

Administration of Barack Obama, 2015

Statement on the Death of Emma Didlake

August 17, 2015

Emma Didlake served her country with distinction and honor, a true trailblazer for generations of Americans who have sacrificed so much for their country. I was humbled and grateful to welcome Emma to the White House last month, and Michelle and I send our deepest condolences to Emma's family, friends, and everyone she inspired over her long and quintessentially American life.
