Foreign Assets Control Regulations; Unblocking of Vietnamese Assets

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: Pursuant to the claims settlement agreement entered into on January 28, 1995, between the Government of the United States and the Government of the Socialist

Republic of Vietnam, the Office of Foreign Assets Control is unblocking assets in which Vietnam or a national thereof has an interest, blocked pursuant to the Foreign Assets Control Regulations.

Background

On February 3, 1994, President Clinton lifted the trade embargo against Vietnam and authorized new financial and other transactions with Vietnam and its nationals. Property blocked as of February 3, 1994, because of an interest therein of Vietnam or its nationals, however, remained blocked pending a claims settlement agreement between the two countries. On January 28, 1995, an agreement was reached between the United States Government and the Government of the Socialist Republic of Vietnam, in which Vietnam agreed to pay \$208.5 million in settlement of outstanding U.S. private and government claims, and providing that the remaining Vietnamese property be unblocked. Accordingly, this rule amends the Foreign Assets Control Regulations, 31 CFR part 500 ("FACR"), to unblock assets held in the name of the Vietnamese Government or a national thereof on February 3, 1994.

Because the FACR involve a foreign affairs function, Executive Order 12866 and the provisions of the Administrative Procedure Act, 5 U.S.C. 553, requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act, 5 U.S.C. 601-612, does not apply.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 3

RIN 2900–AH09

Special Monthly Compensation Ratings

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending its regulations concerning the rate of special monthly compensation payable to a veteran with a totally disabling service-connected disability who either has additional service-connected disability ratable at 60 percent or is permanently housebound by reason of service-connected disability. This change is necessary because of a General Counsel precedent opinion which held that the regulation restricts eligibility in a manner not authorized by the statute. The intended effect of this amendment is to bring the regulation into conformity with the statute.

EFFECTIVE DATE: This final rule is effective March 9, 1995.

FOR FURTHER INFORMATION CONTACT: Paul Trowbridge, Consultant, Regulations Staff, Compensation and Pension Service, Veterans Benefits Administration, 810 Vermont Avenue NW., Washington, DC 20420, telephone (202) 273–7210.

SUPPLEMENTARY INFORMATION: Special monthly compensation is a benefit established by Congress to be paid for specified disabilities independent of any other compensation authorized by Title 38 U.S.C. 1114(a)–(j). 38 U.S.C. 1114(s) provides for payment of special monthly compensation for a veteran who has a service-connected disability rated as total and (1) has additional service-connected disability or disabilities independently ratable at 60 percent or more, or (2) is permanently housebound by reason of a service-connected disability or disabilities. 38 CFR 3.350(i), the implementing regulation, provides that the special monthly compensation rate under 38 U.S.C. 1114(s) is payable where the veteran has a single service-connected disability rated as 100 percent “without resort to individual unemployability” and meets the other criteria.

In a precedent opinion dated February 2, 1994 (OGC Prec 2–94), VA’s General Counsel held that the plain and unambiguous language of 38 U.S.C. 1114(s) does not restrict the nature of total ratings that may serve as a basis for entitlement to the rate of special monthly compensation which section 1114(s) authorizes. Based on that holding, the General Counsel found that the portion of 38 CFR 3.350(i) which precludes eligibility if the service-connected disability rated as total is so rated due to individual unemployability is an unauthorized restriction.

The General Counsel has recommended that the regulation be revised. We are, therefore, revising the text of 38 CFR 3.350(i) to remove the unauthorized restriction.

VA is issuing a final rule to amend the provisions of 38 CFR 3.350(i). Publication of this amendment as a proposed rule is unnecessary because this notice merely amends 38 CFR 3.350(i) to conform to the terms of the governing statute.

The Secretary hereby certifies that these regulatory amendments will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (RFA), 5 U.S.C. 601–612. The reason for this certification is that these amendments would not directly affect any small entities. Only VA

beneficiaries could be directly affected. Therefore, pursuant to 5 U.S.C. 605(b), these amendments are exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

The Catalog of Federal Domestic Assistance program number is 64.109.

List of Subjects in 38 CFR Part 3

Administrative practice and procedure, Claims, Health care, Persons with disabilities, Pensions, Veterans.

Approved: November 23, 1994.

Jesse Brown,

Secretary of Veterans Affairs.

For the reasons set forth in the preamble, 38 CFR Part 3 is amended as set forth below:

PART 3—ADJUDICATION
