Notice is hereby given that by postcard dated November 14, 1994, Mr. Bob DeBolt requests that the U.S. Nuclear Regulatory Commission (NRC) take action with regard to the use of Thermo-Lag by all reactor licensees.

**Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Spartech Corporation, Common Stock, \$0.75 Par Value, 9% Debentures, due April 15, 1999) File No. 1-5911**

January 19, 1995.

Spartech Corporation ("Company") has filed an application with the Securities and Exchange Commission

(“Commission”), pursuant to Section 12(d) of the Securities Exchange Act of 1934 (“Act”) and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities (“Securities”) from listing and registration on the American Stock Exchange, Inc. (“Amex”).

The reasons alleged in the application for withdrawing these Securities from listing and registration include the following:

According to the Company, in addition to being listed on the Amex, the Securities are listed on the New York Stock Exchange, Inc. (“NYSE”). The Securities commenced trading on the NYSE at the opening of business on December 7, 1994 and concurrently therewith the Security was suspended from trading on the Amex.

In making the decision to withdraw the Securities from listing on the Amex, the Company considered the direct and indirect costs and expenses attendant in maintaining the dual listing of the Securities on the NYSE and the Amex. The Company does not see any particular advantage in the dual trading of the Securities and believes that dual listing would fragment the market for the Security.

Any interested person may, on or before February 9, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

**Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Diagnostic Health Services, Inc., Common Stock, \$.01 Par Value, Common Stock Purchase Warrants) File No. 1-11984**

January 19, 1995.

Diagnostic Health Services, Inc. (“Company”) has filed an application with the Securities and Exchange Commission (“Commission”), pursuant

to Section 12(d) of the Securities Exchange Act of 1934 (“Act”) and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities (“Securities”) from listing and registration on the Boston Stock Exchange, Inc. (“BSE”).

The reasons alleged in the application for withdrawing these Securities from listing and registration include the following:

Presently, the Company has listed the Securities on the Exchange and on the NASDAQ Small Cap Market. The Company wishes to have the Securities delisted from the Exchange due to the fact the Securities have not been actively traded on the Exchange at any time since the inception of their listing, and the continued listing of the Securities on the Exchange will constitute an unnecessary expenditure of the Company’s capital.

Any interested person may, on or before February 9, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the BSE and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

**Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Beta Well Service Inc., Common Stock, No Par Value) File No. 1-11670**

January 20, 1995.

Beta Well Service Inc. (“Company”) has filed an application with the Securities and Exchange Commission (“Commission”), pursuant to Section 12(d) of the Securities Exchange Act of 1934 (“Act”) and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security (“Security”) from listing and registration on the American Stock Exchange, Inc. (“Amex”).

The reasons alleged for striking the Security from listing and registration include the following:

According to the Company, the Company received a letter dated October 11, 1994, from the Exchange stating that it was considering delisting the Security because it believed that the Company had violated the Exchange’s listing agreement and disclosure policies. After the Company submitted its responses to the Exchange by letters dated October 24, 1994 and November 1, 1994, the Exchange sent a letter to the Company dated November 23, 1994, stating that the Exchange had decided to delist the Security. Although the Company initially elected to appeal the Exchange’s decision to delist the Security to the Exchange’s Board of Governors, the Company has decided to settle matters by removing the Security from listing on the Exchange. The Company is now of the position that in view of the Impasses between the Exchange and the Company and the large expenditures of money and management time that would be required before a final resolution of the matters at issue could be obtained, it is in the best interest of both the Company and its shareholders that matters be settled by delisting the Security from the Exchange.

The Exchange has also agreed that it would be in the best interest of the Exchange and the investing public to resolve this issue between the Company and the Exchange in this manner.

Any interested person may, on or before February 10, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.
