

shall assess, antidumping duties on all appropriate entries. Individual differences between U.S. price and foreign market value may vary from the percentages stated above. The Department will issue appraisal instructions on each exporter directly to the Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(1) of the Tariff Act: (1) The cash deposit rates for the reviewed company will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) for all other producers and/or exporters of this merchandise, the cash deposit rate shall be 5.64 percent, the adjusted "all others" rate from the LTFV investigation. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 C.F.R. 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These administrative reviews and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1) and section 353.22 of the Department's regulations (19 CFR 353.22(c)(5)).

#### SUPPLEMENTARY INFORMATION:

##### A. Background

The Department has recovered \$42,262.39 from the Oregon Department

of Education (SEA) in satisfaction of claims arising from an audit of KCSA covering fiscal year (FY) 1990.

The claims involved the SEA's administration of Chapter 1, ESEA, providing financial assistance to State and local agencies to address the special educational needs of educationally deprived children in areas with high concentrations of children from low-income families (Chapter 1), as well as the special educational needs of migratory children (MEP). Specifically, the audit determinations, made by an independent auditor acting under the Single Audit Act of 1984 and upheld by the SEA, found that varying percentages of salaries and fringe benefits of five LEA employees tested were charged to Chapter 1 during FY 1990. The auditors also questioned the portion of salary and fringe benefits for one LEA employee charged to the Chapter 1 MEP. In addition, no time distribution records were available to support the charges to either program. Finally, the auditors disclosed that the early retirement pay for one employee was divided equally between the Chapter 1 program and the MEP, even though the employee had worked on these programs for only three of a total of twenty-two years with the district. The auditors, therefore, questioned 19/22 of the early retirement cost charged to Chapter 1 and the MEP grants (\$1,813.64 to each). Altogether, disputed costs totaled \$31,396.39 for the Chapter 1 grant, and \$10,866 for the MEP grant.

The SEA, on August 24, 1992, requested a refund of the full amount of questioned costs from KCSA. On September 15, 1992, the SEA submitted a check to the U.S. Department of Education in the amount of \$66,395.52, which included a recovery of \$31,396.39 for the Chapter 1 program, as well as \$10,866 related to the MEP. The remaining \$24,133.13 resulted from audit recoveries from other Federal programs and are not part of this grantback notice.

##### B. Authority for Awarding a Grantback

Section 459(a) of GEPA, 20 U.S.C. 1234h(a), provides that whenever the Secretary has recovered program funds following a final audit determination, the Secretary may consider those funds to be additional funds available for the program and may arrange to repay to the SEA or LEA affected by that determination an amount not to exceed 75 percent of the recovered funds. The Secretary may enter into this grantback arrangement if the Secretary determines that the—
