Part I: General Information

A. Legislative Authority

Title III of the Child Abuse Amendments of 1984, (Pub. L. 98-457, 42 U.S.C. 10401, et seq.) is entitled the Family Violence Prevention and Services Act (the Act). The Act was first implemented in FY 1986, was reauthorized and amended in 1992 by Pub. L. 102-295, and was reauthorized and amended for fiscal years 1996 through 2000 by Pub. L. 103-322, the Violent Crime Control and Law Enforcement Act of 1994 (Crime Bill), signed into law on September 13, 1994.

One part of the Crime Bill, the Violence Against Women Act, added section 316 to the Family Violence Prevention and Services Act to authorize a grant award for up to five years to provide for the operation of a national, toll-free telephone hotline to provide information and assistance to victims of domestic violence.

B. Conceptual Framework and Scope of Services

The prevalence of family violence is widespread and its effective prevention and treatment requires coordination and collaboration among a broad range of legal, justice system, health, and social service providers, and advocates at the Federal, State and local levels.

To serve the wide range of expected calls effectively, the hotline must have expertise about domestic violence and services to victims of domestic violence. The staff also must understand the importance of using appropriate linkages with State and local resources to serve callers to the hotline. The benefits of a highly visible national hotline to victims and others will be directly related to the productive working relationships and coordinated provision of services between and among the hotline and State and local hotlines and other services and resources.

Calls to the hotline may range from the urgent and life-threatening to calls for general reference information. The target population to be served by the hotline is specified in the statute as "victims of domestic violence." The hotline should be prepared to respond to the broad range of violence that

occurs in the context of family and intimate relationships, domestic violence, spouse abuse, partner abuse, battering of women, sexual assault, date rape, and acquaintance rape. The hotline also will serve those less directly affected by such abuse, e.g., relatives, children of victims and other family members, friends, neighbors, perpetrators and batterers, other concerned individuals, and the general public.

In terms of the scope of the services provided by the hotline, the statute requires the provision of "information and assistance" and "counseling and referral services." Therefore, the applicants' proposed design and plan for operating the hotline and responding to callers is important. However, the hotline is not expected to provide extended or long-term counseling or therapy services. The fuller discussion of a problem and consideration of options is done most appropriately at the local level, given the variation in laws and services available among the States and localities.

Finally, because domestic violence often contributes to isolation, helplessness, loss of self-esteem, and dependence, a self-help and empowerment model of services is needed. Such a model:

- Protects and assures safety for all victims and other family members;
- Builds on the strengths and resources of individuals and families;
- Offers options and support for independent decision-making based on specific individual and family needs and circumstances; and
- Assists individuals and families to obtain protection and needed services that are respectful of cultural and community characteristics.

Finally, we recognize that there is an inter-relationship between alcohol, drug abuse, and mental health (ADM) problems and domestic violence. Alcohol abuse has been demonstrated to contribute to violent behavior. Moreover, the abuse of alcohol coupled with other drugs is even more likely to be associated with severe battering incidents than is alcohol by itself. Victims of and or witnesses to domestic violence also may experience psychological consequences or turn to substance to ameliorate their pain. In addition to physical trauma resulting from acts of physical abuse, battered women suffer from a number of mental health consequences, including higher levels of depression, drug and alcohol abuse, suicide attempts, and low self-esteem. Many of the mental health consequences of spousal violence result from chronic intimidation and fear,

which are often as significant as the actual, acts of physical aggression. Witnessing spousal violence contributes to the cycle of violence outside the home. There is an increased likelihood of child abuse in homes where there has already been spouse abuse.

C. Eligible Applicants

Any private nonprofit agency, organization, institution, Tribal organization, or combination thereof, is eligible to apply for these funds. Any nonprofit organization submitting an application must submit proof of its nonprofit status in its application at the time of submission. The non-profit agency can accomplish this by providing a copy of the applicant's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in Section 501(c)(3) of the IRS Code or by providing a copy of the currently valid IRS tax exemption certificate, or by providing a copy of the articles of incorporation bearing the seal of the State in which the corporation or association is domiciled.

D. Availability of Funds

As authorized by section 316 of the Act, the Office of Community Services will award one cooperative agreement in FY 1995 of a maximum of \$1 million for the implementation of the toll-free rational domestic violence hotline. The source of these funds will be the Crime Bill Trust Fund.

Non-competitive continuation grant awards for each of years two through five (FYs 1996-1999) will be a maximum of \$850,000, subject to the availability of funds. This total represents \$400,000 from the Crime Bill Trust Fund for the operation of the hotline and \$450,000 to be used to carry out additional statutory and programmatic activities on behalf of the Centers for Disease Control and Prevention (CDC), the Substance Abuse and Mental Health Services Administration (SAMHSA), and the Office of Community Services (OCS).

Because the national hotline is viewed as a viable mechanism to achieve a number of specific aims, in each of years two through five CDC plans to provide \$250,000 under section 393 of the Public Health Services Act to provide additional support for State and local domestic violence hotlines in response to the demand generated by the national public awareness campaign; SAMHSA plans to provide \$100,000 under appropriate FY 1996 statutory authorities to enhance the hotline database to include ADM resources, support the training of

hotline staff to assure that they are knowledgeable about ADM involvement in incidents of domestic violence and can make appropriate referrals to ADM services, and, to the extent possible, collect such information from callers; and OCS plans to provide \$100,000 under section 305 of the Family Violence Prevention and Services Act to support additional compilation and reporting of information based on calls to the hotline. These supplemental activities are described in greater detail as grantee requirements in Part II of this announcement.

Section 316 of the Act also states that funds appropriated and awarded from the Crime Trust Fund will remain available until expended, i.e., the \$1 million in FY 1995 and \$400,000 in FYs 1996-1999. This provides additional flexibility to the grantee in the timing and use of these funds. The funds for additional purposes in FYs 1996-1999 (\$450,000 in each of years two through five) must be expended by the end of the fiscal year following receipt of the funds.

E. Duration of Project

The Office of Community Services, in cooperation with CDC and SAMHSA, will award one grant, as a cooperative agreement, for up to five years (60-month project period). The initial grant award, to be made on a competitive basis, will cover a 12-month budget period. Application for continuation funding beyond the initial 12-month budget period, but within the 60-month project period, will be considered in subsequent years on a non-competitive basis, subject to the approval of the Secretary, the availability of funds, the satisfactory performance of the grantee, and the determination that the continued funding and support of the project would be in the best interest of the government.

F. Cooperative Agreement

The Office of Community Services intends to support the national toll-free hotline through a cooperative agreement. A cooperative agreement is Federal financial aid in which substantial Federal involvement is anticipated. The responsibilities of the Administration for Children and Families and of the successful applicant will be identified and incorporated into the cooperative agreement during pre-award negotiations. It is anticipated that ACF responsibilities will not change the project requirements found in Part II of this announcement.

The grantee will outline a plan of interaction with OCS for implementation under a cooperative

agreement including, as appropriate, activities involving Federal staff. The plan under the cooperative agreement will describe the general and specific responsibilities of the grantee and the grantor as well as foreseeable joint responsibilities. A schedule of tasks will be developed and agreed upon in addition to any special conditions relating to the implementation of the hotline.

G. Grantee Share of the Project

The grantee must provide at least 25 percent of the total approved cost of the project. The total approved cost of the project is the sum of the Federal share and the non-Federal share. The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. Therefore, a project requesting \$1,000,000 in Federal funds for the first year budget period must include a match of at least \$333,333 (25 percent of total project cost). If approved for funding, the grantee will be held accountable for commitments of non-Federal resources, and failure to provide the required amounts will result in a disallowance of unmatched Federal funds.

Part II: Project Requirements

Part III: Evaluation Criteria

The five criteria that follow will be used to review and evaluate how each application has addressed the requirements stated in Part II and should be used in developing the program narrative. The point values following each criterion heading indicate the maximum numerical weight that each section will be given in the review process.

1. Need for the Project (10 Points)

Provide a detailed discussion of the need for a national domestic violence hotline of the scope being proposed. Provide a detailed analysis of the available data related to the problem being addressed (both domestic violence in general and the specific lack of a national domestic violence hotline); the strengths and limitations of other national and local crisis intervention and victim services hotline/referral services available, and the "state-of-the-art" relative to the problem being addressed by the proposal.

2. Goals and Objectives (10 Points)

Clearly state the project goals and objectives. Objectives should be stated in concrete, measurable terms which clearly identify the population(s) to be served, the type, quality, and level of service to be provided, the timeline for the establishment and delivery of services, and other project benchmarks. The anticipated demand for hotline services during the initial start-up period and a projection of the demand on an ongoing basis should be discussed, with supporting documentation. Describe the precise location of the project.

3. Approach (30 Points)

Provide a sound workable plan of action (approach) which details: how the proposed work will be accomplished; how each task relates to the project's goals and activities; identifies the key staff member responsible for the specific tasks; provides a chart indicating the timetable for completing each task, the phasing in of the tasks over time, the lead staff person, and the time committed to the task; cites factors which might accelerate or decelerate the work; justifies the approach selected over other approaches; makes maximum use of existing facilities and resources and off-the-shelf technology; describes and supports any unusual features of the project, such as design or technological innovations, reductions in cost or time, or extraordinary social or community involvement; and provides projections of the accomplishments to be achieved and identifies the activities for which Federal technical assistance, advice, or guidance as the project is implemented is anticipated and would be acceptable.

4. Results and Benefits Expected (20 Points)

Identify, in specific terms, the results and benefits to be derived from the project and relate each result and benefit to a specific objective. Indicate the aggregate number of calls expected to be received and individuals to be assisted on an annual basis, e.g., the expected volume of calls in such service areas as crisis counseling, immediate referrals to shelters, or the number of referrals made in response to non-English speaking callers. Indicate the anticipated impact on and the subsequent benefit of the national hotline to victims of domestic violence and on the existing network of State and local shelters and services. Identify the kinds of data to be collected, maintained, and updated, and discuss

the criteria to be used to assure the quality of the services provided.

5. Level of Effort (30 Points)

Expertise, Commitment, and Support. The extent to which the applicant has nationally recognized expertise in the area of domestic violence and a record of high quality service to victims of domestic violence, including a demonstration of support from advocacy groups, such as State Domestic Violence Coalitions or recognized national domestic violence groups; the extent of the applicant's commitment to diversity, and to the provision of service to ethnic, racial, and non-English speaking minorities, older individuals, and individuals with disabilities.

Staff Background and Organizational Experience. The adequacy of the staffing pattern for the proposed project, how the individual responsibilities are linked to project tasks, and the contributions to be made by key staff. Each collaborating or cooperative organization, individual consultant, or other key individuals who will work on the project should be listed along with a description of the nature of their effort or contribution.

The background and experience of the project director and key project staff and the history and accomplishments of the organization; the qualifications of the project team including any experience with similar projects; the variety of skills, relevant educational background, and the ability to effectively manage the project and to coordinate activities with other agencies. One or two pertinent paragraphs on each key member are preferred to vitae/resumes. However, vitae/resumes may be included.

Adequacy of Resources. The adequacy of the available resources and organizational experience with regard to the tasks of the proposed project. List the financial, physical, and other resources already committed by other public and private agencies and institutions, if any. Explain how these organizations will participate in the day to day operations of the project. Letters from these agencies and organizations identifying and discussing the specifics of their commitment and participation must be included in the application.

Budget. Relate the proposed budget to the level of effort required to obtain the project objectives. Demonstrate that the project's costs are reasonable in view of the anticipated results.

Collaborative Efforts. The additional anticipated private sector resources that may be available to support or enhance the overall program. Discuss in detail and provide documentation for any

proposed collaborative or coordinated efforts with other public and private agencies or organizations. Identify these agencies or organizations and explain how their participation will enhance the project. Letters from these agencies and organizations must be included discussing their interest and/or commitment in supporting this project, the stage of the planning and decision-making, and the expected level of resource commitment.

Part IV: Instructions for the Development and Submission of Applications

This Part contains information and instructions for submitting applications in response to this announcement. Application forms are provided as part of this publication along with a checklist for assembling an application package. Please copy and use these forms in submitting an application.

Potential applicants should read this section carefully in conjunction with the information describing the proposed project under which the application is to be submitted. The project design requirements are found in Part II.

A. Required Notification of the State Single Point of Contact

This program is covered under Executive Order 12372, (E.O.) "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Program and Activities." Under the E.O., States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

All States and territories, except Alabama, Alaska, Colorado, Connecticut, Hawaii, Idaho, Kansas, Louisiana, Minnesota, Montana, Nebraska, Oklahoma, Oregon, Pennsylvania, South Dakota, Virginia, Washington, American Samoa, and Palau, have elected to participate in the E.O. process and have established Single Points of Contact (SPOCs). Applicants from these nineteen jurisdictions need take no action regarding E.O. 12372. Otherwise, applicants should contact their SPOCs as soon as possible to alert them of the prospective applications and receive any necessary instructions. Applicants must submit any required material to the SPOCs as soon as possible so that OCS can obtain and review SPOC comments as part of the award process. It is imperative that the applicant submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no

submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from application deadline to comment on proposed new or competing continuation awards.

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations. Additionally, SPOCs are requested to differentiate clearly between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule.

When comments are submitted directly to ACF, they should be addressed to: Department of Health and Human Services, Administration for Children and Families, Division of Discretionary Grants, (OCS-95-12) 370 L'Enfant Promenade, SW., 6th Floor, Washington, DC 20447.

A list of the Single Points of Contact for each State and Territory is included at the end of this announcement.

B. Deadline for Submittal of Applications

The closing date for submittal of applications under this program announcement is found at the beginning of this program announcement under **DATES**. Applications shall be considered as meeting the announced deadline if they are either:

1. Received on or before the deadline date at the Department of Health and Human Services, Administration for Children and Families, Division of Discretionary Grants, (OCS-95-12) 370 L'Enfant Promenade, SW., 6th Floor, Washington, DC 20447, or

2. Sent on or before the deadline date and received by OCS in time to be considered during the competitive review process.

Applications must be postmarked no later than the date to be found at the beginning of the Program Announcement under **DATES**. When mailing application packages, applicants are strongly advised to obtain a legibly dated receipt from a commercial carrier (such as UPS, Federal Express, etc.) or from the U.S. Postal Service as proof of mailing by the deadline date. Private metered postmarks are not acceptable as proof of timely mailing.

Late applications. Applications which do not meet the criteria under "Deadlines" are considered late applications. The ACF shall notify each late applicant that its application will not be considered in the current competition.

Extension of deadlines. The ACF reserves the right to extend the deadline

for all applicants due to acts of God, such as floods, hurricanes or earthquakes; if there is widespread disruption of the mail; or if ACF determines a deadline extension to be in the best interest of the Government. However, ACF will not waive or extend the deadline for any applicant unless the deadline is waived or extended for all applicants.

Items 15b-e: Enter the amount(s) of funds from non-Federal sources that will be contributed to the proposed project. Items b-e are considered cost-sharing or "matching funds." The value of third party in-kind contributions should be included on appropriate lines as applicable. For more information regarding funding and "matching" requirements, see Part I, Grantee Share of the Project.

Item 15f: Enter the estimated amount of income, if any, expected to be generated from the proposed project. Do not add or subtract this amount from the total project amount entered under item 15g. Describe the nature, source and anticipated use of this income in the Project Narrative Statement. If not applicable, enter N/A.

Item 15g: Enter the sum of items 15a-15e.

Item 16a: "Is Application Subject to Review By State Executive Order 12372 Process? Yes."—Enter the date the applicant contacted the SPOC regarding this application. Select the appropriate SPOC from the listing provided at the end of Part IV. The review of the application is at the discretion of the SPOC. The SPOC will verify the date noted on the application. If there is a discrepancy in dates, the SPOC may request that the Federal agency delay any proposed funding until September 30, 1995.

Item 16b: "Is Application Subject to Review By State Executive Order 12372 Process? No."—Check the appropriate box if the application is not covered by E.O. 12372 or if the program has not been selected by the State for review.

Item 17: "Is the Applicant Delinquent on any Federal Debt?"—Check the appropriate box. This question applies to the applicant organization, not the person who signs as the authorized representative. Categories of debt include audit disallowances, loans and taxes.

Item 18: "To the best of my knowledge and belief, all data in this application/preapplication are true and correct. The document has been duly authorized by the governing body of the applicant and the applicant will comply with the attached assurances if the assistance is awarded."—To be signed by the authorized representative of the applicant. A copy of the governing body's authorization for signature of this

application by this individual as the official representative must be on file in the applicant's office, and may be requested from the applicant.

Item 18a-c: "Typed Name of Authorized Representative, Title, Telephone Number"—Enter the name, title and telephone number of the authorized representative of the applicant organization.

Item 18d: "Signature of Authorized Representative"—Signature of the authorized representative named in Item 18a. At least one copy of the application must have an original signature. Use colored ink (not black) so that the original signature is easily identified.

Item 18e: "Date Signed"—Enter the date the application was signed by the authorized representative.

2. SF 424A—Budget Information—Non-Construction Programs

This is a form used by many Federal agencies. For this application, Sections A, B, C, E and F are to be completed. Section D does not need to be completed.

Sections A and B should include the Federal as well as the non-Federal funding for the proposed project covering (1) The total project period of 17 months or less; or (2) the first 12 month budget period, if the proposed project period exceeds 17 months.

Section A—Budget Summary. This section includes a summary of the budget. On line 5, enter total Federal costs in column (e) and total non-Federal costs, including third party in-kind contributions, but not program income, in column (f). Enter the total of (e) and (f) in column (g).

Section B—Budget Categories. This budget, which includes the Federal as well as non-Federal funding for the proposed project, covers (1) The total project period of 17 months or less or (2) the first 12 month budget period if the proposed project period exceeds 17 months. It should relate to item 15g, total funding, on the SF 424. Under column (5), enter the total requirements for funds (Federal and non-Federal) by object class category.

A separate budget justification should be included to explain fully and justify major items, as indicated below. The types of information to be included in the justification are indicated under each category. For multiple year projects, it is desirable to provide this information for each year of the project. The budget justification should immediately follow the second page of the SF 424A.

Personnel—Line 6a. Enter the total costs of salaries and wages of applicant/grantee staff. Do not include the costs of

consultants, which should be included on line 6h, "Other."

Justification: Identify the project director, if known. Specify by title or name the percentage of time allocated to the project, the individual annual salaries, and the cost to the project (both Federal and non-Federal) of the organization's staff who will be working on the project.

Fringe Benefits—Line 6b. Enter the total costs of fringe benefits, unless treated as part of an approved indirect cost rate.

Justification: Provide a break-down of amounts and percentages that comprise fringe benefit costs, such as health insurance, FICA, retirement insurance, etc.

Travel—Line 6c. Enter total costs of out-of-town travel (travel requiring per diem) for staff of the project. Do not enter costs for consultant's travel or local transportation, which should be included on Line 6h, "Other."

Justification: Include the name(s) of traveler(s), total number of trips, destinations, length of stay, transportation costs and subsistence allowances.

Equipment—Line 6d. Enter the total costs of all equipment to be acquired by the project. For State and local governments, including Federally recognized Indian Tribes, "equipment" is tangible, non-expendable personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. For all other applicants, the threshold for equipment is \$5,000 or more per unit. The higher threshold for State and local governments became effective October 1, 1988, through the implementation of 45 CFR Part 92, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments."

Justification: Equipment to be purchased with Federal funds must be justified. The equipment must be required to conduct the project, and the applicant organization or its subgrantees must not have the equipment or a reasonable facsimile available to the project. The justification also must contain plans for future use or disposal of the equipment after the project ends.

Supplies—Line 6e. Enter the total costs of all tangible expendable personal property (supplies) other than those included on Line 6d.

Justification: Specify general categories of supplies and their costs.

Contractual—Line 6f: Enter the total costs of all contracts, including procurement contracts (except those which belong on other lines such as equipment, supplies, etc.) and contracts

with secondary recipient organizations. Also include any contracts with organizations for the provision of technical assistance. Do not include payments to individuals on this line.

Justification: Attach a list of contractors, indicating the names of the organizations, the purposes of the contracts, and the estimated dollar amounts of the awards as part of the budget justification. Whenever the applicant/grantee intends to delegate part or all of the program to another agency, the applicant/grantee must complete this section (Section B, Budget Categories) for each delegate agency by agency title, along with the supporting information. The total cost of all such agencies will be part of the amount shown on Line 6f. Provide backup documentation identifying the name of contractor, purpose of contract, and major cost elements.

Construction—Line 6g: Not applicable. New construction is not allowable.

Other—Line 6h: Enter the total of all other costs. Where applicable, such costs may include, but are not limited to: Insurance; medical and dental costs; noncontractual fees and travel paid directly to individual consultants; local transportation (all travel which does not require per diem is considered local travel); space and equipment rentals; printing and publication; computer use; training costs, including tuition and stipends; training service costs, including wage payments to individuals and supportive service payments; and staff development costs. Note that costs identified as "miscellaneous" and "honoraria" are not allowable.

Justification: Specify the costs included.

Total Direct Charges—Line 6i: Enter the total of Lines 6a through 6h.

Indirect Charges—6j: Enter the total amount of indirect charges (costs). If no indirect costs are requested, enter "none." Generally, this line should be used when the applicant (except local governments) has a current indirect cost rate agreement approved by the Department of Health and Human Services or another Federal agency.

Local and State governments should enter the amount of indirect costs determined in accordance with HHS requirements. When an indirect cost rate is requested, these costs are included in the indirect cost pool and should not be charged again as direct costs to the grant.

Justification: Enclose a copy of the indirect cost rate agreement. Applicants subject to the limitation on the Federal reimbursement of indirect costs for training grants should specify this.

Total—Line 6k: Enter the total amounts of lines 6i and 6j.

Program Income—Line 7: Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount.

Justification: Describe the nature, source, and anticipated use of program income in the Program Narrative Statement.

Section C—Non-Federal Resources. This section summarizes the amounts of non-Federal resources that will be applied to the grant. Enter this information on line 12 entitled "Totals." "In-kind contributions" are defined in title 45 of the Code of Federal Regulations, Part 74.2, as "the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real, property, equipment, supplies and other expandable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program."

Justification: Describe third party in-kind contributions, if included.

Section D—Forecasted Cash Needs. Not applicable.

Section E—Budget Estimate of Federal Funds Needed for Balance of the Project. This section should only be completed if the total project period exceeds 17 months.

Totals—Line 20: For projects that will have more than one budget period, enter the estimated required Federal funds for the second budget period (months 13 through 24) under column "(b) First." If a third budget period will be necessary, enter the Federal funds needed for months 25 through 36 under "(c) Second." Columns (d) and (e) are not applicable in most instances, since ACF funding is almost always limited to a three-year maximum project period. They should remain blank.

Section F—Other Budget Information.
Direct Charges—Line 21: Not applicable.

Indirect Charges—Line 22. Enter the type of indirect rate (provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

Remarks—Line 23. If the total project period exceeds 17 months, you must enter your proposed non-Federal share of the project budget for each of the remaining years of the project.

3. Project Summary Description

Clearly mark this separate page with the applicant name as shown in item 5 of the SF 424, and the title of the project

as shown in item 11 of the SF 424. The summary description should not exceed 300 words. These 300 words become part of the computer database on each project.

Care should be taken to produce a summary description which accurately and concisely reflects the proposal. It should describe the objectives of the project, the approaches to be used and the outcomes expected. The description should also include a list of major products that will result from the proposed project, such as software packages, materials, management procedures, data collection instruments, training packages, or videos (please note that audiovisuals should be closed captioned). The project summary description, together with the information on the SF 424, will constitute the project "abstract." It is the major source of information about the proposed project and is usually the first part of the application that the reviewers read in evaluating the application.

4. Program Narrative Statement

The Program Narrative Statement is a very important part of an application. It should be clear, concise, and address the specific requirements mentioned under the project description in Part II. The narrative should also provide information concerning how the application meets the evaluation criteria using the following headings:

- (a) *Need for the Project*
- (b) *Goals and Objectives*
- (c) *Approach*
- (d) *Results and Benefits Expected*
- (e) *Level of Effort*

The specific information to be included under each of these headings is described in Part III, Evaluation Criteria.

The narrative should be typed double-spaced on a single-side of an 8½" x 11" plain white paper, with 1" margins on all sides. All pages of the narrative (including charts, references/footnotes, tables, maps, exhibits, etc.) must be sequentially numbered, beginning with "Need for the Project" as page number one. Applicants should not submit reproductions of larger size paper, reduced to meet the size requirement. There is no page limit on the length of the narrative.

The length of the remainder of the application, including the application forms and all attachments, should not exceed 60 pages. A page is a single side of an 8½" x 11" sheet of paper. Applicants are requested not to send pamphlets, brochures or other printed material along with their application as these pose photocopy difficulties. These

materials, if submitted, will not be included in the review process if they exceed the 60-page limit. Each page of the application will be counted to determine the total length.

5. Organizational Capability Statement

The Organizational Capability Statement should consist of a brief (two to three pages) background description of how the applicant organization (or the unit within the organization that will have responsibility for the project) is organized, the types and quantity of services it provides, and/or the research and management capabilities it possesses. This description should cover capabilities not included in the Program Narrative Statement. It may include descriptions of any current or previous relevant experience, or describe the competence of the project team and its demonstrated ability to produce a final product that is readily comprehensible and usable. An organization chart showing the relationship of the project to the current organization should be included.

6. Assurances/Certifications

Applicants are required to file an SF 424B, Assurances— Non-Construction Programs, and the Certification Regarding Lobbying. Both must be signed and returned with the application. In addition, applicants must certify their compliance with: (1) Drug-Free Workplace Requirements; and (2) Debarment and Other Responsibilities; and (3) Certification Regarding Environmental Tobacco Smoke. These certifications are self-explanatory. Copies of these assurances/certifications are reprinted at the end of this announcement and should be reproduced, as necessary. A duly authorized representative of the applicant organization must certify that the applicant is in compliance with these assurances/certifications. A signature on the SF 424 indicates compliance with the Drug Free Workplace Requirements, the Debarment and Other Responsibilities, and the Environmental Tobacco Smoke certifications.

Instructions for the SF-424A*General Instructions*

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary

Lines 1-4, Columns (a) and (b)

For applications pertaining to a single Federal grant program (Federal Domestic Assistance Catalog number) and not requiring a functional or activity breakdown, enter on Line 1 under Column (a) the catalog program title and the catalog number in Column (b).

For applications pertaining to a single program requiring budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the catalog program title on each line in Column (a) and the respective catalog number on each line in Column (b).

For applications pertaining to multiple programs where one or more programs require a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) Through (g.)

For new applications, leave Columns (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds

needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the totals for all columns used.

Section B. Budget Categories

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Lines 6a-i—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4). Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement the nature and source of income. The estimated amount of program income may be considered by the federal grantor agency in determining the total amount of the grant.

Section C. Non-Federal-Resources

Lines 8-11—Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Column (a)—Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

Column (b)—Enter the contribution to be made by the applicant.

Column (c)—Enter the amount of the State's cash and in-kind contribution if the applicant is not a State or State agency. Applicants which are a State or State agencies should leave this column blank.

Column (d)—Enter the amount of cash and in-kind contributions to be made from all other sources.

Column (e)—Enter totals of Columns (b), (c), and (d).

Line 12—Enter the total for each of Columns (b)-(e). The amount in Column (e) should be equal to the amount on Line 5, Column (f), Section A.

Section D. Forecasted Cash Needs

Line 13—Enter the amount of cash needed by quarter from the grantor agency during the first year.

Line 14—Enter the amount of cash from all other sources needed by quarter during the first year.

Line 15.—Enter the totals of amounts on Lines 13 and 14.

Section E. Budget Estimates of Federal Funds Needed for Balance of the Project

Lines 16-19—Enter in Column (a) the same grant program titles shown in column (a), Section A. A breakdown by function or activity is not necessary. For new applications and continuation grant applications, enter in the proper columns amounts of Federal funds which will be needed to complete the program or project over the succeeding funding periods (usually in years). This section need not be completed for revisions (amendments, changes, or supplements) to funds for the current year of existing grants.

If more than four lines are needed to list the program titles, submit additional schedules as necessary.

Line 20—Enter the total for each of the Columns (b)-(e). When additional schedules are prepared for this Section, annotate accordingly and show the overall totals on this line.

Section F. Other Budget Information

Line 21—Use this space to explain amounts for individual direct object-class cost categories that may appear to be out of the ordinary or to explain the details as required by the Federal grantor agency.

Line 22—Enter the type of indirect rate (provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

Line 23—Provide any other explanations or comments deemed necessary.

Assurances—Non-Construction Programs

Note: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of the project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the

right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Attachment B

U.S. Department of Health and Human Services
Certification Regarding Drug-Free Workplace Requirements
Grantees Other Than Individuals

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

This certification is required by regulations implementing the Drug-Free Workplace Act of 1988, 45 CFR Part 76, Subpart F. The regulations, published in the May 25, 1990 Federal Register, require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the Department of Health and Human Services (HHS) determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may taken action authorized under the Drug-Free Workplace Act. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or governmentwide suspension or debarment.

Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios.)

If the workplace identified to HHS changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see above).

Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 USC 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

(1) The dangers of drug abuse in the workplace; (2) The grantee's policy of maintaining a drug-free workplace; (3) Any available drug counseling, rehabilitation, and employee assistance programs; and, (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

(1) Abide by the terms of the statement; and, (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or, (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant (use attachments, if needed):

Place of Performance (Street address, City, County, State, ZIP Code) _____

Check if there are workplaces on file that are not identified here.

Sections 76.630(c) and (d)(2) and 76.635(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central receipt point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, S.W., Washington, D.C. 20201.
