MUSTERING-OUT PAYMENTS

Section 306.75 is rescinded in revision of AR 35-2490, February 20, 1946 and the following §§ 306.75 to 306.77, inclusive, are substituted therefor:

- Sec.
- 306.75 Mustering-out payments.
 - 306.76 Payments on behalf of persons discharged on account of mental disability who are not competent to sign commercial papers.

AUTHORITY: 58 Stat. 8; 38 U. S. C., Sup. IV, 691a.

§ 306.75 *Mustering-out payments—(a) To whom payable.* Except as provided in paragraph (b) of this section each member of the armed forces who shall have been engaged in active service in the present war, and who is discharged

or relieved from active service under honorable conditions on or after December 7, 1941, shall be eligible to receive mustering-out payment. See sec. 1 (a), act February 3, 1944 (58 Stat. 8; 38 U. S. C., Sup. IV, 691a).

(b) *To whom not payable.* No mustering-out payment shall be made to:

(1) Any member of the armed forces who, at the time of discharge or relief from active service, is receiving base pay at a higher rate than the base pay of the third period as prescribed in section 1 of the Pay Readjustment Act of 1942, as amended.

(2) Any member of the armed forces who, at the time of discharge or relief from active service, is transferred or returned to the retired list with retirement pay or to a status in which he receives retirement pay.

(3) Any member of the armed forces for any active service performed prior to the date of his discharge or relief from active service on his own initiative to accept employment or, in the case of any member so relieved from active service, for any active service performed prior to the date of his discharge while in such inactive status, unless he has served outside the continental limits of the United States or in Alaska.

(4) Any Air Corps Reserve officer who is entitled to receive a lump-sum payment under section 2, as amended (55 Stat. 240), of the act of June 16, 1936.

(5) Any member of the armed forces whose total period of service has been as a student detailed for training under:

(i) The Army Specialized Training Program.

(ii) The Army Air Forces College Training Program.

(6) Any member of the armed forces for any active service performed prior to the date of his discharge from such forces for the purpose of entering the United States Military Academy, the United States Naval Academy, or the United States Coast Guard Academy.

(7) Any member of the armed forces whose sole service has been as a cadet at the United States Military Academy or in a preparatory school after nomination as a principal, alternate, or candidate for admission to any of said Academies; and

(8) Any commissioned officer unless he is discharged or relieved from active service within 3 years after the termination of the present war is proclaimed by the President. See sec. 1 (b), act February 3, 1944 (58 Stat. 8; 38 U.S.C., Sup. IV, 691a).

(c) *Rates and conditions.* (1) Mustering-out payment for persons eligible under paragraph (a) of this section shall be in sums as follows:

(i) \$300 for persons who, having performed active service for 60 days or more, have served outside the continental limits of the United States or in Alaska.

(ii) \$200 for persons who, having performed active service for 60 days or more, have served no part thereof outside the continental limits of the United States or in Alaska.

(iii) \$100 for persons who have performed active service for less than 60 days. See sec. 2 (a), act February 3, 1944 (58 Stat. 9; 38 U.S.C. Sup. IV, 691b).

(2) Each person eligible to receive mustering-out payment under subparagraph (1) (i) of this paragraph shall receive one-third of the stipulated amount at the time of final discharge or ultimate relief from active service, or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment or appointment in the Regular Army; and the remaining amount of such payment shall be paid in two equal installments—1 month and 2 months, respectively, from the date of the original payment. Each person eligible to receive mustering-out payment under subparagraph (1) (ii) of this paragraph shall receive one-half of the stipulated amount at the time of final discharge or ultimate relief from active service, or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Army; and the remaining amount of such payment shall be paid 1 month from the date of the original payment. Each person eligible to receive mustering-out payment under subparagraph (1) (iii) of this paragraph shall receive the stipulated amount at the time of such discharge or relief from active service, or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Army. A person entitled to receive the first installment of the mustering-out payment at the time of discharge for the purpose of enlistment, reenlistment, or appointment in the Regular Army shall, at his election, receive the whole of such payment in one lump sum, rather than installments. See sec. 2 (b), act February 3, 1944 (58 Stat. 9; 38 U.S.C., Sup. IV, 691b), as amended by sec. 7, act 6 October 1945 (Public Law 190—79th Cong.).

(d) *Payments to personnel discharged or relieved from active service prior to February 3, 1944.* Any member of the armed forces entitled to mustering-out payment who shall have been discharged or relieved from active service under honorable conditions before the effective date of this act shall, if application therefor is made within 2 years after the date of enactment of this act, be paid such mustering-out payment by the War Department beginning within 1 month after application has been received and approved by such department: *Provided*, That no member of the armed forces shall receive mustering-out payment under this act more than once, and such payment shall accrue and the amount thereof shall be computed as of the time of discharge for the purpose of effecting a permanent separation from the service or of ultimate relief from active service, or, at the option of such member, for the purpose of enlistment, reenlistment, or appointment in the Regular Army. See sec. 3, act February 3, 1944 (58 Stat. 9; 38 U.S.C. Sup. IV, 691c), as amended by sec. 7, act 6 October 1945 (Public Law 190—79th Cong.).

(e) *Payments to survivors.* If any member of the armed forces, after his discharge or relief from active service, shall die before receiving any portion of or the full amount of his mustering-

out payment, the balance of the amount due him shall be payable, on appropriate application therefor, to his surviving spouse, if any; and if he shall leave no surviving spouse, then in equal shares to his child or children, if any; and if he shall leave no surviving spouse or child or children, then in equal shares to his surviving parents, if any: *Provided*, That no payments under this act shall be made to any other person. See sec. 4, act February 3, 1944 (58 Stat. 9; 38 U.S.C., Sup. IV, 691d).

(f) *Exemption from taxation and claims of creditors.* Mustering-out payments due or to become due under this act shall not be assignable and any payments made to or on account of a veteran hereunder shall be exempt from taxation, shall be exempt from the claims of creditors, including any claim of the United States, and shall not be subject to attachment, levy, or seizure by or under any legal or equitable process whatever either before or after receipt by the payee. See sec. 5 (a), February 1944 (58 Stat. 10; 38 U.S.C., Sup. IV, 691e (a)).

(g) *Issuance of regulations.* The Secretary of War shall make such regulations not inconsistent with this act as may be necessary effectively to carry out the provisions thereof, and the decisions of the Secretary of War shall be final and not subject to review by any court or other government official. See sec. 5 (b), act February 3, 1944 (58 Stat. 10; 38 U.S.C., Sup. IV, 691e (b)).

(h) *Payments on behalf of survivors and mentally disabled veterans.* The Secretary of War, or such subordinate officer as he may designate, is authorized to make direct payment to survivors over 17 years of age, and to select a proper person or persons to whom mustering-out payments may be made for the use and benefit of former active members of the armed forces, or survivors thereof, as defined in paragraph (e) of this section without the necessity of appointment by judicial proceedings of a legal representative of any such former member or such survivors when, in the opinion of the Secretary or his designees, the interests of the persons under 17 years of age so justify, or where the former active member or his survivor is suffering from a mental disability sufficient to make direct payment not in the best interests of such person or persons. Payments made under the provisions of this paragraph shall constitute a complete discharge of the obligation of the United States as provided in this act; and the selection of a proper person or persons, as provided herein, and the correctness of the amount due and paid to such person or persons shall have the same finality as that accorded decisions made pursuant to paragraph (g) of this section: *Provided*, That the provisions of this paragraph shall not apply where a legal guardian or committee has been judicially appointed, except as to any payments made hereunder prior to the receipt of notice of appointment. See sec. 5 (c), act February 3, 1944 (58 Stat. 10, added by act December 16, 1944) (58 Stat. 812; 38 U.S.C., Sup. IV, 691e (c)).

(i) *Statutory definitions.* (1) The term "member of the armed forces" means any member of the Army or Navy

of the United States, the United States Marine Corps, the United States Coast Guard, or any of their respective components, and any member of the Women's Army Auxiliary Corps who was discharged under honorable conditions on account of disability.

(2) The term "spouse" means a lawful wife or husband.

(3) The term "child" includes:

- (i) A legitimate child;
- (ii) A child legally adopted; and
- (iii) A stepchild, if, at the time of death of the member of the armed forces, such stepchild was a member of the deceased's household.

(4) The term "parent" includes father and mother, stepfather and stepmother, and father and mother through adoption. See sec. 6, act February 3, 1944 (58 Stat. 10; 38 U. S. C., Sup. IV, 691f).

§ 306.76 *Payments on behalf of persons discharged on account of mental disability who are not competent to sign commercial papers*—(a) *By whom made.* Mustering-out payments on behalf of persons discharged on account of mental disability who are not mentally competent to sign commercial papers will be made only by Finance Officer, U. S. Army, Washington 25, D. C.

(b) *To whom payable.* Mustering-out payments on behalf of personnel discharged on account of mental disability may be made only to the following:

(1) Legally appointed guardian or committee of the veteran when he is not mentally competent to sign commercial vouchers, or

(2) Discharged veteran, provided a guardian or committee has not been legally appointed and such an appointment is not contemplated, if a written, dated, and signed statement by a registered practicing physician is furnished to the effect that the veteran is, in the opinion of the examining physician, mentally competent to handle his own personal affairs. (The term "registered practicing physician" includes staff physicians at Government hospitals.)

(3) Where no legal guardian or committee has been appointed, and where payment cannot be made to the veteran under subparagraph (2) of this paragraph, payment is authorized to be made for the use and benefit of the mentally disabled veteran to a person selected under the provisions of § 306.75 (h).

(4) Where a veteran is hospitalized in a Veterans' Administration hospital, or is temporarily absent therefrom for convalescent purposes, the person selected to receive the payment for the use and benefit of the veteran will be the manager of such a hospital unless, in the opinion of the selecting officer, selection of some other person is warranted by the facts in a given case. If a hospital manager applies for payment on behalf of the mentally disabled veteran under his jurisdiction but, prior to the receipt of any one of the checks covering complete payment, the veteran is discharged from the facility, checks received after the veteran's departure from the facility will be returned to the Finance Officer, U. S. Army, 801 Channing Place, NE, Washington 25, D. C., accompanied by so much of the following information as is perti-

nent to the case of the individual concerned:

(a) A statement concerning the mental condition of the veteran at the time of discharge from the hospital, i. e., whether considered mentally competent to handle his own personal affairs. Statements indicating that the veteran was mentally competent to handle his own personal affairs at time of discharge from the hospital will be executed by a physician in accordance with subparagraph (2) of this paragraph.

(b) The name and address of the person in whose custody the veteran was discharged from the hospital; or

(c) The address of the veteran if discharged from the hospital in his own custody.

(ii) Where a veteran has been discharged from the Army directly to the custody of a person other than the manager of a Veterans' Administration hospital, the person selected to receive payment for the use and benefit of the veteran will be a person who, in the opinion of the selecting officer, will act in the best interests of the veteran. Selection under the provisions of this subdivision will ordinarily be made in the following order of precedence; spouse; parent; adult child; and any other properly qualified person. This order of precedence may be varied, in the discretion of the selecting officer, where the facts in a given case warrant.

(c) *Evidence required for payment.* No mustering-out payments shall be made to the persons named in paragraph (b) of this section.

(1) The discharge certificate, certificate in lieu of a lost discharge certificate, or statement of service issued in the name of the person on whose account payment is to be made, or similar evidence in the case of commissioned personnel, and

(2) Where payment is to be made to the legally appointed guardian or committee of the veteran, a copy of the instrument of appointment certified as a copy by the clerk of the court from which issued, or

(3) Where payment is to be made to the discharged veteran, a physician's statement as prescribed in paragraph (b) (2) of this section or

(4) Where payment is to be made under the provisions of paragraph (b) (3) of this section, a written and signed statement executed by the person selected to receive the payment for the use and benefit of the veteran containing a statement that the proceeds of the payment will be used for the exclusive benefit of the veteran and such other recitals and supported by such additional evidence as the selecting officer may require.

(5) Additional and/or substitute evidence is authorized, and may be required in appropriate cases in the discretion of the Finance Officer, U. S. Army, Washington 25, D. C.

(d) *Method of payment.* All mustering-out payments made under the provisions of this section will be by check. When payment is made to the legally appointed guardian or committee of the incompetent, the check issued in payment thereof will name the payee as follows:

"Richard Roe, Guardian for John Doe, 12345678," or "Richard Roe, Committee for John Doe, 12345678," as appropriate. When payment is made to a person selected to receive the payment for the use and benefit of the veteran, the check issued will name the payee as follows: "Manager, Veterans' Administration Hospital, Washington 7, D. C., for use and benefit of John Doe, 12345678," or "Richard Roe, for use and benefit of John Doe 12345678," as appropriate.

§ 306.77 *Payments to survivors*—(a) *General*—(1) *By whom made.* All mustering-out payments to survivors will be made by the Finance Officer, U. S. Army, Washington 25, D. C.

(2) *Necessity for application.* No mustering-out payment shall be made to any survivor without an appropriate written application therefor.

(3) *Definition of "balance of amount due."* The words, "balance of amount due," contained in § 306.75 (e) shall be construed to mean the full sum remaining unpaid to the veteran at the time of his death, and such sum shall be payable to a qualified survivor in a lump sum and not on an installment basis. For example if a veteran entitled to a mustering-out payment of \$300 shall die after receipt of the initial installment of \$100, the sum of \$200 shall be payable immediately to the qualified survivor.

(4) *Payments to personal representatives not authorized.* No mustering-out payment shall be made to the executor, administrator, or other person representing the veteran or any survivor, except as provided in subparagraph (6) of this paragraph.

(5) *Payments to survivors 17 years of age and over.* Direct mustering-out payments may be made to qualified survivors 17 years of age and over without the necessity of appointment by judicial proceedings of a legal representative of any such survivor except as provided in subparagraph (7) of this paragraph.

(6) *Payments to guardians and committees of survivors.* Where a survivor otherwise entitled to mustering-out payment is prevented from applying for and/or receiving such payment because of minority or mental incompetency, an application may be received from and payment made to the guardian or committee of such survivor. In such case, the check covering the payment will name the payee thereof as follows: "Richard Roe, Guardian for (name of survivor)," or "Richard Roe, Committee for (name of survivor)," as appropriate. All mustering-out payments to the guardians and committees of survivors will be made by the Finance Officer, U. S. Army, Washington 25, D. C.

(7) *Payments to selected persons for the use and benefit of mentally incompetent or minor survivors.* Where no legal guardian or committee has been appointed, and where payment cannot be made to a survivor under subparagraph (5) of this paragraph, payment is authorized to be made for the use and benefit of mentally disabled survivors who are otherwise qualified, or survivors under 17 years of age who are otherwise qualified, to a person selected under the provisions of § 306.75 (h). Such pay-

ments will not be made without a written and signed statement executed by the person selected to receive the payment for the use and benefit of the survivor containing a statement that the proceeds of the payment will be used for the exclusive benefit of the survivor and such other recitals and supported by such additional evidence as the selecting officer may require. In such cases, the check covering the payment will name the payee thereof as follows: "Richard Roe, for the use and benefit of (name of survivor)."

(b) *Payments to a spouse.* Mustering-out payment shall be made to the spouse of a deceased veteran who is otherwise entitled thereto, only if such spouse:

- (1) Shall have survived the veteran, and
- (2) Has submitted an appropriate application therefor.

(c) *Payments to a child or children.* Mustering-out payment shall be made to the child (or children) of a deceased veteran who is otherwise entitled thereto, only if such child (or children):

- (1) Shall have survived the veteran,
- (2) Have submitted an appropriate application therefor, and
- (3) The veteran shall not have been survived by a spouse.

Where payments to two or more children are to be made, separate checks will be drawn in favor of each child, or the guardian or committee of such child, if appropriate.

(d) *Payments to a parent or parents.*

(1) The word "parents" as used in § 306.75 (e) shall be construed to mean either the sole surviving parent or the surviving parents of the deceased veteran. Mustering-out payment shall be made to the parent (or parents) of a deceased veteran who is otherwise entitled thereto, only if such parent (or parents):

- (i) Shall have survived the veteran,
- (ii) Have submitted an appropriate application therefor,
- (iii) The veteran shall not have been survived by a spouse, and
- (iv) The veteran shall not have been survived by a child (or children). Natural parents of the veteran are not entitled to mustering-out payment where the veteran had been legally adopted prior to his death. Payments may be made to stepparents where natural parents are deceased, and to adoptive parents even though natural parents may be living, if otherwise entitled thereto. Persons who stood in loco parentis to the deceased veteran are not entitled to mustering-out payment. Where payments to two parents are to be made, separate checks will be drawn in favor of each parent, or the guardian or committee of such parent, if appropriate.

(2) Where both natural parents survive the veteran, and are otherwise entitled to mustering-out payment, each parent shall be entitled to one-half of the amount payable irrespective of his or her marital status.

(3) Where only one natural parent survives the veteran, and is otherwise entitled to mustering-out payment, that parent shall be entitled to the full amount payable irrespective of his or her marital status and irrespective of the survivorship of possible stepparents,

(4) Where both natural parents predecease the veteran, and stepparents survive the veteran, if the relationship of stepparent has not been terminated by divorce or remarriage, and if they are otherwise entitled to mustering-out payments, they shall be entitled to share equally in the amount payable, except that where only one stepparent survives the veteran, he or she shall be entitled to the full amount payable.

PART 1360—MOTOR VEHICLES AND MOTOR VEHICLE EQUIPMENT

[RMFR 341, Amdt. 14]

MAXIMUM PRICES FOR USED COMMERCIAL MOTOR VEHICLES

A statement of the considerations involved in the issuance of this amendment, issued simultaneously herewith, has been filed with the Division of the Federal Register.

Revised Maximum Price Regulation 341 is amended in the following respects:

1. Paragraph (a) (2) of section 6 is amended to read as follows:

(2) A transportation allowance determined in accordance with paragraph (d) of this section; and

2. Paragraph (a) (3) of section 6 is amended to read as follows:

(3) The "value when new" of any extras, determined in accordance with paragraph (e) of this section.

3. Paragraph (c) (3) of section 6 is amended to read as follows:

(3) What "value when new" covers. "Value when new" covers all parts and other equipment present on the vehicle at the time it is sold to the War Department, Department of the Navy, Marine

Corps or Coast Guard. When either the Procurement Division, Treasury Department; the Department of Commerce; Reconstruction Finance Corporation; War Assets Corporation; or any other agency of the United States Government sells a vehicle less a part or other equipment that was on the vehicle when sold new to the War Department, Department of the Navy, Marine Corps or Coast Guard, it shall deduct from the "value when new" of the vehicle the retail list price for each missing part or piece of removed equipment when new. If the retail list price of a missing part or piece of equipment when new is not ascertainable, deduct from the "value when new" of the vehicle an amount which is a reasonable estimate of the retail price of such part or equipment when new. A reseller of a vehicle from which a part or piece of equipment is missing must make the same deductions in determining the maximum price for such a vehicle.

4. Paragraph (c) under section 18 is amended to read as follows:

(c) "Extra" means any accessory or equipment designed for attachment to the used vehicle when new which is not provided for in the price of such vehicle when new. The term "extra" includes such items as oversized or special tires, special springs, special transmissions, special brakes, optional wheelbase or body frames, heaters, radios, power-take-off winches and other power-take-off equipment. The term "extra" does not include such equipment or any other equipment if it should be present on a vehicle (sold when new to the War Department, Department of the Navy, Marine Corps or Coast Guard) at the time it is sold used by the Procurement Division, Treasury Department; Department of Commerce; Reconstruction Finance Corporation; War Assets Corporation; or any other agency of the United States Government. Nor does the term "extra" include special equipment such as mixers, cranes, scoops, shovels, welding machines, compressors, and winches with independent power, or other equipment having a use not dependent on its attachment to the vehicle.

5. Appendix B is amended to read as follows:

PART 1499—COMMODITIES AND SERVICES
[SR 14A, Amdt. 23]

MILK AND MILK SUPPLIES

A statement of the considerations involved in the issuance of this amendment has been issued simultaneously herewith and filed with the Division of the Federal Register. Section 1499.73a (a) (1) (vii) is amended to read as follows:

(vii) *Maximum prices for approved fluid milk sold and delivered in the Dallas Regional area.* This subdivision (vii) of Supplementary Regulation No. 14A establishes maximum prices for approved fluid milk delivered within the geographical boundaries of Region V, including the states of Arkansas, Kansas, Louisiana, Missouri, Oklahoma, and Texas. Specific maximum prices are established for out-of-store sales, home-delivery and all other sales in containers of one gallon or less. Prices are stated for six types of areas in Region V. These areas are geographically defined in the Appendix. Specific maximum prices are also stated for approved milk in containers larger than one gallon sold to stores, hotels, restaurants, and institutions, also for retail out-of-store sales and home-deliveries. Prices are also provided for sales of approved milk by restaurants, hotels, and similar eating establishments for off-the-premises consumption, when not a part of a meal.

A formula is provided by which persons who sold premium milk during December 1942 may determine a premium to be added to the prices set out, provided they file a required report. No other person, except sellers of Homogenized Vitamin D Milk and sellers who have been licensed to sell under the Jersey Creamline or Golden Guernsey Label may add any premium for such milk unless he first obtains a price from the Dallas Regional Office of the Office of Price Administration. There is also a special method of determining maximum prices for deliveries of approved milk to the Army and Navy.

This subdivision takes the place of the seller's former ceiling prices as determined under the General Maximum Price Regulation, Maximum Price Reg-

ulation No. 280, relating to bulk sales of fluid milk to stores, hotels, restaurants and institutions, and supplementary and adjustment orders issued by the Office of Price Administration pertaining to the sale and delivery of approved milk in Region V for all deliveries of approved fluid milk in the Dallas Regional area for which specific prices or for which pricing formulae are provided by this subdivision of Supplementary Regulation No. 14A. The listed maximum prices apply only to fluid sweet milk. They are not applicable to buttermilk and chocolate or other flavored milk, maximum prices for which remain as determined under § 1499.2, General Provisions of the General Maximum Price Regulation.

(a) *Maximum prices.* The maximum prices set forth below are the maximum prices for "approved fluid milk" delivered to the buyer in the respective size containers set forth below, in the respective areas set out in the appendix, regardless of the quantities sold or delivered, the seller's classification of purchasers, or the material from which the container was made.

(1) *Table of prices.* (On sales in containers larger than one gallon the price stated is per gallon. In all other instances the price stated is determined by the container used assuming that the container is full. Maximum prices for sales to the Army and Navy are set forth in subparagraph (5) below).

(i) *Containers of one gallon or smaller—(a) Retail out-of-store sales or home deliveries, and when sold by restaurants, hotels, and other eating establishments as a separate item for consumption off the premises and not as part of a meal.*

½ Pint.....	5½	5½	5	5	5	5

(b) *Sales to stores and all other sales not specifically treated (except Army or Navy).*

¾ quart.....	5	4½	4½	4½	4½	4
½ pint.....	4	3½	3½	3½	3½	3½

(ii) *Containers larger than one gallon.* (a) The maximum prices for sales to stores, hotels, restaurants and institutions and retail out-of-store sales and home-deliveries in containers larger than one gallon (except Army or Navy sales) are:

Size of container	Area A	Area 1A	Area 1	Area 2A	Area 2	Area 3
	Cents	Cents	Cents	Cents	Cents	Cents
Per gallon.....	50	48	46	44	42	40

(iii) *Sales of milk by restaurants, hotels, and other eating establishments.* The maximum prices for sales at retail by eating or drinking establishments (as defined in Restaurant Maximum Price Regulation No. 2) of "approved fluid milk," as a separate item and not as part of a meal, for consumption off the premises, are the maximum prices set forth in the retail out-of-store schedule in paragraph (a) (1) (i) (a) above. Maximum prices for sales at retail by eating or drinking establishments of "approved fluid milk," for consumption on the premises, or a part of a meal for consumption off the premises, are determined under Restaurant Maximum Price Regulation No. 2.

(2) *Premium milk.* (i) A person who sold premium milk during December, 1942, shall determine the maximum prices for such milk as follows:

Take the highest price (before all discounts or quantity differentials have been deducted) at which he sold each different kind, grade, quality, or quantity of premium milk during December 1942, at wholesale, out-of-store or delivered-to-the-home, respectively.

Next, subtract from each of these prices the highest price (before discounts or quantity differentials have been deducted) at which he sold other approved fluid milk during December 1942 in containers of the same size at wholesale, out-of-store, or delivered-to-the-home. The differentials thus obtained shall be the premium for each size container and type of sale. These premiums may be added to the specific maximum prices for standard non-premium milk fixed by this area adjustment; *Provided*, That the seller, on or before April 10, 1943, shall file a report with the Regional Office of the Office of Price Administration, Dallas, Texas, showing:

(a) The total quantity, expressed in quarts, of approved fluid milk sold by such seller during December, 1942;

(b) The types of premium milk sold by such seller during December, 1942;

(c) The differential at which he sold each type of such milk during December, 1942; and

(d) The total quantity, expressed in quarts, of each type of premium milk which he sold during December, 1942.

The Regional Office of Price Administration, Dallas, Texas, may correct the prices so reported and may revise any such prices if the differential reported is higher than that generally prevailing during December, 1942, in the local market area or an adjoining area.

(ii) A seller of approved fluid milk who did not sell premium milk, or who sold only premium milk during December, 1942, may not add any premium to the maximum prices established under this area adjustment unless he first files an application in writing in duplicate with the Regional Office of the Office of Price Administration, Dallas, Texas, for permission to sell such premium milk at prices requested, and has been granted a price at which to sell such premium milk under an appropriate order issued by such Regional Office; *Provided*, That on and after March 30, 1946, any seller may sell Homogenized milk fortified with Vitamin D and Jersey Creamline and

18 F.R. 9835, 9885, 10514, 12793, 13060, 13724, 15259, 15705, 16604, 16428, 16919, 17199; 9 F.R. 343, 1328, 2176, 3655, 4985, 5586, 6451, 9996, 10358, 14017, 15108; 10 F.R. 1974.

Golden Guernsey milks (if the two latter types are sold under the terms of a currently valid license) as premium milks at a premium differential of one cent per quart above the seller's established price for standard milk, and provided further that such seller shall file a report with the Regional Office of the Office of Price Administration, Dallas, Texas, within ten days after the first sale of each of said three types of milk, showing (a) the date of sale, (b) type of milk sold, (c) the seller's price for standard milk, (d) the seller's maximum price established hereunder, (e) class of purchaser, (f) place of sale, (g) copy of current license in the cases of Jersey Creamline and Golden Guernsey.

Any application filed pursuant to the foregoing subdivision (ii) shall contain the following:

(1) A description of the different types of premium milk sold in the area in which the applicant desires to establish maximum prices for premium milk. If no premium milk is sold in the area served by the seller, the application shall so state.

(2) The maximum prices of such premium milk established pursuant to paragraph (2) by other sellers of premium milk in the area served by the applicant;

(3) A specific description of the kind, grade and quality of the premium milk or milks concerning which the application is made.

(4) A full and complete statement of the reasons justifying the application for classifying such milk as premium milk. It shall include a full statement showing that a denial of the application will result in substantial hardship to the applicant; and

(5) The amount of premium differential requested.

(3) *Certain sales in adjoining areas where higher maximum prices are established within Region V.* A seller who distributes 50 percent or more of the total volume of approved fluid milk handled by him in any area for which the listed specific maximum prices for containers of one gallon or less for a particular type of sale are higher than that for another area into which he delivers less than 50 percent of his milk may charge the maximum prices applicable to the higher priced area; *Provided*, That the milk is approved for sale for human consumption under the sanitary, health and other local requirements of the area into which more than 50 percent of his total sales occur;

Provided, further, That such seller shall within 30 days after the effective date of this Regulation file with the Regional Office of the Office of Price Administration, Region V, Dallas, Texas, a report giving the location of such seller's plant or establishment, a statement showing that he does sell 50 percent or more of his approved fluid milk in such area, and a list of all cities, towns, or communities outside of such area into which he delivers such milk.

A seller who purchases approved fluid milk in containers of one gallon or less in one area for which the applicable listed maximum prices are higher than

for another area in which he makes deliveries may charge purchasers of such milk the maximum resale prices applicable to the area from which he receives his supply. The seller shall file the name and address of his supplier and the names of each city, town or community in which he resells.

Any retailer purchasing such milk for resale may likewise use the maximum price established for the area where the supplier sell 50 percent or more of his approved fluid milk.

(4) *Maximum prices for sales in West Memphis, Arkansas, and Marion, Arkansas.* The maximum prices for the sale of approved fluid milk in West Memphis, Arkansas, and Marion, Arkansas shall be the maximum prices established by any regulation or order of the Office of Price Administration for any comparable seller of approved fluid milk in the City of Memphis, Tennessee.¹

(5) *Sales to Army and Navy.* Unless the seller has entered into a contract prior to March 13, 1943,² and commenced deliveries under such contract prior to that date, the maximum price for sales or deliveries to the Army or Navy in the Dallas Regional Area shall be:

(i) *Where the seller is located within the Dallas Regional Area.* The maximum price shall be the foregoing listed maximum price for a particular size container applicable to sales to stores in the area wherein such plant is situated, plus a premium of ½ cent per quart, or a proportionate amount for a part of a quart, or, at the election of such seller, the actual transportation costs from such plant to destination not to exceed lowest common carrier rates. In the event the seller elects to add the transportation costs in lieu of the ½ cent premium he shall, within 10 days after entering into any contract with the Army or Navy, or the making of the first delivery to a camp, post, or other Army or Navy destination, where no contract is entered into, file with the Regional Office of the Office of Price Administration, Dallas, Texas, a statement showing the transportation charges which he proposes to add, together with the method of computing them, the location of the plant, and the destination of such milk.

(ii) *Where the plant of the seller is located outside of the Dallas Regional area.* The maximum price shall be the maximum wholesale price for sales to stores, hotels, restaurants, and institutions established for the particular seller by an applicable regulation or order issued by the Office of Price Administration, plus ½ cent per quart or, at the election of such seller, such wholesale price plus the actual transportation cost from the seller's plant to destination not to exceed the lowest common carrier rates. In the event the seller elects to use such wholesale price plus transportation costs, he shall, within 10 days

¹ *Sales in Memphis, Tennessee.* Maximum prices for sales in the City of Memphis, Tennessee, are not provided for in this subdivision of Supplementary Regulation No. 14A.

² *Sales and deliveries to Army or Navy under contract entered into prior to March 13, 1943.* Maximum prices for deliveries under such contracts are not affected by this subdivision.

after entering into any Army or Navy contract or making the first delivery to a particular camp, post, or other Army or Navy destination, where no contract is entered into, file with the Regional Office of the Office of Price Administration, Dallas, Texas, a statement showing such wholesale price, and the transportation charges which he proposes to add to such price, together with the method of computing them, the location of his plant, and the destination of such milk.

(iii) The ½ cent per quart premium provided for Army or Navy sales shall apply to any type of container in which the "approved fluid milk" is delivered.

(iv) The Regional Office of the Office of Price Administration, Dallas, Texas, may correct any price so determined.

(6) *Fractional cents.* On sales of one unit, wherein the price specified in this subparagraph of Supplementary Regulation No. 14A, contains a fractional cent, the seller may adjust the price upward to the nearest cent. On sales of more than one unit, where the unit price is expressed in a fraction of a cent, the exact price established by this subparagraph shall be multiplied by the number of units. If such computations result in a fractional cent, the total shall be adjusted up or down to the nearest cent; and in such adjustment a half-cent may be adjusted upward to the nearest cent. "Home deliveries" shall be considered multiple unit sales unless separate collections are made for single units delivered.

(b) *Definitions.* (1) "Approved fluid milk" means fluid cow's milk, whether raw or pasteurized, meeting the minimum butterfat content, sanitary and health requirements for fluid milk for human consumption in the particular area wherein it is delivered, including standards set by the Army or Navy Purchasing Officer making purchases for the Armed Forces of the United States.

(2) "Premium milk" means any of the following: Certified milk; Homogenized milk whose Vitamin D content has been artificially increased; any other approved fluid milk for which the particular seller customarily charged a premium during December 1942 in excess of such seller's established maximum price for his standard and approved fluid milk; any other milk which has been classified as a premium milk, prior to the date of sale, by an order issued by the Dallas Regional Office of the Office of Price Administration; or Jersey Creamline milk and Golden Guernsey milk when sold under the terms of a currently valid license.

(3) "Sales to the Army and Navy" shall include deliveries in the Dallas Regional area to the Armed Forces of the United States, including deliveries to Post Exchanges, Officers' Messes and Ship stores.

(4) "Dallas Regional Area" means the territory lying within the geographical boundaries of the following states: Arkansas, Kansas, Louisiana, Missouri, Oklahoma, and Texas.

(5) "City, town, county, parish and township" means all of and only the territory lying with the geographical boundaries of a named city, town, county, parish or township, as the case may be.

"City, town" shall include incorporated and unincorporated cities, towns, and villages.

(6) "Area", unless the context manifestly requires, means the territory lying within the geographical boundaries of any city, town, or other community listed in the appendix. However, where in the appendix the phrase "all other localities" appears, it shall embrace all sellers in such localities whether or not they are actually located in an incorporated or unincorporated city, town or village.

(c) Exemptions. The maximum prices set by this subdivision do not apply to buttermilk and chocolate or other flavored milk. The listed maximum prices are applicable only to fluid sweet milk.

(d) Adjustment of established maximum prices. The Regional Office of Region V of the Office of Price Administration, Dallas, Texas, may also, upon application of any seller or group of sellers, or on its own motion, adjust any maximum price established under this subdivision (vii) of Supplementary Regulation No. 14A, in accordance with the adjustment provisions of § 1499.75 (a) (9) of Supplementary Regulation No. 15 to the General Maximum Price Regulation and § 1351.807 of Maximum Price Regulation No. 280.

WASHINGTON, D. C., MILK MARKETING AREA NOTICE OF HEARING ON HANDLING OF MILK

Proposed amendments to the tentatively approved marketing agreement, as amended, and to the order as amended, regulating the handling of milk in the Washington, D. C., milk marketing area.

Pursuant to the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.), and in accordance with the applicable rules of practice and procedure, as amended (7 CFR, Cum. Supp., 900.1 et seq., 10 F.R. 11791), notice is hereby given of a hearing to be held at Jefferson Memorial Auditorium, South Agriculture Building, United States Department of Agriculture, Washington, D. C., beginning at 10 a. m., e. s. t., April 1, 1946.

Such hearing to be held at the time and place indicated is for the purpose of receiving evidence with respect to the economic or marketing conditions relating to the proposed amendments as hereinafter set forth to the tentatively approved marketing agreement, as amended, and to the order, as amended, regulating the handling of milk in the Washington, D. C., milk marketing area. These amendments have not received the approval of the Secretary of Agriculture. The proposed amendments are:

I. *Proposed by Maryland and Virginia Milk Producers' Association, Inc.* a. Amend paragraph (a) § 945.7 to read as follows:

§ 945.7 *Minimum prices*—(a) *Class prices*. Each handler shall pay not less than the following prices per hundredweight of 4 percent milk, subject to (b), (c), (d), (e), and (f) of § 945.10 for milk received from producers and associations of producers at a producer milk plant.

(1) *Class I*. The price for Class I milk shall be \$4.60 and if Federal subsidies to producers are discontinued plus \$.62 or

the amount computed pursuant to (4) of this paragraph.

(2) *Class II*. The price for Class II milk shall be \$3.55 and if Federal subsidies to producers are discontinued plus \$.62 or the amount computed pursuant to (4) of this paragraph.

(3) (No change in Class III.)

(4) If dairy production subsidies are continued, but at rates lower than the rates paid in 1945, the Class I and Class II prices shall be increased by the amount per hundredweight by which Federal subsidy payments to producers in any delivery period are less than the Federal subsidy, including drought payments, paid in the corresponding delivery period of the calendar year 1945.

b. Amend subparagraph (2) paragraph (c) of § 945.10 by adding the following to the sentence: "Provided, That no deduction shall be made if numerical farm scores are not assigned such producers by the Maryland Health authorities."

NOTE: This proposal could be accomplished by appropriate amendment of § 945.10 (d), and this alternative may be considered at the hearing.

II. *Proposed by W. H. Fulks, a producer*. Eliminate § 945.10 (g) which provides for the deduction of 30 cents per hundredweight from producers' payments in April, May and June for the purpose of establishing a seasonal adjustment fund that is paid out to producers on the basis of their deliveries in September, October, and November.

III. *General proposal by Dairy Branch, Production and Marketing Administration*. Make such other changes as may be required to make the entire marketing agreement and order conform with any amendments thereto that may result from this hearing.

Copies of this notice of hearing and of the tentatively approved marketing agreement, as amended, and of the order, as amended, now in effect may be procured from the Market Administrator, 1731 Eye Street NW., Washington, D. C., or may be there inspected.

GREATER KANSAS CITY MARKETING AREA NOTICE OF PROPOSED AMENDMENTS WITH RESPECT TO HANDLING OF MILK

Notice of report and opportunity to file written exceptions on proposed amendments to the order (No. 13), as amended, and to a proposed marketing agreement, regulating the handling of milk in the Greater Kansas City marketing area.

Pursuant to the rules of practice and procedure governing proceedings to formulate marketing agreements and marketing orders, as amended (7 CFR, Cum. Supp., 900.1 et seq., 10 F.R. 11791), notice is hereby given of the filing with

the hearing clerk of the report of the Assistant Administrator for Regulatory and Marketing Service Matters, Production and Marketing Administration, United States Department of Agriculture, with respect to proposed amendments to the Order, as amended, and to a marketing agreement, regulating the handling of milk in the Greater Kansas City marketing area, to be made effective pursuant to the provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.). Interested parties may file exceptions to this report with the Hearing Clerk, Office of the Solicitor, Room 1331, South Building, United States Department of Agriculture, Washington 25, D. C., not later than the close of business on the 10th day after the publication of this report in the FEDERAL REGISTER. Exceptions should be filed in quadruplicate.

The public hearing, on the record of which the proposed amendments were formulated, was initiated by the Production and Marketing Administration, United States Department of Agriculture, following receipt of petitions filed by the Pure Milk Producers' Association of Greater Kansas City, the Leavenworth Cooperative Pure Milk Association, and the Bates County Milk Producers' Association, and was held at Kansas City, Missouri, January 16, 1946, following a notice of hearing, dated January 8, 1946.

The issues developed at the hearing were concerned with (1) inclusion in the order of seasonal price adjustments price whereby a deduction is made in the computation of the uniform price in the months of heavy production, and the amount deducted and withheld is then paid to producers during the months of short production and (2) with deletion of the "base-rating plan" from the order.

The conclusions reached with respect to these issues, together with some of the supporting reasons for such conclusions, are set forth below:

1. A provision should be included in the order with respect to a plan of seasonal price adjustments whereby a deduction is made in the computation of the uniform price in the months of heavy production and the amount deducted is paid to producers during the months of short production.

2. The provisions of the order with respect to the "base-rating plan" should be deleted from the order. These provisions of the order have been in suspension for the past few years and probably could not be made effective again without additional amendments to the order.

The purpose of the plan is to encourage producers to shift part of their production from the spring to the fall months. The record indicates that there has been, during the last four years, a great deterioration in the seasonal production pattern on the Kansas City market, and virtually all of the increased supply of milk since 1941 has been produced during the spring months, while the increase in demand for milk on the market, has been virtually uniform throughout the year. Accordingly, at the present time this market is extremely short of milk during the fall and winter months, yet has a sizeable surplus during the late spring and early summer.

The proposed plan has been advanced as the means most likely to accomplish the desired shift in production as it would result in a financial incentive for fall and winter production. It was indicated that payment directly by the market administrator would make the plan more effective than would payment through the handler in the form of a higher uniform price and that the receipt of two checks would serve to emphasize the higher price producers were receiving for fall milk and would result in more producers shifting over to fall production.

The following proposed amendments are recommended as the detailed means by which these conclusions may be carried out. The proposed marketing agreement is not included in this report because the proposed amendments applicable to it would be the same as those set forth below with respect to the order, as amended, and recommended to be amended.

1. Delete § 913.3 (a) (7) and renumber (8), (9), and (10) respectively as (7), (8), and (9).

2. Delete § 913.5 (a) (2) and renumber (3), (4), (5), (6), (7), and (8) respectively as (2), (3), (4), (5), (6), and (7).

3. Delete § 913.10 and renumber §§ 913.11, 913.12, 913.13, 913.14, and 913.15 respectively as §§ 913.10, 913.11, 913.12, 913.13 and 913.14.

4. Delete in § 913.4 (c) (2) "913.13" and substitute therefor the following: "913.12."

5. Delete in § 913.4 (c) (4) "913.11" and substitute therefor the following: "913.10."

6. Delete in § 913.5 (d) (3) "913.11" and substitute therefor the following: "913.10."

7. Delete in § 913.7 (a) "913.11" and substitute therefor the following: "913.10."

8. Delete in § 913.8 (a) "913.12, and 913.13" and substitute therefor the following: "and 913.12."

9. Delete in § 913.9 (a) (5) "913.11" and substitute therefor the following: "913.10."

10. Amend § 913.9 (b) to read as follows:

(b) *Computation and announcement of the uniform price.* The market administrator shall compute and announce the uniform price per hundredweight of milk received during each delivery period in the following manner:

(1) Combine into one total the net pool obligations computed pursuant to (a) of this section of all handlers who made the reports prescribed by § 913.5 and who made the payments prescribed by § 913.10 for the previous delivery period;

(2) Add the amount of the location differentials applicable pursuant to § 913.10 (d);

(3) For each of the delivery periods of May, June, and July, subtract an amount, equal to 20 cents per hundredweight of the total amount of milk received by handlers from producers and included in these computations, to be retained in the producer-settlement fund

for the purpose specified in § 913.10 (h) (2);

(4) Add an amount equal to one-half of the unobligated balance in the producer-settlement fund;

(5) Divide by a figure equal to the total hundredweight of milk received by handlers from producers and included in these computations;

(6) Subtract from the figures computed pursuant to (5) of this paragraph not less than 4 cents nor more than 5 cents for the purpose of retaining in the producer-settlement fund a cash balance to provide against errors in reports and payments or delinquencies in payments by handlers. This result shall be known as the uniform price for such delivery period for the milk of producers containing 3.8 percent butterfat; and

(7) On or before the 10th day after the end of such delivery period, mail to all handlers (i) such of these computations as do not disclose information confidential pursuant to the act; (ii) the uniform price per hundredweight computed pursuant to (6) of this paragraph; (iii) the prices for Class I milk, Class II milk, and Class III milk; and the butterfat differentials computed pursuant to § 913.7 (c) and § 913.10 (c).

11. Amend § 913.10 (a) to read as follows:

(a) *Time and method of payment.* On or before the 12th day after the end of each delivery period, each handler, after deducting the amount of the payment made pursuant to (b) of this section, and subject to the differentials set forth in (c) and (d), respectively, of this section, shall make payment to producers at the uniform price per hundredweight computed pursuant to § 913.9 (b) for the total quantity of milk received from such producers.

12. Amend § 913.10 (d) to read as follows:

(d) *Location differentials.* For milk received from producers at plants approved by any applicable health authority for the receiving of milk to be sold or disposed of as milk or cream in the marketing area and located outside the marketing area but more than 30 miles by the shortest highway route from such handler's plant approved by an applicable health authority for the receiving of milk to be sold or disposed of as milk or cream in the marketing area and located within the marketing area, each handler, in making payments pursuant to (a) of this section shall deduct, with respect to all milk received from such producers, the amount per hundred weight specified for the distance of such plant located outside the marketing area from such handler's plant located within the marketing area, as follows: not more than 45 miles, 17 cents per hundred weight; for each additional 10 miles or fraction thereof up to 75 miles, an additional 1½ cents per hundredweight; and for each additional 10 miles or fraction thereof beyond 75 miles, an additional ½ cent per hundredweight.

13. Amend the last sentence in § 913.10 (f) to read as follows:

Immediately after computing the uniform price for each delivery period, the market administrator shall compute the amount by which each handler's net pool obligation is greater or less than the sum required to be paid producers pursuant to this section by such handler, and shall enter such amount on such handler's account as such handler's pool debit or credit, as the case may be, and render such handler a transcript of his account.

14. Amend § 913.10 (h) by inserting the figure "(1)" after the heading of such paragraph, and adding as subparagraph (2) the following:

(2) On or before the 15th day after the end of each of the delivery periods of October, November, and December, the market administrator shall pay out of the producer-settlement fund to each producer an amount computed as follows: divide one-third of the total amount held pursuant to § 913.9 (b) (3) by the hundredweight of milk delivered by producers during the delivery period involved (October, November, or December, as above) and apply the resulting amount per hundredweight to the milk of each producer for such delivery period: *Provided*, That payments under this subparagraph due any producer who has given authority to a cooperative association which is qualified pursuant to § 913.11 (b), to receive payment for his milk shall be distributed to such cooperative association if the cooperative association requests receipt of such payment.

15. Delete in § 913.11 (a) "913.11 (a) (1) and (a) (2)" and substitute therefor the following: "913.10 (a)."

16. Delete in § 913.11 (b) "913.11 (a) (1) and (a) (2)" and substitute therefor the following: "913.10 (a)."

This report filed at Washington, D. C., this 22d day of March 1946.

(a) *Maximum prices for the Capitol Brass Works, Division of Bohn Aluminum and Brass Corporation, Detroit, Michigan.* (1) The above-mentioned manufacturer may determine his maximum prices for his line of radiator valves, radiator return elbows, sill faucets, boiler drains, stop, stop and waste valves by increasing by 16 percent his prices on these items in effect on October 1, 1941, to each class of purchaser, rounded to the nearest cent.

(a) *Manufacturer's ceiling prices.* Welbilt Stove Company, Inc., 57-18 Flushing Avenue, Maspeth, L. I., New York, may compute its adjusted ceiling prices for all articles of the line of gas ranges which it manufactures, as follows:

(1) For an article which has a properly established ceiling price in effect before the effective date of this order, the adjusted ceiling price is the article's properly established ceiling price for the particular sale (exclusive of all permitted increases or adjustment charges) increased by 13.7 per cent.

(2) For an article which is first offered for sale after the effective date of this order, the adjusted ceiling price is the ceiling price (exclusive of all permitted increases or adjustment charges) hereafter properly determined or established in accordance with sections 3, 7, or 8 of Maximum Price Regulation No. 64, increased by 13.7 per cent; or the ceiling price determined in accordance with section 5 of Maximum Price Regulation No. 64 which price may not be increased under this order.

(3) The manufacturer's adjusted ceiling price fixed in accordance with this order is his new ceiling price if it is higher than his previously established ceiling price including all increases and adjustments otherwise authorized for him individually or for his industry.

(b) *Wholesalers' ceiling prices.* Wholesalers' ceiling prices in the zones listed below for sales to retailers of the models of gas ranges listed below manufactured by the Welbilt Stove Company, Inc., are as follows:

CEILING PRICES FOR SALES BY WHOLESALERS TO RETAILERS

(c) *Retailers ceiling prices.* For sales in each zone by retailers other than mail order houses to ultimate consumers of the models listed below the ceiling prices including the Federal excise tax but not including any state or local taxes imposed at the point of sale are as follows:

G 365	83.25	85.50	96.25	98.25	101.95

The above ceiling prices include delivery and installation. If the retailer does not provide installation he shall compute his ceiling price by subtracting \$6.00 from his ceiling price as shown above for sales on an installed basis. In all other respects these prices are subject to each retail seller's customary terms, discounts, allowances, and other price differentials in effect on sales of similar articles.

(d) *Notification.* At the time of, or prior to the first invoice to each purchaser for resale at wholesale after the effective date of this order, the manufacturer shall notify the purchaser in writing of the ceiling prices and conditions set by this order for resales by the purchaser. This notice may be given in any convenient form.

[MPR 594, Order 17]

NASH-KELVINATOR CORP.

AUTHORIZATION OF MAXIMUM PRICES

The Nash-Kelvinator Corporation has applied to the Office of Price Administration for increases in its maximum reconversion prices for new passenger automobiles to reflect recent wage increases. The Office of Price Administration now has that application under consideration, and expects to make a determination thereon very shortly.

The company has requested that it be granted an adjustable pricing order under section 18, Maximum Price Regulation 594 to permit it to charge the maximum prices now in effect with the understanding that they may be adjusted upwards in accordance with any action taken by the Office of Price Administration subsequent to the deliveries of the new passenger automobiles.

It appears to the Administrator that until the effective date of the action he takes on Nash-Kelvinator Corporation's request for increases in maximum prices to compensate for recent increases in wages, adjustable pricing should be authorized under section 18, Maximum Price Regulation 594 to promote the production and distribution of new passenger automobiles manufactured by the Nash-Kelvinator Corporation. Furthermore, the Administrator is of the opinion that this adjustable pricing authority should

extend to sales by resellers of all automobiles distributed by the Nash-Kelvinator Corporation from March 21, 1946, until the effective date of the action taken by the Administrator on the Nash-Kelvinator Corporation's request for increases in maximum prices to compensate for increases in wages.

In these circumstances, and pursuant to section 18 of Maximum Price Regulation 594, *It is ordered:*

(a) With respect to Nash new passenger automobiles having maximum reconversion prices under Order 11 to Maximum Price Regulation 594 which the Nash-Kelvinator Corporation delivers from March 21, 1946, to the effective date of the Administrator's action on its request for an increase in maximum prices to compensate for recent increases it has given in wages, the Nash-Kelvinator Corporation is authorized to charge maximum prices established in Order 11 to be adjusted upwards after deliveries by the amount of the increases which the Administrator may authorize in such prices.

(b) Resellers which have franchise agreements with the Nash-Kelvinator Corporation and zones or distributors of the Nash-Kelvinator Corporation for resale of Nash new passenger automobiles may sell, during the period from March 21, 1946, to the effective date of the Administrator's action on the Nash-Kelvinator Corporation's request for an increase of maximum prices to compensate for recent increases it has given in wages, such of those automobiles as are invoiced to the reseller at adjustable maximum prices in accordance with paragraph (a) above at applicable resale maximum prices authorized in Order 11 to Maximum Price Regulation 594 to be adjusted upwards by the amounts of increases that the Administrator may authorize in such prices subsequent to the deliveries of the automobiles to purchasers.

(c) This adjustable pricing order shall not have any force or effect on and after the effective date of the action taken by the Price Administrator on Nash-Kelvinator Corporation's request for increases in maximum prices authorized under section 9b of Maximum Price Regulation 594 to compensate for recent increases the company has given in wages.

(d) This order may be amended or revoked by the Price Administrator at any time.

This Order No. 17 shall become effective as of March 21, 1946.

Issued this 22d day of March 1946.

Acting Administrator.

Regional and District Office Orders.

[Region IV Order G-6 Under Gen. Order 68]

SOFTWOOD PLYWOOD IN VIRGINIA, NORTH CAROLINA, SOUTH CAROLINA, TENNESSEE, GEORGIA, AND FLORIDA

Order No. G-6 issued pursuant to General Order No. 68. Maximum prices for retail sales of softwood plywood in the area hereinafter described, Docket No. IV-GO 68-6.

For the reasons set forth in the opinion issued simultaneously herewith and pursuant to the provisions of General Order 68, *It is ordered:*

SECTION 1. *What this order covers.* This order covers all retail sales by the type sellers of softwood plywood specified in Tables I-A, I-B, II-A, and II-B delivered to a purchaser in the area hereinafter more specifically described: That portion of Region IV to which the carload freight rate from Seattle, Washington, is 94½¢ per CWT., i. e.: the State of Virginia, the State of North Carolina, the State of South Carolina; that portion of the State of Tennessee lying east of, but not including, Campbell, Union, Knox, Loudon, McMinn and Bradley counties; that portion of the State of Georgia lying east of, but not including, Murray, Gilmer, Dawson, Forsyth, Gwinnett, Rockdale, Henry, Spalding, Meriwether, Talbot, Marion, Webster, Terrell, Calhoun, Baker and Decatur counties; that portion of the State of Florida lying east of, but not including, Jackson, Calhoun and Gulf counties.

SEC. 2. *Definition of retail sales.* For the purposes of this order, a retail sale means any sale to an ultimate user, including, among others, commercial users, industrial users, and contractors, except where the sale is made by a plywood

manufacturer, or a distribution plant which in 1941 received more than 20% of its dollar income from the sales of plywood or veneer of any kind. These latter types of sales remain subject to the provisions of 3d Revised Maximum Price Regulation 13.

SEC. 3. *Description of types of sellers covered by this order.* This order covers two types of sellers at retail, viz:

(a) *Class I retailers.* Class I retailers are those who, since June 20, 1945, purchased or purchase at least one carload of softwood plywood on direct-mill shipment. (Any shipment which comes directly from the mill without becoming an integral part of the stock of a distribution plant or retail yard is a direct-mill shipment, no matter who the seller is.)

(b) *Class II retailers.* Class II retailers are all other retail sellers, principally those who buy their plywood from distribution plants.

SEC. 4. *Description of plywood covered by this order.* For the purpose of this order all items of plywood priced under the provisions of 3d Revised Maximum Price Regulation 13 are covered by this order. (Sales of hardwood plywood, also all species of softwood plywoods not priced under 3d Revised Maximum Price Regulation 13, are not covered by this order. Such species continue to be subject to pricing under the applicable regulations for the species.)

SEC. 5. *Relation to other regulations.* The maximum prices fixed by this order supersede any maximum price or pricing method previously fixed by any other regulation or order. Except to the extent they are inconsistent with the provisions of this order, all other provisions of 3d Revised Maximum Price Regulation 13 shall apply to sales covered by this order.

SEC. 6. *Maximum prices.* The maximum prices for softwood plywood covered by this order are set forth in Tables I-A, I-B, II-A and II-B which are annexed to and made a part of this order.

SEC. 7. *Additions for delivery.* If the buyer requests delivery in a free delivery zone which the seller recognized during March 1942, the seller may not charge for making the delivery. No deduction need be made, however, if the purchaser elects to make his own delivery within the free delivery zone. If, on the other hand, delivery is made outside this free delivery zone, the seller may add for delivery as prescribed in sections 4 and 5 of 3d Revised Maximum Price Regulation 13, viz: the amount computed by multiplying the estimated weights set forth in section 22 by the applicable freight rate.

SEC. 8. *Posting of maximum prices.* Every seller making sales covered by this order shall post a copy of Tables I-A, I-B, II-A and II-B which list maximum prices fixed by this order in each of his places of business in the above designated area in a manner plainly visible to all purchasers.

SEC. 9. *Sales slips and records.* Every seller covered by this order who has customarily given his customers a sales slip or other evidence of purchase must con-

tinue to do so. Upon request from a customer such seller, regardless of previous custom, shall give the purchaser a receipt showing the date, name and address of the seller, the description of each item sold and the price received for it. If he customarily prepared his sales slips in more than one copy, he must keep for at least six months after delivery a duplicate copy of each sales slip delivered by him pursuant to this section.

For any sale of \$50.00 or more each seller, regardless of previous custom, must keep records showing at least the following:

- (1) Name and address of the buyer.
- (2) Date of transaction.
- (3) Place of delivery.
- (4) Complete description of each item sold and price charged.

SEC. 10. *Amendment.* This order may be amended or revoked at any time by the Office of Price Administration.

This Order No. G-6 shall become effective February 28, 1946.

Issued this 15th day of February 1946.

Regional Administrator.
