R E P O R T

[To accompany H. Res. 500]

The Committee on Rules, having had under consideration House Resolution 502, by a record vote of 9 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3354, the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2018, under a structured rule. The resolution provides two hours of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 115-31, modified by Rules Committee Print 115-32 and the amendment printed in part A of this report, shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives points of order against provisions in the bill, as amended, for failure to comply with clause 2 or clause 5(a) of rule XXI, except beginning with the colon on page 327, line 22, through “crime” on page 328, line 2; beginning with the semicolon on page 535, line 12, through “(12 U.S.C. 3907(b)(2).” on page 536, line 14; and section 7080. The resolution provides that where points of order are waived against part of a section, a point of order may only be raised against the exposed provision and not the entire section. The resolution makes in order only those further amendments printed in part B of this report, amendments en bloc

described in section 3 of the resolution, and pro forma amendments described in section 4 of the resolution. Each further amendment printed in this report may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before action thereon, shall not be subject to amendment, excepted as provided by section 4 of the resolution and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part B of this report or against amendments en bloc described in section 3 of the resolution.

Section 3 of the resolution provides that it shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of amendments printed in this report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their designees, shall not be subject to amendment, except as provided by section 4 of the resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Section 4 of the resolution provides that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 20 pro forma amendments each at any point for the purpose of debate.

Section 5 of the resolution provides that no further consideration of the bill shall be in order except pursuant to a subsequent order of the House.

Section 6 of the resolution provides that during consideration of H.R. 3354, it shall not be in order to use a decrease in Overseas Contingency Operations funds to offset an amendment that increases an appropriation not designated as Overseas Contingency Operations funds or vice versa, but does not apply to amendments between the Houses.

Section 7 of the resolution provides that it shall be in order at any time through the legislative day of September 9, 2017, for the Speaker to entertain motions that the House suspend the rules and that the Speaker or his designee shall consult with the Minority Leader or her designee on the designation of any matter for consideration pursuant to this section.

Section 8 of the resolution waives clause 6(a) of rule XIII (requiring a two-thirds vote to consider a rule on the same day it is reported from the Rules Committee) against any resolution reported from the Rules Committee through the legislative day of September 9, 2017.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes waivers of the following:

- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the

Committee on the Budget unless referred to or reported by the Budget Committee;

- Section 314(f) of the Congressional Budget Act, which prohibits the consideration of legislation that provides budget authority for a fiscal year that exceeds either of the discretionary statutory spending limits; and

- Section 3103 of S. Con. Res. 11, 114th Congress, which prohibits changes in mandatory programs in a bill making appropriations for a full fiscal year that, if enacted, would exceed the \$17,000,000,000 limit for fiscal year 2018.

The resolution includes a waiver of points of order against provisions in the bill, as amended, for failure to comply with the following:

- Clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because the bill, as amended, contains unauthorized appropriations and legislative provisions. The waiver applies to all provisions in the bill except beginning with the colon on page 327, line 22, through “crime” on page 328, line 2; beginning with the semicolon on page 535, line 12, through “(12 U.S.C. 3907(b)(2).” on page 536, line 14; and section 7080.

- Clause 5(a) of rule XXI, which provides that a bill or joint resolution carrying a tax or tariff measure may not be reported by a committee not having jurisdiction to report tax or tariff measure.

The waiver of all points of order against the amendments printed in this report or amendments en bloc described in section 3 of the resolution, includes a waiver of clause 2(c) of rule XXI, which requires that limitation amendments are to be offered at the end of the bill.

The waiver is necessary because the limitation amendments printed in this report will be offered at the end of each division. It should be noted that sponsors of such amendments complied with Rules Committee guidance when drafting amendments to the end of divisions rather than the end of the bill.
