BILLING CODE 6450-01-M

Morgantown Energy Technology Center; Notice of Intent To Grant Partially Exclusive Patent License

AGENCY: Department of Energy (DOE), Morgantown Energy Technology Center (METC).

ACTION: Notice.

SUMMARY: Notice is hereby given of an intent to grant to Industrial Filter and Pump Manufacturing Company of Cicero, Illinois, a partially exclusive license to practice, limited to applications in the chemical process industry, the invention described in U.S. Patent No. 5,167,676, titled "Apparatus and Method for Removing Particulate Deposits From High Temperature Filters."

The Department may grant exclusive or partially exclusive licenses in Department-owned inventions, if it determines that the desired practical application of the invention has not been achieved, or is not likely expeditiously to be achieved, under a nonexclusive license.

DATE: Written comments or nonexclusive license applications are to be received at the address listed below no later than March 13, 1995.

ADDRESSES: Technology Transfer Program Division, U.S. Department of Energy, Morgantown Energy Technology Center, P.O. Box 880, Morgantown, WV 26505.

FOR FURTHER INFORMATION: Lisa A. Jarr, Technology Transfer Program Division, U.S. Department of Energy, Morgantown Energy Technology Center, P.O. Box 880, Morgantown, WV 26505-0880, Telephone: (304) 285-4555.

SUPPLEMENTARY INFORMATION: Industrial Filter and Pump Manufacturing Company of Cicero, Illinois, has applied for a partially exclusive license to practice the invention embodied in U.S. Patent No. 5,167,676, and has a plan for commercialization of the invention.

The invention is owned by the United States of America, as represented by the Department of Energy (DOE). The proposed license will be partially exclusive, subject to a license and other rights retained by the U.S. Government, and other terms and conditions to be negotiated. DOE intends to grant the license, upon a final determination in accordance with 35 U.S.C. 209(c), unless within 60 days of this notice the Technology Transfer Program Division, Department of Energy, Morgantown Energy Technology Center, Morgantown, WV 26505, receives in writing any of the following, together with supporting documents:

(i) A statement from any person setting forth reasons why it would not be in the best interest of the United States to grant the proposed license; or

(ii) An application for a nonexclusive license to the invention, in which applicant states that it already has brought the invention to practical application or is likely to bring the invention to practical application expeditiously, for application in the chemical process industry.

The proposed license will be partially exclusive, i.e. limited to application in the chemical process industry, subject to a license and other rights retained by the U.S. Government, and subject to a negotiated royalty. The Department will review all timely written responses to this notice, and will grant the license if, after expiration of the 60-day notice period, and after consideration of written responses to this notice, a determination is made, in accordance with 35 U.S.C. 209(c), that the license grant is in the public interest.

Issued in Washington, DC, this 4th day of January, 1995.

Thomas F. Bechtel,

Director, METC.

Office of Energy Research

Basic Energy Sciences Advisory Committee Renewal

Pursuant to section 14(a)(2)(A) of the Federal Advisory Committee Act and in accordance with title 41 of the Code of Federal Regulations, § 101-6.1015, and following consultation with the Committee Management Secretariat,

General Services Administration, notice is hereby given that the Basic Energy Sciences Advisory Committee has been renewed for a two-year period beginning in January 1995. The Committee will provide advice to the Director of Energy Research on the basic energy sciences program.

The Secretary has determined that the renewal of the Basic Energy Sciences Advisory Committee is essential to the conduct of the Department's business and in the public interest in connection with the performance of duties imposed upon the Department of Energy by law. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act, the Department of Energy Organization Act (Public Law 95-91), and rules and regulations issued in implementation of those Acts.

Further information regarding this advisory committee can be obtained from Rachel Samuel at (202) 586-3279.

Issued in Washington, DC on January 6, 1995.

JoAnne Whitman,

Deputy Advisory Committee Management Officer.

Federal Energy Regulatory Commission

[Docket No. RP95-115-000]

CNG Transmission Corp.; Notice of Proposed Changes in FERC Gas Tariff

January 5, 1995.

Take notice that on December 30, 1994, CNG Transmission Corporation (CNG), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following revised tariff sheets, with a proposed effective date of February 1, 1995:

Sixth Revised Sheet No. 32

Sixth Revised Sheet No. 33

CNG states that the purpose of this filing is to file CNG's initial surcharge under Section 18.2.B. of the General Terms of CNG's FERC Gas Tariff. Specifically, CNG has recalculated this surcharge to reflect the inclusion of \$693,512.28 of stranded Account No. 858 charges incurred from implementation of restructured services on October 1, 1993 to September 30, 1994. CNG is proposing to collect these costs over a three-month amortization period.

Any person desiring to be heard or to protest said filing should file a protest or motion to intervene with the Federal Energy Regulatory Commission, 825

North Capitol Street, NE., Washington, DC 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure, 18 CFR 385.214 and 385.211. All motions or protests should be filed on or before January 12, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. RP95-116-000]

CNG Transmission Corp.; Notice of Filing of Storage Study

January 5, 1995.

Take notice that on December 30, 1994, CNG Transmission Corporation (CNG), in compliance with the Commission's requirement in CNG's restructuring proceeding in Docket No. RS92-14-000, filed a study entitled "Storage After One Year Of Operations Under Restructured Services." The storage study identifies the various uses of CNG's retained working gas storage capacity during the first year of operations under Order No. 636.

CNG states that it has served its filing upon affected firm service customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211). All motions or protests should be filed on or before January 27, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
