in the public interest or for the protection of investors or to maintain fair and orderly markets—

(A) as necessary or appropriate to carry out this subsection; or

(B) as reasonably designed to prevent fraudulent, deceptive, or manipulative acts and practices with respect to penny stocks.

(i) LIMITATIONS ON STATE LAW.—

(1) CAPITAL, MARGIN, BOOKS AND RECORDS, BONDING, AND REPORTS.—No law, rule, regulation, or order, or other administrative action of any State or political subdivision thereof shall establish capital, custody, margin, financial responsibility, making and keeping records, bonding, or financial or operational
reporting requirements for brokers, dealers, municipal securities dealers, government securities brokers, or government securities dealers that differ from, or are in addition to, the requirements in those areas established under this title. The Commission shall consult periodically the securities commissions (or any agency or office performing like functions) of the States concerning the adequacy of such requirements as established under this title.

(2) **FUNDING PORTALS.**—

(A) **LIMITATION ON STATE LAWS.**—Except as provided in subparagraph (B), no State or political subdivision thereof may enforce any law, rule, regulation, or other administrative action against a registered funding portal with respect to its business as such.

(B) **EXAMINATION AND ENFORCEMENT AUTHORITY.**—Subparagraph (A) does not apply with respect to the examination and enforcement of any law, rule, regulation, or administrative action of a State or political subdivision thereof in which the principal place of business of a registered funding portal is located, provided that such law, rule, regulation, or administrative action is not in addition to or different from the requirements for registered funding portals established by the Commission.

(C) **DEFINITION.**—For purposes of this paragraph, the term “State” includes the District of Columbia and the territories of the United States.

(3) **DE MINIMIS TRANSACTIONS BY ASSOCIATED PERSONS.**—No law, rule, regulation, or order, or other administrative action of any State or political subdivision thereof may prohibit an associated person of a broker or dealer from effecting a transaction described in paragraph (3) for a customer in such State if—

(A) such associated person is not ineligible to register with such State for any reason other than such a transaction;

(B) such associated person is registered with a registered securities association and at least one State; and

(C) the broker or dealer with which such person is associated is registered with such State.

(4) **DESCRIPTED TRANSACTIONS.**—

(A) **IN GENERAL.**—A transaction is described in this paragraph if—

(i) such transaction is effected—

(I) on behalf of a customer that, for 30 days prior to the day of the transaction, maintained an account with the broker or dealer; and

(II) by an associated person of the broker or dealer—

(aa) to which the customer was assigned for 14 days prior to the day of the transaction; and

(bb) who is registered with a State in which the customer was a resident or was present for at least 30 consecutive days during the 1-
year period prior to the day of the transaction; or

(ii) the transaction is effected—

(I) on behalf of a customer that, for 30 days prior to the day of the transaction, maintained an account with the broker or dealer; and

(II) during the period beginning on the date on which such associated person files an application for registration with the State in which the transaction is effected and ending on the earlier of—

(aa) 60 days after the date on which the application is filed; or

(bb) the date on which such State notifies the associated person that it has denied the application for registration or has stayed the pendency of the application for cause.

(B) RULES OF CONSTRUCTION.—For purposes of subparagraph (A)(i)(II)—

(i) each of up to 3 associated persons of a broker or dealer who are designated to effect transactions during the absence or unavailability of the principal associated person for a customer may be treated as an associated person to which such customer is assigned; and

(ii) if the customer is present in another State for 30 or more consecutive days or has permanently changed his or her residence to another State, a transaction is not described in this paragraph, unless the associated person of the broker or dealer files an application for registration with such State not later than 10 business days after the later of the date of the transaction, or the date of the discovery of the presence of the customer in the other State for 30 or more consecutive days or the change in the customer’s residence.

(j) RULEMAKING TO EXTEND REQUIREMENTS TO NEW HYBRID PRODUCTS.—

(1) CONSULTATION.—Prior to commencing a rulemaking under this subsection, the Commission shall consult with and seek the concurrence of the Board concerning the imposition of broker or dealer registration requirements with respect to any new hybrid product. In developing and promulgating rules under this subsection, the Commission shall consider the views of the Board, including views with respect to the nature of the new hybrid product; the history, purpose, extent, and appropriateness of the regulation of the new product under the Federal banking laws; and the impact of the proposed rule on the banking industry.

(2) LIMITATION.—The Commission shall not—

(A) require a bank to register as a broker or dealer under this section because the bank engages in any transaction in, or buys or sells, a new hybrid product; or

(B) bring an action against a bank for a failure to comply with a requirement described in subparagraph (A), unless the Commission has imposed such requirement by rule or regulation issued in accordance with this section.
(3) **CRITERIA FOR RULEMAKING.**—The Commission shall not impose a requirement under paragraph (2) of this subsection with respect to any new hybrid product unless the Commission determines that—

(A) the new hybrid product is a security; and

(B) imposing such requirement is necessary and appropriate in the public interest and for the protection of investors.

(4) **CONSIDERATIONS.**—In making a determination under paragraph (3), the Commission shall consider—

(A) the nature of the new hybrid product; and

(B) the history, purpose, extent, and appropriateness of the regulation of the new hybrid product under the Federal securities laws and under the Federal banking laws.

(5) **OBJECTION TO COMMISSION REGULATION.**—

(A) **FILING OF PETITION FOR REVIEW.**—The Board may obtain review of any final regulation described in paragraph (2) in the United States Court of Appeals for the District of Columbia Circuit by filing in such court, not later than 60 days after the date of publication of the final regulation, a written petition requesting that the regulation be set aside. Any proceeding to challenge any such rule shall be expedited by the Court of Appeals.

(B) **TRANSMITTAL OF PETITION AND RECORD.**—A copy of a petition described in subparagraph (A) shall be transmitted as soon as possible by the Clerk of the Court to an officer or employee of the Commission designated for that purpose. Upon receipt of the petition, the Commission shall file with the court the regulation under review and any documents referred to therein, and any other relevant materials prescribed by the court.

(C) **EXCLUSIVE JURISDICTION.**—On the date of the filing of the petition under subparagraph (A), the court has jurisdiction, which becomes exclusive on the filing of the materials set forth in subparagraph (B), to affirm and enforce or to set aside the regulation at issue.

(D) **STANDARD OF REVIEW.**—The court shall determine to affirm and enforce or set aside a regulation of the Commission under this subsection, based on the determination of the court as to whether—

(i) the subject product is a new hybrid product, as defined in this subsection;

(ii) the subject product is a security; and

(iii) imposing a requirement to register as a broker or dealer for banks engaging in transactions in such product is appropriate in light of the history, purpose, and extent of regulation under the Federal securities laws and under the Federal banking laws, giving deference neither to the views of the Commission nor the Board.

(E) **JUDICIAL STAY.**—The filing of a petition by the Board pursuant to subparagraph (A) shall operate as a judicial stay, until the date on which the determination of the court is final (including any appeal of such determination).
(F) OTHER AUTHORITY TO CHALLENGE.—Any aggrieved party may seek judicial review of the Commission’s rule-making under this subsection pursuant to section 25 of this title.

(6) DEFINITIONS.—For purposes of this subsection:
   (A) NEW HYBRID PRODUCT.—The term “new hybrid product” means a product that—
      (i) was not subjected to regulation by the Commission as a security prior to the date of the enactment of the Gramm-Leach-Bliley Act;
      (ii) is not an identified banking product as such term is defined in section 206 of such Act; and
      (iii) is not an equity swap within the meaning of section 206(a)(6) of such Act.
   (B) BOARD.—The term “Board” means the Board of Governors of the Federal Reserve System.

(j) The authority of the Commission under this section with respect to security-based swap agreements shall be subject to the restrictions and limitations of section 3A(b) of this title.

(k) REGISTRATION OR SUCCESION TO A UNITED STATES BROKER OR DEALER.—In determining whether to permit a foreign person or an affiliate of a foreign person to register as a United States broker or dealer, or succeed to the registration of a United States broker or dealer, the Commission may consider whether, for a foreign person, or an affiliate of a foreign person that presents a risk to the stability of the United States financial system, the home country of the foreign person has adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

(l) TERMINATION OF A UNITED STATES BROKER OR DEALER.—For a foreign person or an affiliate of a foreign person that presents such a risk to the stability of the United States financial system, the Commission may determine to terminate the registration of such foreign person or an affiliate of such foreign person as a broker or dealer in the United States, if the Commission determines that the home country of the foreign person has not adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

(k) STANDARD OF CONDUCT.—
   (1) IN GENERAL.—Notwithstanding any other provision of this Act or the Investment Advisers Act of 1940, the Commission may promulgate rules to provide that, with respect to a broker or dealer, when providing personalized investment advice about securities to a retail customer (and such other customers as the Commission may by rule provide), the standard of conduct for such broker or dealer with respect to such customer shall be the same as the standard of conduct applicable to an investment adviser under section 211 of the Investment Advisers Act of 1940. The receipt of compensation based on commission or other standard compensation for the sale of securities shall not, in and of itself, be considered a violation of such standard applied to a broker or dealer. Nothing in this section shall require a broker or dealer or registered representative to have a continuing duty of care or loyalty to the cus-
customer after providing personalized investment advice about securities.

(2) Disclosure of Range of Products Offered.—Where a broker or dealer sells only proprietary or other limited range of products, as determined by the Commission, the Commission may by rule require that such broker or dealer provide notice to each retail customer and obtain the consent or acknowledgment of the customer. The sale of only proprietary or other limited range of products by a broker or dealer shall not, in and of itself, be considered a violation of the standard set forth in paragraph (1).

(3) Requirements Prior to Rulemaking.—The Commission shall not promulgate a rule pursuant to paragraph (1) before providing a report to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate describing whether—

(A) retail investors (and such other customers as the Commission may provide) are being harmed due to brokers or dealers operating under different standards of conduct than those that apply to investment advisors under section 211 of the Investment Advisers Act of 1940 (15 U.S.C. 80b–11);

(B) alternative remedies will reduce any confusion or harm to retail investors due to brokers or dealers operating under different standards of conduct than those standards that apply to investment advisors under section 211 of the Investment Advisers Act of 1940 (15 U.S.C. 80b–11), including—

(i) simplifying the titles used by brokers, dealers, and investment advisers; and

(ii) enhancing disclosure surrounding the different standards of conduct currently applicable to brokers, dealers, and investment advisers;

(C) the adoption of a uniform fiduciary standard of conduct for brokers, dealers, and investment advisors would adversely impact the commissions of brokers and dealers, the availability of proprietary products offered by brokers and dealers, and the ability of brokers and dealers to engage in principal transactions with customers; and

(D) the adoption of a uniform fiduciary standard of conduct for brokers or dealers and investment advisors would adversely impact retail investor access to personalized and cost-effective investment advice, recommendations about securities, or the availability of such advice and recommendations.

(4) Economic Analysis.—The Commission’s conclusions contained in the report described in paragraph (3) shall be supported by economic analysis.

(5) Requirements for Promulgating a Rule.—The Commission shall publish in the Federal Register alongside the rule promulgated pursuant to paragraph (1) formal findings that such rule would reduce confusion or harm to retail customers (and such other customers as the Commission may by rule provide) due to different standards of conduct applicable to brokers, dealers, and investment advisors.
(6) REQUIREMENTS UNDER INVESTMENT ADVISERS ACT OF 1940.—In proposing rules under paragraph (1) for brokers or dealers, the Commission shall consider the differences in the registration, supervision, and examination requirements applicable to brokers, dealers, and investment advisors.

(l) OTHER MATTERS.—The Commission shall—

(1) facilitate the provision of simple and clear disclosures to investors regarding the terms of their relationships with brokers, dealers, and investment advisers, including any material conflicts of interest; and

(2) examine and, where appropriate, promulgate rules prohibiting or restricting certain sales practices, conflicts of interest, and compensation schemes for brokers, dealers, and investment advisers that the Commission deems contrary to the public interest and the protection of investors.

(m) HARMONIZATION OF ENFORCEMENT.—The enforcement authority of the Commission with respect to violations of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer shall include—

(1) the enforcement authority of the Commission with respect to such violations provided under this Act; and

(2) the enforcement authority of the Commission with respect to violations of the standard of conduct applicable to an investment adviser under the Investment Advisers Act of 1940, including the authority to impose sanctions for such violations, and

the Commission shall seek to prosecute and sanction violators of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer under this Act to same extent as the Commission prosecutes and sanctions violators of the standard of conduct applicable to an investment advisor under the Investment Advisers Act of 1940.

(n) DISCLOSURES TO RETAIL INVESTORS.—

(1) IN GENERAL.—Notwithstanding any other provision of the securities laws, the Commission may issue rules designating documents or information that shall be provided by a broker or dealer to a retail investor before the purchase of an investment product or service by the retail investor.

(2) CONSIDERATIONS.—In developing any rules under paragraph (1), the Commission shall consider whether the rules will promote investor protection, efficiency, competition, and capital formation.

(3) FORM AND CONTENTS OF DOCUMENTS AND INFORMATION.—Any documents or information designated under a rule promulgated under paragraph (1) shall—

(A) be in a summary format; and

(B) contain clear and concise information about—

(i) investment objectives, strategies, costs, and risks; and

(ii) any compensation or other financial incentive received by a broker, dealer, or other intermediary in connection with the purchase of retail investment products.
(o) AUTHORITY TO RESTRICT MANDATORY PRE-DISPUTE ARBITRATION.—The Commission, by rule, may prohibit, or impose conditions or limitations on the use of, agreements that require customers or clients of any broker, dealer, or municipal securities dealer to arbitrate any future dispute between them arising under the Federal securities laws, the rules and regulations thereunder, or the rules of a self-regulatory organization if it finds that such prohibition, imposition of conditions, or limitations are in the public interest and for the protection of investors.

MUNICIPAL SECURITIES

SEC. 15B. (a)(1)(A) It shall be unlawful for any municipal securities dealer (other than one registered as a broker or dealer under section 15 of this title) to make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security unless such municipal securities dealer is registered in accordance with this subsection.

(B) It shall be unlawful for a municipal advisor to provide advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, or to undertake a solicitation of a municipal entity or obligated person, unless the municipal advisor is registered in accordance with this subsection.

(2) A municipal securities dealer or municipal advisor may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such municipal securities dealer or municipal advisor and any person associated with such municipal securities dealer or municipal advisor as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings the Commission, by order, shall grant or deny such registration. The Commission may extend the time for the conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant the registration of a municipal securities dealer or municipal advisor if the Commission finds that the requirements of this section are satisfied. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would
be subject to suspension or revocation under subsection (c) of this section.

(3) Any provision of this title (other than section 5 or paragraph (1) of this subsection) which prohibits any act, practice, or course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered municipal securities dealer or municipal advisor or any person acting on behalf of such municipal securities dealer or municipal advisor, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by rule or order, upon its own motion or upon application, may conditionally or unconditionally exempt any broker, dealer, municipal securities dealer, or municipal advisor, or class of brokers, dealers, municipal securities dealers, or municipal advisors from any provision of this section or the rules or regulations thereunder, if the Commission finds that such exemption is consistent with the public interest, the protection of investors, and the purposes of this section.

(5) No municipal advisor shall make use of the mails or any means or instrumentality of interstate commerce to provide advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products, the issuance of municipal securities, or to undertake a solicitation of a municipal entity or obligated person, in connection with which such municipal advisor engages in any fraudulent, deceptive, or manipulative act or practice.

(b)(1) The Municipal Securities Rulemaking Board shall be composed of 15 members, or such other number of members as specified by rules of the Board pursuant to paragraph (2)(B), which shall perform the duties set forth in this section. The members of the Board shall serve as members for a term of 3 years or for such other terms as specified by rules of the Board pursuant to paragraph (2)(B), and shall consist of (A) 8 individuals who are independent of any municipal securities broker, municipal securities dealer, or municipal advisor, at least 1 of whom shall be representative of institutional or retail investors in municipal securities, at least 1 of whom shall be representative of municipal entities, and at least 1 of whom shall be a member of the public with knowledge of or experience in the municipal industry (which members are hereinafter referred to as “public representatives”); and (B) 7 individuals who are associated with a broker, dealer, municipal securities dealer, or municipal advisor, including at least 1 individual who is associated with and representative of brokers, dealers, or municipal securities dealers that are not banks or subsidiaries or departments or divisions of banks (which members are hereinafter referred to as “broker-dealer representatives”), at least 1 individual who is associated with and representative of municipal securities dealers which are banks or subsidiaries or departments or divisions of banks (which members are hereinafter referred to as “bank representatives”), and at least 1 individual who is associated with a municipal advisor (which members are hereinafter referred to as “advisor representatives” and, together with the broker-dealer representatives and the bank representatives, are referred to as “regulated representatives”). Each member of the board shall be knowl-
edgeable of matters related to the municipal securities markets. Prior to the expiration of the terms of office of the initial members of the Board, an election shall be held under rules adopted by the Board (pursuant to subsection (b)(2)(B) of this section) of the members to succeed such initial members.

(2) The Board shall propose and adopt rules to effect the purposes of this title with respect to transactions in municipal securities effected by brokers, dealers, and municipal securities dealers and advice provided to or on behalf of municipal entities or obligated persons by brokers, dealers, municipal securities dealers, and municipal advisors with respect to municipal financial products, the issuance of municipal securities, and solicitations of municipal entities or obligated persons undertaken by brokers, dealers, municipal securities dealers, and municipal advisors. The rules of the Board, as a minimum, shall:

(A) provide that no municipal securities broker or municipal securities dealer shall effect any transaction in, or induce or attempt to induce the purchase or sale of, any municipal security, and no broker, dealer, municipal securities dealer, or municipal advisor shall provide advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, unless such municipal securities broker or municipal securities dealer meets such standards of operational capability and such municipal securities broker or municipal securities dealer and every natural person associated with such municipal securities broker or municipal securities dealer meets such standards of training, experience, competence, and such other qualifications as the Board finds necessary or appropriate in the public interest or for the protection of investors and municipal entities or obligated persons. In connection with the definition and application of such standards the Board may—

(i) appropriately classify municipal securities brokers, municipal securities dealers, and municipal advisors (taking into account relevant matters, including types of business done, nature of securities other than municipal securities sold, and character of business organization), and persons associated with municipal securities brokers, municipal securities dealers, and municipal advisors;

(ii) specify that all or any portion of such standards shall be applicable to any such class; and

(iii) require persons in any such class to pass tests administered in accordance with subsection (c)(7) of this section.

(B) establish fair procedures for the nomination and election of members of the Board and assure fair representation in such nominations and elections of public representatives, broker dealer representatives, bank representatives, and advisor representatives. Such rules—

(i) shall provide that the number of public representatives of the Board shall at all times exceed the total number of regulated representatives and that the membership shall at all times be as evenly divided in number as possible between public representatives and regulated representatives;
(ii) shall specify the length or lengths of terms members shall serve;
(iii) may increase the number of members which shall constitute the whole Board, provided that such number is an odd number; and
(iv) shall establish requirements regarding the independence of public representatives.

(C) be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products, and, in general, to protect investors, municipal entities, obligated persons, and the public interest; and not be designed to permit unfair discrimination among customers, municipal entities, obligated persons, municipal securities brokers, municipal securities dealers, or municipal advisors, to fix minimum profits, to impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by municipal securities brokers, municipal securities dealers, or municipal advisors, to regulate by virtue of any authority conferred by this title matters not related to the purpose of this title or the administration of the Board, or to impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(D) if the Board deems appropriate, provide for the arbitration of claims, disputes, and controversies relating to transactions in municipal securities and advice concerning municipal financial products: Provided, however, that no person other than a municipal securities broker, municipal securities dealer, municipal advisor, or person associated with such a municipal securities broker, municipal securities dealer, or municipal advisor may be compelled to submit to such arbitration except at his instance and in accordance with section 29 of this title.

(E) provide for the periodic examination in accordance with subsection (c)(7) of this section of municipal securities brokers, municipal securities dealers, and municipal advisors to determine compliance with applicable provisions of this title, the rules and regulations thereunder, and the rules of the Board. Such rules shall specify the minimum scope and frequency of such examinations and shall be designed to avoid unnecessary regulatory duplication or undue regulatory burdens for any such municipal securities broker, municipal securities dealer, or municipal advisor.

(F) include provisions governing the form and content of quotations relating to municipal securities which may be distributed or published by any municipal securities broker, municipal securities dealer, or person associated with such a municipal securities broker or municipal securities dealer, and the persons to whom such quotations may be supplied. Such rules relating to quotations shall be designed to produce fair and informative quotations, to prevent fictitious or misleading
quotations, and to promote orderly procedures for collecting, distributing, and publishing quotations.

(G) prescribe records to be made and kept by municipal securities brokers, municipal securities dealers, and municipal advisors and the periods for which such records shall be preserved.

(H) define the term “separately identifiable department or division”, as that term is used in section 3(a)(30) of this title, in accordance with specified and appropriate standards to assure that a bank is not deemed to be engaged in the business of buying and selling municipal securities through a separately identifiable department or division unless such department or division is organized and administered so as to permit independent examination and enforcement of applicable provisions of this title, the rules and regulations thereunder, and the rules of the Board. A separately identifiable department or division of a bank may be engaged in activities other than those relating to municipal securities.

(I) provide for the operation and administration of the Board, including the selection of a Chairman from among the members of the Board, the compensation of the members of the Board, and the appointment and compensation of such employees, attorneys, and consultants as may be necessary or appropriate to carry out the Board’s functions under this section.

(J) provide that each municipal securities broker, municipal securities dealer, and municipal advisor shall pay to the Board such reasonable fees and charges as may be necessary or appropriate to defray the costs and expenses of operating and administering the Board. Such rules shall specify the amount of such fees and charges, which may include charges for failure to submit to the Board, or to any information system operated by the Board, within the prescribed timeframes, any items of information or documents required to be submitted under any rule issued by the Board.

(2) The Commission, by order, shall censure, place limitations on the activities, functions, or operations, suspend for a period not exceeding twelve months, or revoke the registration of any municipal securities dealer or municipal advisor, if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, denial, suspension, or revocation, is in the public interest and that such municipal securities dealer or municipal advisor has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within ten years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) or such paragraph (4).

(3) Pending final determination whether any registration under this section shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors or municipal entities or obligated person. Any registered municipal securities dealer or municipal advisor may, upon such terms and conditions as the Commission may deem necessary in the public interest or for the protection of investors or municipal entities or obligated person, withdraw from registration by filing a written notice of withdrawal with the Commission. (4) LOOK-BACK REQUIREMENT.—

(A) REVIEW BY THE NATIONALLY RECOGNIZED STATISTICAL RATING ORGANIZATION.—Each nationally recognized statistical rating organization shall establish, maintain, and enforce policies and procedures reasonably designed to ensure that, in any case in which an employee of a person subject to a credit rating of the nationally recognized statistical rating organization or the issuer, underwriter, or sponsor of a security or money market instrument subject to a credit rating of the nationally recognized statistical rating organization was employed by the nationally recognized statistical rating organization and participated in
any capacity in determining credit ratings for the person or the securities or money market instruments during the 1-year period preceding the date an action was taken with respect to the credit rating, the nationally recognized statistical rating organization shall—

(i) conduct a review to determine whether any conflicts of interest of the employee influenced the credit rating; and

(ii) take action to revise the rating if appropriate, in accordance with such rules as the Commission shall prescribe.

(B) REVIEW BY COMMISSION.—

(i) IN GENERAL.—The Commission shall conduct periodic reviews of the policies described in subparagraph (A) and the implementation of the policies at each nationally recognized statistical rating organization to ensure they are reasonably designed and implemented to most effectively eliminate conflicts of interest.

to which such services relate, written certification, as pro-
vided in subparagraph (C).

statistical rating organization to provide an accurate rat-
ing.

(D) DISCLOSURE OF CERTIFICATION.—The Commission
shall adopt rules requiring a nationally recognized statisti-
cal rating organization, at the time at which the nation-
ally recognized statistical rating organization produces a
rating, to disclose the certification described in subpara-
grah (B) to the public in a manner that allows the public
to determine the adequacy and level of due diligence serv-
ices provided by a third party.

(t) CORPORATE GOVERNANCE, ORGANIZATION, AND MANAGEMENT
OF CONFLICTS OF INTEREST.—

(1) BOARD OF DIRECTORS.—Each nationally recognized statisti-
cal rating organization shall have a board of directors.

(C) COMPENSATION AND TERM.—The compensation of the
independent members of the board of directors of a nation-
ally recognized statistical rating organization shall not be
linked to the business performance of the nationally recog-

(5) EXCEPTION AUTHORITY.—If the Commission finds that compliance with the provisions of this subsection present an unreasonable burden on a small nationally recognized statistical rating organization, the Commission may permit the nationally recognized statistical rating organization to delegate such responsibilities to a committee that includes at least one individual who is a user of ratings of a nationally recognized statistical rating organization.

(u) DUTY TO REPORT TIPS ALLEGING MATERIAL VIOLATIONS OF LAW.—

(1) DUTY TO REPORT.—Each nationally recognized statistical rating organization shall refer to the appropriate law enforcement or regulatory authorities any information that the nationally recognized statistical rating organization receives from a third party and finds credible that alleges that an issuer of securities rated by the nationally recognized statistical rating organization has committed or is committing a material violation of law that has not been adjudicated by a Federal or State court.

(2) RULE OF CONSTRUCTION.—Nothing in paragraph (1) may be construed to require a nationally recognized statistical rating organization to verify the accuracy of the information described in paragraph (1).

(v) INFORMATION FROM SOURCES OTHER THAN THE ISSUER.—In producing a credit rating, a nationally recognized statistical rating organization shall consider information about an issuer that the nationally recognized statistical rating organization has, or receives from a source other than the issuer or underwriter, that the na-
tionally recognized statistical rating organization finds credible and potentially significant to a rating decision.

(w) COMMISSION EXEMPTIVE AUTHORITY.—The Commission, by rules and regulations upon its own motion, or by order upon application, may conditionally or unconditionally exempt any person from any provision or provisions of this title or of any rule or regulation thereunder, if and to the extent it determines that such rule, regulation, or requirement is creating a barrier to entry into the market for nationally recognized statistical rating organizations or impeding competition among such organizations, or that such an exemption is necessary or appropriate in the public interest and is consistent with the protection of investors.

(1) IN GENERAL.—The Federal banking agencies and the Commission may jointly adopt or issue exemptions, exceptions, or adjustments to the rules issued under this section, including exemptions, exceptions, or adjustments for classes of institutions or assets relating to the risk retention requirement and the prohibition on hedging under subsection (c)(1).

(2) APPLICABLE STANDARDS.—Any exemption, exception, or adjustment adopted or issued by the Federal banking agencies and the Commission under this paragraph shall—

(A) help ensure high quality underwriting standards for the securitizers and originators of assets that are securitized or available for securitization; and

(3) CERTAIN INSTITUTIONS AND PROGRAMS EXEMPT.—

(A) FARM CREDIT SYSTEM INSTITUTIONS.—Notwithstanding any other provision of this section, the requirements of this section shall not apply to any loan or other financial asset made, insured, guaranteed, or purchased by any institution that is subject to the supervision of the Farm Credit Administration, including the Federal Agricultural Mortgage Corporation.

(B) OTHER FEDERAL PROGRAMS.—This section shall not apply to any residential, multifamily, or health care facility mortgage loan asset, or securitization based directly or indirectly on such an asset, which is insured or guaranteed by the United States or an agency of the United States. (B) QUALIFIED RESIDENTIAL MORTGAGE.—The Federal banking agencies, the Commission, the Secretary of Housing and Urban Development, and the Director of the Federal Housing Finance Agency shall jointly define the term “qualified residential mortgage” for purposes of this subsection, taking into consideration underwriting and product features that historical loan performance data indicate result in a lower risk of default, such as—

(ii) standards with respect to—

(I) the residual income of the mortgagor after all monthly obligations;

(v) prohibiting or restricting the use of balloon payments, negative amortization, prepayment penalties, interest-only payments, and other features that have been demonstrated to exhibit a higher risk of borrower default.

(C) LIMITATION ON DEFINITION.—The Federal banking agencies, the Commission, the Secretary of Housing and Urban Development, and the Director of the Federal Housing Finance Agency in defining the term “qualified residential mortgage”, as required by subparagraph (B), shall define that term to be no broader than the definition “qualified mortgage” as the term is defined under section 129C(c)(2) of the Truth in Lending Act, as amended by the Consumer Financial Protection Act of 2010, and regulations adopted thereunder.

(5) CONDITION FOR QUALIFIED RESIDENTIAL MORTGAGE EXEMPTION.—The regulations issued under paragraph (4) shall provide that an asset-backed security that is collateralized by tranches of other asset-backed securities shall not be exempt from the risk retention requirements of this subsection.

(6) CERTIFICATION.—The Commission shall require an issuer to certify, for each issuance of an asset-backed security collateralized exclusively by qualified residential mortgages,

(f) ENFORCEMENT.—The regulations issued under this section shall be enforced by—

(1) the appropriate Federal banking agency, with respect to any securitizer that is an insured depository institution; and

(2) the Commission, with respect to any securitizer that is not an insured depository institution.

The Commission or the appropriate regulatory agency (as the case may be) making such a specification shall continue to have access to the document on request.

(d)(1) The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, to foster cooperation and coordination among self-regulatory organizations, or to remove impediments to and foster the development of a national market system and national system for the clearance and settlement of securities transactions, may—

(B) allocate among self-regulatory organizations the authority to adopt rules with respect to matters as to which, in the absence of such allocation, such self-regulatory organizations share authority under this title.

In making any such rule or entering any such order, the Commission shall take into consideration the regulatory capabilities and procedures of the self-regulatory organizations, availability of staff, convenience of location, unnecessary regulatory duplication, and such other factors as the Commission may consider germane to the protection of investors, cooperation and coordination among self-regulatory organizations, and the development of a national market system and a national system for the clearance and settlement of securities transactions. The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, may require any self-regulatory organization relieved of any responsibility pursuant to this paragraph, and any person with respect to whom such responsibility relates, to take such steps as are specified in any such rule or order to notify customers of, and persons doing business with, such person of the limited nature of such self-regulatory organization’s responsibility for such person’s acts, practices, and course of business.

ners, directors, officers, and employees be fingerprinted and shall submit such fingerprints, or cause the same to be submitted, to the Attorney General of the United States for identification and appropriate processing. The Commission, by rule, may exempt from the provisions of this paragraph upon specified terms, conditions, and periods, any class of partners, directors, officers, or employees of any such member, broker, dealer, transfer agent, clearing agency, securities information processor, national securities exchange, or national securities association, if the Commission finds that such action is not inconsistent with the public interest or the protection of investors. Notwithstanding any other provision of law, in providing identification and processing functions, the Attorney General shall provide the Commission and self-regulatory organizations designated by the Commission with access to all criminal history record information.

(3)(A) In order to carry out the authority under paragraph (1) above, the Commission or its designee may enter into agreement with the Attorney General to use the facilities of the National Crime Information Center ("NCIC") to receive, store, and disseminate information in regard to missing, lost, counterfeit, or stolen securities and to permit direct inquiry access to NCIC's file on such securities for the financial community.

(B) In order to carry out the authority under paragraph (1) of this subsection, the Commission or its designee and the Secretary of the Treasury shall enter into an agreement whereby the Commission or its designee will receive, store, and disseminate information in the possession, and which comes into the possession, of the Department of the Treasury in regard to missing, lost, counterfeit, or stolen securities.

(4) In regard to paragraphs (1), (2), and (3), above insofar as such paragraphs apply to any bank or member of the Federal Reserve System, the Commission may delegate its authority to:

(A) the Comptroller of the Currency as to national banks;

(B) the Federal Reserve Board in regard to any member of the Federal Reserve System which is not a national bank; and

(C) the Federal Deposit Insurance Corporation for any State bank which is insured by the Federal Deposit Insurance Corporation but which is not a member of the Federal Reserve System.

(5) The Commission shall encourage the insurance industry to require their insured to report expeditiously instances of missing, lost, counterfeit, or stolen securities to the Commission or to such other person as the Commission may, by rule, designate to receive such information.

(g) Any broker, dealer, or other person extending credit who is subject to the rules and regulations prescribed by the Board of Governors of the Federal Reserve System pursuant to this title shall make such reports to the Board as it may require as necessary or appropriate to enable it to perform the functions conferred upon it by this title. If any such broker, dealer, or other person shall fail to make any such report or fail to furnish full information therein, or, if in the judgment of the Board it is otherwise necessary, such broker, dealer, or other person shall permit such inspections to be made by the Board with respect to the business operations of such
broker, dealer, or other person as the Board may deem necessary to enable it to obtain the required information.

(h) RISK ASSESSMENT FOR HOLDING COMPANY SYSTEMS.—

(1) OBLIGATIONS TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—Every person who is (A) a registered broker or dealer, or (B) a registered municipal securities dealer for which the Commission is the appropriate regulatory agency, shall obtain such information and make and keep such records as the Commission by rule prescribes concerning the registered person’s policies, procedures, or systems for monitoring and controlling financial and operational risks to it resulting from the activities of any of its associated persons, other than a natural person. Such records shall describe, in the aggregate, each of the financial and securities activities conducted by, and the customary sources of capital and funding of, those of its associated persons whose business activities are reasonably likely to have a material impact on the financial or operational condition of such registered person, including its net capital, its liquidity, or its ability to conduct or finance its operations. The Commission, by rule, may requiresummary reports of such information to be filed with the Commission no more frequently than quarterly.

(2) AUTHORITY TO REQUIRE ADDITIONAL INFORMATION.—If, as a result of adverse market conditions or based on reports provided to the Commission pursuant to paragraph (1) of this subsection or other available information, the Commission reasonably concludes that it has concerns regarding the financial or operational condition of (A) any registered broker or dealer, or (B) any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, the Commission may require the registered person to make reports concerning the financial and securities activities of any of such person’s associated persons, other than a natural person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of such registered person. The Commission, in requiring reports pursuant to this paragraph, shall specify the information required, the period for which it is required, the time and date on which the information must be furnished, and whether the information is to be furnished directly to the Commission or to a self-regulatory organization with primary responsibility for examining the registered person’s financial and operational condition.

(3) SPECIAL PROVISIONS WITH RESPECT TO ASSOCIATED PERSONS SUBJECT TO FEDERAL BANKING AGENCY REGULATION.—

(A) COOPERATION IN IMPLEMENTATION.—In developing and implementing reporting requirements pursuant to paragraph (1) of this subsection with respect to associated persons subject to examination by or reporting requirements of a Federal banking agency, the Commission shall consult with and consider the views of each such Federal banking agency. If a Federal banking agency comments in writing on a proposed rule of the Commission under this subsection that has been published for comment, the Com-
mission shall respond in writing to such written comment before adopting the proposed rule. The Commission shall, at the request of the Federal banking agency, publish such comment and response in the Federal Register at the time of publishing the adopted rule.

(B) USE OF BANKING AGENCY REPORTS.—A registered broker, dealer, or municipal securities dealer shall be in compliance with any recordkeeping or reporting requirement adopted pursuant to paragraph (1) of this subsection concerning an associated person that is subject to examination by or reporting requirements of a Federal banking agency if such broker, dealer, or municipal securities dealer utilizes for such recordkeeping or reporting requirement copies of reports filed by the associated person with the Federal banking agency pursuant to section 5211 of the Revised Statutes, section 9 of the Federal Reserve Act, section 7(a) of the Federal Deposit Insurance Act, section 10(b) of the Home Owners’ Loan Act, or section 8 of the Bank Holding Company Act of 1956. The Commission may, however, by rule adopted pursuant to paragraph (1), require any broker, dealer, or municipal securities dealer filing such reports with the Commission to obtain, maintain, or report supplemental information if the Commission makes an explicit finding that such supplemental information is necessary to inform the Commission regarding potential risks to such broker, dealer, or municipal securities dealer. Prior to requiring any such supplemental information, the Commission shall first request the Federal banking agency to expand its reporting requirements to include such information.

(C) PROCEDURE FOR REQUIRING ADDITIONAL INFORMATION.—Prior to making a request pursuant to paragraph (2) of this subsection for information with respect to an associated person that is subject to examination by or reporting requirements of a Federal banking agency, the Commission shall—

(i) notify such agency of the information required with respect to such associated person; and

(ii) consult with such agency to determine whether the information required is available from such agency and for other purposes, unless the Commission determines that any delay resulting from such consultation would be inconsistent with ensuring the financial and operational condition of the broker, dealer, municipal securities dealer, government securities broker, or government securities dealer or the stability or integrity of the securities markets.

(D) EXCLUSION FOR EXAMINATION REPORTS.—Nothing in this subsection shall be construed to permit the Commission to require any registered broker or dealer, or any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, to obtain, maintain, or furnish any examination report of any Fed-
eral banking agency or any supervisory recommendations or analysis contained therein.

(E) CONFIDENTIALITY OF INFORMATION PROVIDED.—No information provided to or obtained by the Commission from any Federal banking agency pursuant to a request by the Commission under subparagraph (C) of this paragraph regarding any associated person which is subject to examination by or reporting requirements of a Federal banking agency may be disclosed to any other person (other than a self-regulatory organization), without the prior written approval of the Federal banking agency. Nothing in this subsection shall authorize the Commission to withhold information from Congress, or prevent the Commission from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission.

(F) NOTICE TO BANKING AGENCIES CONCERNING FINANCIAL AND OPERATIONAL CONDITION CONCERNS.—The Commission shall notify the Federal banking agency of any concerns of the Commission regarding significant financial or operational risks resulting from the activities of any registered broker or dealer, or any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, to any associated person thereof which is subject to examination by or reporting requirements of the Federal banking agency.

(4) EXEMPTIONS.—The Commission by rule or order may exempt any person or class of persons, under such terms and conditions and for such periods as the Commission shall provide in such rule or order, from the provisions of this subsection, and the rules thereunder. In granting such exemptions, the Commission shall consider, among other factors—

(A) whether information of the type required under this subsection is available from a supervisory agency (as defined in section 1101(6) of the Right to Financial Privacy Act of 1978 (12 U.S.C. 3401(6))), a State insurance commission or similar State agency, the Commodity Futures Trading Commission, or a similar foreign regulator;

(E) with respect to the registered person and its associated persons, on a consolidated basis, the amount and proportion of assets devoted to, and revenues derived from, activities in the United States securities markets.
(5) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Commission shall not be compelled to disclose any information required to be reported under this subsection, or any information supplied to the Commission by any domestic or foreign regulatory agency that relates to the financial or operational condition of any associated person of a registered broker, dealer, government securities broker, government securities dealer, or municipal securities dealer. Nothing in this subsection shall authorize the Commission to withhold information from Congress, or prevent the Commission from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission. For purposes of section 552 of title 5, United States Code, this subsection shall be considered a statute described in subsection (b)(3)(B) of such section 552. In prescribing regulations to carry out the requirements of this subsection, the Commission shall designate information described in or obtained pursuant to subparagraph (B) or (C) of paragraph (3) of this subsection as confidential information for purposes of section 24(b)(2) of this title.

(i) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Commission shall not be compelled to disclose any information required to be reported under subsection (h) or (i) or any information supplied to the Commission by any domestic or foreign regulatory agency that relates to the financial or operational condition of any associated person of a broker or dealer, investment bank holding company, or any affiliate of an investment bank holding company. Nothing in this subsection shall authorize the Commission to withhold information from Congress, or prevent the Commission from complying with a request for information from any other Federal department or agency or any self-regulatory organization requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission. For purposes of section 552 of title 5, United States Code, this subsection shall be considered a statute described in subsection (b)(3)(B) of such section 552. In prescribing regulations to carry out the requirements of this subsection, the Commission shall designate information described in or obtained pursuant to subparagraphs (A), (B), and (C) of subsection (i)(5) as confidential information for purposes of section 24(b)(2) of this title.

(j) COORDINATION OF EXAMINING AUTHORITIES.—

(1) ELIMINATION OF DUPLICATION.—The Commission and the examining authorities, through cooperation and coordination of examination and oversight activities, shall eliminate any unnecessary and burdensome duplication in the examination process.

(2) COORDINATION OF EXAMINATIONS.—The Commission and the examining authorities shall share such information, including reports of examinations, customer complaint information, and other nonpublic regulatory information, as appropriate to
foster a coordinated approach to regulatory oversight of brokers and dealers that are subject to examination by more than one examining authority.

(3) EXAMINATIONS FOR CAUSE.—At any time, any examining authority may conduct an examination for cause of any broker or dealer subject to its jurisdiction.

(4) CONFIDENTIALITY.—

(A) IN GENERAL.—Section 24 shall apply to the sharing of information in accordance with this subsection. The Commission shall take appropriate action under section 24(c) to ensure that such information is not inappropriately disclosed.

(B) APPROPRIATE DISCLOSURE NOT PROHIBITED.—Nothing in this paragraph authorizes the Commission or any examining authority to withhold information from the Congress, or prevent the Commission or any examining authority from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission.

(5) DEFINITION.—For purposes of this subsection, the term “examining authority” means a self-regulatory organization registered with the Commission under this title (other than a registered clearing agency) with the authority to examine, inspect, and otherwise oversee the activities of a registered broker or dealer.

INVESTIGATIONS; INJUNCTIONS AND PROSECUTION OF OFFENSES

SEC. 21. (a)(1) The Commission may, in its discretion, make such investigations as it deems necessary to determine whether any person has violated, is violating, or is about to violate any provision of this title, the rules or regulations thereunder, the rules of a national securities exchange or registered securities association of which such person is a member or a person associated, or, as to any act or practice, or omission to act, while associated with a member, formerly associated with a member, the rules of a registered clearing agency in which such person is a participant, or, as to any act, practice, or omission to act, while a participant, was a participant, the rules of the Public Company Accounting Oversight Board, of which such person is a registered public accounting firm, a person associated with such a firm, or, as to any act, practice, or omission to act, while associated with such firm, a person formerly associated with such a firm, or the rules of the Municipal Securities Rulemaking Board, and may require or permit any person to file with it a statement in writing, under oath or otherwise as the Commission shall determine, as to all the facts and circumstances concerning the matter to be investigated. The Commission is authorized in its discretion, to publish information concerning any such violations, and to investigate any facts, conditions, practices, or matters which it may deem necessary or proper to aid in the enforcement of such provisions, in the prescribing of rules and regulations under this title, or in securing information to
serve as a basis for recommending further legislation concerning the matters to which this title relates.

(2) On request from a foreign securities authority, the Commission may provide assistance in accordance with this paragraph if the requesting authority states that the requesting authority is conducting an investigation which it deems necessary to determine whether any person has violated, is violating, or is about to violate any laws or rules relating to securities matters that the requesting authority administers or enforces. The Commission may, in its discretion, conduct such investigation as the Commission deems necessary to collect information and evidence pertinent to the request for assistance. Such assistance may be provided without regard to whether the facts stated in the request would also constitute a violation of the laws of the United States. In deciding whether to provide such assistance, the Commission shall consider whether (A) the requesting authority has agreed to provide reciprocal assistance in securities matters to the Commission; and (B) compliance with the request would prejudice the public interest of the United States.

(b) SUBPOENA.—

(1) IN GENERAL.—For the purpose of any such investigation, or any other proceeding under this title, any member of the Commission or any officer designated by it is empowered to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, or other records which the Commission deems relevant or material to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States or any State at any designated place of hearing.

(2) OMNIBUS ORDERS OF INVESTIGATION.—

(A) DURATION AND RENEWAL.—An omnibus order of investigation shall not be for an indefinite duration and may be renewed only by Commission action.

(B) DEFINITION.—In paragraph (A), the term “omnibus order of investigation” means an order of the Commission authorizing 1 or more members of the Commission or its staff to issue subpoenas under paragraph (1) to multiple persons in relation to a particular subject matter area.

(c) In case of contumacy by, or refusal to obey a subpoena issued to, any person, the Commission may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, correspondence, memoranda, and other records. And such court may issue an order requiring such person to appear before the Commission or member or officer designated by the Commission, there to produce records, if so ordered, or to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found. Any person who shall, without just cause, fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, pa-
pers, correspondence, memoranda, and other records, if in his power so to do, in obedience to the subpoena of the Commission, shall be guilty of a misdemeanor and, upon conviction, shall be subject to a fine of not more than $1,000 or to imprisonment for a term of not more than one year, or both.

(d)(1) Whenever it shall appear to the Commission that any person is engaged or is about to engage in acts or practices constituting a violation of any provision of this title, the rules or regulations thereunder, the rules of a national securities exchange or registered securities association of which such person is a member or a person associated with a member, the rules of a registered clearing agency in which such person is a participant, the rules of the Public Company Accounting Oversight Board, of which such person is a registered public accounting firm or a person associated with such a firm, or the rules of the Municipal Securities Rulemaking Board, it may in its discretion bring an action in the proper district court of the United States, the United States District Court for the District of Columbia, or the United States courts of any territory or other place subject to the jurisdiction of the United States, to enjoin such acts or practices, and upon a proper showing a permanent or temporary injunction or restraining order shall be granted without bond. The Commission may transmit such evidence as may be available concerning such acts or practices as may constitute a violation of any provision of this title or the rules or regulations thereunder to the Attorney General, who may, in his discretion, institute the necessary criminal proceedings under this title.

(2) **Authority of a Court To Prohibit Persons From Serving as Officers and Directors.**—In any proceeding under paragraph (1) of this subsection, the court may prohibit, conditionally or unconditionally, and permanently or for such period of time as it shall determine, any person who violated section 10(b) of this title or the rules or regulations thereunder from acting as an officer or director of any issuer that has a class of securities registered pursuant to section 12 of this title or that is required to file reports pursuant to section 15(d) of this title if the person's conduct demonstrates unfitness to serve as an officer or director of any such issuer.

(3) **Money Penalties in Civil Actions.**—

(A) **Authority of Commission.**—Whenever it shall appear to the Commission that any person has violated any provision of this title, the rules or regulations thereunder, a Federal court injunction or a bar obtained or entered by the Commission under this title, or a cease-and-desist order entered by the Commission pursuant to section 21C of this title, other than by committing a violation subject to a penalty pursuant to section 21A, the Commission may bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, upon a proper showing, a civil penalty to be paid by the person who committed such violation.

(B) **Amount of Penalty.**—

(i) **First Tier.**—The amount of the penalty shall be determined by the court in light of the facts and circumstances. For each violation, the amount of the penalty shall not exceed the greater of (i) $5,000 for a natural person or $10,000 for any other per-

(iii) THIRD TIER.—Notwithstanding clauses (i) and (ii), the amount of penalty for each such violation shall not exceed the greater of (I) $100,000 for a natural person or $500,000 for any other person, or (II) the gross amount of pecuniary gain to such defendant as a result of the violation, if—

(aa) the violation described in subparagraph (A) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement; and

(bb) such violation directly or indirectly resulted in substantial losses or created a significant risk of substantial losses to other persons.

(iii) THIRD TIER.—

(I) IN GENERAL.—Notwithstanding clauses (i) and (ii), the amount of penalty for each such violation shall not exceed the amount specified in subclause (II) if—

(bb) 3 times the gross amount of pecuniary gain to such defendant as a result of the violation; or

(cc) the amount of losses incurred by victims as a result of the violation.

(iv) FOURTH TIER.—Notwithstanding clauses (i), (ii), and (iii), the maximum amount of penalty for each such violation shall be 3 times the otherwise applicable amount in such clauses if, within the 5-year period preceding such violation, the defendant was criminally convicted for securities fraud or became subject to a judgment or order imposing monetary, equitable, or administrative relief in any Commission action alleging fraud by that defendant.

(C) PROCEDURES FOR COLLECTION.—

(i) PAYMENT OF PENALTY TO TREASURY.—A penalty imposed under this section shall be payable into the Treasury of the United States, except as otherwise provided in section 308 of the Sarbanes-Oxley Act of 2002 and section 21F of this title.
(ii) **Collection of Penalties.**—If a person upon whom such a penalty is imposed shall fail to pay such penalty within the time prescribed in the court’s order, the Commission may refer the matter to the Attorney General who shall recover such penalty by action in the appropriate United States district court.

(iii) **Remedy Not Exclusive.**—The actions authorized by this paragraph may be brought in addition to any other action that the Commission or the Attorney General is entitled to bring.

(iv) **Jurisdiction and Venue.**—For purposes of section 27 of this title, actions under this paragraph shall be actions to enforce a liability or a duty created by this title.

(D) **Special Provisions Relating to a Violation of a Cease-and-Desist Order.**—In an action to enforce a cease-and-desist order entered by the Commission pursuant to section 21C, each separate violation of such order shall be a separate offense, except that in the case of a violation through a continuing failure to comply with the order, each day of the failure to comply shall be deemed a separate offense.

(D) **Special Provisions Relating to a Violation of an Injunction or Certain Orders.**—

(i) **In General.**—Each separate violation of an injunction or order described in clause (ii) shall be a separate offense, except that in the case of a violation through a continuing failure to comply with such injunction or order, each day of the failure to comply with the injunction or order shall be deemed a separate offense.

(4) **Prohibition of Attorneys’ Fees Paid from Commission Disgorgement Funds.**—Except as otherwise ordered by the court upon motion by the Commission, or, in the case of an administrative action, as otherwise ordered by the Commission, funds disgorged as the result of an action brought by the Commission in Federal court, or as a result of any Commission administrative action, shall not be distributed as payment for attorneys’ fees or expenses incurred by private parties seeking distribution of the disgorged funds.

(5) **Equitable Relief.**—In any action or proceeding brought or instituted by the Commission under any provision of the securities laws, the Commission may seek, and any Federal court may grant, any equitable relief that may be appropriate or necessary for the benefit of investors.

(6) **Authority of a Court to Prohibit Persons from Participating in an Offering of Penny Stock.**—
(A) **IN GENERAL.**—In any proceeding under paragraph (1) against any person participating in, or, at the time of the alleged misconduct who was participating in, an offering of penny stock, the court may prohibit that person from participating in an offering of penny stock, conditionally or unconditionally, and permanently or for such period of time as the court shall determine.

(B) **DEFINITION.**—For purposes of this paragraph, the term “person participating in an offering of penny stock” includes any person engaging in activities with a broker, dealer, or issuer for purposes of issuing, trading, or inducing or attempting to induce the purchase or sale of, any penny stock. The Commission may, by rule or regulation, define such term to include other activities, and may, by rule, regulation, or order, exempt any person or class of persons, in whole or in part, conditionally or unconditionally, from inclusion in such term.

(e) Upon application of the Commission the district courts of the United States and the United States courts of any territory or other place subject to the jurisdiction of the United States shall have jurisdiction to issue writs of mandamus, injunctions, and orders commanding (1) any person to comply with the provisions of this title, the rules, regulations, and orders thereunder, the rules of a national securities exchange or registered securities association of which such person is a member or person associated with a member, the rules of a registered clearing agency in which such person is a participant, the rules of the Public Company Accounting Oversight Board, of which such person is a registered public accounting firm or a person associated with such a firm, the rules of the Municipal Securities Rulemaking Board, or any undertaking contained in a registration statement as provided in subsection (d) of section 15 of this title, (2) any national securities exchange or registered securities association to enforce compliance by its members and persons associated with its members with the provisions of this title, the rules, regulations, and orders thereunder, and the rules of such exchange or association, or (3) any registered clearing agency to enforce compliance by its participants with the provisions of the rules of such clearing agency.

(f) Notwithstanding any other provision of this title, the Commission shall not bring any action pursuant to subsection (d) or (e) of this section against any person for violation of, or to command compliance with, the rules of a self-regulatory organization or the Public Company Accounting Oversight Board unless it appears to the Commission that (1) such self-regulatory organization or the Public Company Accounting Oversight Board is unable or unwilling to take appropriate action against such person in the public interest and for the protection of investors, or (2) such action is otherwise necessary or appropriate in the public interest or for the protection of investors.

(g) Notwithstanding the provisions of section 1407(a) of title 28, United States Code, or any other provision of law, no action for equitable relief instituted by the Commission pursuant to the securities laws shall be consolidated or coordinated with other actions not brought by the Commission, even though such other actions may involve common questions of fact, unless such consolidation is consented to by the Commission.
(h)(1) The Right to Financial Privacy Act of 1978 shall apply with respect to the Commission, except as otherwise provided in this subsection.

(2) Notwithstanding section 1105 or 1107 of the Right to Financial Privacy Act of 1978, the Commission may have access to and obtain copies of, or the information contained in financial records of a customer from a financial institution without prior notice to the customer upon an ex parte showing to an appropriate United States district court that the Commission seeks such financial records pursuant to a subpoena issued in conformity with the requirements of section 19(b) of the Securities Act of 1933, section 21(b) of the Securities Exchange Act of 1934, section 42(b) of the Investment Company Act of 1940, or section 209(b) of the Investment Advisers Act of 1940, and that the Commission has reason to believe that—

(A) delay in obtaining access to such financial records, or the required notice, will result in—
   (i) flight from prosecution;
   (ii) destruction of or tampering with evidence;
   (iii) transfer of assets or records outside the territorial limits of the United States;
   (iv) improper conversion of investor assets; or
   (v) impeding the ability of the Commission to identify or trace the source or disposition of funds involved in any securities transaction;

(B) such financial records are necessary to identify or trace the record or beneficial ownership interest in any security;

(C) the acts, practices or course of conduct under investigation involve—
   (i) the dissemination of materially false or misleading information concerning any security, issuer, or market, or the failure to make disclosures required under the securities laws, which remain uncorrected; or
   (ii) a financial loss to investors or other persons protected under the securities laws which remains substantially uncompensated; or

(D) the acts, practices or course of conduct under investigation—
   (i) involve significant financial speculation in securities; or
   (ii) endanger the stability of any financial or investment intermediary.

(3) Any application under paragraph (2) for a delay in notice shall be made with reasonable specificity.

(4)(A) Upon a showing described in paragraph (2), the presiding judge or magistrate shall enter an ex parte order granting the requested delay for a period not to exceed ninety days and an order prohibiting the financial institution involved from disclosing that records have been obtained or that a request for records has been made.

(B) Extensions of the period of delay of notice provided in subparagraph (A) of up to ninety days each may be granted by the court upon application, but only in accordance with this subsection or section 1109(a), (b)(1), or (b)(2) of the Right to Financial Privacy Act of 1978.
(C) Upon expiration of the period of delay of notification ordered under subparagraph (A) or (B), the customer shall be served with or mailed a copy of the subpoena insofar as it applies to the customer together with the following notice which shall describe with reasonable specificity the nature of the investigation for which the Commission sought the financial records:

(5) Upon application by the Commission, all proceedings pursuant to paragraphs (2) and (4) shall be held in camera and the records thereof sealed until expiration of the period of delay or such other date as the presiding judge or magistrate may permit.

(7)(A) Following the expiration of the period of delay of notification ordered by the court pursuant to paragraph (4) of this subsection, the customer may, upon motion, reopen the proceeding in the district court which issued the order. If the presiding judge or magistrate finds that the movant is the customer to whom the records obtained by the Commission pertain, and that the Commission has obtained financial records or information contained therein in violation of this subsection, other than paragraph (1), it may order that the customer be granted civil penalties against the Commission in an amount equal to the sum of—

(i) $100 without regard to the volume of records involved;
(ii) any out-of-pocket damages sustained by the customer as a direct result of the disclosure; and
(iii) if the violation is found to have been willful, intentional, and without good faith, such punitive damages as the court may allow, together with the costs of the action and reasonable attorney's fees as determined by the court.

(B) Upon a finding that the Commission has obtained financial records or information contained therein in violation of this subsection, other than paragraph (1), the court, in its discretion, may also or in the alternative issue injunctive relief to require the Commission to comply with this subsection with respect to any subpoena which the Commission issues in the future for financial records of such customer for purposes of the same investigation.

(C) Whenever the court determines that the Commission has failed to comply with this subsection, other than paragraph (1), and the court finds that the circumstances raise questions of whether an officer or employee of the Commission acted in a willful and intentional manner and without good faith with respect to the violation, the Office of Personnel Management shall promptly initiate a proceeding to determine whether disciplinary action is warranted against the agent or employee who was primarily responsible for the violation. After investigating and considering the evidence submitted, the Office of Personnel Management shall submit its findings and recommendations to the Commission and shall send copies of the findings and recommendations to the officer or employee or his representative. The Commission shall take the corrective action that the Office of Personnel Management recommends.

(8) The relief described in paragraphs (7) and (10) shall be the only remedies or sanctions available to a customer for a violation of this subsection, other than paragraph (1), and nothing herein or in the Right to Financial Privacy Act of 1978 shall be deemed to prohibit the use in any investigation or proceeding of financial records, or the information contained therein, obtained by a subpoena issued by the Commission. In the case of an unsuccessful ac-
tion under paragraph (7), the court shall award the costs of the action and attorney's fees to the Commission if the presiding judge or magistrate finds that the customer's claims were made in bad faith.

(9)(A) The Commission may transfer financial records or the information contained therein to any government authority if the Commission proceeds as a transferring agency in accordance with section 1112 of the Right to Financial Privacy Act of 1978, except that the customer notice required under section 1112(b) or (c) of such Act may be delayed upon a showing by the Commission, in accordance with the procedure set forth in paragraphs (4) and (5), that one or more of subparagraphs (A) through (D) of paragraph (2) apply.

(B) The Commission may, without notice to the customer pursuant to section 1112 of the Right to Financial Privacy Act of 1978, transfer financial records or the information contained therein to a State securities agency or to the Department of Justice. Financial records or information transferred by the Commission to the Department of Justice or to a State securities agency pursuant to the provisions of this subparagraph may be disclosed or used only in an administrative, civil, or criminal action or investigation by the Department of Justice or the State securities agency which arises out of or relates to the acts, practices, or courses of conduct investigated by the Commission, except that if the Department of Justice or the State securities agency determines that the information should be disclosed or used for any other purpose, it may do so if it notifies the customer, except as otherwise provided in the Right to Financial Privacy Act of 1978, within 30 days of its determination, or complies with the requirements of section 1109 of such Act regarding delay of notice.

Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision, rule, or regulation, upon such terms and conditions and within such time as the Commission may specify in such order. Any such order may, as the Commission deems appropriate, require future compliance or steps to effect fu-

Such an order shall be entered only after notice and opportunity for a hearing, unless the Commission determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the respondent and, unless set aside, limited, or suspended by the Commission or a court of competent jurisdiction, shall remain effective and enforceable pending the completion of the proceedings.

(2) APPLICABILITY.—This subsection shall apply only to a respondent that acts, or, at the time of the alleged misconduct acted, as a broker, dealer, investment adviser, investment company, municipal securities dealer, government securities broker, government securities dealer, or transfer agent, or is, or was at the time of the alleged misconduct, an associated person of, or a person seeking to become associated with, any of the foregoing.

(F) Commission rules or regulations issued under section 4(2), except that this subparagraph does not prohibit a State from imposing notice filing requirements that are substantially similar to those required by rule or regulation under section 4(2) that are in effect on September 1, 1996; or

(G) section 4(a)(7); or

(H) section 4(a)(8).

(i) In General.—During the period beginning on the date of enactment of the National Securities Markets Improvement Act of 1996 and ending 3 years after that date of enactment, the securities commission (or any agency or office performing like functions) of any State may require the registration of securities issued by any issuer who refuses to pay the fees required by subparagraph (B).

(ii) Delays.—For purposes of this subparagraph, delays in payment of fees or underpayments of fees that are promptly remedied shall not constitute a refusal to pay fees.
(D) FEES NOT PERMITTED ON LISTED SECURITIES.—Notwithstanding subparagraphs (A), (B), and (C), no filing or fee may be required with respect to any security that is a covered security pursuant to subsection (b)(1), or will be such a covered security upon completion of the transaction, or is a security of the same issuer that is equal in seniority or that is a senior security to a security that is a covered security pursuant to subsection (b)(1).

(ii) is or was a cause of the violation of any provision of this title, or any rule or regulation issued under this title.

(2) MAXIMUM AMOUNT OF PENALTY.—

(A) FIRST TIER.—The maximum amount of penalty for each act or omission described in paragraph (1) shall be $5,000 for a natural person or $50,000 for any other person.

(B) SECOND TIER.—Notwithstanding subparagraph (A), the maximum amount of penalty for each such act or omission shall be $50,000 for a natural person or $250,000 for any other person if the act or omission described in paragraph (1) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement.

(C) THIRD TIER.—

(i) IN GENERAL.—Notwithstanding subparagraphs (A) and (B), the amount of penalty for each such act or omission shall not exceed the amount specified in clause (ii) if—

(I) the act or omission described in paragraph (1) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement; and

(II) such act or omission directly or indirectly resulted in substantial losses or created a significant risk of substantial losses to other persons or re-

(3) DETERMINATION OF PUBLIC INTEREST.—In considering under this section whether a penalty is in the public interest, the Commission may consider—

(A) whether the act or omission for which such penalty is assessed involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement;

(B) the harm to other persons resulting either directly or indirectly from such act or omission;

(C) the extent to which any person was unjustly enriched, taking into account any restitution made to persons injured by such behavior;

(E) the need to deter such person and other persons from committing such acts or omissions; and

(F) such other matters as justice may require.

(4) EVIDENCE CONCERNING ABILITY TO PAY.—In any proceeding in which the Commission may impose a penalty under this section, a respondent may present evidence of the respondent's ability to pay such penalty. The Commission may, in its discretion, consider such evidence in determining whether such penalty is in the public interest. Such evidence may relate to the extent of such person's ability to continue in business and the collectability of a penalty, taking into account any other claims of the United States or third parties upon such person's assets and the amount of such person's assets.

(j) AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNTING AND DISGORGEMENT.—In any proceeding in which the Commission
may impose a penalty under this section, the Commission may enter an order requiring accounting and disgorgement, including reasonable interest. The Commission is authorized to adopt rules, regulations, and orders concerning payments to investors, rates of interest, periods of accrual, and such other matters as it deems appropriate to implement this subsection.

(k) CEASE-AND-DESIST PROCEEDINGS.—

(1) AUTHORITY OF THE COMMISSION.—If the Commission finds, after notice and opportunity for hearing, that any person is violating, has violated, or is about to violate any provision of this title, or any rule or regulation thereunder, the Commission may publish its findings and enter an order requiring such person, and any other person that is, was, or would be a cause of the violation, due to an act or omission the person knew or should have known would contribute to such violation, to cease and desist from committing or causing such violation and any future violation of the same provision, rule, or regulation. Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision, rule, or regulation, upon such terms and conditions and within such time as the Commission may specify in such order. Any such order may, as the Commission deems appropriate, require future compliance or steps to effect future compliance, either permanently or for such period of time as the Commission may specify, with such provision, rule, or regulation with respect to any security, any issuer, or any other person.

(2) HEARING.—The notice instituting proceedings pursuant to paragraph (1) shall fix a hearing date not earlier than 30 days nor later than 60 days after service of the notice unless an earlier or a later date is set by the Commission with the consent of any respondent so served.

(3) TEMPORARY ORDER.—

(A) IN GENERAL.—Whenever the Commission determines that the alleged violation or threatened violation specified in the notice instituting proceedings pursuant to paragraph (1), or the continuation thereof, is likely to result in significant dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest, including, but not limited to, losses to the Securities Investor Protection Corporation, prior to the completion of the proceedings, the Commission may enter a temporary order requiring the respondent to cease and desist from the violation or threatened violation and to take such action to prevent the violation or threatened violation and to prevent dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest as the Commission deems appropriate pending completion of such proceedings. Such an order shall be entered only after notice and opportunity for a hearing, unless the Commission, notwithstanding section 211(c) of this title, determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the
respondent and, unless set aside, limited, or suspended by
the Commission or a court of competent jurisdiction, shall
remain effective and enforceable pending the completion of
the proceedings.

(B) APPLICABILITY.—This paragraph shall apply only to
a respondent that acts, or, at the time of the alleged mis-

transfer agent, or is, or was at the time of the alleged mis-
conduct, an associated person of, or a person seeking to be-
come associated with, any of the foregoing.

(4) REVIEW OF TEMPORARY ORDERS.—

(A) COMMISSION REVIEW.—At any time after the re-
spondent has been served with a temporary cease-and-de-
sist order pursuant to paragraph (3), the respondent may
apply to the Commission to have the order set aside, lim-
ited, or suspended. If the respondent has been served with
a temporary cease-and-desist order entered without a prior
Commission hearing, the respondent may, within 10 days
after the date on which the order was served, request a
hearing on such application and the Commission shall hold
a hearing and render a decision on such application at the
earliest possible time.

(B) JUDICIAL REVIEW.—Within—

(i) 10 days after the date the respondent was served
with a temporary cease-and-desist order entered with
a prior Commission hearing, or

(ii) 10 days after the Commission renders a decision
on an application and hearing under subparagraph
(A), with respect to any temporary cease-and-desist
order entered without a prior Commission hearing,
the respondent may apply to the United States district
court for the district in which the respondent resides or
has its principal office or place of business, or for the Dis-
trict of Columbia, for an order setting aside, limiting, or
suspending the effectiveness or enforcement of the order,
and the court shall have jurisdiction to enter such an
order. A respondent served with a temporary cease-and-de-
sist order entered without a prior Commission hearing
may not apply to the court except after hearing and deci-
sion by the Commission on the respondent’s application
under subparagraph (A) of this paragraph.

(C) NO AUTOMATIC STAY OF TEMPORARY ORDER.—The
commencement of proceedings under subparagraph (B) of
this paragraph shall not, unless specifically ordered by the
court, operate as a stay of the Commission’s order.

(D) EXCLUSIVE REVIEW.—Section 213 of this title shall
not apply to a temporary order entered pursuant to this
section.

(5) AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNT-
ING AND DISGORGE MET.—In any cease-and-desist proceeding
under paragraph (1), the Commission may enter an order re-

(n) **REGISTRATION AND EXAMINATION OF MID-SIZED PRIVATE FUND ADVISERS.**—In prescribing regulations to carry out the requirements of this section with respect to investment advisers acting as investment advisers to mid-sized private funds, the Commission shall take into account the size, governance, and investment strategy of such funds to determine whether they pose systemic risk, and shall provide for registration and examination procedures with respect to the investment advisers of such funds which reflect the level of systemic risk posed by such funds.

(o) **EXEMPTION OF AND REPORTING BY PRIVATE EQUITY FUND ADVISERS.**—

SEC. 209. (a) Whenever it shall appear to the Commission, either
upon complaint or otherwise, that the provisions of this title or of
any rule or regulation prescribed under the authority thereof, have
been or are about to be violated by any person, it may in its discre-
tion require, and in any event shall permit, such person to file with
it a statement in writing, under oath or otherwise, as to all the
facts and circumstances relevant to such violation, and may other-
wise investigate all such facts and circumstances.

(b) For the purposes of any investigation or any proceeding under
this title, any member of the Commission or any officer thereof des-
ignated by it is empowered to administer oaths and affirmations,
subpoena witnesses, compel their attendance, take evidence, and re-
quire the production of any books, papers, correspondence, memo-
randa, contracts, agreements, or other records which are relevant
or material to the inquiry. Such attendance of witnesses and the
production of any such records may be required from any place in
any State or in any Territory or other place subject to the jurisdic-
tion of the United States at any designated place of hearing.

(c) In case of contumacy by, or refusal to obey a subpoena issued
to, any person, the Commission may invoke the aid of any court of
the United States within the jurisdiction of which such investiga-
tion or proceeding is carried on, or where such person resides or
carries on business, in requiring the attendance and testimony of
witnesses and the production of books, papers, correspondence,
memoranda, contracts, agreements, and other records. And such
court may issue an order requiring such person to appear before
the Commission or member or officer designated by the Commis-
sion, there to produce records, if so ordered or to give testimony
touching the matter under investigation or in question; and any
failure to obey such order of the court may be punished by such
court as a contempt thereof. All process in any such case may be
served in the judicial district whereof such person is an inhabitant
or wherever he may be found. Any person who without just cause
shall fail or refuse to attend and testify or to answer any lawful
inquiry or to produce books, papers, correspondence, memoranda,
contracts, agreements, or other records, if in his or its power so to
do, in obedience to the subpoena of the Commission, shall be guilty
of a misdemeanor; and upon conviction shall be subject to a fine
of not more than $1,000 or to imprisonment for a term of not more
than one year, or both.

abetted, counseled, commanded, induced, or procured, is aiding,
abetting, counseling, commanding, inducing, or procuring, or is
about to aid, abet, counsel, command, induce, or procure such a vio-

Upon a showing that such person has engaged, is engaged, or is about to engage in any such act or practice, or in aiding, abetting, counseling, commanding, inducing, or procuring any such act or practice, a permanent or temporary injunction or decree or restraining order shall be granted without bond. The Commission may transmit such evidence as may be available concerning any violation of the provisions of this title, or of any rule, regulation, or order hereunder, to the Attorney General, who, in his discretion, may institute the appropriate criminal proceedings under this title.

RULES, REGULATIONS, AND ORDERS

SEC. 211. (a) The Commission shall have authority from time to time to make, issue, amend, and rescind such rules and regulations and such orders as are necessary or appropriate to the exercise of the functions and powers conferred upon the Commission elsewhere in this title, including rules and regulations defining technical, trade, and other terms used in this title, except that the Commission may not define the term “client” for purposes of paragraphs (1) and (2) of section 206 to include an investor in a private fund managed by an investment adviser, if such private fund has entered into an advisory contract with such adviser. For the purposes of its rules or regulations the Commission may classify persons and matters within its jurisdiction and prescribe different requirements for different classes of persons or matters.

(b) Subject to the provisions of chapter 15 of title 44, United States Code, and regulations prescribed under the authority thereof, the rules and regulations of the Commission under this title, and amendments thereof, shall be effective upon publication in the manner which the Commission shall prescribe, or upon such later date as may be provided in such rules and regulations.

(c) Orders of the Commission under this title shall be issued only after appropriate notice and opportunity for hearing. Notice to the parties to a proceeding before the Commission shall be given by personal service upon each party or by registered mail or certified mail or confirmed telegraphic notice to the party’s last known business address. Notice to interested persons, if any, other than parties may be given in the same manner or by publication in the Federal Register.
(d) No provision of this title imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule, regulation, or order of the Commission, notwithstanding that such rule, regulation, or order may, after such act or omission, be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

(e) **Disclosure Rules on Private Funds.**—The Commission and the Commodity Futures Trading Commission shall, after consultation with the Council but not later than 12 months after the date of enactment of the Private Fund Investment Advisers Registration Act of 2010, jointly promulgate rules to establish the form and content of the reports required to be filed with the Commission under subsection 204(b) and with the Commodity Futures Trading Commission by investment advisers that are registered both under this title and the Commodity Exchange Act (7 U.S.C. 1a et seq.).

(g) **Standard of Conduct.**—

1. **In General.**—The Commission may promulgate rules to provide that the standard of conduct for all brokers, dealers, and investment advisers, when providing personalized investment advice about securities to retail customers (and such other customers as the Commission may by rule provide), shall be to act in the best interest of the customer without regard to the financial or other interest of the broker, dealer, or investment adviser providing the advice. In accordance with such rules, any material conflicts of interest shall be disclosed and may be consented to by the customer. Such rules shall provide that such standard of conduct shall be no less stringent than the standard applicable to investment advisers under section 206(1) and (2) of this Act when providing personalized investment advice about securities, except the Commission shall not ascribe a meaning to the term “customer” that would include an investor in a private fund managed by an investment adviser, where such private fund has entered into an advisory contract with such adviser. The receipt of compensation based on commission or fees shall not, in and of itself, be considered a violation of such standard applied to a broker, dealer, or investment adviser.

2. **Retail Customer Defined.**—For purposes of this subsection, the term “retail customer” means a natural person, or the legal representative of such natural person, who—

   a. receives personalized investment advice about securities from a broker, dealer, or investment adviser; and
   b. uses such advice primarily for personal, family, or household purposes.

(h) **Other Matters.**—The Commission shall—

1. facilitate the provision of simple and clear disclosures to investors regarding the terms of their relationships with brokers, dealers, and investment advisers, including any material conflicts of interest; and
2. examine and, where appropriate, promulgate rules prohibiting or restricting certain sales practices, conflicts of interest, and compensation schemes for brokers, dealers, and investment advisers that the Commission deems contrary to the public interest and the protection of investors.
(i) **Harmonization of Enforcement.**—The enforcement authority of the Commission with respect to violations of the standard of conduct applicable to an investment adviser shall include—

1. the enforcement authority of the Commission with respect to such violations provided under this Act; and
2. the enforcement authority of the Commission with respect to violations of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer under the Securities Exchange Act of 1934, including the authority to impose sanctions for such violations, and

the Commission shall seek to prosecute and sanction violators of the standard of conduct applicable to an investment adviser under this Act to same extent as the Commission prosecutes and sanctions violators of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer under the Securities Exchange Act of 1934.

any underlying security, option on such security or option
on a group or index including such securities; and

(III) Such group or index of securities shall not con-
stitute a narrow-based security index.

(iii) If, in its discretion, the Commission determines that a
stock index futures contract, notwithstanding its conformance
with the requirements in clause (ii) of this subparagraph, can
reasonably be used as a surrogate for trading a security (in-
cluding a security futures product), it may, by order, require
such contract and any option thereon to be traded and regulated
as security futures products as defined in section 3(a)(56) of
the Securities Exchange Act of 1934 and section 1a of this Act
subject to all rules and regulations applicable to security fu-

(iv) No person shall offer to enter into, enter into, or confirm
the execution of any contract of sale (or option on such con-
tract) for future delivery of any security, or interest therein or
based on the value thereof, except an exempted security under
or section 3(a)(12) of the Securities Exchange Act of 1934 as in
effect on the date of enactment of the Futures Trading Act of
1982 (other than any municipal security as defined in section
3(a)(29) of the Securities Exchange Act of 1934 on the date of
enactment of the Futures Trading Act of 1982), or except as
provided in clause (ii) of this subparagraph or subparagraph
(D), any group or index of such securities or any interest there-
in or based on the value thereof.

(v)(I) Notwithstanding any other provision of this Act, any
contract market in a stock index futures contract (or option
thereon) other than a security futures product, or any deriva-
tives transaction execution facility on which such contract or
option is traded, shall file with the Board of Governors of the
Federal Reserve System any rule establishing or changing the
levels of margin (initial and maintenance) for such stock index
futures contract (or option thereon) other than security futures
products.

(II) The Board may at any time request any contract market
or derivatives transaction execution facility to set the margin
for any stock index futures contract (or option thereon), other than for any security futures product, at such levels as the Board in its judgment determines are appropriate to preserve the financial integrity of the contract market or derivatives transaction execution facility, or its clearing system, or to prevent systemic risk. If the contract market or derivatives transaction execution facility fails to do so within the time specified by the Board in its request, the Board may direct the contract market or derivatives transaction execution facility to alter or supplement the rules of the contract market or derivatives transaction execution facility as specified in the request.

(III) Subject to such conditions as the Board may determine, the Board may delegate any or all of its authority, relating to margin for any stock index futures contract (or option thereon), other than security futures products, under this clause to the Commission.

(IV) It shall be unlawful for any futures commission merchant to, directly or indirectly, extend or maintain credit to or for, or collect margin from any customer on any security futures product unless such activities comply with the regulations prescribed pursuant to section 7(c)(2)(B) of the Securities Exchange Act of 1934.

(V) It shall be unlawful for any futures commission merchant to, directly or indirectly, extend or maintain credit to or for, or collect margin from any customer on any security futures product unless such activities comply with the regulations prescribed pursuant to section 7(c)(2)(B) of the Securities Exchange Act of 1934.

(V) Nothing in this clause shall supersede or limit the authority granted to the Commission in section 8a(9) to direct a contract market or registered derivatives transaction execution facility, on finding an emergency to exist, to raise temporary margin levels on any futures contract, or option on the contract covered by this clause, or on any security futures product.

(VI) Any action taken by the Board, or by the Commission acting under the delegation of authority under subclause III, under this clause directing a contract market to alter or supplement a contract market rule shall be subject to review only in the Court of Appeals where the party seeking review resides or has its principal place of business, or in the United States Court of Appeals for the District of Columbia Circuit. The review shall be based on the examination of all information before the Board or the Commission, as the case may be, at the time the determination was made. The court reviewing the action of the Board or the Commission shall not enter a stay or order of mandamus unless the court has determined, after notice and a hearing before a panel of the court, that the agency action complained of was arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law.

(D)(i) Notwithstanding any other provision of this Act, the Securities and Exchange Commission shall have jurisdiction and authority over security futures as defined in section 3(a)(55) of the Securities Exchange Act of 1934, section 2(a)(16) of the Securities Act of 1933, section 2(a)(52) of the Investment Company Act of 1940, and section 202(a)(27) of the Investment Advisers Act of 1940, options on security futures, and persons effecting transactions in security futures and options thereon, and this Act shall apply to and the Commission shall have jurisdiction with respect to accounts, agreements (including any transaction which is of the character of, or is commonly known to the trade as, an “option”, “privilege”, “indemnity”, “bid”, “offer”, “put”, “call”, “advance guaranty”, or “de-
cline guaranty”), contracts, and transactions involving, and may designate a board of trade as a contract market in, or register a derivatives transaction execution facility that trades or executes, a security futures product as defined in section 1a of this Act: Provided, however, That, except as provided in clause (vi) of this subparagraph, no board of trade shall be designated as a contract market with respect to, or registered as a derivatives transaction execution facility for, any such contracts of sale for future delivery unless the board of trade and the applicable contract meet the following criteria:

(I) Except as otherwise provided in a rule, regulation, or order issued pursuant to clause (v) of this subparagraph, any security underlying the security future, including each component security of a narrow-based security index, is registered pursuant to section 12 of the Securities Exchange Act of 1934.

(II) If the security futures product is not cash settled, the board of trade on which the security futures product is traded has arrangements in place with a clearing agency registered pursuant to section 17A of the Securities Exchange Act of 1934 for the payment and delivery of the securities underlying the security futures product.

(III) Except as otherwise provided in a rule, regulation, or order issued pursuant to clause (v) of this subparagraph, the security future is based upon common stock and such other equity securities as the Commission and the Securities and Exchange Commission jointly determine appropriate.

(IV) The security futures product is cleared by a clearing agency that has in place provisions for linked and coordinated clearing with other clearing agencies that clear security futures products, which permits the security futures product to be purchased on a designated contract market, registered derivatives transaction execution facility, national securities exchange registered under section 6(a) of the Securities Exchange Act of 1934, or national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 and offset on another designated contract market, registered derivatives transaction execution facility, national securities exchange registered under section 6(a) of the Securities Exchange Act of 1934, or national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934.

(V) Only futures commission merchants, introducing brokers, commodity trading advisors, commodity pool operators or associated persons subject to suitability rules comparable to those of a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 solicit, accept any order for, or otherwise deal in any transaction in or in connection with the security futures product.

(VI) The security futures product is subject to a prohibition against dual trading in section 4j of this Act and the rules and regulations thereunder or the provisions of section 11(a) of the Securities Exchange Act of 1934 and the rules and regulations thereunder, except to the extent otherwise permitted under the Securities Exchange Act of 1934 and the rules and regulations thereunder.
(VII) Trading in the security futures product is not readily susceptible to manipulation of the price of such security futures product, nor to causing or being used in the manipulation of the price of any underlying security, option on such security, or option on a group or index including such securities;

(VIII) The board of trade on which the security futures product is traded has procedures in place for coordinated surveillance among such board of trade, any market on which any security underlying the security futures product is traded, and other markets on which any related security is traded to detect manipulation and insider trading, except that, if the board of trade is an alternative trading system, a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934 of which such alternative trading system is a member has in place such procedures.

(IX) The board of trade on which the security futures product is traded has in place audit trails necessary or appropriate to facilitate the coordinated surveillance required in subclause (VIII), except that, if the board of trade is an alternative trading system, a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934 of which such alternative trading system is a member has rules to require such audit trails.

(X) The board of trade on which the security futures product is traded has in place procedures to coordinate trading halts between such board of trade and markets on which any security underlying the security futures product is traded and other markets on which any related security is traded, except that, if the board of trade is an alternative trading system, a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934 of which such alternative trading system is a member has rules to require such coordinated trading halts.

(XI) The margin requirements for a security futures product comply with the regulations prescribed pursuant to section 7(c)(2)(B) of the Securities Exchange Act of 1934, except that nothing in this subclause shall be construed to prevent a board of trade from requiring higher margin levels for a security futures product when it deems such action to be necessary or appropriate.

(ii) It shall be unlawful for any person to offer, to enter into, to execute, to confirm the execution of, or to conduct any office or business anywhere in the United States, its territories or possessions, for the purpose of soliciting, or accepting any order for, or otherwise dealing in, any transaction in, or in connection with, a security futures product unless—

(I) the transaction is conducted on or subject to the rules of a board of trade that—
(aa) has been designated by the Commission as a contract market in such security futures product; or
(bb) is a registered derivatives transaction execution facility for the security futures product that has provided a certification with respect to the security futures product pursuant to clause (vii);

(II) the contract is executed or consummated by, through, or with a member of the contract market or registered derivatives transaction execution facility; and

(III) the security futures product is evidenced by a record in writing which shows the date, the parties to such security futures product and their addresses, the property covered, and its price, and each contract market member or registered derivatives transaction execution facility member shall keep the record for a period of 3 years from the date of the transaction, or for a longer period if the Commission so directs, which record shall at all times be open to the inspection of any duly authorized representative of the Commission.

(iii)(I) Except as provided in subclause (II) but notwithstanding any other provision of this Act, no person shall offer to enter into, enter into, or confirm the execution of any option on a security future.

(II) After 3 years after the date of the enactment of the Commodity Futures Modernization Act of 2000, the Commission and the Securities and Exchange Commission may by order jointly determine to permit trading of options on any security future authorized to be traded under the provisions of this Act and the Securities Exchange Act of 1934.

(iv)(I) All relevant records of a futures commission merchant or introducing broker registered pursuant to section 4f(a)(2), floor broker or floor trader exempt from registration pursuant to section 4f(a)(3), associated person exempt from registration pursuant to section 4k(6), or board of trade designated as a contract market in a security futures product pursuant to section 5f shall be subject to such reasonable periodic or special examinations by representatives of the Commission as the Commission deems necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this Act, and the Commission, before conducting any such examination, shall give notice to the Securities and Exchange Commission of the proposed examination and consult with the Securities and Exchange Commission concerning the feasibility and desirability of coordinating the examination with examinations conducted by the Securities and Exchange Commission in order to avoid unnecessary regulatory duplication or undue regulatory burdens for the registrant or board of trade.

(II) The Commission shall notify the Securities and Exchange Commission of any examination conducted of any futures commission merchant or introducing broker registered pursuant to section 4f(a)(2), floor broker or floor trader exempt from registration pursuant to section 4f(a)(3), associated person exempt from registration pursuant to section 4k(6), or board of trade designated as a contract market in a security futures product pursuant to section 5f, and, upon request, furnish to the Securities and Exchange Commis-

(IV) Any records required under this subsection for a futures commission merchant or introducing broker registered pursuant to section 4f(a)(2), floor broker or floor trader exempt from registration pursuant to section 4f(a)(3), associated person exempt from registration pursuant to section 4k(6), or board of trade designated as a contract market in a security futures product pursuant to section 5f, shall be limited to records with respect to accounts, agreements, contracts, and transactions involving security futures products.

(v)(I) The Commission and the Securities and Exchange Commission, by rule, regulation, or order, may jointly modify the criteria specified in subclause (I) or (III) of clause (i), including the trading of security futures based on securities other than equity securities, to the extent such modification fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(II) The Commission and the Securities and Exchange Commission, by order, may jointly exempt any person from compliance with the criterion specified in clause (i)(IV) to the extent such exemption fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(vi)(I) Notwithstanding clauses (i) and (vii), until the compliance date, a board of trade shall not be required to meet the criterion specified in clause (i)(IV).

(II) The Commission and the Securities and Exchange Commission shall jointly publish in the Federal Register a notice of the compliance date no later than 165 days before the compliance date.

(III) For purposes of this clause, the term “compliance date” means the later of—

(aa) 180 days after the end of the first full calendar month period in which the average aggregate comparable share volume for all security futures products based on single equity securities traded on all designated contract markets and registered derivatives transaction execution facilities equals or exceeds 10 percent of the average aggregate comparable share volume of options on single equity securities traded on all national securities exchanges registered pursuant to section 6(a) of the Securities Exchange Act of 1934 and any national security...

(bb) 2 years after the date on which trading in any security futures product commences under this Act.
(vii) It shall be unlawful for a board of trade to trade or execute a security futures product unless the board of trade has provided the Commission with a certification that the specific security futures product and the board of trade, as applicable, meet the criteria specified in subclauses (I) through (XI) of clause (i), except as otherwise provided in clause (vi).
(E)(i) To the extent necessary or appropriate in the public interest, to promote fair competition, and consistent with promotion of market efficiency, innovation, and expansion of investment opportunities, the protection of investors, and the maintenance of fair and orderly markets, the Commission and the Securities and Exchange Commission shall jointly issue such rules, regulations, or orders as are necessary and appropriate to permit the offer and sale of a security futures product traded on or subject to the rules of a foreign board of trade to United States persons.

Not more than three of the members of the Commission shall be members of the same political party. Each Commissioner shall hold office for a term of five years and until his successor is appointed and has qualified, except that he shall not so continue to serve beyond the expiration of the next session of Congress subsequent to the expiration of said fixed term of office, and except (i) any Commissioner appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term, and (ii) the terms of office of the Commissioners first taking office after the enactment of this paragraph shall expire as designated by the President at the time of nomination, one at the end of one year, one at the end of two years,

(C) COMPARABILITY.—

(i) IN GENERAL.—The Commission may provide additional compensation and benefits to employees of the Commission if the same type of compensation or benefits are provided by any agency referred to in section 1206(a) of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b(a)) or could be provided by such an agency under applicable provisions of law (including rules and regulations).

(ii) CONSULTATION.—In setting and adjusting the total amount of compensation and benefits for employees, the Commission shall consult with, and seek to maintain comparability with, the agencies referred to in section 1206(a) of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b(a)).

The Commission may not designate or register a board of trade as a contract market or derivatives transaction execution facility based on such application until forty-five days after the date the Commission delivers the application to such agencies or until the Commission receives comments from each of such agencies on the application, whichever period is shorter. Any comments received by the Commission from such agencies shall be included as part of the public record of the Commission’s designation proceeding. In designating, registering, or refusing, suspending, or revoking the designation or registration of, a board of trade as a contract market or derivatives transaction execution facility involving transactions for future delivery referred to in this clause or in considering any possible action under this Act (including without limitation emergency action under section 8a(9)) with respect to such transactions, the Commission shall take into consideration all comments it receives from the Department of the Treasury and the Board of Governors of the Federal Reserve System and shall consider the effect that any such designation, registration, suspension, revocation, or action may have on the debt financing requirements of the United States Government and the continued efficiency and integrity of the underlying market for government securities.

(iii) The provisions of this subparagraph shall not create any rights, liabilities, or obligations upon which actions may be brought against the Commission.

(10)(A) Whenever the Commission submits any budget estimate or request to the President or the Office of Management and Budget, it shall concurrently transmit copies of that estimate or request to the House and Senate Appropriations Committees and the House Committee on Agriculture and the Senate Committee on Agriculture, Nutrition, and Forestry.

(i) to ensure such information does not identify the participants;

(ii) to specify the criteria for determining what constitutes a large notional swap transaction (block trade) for particular markets and contracts;

(iii) to specify the appropriate time delay for reporting large notional swap transactions (block trades) to the public; and
(iv) that take into account whether the public disclosure will materially reduce market liquidity.

(F) TIMELINESS OF REPORTING.—Parties to a swap (including agents of the parties to a swap) shall be responsible for reporting swap transaction information to the appropriate registered entity in a timely manner as may be prescribed by the Commission.

(G) REPORTING OF SWAPS TO REGISTERED SWAP DATA REPOSITORIES.—Each swap (whether cleared or uncleared) shall be reported to a registered swap data repository.

(i) prescribe that all swaps (but not contracts of sale of a commodity for future delivery or options on such contracts) submitted to the derivatives clearing organization with the same terms and conditions are economically equivalent within the derivatives clearing organization and may be offset with each other within the derivatives clearing organization; and
(2) COMMISSION REVIEW.—

(A) COMMISSION-INITIATED REVIEW.—

(i) The Commission on an ongoing basis shall review each swap, or any group, category, type, or class of swaps to make a determination as to whether the swap or group, category, type, or class of swaps should be required to be cleared.

(ii) In reviewing a swap, group of swaps, or class of swaps pursuant to subparagraph (A) or a submission made under subparagraph (B), the Commission shall take into account the following factors:

(III) The effect on the mitigation of systemic risk, taking into account the size of the market for such contract and the resources of the derivatives clearing organization available to clear the contract.

(IV) The effect on competition, including appropriate fees and charges applied to clearing.

(3) STAY OF CLEARING REQUIREMENT.—

(A) IN GENERAL.—After making a determination pursuant to paragraph (2)(B), the Commission, on application of a counterparty to a swap or on its own initiative, may stay the clearing requirement of paragraph (1) until the Commission completes a review of the terms of the swap (or the group, category, type, or class of swaps) and the clearing arrangement.

(B) DEADLINE.—The Commission shall complete a review undertaken pursuant to subparagraph (A) not later than 90 days after issuance of the stay, unless the derivatives clearing organization that clears the swap, or group, category, type, or class of swaps agrees to an extension of the time limitation established under this subparagraph.

(C) DETERMINATION.—Upon completion of the review undertaken pursuant to subparagraph (A), the Commission may—

(i) determine, unconditionally or subject to such terms and conditions as the Commission determines to be appropriate, that the swap, or group, category, type, or class of swaps must be cleared pursuant to this subsection if it finds that such clearing is consistent with paragraph (2)(D); or
(ii) determine that the clearing requirement of paragraph (1) shall not apply to the swap, or group, category, type, or class of swaps.

(4) Prevention of Evasion.—

(A) In General.—The Commission shall prescribe rules under this subsection (and issue interpretations of rules prescribed under this subsection) as determined by the Commission to be necessary to prevent evasions of the mandatory clearing requirements under this Act.

(B) Duty of Commission to Investigate and Take Certain Actions.—To the extent the Commission finds that a particular swap, group, category, type, or class of swaps would otherwise be subject to mandatory clearing but no derivatives clearing organization has listed the swap, group, category, type, or class of swaps for clearing, the Commission shall—

(i) investigate the relevant facts and circumstances;

(ii) within 30 days issue a public report containing the results of the investigation; and

(iii) take such actions as the Commission determines to be necessary and in the public interest, which may include requiring the retaining of adequate margin or capital by parties to the swap, group, category, type, or class of swaps.

(C) Effect on Authority.—Nothing in this paragraph—

(i) authorizes the Commission to adopt rules requiring a derivatives clearing organization to list for clearing a swap, group, category, type, or class of swaps if the clearing of the swap, group, category, type, or class of swaps would threaten the financial integrity of the derivatives clearing organization; and

(ii) affects the authority of the Commission to enforce the open access provisions of paragraph (1)(B) with respect to a swap, group, category, type, or class of swaps that is listed for clearing by a derivatives clearing organization.

(5) Reporting Transition Rules.—Rules adopted by the Commission under this section shall provide for the reporting of data, as follows:

(B) DIFFERENT REQUIREMENTS.—Rules and regulations described in subparagraph (A) may impose different requirements for such persons depending upon the particular foreign board of trade, exchange, or market involved.

(C) PROHIBITION.—Except as provided in paragraphs (1) and (2), no rule or regulation may be adopted by the Commission under this subsection that—

the Commissions determine that the exemption would be con-

(2) The Commission shall not grant any exemption under para-
graph (1) from any of the requirements of subsection (a) unless the 
Commission determines that—

(A) the requirement should not be applied to the agreement, 
contract, or transaction for which the exemption is sought and 
that the exemption would be consistent with the public interest 
and the purposes of this Act; and

(B) the agreement, contract, or transaction—

(i) will be entered into solely between appropriate per-
sons; and

(ii) will not have a material adverse effect on the ability 
of the Commission or any contract market or derivatives 
transaction execution facility to discharge its regulatory or 
self-regulatory duties under this Act.

(3) For purposes of this subsection, the term “appropriate person” 
shall be limited to the following persons or classes thereof:

(B) public disclosure of the information would result in material competitive harm to the applicant.

(5) The Commission may—

In the event of a refusal to designate or register as a contract market or derivatives transaction execution facility any person that has made application therefor, the person shall be afforded an opportunity for a hearing on the record before the Commission, with the right to appeal an adverse decision after such hearing to the court of appeals as provided for in other cases in subsection (b) of this section.

(b) The Commission is authorized to suspend for a period not to exceed 6 months or to revoke the designation or registration of any contract market or derivatives transaction execution facility on a showing that the contract market or derivatives transaction execution facility is not enforcing or has not enforced its rules of government, made a condition of its designation or registration as set forth in sections 5 through 5b or section 5f, or that the contract market or derivatives transaction execution facility or electronic trading facility, or any director, officer, agent, or employee thereof, otherwise is violating or has violated any of the provisions of this Act or any of the rules, regulations, or orders of the Commission thereunder. Such suspension or revocation shall only be made after a notice to the officers of the contract market or derivatives transaction execution facility or electronic trading facility affected and upon a hearing on the record: Provided, That such suspension or revocation shall be final and conclusive, unless within fifteen days after such suspension or revocation by the Commission such person appeals to the court of appeals for the circuit in which it has its principal place of business, by filing with the clerk of such court a written petition praying that the order of the Commission be set aside or modified in the manner stated in the petition, together with a bond in such sum as the court may determine, conditioned that such person will pay the costs of the proceedings if the court so directs. The clerk of the court in which such a petition is filed shall immediately cause a copy thereof to be delivered to the Commission and file in the court the record in such proceedings, as provided in section 2112 of title 28, United States Code. (3) HOSPITAL INSURANCE TRUST FUND.—Notwithstanding any other provision of law, the receipts and disbursements of the Hospital Insurance Trust Fund shall be included in all calculations required by this Act.

(c) DISCRETIONARY APPROPRIATIONS.—For the budget year and each outyear, the baseline shall be calculated using the following assumptions regarding all amounts other than those covered by subsection (b):

(1) INFLATION OF CURRENT-YEAR APPROPRIATIONS.—Budgetary resources other than unobligated balances shall be at the level provided for the budget year in full-year appropriation Acts. If for any account a full-year appropriation has not yet been enacted, budgetary resources other than unobligated balances shall be at the level available in the current year, adjusted sequentially and cumulatively for expiring housing contracts as specified in paragraph (2), for social insurance administrative expenses as specified in paragraph (3), to offset pay absorption and for pay annualization as specified in paragraph (4), for inflation as specified in paragraph (5), and to account for changes required by law in the level of agency payments for personnel benefits other than pay.

(2) EXPIRING HOUSING CONTRACTS.—New budget authority to renew expiring multiyear subsidized housing contracts shall be adjusted to reflect the difference in the number of such contracts that are scheduled to expire in that fiscal year and the number expiring in the current year, with the per-contract renewal cost equal to the average current-year cost of renewal contracts.
(3) **SOCIAL INSURANCE ADMINISTRATIVE EXPENSES.**—Budgetary resources for the administrative expenses of the following trust funds shall be adjusted by the percentage change in the beneficiary population from the current year to that fiscal year: the Federal Hospital Insurance Trust Fund, the Supplementary Medical Insurance Trust Fund, the Unemployment Trust Fund, and the railroad retirement account.

(4) **PAY ANNUALIZATION; OFFSET TO PAY ABSORPTION.**—Current-year new budget authority for Federal employees shall be adjusted to reflect the full 12-month costs (without absorption) of any pay adjustment that occurred in that fiscal year.

(5) **INFLATORS.**—The inflator used in paragraph (1) to adjust budgetary resources relating to personnel shall be the percent by which the average of the Bureau of Labor Statistics Employment Cost Index (wages and salaries, private industry workers) for that fiscal year differs from such index for the current year. The inflator used in paragraph (1) to adjust all other budgetary resources shall be the percent by which the average of the estimated gross domestic product chain-type price index for that fiscal year differs from the average of such estimated index for the current year.

(6) **CURRENT-YEAR APPROPRIATIONS.**—If, for any account, a continuing appropriation is in effect for less than the entire current year, then the current-year amount shall be assumed to equal the amount that would be available if that continuing appropriation covered the entire fiscal year. If law permits the transfer of budget authority among budget accounts in the current year, the current-year level for an account shall reflect transfers accomplished by the submission of, or assumed for the current year in, the President's original budget for the budget year.

(d) **UP-TO-DATE CONCEPTS.**—In deriving the baseline for any budget year or outyear, current-year amounts shall be calculated using the concepts and definitions that are required for that budget year.

(e) **ASSET SALES.**—Amounts realized from the sale of an asset shall not be included in estimates under section 251, 252, or 253 if that sale would result in a financial cost to the Federal Government as determined pursuant to scorekeeping guidelines.

(B) LIMIT ON APPOINTMENT OF CREDIT UNION OFFICERS.—Not more than one member of the Board may be appointed to the Board from among individuals who, at the time of the appointment, are, or have recently been, involved with any insured credit union as a committee member, director, officer, employee, or other institution-affiliated party.

c. The term of office of each member of the Board shall be six years, except that the terms of the two members, other than the Chairman, initially appointed shall expire one upon the expiration of two years after the date of appointment, and the other upon the expiration of four years after the date of appointment. Any Board member may continue to serve as such after the expiration of said member’s term until a successor has qualified.

c. TERMS.—The term of office of each member of the Board shall be five years, and the members shall serve staggered terms. Board members shall not be appointed to succeed themselves. A majority of the Board shall constitute a quorum. Not later than April 1 of each calendar year, and at such other times as the Congress shall determine, the Board shall make a report to the President and to the Congress. Such a report shall sum up the operations of the Administration and set forth such information as is necessary for the Congress to review the financial program approved by the Board.

identified as to the function or functions for which assessed.
(b) The fee assessed under this section shall be determined ac-

the Board to be appropriate, which gives due consideration to the
expenses of the Administration in carrying out its responsibilities
under this Act and to the ability of Federal credit unions to pay
the fee. The Board shall, among other things, determine the peri-
ods for which the fee shall be assessed and the date or dates for
the payment of the fee or increments thereof.
(c) If the annual operating fee is composed of separate charges,
no supervision charge shall be payable by a Federal credit union,
and the Board may waive payment of any or all other charges com-
prising the fee, with respect to the year in which its charter is
issued, or in which final distribution is made in its liquidation or
the charter is canceled.
(d) All operating fees shall be deposited with the Treasurer of
the United States for the account of the Administration and may
be expended by the Board to defray the expenses incurred in car-
rying out the provisions of this Act including the examination and
supervision of Federal credit unions.
(e)(1) Upon request of the Board, the Secretary of the Treasury
shall invest and reinvest such portions of the annual operating fees
deposited under subsection (d) as the Board determines are not
needed for current operations.
(e)(2) Such investments may be made only in interest bearing se-
curities of the United States with maturities requested by the
Board bearing interest at rates determined by the Secretary of the
Treasury, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities.

(3) All income derived from such investments and reinvestments shall be deposited to the account of the Administration described in subsection (d).]

(d) Appropriations Requirement.—The Administration may only incur obligations or allow and pay expenses pursuant to an appropriations Act, other than with respect to obligations or expenses paid for with funds from the National Credit Union Share Insurance Fund or incurred, allowed, or paid for the purpose of carrying out the insurance function of the Administration.

(A) has total assets of less than $1,000,000,000;

(B) is well capitalized, as such term is defined under section 216(c)(1);

(C) was found in its most recent examination to be well managed, and its composite rating (under the Uniform Financial Institutions Rating System or an equivalent rating under a comparable rating system)—

(i) was a 1, in the case of a Federal credit union that has total assets of more than $200,000,000; or

(ii) was a 1 or a 2, in the case of a Federal credit union that has total assets of not more than $200,000,000; and

(D) is not currently subject to a formal enforcement proceeding or order by the Administration.

(2) Safety and Soundness Exception.—Paragraph (1) shall not apply to a Federal credit union if the Administration determines—

(B) that such credit union has violated the law.
TITLE II—SHARE INSURANCE

REPORTS OF CONDITION; CERTIFIED STATEMENTS; PREMIUMS FOR INSURANCE

SEC. 202. (a)(1) Each insured credit union shall make reports of condition to the Board upon dates which shall be selected by them. Such reports of condition shall be in such form and shall contain such information as the Board may require. The reporting dates selected for reports of condition shall be the same for all insured credit unions except that when any of said reporting dates is a non-business day for any credit union the preceding business day shall be its reporting date. The total amount of the member accounts of each insured credit union as of each reporting date shall be reported in such reports of condition in accordance with regulations prescribed by the Board. Each report of condition shall contain a declaration by the president, by a vice president, by the treasurer, or by any other officer designated by the board of directors of the reporting credit union to make such declaration, that the report is true and correct to the best of such officer's knowledge and belief. Unless such requirement is waived by the Board, the correctness of each report of condition shall be attested by the signatures of three of the officers of the reporting credit union with the declaration that the report has been examined by them and to the best of their knowledge and belief is true and correct.

(2) The Board may call for such other reports as it may from time to time require.

(3) The Board may require reports of condition to be published in such manner, not inconsistent with any applicable law, as it may direct. Any insured credit union which maintains procedures reasonably adapted to avoid any inadvertent error and, unintentionally and as a result of such an error, fails to submit or publish any report required under this subsection or section 106, within the period of time specified by the Board, or submits or publishes any false or misleading report or information, or inadvertently transmits or publishes any report which is minimally late, shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false or misleading information is not corrected. The insured credit union shall have the burden of proving that an error was inadvertent and that a report was inadvertently transmitted or published late. Any insured credit union which fails to submit or publish any report required under this subsection or section 106, within the period of time specified by the Board, or submits or publishes any false or misleading report or information, in a manner not described in the 2nd preceding sentence shall be subject to a penalty of not more than $20,000 for each day during which such failure continues or such false or misleading information is not corrected. Notwithstanding the preceding sentence, if any insured credit union knowingly or with reckless disregard for the accuracy of any information or report described in such sentence submits or publishes any false or misleading report or information, the Board may assess a penalty of not more than $1,000,000 or 1 percent of total assets of such credit union, whichever is less, per day for each day during which such
failure continues or such false or misleading information is not corrected. Any penalty imposed under any of the 4 preceding sentences shall be assessed and collected by the Board in the manner provided in section 206(k)(2) (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such section. Any insured credit union against which any penalty is assessed under this subsection shall be afforded an agency hearing if such insured credit union submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 206(j) shall apply to any proceeding under this subsection.

(4) The Board may accept any report of condition made to any commission, board, or authority having supervision of a State-chartered credit union and may furnish to any such commission, board, or authority reports of condition made to the Board.

(5) Reports required under title I of this Act shall be so prepared that they can be used for share insurance purposes. To the maximum extent feasible, the Board shall use for insurance purposes reports submitted to State regulatory agencies by State-chartered credit unions.

(6) **AUDIT REQUIREMENT.**—

(A) IN GENERAL.—Before the end of the 120-day period beginning on the date of the enactment of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 and notwithstanding any other provision of Federal or State law, the Board shall prescribe, by regulation, audit standards which require an outside, independent audit of any insured credit union by a certified public accountant for any fiscal year (of such credit union)—

(i) for which such credit union has not conducted an annual supervisory committee audit;

(ii) for which such credit union has not received a complete and satisfactory supervisory committee audit; or

(iii) during which such credit union has experienced persistent and serious recordkeeping deficiencies, as determined by the Board.

(B) UNSAFE OR UNSOUND PRACTICE.—The Board may treat the failure of any insured credit union to obtain an outside, independent audit for any fiscal year for which such audit is required under subparagraph (A) or (D) as an unsafe or unsound practice within the meaning of section 206(b).

(C) ACCOUNTING PRINCIPLES.—

(i) IN GENERAL.—Accounting principles applicable to reports or statements required to be filed with the Board by each insured credit union shall be uniform and consistent with generally accepted accounting principles.

(ii) BOARD DETERMINATION.—If the Board determines that the application of any generally accepted accounting principle to any insured credit union is not appropriate, the Board may prescribe an accounting principle for application to the credit union that is no
less stringent than generally accepted accounting principles.

(iii) De Minimis Exception.—This subparagraph shall not apply to any insured credit union, the total assets of which are less than $10,000,000, unless prescribed by the Board or an appropriate State credit union supervisor.

(D) Large Credit Union Audit Requirement.—

(i) In General.—Each insured credit union having total assets of $500,000,000 or more shall have an annual independent audit of the financial statements of the credit union, performed in accordance with generally accepted auditing standards by an independent certified public accountant or public accountant licensed by the appropriate State or jurisdiction to perform those services.

(ii) Voluntary Audits.—If a Federal credit union that is not required to conduct an audit under clause (i), and that has total assets of more than $10,000,000 conducts such an audit for any purpose, using an independent auditor who is compensated for his or her audit services with respect to that audit, the audit shall be performed consistent with the accountancy laws of the appropriate State or jurisdiction, including licensing requirements.

(7) Report to Independent Auditor.—

(A) In General.—Each insured credit union which has engaged the services of an independent auditor to audit such depository institution within the past 2 years shall transmit to such auditor a copy of the most recent report of condition made by such credit union (pursuant to this Act or any other provision of law) and a copy of the most recent report of examination received by such credit union.

(B) Additional Information.—In addition to the copies of the reports required to be provided to an auditor under subparagraph (A), each insured credit union shall provide such auditor with—

(i) a copy of any supervisory memorandum of understanding with such credit union and any written agreement between the Board or a State regulatory agency and the credit union which is in effect during the period covered by the audit; and

(ii) a report of any action initiated or taken by the Board during such period under subsection (e), (f), (g), (i), (l), or (q) of section 206, or any similar action taken by a State regulatory agency under State law, or any other civil money penalty assessed by the Board under this Act, with respect to—

(I) the credit union; or

(II) any institution-affiliated party.

(8) Data Sharing with Other Agencies and Persons.—In addition to reports of examination, reports of condition, and other reports required to be regularly provided to the Board (with respect to all insured credit unions, including a credit union for which the Corporation has been appointed conser-
vator or liquidating agent) or an appropriate State commission, board, or authority having supervision of a State-chartered credit union, the Board may, in the discretion of the Board, furnish any report of examination or other confidential supervisory information concerning any credit union or other entity examined by the Board under authority of any Federal law, to—

(A) any other Federal or State agency or authority with supervisory or regulatory authority over the credit union or other entity;
(B) any officer, director, or receiver of such credit union or entity; and
(C) any other person that the Board determines to be appropriate.

(b) CERTIFIED STATEMENT.—

(1) STATEMENT REQUIRED.—

(A) IN GENERAL.—For each calendar year, in the case of an insured credit union with total assets of not more than $50,000,000, and for each semi-annual period in the case of an insured credit union with total assets of $50,000,000 or more, an insured credit union shall file with the Board, at such time as the Board prescribes, a certified statement showing the total amount of insured shares in the credit union at the close of the relevant period and both the amount of its deposit or adjustment of deposit and the amount of the insurance charge due to the Fund for that period, both as computed under subsection (c).

(B) EXCEPTION FOR NEWLY INSURED CREDIT UNION.—Subparagraph (A) shall not apply with respect to a credit union that became insured during the reporting period.

(2) FORM.—The certified statements required to be filed with the Board pursuant to this subsection shall be in such form and shall set forth such supporting information as the Board shall require.

(3) CERTIFICATION.—The president of the credit union or any officer designated by the board of directors shall certify, with respect to each statement required to be filed with the Board pursuant to this subsection, that to the best of his or her knowledge and belief the statement is true, correct, complete, and in accordance with this title and the regulations issued under this title.

(c)(1)(A)(i) Each insured credit union shall pay to and maintain with the National Credit Union Share Insurance Fund a deposit in an amount equaling 1 per centum of the credit union’s insured shares.

(ii) The Board may, in its discretion, authorize insured credit unions to initially fund such deposit over a period of time in excess of one year if necessary to avoid adverse effects on the condition of insured credit unions.

(iii) PERIODIC ADJUSTMENT.—The amount of each insured credit union’s deposit shall be adjusted as follows, in accordance with procedures determined by the Board, to reflect changes in the credit union’s insured shares:
(I) annually, in the case of an insured credit union with total assets of not more than $50,000,000; and
(II) semi-annually, in the case of an insured credit union with total assets of $50,000,000 or more.

(B)(i) The deposit shall be returned to an insured credit union in the event that its insurance coverage is terminated, it converts to insurance coverage from another source, or in the event the operations of the fund are transferred from the National Credit Union Administration Board.

(ii) The deposit shall be returned in accordance with procedures and valuation methods determined by the Board, but in no event shall the deposit be returned any later than one year after the final date on which no shares of the credit union are insured by the Board.

(iii) The deposit shall not be returned in the event of liquidation on account of bankruptcy or insolvency.

(iv) The deposit funds may be used by the fund if necessary to meet its expenses, in which case the amount so used shall be expensed and shall be replenished by insured credit unions in accordance with procedures established by the Board.

(2) INSURANCE PREMIUM CHARGES.—

(A) IN GENERAL.—Each insured credit union shall, at such times as the Board prescribes (but not more than twice in any calendar year), pay to the Fund a premium charge for insurance in an amount stated as a percentage of insured shares (which shall be the same for all insured credit unions).

(B) RELATION OF PREMIUM CHARGE TO EQUITY RATIO OF FUND.—The Board may assess a premium charge only if—

   (i) the Fund’s equity ratio is less than 1.3 percent; and

   (ii) the premium charge does not exceed the amount necessary to restore the equity ratio to 1.3 percent.

(C) PREMIUM CHARGE REQUIRED IF EQUITY RATIO FALLS BELOW 1.2 PERCENT.—If the Fund’s equity ratio is less than 1.2 percent, the Board shall, subject to subparagraph (B), assess a premium charge in such an amount as the Board determines to be necessary to restore the equity ratio to, and maintain that ratio at, 1.2 percent.

(D) FUND RESTORATION PLANS.—

   (i) IN GENERAL.—Whenever—

      (I) the Board projects that the equity ratio of the Fund will, within 6 months of such determination, fall below the minimum amount specified in subparagraph (C); or

      (II) the equity ratio of the Fund actually falls below the minimum amount specified in subparagraph (C) without any determination under subclause (I) having been made,

the Board shall establish and implement a restoration plan within 90 days that meets the requirements of clause (ii) and such other conditions as the Board determines to be appropriate.
(ii) Requirements of Restoration Plan.—A restoration plan meets the requirements of this clause if the plan provides that the equity ratio of the Fund will meet or exceed the minimum amount specified in subparagraph (C) before the end of the 8-year period beginning upon the implementation of the plan (or such longer period as the Board may determine to be necessary due to extraordinary circumstances).

(iii) Transparency.—Not more than 30 days after the Board establishes and implements a restoration plan under clause (i), the Board shall publish in the Federal Register a detailed analysis of the factors considered and the basis for the actions taken with regard to the plan.

(3) Distributions from Fund Required.—

(A) In General.—The Board shall, subject to the requirements of section 217(e), effect a pro rata distribution to insured credit unions after each calendar year if, as of the end of that calendar year—

(i) any loans to the Fund from the Federal Government, and any interest on those loans, have been repaid;

(ii) the Fund’s equity ratio exceeds the normal operating level; and

(iii) the Fund’s available assets ratio exceeds 1.0 percent.

(B) Amount of Distribution.—The Board shall distribute under subparagraph (A) the maximum possible amount that—

(i) does not reduce the Fund’s equity ratio below the normal operating level; and

(ii) does not reduce the Fund’s available assets ratio below 1.0 percent.

(C) Calculation Based on Certified Statements.—In calculating the Fund’s equity ratio and available assets ratio for purposes of this paragraph, the Board shall determine the aggregate amount of the insured shares in all insured credit unions from insured credit unions certified statements under subsection (b) for the final reporting period of the calendar year referred to in subparagraph (A).

(4) Timeliness and Accuracy of Data.—In calculating the available assets ratio and equity ratio of the Fund, the Board shall use the most current and accurate data reasonably available.

(d) If, in the judgment of the Board, a loan to the insurance fund, or to the stabilization fund described in section 217 of this title, is required at any time for purposes of this subchapter, the Secretary of the Treasury shall make the loan, but loans under this paragraph shall not exceed in the aggregate $6,000,000,000 outstanding at any one time. Except as otherwise provided in this subsection, section 217, and in subsection (e) of this section, each loan under this paragraph shall be made on such terms as may be fixed by agreement between the Board and the Secretary of the Treasury.
(2) Penalty for failure to make accurate certified statement or to pay deposit or premium.—

(A) First Tier.—Any insured credit union which—

(i) maintains procedures reasonably adapted to avoid any inadvertent error and, unintentionally and as a result of such an error, fails to submit any certified statement under subsection (b)(1) within the period of time required or submits a false or misleading certified statement under such subsection; or

(ii) submits the statement at a time which is minimally after the time required,

shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false and misleading information is not corrected. The insured credit union shall have the burden of proving that an error was inadvertent or that a statement was inadvertently submitted late.

(B) Second Tier.—Any insured credit union which—

(i) fails to submit any certified statement under subsection (b)(1) within the period of time required or submits a false or misleading certified statement in a manner not described in subparagraph (A); or

(ii) fails or refuses to pay any deposit or premium for insurance required under this title,

shall be subject to a penalty of not more than $20,000 for each day during which such failure continues, such false and misleading information is not corrected, or such deposit or premium is not paid.

(C) Third Tier.—Notwithstanding subparagraphs (A) and (B), if any insured credit union knowingly or with reckless disregard for the accuracy of any certified statement under subsection (b)(1) submits a false or misleading certified statement under such subsection, the Board may assess a penalty of not more than $1,000,000 or not more than 1 percent of the total assets of the credit union, whichever is less, per day for each day during which the failure continues or the false or misleading information in such statement is not corrected.

(D) Assessment Procedure.—Any penalty imposed under this paragraph shall be assessed and collected by the Board in the manner provided in section 206(k)(2) (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such section.

(E) Hearing.—Any insured credit union against which any penalty is assessed under this paragraph shall be afforded an agency hearing if the credit union submits a request for such hearing within 20 days after the issuance of the notice of the assessment. Section 206(j) shall apply to any proceeding under this subparagraph.

(F) Special Rule for Disputed Payments.—No penalty may be assessed for the failure of any insured credit union to pay any deposit or premium for insurance if—
(i) the failure is due to a dispute between the credit union and the Board over the amount of the deposit or premium which is due from the credit union; and
(ii) the credit union deposits security satisfactory to the Board for payment of the deposit or insurance premium upon final determination of the dispute.

(3) No insured credit union shall pay any dividends on its insured shares or distribute any of its assets while it remains in default in the payment of its deposit or any premium charge for insurance due to the fund. Any director or officer of any insured credit union who knowingly participates in the declaration or payment of any such dividend or in any such distribution shall, upon conviction, be fined not more than $1,000 or imprisoned not more than one year, or both. The provisions of this paragraph shall not be applicable in any case in which the default is due to a dispute between the credit union and the Board over the amount of its deposit or the premium charge due to the fund if the credit union deposits security satisfactory to the Board for payment of its deposit or the premium charge upon final determination of the issue.

(4) TEMPORARY INCREASES AUTHORIZED.—

(A) RECOMMENDATIONS FOR INCREASE.—During the period beginning on the date of enactment of this paragraph and ending on December 31, 2010, if, upon the written recommendation of the Board (upon a vote of not less than two-thirds of the members of the Board) and the Board of Governors of the Federal Reserve System (upon a vote of not less than two-thirds of the members of such Board), the Secretary of the Treasury (in consultation with the President) determines that additional amounts above the $6,000,000,000 amount specified in paragraph (1) are necessary, such amount shall be increased to the amount so determined to be necessary, not to exceed $30,000,000,000.

(B) REPORT REQUIRED.—If the borrowing authority of the Board is increased above $6,000,000,000 pursuant to subparagraph (A), the Board shall promptly submit a report to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives describing the reasons and need for the additional borrowing authority and its intended uses.

(e) The Board, in a suit brought at law or in equity in any court of competent jurisdiction, shall be entitled to recover from any insured credit union the amount of any unpaid deposit or premium charge for insurance lawfully payable by the credit union to the fund, whether or not such credit union shall have made any report of condition under subsection (a) of this section or filed any certified statement required under subsection (b) of this section and whether or not such credit union shall have been brought to compel the credit union to make any such report or to file any such statement. No action or proceeding shall be brought for the recovery of any deposit or premium charge due to the fund, or for the recovery of any amount paid to the fund in excess of the amount due it, unless such action or proceeding shall have been brought within five years after the right accrued for which the claim is made. Where the insured credit union has made or filed with the Board a false or
fraudulent certified statement with the intent to evade, in whole or in part, the payment of its deposit or any premium charge, the claim shall not be deemed to have accrued until the discovery by the Board of the fact that the certified statement is false or fraudulent.

(f) Should any Federal credit union fail to make any report of condition under subsection (a) of this section or to file any certified statement required to be filed under subsection (b) of this section or to pay its deposit or any premium charge for insurance required to be paid under any provision of this title, and should the credit union fail to correct such failure within thirty days after written notice has been given by the Board to an officer of the credit union, citing this subsection and stating that the credit union has failed to make any such report or file any such statement or pay any such deposit or premium charge as required by law, all the rights, privileges, and franchises of the credit union granted to it under title I of this Act shall be thereby forfeited. Whether or not the penalty provided in this subsection has been incurred shall be determined and adjudged by any court of the United States of competent jurisdiction in a suit brought for that purpose in the district or territory in which the principal office of such credit union is located, under direction of and by the Board in its own name, before the credit union shall be declared dissolved. The remedies provided in this subsection and in subsections (d) and (e) of this section shall not be construed as limiting any other remedies against any insured credit union but shall be in addition thereto.

(g) Each insured credit union shall maintain such records as will readily permit verification of the correctness of its reports of condition, certified statements, and deposit and premium charges for insurance. However, no insured credit union shall be required to retain such records for such purpose for a period in excess of five years from the date of the making of any such report, the filing of any such statement, or the payment of any deposit or adjustment thereof or any premium charge, except that when there is a dispute between the insured credit union and the Board over the amount of any deposit or adjustment thereof or any premium charge for insurance the credit union shall retain such records until final determination of the issue.

(h) Definitions.—For purposes of this section, the following definitions shall apply:

(1) Available assets ratio.—The term “available assets ratio”, when applied to the Fund, means the ratio of—

(A) the amount determined by subtracting—

(i) direct liabilities of the Fund and contingent liabilities for which no provision for losses has been made, from

(ii) the sum of cash and the market value of unencumbered investments authorized under section 203(c), to

(B) the aggregate amount of the insured shares in all insured credit unions.

(2) Equity ratio.—The term “equity ratio”, which shall be calculated using the financial statements of the Fund alone, without any consolidation or combination with the financial statements of any other fund or entity, means the ratio of—
(A) the amount of Fund capitalization, including insured credit unions’ 1 percent capitalization deposits and the retained earnings balance of the Fund (net of direct liabilities of the Fund and contingent liabilities for which no provision for losses has been made); to
(B) the aggregate amount of the insured shares in all insured credit unions.

(3) **INSURED SHARES.**—The term “insured shares”, when applied to this section, includes share, share draft, share certificate, and other similar accounts as determined by the Board, but does not include amounts exceeding the insured account limit set forth in section 207(k)(1).

(4) **NORMAL OPERATING LEVEL.**—The term “normal operating level”, when applied to the Fund, means an equity ratio specified by the Board, which shall be not less than 1.2 percent and not more than 1.5 percent.

NATIONAL CREDIT UNION SHARE INSURANCE FUND

SEC. 203. (a) There is hereby created in the Treasury of the United States a National Credit Union Share Insurance Fund which shall be used by the Board as a revolving fund for carrying out the purposes of this title. Money in the fund shall be available upon requisition by the Board, without fiscal year limitation, for making payments of insurance under section 207 of this title, for providing assistance and making expenditures under section 208 of this title in connection with the liquidation or threatened liquidation of insured credit unions, and for such administrative and other expenses incurred in carrying out the purposes of this title as it may determine to be proper.

(b) All deposit and premium charges for insurance paid pursuant to the provisions of section 202 of this title and all fees for examinations and all penalties collected by the Board under any provision of this title shall be deposited in the National Credit Union Share Insurance Fund. The Board shall report annually to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives with respect to the operating level of the fund. Such report shall also include the results of an independent audit of the fund.

(c) The Board may authorize the Secretary of the Treasury to invest and reinvest such portions of the fund as the Board may determine are not needed for current operations in any interest-bearing securities of the United States or in any securities guaranteed as to both principal and interest by the United States or in bonds or other obligations which are lawful investments for fiduciary, trust, and public funds of the United States, and the income therefrom shall constitute a part of the fund.

(d)(1) If, in the judgment of the Board, a loan to the fund is required at any time for carrying out the purposes of this title, the Secretary of the Treasury shall make the loan, but loans under this paragraph shall not exceed in the aggregate $100,000,000 outstanding at any one time. Except as otherwise provided in this subsection and in subsection (e) of this section, each loan under this paragraph shall be made on such terms as may be fixed by agreement between the Board and the Secretary of the Treasury.
(2) Interest shall accrue to the Treasury on the amount of any outstanding loans made to the fund pursuant to paragraph (1) of this subsection on the basis of the average daily amount of such outstanding loans determined at the close of each fiscal year with respect to such year, and the Board shall pay the interest so accruing into the Treasury as miscellaneous receipts annually from the fund. The Secretary of the Treasury shall determine the applicable interest rate in advance by calculating the average yield to maturity (on the basis of daily closing market bid quotations during the month of June of the preceding fiscal year) on outstanding marketable public debt obligations of the United States having a maturity date of five or less years from the first day of such month of June and by adjusting such yield to the nearest one-eighth of 1 percent.

(3) For the purpose of making loans under paragraph (1) of this subsection, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under the Second Liberty Bond Act, as amended, are hereby extended to include such loans. All loans and repayments under this section shall be treated as public debt transactions of the United States.

(e) So long as any loans to the fund are outstanding, the Board shall from time to time, not less often than annually, determine whether the balance in the fund is in excess of the amount which, in its judgment, is needed to meet the requirements of the fund and shall pay such excess to the Secretary of the Treasury, to be credited against the loans to the fund.

(f) In addition to the authority to borrow from the Secretary of the Treasury provided in subsection (d), if in the judgment of the Board, a loan to the fund is required at any time for carrying out the purposes of this title, the fund is authorized to borrow from the National Credit Union Administration Central Liquidity Facility.

(g) Fund Transparency.—

(1) In general.—The Board shall accompany each annual budget submitted pursuant to section 209(b) with a report containing—

(A) a detailed analysis of how the expenses of the Administration are assigned between prudential activities and insurance-related activities and the extent to which those expenses are paid from the fees collected pursuant to section 105 or from the Fund; and

(B) the Board’s supporting rationale for any proposed use of amounts in the Fund contained in such budget, including detailed breakdowns and supporting rationales for any such proposed use related to titles of this Act other than this title.

(2) Public disclosure.—The Board shall make each report described under paragraph (1) available to the public.
Board an examination is necessary to determine the condition of any such credit union for insurance purposes. Each examiner shall have power to make a thorough examination of all of the affairs of the credit union and shall make a full and detailed report of the condition of the credit union to the Board. The Board in like manner shall appoint claim agents who shall have power to investigate and examine all claims for insured member accounts. Each claim agent shall have power to administer oaths and affirmations, to examine and to take and preserve testimony under oath as to any matter in respect to claims for insured accounts, and to issue subpenas and subpenas duces tecum and, for the enforcement thereof, to apply to the United States district court for the judicial district or the United States court in any territory in which the principal office of the credit union is located or in which the witness resides or carries on business. Such courts shall have jurisdiction and power to order and require compliance with any such subpena.

(b) In connection with examinations of insured credit unions, or with other types of investigations to determine compliance with applicable law and regulations, the Board, or its designated representatives, shall have power to administer oaths and affirmations, to examine and to take and preserve testimony under oath as to any matter in respect of the affairs of any such credit union, and to issue subpenas and subpenas duces tecum and to exercise such other powers as are set forth in section 206(p) and, for the enforcement thereof, to apply to the United States district court for the judicial district or the United States court in any territory in which the principal office of the credit union is located or in which the witness resides or carries on business. Such courts shall have jurisdiction and power to order and require compliance with any such subpena.

(c) In cases of refusal to obey a subpena issued to, or contumacy by, any person, the Board may invoke the aid of any court of the United States within the jurisdiction of which such hearing, examination, or investigation is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, records, or other papers. Such court may issue an order requiring such person to appear before the Board, or before a person designated by them, there to produce records, if so ordered, or to give testimony touching the matter in question. Any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or carries on business or wherever he may be found. No person shall be excused from attending and testifying or from producing books, records, or other papers in obedience to a subpena issued under the authority of this title on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to penalty or forfeiture, but no individual shall be prosecuted or subject to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled to testify or produce evidence, documentary or otherwise, after having claimed his privilege against self-incrimination, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.
(d) The Administration may accept any report of examination made by or to any commission, board, or authority having supervision of a State-chartered credit union and may furnish to any such commission, board, or authority reports of examination made on behalf of the Board.

(e) **Flood Insurance Compliance by Insured Credit Unions.**—

(B) **Contents.**—The report shall include a description of the methods used to determine compliance, the number of insured credit unions examined during the reporting year, a listing and total number of insured credit unions found not to be in compliance, actions taken to correct incidents of noncompliance, and an analysis of compliance, including a discussion of any trends, patterns, and problems, and recommendations regarding reasonable actions to improve the efficiency of the examinations processes.

(f) **Access to Liquidity.**—The Board shall—

(1) periodically assess the potential liquidity needs of each insured credit union, and the options that the credit union has available for meeting those needs; and

(2) periodically assess the potential liquidity needs of insured credit unions as a group, and the options that insured credit unions have available for meeting those needs.

(g) **Sharing Information With Federal Reserve Banks.**—The Board shall, for the purpose of facilitating insured credit unions' access to liquidity, make available to the Federal reserve banks (subject to appropriate assurances of confidentiality) information relevant to making advances to such credit unions, including the Board's reports of examination.

(h) **18-Month or Longer Examination Cycle for Certain Credit Unions.**—

(A) IN GENERAL.—Notwithstanding paragraph (1), an insured credit union may convert to a mutual savings bank or savings association (if the savings association is in mutual form), as those terms are defined in section 3 of the Federal Deposit Insurance Act, without the prior approval of the Board, subject to the requirements and procedures
set forth in the laws and regulations governing mutual savings banks and savings associations.

(B) CONVERSION PROPOSAL.—A proposal for a conversion described in subparagraph (A) shall first be approved, and a date set for a vote thereon by the members (either at a meeting to be held on that date or by written ballot to be filed on or before that date), by a majority of the directors of the insured credit union. Approval of the proposal for conversion shall be by the affirmative vote of a majority of the members of the insured credit union who vote on the proposal.

this paragraph that are consistent with rules promulgated by other financial regulators, including the Office of the Comptroller of the Currency. The rules required by this clause shall provide that charter conversion by an insured credit union shall be subject to regulation that is no more or less restrictive than that applicable to charter conversions by other financial institutions.

(ii) OVERSIGHT OF MEMBER VOTE.—The member vote concerning charter conversion under this paragraph shall be administered by the Administration, and shall be verified by the Federal or State regulatory agency that would have jurisdiction over the institution after the conversion. If either the Administration or that regulatory agency disapproves of the methods by which the member vote was taken or procedures applicable to the member vote, the member vote shall be taken again, as directed by the Administration or the agency.

(i) **In General.**—On motion of the Board, the court in which the conviction or the agreement of a person referred to in subparagraph (A) has been entered may grant an exception to the application of paragraph (1) to such person if granting the exception is in the interest of justice.

(3) **Penalty.**—Whoever knowingly violates paragraph (1) or (2) shall be fined not more than $1,000,000 for each day such prohibition is violated or imprisoned for not more than 5 years, or both.

(e)(1) The Board shall promulgate rules establishing minimum standards with which each insured credit union must comply with respect to the installation, maintenance, and operation of security devices and procedures, reasonable in cost, to discourage robberies, burglaries, and larcenies and to assist in the identification and apprehension of persons who commit such acts.

(2) The rules shall establish the time limits within which insured credit unions shall comply with the standards and shall require the submission of periodic reports with respect to the installation, maintenance, and operation of security devices and procedures.

(3) An insured credit union which violates a rule promulgated pursuant to this subsection shall be subject to a civil penalty which shall not exceed $100 for each day of the violation.

Except as provided in paragraph (2), an insured credit union may pay dividends on share draft accounts and may permit the owners of such share draft accounts to make withdrawals by negotiable or transferable instruments or other orders for the purpose of making transfers to third parties.
Paragraph (1) shall apply only with respect to share draft accounts in which the entire beneficial interest is held by one or more individuals or members or by an organization which is operated primarily for religious, philanthropic, charitable, educational, or other similar purposes and which is not operated for profit, and with respect to deposits of public funds by an officer, employee, or agent of the United States, any State, county, municipality, or political subdivision thereof, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, any territory or possession of the United States, or any political subdivision thereof.

(g)(1) If the applicable rate prescribed in this subsection exceeds the rate an insured credit union would be permitted to charge in the absence of this subsection, such credit union may, notwithstanding any State constitution or statute which is hereby preempted for the purposes of this subsection, take, receive, reserve, and charge on any loan, interest at a rate of not more than 1 per centum in excess of the discount rate on ninety-day commercial paper in effect at the Federal Reserve bank in the Federal Reserve district where such insured credit union is located or at the rate allowed by the laws of the State, territory, or district where such credit union is located, whichever may be greater.

(2) If the rate prescribed in paragraph (1) exceeds the rate such credit union would be permitted to charge in the absence of this subsection, and such State fixed rate is thereby preempted by the rate described in paragraph (1), when knowingly done, shall be deemed a forfeiture of the entire interest which the loan carries with it, or which has been agreed to be paid thereon. If such greater rate of interest has been paid, the person who paid it may recover, in a civil action commenced in a court of appropriate jurisdiction not later than two years after the date of such payment, an amount equal to twice the amount of interest paid from the credit union taking or receiving such interest.

(h) Notwithstanding any other provision of law, the Board may authorize a merger or consolidation of an insured credit union which is insolvent or is in danger of insolvency with any other insured credit union or may authorize an insured credit union to purchase any of the assets of, or assume any of the liabilities of, any other insured credit union which is insolvent or in danger of insolvency if the Board is satisfied that—

(1) an emergency requiring expeditious action exists with respect to such other insured credit union;
(2) other alternatives are not reasonably available; and
(3) the public interest would best be served by approval of such merger, consolidation, purchase, or assumption.

(i)(1) Notwithstanding any other provision of this Act or of State law, the Board may authorize an institution whose deposits or accounts are insured by the Federal Deposit Insurance Corporation to purchase any of the assets of or assume any of the liabilities of an insured credit union which is insolvent or in danger of insolvency, except that prior to exercising this authority the Board must attempt to effect the merger or consolidation of an insured credit union which is insolvent or in danger of insolvency with another insured credit union, as provided in subsection (h).
(2) For purposes of the authority contained in paragraph (1), insured accounts of the credit union may upon consummation of the purchase and assumption be converted to insured deposits or other comparable accounts in the acquiring institution, and the Board and the National Credit Union Share Insurance Fund shall be absolved of any liability to the credit union's members with respect to those accounts.

(j) PRIVILEGES NOT AFFECTED BY DISCLOSURE TO BANKING AGENCY OR SUPERVISOR.—

(1) IN GENERAL.—The submission by any person of any information to the Consumer Financial Opportunity Commission, the Administration, any State credit union supervisor, or foreign banking authority for any purpose in the course of any supervisory or regulatory process of such Board, supervisor, or authority shall not be construed as waiving, destroying, or otherwise affecting any privilege such person may claim with respect to such information under Federal or State law as to any person or entity other than such Board, supervisor, or authority.

(2) RULE OF CONSTRUCTION.—No provision of paragraph (1) may be construed as implying or establishing that—

(A) any person waives any privilege applicable to information that is submitted or transferred under any circumstance to which paragraph (1) does not apply; or

(B) any person would waive any privilege applicable to any information by submitting the information to the Consumer Financial Opportunity Commission, the Administration, any State credit union supervisor, or foreign banking authority, but for this subsection.

SEC. 206. (a)(1) Any insured credit union other than a Federal credit union may, upon not less than ninety days' written notice to the Board and upon the affirmative vote of a majority of its members within one year prior to the giving of such notice, terminate its status as an insured credit union.

(2) Any insured credit union, other than a Federal credit union, which has obtained a new certificate of insurance from a corporation authorized and duly licensed to insure member accounts may upon not less than ninety days' written notice to the Board convert from status as an insured credit union under this Act: Provided, That at the time of giving notice to the Board the provisions of paragraph (b)(1) of this section are not being invoked against the credit union.

(b)(1) Whenever, in the opinion of the Board, any insured credit union is engaging or has engaged in unsafe or unsound practices in conducting the business of such credit union, or is in an unsafe or unsound condition to continue operations as an insured credit union, or is violating or has violated an applicable law, rule, regulation, order, or any condition imposed in writing by the Board in connection with any action on any application, notice, or other request by the credit union or institution-affiliated party, or is violating or has violated any written agreement entered into with the
Board, the Board shall serve upon the credit union a statement with respect to such practices or conditions or violations for the purpose of securing the correction thereof. In the case of an insured State-chartered credit union, the Board shall send a copy of such statement to the commission, board, or authority, if any, having supervision of such credit union. Unless such correction shall be made within one hundred and twenty days after service of such statement, or within such shorter period of not less than twenty days after such service as the Board shall require in any case where it determines that the insurance risk with respect to such credit union could be unduly jeopardized by further delay in the correction of such practices or conditions or violations, or as the commission, board, or authority having supervision of such credit union, if any, shall require in the case of an insured State-chartered credit union, the Board, if it shall determine to proceed further, shall give to the credit union not less than thirty days' written notice of its intention to terminate the status of the credit union as an insured credit union. Such notice shall contain a statement of the facts constituting the alleged unsafe and unsound practices or conditions or violations and shall fix a time and place for a hearing thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the Board at the request of the credit union. Unless the credit union shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the termination of its status as an insured credit union. In the event of such consent, or if upon the record made at any such hearing the Board shall find that any unsafe or unsound practice or condition or violation specified in the notice has been established and has not been corrected within the time above-prescribed in which to make such correction, the Board may issue and serve upon the credit union an order terminating its status as an insured credit union on a date subsequent to the date of such finding and subsequent to the expiration of the time specified in the notice.

(2) Any credit union whose insured status has been terminated by order of the Board under this subsection shall have the right of judicial review of such order only to the same extent as provided for the review of orders under subsection (j) of this section.

(c) In the event of the termination of a credit union's status as an insured credit union as provided under subsection (a)(2) or (b) of this section, the credit union shall give prompt and reasonable notice to all of its members whose accounts are insured that it has ceased to be an insured credit union. It may include in such notice a statement of the fact that member accounts insured on the effective date of such termination, to the extent not withdrawn, remain insured for one year from the date of such termination, but it shall not further represent itself in any manner as an insured credit union. In the event of failure to give the notice as herein provided to members whose accounts are insured, the Board is authorized to give reasonable notice.

(d)(1) After the termination of the insured status of any credit union as provided under subsection (a)(1) or (b) of this section, insurance of its member accounts to the extent that they were insured on the effective date of such termination, less any amounts
thereafter withdrawn which reduce the accounts below the amount
covered by insurance on the effective date of such termination,
shall continue for a period of one year, but no shares issued by the
credit union or deposits made after the date of such termination
shall be insured by the Board. The credit union shall continue to
pay premiums to the Board during such period as in the case of
an insured credit union and the Board shall have the right to ex-
amine such credit union from time to time during the period during
which such insurance continues. Such credit union shall, in all
other respects, be subject to the duties and obligations of an in-
sured credit union for the period of one year from the date of such
termination. In the event that such credit union shall be closed for
liquidation within such period of one year, the Board shall have the
same powers and rights with respect to such credit union as in the
case of an insured credit union.

(2) No credit union shall convert from status as an insured credit
union under this Act as provided under subsection (a)(2) of this sec-
tion until the proposition for such conversion has been approved by
a majority of all the directors of the credit union, and by affirm-
ative vote of a majority of the members of the credit union who vote
on the proposition in a vote in which at least 20 per centum of the
total membership of the credit union participates. Following ap-
proval by the directors, written notice of the proposition and of the
date set for the membership vote shall be delivered in person to
each member, or mailed to each member at the address for such
member appearing on the records of the credit union, not more
than thirty nor less than seven days prior to such date. The mem-
bership shall be given the opportunity to vote by mail ballot. If the
proposition is approved by the membership, prompt and reasonable
notice of insurance conversion shall be given to all members.

(3) In the event of a conversion of a credit union from status as
an insured credit union under this Act as provided under subsec-
tion (a)(2) of this section, premium charges payable under section 202(c)
of this Act shall be reduced by an amount proportionate to the
number of calendar months for which the converting credit union
will no longer be insured under this Act. As long as a converting
credit union remains insured under this Act, it shall remain subject
to all of the provisions of chapter II of this Act.

(e)(1) If, in the opinion of the Board, any insured credit union,
credit union which has insured accounts, or any institution-affili-
ated party is engaging or has engaged, or the Board has reasonable
cause to believe that the credit union or any institution-affiliated
party is about to engage, in an unsafe or unsound practice in con-
ducting the business of such credit union, or is violating or has vio-
lated, or the Board has reasonable cause to believe that the credit
union or any institution-affiliated party is about to violate, a law,
rule, or regulation, or any condition imposed in writing by the
Board in connection with the granting of any application or other
request by the credit union or any written agreement entered into
with the Board, the Board may issue and serve upon the credit
union or such party a notice of charges in respect thereof. The no-
tice shall contain a statement of the facts constituting the alleged
violation or violations or the unsafe or unsound practice or prac-
tices, and shall fix a time and place at which a hearing will be held
to determine whether an order to cease and desist therefrom
should issue against the credit union or the institution-affiliated party. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the Board at the request of any party so served. Unless the party or parties so served shall appear at the hearing by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease-and-desist order. In the event of such consent, or if upon the record made at any such hearing, the Board shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, the Board may issue and serve upon the credit union or the institution-affiliated party an order to cease and desist from any such violation or practice. Such order may, by provisions which may be mandatory or otherwise, require the credit union or its institution-affiliated parties to cease and desist from the same, and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

(2) A cease-and-desist order shall become effective at the expiration of thirty days after the service of such order upon the credit union or other person concerned (except in the case of a cease-and-desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein, except to such extent as it is stayed, modified, terminated, or set aside by action of the Board or a reviewing court.

(3) AFFIRMATIVE ACTION TO CORRECT CONDITIONS RESULTING FROM VIOLATIONS OR PRACTICES.—The authority to issue an order under this subsection and subsection (f) which requires an insured credit union or any institution-affiliated party to take affirmative action to correct any conditions resulting from any violation or practice with respect to which such order is issued includes the authority to require such insured credit union or such party to—

(A) make restitution or provide reimbursement, indemnification, or guarantee against loss if—

(i) such credit union or such party was unjustly enriched in connection with such violation or practice; or

(ii) the violation or practice involved a reckless disregard for the law or any applicable regulations or prior order of the Board;

(B) restrict the growth of the institution;

(C) rescind agreements or contracts;

(D) dispose of any loan or asset involved;

(E) employ qualified officers or employees (who may be subject to approval by the Board at the direction of such Board); and

(F) take such other action as the Board determines to be appropriate.

(4) AUTHORITY TO LIMIT ACTIVITIES.—The authority to issue an order under this subsection or subsection (f) includes the authority to place limitations on the activities or functions of an insured credit union or any institution-affiliated party.

(f)(1) Whenever the Board shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the credit union or
any institution-affiliated party pursuant to paragraph (1) of subsection (e) of this section, or the continuation thereof, is likely to cause insolvency or significant dissipation of assets or earnings of the credit union, or is likely to weaken the condition of the credit union or otherwise prejudice the interests of its insured members prior to the completion of the proceedings conducted pursuant to paragraph (1) of subsection (e) of this section, the Board may issue a temporary order requiring the credit union or such party to cease and desist from any such violation or practice and to take affirmative action to prevent such insolvency, dissipation, condition, or prejudice pending completion of such proceedings. Such order may include any requirement authorized under subsection (e)(3). Such order shall become effective upon service upon the credit union or institution-affiliated party and, unless set aside, limited, or suspended by a court in proceedings authorized by paragraph (2) of this subsection, shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Administration shall dismiss the charges specified in such notice, or if a cease-and-desist order is issued against the credit union or such party, until the effective date of such order.

(2) Within ten days after the credit union concerned or any institution-affiliated party has been served with a temporary cease-and-desist order, the credit union or such party may apply to the United States district court for the judicial district in which the home office of the credit union is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the credit union or such party under paragraph (1) of subsection (e) of this section, and such court shall have jurisdiction to issue such injunction.

(3) INCOMPLETE OR INACCURATE RECORDS.—

(A) TEMPORARY ORDER.—If a notice of charges served under subsection (e)(1) specifies, on the basis of particular facts and circumstances, that an insured credit union's books and records are so incomplete or inaccurate that the Board is unable, through the normal supervisory process, to determine the financial condition of that insured credit union or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of that insured credit union, the Board may issue a temporary order requiring—

(i) the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or

(ii) affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under subsection (e)(1).

(B) EFFECTIVE PERIOD.—Any temporary order issued under subparagraph (A)—

(i) shall become effective upon service; and
(ii) unless set aside, limited, or suspended by a court in proceedings under paragraph (2), shall remain in effect and enforceable until the earlier of—

(I) the completion of the proceeding initiated under subsection (e)(1) in connection with the notice of charges; or

(II) the date the Board determines, by examination or otherwise, that the insured credit union's books and records are accurate and reflect the financial condition of the credit union.

(4) In the case of violation or threatened violation of, or failure to obey, a temporary cease-and-desist order, the Board may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the principal office of the credit union is located for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

(g) REMOVAL AND PROHIBITION AUTHORITY.—

(1) AUTHORITY TO ISSUE ORDER.—Whenever the Board determines that—

(A) any any institution-affiliated party has, directly or indirectly—

(i) violated—

(I) any law or regulation;

(II) any cease-and-desist order which has become final;

(III) any condition imposed in writing by the Board in connection with any action on any application, notice, or request by such credit union or institution-affiliated party; or

(IV) any written agreement between such credit union and the Board;

(ii) engaged or participated in any unsafe or unsound practice in connection with any insured credit union or business institution; or

(iii) committed or engaged in any act, omission, or practice which constitutes a breach of such party's fiduciary duty;

(B) by reason of the violation, practice, or breach described in any clause of subparagraph (A)—

(i) such insured credit union or business institution has suffered or will probably suffer financial loss or other damage;

(ii) the interests of the insured credit union's members have been or could be prejudiced; or

(iii) such party has received financial gain or other benefit by reason of such violation, practice or breach; and

(C) such violation, practice, or breach—

(i) involves personal dishonesty on the part of such party; or

(ii) demonstrates such party's unfitness to serve as a director or officer of, or to otherwise participate in the conduct of the affairs of, an insured credit union,
the Board may serve upon such party a written notice of the Board's intention to remove such party from office or to prohibit any further participation, by such party, in any manner in the conduct of the affairs of any insured credit union.

(2) SPECIFIC VIOLATIONS.—
   (A) IN GENERAL.—Whenever the Board determines that—
     (i) an institution-affiliated party has committed a violation of any provision of subchapter II of chapter 53 of title 31, United States Code, unless such violation was inadvertent or unintentional;
     (ii) an officer or director of an insured credit union has knowledge that an institution-affiliated party of the insured credit union has violated any such provision or any provision of law referred to in subsection (i)(1)(A)(ii); or
     (iii) an officer or director of an insured credit union has committed any violation of the Depository Institution Management Interlocks Act,
   the Board may serve upon such party, officer, or director a written notice of the Board's intention to remove such officer or director from office.

   (B) FACTORS TO BE CONSIDERED.—In determining whether an officer or director should be removed as a result of the application of subparagraph (A)(ii), the Board shall consider whether the officer or director took appropriate action to stop, or to prevent the recurrence of, a violation described in such subparagraph.

(3) SUSPENSION ORDER.—
   (A) SUSPENSION OR PROHIBITION AUTHORIZED.—If the Board serves written notice under paragraph (1) or (2) to any institution-affiliated party of the Board's intention to issue an order under such paragraph, the Board may suspend such party from office or prohibit such party from further participation in any manner in the conduct of the affairs of the institution, if the Board—
     (i) determines that such action is necessary for the protection of the credit union or the interests of the credit union's members; and
     (ii) serves such person with written notice of the suspension order.

   (B) EFFECTIVE PERIOD.—Any suspension order issued under subparagraph (A)—
     (i) shall become effective upon service; and
     (ii) unless a court issues a stay of such order under paragraph (6), shall remain in effect and enforceable until—
     (I) the date the Board dismisses the charges contained in the notice served under paragraph (1) or (2) with respect to such party; or
     (II) the effective date of an order issued by the Board to such person under paragraph (1) or (2).

   (C) COPY OF ORDER.—If the Board issues a suspension order under subparagraph (A) to any institution-affiliated party, the Board shall serve a copy of such order on any
insured credit union with which such party is associated at the time such order is issued.

(4) A notice of intention to remove a director, committee member, officer, or other person from office or to prohibit his participation in the conduct of the affairs of an insured credit union, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Board at the request of (A) such director, committee member, or officer or other person, and for good cause shown, or (B) the Attorney General of the United States. Unless such director, committee member, officer, or other person shall appear at the hearing in person or by a duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal or prohibition. In the event of such consent, or if upon the record made at any such hearing the Board shall find that any of the grounds specified in such notice have been established, the Board may issue such orders of suspension or removal from office, or prohibition from participation in the conduct of the affairs of the credit union, as it may deem appropriate. Any such order shall become effective at the expiration of thirty days after service upon such credit union and the director, committee member, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the Board or a reviewing court.

(5) Prohibition of certain specific activities.—Any person subject to an order issued under this subsection shall not—

(A) participate in any manner in the conduct of the affairs of any institution or agency specified in paragraph (7)(A);

(B) solicit, procure, transfer, attempt to transfer, vote, or attempt to vote any proxy, consent, or authorization with respect to any voting rights in any institution described in subparagraph (A);

(C) violate any voting agreement previously approved by the appropriate Federal banking agency; or

(D) vote for a director, or serve or act as an institution-affiliated party.

(6) Within ten days after any director, officer, committee member, or other person has been suspended from office and/or prohibited from participation in the conduct of the affairs of an insured credit union under paragraph (3) of this subsection, such director, officer, committee member, or other person may apply to the United States district court for the judicial district in which the principal office of the credit union is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, committee member, or other person under paragraph (1) or (2) of this subsection, and such court shall have jurisdiction to stay such suspension and/or prohibition.

(7) Industrywide prohibition.—
(A) IN GENERAL.—Except as provided in subparagraph (B), any person who, pursuant to an order issued under this subsection or subsection (i), has been removed or suspended from office in an insured credit union or prohibited from participating in the conduct of the affairs of an insured credit union may not, while such order is in effect, continue or commence to hold any office in, or participate in any manner in the conduct of the affairs of—

(i) any insured depository institution;

(ii) any institution treated as an insured bank under paragraph (3) or (4) of section 8(b) of the Federal Deposit Insurance Act, or as a savings association under section 8(b)(9) of such Act;

(iii) any insured credit union;

(iv) any institution chartered under the Farm Credit Act of 1971;

(v) any appropriate Federal financial institution regulatory agency; and

(vi) the Federal Housing Finance Agency and any Federal home loan bank.

(B) EXCEPTION IF AGENCY PROVIDES WRITTEN CONSENT.—If, on or after the date an order is issued under this subsection which removes or suspends from office any institution-affiliated party or prohibits such party from participating in the conduct of the affairs of an insured credit union, such party receives the written consent of—

(i) the Board; and

(ii) the appropriate Federal financial institutions regulatory agency of the institution described in any clause of subparagraph (A) with respect to which such party proposes to become an institution-affiliated party,

subparagraph (A) shall, to the extent of such consent, cease to apply to such party with respect to the institution described in each written consent. If any person receives such a written consent from the Board, the Board shall publicly disclose such consent. If the agency referred to in clause (ii) grants such a written consent, such agency shall report such action to the Board and publicly disclose such consent.

(C) VIOLATION OF PARAGRAPH TREATED AS VIOLATION OF ORDER.—Any violation of subparagraph (A) by any person who is subject to an order described in such subparagraph shall be treated as a violation of the order.

(D) APPROPRIATE FEDERAL FINANCIAL INSTITUTIONS REGULATORY AGENCY DEFINED.—For purposes of this paragraph, the term “appropriate Federal financial institutions regulatory agency” means—

(i) the appropriate Federal banking agency, as provided in section 3(q) of the Federal Deposit Insurance Act;

(ii) the Farm Credit Administration, in the case of an institution chartered under the Farm Credit Act of 1971;

(iii) the National Credit Union Administration Board, in the case of an insured credit union (as defined in section 101(7) of the Federal Credit Union Act); and
(iv) the Secretary of the Treasury, in the case of the Federal Housing Finance Agency and any Federal home loan bank;

(E) Consultation between Agencies.—The agencies referred to in clauses (i) and (ii) of subparagraph (B) shall consult with each other before providing any written consent described in subparagraph (B).

(F) Applicability.—This paragraph shall only apply to a person who is an individual, unless the Board specifically finds that it should apply to a corporation, firm, or other business enterprise.

(h)(1) The Board may, ex parte without notice, appoint itself or another (including, in the case of a State-chartered insured credit union, the State official having jurisdiction over the credit union) as conservator and immediately take possession and control of the business and assets of any insured credit union in any case in which—

(A) the Board determines that such action is necessary to conserve the assets of any insured credit union or to protect the Fund or the interests of the members of such insured credit union;

(B) an insured credit union, by a resolution of its board of directors, consents to such an action by the Board;

(C) the Attorney General notifies the Board in writing that an insured credit union has been found guilty of a criminal offense under section 1956 or 1957 of title 18, United States Code, or section 5322 or 5324 of title 31, United States Code;

(D) there is a willful violation of a cease-and-desist order which has become final;

(E) there is concealment of books, papers, records, or assets of the credit union or refusal to submit books, papers, records, or affairs of the credit union for inspection to any examiner or to any lawful agent of the Board;

(F) the credit union is significantly undercapitalized, as defined in section 216, and has no reasonable prospect of becoming adequately capitalized, as defined in section 216; or

(G) the credit union is critically undercapitalized, as defined in section 216.

(2)(A) Except as provided in subparagraph (C), in the case of a State-chartered insured credit union, the authority conferred by paragraph (1) shall not be exercised without the written approval of the State official having jurisdiction over the State-chartered credit union that the grounds specified for such exercise exist.

(B) If such approval has not been received by the Board within 30 days of receipt of notice by the State that the Board has determined such grounds exist, and the Board has responded in writing to the State's written reasons, if any, for withholding approval, then the Board may proceed without State approval only by a unanimous vote of the Board.

(C) In the case of a State-chartered insured credit union, the authority conferred by subparagraphs (F) and (G) of paragraph (1) may not be exercised unless the Board has complied with section 216(l).
(3) Not later than ten days after the date on which the Board takes possession and control of the business and assets of an insured credit union pursuant to paragraph (1), such insured credit union may apply to the United States district court for the judicial district in which the principal office of such insured credit union is located or the United States District Court for the District of Columbia, for an order requiring the Board to show cause why it should not be enjoined from continuing such possession and control. Except as provided in this paragraph, no court may take any action, except at the request of the Board by regulation or order, to restrain or affect the exercise of powers or functions of the Board as conservator.

(4) Except as provided in paragraph (3), in the case of a Federal credit union, the Board may maintain possession and control of the business and assets of such credit union and may operate such credit union until such time—

(A) as the Board shall permit such credit union to continue business subject to such terms and conditions as may be imposed by the Board; or

(B) as such credit union is liquidated in accordance with the provisions of section 207.

(5) Except as provided in paragraph (3), in the case of an insured State-chartered credit union, the Board may maintain possession and control of the business and assets of such credit union and may operate such credit union until such time—

(A) as the Board shall permit such credit union to continue business, subject to such terms and conditions as may be imposed by the Board;

(B) as the Board shall permit the transfer of possession and control of such credit union to any commission, board, or authority which has supervisory authority over such credit union and which is authorized by State law to operate such credit union; or

(C) as such credit union is liquidated in accordance with the provisions of section 207.

(6) The Board may appoint such agents as it considers necessary in order to assist the Board in carrying out its duties as a conservator under this subsection.

(7) All expenses incurred by the Board in exercising its authority under this subsection with respect to any credit union shall be paid out of the assets of such credit union.

(8) The conservator shall have all the powers of the members, the directors, the officers, and the committees of the credit union and shall be authorized to operate the credit union in its own name or to conserve its assets in the manner and to the extent authorized by the Board.

(9) The authority granted by this subsection is in addition to all other authority granted to the Board under this Act.

(i) SUSPENSION, REMOVAL, AND PROHIBITION FROM PARTICIPATION ORDERS IN THE CASE OF CERTAIN CRIMINAL OFFENSES.—

(1) SUSPENSION OR PROHIBITION AUTHORIZED.—

(A) IN GENERAL.—Whenever any institution-affiliated party is charged in any information, indictment, or complaint, with the commission of or participation in—
(i) a crime involving dishonesty or breach of trust which is punishable by imprisonment for a term exceeding one year under State or Federal law, or
(ii) a criminal violation of section 1956, 1957, or 1960 of title 18, United States Code, or section 5322 or 5324 of title 31, United States Code,
the Board may, if continued service or participation by such party may pose a threat to the interests of the credit union’s members or may threaten to impair public confidence in any credit union, by written notice served upon such party, suspend such party from office or prohibit such party from further participation in any manner in the conduct of the affairs of any credit union.

(B) PROVISIONS APPLICABLE TO NOTICE.—

(i) COPY.—A copy of any notice under subparagraph (A) shall also be served upon the credit union of which the subject of the order is, or most recently was, an institution-affiliated party.

(ii) EFFECTIVE PERIOD.—A suspension or prohibition under subparagraph (A) shall remain in effect until the information, indictment, or complaint referred to in such subparagraph is finally disposed of or until terminated by the Board.

(C) REMOVAL OR PROHIBITION.—

(i) IN GENERAL.—If a judgment of conviction or an agreement to enter a pretrial diversion or other similar program is entered against an institution-affiliated party in connection with a crime described in subparagraph (A)(i), at such time as such judgment is not subject to further appellate review, the Board may, if continued service or participation by such party may pose a threat to the interests of any credit union’s members or may threaten to impair public confidence in any credit union, issue and serve upon such party an order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of any credit union without the prior written consent of the Board.

(ii) REQUIRED FOR CERTAIN OFFENSES.—In the case of a judgment of conviction or agreement against an institution-affiliated party in connection with a violation described in subparagraph (A)(ii), the Board shall issue and serve upon such party an order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of any credit union without the prior written consent of the Board.

(D) PROVISIONS APPLICABLE TO ORDER.—

(i) COPY.—A copy of any order under subparagraph (C) shall also be served upon the credit union of which the subject of the order is, or most recently was, an institution-affiliated party, whereupon such party (if a director or an officer) shall cease to be a director or officer of such credit union.
(ii) **EFFECT OF ACQUITTAL.**—A finding of not guilty or other disposition of the charge shall not preclude the Board from instituting proceedings after such finding or disposition to remove such party from office or to prohibit further participation in credit union affairs, pursuant to paragraph (1), (2), or (3) of subsection (g) of this section.

(iii) **EFFECTIVE PERIOD.**—Any notice of suspension or order of removal issued under this paragraph shall remain effective and outstanding until the completion of any hearing or appeal authorized under paragraph (3) unless terminated by the Board.

(E) **CONTINUATION OF AUTHORITY.**—The Board may issue an order under this paragraph with respect to an individual who is an institution-affiliated party at a credit union at the time of an offense described in subparagraph (A) without regard to—

(i) whether such individual is an institution-affiliated party at any credit union at the time the order is considered or issued by the Board; or

(ii) whether the credit union at which the individual was an institution-affiliated party at the time of the offense remains in existence at the time the order is considered or issued by the Board.

(2) If at any time, because of the suspension of one or more directors pursuant to this section, there shall be on the board of directors of a Federal credit union less than a quorum of directors not so suspended, all powers and functions vested in or exercisable by such board shall vest in and be exercisable by the director or directors on the board not so suspended, until such time as there shall be a quorum of the board of directors. In the event all of the directors of a Federal credit union are suspended pursuant to this section, the Board shall appoint persons to serve temporarily as directors in their place and stead pending the termination of such suspensions, or until such time as those who have been suspended cease to be directors of the credit union and their respective successors have been elected by the members at an annual or special meeting and have taken office. Directors appointed temporarily by the Board shall, within thirty days following their appointment, call a special meeting for the election of new directors, unless during the thirty-day period (A) the regular annual meeting is scheduled, or (B) the suspensions giving rise to the appointment of temporary directors are terminated.

(3) Within thirty days from service of any notice of suspension or order of removal issued pursuant to paragraph (1) of this subsection, the institution-affiliated party concerned may request in writing an opportunity to appear before the Board to show that the continued service to or participation in the conduct of the affairs of the credit union by such party does not, or is not likely to, pose a threat to the interests of the credit union’s members or threaten to impair public confidence in the credit union. Upon receipt of any such request, the Board shall fix a time (not more than thirty days after receipt of such request, unless extended at the request of such party) and place at which such party may appear, personally or through counsel, before the Board or its designee to submit written
materials (or, at the discretion of the Board, oral testimony) and oral argument. Within sixty days of such hearing, the Board shall notify such party whether the suspension or prohibition from participation in any manner in the conduct of the affairs of the credit union will be continued, terminated or otherwise modified, or whether the order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of the credit union will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the Board's decision, if adverse to such party. The Board is authorized to prescribe such rules as may be necessary to effectuate the purposes of this subsection.

(j)(1) Any hearing provided for in this section (other than the hearing provided for in subsection (i)(3) of this section) shall be held in the Federal judicial district or in the territory in which the principal office of the credit union is located, unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. After such hearing, and within ninety days after the Board has notified the parties that the case has been submitted to them for final decision, it shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection (j). Unless a petition for review is timely filed in a court of appeals of the United States, as provided in paragraph (2) of this subsection, and thereafter until the record in the proceeding has been filed as so provided, the Board may at any time, upon such notice and in such manner as it may deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Board may modify, terminate, or set aside any such order with permission of the court.

(2) Any party to any proceeding under paragraph (1) may obtain a review of any order served pursuant to paragraph (1) of this subsection (other than an order issued with the consent of the credit union or the institution-affiliated party concerned or an order issued under subsection (i)(1) of this section) by filing in the court of appeals of the United States for the circuit in which the principal office of the credit union is located, or in the United States Court of Appeals for the District of Columbia Circuit, within thirty days after the date of service of such order, a written petition praying that the order of the Board be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Board, and thereupon the Board shall file in the court the record in the proceeding, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall, except as provided in the last sentence of said paragraph (1), be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Board. Review of such proceedings shall be had as provided in chapter 7 of title 5, United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme
Court upon certiorari, as provided in section 1254 of title 28, United States Code.

(3) The commencement of proceedings for judicial review under paragraph (2) of this subsection shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Board.

(k)(1) The Board may in its discretion apply to the United States district court, or the United States court of any territory within the jurisdiction of which the principal office of the credit union is located, for the enforcement of any effective and outstanding notice or order issued under this section or section 216, and such courts shall have jurisdiction and power to order and require compliance therewith. However, except as otherwise provided in this section or section 216, no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this section or section 216 or to review, modify, suspend, terminate, or set aside any such notice or order.

(E) Assessment.—
(i) Written notice.—Any penalty imposed under subparagraph (A), (B), or (C) may be assessed and collected by the Board by written notice.
(ii) Finality of assessment.—If, with respect to any assessment under clause (i), a hearing is not requested pursuant to subparagraph (H) within the period of time allowed under such subparagraph, the assessment shall constitute a final and unappealable order.

(F) Authority to modify or remit penalty.—The Board may compromise, modify, or remit any penalty which such agency may assess or had already assessed under subparagraph (A), (B), or (C).

(G) Mitigating factors.—In determining the amount of any penalty imposed under subparagraph (A), (B), or (C), the Board shall take into account the appropriateness of the penalty with respect to—
(i) the size of financial resources and good faith of the insured credit union or the person charged;
(ii) the gravity of the violation;
(iii) the history of previous violations; and
(iv) such other matters as justice may require.

(H) Hearing.—The insured credit union or other person against whom any penalty is assessed under this paragraph shall be afforded an agency hearing if such institution or person submits a request for such hearing within 20 days after the issuance of the notice of assessment.

(I) Collection.—
(i) **Referral.**—If any insured credit union or other person fails to pay an assessment after any penalty assessed under this paragraph has become final, the Board shall recover the amount assessed by action in the appropriate United States district court.

(ii) **Appropriateness of Penalty Not Reviewable.**—In any civil action under clause (i), the validity and appropriateness of the penalty shall not be subject to review.

(J) **Disbursement.**—All penalties collected under authority of this paragraph shall be deposited into the Treasury.

(K) **Violate Defined.**—For purposes of this section, the term “violate” includes any action (alone or with another or others) for or toward causing, bringing about, participating in, counseling, or aiding or abetting a violation.

(L) **Regulations.**—The Board shall prescribe regulations establishing such procedures as may be necessary to carry out this paragraph.

(3) **Notice Under This Section After Separation From Service.**—The resignation, termination of employment or participation, or separation of a institution-affiliated party (including a separation caused by the closing of an insured credit union) shall not affect the jurisdiction and authority of the Board to issue any notice or order and proceed under this section against any such party, if such notice or order is served before the end of the 6-year period beginning on the date such party ceased to be such a party with respect to such credit union (whether such date occurs before, on, or after the date of the enactment of this paragraph).

(l) **Criminal Penalty for Violation of Certain Orders.**—Whoever—

(1) under this Act, is suspended or removed from, or prohibited from participating in the affairs of any credit union described in section 206(g)(5); and

(2) knowingly participates, directly or indirectly, in any manner (including by engaging in an activity specifically prohibited in such an order or in subsection (g)(5)) in the conduct of the affairs of such a credit union;

shall be fined not more than \$1,000,000 to \$1,500,000, imprisoned for not more than 5 years, or both.

(m) As used in this section (1) the terms “cease-and-desist order which has become final” and “order which has become final” means a cease-and-desist order, or an order issued by the Board with the consent of the credit union or the director, officer, committee member, or other person concerned, or with respect to which no petition for review of the action of the Board has been filed and perfected in a court of appeals as specified in paragraph (2) of subsection (j) of this section, or with respect to which the action of the court in which said petition is so filed is not subject to further review by the Supreme Court of the United States in proceedings provided for in said paragraph, or an order issued under subsection (i) of this section, and (2) the term “violation” includes without limitation any action (alone or with another or others) for or toward causing,
bringing about, participating in, counseling, or aiding or abetting a violation.

(n) Any service required or authorized to be made by the Board under this section may be made by registered mail or in such other manner reasonably calculated to give actual notice as the Board may by regulation or otherwise provide. Copies of any notice or order served by the Board upon any State-chartered credit union or any director, officer, or committee member thereof or other person participating in the conduct of its affairs, pursuant to the provisions of this section, shall also be sent to the commission, board, or authority, if any, having supervision of such credit union.

(o) In connection with any proceeding under subsection (e), (f)(1), or (g) of this section involving an insured State-chartered credit union or any institution-affiliated party, the Board shall provide the commission, board, or authority, if any, having supervision of such credit union, with notice of its intent to institute such a proceeding and the grounds thereof. Unless within such time as the Board deems appropriate in the light of the circumstances of the case (which time must be specified in the notice prescribed in the preceding sentence) satisfactory corrective action is effectuated by action of such commission, board, or authority, the Board may proceed as provided in this section. No credit union or other party who is the subject of any notice or order issued by the Board under this section shall have standing to raise the requirements of this subsection as ground for attacking the validity of any such notice or order.

(p) In the course of or in connection with any proceeding under this section or in connection with any claim for insured deposits or any examination or investigation under section 204(b), the Board, in conducting the proceeding, examination, or investigation or considering the claim for insured deposits, or any designated representative thereof, including any person designated to conduct any hearing under this section, shall have the power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpoenas and subpoenas duces tecum, and the Board is empowered to make rules and regulations with respect to any such proceedings, claims, examinations, or investigations. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory or other place subject to the jurisdiction of the United States at any designated place where such proceeding is being conducted. Any party to proceedings under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena or subpoena duces tecum issued pursuant to this subsection, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. Any court having jurisdiction of any proceeding instituted under this section by an insured credit union or a director, officer, or committee member thereof may allow to any such party such reasonable expenses and attorneys' fees as it
deems just and proper, and such expenses and fees shall be paid by the credit union or from its assets.

(q) COMPLIANCE WITH MONETARY TRANSACTION RECORDKEEPING AND REPORT REQUIREMENTS.—

(B) has failed to correct any problem with the procedures maintained by such credit union which was previously reported to the credit union by the Board,

the Board shall issue an order in the manner prescribed in subsection (e) or (f) requiring such credit union to cease and desist from its violation of this subsection or regulations prescribed under this subsection.

(s) PUBLIC DISCLOSURE OF AGENCY ACTION.—

(1) IN GENERAL.—The Board shall publish and make available to the public on a monthly basis—

(5) DELAY OF PUBLICATION UNDER EXCEPTIONAL CIRCUMSTANCES.—If the Board makes a determination in writing that the publication of a final order pursuant to paragraph (1)(B) would seriously threaten the safety and soundness of an insured depository institution, the agency may delay the publication of the document for a reasonable time.

(6) DOCUMENTS FILED UNDER SEAL IN PUBLIC ENFORCEMENT HEARINGS.—The Board may file any document or part of a document under seal in any administrative enforcement hearing commenced by the agency if disclosure of the document would be contrary to the public interest. A written report shall be made part of any determination to withhold any part of a document from the transcript of the hearing required by paragraph (2).

(7) RETENTION OF DOCUMENTS.—The Board shall keep and maintain a record, for a period of at least 6 years, of all documents described in paragraph (1) and all informal enforcement agreements and other supervisory actions and supporting documents issued with respect to or in connection with any administrative enforcement proceeding initiated by such agency under this section or any other laws.

(8) DISCLOSURES TO CONGRESS.—No provision of this subsection may be construed to authorize the withholding, or to prohibit the disclosure, of any information to the Congress or any committee or subcommittee of the Congress.

(9) PRESERVATION OF RECORDS.—

(A) IN GENERAL.—The Board may cause any and all records, papers, or documents kept by the Administration or in the possession or custody of the Administration to be—

(I) being read or scanned by computer; and
(B) TREATMENT AS ORIGINAL RECORDS.—Any photographs, microphotographs, or photographic film or copies thereof described in subparagraph (A)(i) or reproduction of electronically stored data described in subparagraph (A)(ii) shall be deemed to be an original record for all purposes, including introduction in evidence in all State and Federal courts or administrative agencies, and shall be admissible to prove any act, transaction, occurrence, or event therein recorded.

(C) AUTHORITY OF THE ADMINISTRATION.—Any photographs, microphotographs, or photographic film or copies thereof described in subparagraph (A)(i) or reproduction of electronically stored data described in subparagraph (A)(ii) shall be preserved in such manner as the Administration shall prescribe, and the original records, papers, or documents may be destroyed or otherwise disposed of as the Administration may direct.

(1) GOLDEN PARACHUTES AND INDEMNIFICATION PAYMENTS.—The Board may prohibit or limit, by regulation or order, any golden parachute payment or indemnification payment.

(2) FACTORS TO BE TAKEN INTO ACCOUNT.—The Board shall prescribe, by regulation, the factors to be considered by the Board in taking any action pursuant to paragraph (1) which may include such factors as the following:

(A) Whether there is a reasonable basis to believe that the institution-affiliated party has committed any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the credit union that has had a material affect on the financial condition of the credit union.

(B) Whether there is a reasonable basis to believe that the institution-affiliated party is substantially responsible for the insolvency of the credit union, the appointment of a conservator or liquidating agent for the credit union, or the credit union's troubled condition (as defined in regulations prescribed by the Board pursuant to paragraph (4)(A)(ii)(III)).

(C) Whether there is a reasonable basis to believe that the institution-affiliated party has materially violated any applicable Federal or State banking law or regulation that has had a material effect on the financial condition of the credit union.

(i) section 215, 656, 657, 1005, 1006, 1007, 1014, 1032, or 1344 of title 18, United States Code; or

(ii) section 1341 or 1343 of such title affecting a financial institution.
(E) Whether the institution-affiliated party was in a position of managerial or fiduciary responsibility.

   (i) the payment reasonably reflects compensation earned over the period of employment; and
   (ii) the compensation involved represents a reasonable payment for services rendered.

(3) CERTAIN PAYMENTS PROHIBITED.—No credit union may prepay the salary or any liability or legal expense of any institution-affiliated party if such payment is made—
   (A) in contemplation of the insolvency of such credit union or after the commission of an act of insolvency; and

      (ii) preferring one creditor over another.

(4) GOLDEN PARACHUTE PAYMENT DEFINED.—For purposes of this subsection—
   (A) IN GENERAL.—The term “golden parachute payment” means any payment (or any agreement to make any payment) in the nature of compensation by any credit union for the benefit of any institution-affiliated party pursuant to an obligation of such credit union that—

         (V) the credit union is subject to a proceeding initiated by the Board to terminate or suspend deposit insurance for such credit union.
   (B) CERTAIN PAYMENTS IN CONTEMPLATION OF AN EVENT.—Any payment which would be a golden parachute payment but for the fact that such payment was made before the date referred to in subparagraph (A)(ii) shall be treated as a golden parachute payment if the payment was made in contemplation of the occurrence of an event described in any subclause of such subparagraph.
   (C) CERTAIN PAYMENTS NOT INCLUDED.—The term “golden parachute payment” shall not include—

(A) INDEMNIFICATION PAYMENT.—Subject to paragraph (6), the term "indemnification payment" means any payment (or any agreement to make any payment) by any credit union for the benefit of any person who is or was an institution-affiliated party, to pay or reimburse such person for any liability or legal expense with regard to any administrative proceeding or civil action instituted by the Board which results in a final order under which such person—

(I) the determination, after such date, of the liability for the payment of such amount; or
(II) the liquidation, after such date, of the amount of such payment.

(6) CERTAIN COMMERCIAL INSURANCE COVERAGE NOT TREATED AS COVERED BENEFIT PAYMENT.—No provision of this subsection shall be construed as prohibiting any credit union from purchasing any commercial insurance policy or fidelity bond, except that, subject to any requirement described in paragraph (5)(A)(iii), such insurance policy or bond shall not cover any legal or liability expense of the credit union which is described in paragraph (5)(A).

(B) INVESTIGATION BY FEDERAL BANKING AGENCY.—The Board may, in the Board's discretion, investigate and collect information and evidence pertinent to a request for assistance under subparagraph (A). Any such investigation shall comply with the laws of the United States and the policies and procedures of the Board.

(ii) whether compliance with the request would prejudice the public interest of the United States.

(D) TREATMENT OF FOREIGN BANKING AUTHORITY.—For purposes of any Federal law or Board regulation relating to the collection or transfer of information by the Board or any appropriate Federal banking agency, the foreign banking authority shall be treated as another appropriate Federal banking agency.

(3) RULE OF CONSTRUCTION.—Paragraphs (1) and (2) shall not be construed to limit the authority of the Board or any other Federal agency to provide or receive assistance or information to or from any foreign authority with respect to any matter.

(v) TERMINATION OF INSURANCE FOR MONEY LAUNDERING OR CASH TRANSACTION REPORTING OFFENSES.—

(1) IN GENERAL.—

(A) CONVICTION OF TITLE 18 OFFENSES.—

(i) DUTY TO NOTIFY.—If an insured State credit union has been convicted of any criminal offense under section 1956 or 1957 of title 18, United States Code, the Attorney General shall provide to the Board a written notification of the conviction and shall include a certified copy of the order of conviction from the court rendering the decision.

(ii) NOTICE OF TERMINATION.—After written notification from the Attorney General to the Board of such a conviction, the Board shall issue to such insured
credit union a notice of its intention to terminate the insured status of the insured credit union and schedule a hearing on the matter, which shall be conducted as a termination hearing pursuant to subsection (b) of this section, except that no period for correction shall apply to a notice issued under this subparagraph.

(B) Conviction of Title 31 Offenses.—If a credit union is convicted of any criminal offense under section 5322 or 5324 of title 31, United States Code, after prior written notification from the Attorney General, the Board may initiate proceedings to terminate the insured status of such credit union in the manner described in subparagraph (A).

(C) Notice to State Supervisor.—The Board shall simultaneously transmit a copy of any notice under this paragraph to the appropriate State financial institutions supervisor.

(2) Factors to be Considered.—In determining whether to terminate insurance under paragraph (1), the Board shall take into account the following factors:

(A) The extent to which directors, committee members, or senior executive officers (as defined by the Board in regulations which the Board shall prescribe) of the credit union knew of, or were involved in, the commission of the money laundering offense of which the credit union was found guilty.

(B) The extent to which the offense occurred despite the existence of policies and procedures within the credit union which were designed to prevent the occurrence of any such offense.

(C) The extent to which the credit union has fully cooperated with law enforcement authorities with respect to the investigation of the money laundering offense of which the credit union was found guilty.

(D) The extent to which the credit union has implemented additional internal controls (since the commission of the offense of which the credit union was found guilty) to prevent the occurrence of any other money laundering offense.

(E) The extent to which the interest of the local community in having adequate deposit and credit services available would be threatened by the termination of insurance.

(3) Notice to State Credit Union Supervisor and Public.—When the order to terminate insured status initiated pursuant to this subsection is final, the Board shall—

(A) notify the commission, board, or authority (if any) having supervision of the credit union described in paragraph (1) at least 10 days prior to the effective date of the order of the termination of the insured status of such credit union; and

(B) publish notice of the termination of the insured status of the credit union.

(5) Successor Liability.—This subsection shall not apply to a successor to the interests of, or a person who acquires, an insured credit union that violated a provision of law described in paragraph (1), if the successor succeeds to the interests of the violator, or the acquisition is made, in good faith and not for purposes of evading this subsection or regulations prescribed under this subsection.

(w) One-Year Restrictions on Federal Examiners of Insured Credit Unions.—

(1) In general.—In addition to other applicable restrictions set forth in title 18, United States Code, the penalties set forth in paragraph (5) of this subsection shall apply to any person who—

(C) within 1 year after the termination date of his or her service or employment with the Administration, knowingly accepts compensation as an employee, officer, director, or consultant from such insured credit union.

(2) Rule of construction.—For purposes of this subsection, a person shall be deemed to act as a consultant for an insured credit union only if such person directly works on matters for, or on behalf of, such insured credit union.

(2) “Affiliated company” means a company which is an affiliated person.

(3) “Affiliated person” of another person means (A) any person directly or indirectly owning, controlling, or holding with power to vote, 5 per centum or more of the outstanding voting securities of such other person; (B) any person 5 per centum or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by such other person; (C) any person directly or indirectly controlling, controlled by, or under common control with, such other person; (D) any officer, director, partner, copartner, or employee of such other person; (E) if such other person is an investment company, any investment adviser thereof or any member of an advisory board thereof; and (F) if such other person is an unincorporated investment company not having a board of directors, the depositor thereof.

As used in this paragraph the term “issuer” shall include, in addition to an issuer, any person directly or indirectly controlling or controlled by the issuer, or any person under direct or indirect common control with the issuer. (41) “Value”, with respect to assets of registered investment companies, except as provided in subsection (b) of section 28 of this title, means—

in each case as of such time or times as determined pursuant to this title, and the rules and regulations issued by the Commission hereunder. Notwithstanding the fact that market quotations for securities issued by controlled companies are available, the board of directors may in good faith determine the value of such securities: Provided, That the value so determined is not in excess of the higher of market value or asset value of such securities in the case of majority-owned subsidiaries, and is not in excess of market value in the case of other controlled companies.

For purposes of the valuation of those assets of a registered diversified company which are not subject to the limitations provided for in section 5(b)(1), the Commission may, by rules and regulations, permit any security to be carried at cost, if it shall determine that such procedure is consistent with the general intent and purposes of this title. For purposes of sections 5 and 12, in lieu of values determined as provided in clause (A) above, the Commission shall by rules and regulations permit valuation of securities issued by controlled companies at cost or other basis in cases where it may be more convenient for such company to make its computations on such basis by reason of the necessity or desirability of complying with the provisions of any United States revenue laws or rules and regulations issued thereunder, or the laws or the rules and regulations issued thereunder of any State in which the securities of such company may be qualified for sale.

The foregoing definition shall not derogate from the authority of the Commission with respect to the reports, information, and documents to be filed with the Commission by any registered company, or with respect to the accounting policies and principles to be following by any such company, as provided in sections 8, 30, and 31.

(42) "Voting security" means any security presently entitling the owner or holder thereof to vote for the election of directors of a company. A specified percentage of the outstanding voting securities of a company means such amount of its outstanding voting securities as entitles the holder or holders thereof to cast said specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such company are entitled to cast. The vote of a majority of the outstanding voting securities of a company means the vote, at the annual or a special meeting of the security holders of such company duly called, (A) of 67 per centum or more of the voting securities present at such meeting, if the holders of more

(ii) it is controlled by a business development company, either alone or as part of a group acting together, and such business development company in fact exercises a controlling influence over the management or policies of such eligible portfolio company and, as a result of such control, has an affiliated person who is a director of such eligible portfolio company;

(iii) it has total assets of not more than $4,000,000, and capital and surplus (shareholders' equity less retained earnings) of not less than $2,000,000, except that the Commission may adjust such amounts by rule, regulation, or order to reflect changes in 1 or more generally accepted indices or other indicators for small businesses; or

(iv) it meets such other criteria as the Commission may, by rule, establish as consistent with the public interest, the protection of investors, and the purposes
fairly intended by the policy and provisions of this title.

(47) "Making available significant managerial assistance" by a business development company means—

(A) any arrangement whereby a business development company, through its directors, officers, employees, or general partners, offers to provide, and, if accepted, does so provide, significant guidance and counsel concerning the management, operations, or business objectives and policies of a portfolio company;

For purposes of subparagraph (A), the requirement that a business development company make available significant managerial assistance shall be deemed to be satisfied with respect to any particular portfolio company where the business development company purchases securities of such portfolio company in conjunction with one or more other persons acting together, and at least one of the persons in the group makes available significant managerial assistance to such portfolio company, except that such requirement will not be deemed to be satisfied if the business development company, in all cases, makes available significant managerial assistance solely in the manner described in this sentence.

(48) "Business development company" means any closed-end company which—

(A) is organized under the laws of, and has its principal place of business in, any State or States;

(B) is operated for the purpose of making investments in securities described in paragraphs (1) through (3) of section 55(a), and makes available significant managerial assistance with respect to the issuers of such securities, provided that a business development company must make available significant managerial assistance only with respect to the companies which are treated by such business development company as satisfying the 70 per centum of the value of its total assets condition of section 55; and provided further that a business development company need not make available significant managerial assistance with respect to any company described in paragraph (46)(C)(iii), or with respect to any other company that meets such criteria as the Commission may by rule, regulation, or order permit, as consistent with the public interest, the protection of investors, and the purposes of this title; and

(C) has elected pursuant to section 54(a) to be subject to the provisions of sections 55 through 65.

(B) the harm to other persons resulting either directly or indirectly from such act or omission;

(C) the extent to which any person was unjustly enriched, taking into account any restitution made to persons injured by such behavior;

(D) whether such person previously has been found by the Commission, another appropriate regulatory agency, or a self-regulatory organization to have violated the Federal securities laws, State securities laws, or the rules of a self-regulatory organization, has been enjoined by a court of competent jurisdiction from violations of such laws or rules, or has been convicted by a court of competent jurisdiction of violations of such laws or of any felony or misdemeanor described in section 203(e)(2) of the Investment Advisers Act of 1940;

(E) the need to deter such person and other persons from committing such acts or omissions; and

(F) such other matters as justice may require.

(4) **EVIDENCE CONCERNING ABILITY TO PAY.**—In any proceeding in which the Commission may impose a penalty under this section, a respondent may present evidence of the respondent’s ability to pay such penalty. The Commission, in its discretion, consider such evidence in determining whether such penalty is in the public interest. Such evidence may relate to the extent of such person’s ability to continue in business and the collectability of a penalty, taking into account any other claims of the United States or third parties upon such person’s assets and the amount of such person’s assets.

(e) **AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNTING AND DISGORGEMENT.**—In any proceeding in which the Commission may impose a penalty under this section, the Commission may enter an order requiring accounting and disgorgement, including reasonable interest. The Commission is authorized to adopt rules, regulations, and orders concerning payments to investors, rates of interest, periods of accrual, and such other matters as it deems appropriate to implement this subsection.

(f) **CEASE-AND-DESIST PROCEEDINGS.**—
(1) Authority of the Commission.—If the Commission finds, after notice and opportunity for hearing, that any person is violating, has violated, or is about to violate any provision of this title, or any rule or regulation thereunder, the Commission may publish its findings and enter an order requiring such person, and any other person that is, was, or would be a cause of the violation, due to an act or omission the person knew or should have known would contribute to such violation, to cease and desist from committing or causing such violation and any future violation of the same provision, rule, or regulation. Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision, rule, or regulation, upon such terms and conditions and within such time as the Commission may specify in such order. Any such order may, as the Commission deems appropriate, require future compliance or steps to effect future compliance, either permanently or for such period of time as the Commission may specify, with such provision, rule, or regulation with respect to any security, any issuer, or any other person.

(2) Hearing.—The notice instituting proceedings pursuant to paragraph (1) shall fix a hearing date not earlier than 30 days nor later than 60 days after service of the notice unless an earlier or a later date is set by the Commission with the consent of any respondent so served.

(3) Temporary Order.—

(A) In General.—Whenever the Commission determines that the alleged violation or threatened violation specified in the notice instituting proceedings pursuant to paragraph (1), or the continuation thereof, is likely to result in significant dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest, including, but not limited to, losses to the Securities Investor Protection Corporation, prior to the completion of the proceeding, the Commission may enter a temporary order requiring the respondent to cease and desist from the violation or threatened violation and to take such action to prevent the violation or threatened violation and to prevent dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest as the Commission deems appropriate pending completion of such proceedings. Such an order shall be entered only after notice and opportunity for a hearing, unless the Commission, notwithstanding section 40(a) of this title, determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the respondent and, unless set aside, limited, or suspended by the Commission or a court of competent jurisdiction, shall remain effective and enforceable pending the completion of the proceedings.

(B) Applicability.—This paragraph shall apply only to a respondent that acts, or, at the time of the alleged misconduct acted, as a broker, dealer, investment adviser, in-
vestment company, municipal securities dealer, govern-
ment securities broker, government securities dealer, or
transfer agent, or is, or was at the time of the alleged mis-
conduct, an associated person of, or a person seeking to be-
come associated with, any of the foregoing.

(4) REVIEW OF TEMPORARY ORDERS.—

(A) COMMISSION REVIEW.—At any time after the re-
spndent has been served with a temporary cease-and-de-
sist order pursuant to paragraph (3), the respondent may
apply to the Commission to have the order set aside, lim-
ited, or suspended. If the respondent has been served with
a temporary cease-and-desist order entered without a prior
Commission hearing, the respondent may, within 10 days
after the date on which the order was served, request a
hearing on such application and the Commission shall hold
a hearing and render a decision on such application at the
earliest possible time.

(B) JUDICIAL REVIEW.—Within—

(i) 10 days after the date the respondent was served
with a temporary cease-and-desist order entered with
a prior Commission hearing, or

(ii) 10 days after the Commission renders a decision
on an application and hearing under subparagraph
(A), with respect to any temporary cease-and-desist
order entered without a prior Commission hearing,
the respondent may apply to the United States district
court for the district in which the respondent resides or
has its principal place of business, or for the District of Co-
olumbia, for an order setting aside, limiting, or suspending
the effectiveness or enforcement of the order, and the court
shall have jurisdiction to enter such an order. A respond-
ent served with a temporary cease-and-desist order en-
tered without a prior Commission hearing may not apply
to the court except after hearing and decision by the Com-
mission on the respondent's application under subpara-
graph (A) of this paragraph.

(C) NO AUTOMATIC STAY OF TEMPORARY ORDER.—The
commencement of proceedings under subparagraph (B) of
this paragraph shall not, unless specifically ordered by the
court, operate as a stay of the Commission's order.

(D) EXCLUSIVE REVIEW.—Section 43 of this title shall not
apply to a temporary order entered pursuant to this sec-
tion.

(5) AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNT-
ING AND DISGORGEMENT.—In any cease-and-desist proceeding
under subsection (f)(1), the Commission may enter an order re-
quiring accounting and disgorgement, including reasonable in-
terest. The Commission is authorized to adopt rules, regula-
tions, and orders concerning payments to investors, rates of in-
terest, periods of accrual, and such other matters as it deems
appropriate to implement this subsection.

(g) For the purposes of this section, the term "investment ad-
viser" includes a corporate or other trustee performing the func-
tions of an investment adviser.
ENFORCEMENT OF TITLE

SEC. 42. (a) The Commission may make such investigations as it deems necessary to determine whether any person has violated or is about to violate any provision of this title or of any rule, regulation, or order hereunder, or to determine whether any action in any court or any proceeding before the Commission shall be instituted under this title against a particular person or persons, or with respect to a particular transaction or transactions. The Commission shall permit any person to file with it a statement in writing, under oath or otherwise as the Commission shall determine, as to all the facts and circumstances concerning the matter to be investigated.

(b) For the purpose of any investigation or any other proceeding under this title, any member of the Commission, or any officer thereof designated by it, is empowered to administer oaths and affirmations, subpena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, contracts, agreements, or other records which are relevant or material to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in any State or in any Territory or other place subject to the jurisdiction of the United States at any designated place of hearing.

(c) In case of contumacy by, or refusal to obey a subpena issued to, any person, the Commission may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, correspondence, memoranda, contracts, agreements, and other records. And such court may issue an order requiring such person to appear before the Commission or member or officer designated by the Commission, there to produce records, if so ordered, or to give testimony touching the matter under investigation or in question; any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found. Any person who without just cause shall fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, contracts, agreements, or other records, if in his or its power so to do, in obedience to the subpena of the Commission, shall be guilty of a misdemeanor, and upon conviction shall be subject to a fine of not more than $1,000 or to imprisonment for a term of not more than one year, or both.

(d) Whenever it shall appear to the Commission that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this title, or of any rule, regulation, or order hereunder, it may in its discretion bring an action in the proper district court of the United States, or the proper United States court of any Territory or other place subject to the jurisdiction of the United States, to enjoin such acts or practices and to enforce compliance with this title or any rule, regulation, or order hereunder. Upon a showing that such person has engaged or
is about to engage in any such act or practice, a permanent or temporary injunction or decree or restraining order shall be granted without bond. In any proceeding under this subsection to enforce compliance with section 7, the court as a court of equity may, to the extent it deems necessary or appropriate, take exclusive jurisdiction and possession of the investment company or companies involved and the books, records, and assets thereof, wherever located; and the court shall have jurisdiction to appoint a trustee, who with the approval of the court shall have power to dispose of any or all of such assets, subject to such terms and conditions as the court may prescribe. The Commission may transmit such evidence as may be available concerning any violation of the provisions of this title, or of any rule, regulation, or order thereunder, to the Attorney General, who, in his discretion, may institute the appropriate criminal proceedings under this title.

(e) MONEY PENALTIES IN CIVIL ACTIONS.—

(1) AUTHORITY OF COMMISSION.—Whenever it shall appear to the Commission that any person has violated any provision of this title, the rules or regulations thereunder, a Federal court injunction or a bar obtained or entered by the Commission under this title, or a cease-and-desist order entered by the Commission pursuant to section 9(f) of this title, the Commission may bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, upon a proper showing, a civil penalty to be paid by the person who committed such violation.

(2) AMOUNT OF PENALTY.—

(A) FIRST TIER.—The amount of the penalty shall be determined by the court in light of the facts and circumstances. For each violation, the amount of the penalty shall not exceed the greater of (i) $5,000 [$10,000 for a natural person or (ii) the gross amount of pecuniary gain to such defendant as a result of the violation.

(III) the amount of losses incurred by victims as a result of the violation.

(D) **Fourth Tier.**—Notwithstanding subparagraphs (A), (B), and (C), the maximum amount of penalty for each such violation shall be 3 times the otherwise applicable amount in such subparagraphs if, within the 5-year period preceding such violation, the defendant was criminally convicted for securities fraud or became subject to a judgment or order imposing monetary, equitable, or administrative relief in any Commission action alleging fraud by that defendant.

(3) **Procedures for Collection.**—

(A) **Payment of Penalty to Treasury.**—A penalty imposed under this section shall be payable into the Treasury of the United States, except as otherwise provided in section 308 of the Sarbanes-Oxley Act of 2002 and section 21F of the Securities Exchange Act of 1934.

(B) **Collection of Penalties.**—If a person upon whom such a penalty is imposed shall fail to pay such penalty within the time prescribed in the court's order, the Commission may refer the matter to the Attorney General who shall recover such penalty by action in the appropriate United States district court.

(C) **Remedy Not Exclusive.**—The actions authorized by this subsection may be brought in addition to any other action that the Commission or the Attorney General is entitled to bring.

(D) **Jurisdiction and Venue.**—For purposes of section 44 of this title, actions under this paragraph shall be actions to enforce a liability or a duty created by this title.

(4) **Special Provisions Relating to a Violation of a Cease-and-Desist Order.**—In an action to enforce a cease-and-desist order entered by the Commission pursuant to section 9(f), each separate violation of such order shall be a separate offense, except that in the case of a violation through a continuing failure to comply with the order, each day of the failure to comply shall be deemed a separate offense.

(4) **Special Provisions Relating to a Violation of an Injunction or Certain Orders.**—

FUNCTIONS AND ACTIVITIES OF BUSINESS DEVELOPMENT COMPANIES

SEC. 55. (a) It shall be unlawful for a business development company to acquire any assets (other than those described in paragraphs (1) through (7) of this subsection) unless, at the time the acquisition is made, assets described in paragraphs (1) through (6) below represent at least 70 per centum of the value of its total assets (other than assets described in paragraph (7) below):

(1) securities purchased, in transactions not involving any public offering or in such other transactions as the Commission may, by rule, prescribe if it finds that enforcement of this title and of the Securities Act of 1933 with respect to such transactions is not necessary in the public interest or for the protection of investors by reason of the small amount, or the limited nature of the public offering, involved in such transactions—

(A) from the issuer of such securities, which issuer is an eligible portfolio company, from any person who is, or who within the preceding thirteen months has been, an affiliated person of such eligible portfolio company, or from any other person, subject to such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors; or

(B) from the issuer of such securities, which issuer is described in section 2(a)(46) (A) and (B) but is not an eligible portfolio company because it has issued a class of securities with respect to which a member of a national securities exchange, broker, or dealer may extend or maintain credit to or for a customer pursuant to rules or regulations adopted by the Board of Governors of the Federal Reserve System under section 7 of the Securities Exchange Act of 1934, or from any person who is an officer or employee of such issuer, if—

(I) the greatest number of equity securities of such issuer and securities convertible into or exchangeable for such securities; and
(II) the greatest amount of debt securities of such issuer, held by such business development company at any point in time during the period when such issuer was an eligible portfolio company, except that options, warrants, and similar securities which have by their terms expired and debt securities which have been converted, or repaid or prepaid in the ordinary course of business or incident to a public offering of securities of such issuer, shall not be considered to have been held by such business development company for purposes of this requirement; and

(ii) the business development company is one of the 20 largest holders of record of such issuer's outstanding voting securities;

(2) securities of any eligible portfolio company with respect to which the business development company satisfies the requirements of section 2(a)(46)(C)(ii);

(3) securities purchased in transactions not involving any public offering from an issuer described in sections 2(a)(46) (A) and (B) or from a person who is, or who within the preceding thirteen months has been, an affiliated person of such issuer, or from any person in transactions incident thereto, if such securities were—

(A) issued by an issuer that is, or was immediately prior to the purchase of its securities by the business development company, in bankruptcy proceedings, subject to reorganization under the supervision of a court of competent jurisdiction, or subject to a plan or arrangement resulting from such bankruptcy proceedings or reorganization;

(B) issued by an issuer pursuant to or in consummation of such a plan or arrangement; or

(C) issued by an issuer that, immediately prior to the purchase of such issuer's securities by the business development company, was not in bankruptcy proceedings but was unable to meet its obligations as they came due without material assistance other than conventional lending or financing arrangements;

(4) securities of eligible portfolio companies purchased from any person in transactions not involving any public offering, if there is no ready market for such securities and if immediately prior to such purchase the business development company owns at least 60 per centum of the outstanding equity securities of such issuer (giving effect to all securities presently convertible into or exchangeable for equity securities of such issuer as if such securities were so converted or exchanged);

(5) securities received in exchange for or distributed on or with respect to securities described in paragraphs (1) through (4) of this subsection, or pursuant to the exercise of options, warrants, or rights relating to securities described in such paragraphs;

(6) cash, cash items, Government securities, or high quality debt securities maturing in one year or less from the time of investment in such high quality debt securities; and
(7) office furniture and equipment, interests in real estate and leasehold improvements and facilities maintained to conduct the business operations of the business development company, deferred organization and operating expenses, and other noninvestment assets necessary and appropriate to its operations as a business development company, including notes of indebtedness of directors, officers, employees, and general partners held by a business development company as payment for securities of such company issued in connection with an executive compensation plan described in section 57(j).

(b) For purposes of this section, the value of a business development company's assets shall be determined as of the date of the most recent financial statements filed by such company with the Commission pursuant to section 13 of the Securities Exchange Act of 1934, and shall be determined no less frequently than annually.

(c) Securities Deemed To Be Permissible Assets.—Notwithstanding subsection (a), securities that would be described in paragraphs (1) through (6) of such subsection except that the issuer is a company described in paragraph (2), (3), (4), (5), (6), or (9) of section 3(c) may be deemed to be assets described in paragraphs (1) through (6) of subsection (a) to the extent necessary for the sum of the assets to equal 70 percent of the value of a business development company's total assets (other than assets described in paragraph (7) of subsection (a)), provided that the aggregate value of such securities counting toward such 70 percent shall not exceed 20 percent of the value of the business development company's total assets.

(b) The provisions of subsection (a) of this section shall apply to the following persons:

(1) Any director, officer, employee, or member of an advisory board of a business development company or any person (other than the business development company itself) who is, within the meaning of section 2(a)(3)(C) of this title, an affiliated person of any such person specified in this paragraph.

For purposes of this subsection, the term “executive officer” means the president, secretary, treasurer, any vice president in charge of a principal business function, and any other person who performs similar policymaking functions.

(f) Notwithstanding subsection (d) of this section, a person described in subsection (e) may engage in a proposed transaction described in subsection (d) if such proposed transaction is approved by the required majority (as defined in subsection (o)) of the directors of or general partners in the business development company on the basis that—

(2) the proposed transaction is consistent with the interests of the shareholders or partners of the business development company and is consistent with the policy of such company as recited in filings made by such company with the Commission under the Securities Act of 1933, its registration statement and reports filed under the Securities Exchange Act of 1934, and its reports to shareholders or partners; and

(3) the directors or general partners record in their minutes and preserve in their records, for such periods as if such records were required to be maintained pursuant to section 31(a), a description of such transaction, their findings, the information or materials upon which their findings were based, and the basis therefor.

(B) 2 per centum of the sales price if the sale is effected in connection with a secondary distribution of such securities; or

(C) 1 per centum of the purchase or sale price of such securities if the sale is otherwise effected,

unless the Commission, by rules and regulations or order in the public interest and consistent with the protection of investors, permits a larger commission.

(l) The provisions of subsection (k) of this section shall apply to the following persons:

(1) Any affiliated person of a business development company.

(2)(A) Any person who is, within the meaning of section 2(a)(3) (B), (C), or (D), an affiliated person of any director, officer, employee, or member of an advisory board of the business development company.

(m) For purposes of subsections (a) and (d), a person who is a director, officer, or employee of a party to a transaction and who receives his usual and ordinary fee or salary for usual and customary services as a director, officer, or employee from such party shall not be deemed to have a financial interest or to participate in the transaction solely by reason of his receipt of such fee or salary.

(n)(1) Notwithstanding subsection (a)(4) of this section, a business development company may establish and maintain a profit-sharing plan for its directors, officers, employees, and general partners and such directors, officers, employees, and general partners may participate in such profit-sharing plan, if—

(A)(i) in the case of a profit-sharing plan for officers and employees of the business development company (including any officer or employee who is also a director of such company), such profit-sharing plan is approved by the required majority (as defined in subsection (o)) of the directors of or general partners in such company on the basis that such plan is reasonable and fair to the shareholders or partners of such company, does not involve overreaching of such company or its shareholders or partners on the part of any person concerned, and is consistent with the interests of the shareholders or partners of such company; or

(ii) in the case of a profit-sharing plan which includes one or more directors of the business development company who are not also officers or employees of such company, or one or more general partners in such company, such profit-sharing plan is approved by order of the Commission, upon application, on the basis that such plan is reasonable and fair to the shareholders or partners of such company, does not involve overreaching of such company or its shareholders or partners on the part of any person concerned, and is consistent with the interests of the shareholders or partners of such company; and

(B) the aggregate amount of benefits which would be paid or accrued under such plan shall not exceed 20 per centum of the business development company’s net income after taxes in any fiscal year.

(2) This subsection may not be used where the business development company has outstanding any stock option, warrant, or right issued as part of an executive compensation plan, including a plan pursuant to [section 61(a)(3)(B)] section 61(a)(4)(B), or has an investment adviser registered or required to be registered under title II of this Act.

(o) The term “required majority”, when used with respect to the approval of a proposed transaction, plan, or arrangement, means both a majority of a business development company’s directors or general partners who have no financial interest in such transaction, plan, or arrangement and a majority of such directors or general partners who are not interested persons of such company.
SEC. 61. (a) Notwithstanding the exemption set forth in section 6(f), section 18 shall apply to a business development company to the same extent as if it were a registered closed-end investment company, except as follows:

(1) The asset coverage requirements of section 18(a)(1)(A) and (B) applicable to business development companies shall be 200 per centum.

(2) The asset coverage requirements of subparagraphs (A) and (B) of section 18(a)(1) and of subparagraphs (A) and (B) of section 18(a)(2) (and any related rule promulgated under this Act) applicable to a business development company shall be 150 percent if—

(A) within five business days of the approval of the adoption of the asset coverage requirements described in clause (ii), the business development company discloses such approval and the date of its effectiveness in a Form 8-K filed with the Commission and in a notice on its website and discloses in its periodic filings made under section 13 of the Securities Exchange Act of 1934 (15 U.S.C. 78m)—

(i) the aggregate value of the senior securities issued by such company and the asset coverage percentage as of the date of such company's most recent financial statements; and

(ii) that such company has adopted the asset coverage requirements of this subparagraph and the effective date of such requirements;

(B) with respect to a business development company that issues equity securities that are registered on a national securities exchange, the periodic filings of the company under section 13(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78m) include disclosures reasonably designed to ensure that shareholders are informed of—

(i) the amount of indebtedness and asset coverage ratio of the company, determined as of the date of the financial statements of the company dated on or most recently before the date of such filing; and

(ii) the principal risk factors associated with such indebtedness, to the extent such risk is incurred by the company; and

(C)(i) the application of this paragraph to the company is approved by the required majority (as defined in section 57(o)) of the directors of or general partners of such company who are not interested persons of the business development company, which application shall become effective on the date that is 1 year after the date of the approval, and, with respect to a business development company that issues equity securities that are not registered on a national securities exchange, the company extends, to each person who is a shareholder as of the date of the approval, an offer
to repurchase the equity securities held by such person as of such approval date, with 25 percent of such securities to be repurchased in each of the four quarters following such approval date; or
(ii) the company obtains, at a special or annual meeting of shareholders or partners at which a quorum is present, the approval of more than 50 percent of the votes cast of the application of this paragraph to the company, which application shall become effective on the date immediately after the date of the approval.

(2) Notwithstanding section 18(c), a business development company may issue more than one class of senior security representing indebtedness or which is a stock, provided that all such stock is issued in accordance with paragraph (6)

(3) Notwithstanding section 18(d)—
(A) a business development company may issue warrants, options, or rights to subscribe or convert to voting securities of such company, accompanied by securities, if—
(i) such warrants, options, or rights expire by their terms within ten years;
(ii) such warrants, options, or rights are not separately transferable unless no class of such warrants, options, or rights and the securities accompanying them has been publicly distributed;
(iii) the exercise or conversion price is not less than the current market value at the date of issuance, or if no such market value exists, the current net asset value of such voting securities; and
(iv) the proposal to issue such securities is authorized by the shareholders or partners of such business development company, and such issuance is approved by the required majority (as defined in section 57(o)) of the directors of or general partners in such company on the basis that such issuance is in the best interests of such company and its shareholders or partners;
(B) a business development company may issue, to its directors, officers, employees, and general partners, warrants, options, and rights to purchase voting securities of such company pursuant to an executive compensation plan, if—
(i) in the case of warrants, options, or rights issued to any officer or employee of such business development company (including any officer or employee who is also a director of such company), such securi-
ties satisfy the conditions in clauses (i), (iii), and (iv) of subparagraph (A); or (II) in the case of warrants, options, or rights issued to any director of such business development company who is not also an officer or employee of such company, or to any general partner in such company, the proposal to issue such securities satisfies the conditions in clauses (i) and (iii) of subparagraph (A), is authorized by the shareholders or partners of such company, and is approved by order of the Commission, upon application, on the basis that the terms of the proposal are fair and reasonable and do not involve overreaching of such company or its shareholders or partners;

(ii) such securities are not transferable except for disposition by gift, will, or intestacy;

(iii) no investment adviser of such business development company receives any compensation described in section 205(a)(1) of title II of this Act, except to the extent permitted by paragraph (1) or (2) of section 205(b); and

(iv) such business development company does not have a profit-sharing plan described in section 57(n);

(C) a business development company may issue warrants, options, or rights to subscribe to, convert to, or purchase voting securities not accompanied by securities, if—

(i) such warrants, options, or rights satisfy the conditions in clauses (i) and (iii) of subparagraph (A); and

(ii) the proposal to issue such warrants, options, or rights is authorized by the shareholders or partners of such business development company, and such issuance is approved by the required majority (as defined in section 57(o)) of the directors of or general partners in such company on the basis that such issuance is in the best interests of the company and its shareholders or partners.

Notwithstanding this paragraph, the amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights at the time of issuance shall not exceed 25 per centum of the outstanding voting securities of the business development company, except that if the amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights issued to such company’s directors, officers, employees, and general partners pursuant to any executive compensation plan meeting the requirements of subparagraph (B) of this paragraph would exceed 15 per centum of the outstanding voting securities of such company, then the total amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights at the time of issuance shall not exceed 20 per centum of the outstanding voting securities of such company.

[(4)] (5) For purposes of measuring the asset coverage requirements of section 18(a), a senior security created by the guarantee by a business development company of indebtedness issued by another company shall be the amount of the max-
imum potential liability less the fair market value of the net unencumbered assets (plus the indebtedness which has been guaranteed) available in the borrowing company whose debts have been guaranteed, except that a guarantee issued by a business development company of indebtedness issued by a company which is a wholly-owned subsidiary of the business development company and is licensed as a small business investment company under the Small Business Investment Act of 1958 shall not be deemed to be a senior security of such business development company for purposes of section 18(a) if the amount of the indebtedness at the time of its issuance by the borrowing company is itself taken fully into account as a liability by such business development company, as if it were issued by such business development company, in determining whether such business development company, at that time, satisfies the asset coverage requirements of section 18(a).

(6)(A) QUALIFIED INSTITUTIONAL BUYER.—Except as provided in subparagraph (B), the following shall not apply to a senior security which is a stock and which is issued to and held by a qualified institutional buyer (as defined in section 3(a)(64) of the Securities Exchange Act of 1934):

(i) Subparagraphs (C) and (D) of section 18(a)(2).
(ii) Subparagraph (E) of section 18(a)(2), to the extent such subparagraph requires any priority over any other class of stock as to distribution of assets upon liquidation.
(iii) With respect to a senior security which is a stock, subsections (c) and (i) of section 18.

(B) INDIVIDUAL INVESTORS WHO ARE NOT QUALIFIED INSTITUTIONAL BUYERS.—Subparagraph (A) shall not apply with respect to a senior security which is a stock and which is issued to a person who is not known by the business development company to be a qualified institutional buyer (as defined in section 3(a) of the Securities Exchange Act of 1934).

(7) RULE OF CONSTRUCTION.—Notwithstanding any other provision of law, any additional class of stock issued pursuant to this section must be issued in accordance with all investor protections contained in all applicable federal securities laws administered by the Commission.

(b) A business development company shall comply with the provisions of this section at the time it becomes subject to sections 55 through 65, as if it were issuing a security of each class which it has outstanding at such time.

(A) the holders of a majority of such business development company’s outstanding voting securities, and the holders of a majority of such company’s outstanding voting securities that are not affiliated persons of such company, approved such company’s policy and practice of making such sales of securities at the last annual meeting of shareholders or partners within one year immediately prior to any such sale, except that the shareholder approval requirements of this subparagraph shall not apply to the initial public offering by a business development company of its securities;

(B) a required majority (as defined in section 57(o)) of the directors of or general partners in such business development company have determined that any such sale would be in the best interests of such company and its shareholders or partners; and

(C) a required majority (as defined in section 57(o)) of the directors of or general partners in such business development company, in consultation with the underwriter or underwriters of the offering if it is to be underwritten, have determined in good faith, and as of a time immediately prior to the first solicitation by or on behalf of such company of firm commitments to purchase such securities or immediately prior to the issuance of such securities, that the price at which such securities are to be sold is not less than a price which closely approximates the market value of those securities, less any distributing commission or discount.

(3) A business development company may sell any common stock of which it is the issuer at a price below the current net asset value of such stock upon the exercise of any warrant, option, or right issued in accordance with section 61(a)(3) of section 61(a)(4) of section 61(a)(4)

HOME OWNERS’ LOAN ACT

SEC. 5. FEDERAL SAVINGS ASSOCIATIONS.

(a) In General.—In order to provide thrift institutions for the deposit of funds and for the extension of credit for homes and other goods and services, the Comptroller of the Currency is authorized, under such regulations as the Comptroller of the Currency may prescribe—

(1) to provide for the organization, incorporation, examination, operation, and regulation of associations to be known as
Federal savings associations (including Federal savings banks), and
(2) to issue charters therefor,
giving primary consideration of the best practices of thrift institutions in the United States. The lending and investment powers conferred by this section are intended to encourage such institutions to provide credit for housing safely and soundly.

(b) DEPOSITS AND RELATED POWERS.—

(1) DEPOSIT ACCOUNTS.—

(A) Subject to the terms of its charter and regulations of the Comptroller of the Currency, a Federal savings association may—

(i) raise funds through such deposit, share, or other accounts, including demand deposit accounts (hereafter in this section referred to as “accounts”); and

(ii) issue passbooks, certificates, or other evidence of accounts.

(B) A Federal savings association may not permit any overdraft (including an intraday overdraft) on behalf of an affiliate, or incur any such overdraft in such savings association’s account at a Federal reserve bank or Federal home loan bank on behalf of an affiliate.

All savings accounts and demand accounts shall have the same priority upon liquidation. Holders of accounts and obligors of a Federal savings association shall, to such extent as may be provided by its charter or by regulations of the Comptroller of the Currency, be members of the savings association, and shall have such voting rights and such other rights as are thereby provided.

(C) A Federal savings association may require not less than 14 days notice prior to payment of savings accounts if the charter of the savings association or the regulations of the Comptroller of the Currency so provide.

(D) If a Federal savings association does not pay all withdrawals in full (subject to the right of the association, where applicable, to require notice), the payment of withdrawals from accounts shall be subject to such rules and procedures as may be prescribed by the savings association’s charter or by regulation of the Comptroller of the Currency. Except as authorized in writing by the Comptroller of the Currency, any Federal savings association that fails to make full payment of any withdrawal when due shall be deemed to be in an unsafe or unsound condition.

(E) Accounts may be subject to check or to withdrawal or transfer on negotiable or transferable or other order or authorization to the Federal savings association, as the Comptroller of the Currency may by regulation provide.

Such certificates may be included in calculating capital for the purpose of subsection (t) to the extent permitted by the Comptroller of the Currency. The issuance of certificates under this paragraph does not constitute a change of control or ownership under this Act or any other law unless there is in fact a change in control or reorganization. Regulations relating to the issuance and sale of mutual capital certificates shall provide that such certificates—

(A) are subordinate to all savings accounts, savings certificates, and debt obligations;

(B) constitute a claim in liquidation on the general reserves, surplus, and undivided profits of the Federal savings association remaining after the payment in full of all savings accounts, savings certificates, and debt obligations;

For purposes of this subsection, the term "affiliate" has the same meaning as in section 2(b) of the Banking Act of 1933, except that the term "member bank" in section 2(b) shall be deemed to refer to a savings association.

(ii) In the course of any examination of any savings association, upon request by the appropriate Federal banking agency, prompt and complete access shall be given to all savings association officers, directors, employees, and agents, and to all relevant books, records, or documents of any type.

(iii) Upon request made in the course of supervision or oversight of any savings association, for the purpose of acting on any application or determining the condition of any savings association, including whether operations are being conducted safely, soundly, or in compliance with charters, laws, regulations, directives, written agreements, or conditions imposed in writing in connection with the granting of an application or other request, the appropriate Federal banking agency shall be given prompt and complete access to all savings association officers, directors, employees, and agents, and to all relevant books, records, or documents of any type.

(iv) If prompt and complete access upon request is not given as required in this subsection, the appropriate Federal banking agency may apply to the United States district court for the judicial district (or the United States court in any territory) in which the principal office of the institution is located, or in which the person denying such access resides or carries on business, for an order requiring that such information be promptly provided.

(v) In connection with examinations of savings associations and affiliates thereof, the appropriate Federal banking agency may—

(I) administer oaths and affirmations and examine and to take and preserve testimony under oath as to any matter in respect of the affairs or ownership of any such savings association or affiliate, and

(II) issue subpoenas and, for the enforcement thereof, apply to the United States district court for the judicial district (or the United States court in any territory) in which the principal office of the savings association or affiliate is located, or in which the witness resides or carries on business.

Such courts shall have jurisdiction and power to order and require compliance with any such subpoena.
(vi) In any proceeding under this section, the appropriate Federal banking agency may administer oaths and affirmations, take depositions, and issue subpoenas. The Comptroller may prescribe regulations with respect to any such proceedings. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted.

(vii) Any party to a proceeding under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district (or the United States court in any territory) in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena issued pursuant to this subsection or section 10(c) of the Federal Deposit Insurance Act, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. All expenses of the appropriate Federal banking agency in connection with this section shall be considered as non-administrative expenses. Any court having jurisdiction of any proceeding instituted under this section by a savings association, or a director or officer thereof, may allow to any such party reasonable expenses and attorneys’ fees. Such expenses and fees shall be paid by the savings association.

(2) CONSERVATORSHIPS AND RECEIVERSHIPS.—
(A) GROUNDS FOR APPOINTING CONSERVATOR OR RECEIVER FOR INSURED SAVINGS ASSOCIATION.—The appropriate Federal banking agency may appoint a conservator or receiver for an insured savings association if the appropriate Federal banking agency determines, in the discretion of the appropriate Federal banking agency, that 1 or more of the grounds specified in section 11(c)(5) of the Federal Deposit Insurance Act exists.

(B) POWER OF APPOINTMENT; JUDICIAL REVIEW.—The appropriate Federal banking agency shall have exclusive power and jurisdiction to appoint a conservator or receiver for a Federal savings association. If, in the opinion of the appropriate Federal banking agency, a ground for the appointment of a conservator or receiver for a savings association exists, the appropriate Federal banking agency is authorized to appoint ex parte and without notice a conservator or receiver for the savings association. In the event of such appointment, the association may, within 30 days thereafter, bring an action in the United States district court for the judicial district in which the home office of such association is located, or in the United States District Court for the District of Columbia, for an order requiring the appropriate Federal banking agency to remove such conservator or receiver, and the court shall upon the merits dismiss such action or direct the appropriate Federal
banking agency to remove such conservator or receiver. Upon the commencement of such an action, the court having jurisdiction of any other action or proceeding authorized under this subsection to which the association is a party shall stay such action or proceeding during the pendency of the action for removal of the conservator or receiver.

(C) REPLACEMENT.—The appropriate Federal banking agency may, without any prior notice, hearing, or other action, replace a conservator with another conservator or with a receiver, but such replacement shall not affect any right which the association may have to obtain judicial review of the original appointment, except that any removal under this subparagraph shall be removal of the conservator or receiver in office at the time of such removal.

(D) COURT ACTION.—Except as otherwise provided in this subsection, no court may take any action for or toward the removal of any conservator or receiver or, except at the request of the appropriate Federal banking agency, to restrain or affect the exercise of powers or functions of a conservator or receiver.

(E) POWERS.—

(i) IN GENERAL.—A conservator shall have all the powers of the members, the stockholders, the directors, and the officers of the association and shall be authorized to operate the association in its own name or to conserve its assets in the manner and to the extent authorized by the appropriate Federal banking agency.

(ii) FDIC AS CONSERVATOR OR RECEIVER.—Except as provided in section 21A of the Federal Home Loan Bank Act, the appropriate Federal banking agency, at the Director's discretion, may appoint the Federal Deposit Insurance Corporation as conservator for a savings association. The appropriate Federal banking agency shall appoint only the Federal Deposit Insurance Corporation as receiver for a savings association for the purpose of liquidation or winding up the affairs of such savings association. The conservator or receiver so appointed shall, as such, have power to buy at its own sale. The Federal Deposit Insurance Corporation, as such conservator or receiver, shall have all the powers of a conservator or receiver, as appropriate, granted under the Federal Deposit Insurance Act, and (when not inconsistent therewith) any other rights, powers, and privileges possessed by conservators or receivers, as appropriate, of savings associations under this Act and any other provisions of law.

(F) DISCLOSURE REQUIREMENT FOR THOSE ACTING ON BEHALF OF CONSERVATOR.—A conservator shall require that any independent contractor, consultant, or counsel employed by the conservator in connection with the conservatorship of a savings association pursuant to this section shall fully disclose to all parties with which such contractor, consultant, or counsel is negotiating, any limi-
tion on the authority of such contractor, consultant, or counsel to make legally binding representations on behalf of the conservator.

(3) REGULATIONS.—
(A) IN GENERAL.—The Comptroller may prescribe regulations for the reorganization, consolidation, liquidation, and dissolution of savings associations, for the merger of insured savings associations with insured savings associations, for savings associations in conservatorship and receivership, and for the conduct of conservatorships and receiverships. The Comptroller may, by regulation or otherwise, provide for the exercise of functions by members, stockholders, directors, or officers of a savings association during conservatorship and receivership.
(B) FDIC AS CONSERVATOR OR RECEIVER.—In any case where the Federal Deposit Insurance Corporation is the conservator or receiver, any regulations prescribed by the Comptroller shall be consistent with any regulations prescribed by the Federal Deposit Insurance Corporation pursuant to the Federal Deposit Insurance Act.

(4) REFUSAL TO COMPLY WITH DEMAND.—Whenever a conservator or receiver appointed by the appropriate Federal banking agency demands possession of the property, business, and assets of any savings association, or of any part thereof, the refusal by any director, officer, employee, or agent of such association to comply with the demand shall be punishable by a fine of not more than $5,000 or imprisonment for not more than one year, or both.

(5) DEFINITIONS.—As used in this subsection, the term "savings association" includes any savings association or former savings association that retains deposits insured by the Corporation, notwithstanding termination of its status as an institution insured by the Corporation.

(6) COMPLIANCE WITH MONETARY TRANSACTION RECORD-KEEPING AND REPORT REQUIREMENTS.—
(A) COMPLIANCE PROCEDURES REQUIRED.—The Comptroller shall prescribe regulations requiring savings associations to establish and maintain procedures reasonably designed to assure and monitor the compliance of such associations with the requirements of subchapter II of chapter 53 of title 31, United States Code.
(B) EXAMINATIONS OF SAVINGS ASSOCIATIONS TO INCLUDE REVIEW OF COMPLIANCE PROCEDURES.—
(i) IN GENERAL.—Each examination of a savings association by the appropriate Federal banking agency shall include a review of the procedures required to be established and maintained under subparagraph (A).
(ii) EXAM REPORT REQUIREMENT.—The report of examination shall describe any problem with the procedures maintained by the association.
(C) ORDER TO COMPLY WITH REQUIREMENTS.—If the appropriate Federal banking agency determines that a savings association—
(i) has failed to establish and maintain the procedures described in subparagraph (A); or
(ii) has failed to correct any problem with the procedures maintained by such association which was previously reported to the association by the appropriate Federal banking agency.

the appropriate Federal banking agency shall issue an order under section 8 of the Federal Deposit Insurance Act requiring such association to cease and desist from its violation of this paragraph or regulations prescribed under this paragraph.

(7) REGULATION AND EXAMINATION OF SAVINGS ASSOCIATION SERVICE COMPANIES, SUBSIDIARIES, AND SERVICE PROVIDERS.—

(A) GENERAL EXAMINATION AND REGULATORY AUTHORITY.—A service company or subsidiary that is owned in whole or in part by a savings association shall be subject to examination and regulation by the appropriate Federal banking agency to the same extent as that savings association.

(B) EXAMINATION BY OTHER BANKING AGENCIES.—The appropriate Federal banking agency may authorize any other Federal banking agency that supervises any other owner of part of the service company or subsidiary to perform an examination described in subparagraph (A).

(C) APPLICABILITY OF SECTION 8 OF THE FEDERAL DEPOSIT INSURANCE ACT.—A service company or subsidiary that is owned in whole or in part by a savings association shall be subject to the provisions of section 8 of the Federal Deposit Insurance Act as if the service company or subsidiary were an insured depository institution. In any such case, the Federal Deposit Insurance Corporation or the Comptroller, as appropriate, shall be deemed to be the appropriate Federal banking agency, pursuant to section 3(q) of the Federal Deposit Insurance Act.

(D) SERVICE PERFORMED BY CONTRACT OR OTHERWISE.—Notwithstanding subparagraph (A), if a savings association, a subsidiary thereof, or any savings and loan affiliate or entity, as identified by section 8(b)(9) of the Federal Deposit Insurance Act, that is regularly examined or subject to examination by the appropriate Federal banking agency, causes to be performed for itself, by contract or otherwise, any service authorized under this Act or, in the case of a State savings association, any applicable State law, whether on or off its premises—

(i) such performance shall be subject to regulation and examination by the appropriate Federal banking agency to the same extent as if such services were being performed by the savings association on its own premises; and

(ii) the savings association shall notify the appropriate Federal banking agency of the existence of the service relationship not later than 30 days after the earlier of—

(I) the date on which the contract is entered into; or

(II) the date on which the performance of the service is initiated.
(E) Administration by the Comptroller and the Corporation.—The Comptroller may issue such regulations, and the appropriate Federal banking agency may issue such orders, including those issued pursuant to section 8 of the Federal Deposit Insurance Act, as may be necessary to administer and carry out this paragraph and to prevent evasion of this paragraph.

(8) Definitions.—For purposes of this section—

(C) the terms “State savings association” and “subsidiary” have the same meanings as in section 3 of the Federal Deposit Insurance Act.

(e) Character and Responsibility.—A charter may be granted only—

(1) to persons of good character and responsibility,

(2) if in the judgment of the Comptroller a necessity exists for such an institution in the community to be served,

(4) if the association can be established without undue injury to properly conducted existing local thrift and home financing institutions.

(f) Federal Home Loan Bank Membership.—After the end of the 6-month period beginning on the date of the enactment of the Federal Home Loan Bank System Modernization Act of 1999, a Federal savings association may become a member of the Federal Home Loan Bank System, and shall qualify for such membership in the manner provided by the Federal Home Loan Bank Act.

(1) IN GENERAL.—Any savings association which is, or is eligible to become, a member of a Federal home loan bank may convert into a Federal savings association (and in so doing may change directly from the mutual form to the stock form, or from the stock form to the mutual form). Such conversion shall be subject to such regulations as the Comptroller shall prescribe. Thereafter such Federal savings association shall be entitled to all the benefits of this section and shall be subject to examination and regulation to the same extent as other associations incorporated pursuant to this Act.

(2) AUTHORITY OF COMPTROLLER.—(A) No savings association may convert from the mutual to the stock form, or from the stock form to the mutual form, except in accordance with the regulations of the Comptroller.

(B) Any aggrieved person may obtain review of a final action of the Comptroller which approves or disapproves a plan of conversion pursuant to this subsection only by complying with the provisions of section 10(j) of this Act within the time limit and in the manner therein prescribed, which provisions shall apply in all respects as if such final action were an order the review of which is therein provided for, except that such time limit shall commence upon publication of notice of such final action in the Federal Register or upon the giving of such general notice of such final action as is required by or approved under regulations of the Comptroller, whichever is later.

(C) Any Federal savings association may change its designation from a Federal savings association to a Federal savings bank, or the reverse.

(3) CONVERSION TO STATE ASSOCIATION.—(A) Any Federal savings association may convert itself into a savings association or savings bank organized pursuant to the laws of the State in which the principal office of such Federal savings association is located if—

(i) the State permits the conversion of any savings association or savings bank of such State into a Federal savings association;

(ii) such conversion of a Federal savings association into such a State savings association is determined—

(I) upon the vote in favor of such conversion cast in person or by proxy at a special meeting of members or stockholders called to consider such action, specified by the law of the State in which the home office of the Federal savings association is located, as required by such law for a State-chartered institution to convert itself into a Federal savings association, but in no event upon a vote of less than 51 percent of all the votes cast at such meeting, and

(II) upon compliance with other requirements reciprocally equivalent to the requirements of such State law for the conversion of a State-chartered institution into a Federal savings association;
(iii) notice of the meeting to vote on conversion shall be
given as herein provided and no other notice thereof shall
be necessary; the notice shall expressly state that such
meeting is called to vote thereon, as well as the time and
place thereof; and such notice shall be mailed, postage pre-
paid, at least 30 and not more than 60 days prior to the
date of the meeting, to the Comptroller and to each mem-
ber or stockholder of record of the Federal savings associa-
tion at the member's or stockholder's last address as
shown on the books of the Federal savings association;
(iv) when a mutual savings association is dissolved after
conversion, the members or shareholders of the savings as-
sociation will share on a mutual basis in the assets of the
association in exact proportion to their relative share or
account credits;
(v) when a stock savings association is dissolved after
conversion, the stockholders will share on an equitable
basis in the assets of the association; and
(vi) such conversion shall be effective upon the date that
all the provisions of this Act shall have been fully complied
with and upon the issuance of a new charter by the State
wherein the savings association is located.

(B)(i) The act of conversion constitutes consent by the insti-

(ii) The savings association shall upon conversion and there-

with such conversion, the notice and other action shall be
taken as provided by law and regulations for the termination
of insurance of accounts.

(4) SAVINGS BANK ACTIVITIES.—(A) To the extent authorized
by the Comptroller, but subject to section 18(m)(3) of the Fed-
eral Deposit Insurance Act—
(i) any Federal savings bank chartered as such prior to
October 15, 1982, may continue to make any investment or
engage in any activity not otherwise authorized under this
section, to the degree it was permitted to do so as a Fed-
eral savings bank prior to October 15, 1982; and
(ii) any Federal savings bank in existence on the date of
the enactment of the Financial Institutions Reform, Recov-
ery, and Enforcement Act of 1989 and formerly organized
as a mutual savings bank under State law may continue
to make any investment or engage in any activity not oth-
erwise authorized under this section, to the degree it was
authorized to do so as a mutual savings bank under State
law.

(B) The authority conferred by this paragraph may be uti-
лизирован by any Federal savings association that acquires, by
merger or consolidation, a Federal savings bank enjoying
grandfather rights hereunder.

(5) CONVERSION TO NATIONAL OR STATE BANK.—
(A) IN GENERAL.—Any Federal savings association chartered and in operation before the date of enactment of the Gramm-Leach-Bliley Act, with branches in operation before such date of enactment in 1 or more States, may convert, at its option, with the approval of the Comptroller for each national bank, and with the approval of the appropriate State bank supervisor and the appropriate Federal banking agency for each State bank, into 1 or more national or State banks, each of which may encompass 1 or more of the branches of the Federal savings association in operation before such date of enactment in 1 or more States subject to subparagraph (B).

(B) CONDITIONS OF CONVERSION.—The authority in subparagraph (A) shall apply only if each resulting national or State bank—

(i) will meet all financial, management, and capital requirements applicable to the resulting national or State bank; and

(ii) if more than 1 national or State bank results from a conversion under this subparagraph, has received approval from the Federal Deposit Insurance Corporation under section 5(a) of the Federal Deposit Insurance Act.

(C) NO MERGER APPLICATION UNDER FDIA REQUIRED.—No application under section 18(c) of the Federal Deposit Insurance Act shall be required for a conversion under this paragraph.

(D) DEFINITIONS.—For purposes of this paragraph, the terms “State bank” and “State bank supervisor” have the same meanings as in section 3 of the Federal Deposit Insurance Act.

(6) LIMITATION ON CERTAIN CONVERSIONS BY FEDERAL SAVINGS ASSOCIATIONS.—A Federal savings association may not convert to a State bank or State savings association during any period in which the Federal savings association is subject to a cease and desist order (or other formal enforcement order) issued by, or a memorandum of understanding entered into with, the Office of Thrift Supervision or the Comptroller of the Currency with respect to a significant supervisory matter.

(j) SUBSCRIPTION FOR SHARES.—

(k) DEPOSITORY OF PUBLIC MONEY.—When designated for that purpose by the Secretary of the Treasury, a savings association the deposits of which are insured by the Corporation shall be a depository of public money and may be employed as fiscal agent of the Government under such regulations as may be prescribed by the Secretary and shall perform all such reasonable duties as fiscal agent of the Government as may be required of it. A savings association the deposits of which are insured by the Corporation may act as agent for any other instrumentality of the United States when designated for that purpose by such instrumentality, including services in connection with the collection of taxes and other obligations owed the United States, and the Secretary of the Treasury may deposit public money in any such savings association, and shall prescribe such regulations as may be necessary to carry out the purposes of this subsection.
(l) Retirement Accounts.—A Federal savings association is authorized to act as trustee of any trust created or organized in the United States and forming part of a stock bonus, pension, or profit-sharing plan which qualifies or qualified for specific tax treatment under section 401(d) of the Internal Revenue Code of 1986 and to act as trustee or custodian of an individual retirement account within the meaning of section 408 of such Code if the funds of such trust or account are invested only in savings accounts or deposits in such Federal savings association or in obligations or securities issued by such Federal savings association. All funds held in such fiduciary capacity by any Federal savings association may be commingled for appropriate purposes of investment, but individual records shall be kept by the fiduciary for each participant and shall show in proper detail all transactions engaged in under this paragraph.

(m) Branching.—

(1) In General.—

(A) No savings association incorporated under the laws of the District of Columbia or organized in the District or doing business in the District shall establish any branch or move its principal office or any branch without the Director's prior written approval.

(B) No savings association shall establish any branch in the District of Columbia or move its principal office or any branch in the District without the Director's prior written approval.

(2) Definition.—For purposes of this subsection the term "branch" means any office, place of business, or facility, other than the principal office as defined by the Comptroller, of a savings association at which accounts are opened or payments are received or withdrawals are made, or any other office, place of business, or facility of a savings association defined by the Comptroller as a branch within the meaning of such sentence.

(n) Trusts.—

(1) Permits.—The Comptroller may grant by special permit to a Federal savings association applying therefor the right to act as trustee, executor, administrator, guardian, or in any other fiduciary capacity in which State banks, trust companies, or other corporations which compete with Federal savings associations are permitted to act under the laws of the State in which the Federal savings association is located. Subject to the regulations of the Comptroller, service corporations may invest in State or federally chartered corporations which are located in the State in which the home office of the Federal savings association is located and which are engaged in trust activities.

(2) Segregation of Assets.—A Federal savings association exercising any or all of the powers enumerated in this section shall segregate all assets held in any fiduciary capacity from the general assets of the association and shall keep a separate set of books and records showing in proper detail all transactions engaged in under this subsection. The State banking authority involved may have access to reports of examination made by the Comptroller insofar as such reports relate to the trust department of such association but nothing in this sub-
section shall be construed as authorizing such State banking authority to examine the books, records, and assets of such associations.

(3) **PROHIBITIONS.**—No Federal savings association shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange, or other items for collection or exchange purposes. Funds deposited or held in trust by the association awaiting investment shall be carried in a separate account and shall not be used by the association in the conduct of its business unless it shall first set aside in the trust department United States bonds or other securities approved by the Comptroller.

(4) **SEPARATE LIEN.**—In the event of the failure of a Federal savings association, the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart in addition to their claim against the estate of the association.

(5) **DEPOSITS.**—Whenever the laws of a State require corporations acting in a fiduciary capacity to deposit securities with the State authorities for the protection of private or court trusts, Federal savings associations so acting shall be required to make similar deposits. Securities so deposited shall be held for the protection of private or court trusts, as provided by the State law. Federal savings associations in such cases shall not be required to execute the bond usually required of individuals if State corporations under similar circumstances are exempt from this requirement. Federal savings associations shall have power to execute such bond when so required by the laws of the State involved.

(6) **OATHS AND AFFIDAVITS.**—In any case in which the laws of a State require that a corporation acting as trustee, executor, administrator, or in any capacity specified in this section, shall take an oath or make an affidavit, the president, vice president, cashier, or trust officer of such association may take the necessary oath or execute the necessary affidavit.

(7) **CERTAIN LOANS PROHIBITED.**—It shall be unlawful for any Federal savings association to lend any officer, director, or employee any funds held in trust under the powers conferred by this section. Any officer, director, or employee making such loan, or to whom such loan is made, may be fined not more than $50,000 or twice the amount of that person's gain from the loan, whichever is greater, or may be imprisoned not more than 5 years, or may be both fined and imprisoned, in the discretion of the court.

(8) **FACTORS TO BE CONSIDERED.**—In reviewing applications for permission to exercise the powers enumerated in this section, the Comptroller may consider—

(A) the amount of capital of the applying Federal savings association,

(B) whether or not such capital is sufficient under the circumstances of the case,

(C) the needs of the community to be served, and

(D) any other facts and circumstances that seem to it proper.
The Comptroller may grant or refuse the application accordingly, except that no permit shall be issued to any association having capital less than the capital required by State law of State banks, trust companies, and corporations exercising such powers.

(9) **SURRENDER OF CHARTER.**—(A) Any Federal savings association may surrender its right to exercise the powers granted under this subsection, and have returned to it any securities which it may have deposited with the State authorities, by filing with the Comptroller a certified copy of a resolution of its board of directors indicating its intention to surrender its right.

(B) Upon receipt of such resolution, the Comptroller, if satisfied that such Federal savings association has been relieved in accordance with State law of all duties as trustee, executor, administrator, guardian or other fiduciary, may in the Director's discretion, issue to such association a certificate that such association is no longer authorized to exercise the powers granted by this subsection.

(C) Upon the issuance of such a certificate by the Comptroller, such Federal savings association (i) shall no longer be subject to the provisions of this section or the regulations of the Comptroller made pursuant thereto, (ii) shall be entitled to have returned to it any securities which it may have deposited with State authorities, and (iii) shall not exercise thereafter any of the powers granted by this section without first applying for and obtaining a new permit to exercise such powers pursuant to the provisions of this section.

(D) The Comptroller may prescribe regulations necessary to enforce compliance with the provisions of this subsection.

(10) **REVOCATION.**—(A) In addition to the authority conferred by other law, if, in the opinion of the Comptroller, a Federal savings association is unlawfully or unsoundly exercising, or has unlawfully or unsoundly exercised, or has failed for a period of 5 consecutive years to exercise, the powers granted by this subsection or otherwise fails or has failed to comply with the requirements of this subsection, the Comptroller may issue and serve upon the association a notice of intent to revoke the authority of the association to exercise the powers granted by this subsection. The notice shall contain a statement of the facts constituting the alleged unlawful or unsound exercise of powers, or failure to exercise powers, or failure to comply, and shall fix a time and place at which a hearing will be held to determine whether an order revoking authority to exercise such powers should issue against the association.

(B) Such hearing shall be conducted in accordance with the provisions of subsection (d)(1)(B), and subject to judicial review as therein provided, and shall be fixed for a date not earlier than 30 days and not later than 60 days after service of such notice unless the Comptroller sets an earlier or later date at the request of any Federal savings association so served.

(C) Unless the Federal savings association so served shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the issuance of the revocation order. In the event of such consent, or if upon the record made at any such hearing, the Comptroller shall find
that any allegation specified in the notice of charges has been established, the Comptroller may issue and serve upon the association an order prohibiting it from accepting any new or additional trust accounts and revoking authority to exercise any and all powers granted by this subsection, except that such order shall permit the association to continue to service all previously accepted trust accounts pending their expeditious divestiture or termination.

(D) A revocation order shall become effective not earlier than the expiration of 30 days after service of such order upon the association so served (except in the case of a revocation order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable, except to such extent as it is stayed, modified, terminated, or set aside by action of the Comptroller or a reviewing court.

(o) CONVERSION OF STATE SAVINGS BANKS.—(1) Subject to the provisions of this subsection and under regulations of the Comptroller, the Comptroller may authorize the conversion of a State-chartered savings bank into a Federal savings bank, if such conversion is not in contravention of State law, and provide for the organization, incorporation, operation, examination, and regulation of such institution.

(2)(A) Any Federal savings bank chartered pursuant to this subsection shall continue to be insured by the Deposit Insurance Fund.

(B) The Comptroller shall notify the Corporation of any application under this Act for conversion to a Federal charter by an institution insured by the Corporation, shall consult with the Corporation before disposing of the application, and shall notify the Corporation of the determination of the Comptroller with respect to such application.

(C) Notwithstanding any other provision of law, if the Corporation determines that conversion into a Federal stock savings bank or the chartering of a Federal stock savings bank is necessary to prevent the default of a savings bank it insures or to reopen a savings bank in default that it insured, or if the Corporation determines, with the concurrence of the Comptroller, that severe financial conditions exist that threaten the stability of a savings bank insured by the Corporation and that such a conversion or charter is likely to improve the financial condition of such savings bank, the Corporation shall provide the Comptroller with a certificate of such determination, the reasons therefor in conformance with the requirements of this Act, and the bank shall be converted or chartered by the Comptroller, pursuant to the regulations thereof, from the time the Corporation issues the certificate.

(D) A bank may be converted under subparagraph (C) only if the board of trustees of the bank—

(i) has specified in writing that the bank is in danger of closing or is closed, or that severe financial conditions exist that threaten the stability of the bank and a conversion is likely to improve the financial condition of the bank; and

(ii) has requested in writing that the Corporation use the authority of subparagraph (C).

(E)(i) Before making a determination under subparagraph (D), the Corporation shall consult the State bank supervisor of the State in which the bank in danger of closing is chartered. The
State bank supervisor shall be given a reasonable opportunity, and in no event less than 48 hours, to object to the use of the provisions of subparagraph (D).

(ii) If the State supervisor objects during such period, the Corporation may use the authority of subparagraph (D) only by an affirmative vote of three-fourths of the Board of Directors. The Board of Directors shall provide the State supervisor, as soon as practicable, with a written certification of its determination.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations, and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this Act.

(p) CONVERSIONS.—(1) Notwithstanding any other provision of law, and consistent with the purposes of this Act, the Comptroller may authorize (or in the case of a Federal savings association, require) the conversion of any mutual savings association or Federal mutual savings bank that is insured by the Corporation into a Federal stock savings association or Federal stock savings bank, or charter a Federal stock savings association or Federal stock savings bank to acquire the assets of, or merge with such a mutual institution under the regulations of the Comptroller.

(2) Authorizations under this subsection may be made only—

(A) if the Comptroller has determined that severe financial conditions exist which threaten the stability of an association and that such authorization is likely to improve the financial condition of the association,

(B) when the Corporation has contracted to provide assistance to such association under section 13 of the Federal Deposit Insurance Act, or

(C) to assist an institution in receivership.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this Act, and may engage in any investment, activity, or operation that the institution it acquired was engaged in if that institution was a Federal savings bank, or would have been authorized to engage in had that institution converted to a Federal charter.

(q) TYING ARRANGEMENTS.—(1) A savings association may not in any manner extend credit, lease, or sell property of any kind, or furnish any service, or fix or vary the consideration for any of the foregoing, on the condition or requirement—

(A) that the customer shall obtain additional credit, property, or service from such savings association, or from any service corporation or affiliate of such association, other than a loan, discount, deposit, or trust service;

(B) that the customer provide additional credit, property, or service to such association, or to any service corporation or affiliate of such association, other than those related to and usually provided in connection with a similar loan, discount, deposit, or trust service; and
(C) that the customer shall not obtain some other credit, property, or service from a competitor of such association, or from a competitor of any service corporation or affiliate of such association, other than a condition or requirement that such association shall reasonably impose in connection with credit transactions to assure the soundness of credit.

(2)(A) Any person may sue for and have injunctive relief, in any court of the United States having jurisdiction over the parties, against threatened loss or damage by reason of a violation of paragraph (1), under the same conditions and principles as injunctive relief against threatened conduct that will cause loss or damage is granted by courts of equity and under the rules governing such proceedings.

(B) Upon the execution of proper bond against damages for an injunction improvidently granted and a showing that the danger of irreparable loss or damage is immediate, a preliminary injunction may issue.

(3) Any person injured by a violation of paragraph (1) may bring an action in any district court of the United States in which the defendant resides or is found or has an agent, without regard to the amount in controversy, or in any other court of competent jurisdiction, and shall be entitled to recover three times the amount of the damages sustained, and the cost of suit, including a reasonable attorney’s fee. Any such action shall be brought within 4 years from the date of the occurrence of the violation.

(4) Nothing contained in this subsection affects in any manner the right of the United States or any other party to bring an action under any other law of the United States or of any State, including any right which may exist in addition to specific statutory authority, challenging the legality of any act or practice which may be proscribed by this subsection. No regulation or order issued by the Board under this subsection shall in any manner constitute a defense to such action.

(5) For purposes of this subsection, the term “loan” includes obligations and extensions or advances of credit.

(6) EXCEPTIONS.—The Board may, by regulation or order, permit such exceptions to the prohibitions of this subsection as the Board in consultation with the Comptroller and the Corporation, considers will not be contrary to the purposes of this subsection and which conform to exceptions granted by the Board pursuant to section 106(b) of the Bank Holding Company Act Amendments of 1970.

(r) OUT-OF-STATE BRANCHES.—(1) No Federal savings association may establish, retain, or operate a branch outside the State in which the Federal savings association has its home office, unless the association qualifies as a domestic building and loan association under section 7701(a)(19) of the Internal Revenue Code of 1986 or meets the asset composition test imposed by subparagraph (C) of that section on institutions seeking so to qualify, or qualifies as a qualified thrift lender, as determined under section 10(m) of this Act. No out-of-State branch so established shall be retained or operated unless the total assets of the Federal savings association attributable to all branches of the Federal savings association in that State would qualify the branches as a whole, were they otherwise eligible, for treatment as a domestic building and loan association.
under section 7701(a)(19) or as a qualified thrift lender, as determined under section 10(m) of this Act, as applicable.

(2) The limitations of paragraph (1) shall not apply if—

(A) the branch results from a transaction authorized under section 13(k) of the Federal Deposit Insurance Act;

(B) the branch was authorized for the Federal savings association prior to October 15, 1982;

(C) the law of the State where the branch is located, or is to be located, would permit establishment of the branch if the association was a savings association or savings bank chartered by the State in which its home office is located; or

(D) the branch was operated lawfully as a branch under State law prior to the association's conversion to a Federal charter.

(3) The Comptroller of the Currency, for good cause shown, may allow Federal savings associations up to 2 years to comply with the requirements of this subsection.

(s) MINIMUM CAPITAL REQUIREMENTS.—

(1) IN GENERAL.—Consistent with the purposes of section 908 of the International Lending Supervision Act of 1983 and the capital requirements established pursuant to such section by the appropriate Federal banking agencies (as defined in section 903(1) of such Act), the Comptroller of the Currency shall require all savings associations to achieve and maintain adequate capital by—

(A) establishing minimum levels of capital for savings associations; and

(B) using such other methods as the Comptroller of the Currency determines to be appropriate.

(2) MINIMUM CAPITAL LEVELS MAY BE DETERMINED BY DIRECTOR CASE-BY-CASE.—The Comptroller of the Currency may, consistent with subsection (t), establish the minimum level of capital for a savings association at such amount or at such ratio of capital-to-assets as the Comptroller of the Currency determines to be necessary or appropriate for such association in light of the particular circumstances of the association.

(3) UNSAFE OR UNSOUND PRACTICE.—In the discretion of the appropriate Federal banking agency, the appropriate Federal banking agency may treat the failure of any savings association to maintain capital at or above the minimum level required by the Comptroller under this subsection or subsection (t) as an unsafe or unsound practice.

(4) DIRECTIVE TO INCREASE CAPITAL.—

(A) PLAN MAY BE REQUIRED.—In addition to any other action authorized by law, including paragraph (3), the appropriate Federal banking agency may issue a directive requiring any savings association which fails to maintain capital at or above the minimum level required by the appropriate Federal banking agency to submit and adhere to a plan for increasing capital which is acceptable to the appropriate Federal banking agency.

(B) ENFORCEMENT OF PLAN.—Any directive issued and plan approved under subparagraph (A) shall be enforceable under section 8 of the Federal Deposit Insurance Act to the same extent and in the same manner as an out-
standing order which was issued under section 8 of the Federal Deposit Insurance Act and has become final.

(5) PLAN TAKEN INTO ACCOUNT IN OTHER PROCEEDINGS.—The appropriate Federal banking agency may—

(A) consider a savings association’s progress in adhering to any plan required under paragraph (4) whenever such association or any affiliate of such association (including any company which controls such association) seeks the approval of the appropriate Federal banking agency for any proposal which would have the effect of diverting earnings, diminishing capital, or otherwise impeding such association’s progress in meeting the minimum level of capital required by the appropriate Federal banking agency; and

(B) disapprove any proposal referred to in subparagraph (A) if the appropriate Federal banking agency determines that the proposal would adversely affect the ability of the association to comply with such plan.

(t) CAPITAL STANDARDS.—

(1) IN GENERAL.—

(A) REQUIREMENT FOR Standards TO BE PRESCRIBED.—The appropriate Federal banking agency shall, by regulation, prescribe and maintain uniformly applicable capital standards for savings associations. Those standards shall include—

(i) a leverage limit;

(ii) a tangible capital requirement; and

(iii) a risk-based capital requirement.

(B) COMPLIANCE.—A savings association is not in compliance with capital standards for purposes of this subsection unless it complies with all capital standards prescribed under this paragraph.

(C) STRINGENCY.—The standards prescribed under this paragraph shall be no less stringent than the capital standards applicable to national banks.

(2) CONTENT OF Standards.—

(A) LEVERAGE LIMIT.—The leverage limit prescribed under paragraph (1) shall require a savings association to maintain core capital in an amount not less than 3 percent of the savings association’s total assets.

(B) TANGIBLE CAPITAL REQUIREMENT.—The tangible capital requirement prescribed under paragraph (1) shall require a savings association to maintain tangible capital in an amount not less than 1.5 percent of the savings association’s total assets.

(C) RISK-BASED CAPITAL REQUIREMENT.—Notwithstanding paragraph (1)(C), the risk-based capital requirement prescribed under paragraph (1) may deviate from the risk-based capital standards applicable to national banks to reflect interest-rate risk or other risks, but such deviations shall not, in the aggregate, result in materially lower levels of capital being required of savings associations under the risk-based capital requirement than would be required under the risk-based capital standards applicable to national banks.
(5) SEPARATE CAPITALIZATION REQUIRED FOR CERTAIN SUBSIDIARIES.—

(A) IN GENERAL.—In determining compliance with capital standards prescribed under paragraph (1), all of a savings association’s investments in and extensions of credit to any subsidiary engaged in activities not permissible for a national bank shall be deducted from the savings association’s capital.

(B) EXCEPTION FOR AGENCY ACTIVITIES.—Subparagraph (A) shall not apply with respect to a subsidiary engaged, solely as agent for its customers, in activities not permissible for a national bank unless the appropriate Federal banking agency, in the sole discretion of the appropriate Federal banking agency, determines that, in the interests of safety and soundness, this subparagraph should cease to apply to that subsidiary.

(C) OTHER EXCEPTIONS.—Subparagraph (A) shall not apply with respect to any of the following:

(i) MORTGAGE BANKING SUBSIDIARIES.—A savings association’s investments in and extensions of credit to a subsidiary engaged solely in mortgage-banking activities.

(ii) SUBSIDIARY INSURED DEPOSITORY INSTITUTIONS.—A savings association’s investments in and extensions of credit to a subsidiary—

(I) that is itself an insured depository institution or a company the sole investment of which is an insured depository institution, and

(II) that was acquired by the parent insured depository institution prior to May 1, 1989.

(iii) CERTAIN FEDERAL SAVINGS BANKS.—Any Federal savings association existing as a Federal savings association on the date of enactment of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989—

(I) that was chartered prior to October 15, 1982, as a savings bank or a cooperative bank under State law; or

(II) that acquired its principal assets from an association that was chartered prior to October 15, 1982, as a savings bank or a cooperative bank under State law.

(E) CONSOLIDATION OF SUBSIDIARIES NOT SEPARATELY CAPITALIZED.—In determining compliance with capital standards prescribed under paragraph (1), the assets and liabilities of each of a savings association’s subsidiaries (other than any subsidiary described in subparagraph (C)(iii)) shall be consolidated with the savings association’s assets and liabilities, unless all of the savings association’s investments in and extensions of credit to the subsidiary are deducted from the savings association’s capital pursuant to subparagraph (A).

(6) CONSEQUENCES OF FAILING TO COMPLY WITH CAPITAL STANDARDS.—
(B) On or after January 1, 1991.—On or after January 1, 1991, the appropriate Federal banking agency—

(i) shall prohibit any asset growth by any savings association not in compliance with capital standards, except as provided in subparagraph (C); and

(ii) shall require any savings association not in compliance with capital standards to comply with a capital directive issued by the appropriate Federal banking agency (which may include such restrictions, including restrictions on the payment of dividends and on compensation, as the appropriate Federal banking agency determines to be appropriate).

(C) Limited Growth Exception.—The appropriate Federal banking agency may permit any savings association that is subject to subparagraph (B) to increase its assets in an amount not exceeding the amount of net interest credited to the savings association’s deposit liabilities if—

(i) the savings association obtains the prior approval of the appropriate Federal banking agency;

(ii) any increase in assets is accompanied by an increase in tangible capital in an amount not less than 6 percent of the increase in assets (or, in the discretion of the appropriate Federal banking agency if the leverage limit then applicable is less than 6 percent, in an amount equal to the increase in assets multiplied by the percentage amount of the leverage limit);

(iii) any increase in assets is accompanied by an increase in capital not less in percentage amount than required under the risk-based capital standard then applicable;

(iv) any increase in assets is invested in low-risk assets, such as first mortgage loans secured by 1- to 4-family residences and fully secured consumer loans; and

(v) the savings association’s ratio of core capital to total assets is not less than the ratio existing on January 1, 1991.

(D) Additional Restrictions in Case of Excessive Risks or Rates.—The appropriate Federal banking agency may restrict the asset growth of any savings association that the appropriate Federal banking agency determines is taking excessive risks or paying excessive rates for deposits.

(E) Failure to Comply with Plan, Regulation, or Order.—The appropriate Federal banking agency may treat as an unsafe and unsound practice any material failure by a savings association to comply with any plan, regulation, or order under this paragraph.

(F) Effect on Other Regulatory Authority.—This paragraph does not limit any authority of the appropriate Federal banking agency under this Act or any other provision of law.

(7) Exemption from Certain Sanctions.—

(A) Application for Exemption.—Any savings association not in compliance with the capital standards pre-
scribed under paragraph (1) may apply to the appropriate Federal banking agency for an exemption from any applicable sanction or penalty for noncompliance which the appropriate Federal banking agency may impose under this Act.

(B) EFFECT OF GRANT OF EXEMPTION.—If the appropriate Federal banking agency approves any savings association's application under subparagraph (A), the only sanction or penalty to be imposed by the appropriate Federal banking agency under this Act for the savings association's failure to comply with the capital standards prescribed under paragraph (1) is the growth limitation contained in paragraph (6)(B) or paragraph (6)(C), whichever is applicable.

(C) STANDARDS FOR APPROVAL OR DISAPPROVAL.—

(i) APPROVAL.—The appropriate Federal banking agency may approve an application for an exemption if the appropriate Federal banking agency determines that—

(I) such exemption would pose no significant risk to the Deposit Insurance Fund;
(II) the savings association's management is competent;
(III) the savings association is in substantial compliance with all applicable statutes, regulations, orders, and supervisory agreements and directives; and
(IV) the savings association's management has not engaged in insider dealing, speculative practices, or any other activities that have jeopardized the association's safety and soundness or contributed to impairing the association's capital.

(ii) DENIAL OR REVOCATION OF APPROVAL.—The appropriate Federal banking agency shall deny any application submitted under clause (i) and revoke any prior approval granted with respect to any such application if the appropriate Federal banking agency determines that the association's failure to meet any capital standards prescribed under paragraph (1) is accompanied by—

(I) a pattern of consistent losses;
(II) substantial dissipation of assets;
(III) evidence of imprudent management or business behavior;
(IV) a material violation of any Federal law, any law of any State to which such association is subject, or any applicable regulation; or
(V) any other unsafe or unsound condition or activity, other than the failure to meet such capital standards.

(D) SUBMISSION OF PLAN REQUIRED.—Any application submitted under subparagraph (A) shall be accompanied by a plan which—

(i) meets the requirements of paragraph (6)(A)(ii); and
(ii) is acceptable to the appropriate Federal banking agency.

(E) FAILURE TO COMPLY WITH PLAN.—The appropriate Federal banking agency shall treat as an unsafe and unsound practice any material failure by any savings association which has been granted an exemption under this paragraph to comply with the provisions of any plan submitted by such association under subparagraph (D).

(F) EXEMPTION NOT AVAILABLE WITH RESPECT TO UNSAFE OR UNSOUND PRACTICES.—This paragraph does not limit any authority of the appropriate Federal banking agency under any other provision of law, including section 8 of the Federal Deposit Insurance Act, to take any appropriate action with respect to any unsafe or unsound practice or condition of any savings association, other than the failure of such savings association to comply with the capital standards prescribed under paragraph (1).

(8)

(9) DEFINITIONS.—For purposes of this subsection—

(A) CORE CAPITAL.—Unless the Comptroller prescribes a more stringent definition, the term "core capital" means core capital as defined by the Comptroller of the Currency for national banks, less any unidentifiable intangible assets.

(B) TANGIBLE CAPITAL.—The term "tangible capital" means core capital minus any intangible assets (as intangible assets are defined by the Comptroller for national banks).

(C) TOTAL ASSETS.—The term "total assets" means total assets (as total assets are defined by the Comptroller of the Currency for national banks) adjusted in the same manner as total assets would be adjusted in determining compliance with the leverage limit applicable to national banks if the savings association were a national bank.

(10) USE OF COMPTROLLER'S DEFINITIONS.—

(A) IN GENERAL.—The standards prescribed under paragraph (1) shall include all relevant substantive definitions established by the Comptroller of the Currency for national banks.

(B) SPECIAL RULE.—If the Comptroller of the Currency has not made effective regulations defining core capital or establishing a risk-based capital standard, the appropriate Federal banking agency shall use the definition and standard contained in the Comptroller's most recently published final regulations.

(u) LIMITS ON LOANS TO ONE BORROWER.—

(1) IN GENERAL.—Section 5200 of the Revised Statutes shall apply to savings associations in the same manner and to the same extent as it applies to national banks.

(2) SPECIAL RULES.—

(A) Notwithstanding paragraph (1), a savings association may make loans to one borrower under one of the following clauses:

(i) For any purpose, not to exceed $500,000.
(ii) To develop domestic residential housing units, not to exceed the lesser of $30,000,000 or 30 percent of the savings association's unimpaired capital and unimpaired surplus, if—

(I) the savings association is and continues to be in compliance with the fully phased-in capital standards prescribed under subsection (t);

(II) the appropriate Federal banking agency, by order, permits the savings association to avail itself of the higher limit provided by this clause;

(III) loans made under this clause to all borrowers do not, in aggregate, exceed 150 percent of the savings association's unimpaired capital and unimpaired surplus; and

(IV) such loans comply with all applicable loan-to-value requirements.

(B) A savings association's loans to one borrower to finance the sale of real property acquired in satisfaction of debts previously contracted in good faith shall not exceed 50 percent of the savings association's unimpaired capital and unimpaired surplus.

(3) AUTHORITY TO IMPOSE MORE STRINGENT RESTRICTIONS.— The appropriate Federal banking agency may impose more stringent restrictions on a savings association's loans to one borrower if the appropriate Federal banking agency determines that such restrictions are necessary to protect the safety and soundness of the savings association.

(v) REPORTS OF CONDITION.—

(1) IN GENERAL.—Each association shall make reports of conditions to the appropriate Federal banking agency which shall be in a form prescribed by the appropriate Federal banking agency and shall contain—

(A) information sufficient to allow the identification of potential interest rate and credit risk;

(B) a description of any assistance being received by the association, including the type and monetary value of such assistance;

(C) the identity of all subsidiaries and affiliates of the association;

(D) the identity, value, type, and sector of investment of all equity investments of the associations and subsidiaries; and

(E) other information that the appropriate Federal banking agency may prescribe.

(2) PUBLIC DISCLOSURE.—

(A) Reports required under paragraph (1) and all information contained therein shall be available to the public upon request, unless the appropriate Federal banking agency determines—

(i) that a particular item or classification of information should not be made public in order to protect the safety or soundness of the institution concerned or institutions concerned, or the Deposit Insurance Fund; or
(ii) that public disclosure would not otherwise be in the public interest.

(B) Any determination made by the appropriate Federal banking agency under subparagraph (A) not to permit the public disclosure of information shall be made in writing, and if the appropriate Federal banking agency restricts any item of information for savings institutions generally, the appropriate Federal banking agency shall disclose the reason in detail in the Federal Register.

(C) The determinations of the appropriate Federal banking agency under subparagraph (A) shall not be subject to judicial review.

(3) ACCESS BY CERTAIN PARTIES.—

(A) Notwithstanding paragraph (2), the persons described in subparagraph (B) shall not be denied access to any information contained in a report of condition, subject to reasonable requirements of confidentiality. Those requirements shall not prevent such information from being transmitted to the Comptroller General of the United States for analysis.

(B) The following persons are described in this subparagraph for purposes of subparagraph (A):

(i) the Chairman and ranking minority member of the Committee on Banking, Housing, and Urban Affairs of the Senate and their designees; and

(ii) the Chairman and ranking minority member of the Committee on Banking, Finance and Urban Affairs of the House of Representatives and their designees.

(4) FIRST TIER PENALTIES.—Any savings association which—

(A) maintains procedures reasonably adapted to avoid any inadvertent and unintentional error and, as a result of such an error—

(i) fails to submit or publish any report or information required by the appropriate Federal banking agency under paragraph (1) or (2), within the period of time specified by the appropriate Federal banking agency; or

(ii) submits or publishes any false or misleading report or information; or

(B) inadvertently transmits or publishes any report which is minimally late, shall be subject to a penalty of not more than $2,000 for each day during which such failure continues or such false or misleading information is not corrected. The savings association shall have the burden of proving by a preponderance of the evidence that an error was inadvertent and unintentional and that a report was inadvertently transmitted or published late.

(5) SECOND TIER PENALTIES.—Any savings association which—

(A) fails to submit or publish any report or information required by the appropriate Federal banking agency under paragraph (1) or (2), within the period of time specified by the appropriate Federal banking agency; or
(B) submits or publishes any false or misleading report or information,
in a manner not described in paragraph (4) shall be subject to a penalty of not more than $20,000 for each day during which such failure continues or such false or misleading information is not corrected.

(6) THIRD TIER PENALTIES.—If any savings association knowingly or with reckless disregard for the accuracy of any information or report described in paragraph (5) submits or publishes any false or misleading report or information, the appropriate Federal banking agency may assess a penalty of not more than $1,000,000 or 1 percent of total assets, whichever is less, per day for each day during which such failure continues or such false or misleading information is not corrected.

(7) ASSESSMENT.—Any penalty imposed under paragraph (4), (5), or (6) shall be assessed and collected by the appropriate Federal banking agency in the manner provided in subparagraphs (E), (F), (G), and (I) of section 8(i)(2) of the Federal Deposit Insurance Act (for penalties imposed under such section), and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such subsection.

(8) HEARING.—Any savings association against which any penalty is assessed under this subsection shall be afforded a hearing if such savings association submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) of the Federal Deposit Insurance Act shall apply to any proceeding under this subsection.

(w) FORFEITURE OF FRANCHISE FOR MONEY LAUNDERING OR CASH TRANSACTION REPORTING OFFENSES.—

(II) NOTICE OF TERMINATION; PRETERMINATION HEARING.—After receiving written notification from the Attorney General of such a conviction, the Comptroller shall issue to the savings association a notice of the intention of the Comptroller to terminate all rights, privileges, and franchises of the savings association and schedule a pretermination hearing.

(B) CONVICTION OF TITLE 31 OFFENSES.—If a Federal savings association is convicted of any criminal offense under section 5322 or 5324 of title 31, United States Code, after receiving written notification from the Attorney General, the Comptroller may issue to the savings association a notice of the intention of the Comptroller to terminate all
rights, privileges, and franchises of the savings association and schedule a pretermination hearing.

(C) JUDICIAL REVIEW.—Subsection (d)(1)(B)(vii) shall apply to any proceeding under this subsection.

(2) FACTORS TO BE CONSIDERED.—In determining whether a franchise shall be forfeited under paragraph (1), the Comptroller shall take into account the following factors:

(A) The extent to which directors or senior executive officers of the savings association knew of, were involved in, the commission of the money laundering offense of which the association was found guilty.

(B) The extent to which the offense occurred despite the existence of policies and procedures within the savings association which were designed to prevent the occurrence of any such offense.

(C) The extent to which the savings association has fully cooperated with law enforcement authorities with respect to the investigation of the money laundering offense of which the association was found guilty.

(D) The extent to which the savings association has implemented additional internal controls (since the commission of the offense of which the savings association was found guilty) to prevent the occurrence of any other money laundering offense.

(E) The extent to which the interest of the local community in having adequate deposit and credit services available would be threatened by the forfeiture of the franchise.

(3) SUCCESSOR LIABILITY.—This subsection shall not apply to a successor to the interests of, or a person who acquires, a savings association that violated a provision of law described in paragraph (1), if the successor succeeds to the interests of the violator, or the acquisition is made, in good faith and not for purposes of evading this subsection or regulations prescribed under this subsection.

(4) DEFINITION.—The term “senior executive officer” has the same meaning as in regulations prescribed under section 32(f) of the Federal Deposit Insurance Act.

(x) HOME STATE CITIZENSHIP.—In determining whether a Federal court has diversity jurisdiction over a case in which a Federal savings association is a party, the Federal savings association shall be considered to be a citizen only of the State in which such savings association has its home office.

(a) DEFINITION.—In this section, the term “covered savings association” means a Federal savings association that makes an election approved under subsection (b).

(b) ELECTION.—

(1) IN GENERAL.—Upon issuance of the rules described in subsection (f), a Federal savings association may elect to operate as a covered savings association by submitting a notice to the Comptroller of such election.

(2) APPROVAL.—A Federal savings association shall be deemed to be approved to operate as a covered savings association on the date that is 60 days after the date on which the
Comptroller receives the notice under paragraph (1), unless the Comptroller notifies the Federal savings association otherwise.

(c) RIGHTS AND DUTIES.—Notwithstanding any other provision of law and except as otherwise provided in this section, a covered savings association shall—

(1) have the same rights and privileges as a national bank that has its main office situated in the same location as the home office of the covered savings association; and

(2) be subject to the same duties, restrictions, penalties, liabilities, conditions, and limitations that would apply to such a national bank.

(d) TREATMENT OF COVERED SAVINGS ASSOCIATIONS.—A covered savings association shall be treated as a Federal savings association for the purposes—

(1) of governance of the covered savings association, including incorporation, bylaws, boards of directors, shareholders, and distribution of dividends;

(2) of consolidation, merger, dissolution, conversion (including conversion to a stock bank or to another charter), conservatorship, and receivership; and

(3) determined by regulation of the Comptroller.

(e) EXISTING BRANCHES.—A covered savings association may continue to operate any branch or agency the covered savings association operated on the date on which an election under subsection (b) is approved.

(f) RULEMAKING.—The Comptroller shall issue rules to carry out this section—

(1) that establish streamlined standards and procedures that clearly identify required documentation or timelines for an election under subsection (b);

(2) that require a Federal savings association that makes an election under subsection (b) to identify specific assets and subsidiaries—

(A) that do not conform to the requirements for assets and subsidiaries of a national bank; and

(B) that are held by the Federal savings association on the date on which the Federal savings association submits a notice of such election;

(3) that establish—

(A) a transition process for bringing such assets and subsidiaries into conformance with the requirements for a national bank; and

(B) procedures for allowing the Federal savings association to provide a justification for grandfathering such assets and subsidiaries after electing to operate as a covered savings association;

(4) that establish standards and procedures to allow a covered savings association to terminate an election under subsection (b) after an appropriate period of time or to make a subsequent election;

(5) that clarify requirements for the treatment of covered savings associations, including the provisions of law that apply to covered savings associations; and
as the Comptroller deems necessary and in the interests of safety and soundness.

(A) any company by virtue of its ownership or control of voting shares of a savings association or a savings and loan holding company acquired in connection with the underwriting of securities if such shares are held only for such period of time (not exceeding 120 days unless extended by the Board) as will permit the sale thereof on a reasonable basis; and
(B) any trust (other than a pension, profit-sharing, shareholders', voting, or business trust) which controls a savings association or a savings and loan holding company if such trust by its terms must terminate within 25 years or not later than 21 years and 10 months after the death of individuals living on the effective date of the trust, and is (i) in existence on June 26, 1967, or (ii) a testamentary trust created on or after June 26, 1967.

(4) SPECIAL RULE RELATING TO QUALIFIED STOCK ISSUANCE.—No savings and loan holding company shall be deemed to control a savings association solely by reason of the purchase by such savings and loan holding company of shares issued by such savings association, or issued by any savings and loan holding company (other than a bank holding company) which controls such savings association, in connection with a qualified stock issuance if such purchase is approved by the Board under subsection (q)(1)(D), unless the acquiring savings and loan holding company, directly or indirectly, or acting in concert with 1 or more other persons, or through 1 or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 15 percent of the voting shares of such savings association or holding company.

(b) REGISTRATION AND EXAMINATION.—

(1) IN GENERAL.—Within 90 days after becoming a savings and loan holding company, each savings and loan holding company shall register with the Board on forms prescribed by the Board, which shall include such information, under oath or otherwise, with respect to the financial condition, ownership, operations, management, and intercompany relationships of such holding company and its subsidiaries, and related matters, as the Board may deem necessary or appropriate to carry out the purposes of this section. Upon application, the Board may extend the time within which a savings and loan holding company shall register and file the requisite information.

(2) REPORTS.—

(A) IN GENERAL.—Each savings and loan holding company and each subsidiary thereof, other than a savings association, shall file with the Board, such reports as may be required by the Board. Such reports shall be made under oath or otherwise, and shall be in such form and for such periods, as the Board may prescribe. Each report shall contain such information concerning the operations of such savings and loan holding company and its subsidiaries as the Board may require.

(B) USE OF EXISTING REPORTS AND OTHER SUPERVISORY INFORMATION.—The Board shall, to the fullest extent possible, use—

(i) reports and other supervisory information that the savings and loan holding company or any subsidiary thereof has been required to provide to other Federal or State regulatory agencies;

(ii) externally audited financial statements of the savings and loan holding company or subsidiary;

(iii) information that is otherwise available from Federal or State regulatory agencies; and

(4) EXAMINATIONS.—

(A) IN GENERAL.—Subject to subtitle B of the Consumer Financial Protection Act of 2010, the Board may make examinations of a savings and loan holding company and each subsidiary of a savings and loan holding company system, in order to—

(i) inform the Board of—

(I) the nature of the operations and financial condition of the savings and loan holding company and the subsidiary;

(II) the financial, operational, and other risks within the savings and loan holding company system that may pose a threat to—

(aa) the safety and soundness of the savings and loan holding company or of any depository institution subsidiary of the savings and loan holding company; or

(III) other than in the case of an insured depository institution or functionally regulated subsidiary, any other applicable provisions of Federal law.

(B) USE OF REPORTS TO REDUCE EXAMINATIONS.—For purposes of this subsection, the Board shall, to the fullest extent possible, rely on—

(i) the examination reports made by other Federal or State regulatory agencies relating to a savings and loan holding company and any subsidiary; and

(ii) the reports and other information required under paragraph (2).

(C) COORDINATION WITH OTHER REGULATORS.—The Board shall—

(i) provide reasonable notice to, and consult with, the appropriate Federal banking agency, the Securities and Exchange Commission, the Commodity Fu-
tures Trading Commission, or State regulatory agency, as appropriate, for a subsidiary that is a depository institution or a functionally regulated subsidiary of a savings and loan holding company before commencing an examination of the subsidiary under this section; and

(ii) to the fullest extent possible, avoid duplication of examination activities, reporting requirements, and requests for information.

(5) AGENT FOR SERVICE OF PROCESS.—The Board may require any savings and loan holding company, or persons connected therewith if it is not a corporation, to execute and file a prescribed form of irrevocable appointment of agent for service of process.

(6) RELEASE FROM REGISTRATION.—The Board may at any time, upon the motion or application of the Board, release a registered savings and loan holding company from any registration theretofore made by such company, if the Board determines that such company no longer has control of any savings association.

(c) HOLDING COMPANY ACTIVITIES.—

(1) PROHIBITED ACTIVITIES.—Except as otherwise provided in this subsection, no savings and loan holding company and no subsidiary which is not a savings association shall—

(A) engage in any activity or render any service for or on behalf of a savings association subsidiary for the purpose or with the effect of evading any law or regulation applicable to such savings association;

(B) commence any business activity, other than the activities described in paragraph (2); or

(C) continue any business activity, other than the activities described in paragraph (2), after the end of the 2-year period beginning on the date on which such company received approval under subsection (e) of this section to become a savings and loan holding company subject to the limitations contained in this subparagraph.

(2) EXEMPT ACTIVITIES.—The prohibitions of subparagraphs (B) and (C) of paragraph (1) shall not apply to the following business activities of any savings and loan holding company or any subsidiary (of such company) which is not a savings association:

(A) Furnishing or performing management services for a savings association subsidiary of such company.

(i) which the Board, by regulation, has determined to be permissible for bank holding companies under section 4(c) of the Bank Holding Company Act of 1956, unless the Board, by regulation, prohibits or limits
any such activity for savings and loan holding companies; or
(ii) in which multiple savings and loan holding companies were authorized (by regulation) to directly engage on March 5, 1987.

(G) In the case of a savings and loan holding company, purchasing, holding, or disposing of stock acquired in connection with a qualified stock issuance if the purchase of such stock by such savings and loan holding company is approved by the Board pursuant to subsection (q)(1)(D).

(H) Any activity that is permissible for a financial holding company (as such term is defined under section 2(p) of the Bank Holding Company Act of 1956 (12 U.S.C. 1841(p)) to conduct under section 4(k) of the Bank Holding Company Act of 1956 if—
(i) the savings and loan holding company meets all of the criteria to qualify as a financial holding company, and complies with all of the requirements applicable to a financial holding company, under sections 4(l) and 4(m) of the Bank Holding Company Act and section 804(c) of the Community Reinvestment Act of 1977 (12 U.S.C. 2903(c)) as if the savings and loan holding company was a bank holding company; and
(ii) the savings and loan holding company conducts the activity in accordance with the same terms, conditions, and requirements that apply to the conduct of such activity by a bank holding company under the Bank Holding Company Act of 1956 and the Board's regulations and interpretations under such Act.

(3) CERTAIN LIMITATIONS ON ACTIVITIES NOT APPLICABLE TO CERTAIN HOLDING COMPANIES.—Notwithstanding paragraphs (4) and (6) of this subsection, the limitations contained in subparagraphs (B) and (C) of paragraph (1) shall not apply to any savings and loan holding company (or any subsidiary of such company) which controls—
(A) only 1 savings association, if the savings association subsidiary of such company is a qualified thrift lender (as determined under subsection (m)); or
(B) more than 1 savings association, if—
(i) all, or all but 1, of the savings association subsidiaries of such company were initially acquired by the company or by an individual who would be deemed to control such company if such individual were a company
(I) pursuant to an acquisition under section 13(c) or 13(k) of the Federal Deposit Insurance Act or section 408(m) of the National Housing Act; or
(II) pursuant to an acquisition in which assistance was continued to a savings association under section 13(i) of the Federal Deposit Insurance Act; and
(ii) all of the savings association subsidiaries of such company are qualified thrift lenders (as determined under subsection (m)).

(4) PRIOR APPROVAL OF CERTAIN NEW ACTIVITIES REQUIRED.—
A) In General.—No savings and loan holding company and no subsidiary which is not a savings association shall commence, either de novo or by an acquisition (in whole or in part) of a going concern, any activity described in paragraph (2)(F)(i) of this subsection without the prior approval of the Board.

B) Factors to be Considered.—In considering any application under subparagraph (A) by any savings and loan holding company or any subsidiary of any such company which is not a savings association, the Board shall consider—

   (i) whether the performance of the activity described in such application by the company or the subsidiary can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, or gains in efficiency) that outweigh possible adverse effects of such activity (such as undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound financial practices);
   (ii) the managerial resources of the companies involved; and
   (iii) the adequacy of the financial resources, including capital, of the companies involved.

C) Director May Differentiate Between New and Ongoing Activities.—In prescribing any regulation or considering any application under this paragraph, the Board may differentiate between activities commenced de novo and activities commenced by the acquisition, in whole or in part, of a going concern.

D) Approval or Disapproval by Order.—The approval or disapproval of any application under this paragraph by the Board shall be made in an order issued by the Board containing the reasons for such approval or disapproval.

(5) Grace Period to Achieve Compliance.—If any savings association referred to in paragraph (3) fails to maintain the status of such association as a qualified thrift lender, the Board may allow, for good cause shown, any company that controls such association (or any subsidiary of such company which is not a savings association) up to 3 years to comply with the limitations contained in paragraph (1)(C).

(6) Special Provisions Relating to Certain Companies Affected by 1987 Amendments.—

   A) Exception to 2-Year Grace Period for Achieving Compliance.—Notwithstanding paragraph (1)(C), any company which received approval under subsection (e) of this section to acquire control of a savings association between March 5, 1987, and August 10, 1987, shall not continue any business activity other than an activity described in paragraph (2) after August 10, 1987.

   B) Exemption for Activities Lawfully Engaged in Before March 5, 1987.—Notwithstanding paragraph (1)(C) and subject to subparagraphs (C) and (D), any savings and loan holding company which received approval, before March 5, 1987, under subsection (e) of this section
to acquire control of a savings association may engage, directly or through any subsidiary (other than a savings association subsidiary of such company), in any activity in which such company or such subsidiary was lawfully engaged on such date.

(C) TERMINATION OF SUBPARAGRAPH (B) EXEMPTION.—The exemption provided under subparagraph (B) for activities engaged in by any savings and loan holding company or a subsidiary of such company (which is not a savings association) which would otherwise be prohibited under paragraph (1)(C) shall terminate with respect to such activities of such company or subsidiary upon the occurrence (after August 10, 1987) of any of the following:

(i) The savings and loan holding company acquires control of a bank or an additional savings association (other than a savings association acquired pursuant to section 13(c) or 13(k) of the Federal Deposit Insurance Act or section 406(f) or 408(m) of the National Housing Act).

(ii) Any savings association subsidiary of the savings and loan holding company fails to qualify as a domestic building and loan association under section 7701(a)(19) of the Internal Revenue Code of 1986.

(iii) The savings and loan holding company engages in any business activity—

(1) which is not described in paragraph (2); and

(2) in which it was not engaged on March 5, 1987.

(iv) Any savings association subsidiary of the savings and loan holding company increases the number of locations from which such savings association conducts business after March 5, 1987 (other than an increase which occurs in connection with a transaction under section 13(c) or (k) of the Federal Deposit Insurance Act or section 408(m) of the National Housing Act.

(v) Any savings association subsidiary of the savings and loan holding company permits any overdraft (including an intraday overdraft), or incurs any such overdraft in its account at a Federal Reserve bank, on behalf of an affiliate, unless such overdraft is the result of an inadvertent computer or accounting error that is beyond the control of both the savings association subsidiary and the affiliate.

(D) ORDER TO TERMINATE SUBPARAGRAPH (B) ACTIVITY.—Any activity described in subparagraph (B) may also be terminated by the Board, after opportunity for hearing, if the Board determines, having due regard for the purposes of this Act, that such action is necessary to prevent conflicts of interest or unsound practices or is in the public interest.

(7) FOREIGN SAVINGS AND LOAN HOLDING COMPANY.—Notwithstanding any other provision of this section, any savings and loan holding company organized under the laws of a foreign country as of June 1, 1984 (including any subsidiary
thereof which is not a savings association), which controls a single savings association on August 10, 1987, shall not be subject to this subsection with respect to any activities of such holding company which are conducted exclusively in a foreign country.

(8) EXCEPTION FOR BANK HOLDING COMPANIES.—Except for paragraph (1)(A), this subsection shall not apply to any company that is treated as a bank holding company for purposes of section 4 of the Bank Holding Company Act of 1956, or any of its subsidiaries.

(9) PREVENTION OF NEW AFFILIATIONS BETWEEN S&L HOLDING COMPANIES AND COMMERCIAL FIRMS.—

(A) IN GENERAL.—Notwithstanding paragraph (3), no company may directly or indirectly, including through any merger, consolidation, or other type of business combination, acquire control of a savings association after May 4, 1999, unless the company is engaged, directly or indirectly (including through a subsidiary other than a savings association), only in activities that are permitted—

(i) under paragraph (1)(C) or (2) of this subsection; or

(ii) for financial holding companies under section 4(k) of the Bank Holding Company Act of 1956.

(B) PREVENTION OF NEW COMMERCIAL AFFILIATIONS.—Notwithstanding paragraph (3), no savings and loan holding company may engage directly or indirectly (including through a subsidiary other than a savings association) in any activity other than as described in clauses (i) and (ii) of subparagraph (A).

(C) PRESERVATION OF AUTHORITY OF EXISTING UNITARY S&L HOLDING COMPANIES.—Subparagraphs (A) and (B) do not apply with respect to any company that was a savings and loan holding company on May 4, 1999, or that becomes a savings and loan holding company pursuant to an application pending before the Office on or before that date, and that—

(i) meets and continues to meet the requirements of paragraph (3); and

(ii) continues to control not fewer than 1 savings association that it controlled on May 4, 1999, or that it acquired pursuant to an application pending before the Office on or before that date, or the successor to such savings association.

(D) CORPORATE REORGANIZATIONS PERMITTED.—This paragraph does not prevent a transaction that—

(i) involves solely a company under common control with a savings and loan holding company from acquiring, directly or indirectly, control of the savings and loan holding company or any savings association that is already a subsidiary of the savings and loan holding company; or

(ii) involves solely a merger, consolidation, or other type of business combination as a result of which a company under common control with the savings and loan holding company acquires, directly or indirectly,
control of the savings and loan holding company or any savings association that is already a subsidiary of the savings and loan holding company.

(E) Authority to Prevent Evasions.—The Board may issue interpretations, regulations, or orders that the Board determines necessary to administer and carry out the purpose and prevent evasions of this paragraph, including a determination (in consultation with the appropriate Federal banking agency) that, notwithstanding the form of a transaction, the transaction would in substance result in a company acquiring control of a savings association.

(F) Preservation of Authority for Family Trusts.—Subparagraphs (A) and (B) do not apply with respect to any trust that becomes a savings and loan holding company with respect to a savings association, if:

(i) not less than 85 percent of the beneficial ownership interests in the trust are continuously owned, directly or indirectly, by or for the benefit of members of the same family, or their spouses, who are lineal descendants of common ancestors who controlled, directly or indirectly, such savings association on May 4, 1999, or a subsequent date, pursuant to an application pending before the Office on or before May 4, 1999; and

(ii) at the time at which such trust becomes a savings and loan holding company, such ancestors or lineal descendants, or spouses of such descendants, have directly or indirectly controlled the savings association continuously since May 4, 1999, or a subsequent date, pursuant to an application pending before the Office on or before May 4, 1999.

(d) Transactions With Affiliates.—Transactions between any subsidiary savings association of a savings and loan holding company and any affiliate (of such savings association subsidiary) shall be subject to the limitations and prohibitions specified in section 11 of this Act.

(e) Acquisitions.—

(1) In General.—It shall be unlawful for—

(A) any savings and loan holding company directly or indirectly, or through one or more subsidiaries or through one or more transactions—

(i) to acquire, except with the prior written approval of the Board, the control of a savings association or a savings and loan holding company, or to retain the control of such an association or holding company acquired or retained in violation of this section as herefore or hereafter in effect;

(ii) to acquire, except with the prior written approval of the Board, by the process of merger, consolidation, or purchase of assets, another savings association or a savings and loan holding company, or all or substantially all of the assets of any such association or holding company;

(iii) to acquire, by purchase or otherwise, or to retain, except with the prior written approval of the
Board, more than 5 percent of the voting shares of a savings association not a subsidiary, or of a savings and loan holding company not a subsidiary, or in the case of a multiple savings and loan holding company (other than a company described in subsection (c)(8)), to acquire or retain, and the Board may not authorize acquisition or retention of, more than 5 percent of the voting shares of any company not a subsidiary which is engaged in any business activity other than the activities specified in subsection (c)(2). This clause shall not apply to shares of a savings association or of a savings and loan holding company—

(I) held as a bona fide fiduciary (whether with or without the sole discretion to vote such shares);

(II) held temporarily pursuant to an underwriting commitment in the normal course of an underwriting business;

(III) held in an account solely for trading purposes;

(IV) over which no control is held other than control of voting rights acquired in the normal course of a proxy solicitation;

(V) acquired in securing or collecting a debt previously contracted in good faith, during the 2-year period beginning on the date of such acquisition or for such additional time (not exceeding 3 years) as the Board may permit if the Board determines that such an extension will not be detrimental to the public interest;

(VI) acquired under section 408(m) of the National Housing Act or section 13(k) of the Federal Deposit Insurance Act;

(VII) held by any insurance company, as defined in section 2(a)(17) of the Investment Company Act of 1940, except as provided in paragraph (6); or

(VIII) acquired pursuant to a qualified stock issuance if such purchase is approved by the Board under subsection (q)(1)(D);

except that the aggregate amount of shares held under this clause (other than under subclauses (I), (II), (III), (IV), and (VI)) may not exceed 15 percent of all outstanding shares or of the voting power of a savings association or savings and loan holding company; or

(iv) to acquire the control of an uninsured institution, or to retain for more than one year after February 14, 1968, or from the date on which such control was acquired, whichever is later, except that the Board may upon application by such company extend such one-year period from year to year, for an additional period not exceeding 3 years, if the Board finds such extension is warranted and is not detrimental to the public interest; and

(B) any other company, without the prior written approval of the Board, directly or indirectly, or through one or more subsidiaries or through one or more transactions,
to acquire the control of one or more savings associations, except that such approval shall not be required in connection with the control of a savings association, (i) acquired by devise under the terms of a will creating a trust which is excluded from the definition of “savings and loan holding company” under subsection (a) of this section, (ii) acquired in connection with a reorganization in which a person or group of persons, having had control of a savings association for more than 3 years, vests control of that association in a newly formed holding company subject to the control of the same person or group of persons, or (iii) acquired by a bank holding company that is registered under, and subject to, the Bank Holding Company Act of 1956, or any company controlled by such bank holding company. The Board shall approve an acquisition of a savings association under this subparagraph unless the Board finds the financial and managerial resources and future prospects of the company and association involved to be such that the acquisition would be detrimental to the association or the insurance risk of the Deposit Insurance Fund, and shall render a decision within 90 days after submission to the Board of the complete record on the application.

Consideration of the managerial resources of a company or savings association under subparagraph (B) shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or association.

(2) Factors to be considered.—The Board shall not approve any acquisition under subparagraph (A)(i) or (A)(ii), or of more than one savings association under subparagraph (B) of paragraph (1) of this subsection, any acquisition of stock in connection with a qualified stock issuance, any acquisition under paragraph (4)(A), or any transaction under section 13(k) of the Federal Deposit Insurance Act, except in accordance with this paragraph. In every case, the Board shall take into consideration the financial and managerial resources and future prospects of the company and association involved, the effect of the acquisition on the association, the insurance risk to the Deposit Insurance Fund, and the convenience and needs of the community to be served, and shall render a decision within 90 days after submission to the Board of the complete record on the application. Consideration of the managerial resources of a company or savings association shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or association. Before approving any such acquisition, except a transaction under section 13(k) of the Federal Deposit Insurance Act, the Board shall request from the Attorney General and consider any report rendered within 30 days on the competitive factors involved. The Board shall not approve any proposed acquisition—

(A) which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monop-
olize or to attempt to monopolize the savings and loan business in any part of the United States,

(B) the effect of which in any section of the country may be substantially to lessen competition, or tend to create a monopoly, or which in any other manner would be in restraint of trade, unless it finds that the anticompetitive effects of the proposed acquisition are clearly outweighed in the public interest by the probable effect of the acquisition in meeting the convenience and needs of the community to be served,

(C) if the company fails to provide adequate assurances to the Board that the company will make available to the Board such information on the operations or activities of the company, and any affiliate of the company, as the Board determines to be appropriate to determine and enforce compliance with this Act,

(D) in the case of an application involving a foreign bank, if the foreign bank is not subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in the bank's home country, or

(E) in the case of an application by a savings and loan holding company to acquire an insured depository institution, if—

(i) the home State of the insured depository institution is a State other than the home State of the savings and loan holding company;

(ii) the applicant (including all insured depository institutions which are affiliates of the applicant) controls, or upon consummation of the transaction would control, more than 10 percent of the total amount of deposits of insured depository institutions in the United States; and

(iii) the acquisition does not involve an insured depository institution in default or in danger of default, or with respect to which the Federal Deposit Insurance Corporation provides assistance under section 13 of the Federal Deposit Insurance Act (12 U.S.C. 1823).

(3) INTERSTATE ACQUISITIONS.—No acquisition shall be approved by the Board under this subsection which will result in the formation by any company, through one or more subsidiaries or through one or more transactions, of a multiple savings and loan holding company controlling savings associations in more than one State, unless—

(A) such company, or a savings association subsidiary of such company, is authorized to acquire control of a savings association subsidiary, or to operate a home or branch office, in the additional State or States pursuant to section 13(k) of the Federal Deposit Insurance Act;

(B) such company controls a savings association subsidiary which operated a home or branch office in the additional State or States as of March 5, 1987; or

(C) the statutes of the State in which the savings association to be acquired is located permit a savings association chartered by such State to be acquired by a savings association chartered by the State where the acquiring
savings association or savings and loan holding company is located or by a holding company that controls such a State chartered savings association, and such statutes specifically authorize such an acquisition by language to that effect and not merely by implication.

(4) ACQUISITIONS BY CERTAIN INDIVIDUALS.—

(A) IN GENERAL.—Notwithstanding subsection (h)(2), any director or officer of a savings and loan holding company, or any individual who owns, controls, or holds with power to vote (or holds proxies representing) more than 25 percent of the voting shares of such holding company, may acquire control of any savings association not a subsidiary of such savings and loan holding company with the prior written approval of the Board.

(B) TREATMENT OF CERTAIN HOLDING COMPANIES.—If any individual referred to in subparagraph (A) controls more than 1 savings and loan holding company or more than 1 savings association, any savings and loan holding company controlled by such individual shall be subject to the activities limitations contained in subsection (c) to the same extent such limitations apply to multiple savings and loan holding companies, unless all or all but 1 of the savings associations (including any institution deemed to be a savings association under subsection (l) of this section) controlled directly or indirectly by such individual was acquired pursuant to an acquisition described in subclause (I) or (II) of subsection (c)(3)(B)(i).

(5) ACQUISITIONS PURSUANT TO CERTAIN SECURITY INTERESTS.—This subsection and subsection (c)(2) of this section do not apply to any savings and loan holding company which acquired the control of a savings association or of a savings and loan holding company pursuant to a pledge or hypothecation to secure a loan, or in connection with the liquidation of a loan, made in the ordinary course of business. It shall be unlawful for any such company to retain such control for more than one year after February 14, 1968, or from the date on which such control was acquired, whichever is later, except that the Board may upon application by such company extend such one-year period from year to year, for an additional period not exceeding 3 years, if the Board finds such extension is warranted and would not be detrimental to the public interest.

(6) SHARES HELD BY INSURANCE AFFILIATES.—Shares described in clause (iii)(VII) of paragraph (1)(A) shall not be excluded for purposes of clause (iii) of such paragraph if—

(A) all shares held under such clause (iii)(VII) by all insurance company affiliates of such savings association or savings and loan holding company in the aggregate exceed 5 percent of all outstanding shares or of the voting power of the savings association or savings and loan holding company; or

(B) such shares are acquired or retained with a view to acquiring, exercising, or transferring control of the savings association or savings and loan holding company.

(7) DEFINITIONS.—For purposes of paragraph (2)(E)—
(A) the terms “default”, “in danger of default”, and “insured depository institution” have the same meanings as in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813); and

(B) the term “home State” means—

(i) with respect to a national bank, the State in which the main office of the bank is located;

(ii) with respect to a State bank or State savings association, the State by which the savings association is chartered;

(iii) with respect to a Federal savings association, the State in which the home office (as defined by the regulations of the Board of the Office of Thrift Supervision, or, on and after the transfer date, the Comptroller of the Currency) of the Federal savings association is located; and

(iv) with respect to a savings and loan holding company, the State in which the amount of total deposits of all insured depository institution subsidiaries of such company was the greatest on the date on which the company became a savings and loan holding company.

(f) Declaration of Dividend.—Every subsidiary savings association of a savings and loan holding company shall give the Board not less than 30 days’ advance notice of the proposed declaration by its directors of any dividend on its guaranty, permanent, or other nonwithdrawable stock. Such notice period shall commence to run from the date of receipt of such notice by the Board. Any such dividend declared within such period, or without the giving of such notice to the Board, shall be invalid and shall confer no rights or benefits upon the holder of any such stock.

(g) Administration and Enforcement.—

(1) In General.—The Board is authorized to issue such regulations and orders, including regulations and orders relating to capital requirements for savings and loan holding companies, as the Board deems necessary or appropriate to enable the Board to administer and carry out the purposes of this section, and to require compliance therewith and prevent evasions thereof. In establishing capital regulations pursuant to this subsection, the appropriate Federal banking agency shall seek to make such requirements countercyclical so that the amount of capital required to be maintained by a company increases in times of economic expansion and decreases in times of economic contraction, consistent with the safety and soundness of the company.

(2) Investigations.—The Board may make such investigations as the Board deems necessary or appropriate to determine whether the provisions of this section, and regulations and orders thereunder, are being and have been complied with by savings and loan holding companies and subsidiaries and affiliates thereof. For the purpose of any investigation under this section, the Board may administer oaths and affirmations, issue subpoenas, take evidence, and require the production of any books, papers, correspondence, memorandums, or other records which may be relevant or material to the inquiry. The
attendance of witnesses and the production of any such records may be required from any place in any State. The Board may apply to the United States district court for the judicial district (or the United States court in any territory) in which any witness or company subpoenaed resides or carries on business, for enforcement of any subpoena issued pursuant to this paragraph, and such courts shall have jurisdiction and power to order and require compliance.

(3) PROCEEDINGS.—(A) In any proceeding under subsection (a)(2)(D) or under paragraph (5) of this subsection, the Board may administer oaths and affirmations, take or cause to be taken depositions, and issue subpoenas. The Board may make regulations with respect to any such proceedings. The attendance of witnesses and the production of documents provided for in this paragraph may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted. Any party to such proceedings may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena issued pursuant to this paragraph, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States.

(B) Any hearing provided for in subsection (a)(2)(D) or under paragraph (5) of this section shall be held in the Federal judicial district or in the territory in which the principal office of the association or other company is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5, United States Code.

Such distribution shall be pro rata with respect to all of the shareholders of the distributing savings and loan holding company, and the holding company shall not make any charge to its shareholders arising out of such a distribution.

(B) The Board may in the discretion of the Board apply to the United States district court within the jurisdiction of which the principal office of the company is located, for the enforcement of any effective and outstanding order issued under this section, and such court shall have jurisdiction and power to order and require compliance therewith. Except as provided in subsection (j), no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this section, or to review, modify, suspend, terminate, or set aside any such notice or order.

(l) Treatment of FDIC insured state savings banks and cooperative banks as savings associations.—

(1) In general.—Notwithstanding any other provision of law, a savings bank (as defined in section 3(g) of the Federal
Deposit Insurance Act) and a cooperative bank that is an insured bank (as defined in section 3(h) of the Federal Deposit Insurance Act) upon application shall be deemed to be a savings association for the purpose of this section, if the appropriate Federal banking agency determines that such bank is a qualified thrift lender (as determined under subsection (m)).

(2) Failure to Maintain Qualified Thrift Lender Status.—If any savings bank which is deemed to be a savings association under paragraph (1) subsequently fails to maintain its status as a qualified thrift lender, as determined by the appropriate Federal banking agency, such bank may not thereafter be a qualified thrift lender for a period of 5 years.

(m) Qualified Thrift Lender Test.—

(1) In General.—Except as provided in paragraphs (2) and (7), any savings association is a qualified thrift lender if—

(A) the savings association qualifies as a domestic building and loan association, as such term is defined in section 7701(a)(19) of the Internal Revenue Code of 1986; or

(B)(i) the savings association’s qualified thrift investments equal or exceed 65 percent of the savings association’s portfolio assets; and

(2) Exceptions Granted by Director.—Notwithstanding paragraph (1), the appropriate Federal banking agency may grant such temporary and limited exceptions from the minimum actual thrift investment percentage requirement contained in such paragraph as the appropriate Federal banking agency deems necessary if—

(A) the appropriate Federal banking agency determines that extraordinary circumstances exist, such as when the effects of high interest rates reduce mortgage demand to such a degree that an insufficient opportunity exists for a savings association to meet such investment requirements; or

(B) the appropriate Federal banking agency determines that—

(i) the grant of any such exception will significantly facilitate an acquisition under section 13(c) or 13(k) of the Federal Deposit Insurance Act;

(ii) the acquired association will comply with the transition requirements of paragraph (7)(B), as if the date of the exemption were the starting date for the transition period described in that paragraph; and

(iii) the appropriate Federal banking agency determines that the exemption will not have an undue adverse effect on competing savings associations in the relevant market and will further the purposes of this subsection.

(3) Failure to Become and Remain a Qualified Thrift Lender.—
(A) IN GENERAL.—A savings association that fails to become or remain a qualified thrift lender shall immediately be subject to the restrictions under subparagraph (B).

(B) RESTRICTIONS APPLICABLE TO SAVINGS ASSOCIATIONS THAT ARE NOT QUALIFIED THRIFT LENDERS.—

(i) RESTRICTIONS EFFECTIVE IMMEDIATELY.—The following restrictions shall apply to a savings association beginning on the date on which the savings association should have become or ceases to be a qualified thrift lender:

(I) ACTIVITIES.—The savings association shall not make any new investment (including an investment in a subsidiary) or engage, directly or indirectly, in any other new activity unless that investment or activity would be permissible for the savings association if it were a national bank, and is also permissible for the savings association as a savings association.

(II) BRANCHING.—The savings association shall not establish any new branch office at any location at which a national bank located in the savings association’s home State may not establish a branch office. For purposes of this subclause, a savings association’s home State is the State in which the savings association’s total deposits were largest on the date on which the savings association should have become or ceased to be a qualified thrift lender.

(III) DIVIDENDS.—The savings association may not pay dividends, except for dividends that—

(aa) would be permissible for a national bank;

(bb) are necessary to meet obligations of a company that controls such savings association; and

(cc) are specifically approved by the Comptroller of the Currency and the Board after a written request submitted to the Comptroller of the Currency and the Board by the savings association not later than 30 days before the date of the proposed payment.

(IV) REGULATORY AUTHORITY.—A savings association that fails to become or remain a qualified thrift lender shall be deemed to have violated section 5 of the Home Owners’ Loan Act (12 U.S.C. 1464) and subject to actions authorized by section 5(d) of the Home Owners’ Loan Act (12 U.S.C. 1464(d)).

(ii) ADDITIONAL RESTRICTIONS EFFECTIVE AFTER 3 YEARS.—Beginning 3 years after the date on which a savings association should have become a qualified thrift lender, or the date on which the savings association ceases to be a qualified thrift lender, as applicable, the savings association shall not retain any investment (including an investment in any subsidiary)
or engage, directly or indirectly, in any activity, unless that investment or activity—

(I) would be permissible for the savings association if it were a national bank; and
(II) is permissible for the savings association as a savings association.

(C) HOLDING COMPANY REGULATION.—Any company that controls a savings association that is subject to any provision of subparagraph (B) shall, within one year after the date on which the savings association should have become or ceases to be a qualified thrift lender, register as and be deemed to be a bank holding company subject to all of the provisions of the Bank Holding Company Act of 1956, section 8 of the Federal Deposit Insurance Act, and other statutes applicable to bank holding companies, in the same manner and to the same extent as if the company were a bank holding company and the savings association were a bank, as those terms are defined in the Bank Holding Company Act of 1956.

(D) REQUALIFICATION.—A savings association that should have become or ceases to be a qualified thrift lender shall not be subject to subparagraph (B) or (C) if the savings association becomes a qualified thrift lender by meeting the qualified thrift lender requirement in paragraph (1) on a monthly average basis in 9 out of the preceding 12 months and remains a qualified thrift lender. If the savings association (or any savings association that acquired all or substantially all of its assets from that savings association) at any time thereafter ceases to be a qualified thrift lender, it shall immediately be subject to all provisions of subparagraphs (B) and (C) as if all the periods described in subparagraphs (B)(ii) and (C) had expired.

(E) EXEMPTION FOR SPECIALIZED SAVINGS ASSOCIATIONS SERVING CERTAIN MILITARY PERSONNEL.—Subparagraph (A) shall not apply to a savings association subsidiary of a savings and loan holding company if at least 90 percent of the customers of the savings and loan holding company and its subsidiaries and affiliates are active or former members in the United States military services or the widows, widowers, divorced spouses, or current or former dependents of such members.

(F) EXEMPTION FOR CERTAIN FEDERAL SAVINGS ASSOCIATIONS.—This paragraph shall not apply to any Federal savings association in existence as a Federal savings association on the date of enactment of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989—

(ii) that acquired its principal assets from an association that was chartered before October 15, 1982, as a savings bank or a cooperative bank under State law.

(G) NO CIRCUMVENTION OF EXIT MORATORIUM.—Subparagraph (A) of this paragraph shall not be construed as per-
mitting any insured depository institution to engage in any conversion transaction prohibited under section 5(d) of the Federal Deposit Insurance Act.

(4) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:

(C) RECOVERY BY CORPORATION.—If the Corporation incurs a loss as a result of the default of any savings association subsidiary of a mutual holding company which is liquidated pursuant to subparagraph (A), the Corporation shall succeed to the ownership interests of the depositors of such savings association in the mutual holding company, to the extent of the Corporation's loss.

(10) DEFINITIONS.—For purposes of this subsection—

(A) MUTUAL HOLDING COMPANY.—The term “mutual holding company” means a corporation organized as a holding company under this subsection.

(B) MUTUAL ASSOCIATION.—The term “mutual association” means a savings association which is operating in mutual form.

(C) DEFAULT.—The term “default” means an adjudication or other official determination of a court of competent jurisdiction or other public authority pursuant to which a conservator, receiver, or other legal custodian is appointed.

(11) DIVIDENDS.—

(A) DECLARATION OF DIVIDENDS.—

(i) ADVANCE NOTICE REQUIRED.—Each subsidiary of a mutual holding company that is a savings association shall give the appropriate Federal banking agency and the Board notice not later than 30 days before the date of a proposed declaration by the board of directors of the savings association of any dividend on the guaranty, permanent, or other nonwithdrawable stock of the savings association.

(ii) INVALID DIVIDENDS.—Any dividend described in clause (i) that is declared without giving notice to the appropriate Federal banking agency and the Board under clause (i), or that is declared during the 30-day period preceding the date of a proposed declaration for which notice is given to the appropriate Federal banking agency and the Board under clause (i), shall be invalid and shall confer no rights or benefits upon the holder of any such stock.

(B) WAIVER OF DIVIDENDS.—A mutual holding company may waive the right to receive any dividend declared by a subsidiary of the mutual holding company, if—
(i) no insider of the mutual holding company, associate of an insider, or tax-qualified or non-tax-qualified employee stock benefit plan of the mutual holding company holds any share of the stock in the class of stock to which the waiver would apply; or

(ii) the mutual holding company gives written notice to the Board of the intent of the mutual holding company to waive the right to receive dividends, not later than 30 days before the date of the proposed date of payment of the dividend, and the Board does not object to the waiver.

(C) Resolution included in waiver notice.—A notice of a waiver under subparagraph (B) shall include a copy of the resolution of the board of directors of the mutual holding company, in such form and substance as the Board may determine, together with any supporting materials relied upon by the board of directors of the mutual holding company, concluding that the proposed dividend waiver is consistent with the fiduciary duties of the board of directors to the mutual members of the mutual holding company.

(D) Standards for waiver of dividend.—The Board may not object to a waiver of dividends under subparagraph (B) if—

(i) the waiver would not be detrimental to the safe and sound operation of the savings association;

(ii) the board of directors of the mutual holding company expressly determines that a waiver of the dividend by the mutual holding company is consistent with the fiduciary duties of the board of directors to the mutual members of the mutual holding company; and

(iii) the mutual holding company has, prior to December 1, 2009—

(I) reorganized into a mutual holding company under subsection (o);

(II) issued minority stock either from its mid-tier stock holding company or its subsidiary stock savings association; and

(E) Valuation.—

(i) In general.—The appropriate Federal banking agency shall consider waived dividends in determining an appropriate exchange ratio in the event of a full conversion to stock form.

(ii) Exception.—In the case of a savings association that has reorganized into a mutual holding company, has issued minority stock from a mid-tier stock holding company or a subsidiary stock savings association of the mutual holding company, and has waived dividends it had a right to receive from a subsidiary savings association before December 1, 2009, the appropriate Federal banking agency shall not consider waived dividends in determining an appropriate ex-
change ratio in the event of a full conversion to stock form.

(p) HOLDING COMPANY ACTIVITIES CONSTITUTING SERIOUS RISK TO SUBSIDIARY SAVINGS ASSOCIATION.—

(1) DETERMINATION AND IMPOSITION OF RESTRICTIONS.—If the Board or the appropriate Federal banking agency for the savings association determines that there is reasonable cause to believe that the continuation by a savings and loan holding company of any activity constitutes a serious risk to the financial safety, soundness, or stability of a savings and loan holding company’s subsidiary savings association, the Board may impose such restrictions as the Board, in consultation with the appropriate Federal banking agency for the savings association determines to be necessary to address such risk. Such restrictions shall be issued in the form of a directive to the holding company and any of its subsidiaries, limiting—

(A) the payment of dividends by the savings association;
(B) transactions between the savings association, the holding company, and the subsidiaries or affiliates of either; and
(C) any activities of the savings association that might create a serious risk that the liabilities of the holding company and its other affiliates may be imposed on the savings association.

Such directive shall be effective as a cease and desist order that has become final.

(2) REVIEW OF DIRECTIVE.—

(A) ADMINISTRATIVE REVIEW.—After a directive referred to in paragraph (1) is issued, the savings and loan holding company, or any subsidiary of such holding company subject to the directive, may object and present in writing its reasons why the directive should be modified or rescinded. Unless within 10 days after receipt of such response the Board affirms, modifies, or rescinds the directive, such directive shall automatically lapse.

(B) JUDICIAL REVIEW.—If the Board affirms or modifies a directive pursuant to subparagraph (A), any affected party may immediately thereafter petition the United States district court for the district in which the savings and loan holding company has its main office or in the United States District Court for the District of Columbia to stay, modify, terminate or set aside the directive. Upon a showing of extraordinary cause, the savings and loan holding company, or any subsidiary of such holding company subject to a directive, may petition a United States district court for relief without first pursuing or exhausting the administrative remedies set forth in this paragraph.

(q) QUALIFIED STOCK ISSUANCE BY UNDERCAPITALIZED SAVINGS ASSOCIATIONS OR HOLDING COMPANIES.—

(1) IN GENERAL.—For purposes of this section, any issue of shares of stock shall be treated as a qualified stock issuance if the following conditions are met:

(A) The shares of stock are issued by—

(i) an undercapitalized savings association; or
(ii) a savings and loan holding company which is not a bank holding company but which controls an undercapitalized savings association if, at the time of issuance, the savings and loan holding company is legally obligated to contribute the net proceeds from the issuance of such stock to the capital of an undercapitalized savings association subsidiary of such holding company.

(B) All shares of stock issued consist of previously unissued stock or treasury shares.

(C) All shares of stock issued are purchased by a savings and loan holding company that is registered, as of the date of purchase, with the Board in accordance with the provisions of subsection (b)(1) of this section.

(D) Subject to paragraph (2), the Board approved the purchase of the shares of stock by the acquiring savings and loan holding company.

(E) The entire consideration for the stock issued is paid in cash by the acquiring savings and loan holding company.

(F) At the time of the stock issuance, each savings association subsidiary of the acquiring savings and loan holding company (other than an association acquired in a transaction pursuant to subsection (c) or (k) of section 13 of the Federal Deposit Insurance Act or section 408(m) of the National Housing Act) has capital (after deducting any subordinated debt, intangible assets, and deferred, unamortized gains or losses) of not less than 6½ percent of the total assets of such savings association.

(G) Immediately after the stock issuance, the acquiring savings and loan holding company holds not more than 15 percent of the outstanding voting stock of the issuing undercapitalized savings association or savings and loan holding company.

(H) Not more than one of the directors of the issuing association or company is an officer, director, employee, or other representative of the acquiring company or any of its affiliates.

(I) Transactions between the savings association or savings and loan holding company that issues the shares pursuant to this section and the acquiring company and any of its affiliates shall be subject to the provisions of section 11.

(2) APPROVAL OF ACQUISITIONS.—

(A) ADDITIONAL CAPITAL COMMITMENTS NOT REQUIRED.—

The Board shall not disapprove any application for the purchase of stock in connection with a qualified stock issuance on the grounds that the acquiring savings and loan holding company has failed to undertake to make subsequent additional capital contributions to maintain the capital of the undercapitalized savings association at or above the minimum level required by the Board or any other Federal agency having jurisdiction.

(B) OTHER CONDITIONS.—Notwithstanding subsection (a)(4), the Board may impose such conditions on any ap-
proval of an application for the purchase of stock in connection with a qualified stock issuance as the Board determines to be appropriate, including—

(i) a requirement that any savings association subsidiary of the acquiring savings and loan holding company limit dividends paid to such holding company for such period of time as the Board may require; and

(ii) such other conditions as the Board deems necessary or appropriate to prevent evasions of this section.

(C) APPLICATION DEEMED APPROVED IF NOT DISAPPROVED WITHIN 90 DAYS.—An application for approval of a purchase of stock in connection with a qualified stock issuance shall be deemed to have been approved by the Board if such application has not been disapproved by the Board before the end of the 90-day period beginning on the date such application has been deemed sufficient under regulations issued by the Board.

(3) NO LIMITATION ON CLASS OF STOCK ISSUED.—The shares of stock issued in connection with a qualified stock issuance may be shares of any class.

(4) UNDERCAPITALIZED SAVINGS ASSOCIATION DEFINED.—For purposes of this subsection, the term “undercapitalized savings association” means any savings association—

(4) ASSESSMENT.—Any penalty imposed under paragraph (1), (2), or (3) shall be assessed and collected by the Board or appropriate Federal banking agency in the manner provided in subparagraphs (E), (F), (G), and (I) of section 8(i)(2) of the Federal Deposit Insurance Act (for penalties imposed under such section) and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such subsection.

(5) HEARING.—Any savings and loan holding company or any subsidiary of such a holding company against which any penalty is assessed under this subsection shall be afforded a hearing if such savings and loan holding company or such subsidiary, as the case may be, submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) of the Federal Deposit Insurance Act shall apply to any proceeding under this subsection.

(B) EXTENSION OF PERIOD.—The period for approval or disapproval referred to in subparagraph (A) may be extended for an additional 30-day period if the appropriate
Federal banking agency for the savings association determines that—
(i) an applicant has not furnished all of the information required to be submitted; or

(3) ACQUIRE DEFINED.—For purposes of this subsection, the term “acquire” means to acquire, directly or indirectly, ownership or control through a merger or consolidation or an acquisition of assets or assumption of liabilities, provided that following such merger, consolidation, or acquisition, an acquiring insured depository institution may not own the shares of the acquired insured depository institution.

The Board may issue such regulations as are necessary to carry out this section, and, in consultation with the Comptroller of the Currency and the Federal Deposit Insurance Company, may by regulation or order permit such exceptions to the foregoing prohibition and the prohibitions of section 4(f)(9) and 4(h)(2) of the Bank Holding Company Act of 1956 as it considers will not be contrary to the purposes of this section.

(2)(A) No bank which maintains a correspondent account in the name of another bank shall make an extension of credit to an executive officer or director of, or to any person who directly or indirectly or acting through or in concert with one or more persons owns, controls, or has the power to vote more than 10 per centum of any class of voting securities of, such other bank or to any related interest of such person unless such extension of credit is made on substantially the same terms, including interest rates and collateral as those prevailing at the time for comparable transactions with other persons and does not involve more than the normal risk of repayment or present other unfavorable features.

c (c) The district courts of the United States have jurisdiction to prevent and restrain violations of subsection (b) of this section and it is the duty of the United States attorneys, under the direction of the Attorney General, to institute proceedings in equity to prevent and restrain such violations. The proceedings may be by way of a petition setting forth the case and praying that the violation be enjoined or otherwise prohibited. When the parties complained of have been duly notified of the petition, the court shall proceed, as soon as possible, to the hearing and determination of the case. While the petition is pending, and before final decree, the court may at any time make such temporary restraining order or prohibition as it deems just. Whenever it appears to the court that the ends of justice require that other parties be brought before it, the court may cause them to be summoned whether or not they reside in the district in which the court is held, and subpenas to that end may be served in any district by the marshal thereof.

d (d) In any action brought by or on behalf of the United States under subsection (b), subpenas for witnesses may run into any district, but no writ of subpoena may issue for witnesses living out of the district in which the court is held at a greater distance than one hundred miles from the place of holding the same without the prior permission of the trial court upon proper application and cause shown.

e (e) Any person who is injured in his business or property by reason of anything forbidden in subsection (b) may sue therefor in any district court of the United States in which the defendant resides or is found or has an agent, without regard to the amount in controversy, and shall be entitled to recover three times the amount of the damages sustained by him, and the cost of suit, including a reasonable attorney’s fee.
(f) Any person may sue for and have injunctive relief, in any court of the United States having jurisdiction over the parties, against threatened loss or damage by reason of a violation of subsection (b), under the same conditions and principles as injunctive relief against threatened conduct that will cause loss or damage is granted by courts of equity and under the rules governing such proceedings. Upon the execution of proper bond against damages for an injunction improvidently granted and a showing that the danger of irreparable loss or damage is immediate, a preliminary injunction may issue.

(g)(1) Subject to paragraph (2), any action to enforce any cause of action under this section shall be forever barred unless commenced within four years after the cause of action accrued.

(2) Whenever any enforcement action is instituted by or on behalf of the United States with respect to any matter which is or could be the subject of a private right of action under this section, the running of the statute of limitations in respect of every private right of action arising under this section shall be suspended during the pendency of the enforcement action so instituted and for one year thereafter: Provided, That whenever the running of the statute of limitations in respect of a cause of action arising under this section is suspended under this paragraph, any action to enforce such cause of action shall be forever barred unless commenced either within the period of suspension or within the four-year period referred to in paragraph (1).

(h) Nothing contained in this section shall be construed as affecting in any manner the right of the United States or any other party to bring an action under any other law of the United States or of any State, including any right which may exist in addition to specific statutory authority, challenging the legality of any act or practice which may be proscribed by this section. No regulation or order issued by the Board under this section shall in any manner constitute a defense to such action.

(A) the average prime offer rate, as defined in section 129C; or

(B) if secured by a personal property loan, the average rate on a loan in connection with which insurance is provided under title I of the National Housing Act (12 U.S.C. 1702 et seq.).

(2) Unless 2 bona fide discount points have been excluded under paragraph (1), up to and including 1 bona fide discount point payable by the consumer in connection with the mortgage, but only if the interest rate from which the mortgage’s interest rate will be discounted does not exceed by more than 2 percentage points—

(A) the average prime offer rate, as defined in section 129C; or

(B) if secured by a personal property loan, the average rate on a loan in connection with which insurance is provided under title I of the National Housing Act (12 U.S.C. 1702 et seq.).

(3) For purposes of paragraph (1), the term “bona fide discount points” means loan discount points which are knowingly paid by the consumer for the purpose of reducing, and which in fact result in a bona fide reduction of, the interest rate or time-price differential applicable to the mortgage.

(4) Paragraphs (1) and (2) shall not apply to discount points used to purchase an interest rate reduction unless the amount of the interest rate reduction purchased is reasonably consistent with established industry norms and practices for secondary mortgage market transactions.

CHAPTER 2—CREDIT TRANSACTIONS
§ 129C. Minimum standards for residential mortgage loans

(a) ABILITY TO REPAY.—

(1) IN GENERAL.—In accordance with regulations prescribed by the Board, no creditor may make a residential mortgage loan unless the creditor makes a reasonable and good faith determination based on verified and documented information that, at the time the loan is consummated, the consumer has a reasonable ability to repay the loan, according to its terms, and all applicable taxes, insurance (including mortgage guarantee insurance), and assessments.

(2) MULTIPLE LOANS.—If the creditor knows, or has reason to know, that 1 or more residential mortgage loans secured by the same dwelling will be made to the same consumer, the creditor shall make a reasonable and good faith determination, based on verified and documented information, that the consumer has a reasonable ability to repay the combined payments of all loans on the same dwelling according to the terms of those loans and all applicable taxes, insurance (including mortgage guarantee insurance), and assessments.

(3) BASIS FOR DETERMINATION.—A determination under this subsection of a consumer's ability to repay a residential mortgage loan shall include consideration of the consumer's credit history, current income, expected income the consumer is reasonably assured of receiving, current obligations, debt-to-income ratio or the residual income the consumer will have after paying non-mortgage debt and mortgage-related obligations, employment status, and other financial resources other than the consumer's equity in the dwelling or real property that secures repayment of the loan. A creditor shall determine the ability of the consumer to repay using a payment schedule that fully amortizes the loan over the term of the loan.

(4) INCOME VERIFICATION.—A creditor making a residential mortgage loan shall verify amounts of income or assets that such creditor relies on to determine repayment ability, including expected income or assets, by reviewing the consumer's Internal Revenue Service Form W–2, tax returns, payroll receipts, financial institution records, or other third-party documents that provide reasonably reliable evidence of the consumer's income or assets. In order to safeguard against fraudulent reporting, any consideration of a consumer's income history in making a determination under this subsection shall include the verification of such income by the use of—

(A) Internal Revenue Service transcripts of tax returns; or

(B) a method that quickly and effectively verifies income documentation by a third party subject to rules prescribed by the Board.

(5) EXEMPTION.—With respect to loans made, guaranteed, or insured by Federal departments or agencies identified in subsection (b)(3)(B)(ii), such departments or agencies may exempt refinancings under a streamlined refinancing from this income verification requirement as long as the following conditions are met:

(A) The consumer is not 30 days or more past due on the prior existing residential mortgage loan.
(B) The refinancing does not increase the principal balance outstanding on the prior existing residential mortgage loan, except to the extent of fees and charges allowed by the department or agency making, guaranteeing, or insuring the refinancing.

(C) Total points and fees (as defined in section 103(aa)(4), other than bona fide third party charges not retained by the mortgage originator, creditor, or an affiliate of the creditor or mortgage originator) payable in connection with the refinancing do not exceed 3 percent of the total new loan amount.

(D) The interest rate on the refinanced loan is lower than the interest rate of the original loan, unless the borrower is refinancing from an adjustable rate to a fixed-rate loan, under guidelines that the department or agency shall establish for loans they make, guarantee, or issue.

(E) The refinancing is subject to a payment schedule that will fully amortize the refinancing in accordance with the regulations prescribed by the department or agency making, guaranteeing, or insuring the refinancing.

(F) The terms of the refinancing do not result in a balloon payment, as defined in subsection (b)(2)(A)(ii).

(G) Both the residential mortgage loan being refinanced and the refinancing satisfy all requirements of the department or agency making, guaranteeing, or insuring the refinancing.

(6) NONSTANDARD LOANS.—

(A) VARIABLE RATE LOANS THAT DEFER REPAYMENT OF ANY PRINCIPAL OR INTEREST.—For purposes of determining, under this subsection, a consumer’s ability to repay a variable rate residential mortgage loan that allows or requires the consumer to defer the repayment of any principal or interest, the creditor shall use a fully amortizing repayment schedule.

(B) INTEREST-ONLY LOANS.—For purposes of determining, under this subsection, a consumer’s ability to repay a residential mortgage loan that permits or requires the payment of interest only, the creditor shall use the payment amount required to amortize the loan by its final maturity.

(C) CALCULATION FOR NEGATIVE AMORTIZATION.—In making any determination under this subsection, a creditor shall also take into consideration any balance increase that may accrue from any negative amortization provision.

(D) CALCULATION PROCESS.—For purposes of making any determination under this subsection, a creditor shall calculate the monthly payment amount for principal and interest on any residential mortgage loan by assuming—

(i) the loan proceeds are fully disbursed on the date of the consummation of the loan;

(ii) the loan is to be repaid in substantially equal monthly amortizing payments for principal and interest over the entire term of the loan with no balloon payment, unless the loan contract requires more rapid repayment (including balloon payment), in which case
the calculation shall be made (I) in accordance with regulations prescribed by the Board, with respect to any loan which has an annual percentage rate that does not exceed the average prime offer rate for a comparable transaction, as of the date the interest rate is set, by 1.5 or more percentage points for a first lien residential mortgage loan; and by 3.5 or more percentage points for a subordinate lien residential mortgage loan; or (II) using the contract’s repayment schedule, with respect to a loan which has an annual percentage rate, as of the date the interest rate is set, that is at least 1.5 percentage points above the average prime offer rate for a first lien residential mortgage loan; and 3.5 percentage points above the average prime offer rate for a subordinate lien residential mortgage loan; and

(iii) the interest rate over the entire term of the loan is a fixed rate equal to the fully indexed rate at the time of the loan closing, without considering the introductory rate.

(E) Refinance of Hybrid Loans with Current Lender.—In considering any application for refinancing an existing hybrid loan by the creditor into a standard loan to be made by the same creditor in any case in which there would be a reduction in monthly payment and the mortgagor has not been delinquent on any payment on the existing hybrid loan, the creditor may—

(i) consider the mortgagor’s good standing on the existing mortgage;

(ii) consider if the extension of new credit would prevent a likely default should the original mortgage reset and give such concerns a higher priority as an acceptable underwriting practice; and

(iii) offer rate discounts and other favorable terms to such mortgagor that would be available to new customers with high credit ratings based on such underwriting practice.

(7) Fully-indexed Rate Defined.—For purposes of this subsection, the term “fully indexed rate” means the index rate prevailing on a residential mortgage loan at the time the loan is made plus the margin that will apply after the expiration of any introductory interest rates.

(8) Reverse Mortgages and Bridge Loans.—This subsection shall not apply with respect to any reverse mortgage or temporary or bridge loan with a term of 12 months or less, including to any loan to purchase a new dwelling where the consumer plans to sell a different dwelling within 12 months.

(9) Seasonal Income.—If documented income, including income from a small business, is a repayment source for a residential mortgage loan, a creditor may consider the seasonality and irregularity of such income in the underwriting of and scheduling of payments for such credit.

(b) Presumption of Ability To Repay.—

(1) In General.—Any creditor with respect to any residential mortgage loan, and any assignee of such loan subject to liabil-
ity under this title, may presume that the loan has met the requirements of subsection (a), if the loan is a qualified mortgage.

(2) Definitions.—For purposes of this subsection, the following definitions shall apply:

(A) Qualified Mortgage.—The term “qualified mortgage” means any residential mortgage loan—

(i) for which the regular periodic payments for the loan may not—

(I) result in an increase of the principal balance; or

(II) except as provided in subparagraph (E), allow the consumer to defer repayment of principal;

(ii) except as provided in subparagraph (E), the terms of which do not result in a balloon payment, where a “balloon payment” is a scheduled payment that is more than twice as large as the average of earlier scheduled payments;

(iii) for which the income and financial resources relied upon to qualify the obligors on the loan are verified and documented;

(iv) in the case of a fixed rate loan, for which the underwriting process is based on a payment schedule that fully amortizes the loan over the loan term and takes into account all applicable taxes, insurance, and assessments;

(v) in the case of an adjustable rate loan, for which the underwriting is based on the maximum rate permitted under the loan during the first 5 years, and a payment schedule that fully amortizes the loan over the loan term and takes into account all applicable taxes, insurance, and assessments;

(vi) that complies with any guidelines or regulations established by the Board relating to ratios of total monthly debt to monthly income or alternative measures of ability to pay regular expenses after payment of total monthly debt, taking into account the income levels of the borrower and such other factors as the Board may determine relevant and consistent with the purposes described in paragraph (3)(B)(i);

(vii) for which the total points and fees (as defined in subparagraph (C)) payable in connection with the loan do not exceed 3 percent of the total loan amount;

(viii) for which the term of the loan does not exceed 30 years, except as such term may be extended under paragraph (3), such as in high-cost areas; and

(ix) in the case of a reverse mortgage (except for the purposes of subsection (a) of section 129C, to the extent that such mortgages are exempt altogether from those requirements), a reverse mortgage which meets the standards for a qualified mortgage, as set by the Board in rules that are consistent with the purposes of this subsection.
(B) **Average Prime Offer Rate.**—The term “average prime offer rate” means the average prime offer rate for a comparable transaction as of the date on which the interest rate for the transaction is set, as published by the Board.

(C) **Points and Fees.**—

(i) **In General.**—For purposes of subparagraph (A), the term “points and fees” means points and fees as defined by section 103(aa)(4) (other than bona fide third party charges not retained by the mortgage originator, creditor, or an affiliate of the creditor or mortgage originator).

(ii) **Computation.**—For purposes of computing the total points and fees under this subparagraph, the total points and fees shall exclude either of the amounts described in the following subclauses, but not both:

(I) Up to and including 2 bona fide discount points payable by the consumer in connection with the mortgage, but only if the interest rate from which the mortgage’s interest rate will be discounted does not exceed by more than 1 percentage point the average prime offer rate.

(II) Unless 2 bona fide discount points have been excluded under subclause (I), up to and including 1 bona fide discount point payable by the consumer in connection with the mortgage, but only if the interest rate from which the mortgage’s interest rate will be discounted does not exceed by more than 2 percentage points the average prime offer rate.

(iii) **Bona Fide Discount Points Defined.**—For purposes of clause (ii), the term “bona fide discount points” means loan discount points which are knowingly paid by the consumer for the purpose of reducing, and which in fact result in a bona fide reduction of, the interest rate or time-price differential applicable to the mortgage.

(iv) **Interest Rate Reduction.**—Subclauses (I) and (II) of clause (ii) shall not apply to discount points used to purchase an interest rate reduction unless the amount of the interest rate reduction purchased is reasonably consistent with established industry norms and practices for secondary mortgage market transactions.

(D) **Smaller Loans.**—The Board shall prescribe rules adjusting the criteria under subparagraph (A)(vii) in order to permit lenders that extend smaller loans to meet the requirements of the presumption of compliance under paragraph (1). In prescribing such rules, the Board shall consider the potential impact of such rules on rural areas and other areas where home values are lower.

(E) **Balloon Loans.**—The Board may, by regulation, provide that the term “qualified mortgage” includes a balloon loan—
(i) that meets all of the criteria for a qualified mortgage under subparagraph (A) (except clauses (i)(II), (ii), (iv), and (v) of such subparagraph);
(ii) for which the creditor makes a determination that the consumer is able to make all scheduled payments, except the balloon payment, out of income or assets other than the collateral;
(iii) for which the underwriting is based on a payment schedule that fully amortizes the loan over a period of not more than 30 years and takes into account all applicable taxes, insurance, and assessments; and
(iv) that is extended by a creditor that—
(I) operates in rural or underserved areas;
(II) together with all affiliates, has total annual residential mortgage loan originations that do not exceed a limit set by the Board;
(III) retains the balloon loans in portfolio; and
(IV) meets any asset size threshold and any other criteria as the Board may establish, consistent with the purposes of this subtitle.

(3) REGULATIONS.—
(A) IN GENERAL.—The Board shall prescribe regulations to carry out the purposes of this subsection.
(B) REVISION OF SAFE HARBOR CRITERIA.—
(i) IN GENERAL.—The Board may prescribe regulations that revise, add to, or subtract from the criteria that define a qualified mortgage upon a finding that such regulations are necessary or proper to ensure that responsible, affordable mortgage credit remains available to consumers in a manner consistent with the purposes of this section, necessary and appropriate to effectuate the purposes of this section and section 129B, to prevent circumvention or evasion thereof, or to facilitate compliance with such sections.
(ii) LOAN DEFINITION.—The following agencies shall, in consultation with the Board, prescribe rules defining the types of loans they insure, guarantee, or administer, as the case may be, that are qualified mortgages for purposes of paragraph (2)(A), and such rules may revise, add to, or subtract from the criteria used to define a qualified mortgage under paragraph (2)(A), upon a finding that such rules are consistent with the purposes of this section and section 129B, to prevent circumvention or evasion thereof, or to facilitate compliance with such sections:
(I) The Department of Housing and Urban Development, with regard to mortgages insured under the National Housing Act (12 U.S.C. 1707 et seq.).
(II) The Department of Veterans Affairs, with regard to a loan made or guaranteed by the Secretary of Veterans Affairs.
(III) The Department of Agriculture, with regard to loans guaranteed by the Secretary of Agriculture pursuant to 42 U.S.C. 1472(h).
(IV) The Rural Housing Service, with regard to loans insured by the Rural Housing Service.

(c) Prohibition on Certain Prepayment Penalties.—

(1) Prohibited on Certain Loans.—

(A) In General.—A residential mortgage loan that is not a “qualified mortgage”, as defined under subsection (b)(2), may not contain terms under which a consumer must pay a prepayment penalty for paying all or part of the principal after the loan is consummated.

(B) Exclusions.—For purposes of this subsection, a “qualified mortgage” may not include a residential mortgage loan that—

(i) has an adjustable rate; or

(ii) has an annual percentage rate that exceeds the average prime offer rate for a comparable transaction, as of the date the interest rate is set—

(I) by 1.5 or more percentage points, in the case of a first lien residential mortgage loan having a original principal obligation amount that is equal to or less than the amount of the maximum limitation on the original principal obligation of mortgage in effect for a residence of the applicable size, as of the date of such interest rate set, pursuant to the 6th sentence of section 305(a)(2) the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2));

(II) by 2.5 or more percentage points, in the case of a first lien residential mortgage loan having a original principal obligation amount that is more than the amount of the maximum limitation on the original principal obligation of mortgage in effect for a residence of the applicable size, as of the date of such interest rate set, pursuant to the 6th sentence of section 305(a)(2) the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)); and

(III) by 3.5 or more percentage points, in the case of a subordinate lien residential mortgage loan.

(2) Publication of Average Prime Offer Rate and APR Thresholds.—The Board—

(A) shall publish, and update at least weekly, average prime offer rates;

(B) may publish multiple rates based on varying types of mortgage transactions; and

(C) shall adjust the thresholds established under subclause (I), (II), and (III) of paragraph (1)(B)(ii) as necessary to reflect significant changes in market conditions and to effectuate the purposes of the Mortgage Reform and Anti-Predatory Lending Act.

(3) Phased-Out Penalties on Qualified Mortgages.—A qualified mortgage (as defined in subsection (b)(2)) may not contain terms under which a consumer must pay a prepayment penalty for paying all or part of the principal after the loan is consummated in excess of the following limitations:
(A) During the 1-year period beginning on the date the loan is consummated, the prepayment penalty shall not exceed an amount equal to 3 percent of the outstanding balance on the loan.

(B) During the 1-year period beginning after the period described in subparagraph (A), the prepayment penalty shall not exceed an amount equal to 2 percent of the outstanding balance on the loan.

(C) During the 1-year period beginning after the 1-year period described in subparagraph (B), the prepayment penalty shall not exceed an amount equal to 1 percent of the outstanding balance on the loan.

(D) After the end of the 3-year period beginning on the date the loan is consummated, no prepayment penalty may be imposed on a qualified mortgage.

(4) OPTION FOR NO PREPAYMENT PENALTY REQUIRED. — A creditor may not offer a consumer a residential mortgage loan product that has a prepayment penalty for paying all or part of the principal after the loan is consummated as a term of the loan without offering the consumer a residential mortgage loan product that does not have a prepayment penalty as a term of the loan.

(d) SINGLE PREMIUM CREDIT INSURANCE PROHIBITED. — No creditor may finance, directly or indirectly, in connection with any residential mortgage loan or with any extension of credit under an open end consumer credit plan secured by the principal dwelling of the consumer, any credit life, credit disability, credit unemployment, or credit property insurance, or any other accident, loss-of-income, life, or health insurance, or any payments directly or indirectly for any debt cancellation or suspension agreement or contract, except that—

(1) insurance premiums or debt cancellation or suspension fees calculated and paid in full on a monthly basis shall not be considered financed by the creditor; and

(2) this subsection shall not apply to credit unemployment insurance for which the unemployment insurance premiums are reasonable, the creditor receives no direct or indirect compensation in connection with the unemployment insurance premiums, and the unemployment insurance premiums are paid pursuant to another insurance contract and not paid to an affiliate of the creditor.

(e) ARBITRATION. —

(1) IN GENERAL. — No residential mortgage loan and no extension of credit under an open end consumer credit plan secured by the principal dwelling of the consumer may include terms which require arbitration or any other nonjudicial procedure as the method for resolving any controversy or settling any claims arising out of the transaction.

(2) POST-CONTROVERSY AGREEMENTS. — Subject to paragraph (3), paragraph (1) shall not be construed as limiting the right of the consumer and the creditor or any assignee to agree to arbitration or any other nonjudicial procedure as the method for resolving any controversy at any time after a dispute or claim under the transaction arises.
(3) **NO WAIVER OF STATUTORY CAUSE OF ACTION.**—No provision of any residential mortgage loan or of any extension of credit under an open end consumer credit plan secured by the principal dwelling of the consumer, and no other agreement between the consumer and the creditor relating to the residential mortgage loan or extension of credit referred to in paragraph (1), shall be applied or interpreted so as to bar a consumer from bringing an action in an appropriate district court of the United States, or any other court of competent jurisdiction, pursuant to section 130 or any other provision of law, for damages or other relief in connection with any alleged violation of this section, any other provision of this title, or any other Federal law.

(f) **MORTGAGES WITH NEGATIVE AMORTIZATION.**—No creditor may extend credit to a borrower in connection with a consumer credit transaction under an open or closed end consumer credit plan secured by a dwelling or residential real property that includes a dwelling, other than a reverse mortgage, that provides or permits a payment plan that may, at any time over the term of the extension of credit, result in negative amortization unless, before such transaction is consummated—

1. the creditor provides the consumer with a statement that—
   (A) the pending transaction will or may, as the case may be, result in negative amortization;
   (B) describes negative amortization in such manner as the Board shall prescribe;
   (C) negative amortization increases the outstanding principal balance of the account; and
   (D) negative amortization reduces the consumer's equity in the dwelling or real property; and

2. in the case of a first-time borrower with respect to a residential mortgage loan that is not a qualified mortgage, the first-time borrower provides the creditor with sufficient documentation to demonstrate that the consumer received homeownership counseling from organizations or counselors certified by the Secretary of Housing and Urban Development as competent to provide such counseling.

(g) **PROTECTION AGAINST LOSS OF ANTI-DEFICIENCY PROTECTION.**—

1. **DEFINITION.**—For purposes of this subsection, the term "anti-deficiency law" means the law of any State which provides that, in the event of foreclosure on the residential property of a consumer securing a mortgage, the consumer is not liable, in accordance with the terms and limitations of such State law, for any deficiency between the sale price obtained on such property through foreclosure and the outstanding balance of the mortgage.

2. **NOTICE AT TIME OF CONSUMMATION.**—In the case of any residential mortgage loan that is, or upon consummation will be, subject to protection under an anti-deficiency law, the creditor or mortgage originator shall provide a written notice to the consumer describing the protection provided by the anti-deficiency law and the significance for the consumer of the loss of such protection before such loan is consummated.
(3) Notice Before Refinancing That Would Cause Loss of Protection.—In the case of any residential mortgage loan that is subject to protection under an anti-deficiency law, if a creditor or mortgage originator provides an application to a consumer, or receives an application from a consumer, for any type of refinancing for such loan that would cause the loan to lose the protection of such anti-deficiency law, the creditor or mortgage originator shall provide a written notice to the consumer describing the protection provided by the anti-deficiency law and the significance for the consumer of the loss of such protection before any agreement for any such refinancing is consummated.

(h) Policy Regarding Acceptance of Partial Payment.—In the case of any residential mortgage loan, a creditor shall disclose prior to settlement or, in the case of a person becoming a creditor with respect to an existing residential mortgage loan, at the time such person becomes a creditor—

(1) the creditor’s policy regarding the acceptance of partial payments; and

(2) if partial payments are accepted, how such payments will be applied to such mortgage and if such payments will be placed in escrow.

(i) Timeshare Plans.—This section and any regulations promulgated under this section do not apply to an extension of credit relating to a plan described in section 101(53D) of title 11, United States Code.

(j) Safe Harbor for Certain Loans Held on Portfolio.—

(1) Safe Harbor for Creditors That Are Depository Institutions.—

(A) In General.—A creditor that is a depository institution shall not be subject to suit for failure to comply with subsection (a), (c)(1), or (f)(2) of this section or section 129H with respect to a residential mortgage loan, and the banking regulators shall treat such loan as a qualified mortgage, if—

(i) the creditor has, since the origination of the loan, held the loan on the balance sheet of the creditor; and

(ii) all prepayment penalties with respect to the loan comply with the limitations described under subsection (c)(3).

(B) Exception for Certain Transfers.—In the case of a depository institution that transfers a loan originated by that institution to another depository institution by reason of the bankruptcy or failure of the originating depository institution or the purchase of the originating depository institution, the depository institution transferring such loan shall be deemed to have complied with the requirement under subparagraph (A)(i).

(2) Safe Harbor for Mortgage Originators.—A mortgage originator shall not be subject to suit for a violation of section 129B(c)(3)(B) for steering a consumer to a residential mortgage loan if—

(A) the creditor of such loan is a depository institution and has informed the mortgage originator that the creditor
intends to hold the loan on the balance sheet of the creditor for the life of the loan; and
(B) the mortgage originator informs the consumer that the creditor intends to hold the loan on the balance sheet of the creditor for the life of the loan.

(3) **DEFINITIONS.**—For purposes of this subsection:
(A) **Banking regulators.**—The term "banking regulators" means the Federal banking agencies, the Consumer Financial Opportunity Commission, and the National Credit Union Administration.
(B) **Depository institution.**—The term "depository institution" has the meaning given that term under section 19(b)(1) of the Federal Reserve Act (12 U.S.C. 505(b)(1)).
(C) **Federal banking agencies.**—The term "Federal banking agencies" has the meaning given that term under section 3 of the Federal Deposit Insurance Act.

§ 129D. Escrow or impound accounts relating to certain consumer credit transactions

(a) **IN GENERAL.**—Except as provided in subsection (b), (c), (d), or (e), a creditor, in connection with the consummation of a consumer credit transaction secured by a first lien on the principal dwelling of the consumer, other than a consumer credit transaction under an open end credit plan or a reverse mortgage, shall establish, before the consummation of such transaction, an escrow or impound account for the payment of taxes and hazard insurance, and, if applicable, flood insurance, mortgage insurance, ground rents, and any other required periodic payments or premiums with respect to the property or the loan terms, as provided in, and in accordance with, this section.

(b) **WHEN REQUIRED.**—No impound, trust, or other type of account for the payment of property taxes, insurance premiums, or other purposes relating to the property may be required as a condition of a real property sale contract or a loan secured by a first deed of trust or mortgage on the principal dwelling of the consumer, other than a consumer credit transaction under an open end credit plan or a reverse mortgage, except when—

(1) any such impound, trust, or other type of escrow or impound account for such purposes is required by Federal or State law;
(2) a loan is made, guaranteed, or insured by a State or Federal governmental lending or insuring agency;
(3) the transaction is secured by a first mortgage or lien on the consumer's principal dwelling having an original principal obligation amount that—
(A) does not exceed the amount of the maximum limitation on the original principal obligation of mortgage in effect for a residence of the applicable size, as of the date such interest rate set, pursuant to the sixth sentence of section 305(a)(2) the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)), and the annual percentage rate will exceed the average prime offer rate as defined in section 129C by 1.5 or more percentage points; or
(B) exceeds the amount of the maximum limitation on the original principal obligation of mortgage in effect for a
residence of the applicable size, as of the date such interest rate set, pursuant to the sixth sentence of section 305(a)(2) the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)), and the annual percentage rate will exceed the average prime offer rate as defined in section 129C by 2.5 or more percentage points; or
(4) so required pursuant to regulation.
(c) Exemptions.—The [Board] Consumer Financial Opportunity Commission may, by regulation, exempt from the requirements of subsection (a) a creditor that—
(1) operates in rural or underserved areas;
(2) together with all affiliates, has total annual mortgage loan originations that do not exceed a limit set by the [Board] Consumer Financial Opportunity Commission;
(3) retains its mortgage loan originations in portfolio; and
(4) meets any asset size threshold and any other criteria the [Board] Consumer Financial Opportunity Commission may establish, consistent with the purposes of this subtitle.
(d) Duration of Mandatory Escrow or Impound Account.—An escrow or impound account established pursuant to subsection (b) shall remain in existence for a minimum period of 5 years, beginning with the date of the consummation of the loan, unless and until—
(1) such borrower has sufficient equity in the dwelling securing the consumer credit transaction so as to no longer be required to maintain private mortgage insurance;
(2) such borrower is delinquent;
(3) such borrower otherwise has not complied with the legal obligation, as established by rule; or
(4) the underlying mortgage establishing the account is terminated.
(e) Limited Exemptions for Loans Secured by Shares in a Cooperative or in Which an Association Must Maintain a Master Insurance Policy.—Escrow accounts need not be established for loans secured by shares in a cooperative. Insurance premiums need not be included in escrow accounts for loans secured by dwellings or units, where the borrower must join an association as a condition of ownership, and that association has an obligation to the dwelling or unit owners to maintain a master policy insuring the dwellings or units.
(f) Clarification on Escrow Accounts for Loans Not Meeting Statutory Test.—For mortgages not covered by the requirements of subsection (b), no provision of this section shall be construed as precluding the establishment of an impound, trust, or other type of account for the payment of property taxes, insurance premiums, or other purposes relating to the property—
(1) on terms mutually agreeable to the parties to the loan;
(2) at the discretion of the lender or servicer, as provided by the contract between the lender or servicer and the borrower; or
(3) pursuant to the requirements for the escrowing of flood insurance payments for regulated lending institutions in section 102(d) of the Flood Disaster Protection Act of 1973.
(g) Administration of Mandatory Escrow or Impound Accounts.—
(1) IN GENERAL.—Except as may otherwise be provided for in this title or in regulations prescribed by the Consumer Financial Opportunity Commission, escrow or impound accounts established pursuant to subsection (b) shall be established in a federally insured depository institution or credit union.

(2) ADMINISTRATION.—Except as provided in this section or regulations prescribed under this section, an escrow or impound account subject to this section shall be administered in accordance with—

(A) the Real Estate Settlement Procedures Act of 1974 and regulations prescribed under such Act;
(B) the Flood Disaster Protection Act of 1973 and regulations prescribed under such Act; and
(C) the law of the State, if applicable, where the real property securing the consumer credit transaction is located.

(3) APPLICABILITY OF PAYMENT OF INTEREST.—If prescribed by applicable State or Federal law, each creditor shall pay interest to the consumer on the amount held in any impound, trust, or escrow account that is subject to this section in the manner as prescribed by that applicable State or Federal law.

(4) PENALTY COORDINATION WITH RESPA.—Any action or omission on the part of any person which constitutes a violation of the Real Estate Settlement Procedures Act of 1974 or any regulation prescribed under such Act for which the person has paid any fine, civil money penalty, or other damages shall not give rise to any additional fine, civil money penalty, or other damages under this section, unless the action or omission also constitutes a direct violation of this section.

(h) DISCLOSURES RELATING TO MANDATORY ESCRROW OR IMPOUND ACCOUNT.—In the case of any impound, trust, or escrow account that is required under subsection (b), the creditor shall disclose by written notice to the consumer at least 3 business days before the consummation of the consumer credit transaction giving rise to such account or in accordance with timeframes established in prescribed regulations the following information:

(1) The fact that an escrow or impound account will be established at consummation of the transaction.
(2) The amount required at closing to initially fund the escrow or impound account.
(3) The amount, in the initial year after the consummation of the transaction, of the estimated taxes and hazard insurance, including flood insurance, if applicable, and any other required periodic payments or premiums that reflects, as appropriate, either the taxable assessed value of the real property securing the transaction, including the value of any improvements on the property or to be constructed on the property (whether or not such construction will be financed from the proceeds of the transaction) or the replacement costs of the property.
(4) The estimated monthly amount payable to be escrowed for taxes, hazard insurance (including flood insurance, if applicable) and any other required periodic payments or premiums.
(5) The fact that, if the consumer chooses to terminate the account in the future, the consumer will become responsible for the payment of all taxes, hazard insurance, and flood insurance, if applicable, as well as any other required periodic payments or premiums on the property unless a new escrow or impound account is established.

(6) Such other information as the [Board] Consumer Financial Opportunity Commission determines necessary for the protection of the consumer.

(i) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

(1) Flood Insurance.—The term “flood insurance” means flood insurance coverage provided under the national flood insurance program pursuant to the National Flood Insurance Act of 1968.

(D) any recommendations of the Conference to improve the alternative dispute resolution procedures of the Federal banking agencies and the National Credit Union Administration Board.
(4) IMPLEMENTATION OF PROGRAM.—At any time after completion of the evaluation under paragraph (3)(A), any Federal banking agency and the National Credit Union Administration Board may implement an alternative dispute resolution program throughout the agency, taking into account the results of that evaluation.

(5) COORDINATION WITH EXISTING AGENCY ADR PROGRAMS.—
(A) EVALUATION REQUIRED.—If any Federal banking agency or the National Credit Union Administration maintains an alternative dispute resolution program as of the date of enactment of this Act under any other provision of law, the Administrative Conference of the United States shall include such program in the evaluation conducted under paragraph (3)(A).
(B) MULTIPLE ADR PROGRAMS.—No provision of this section shall be construed as precluding any Federal banking agency or the National Credit Union Administration Board from establishing more than 1 alternative means of dispute resolution.

(A) includes determinations relating to—

(iii) loan classifications on loans that are significant to an institution; and
(iv) any issue specifically listed in an exam report as a matter requiring attention by the institution's management or board of directors; and
(v) any suspension or removal of an institution's status as eligible for expedited processing of applications, requests, notices, or filings on the grounds of supervisory or compliance concern, regardless of whether that concern has been cited as a basis for another material supervisory determination or matter requiring attention in an examination report, provided that the conduct at issue did not involve violation of any criminal law; and
(B) does not include a determination by a Federal banking agency or the National Credit Union Administration Board to appoint a conservator or receiver for an insured depository institution or a liquidating agent for an insured credit union, as the case may be, or a decision to take action pursuant to section 38 of the Federal Deposit Insurance Act or section 212 of the Federal Credit Union Act, as appropriate.

**TITLE VII—EQUAL CREDIT OPPORTUNITY**

§ 701. Prohibited discrimination; reasons for adverse action

(a) It shall be unlawful for any creditor to discriminate against any applicant, with respect to any aspect of a credit transaction—

(1) on the basis of race, color, religion, national origin, sex or marital status, or age (provided the applicant has the capacity to contract);

(2) because all or part of the applicant's income derives from any public assistance program; or

(3) because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

(b) It shall not constitute discrimination for purposes of this title for a creditor—

(1) to make an inquiry of marital status if such inquiry is for the purpose of ascertaining the creditor's rights and remedies
applicable to the particular extension of credit and not to discrimi-
nate in a determination of credit-worthiness;
(2) to make an inquiry of the applicant's age or of whether
the applicant's income derives from any public assistance pro-
gram if such inquiry is for the purpose of determining the
amount and probable continuance of income levels, credit his-
tory, or other pertinent element of credit-worthiness as pro-
vided in regulations of the Board;
(3) to use any empirically derived credit system which con-
siders age if such system is demonstrably and statistically
sound in accordance with regulations of the Bureau, except
that in the operation of such system the age of an elderly ap-
plicant may not be assigned a negative factor or value; or
(4) to make an inquiry or to consider the age of an elderly
applicant when the age of such applicant is to be used by the
creditor in the extension of credit in favor of such applicant;
or
(5) to make an inquiry under section 704B, in accordance
with the requirements of that section.
(c) It is not a violation of this section for a creditor to refuse to
extend credit offered pursuant to—
(1) any credit assistance program expressly authorized by
law for an economically disadvantaged class of persons;
(2) any credit assistance program administered by a non-
profit organization for its members or an economically dis-
advantaged class of persons; or
(3) any special purpose credit program offered by a profit-
making organization to meet special social needs which meets
standards prescribed in regulations by the Board;
if such refusal is required by or made pursuant to such program.
(d)(1) Within thirty days (or such longer reasonable time as spec-
ified in regulations of the Bureau for any class of credit trans-
action) after receipt of a completed application for credit, a creditor
shall notify the applicant of its action on the application.
(2) Each applicant against whom adverse action is taken shall be
entitled to a statement of reasons for such action from the creditor.
A creditor satisfies this obligation by—
(A) providing statements of reasons in writing as a matter
of course to applicants against whom adverse action is taken;
or
(B) giving written notification of adverse action which dis-
closes (i) the applicant's right to a statement of reasons within
thirty days after receipt by the creditor of a request made
within sixty days after such notification, and (ii) the identity
of the person or office from which such statement may be ob-
tained. Such statement may be given orally, if the written noti-
fication advises the applicant of his right to have the statement
of reasons confirmed in writing on written request.
(3) A statement of reasons meets the requirements of this section
only if it contains the specific reasons for the adverse action taken.
(4) Where a creditor has been requested by a third party to make
a specific extension of credit directly or indirectly to an applicant,
the notification and statement of reasons required by this sub-
section may be made directly by such creditor, or indirectly through
the third party, provided in either case that the identity of the creditor is disclosed.

(5) The requirements of paragraphs (2), (3), or (4) may be satisfied by verbal statements or notifications in the case of any creditor who did not act on more than one hundred and fifty applications during the calendar year preceding the calendar year in which the adverse action is taken, as determined under regulations of the Board.

(6) For purposes of this subsection, the term “adverse action” means a denial or revocation of credit, a change in the terms of an existing credit arrangement, or a refusal to grant credit in substantially the amount or on substantially the terms requested. Such term does not include a refusal to extend additional credit under an existing credit arrangement where the applicant is delinquent or otherwise in default, or where such additional credit would exceed a previously established credit limit.

(e) COPIES FURNISHED TO APPLICANTS.—

(1) IN GENERAL.—Each creditor shall furnish to an applicant a copy of any and all written appraisals and valuations developed in connection with the applicant’s application for a loan that is secured or would have been secured by a first lien on a dwelling promptly upon completion, but in no case later than 3 days prior to the closing of the loan, whether the creditor grants or denies the applicant’s request for credit or the application is incomplete or withdrawn.

(2) WAIVER.—The applicant may waive the 3 day requirement provided for in paragraph (1), except where otherwise required in law.

(3) REIMBURSEMENT.—The applicant may be required to pay a reasonable fee to reimburse the creditor for the cost of the appraisal, except where otherwise required in law.

(4) FREE COPY.—Notwithstanding paragraph (3), the creditor shall provide a copy of each written appraisal or valuation at no additional cost to the applicant.

(5) NOTIFICATION TO APPLICANTS.—At the time of application, the creditor shall notify an applicant in writing of the right to receive a copy of each written appraisal and valuation under this subsection.

(6) VALUATION DEFINED.—For purposes of this subsection, the term “valuation” shall include any estimate of the value of a dwelling developed in connection with a creditor’s decision to provide credit, including those values developed pursuant to a policy of a government sponsored enterprise or by an automated valuation model, a broker price opinion, or other methodology or mechanism.

Dear Chairman Hensarling:

Thank you for your letter regarding H.R. 5983, the Financial CHOICE Act of 2016, which was referred to the Committee on Financial Services, with an additional referral to Committee on Transportation and Infrastructure.

I agree to allow the Committee on Transportation and Infrastructure to be discharged from consideration of H.R. 5983 with the understanding that this discharge does not affect the Committee’s jurisdiction over the subject matter of the bill, and does not serve as precedent for future referrals. Finally, should a conference on the bill be necessary, I fully expect the Committee on Transportation and Infrastructure to be represented on the conference committee.

Thank you for your assistance in this matter and for agreeing to include a copy of this letter in the Congressional Record during floor consideration.

Dear Chairman Shuster:

Thank you for your November 29th letter regarding H.R. 5983, the “Financial CHOICE Act of 2016.”

I am most appreciative of your decision to forego action on H.R. 5983 so that it may move expeditiously to the House floor. MINORITY VIEWS

H.R. 5983, the Financial CHOICE Act (herein called the “Wrong Choice Act”), represents a stunning degree of historical amnesia about the causes and consequences of the 2008 financial crisis. Indeed, this legislation would repeal, restrict, or otherwise undermine all of the central provisions included in the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (P.L. 111–203, or “Dodd-Frank”) and would radically change our financial system to the detriment of consumers, investors and financial stability.

The problems with the Wrong Choice Act are legion.

First, the Wrong Choice Act would repeal a host of crucial banking regulations and restrictions. Specifically, the Act would provide banks with a so-called “off-ramp,” allowing them to escape Dodd-Frank and Basel III’s capital and liquidity requirements, as well as, a number of activity restrictions, if they comply with a simple leverage ratio. However, this blunt and insufficient leverage ratio fails to contain the guardrails included in other proposals, including those from committed financial reformers, such as Federal Deposit Insurance Corporation (“FDIC”) Vice Chair Hoenig, and Senators Brown and Vitter. While a simple leverage ratio may be sensible for community banks engaged in traditional banking activities, it is wholly insufficient to replace Basel III and Dodd-Frank’s heightened prudential standards for global megabanks. The Wrong Choice Act makes no such distinction based on bank size or complexity.

In addition, the Act would increase the risk of another banking crisis by repealing Dodd-Frank’s Volcker Rule, which prohibits proprietary trading and investments in hedge and private equity funds by institutions with access to the federal banking safety net, and by eliminating the Orderly Liquidation Authority, which provides a failsafe contingency to resolve failing financial firms without endangering the broader economy.

Second, the Wrong Choice Act would expose our financial system to the same pre-crisis shadow banking sector risks by thwarting the work of the Financial Stability Oversight Council (“FSOC”) and making cross-border regulatory cooperation more difficult. In particular, the bill would repeal the authority of the FSOC to designate non-bank financial firms for heightened supervision and rescind all existing designations, including for American International Group (“AIG”), which directly contributed to the 2008 crisis. The Wrong Choice Act would also make it more difficult for U.S. regulators to coordinate with international insurance supervisors in monitoring and mitigating threats to financial stability.

Third, the Wrong Choice Act would gut the Consumer Financial Protection Bureau (“CFPB”), leaving it a shell of what was created under Dodd-Frank. Specifically, the Act would change the Bureau to a partisan, gridlocked Commission, eliminate the CFPB’s inde-
pendent funding, mire the new Commission in onerous cost-benefit analysis, make it easier for special interests to challenge its rules, and hobble the agency’s work across a number of key areas, including payday lending and forced arbitration. Given that the CFPB has returned approximately $12 billion to more than 27 million harmed consumers, we see no need to alter its authorizing statute or otherwise thwart the Bureau’s work.

Fourth, the Wrong Choice Act would harm our nation’s investors by making it more difficult for the Securities and Exchange Commission (“SEC”) to pursue civil actions against wrongdoers, giving recidivists a free pass from the consequences of their actions, and making it easier for special interests to challenge SEC rules in court via cost-benefit analysis requirements. The Act would limit the efficacy of the SEC’s Investor Advocate, and eliminate or diminish a host of SEC rules promulgated since the crisis, including those related to “say-on-pay,” credit risk retention, credit rating agencies, and hedge and private equity advisors. The bill would also hurt our nation’s workers and retirees by repealing the Department of Labor’s fiduciary duty rule, which protects them from conflicted investment advice that has cost them billions of dollars in savings each year.

Fifth, the Wrong Choice Act would harm the independent formulation of our nation’s monetary policy by imposing a rules-based, cookie-cutter framework on Federal Open Market Committee (“FOMC”) decision-making. Indeed, Federal Reserve Board Chair Janet Yellen has called this provision in the Wrong Choice Act a “grave mistake.”

Lastly, while the Majority continues to falsely blame the entirety of the 2008 financial crisis on the Government Sponsored Enterprises (“GSEs”) Fannie Mae and Freddie Mac, the Wrong Choice Act does nothing to address the future of our housing finance system. Amazingly, even though the Federal Housing Finance Agency’s predecessor failed spectacularly to rein in the GSEs because a Republican Congress starved the regulator of resources, the Wrong Choice Act would once again subject the GSEs’ regulator to the appropriations process and further politicize its decision-making by creating a commission.

In summary, H.R. 5983 represents a giant step backward for our financial system, and would all but invite another financial crisis similar to the one in 2008. Democrats remember all too well the millions of foreclosures, stunning loss of jobs, and destruction of trillions of dollars in household wealth that occurred just eight years ago. To prevent such a crisis from occurring again, Democrats strongly oppose H.R. 5983.
