"3084 U.S. Civil Rights Network .............................................. 308401"

PURPOSE OF THE BILL

The purpose of H.R. 1927 is to amend title 54, United States Code, to establish within the National Park Service the African American Civil Rights Network.

BACKGROUND AND NEED FOR LEGISLATION

In 1999, Congress passed the “National Park Service Studies Act of 1999” (Public Law 106–113). This Act required the National Park Service (NPS) to conduct special resource studies of various sites and areas. Among the areas to be studied were “Civil Rights Sites” on a “multi-State” level. To determine the best way to proceed, the NPS partnered with the Organization of American Historians to develop an overview of civil rights history entitled “Civil
Rights in America: A Framework for Identifying Significant Sites.

The framework found that while many civil rights sites had been designated as National Historic Landmarks, other sites still needed to be identified and evaluated. Therefore, the framework recommended that four National Historic Landmarks theme studies be prepared to identify sites that may be nationally significant, and that the study be based on provisions of the 1960s civil rights acts. Through completion of these theme studies, NPS found that a number of sites related to the African American Civil Rights Movement had not been recognized and many were in immediate danger of being lost or destroyed.

With these NPS studies in mind, several bills have been introduced in recent Congresses intended to better recognize and preserve sites related to the African American Civil Rights Movement. H.R. 1927, introduced this Congress, requires the Secretary of the Interior to establish, within the NPS, a network, to coordinate federal and nonfederal activities to commemorate, honor, and interpret the history of the African American Civil Rights Movement during the period from 1939 through 1968.

The Network will be comprised of existing NPS units and programs related to that historical period as well as the properties and programs of other federal, state, local, and private entities that join the Network. Additionally, NPS will be required to produce and distribute educational materials, create and adopt an official symbol for the network, establish regulations for participation, and provide technical assistance to other entities interested in joining. The Network established by this bill is similar to “The National Underground Railroad Network to Freedom,” authorized in 1998 by Public Law 105–203.

In the 114th Congress, the House Natural Resources Subcommittee on Federal Lands held a hearing on nearly identical legislation (H.R. 3683).

COMMITTEE ACTION

H.R. 1927 was introduced on April 5, 2017, by Congressman Wm. Lacy Clay (D–MO). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Federal Lands. On June 22, 2017, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. Congressman Rob Bishop (R–UT) offered an amendment designated #1; it was adopted by unanimous consent. No further amendments were offered, and the bill, as amended, was ordered favorably reported to the House of Representatives by unanimous consent on June 27, 2017.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,

Hon. ROB BISHOP,
Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 1927, the African American Civil Rights Network Act of 2017.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

Sincerely,

MARK P. HADLEY
(For Keith Hall Director).

Enclosure.

H.R. 1927—African American Civil Rights Network Act of 2017

H.R. 1927 would require the Secretary of the Interior to establish the U.S. Civil Rights Network, within the National Park Service (NPS), to coordinate federal and nonfederal activities to commemorate, honor, and interpret the history of the African American civil rights movement during the 1939–1968 period. The network would comprise existing units and programs of the NPS related to that historical period as well as the properties and programs of other federal, state, local, and private entities that join the network.

Under the bill, the NPS would produce and distribute educational materials, create and adopt an official symbol for the proposed network, establish regulations for participation, and provide technical assistance to other entities interested in joining. To support the network and its activities, the bill would authorize the agency to execute cooperative agreements and memoranda of understanding with private organizations and state and local governments.

Based on information from the NPS about the costs of administering similar programs, CBO estimates that the agency would need less than $500,000 in the first year following enactment for basic planning, developing educational materials and interpretive exhibits, and coordinating federal activities with those of other interested entities. In subsequent years, CBO expects that the agency would require about $1.5 million per year to manage the network and provide assistance to participating entities under cooperative agreements. In total, CBO estimates that implementing the legislation would cost about $6 million over the 2018–2022 period and an additional $1.5 million annually thereafter; such spending would be subject to the availability of appropriated funds.
Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply, CBO estimates that enacting H.R. 1927 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 1927 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandate Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to amend title 54, United States Code, to establish within the National Park Service the African American Civil Rights Network.
