Message to the Congress on Continuation of the National Emergency With Respect to Transnational Criminal Organizations

July 19, 2017

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days of the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to significant transnational criminal organizations declared in Executive Order 13581 of July 24, 2011, is to continue in effect beyond July 24, 2017.

Significant transnational criminal organizations continue to threaten the safety of the United States and its citizens through the scope and gravity of their actions. Such organizations derive revenue through widespread illegal conduct and overwhelmingly demonstrate a blatant disregard for human life through acts of violence and abuse. These organizations often facilitate and aggravate violent civil conflicts and increasingly facilitate the activities of other dangerous persons. As the sophistication of these organizations increases, they pose an increasing threat to the United States.

The activities of significant transnational criminal organizations continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13581 with respect to transnational criminal organizations.
