

submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or are likely to do so. For background, see the Commission Opinion, In the Matter of Certain Devices for Connecting Computers via Telephone Lines, Inv. No. 337-TA-360.

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the President has 60 days to approve or disapprove the Commission's action. During this period, the subject articles would be entitled to enter the United States under a bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed, if remedial orders are issued.

Written Submissions

The parties to the investigation, interested government agencies, and any other interested persons are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Complainants and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. The written submissions and proposed remedial orders must be filed no later than the close of business on April 3, 1995. Reply submissions must be filed no later than the close of business on April 10, 1995. No further submissions will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 14 true copies thereof with the Office of the Secretary on or before the deadlines stated above. Any person desiring to submit a document (or portion thereof)

to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 C.F.R. § 201.6. Documents for which confidential treatment is granted by the Commission will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and §§ 210.53 and 210.58 of the Commission's interim rules of practice and procedure (19 CFR 210.53 and 210.58).

[Investigations Nos. 731-TA-700-701 (Final)]

Commission Determination To Conduct a Portion of the Hearing in Camera

In the Matter of: Disposable Lighters From the People's Republic of China and Thailand.

AGENCY: U.S. International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon request of respondent Thai Merry Co., Ltd. (Thai Merry) in the above-captioned final investigations, the Commission has unanimously determined to conduct a portion of its hearing scheduled for March 21, 1995, *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 CFR 207.23(d), 201.13(m) and 201.35(b)(3), as amended, 59 FR 66719 (Dec. 28, 1994)). The remainder of the hearing will be open to the public. The Commission has unanimously determined that the seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR 201.35(a), (c)(1), as amended, 59 FR 66719 (Dec. 28, 1994)).

FOR FURTHER INFORMATION CONTACT: Rhonda M. Hughes, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone 202-

205-3083. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that Thai Merry has justified the need for a closed session. Because petitioner BIC Corporation is the sole domestic producer, a full discussion of petitioner's financial condition and of many of the indicators that the Commission examines in assessing material reason by reason of subject imports can only occur if at least part of the hearing is held *in camera*. In addition, because Thai Merry is the sole participating Thai respondent in these investigations and because the Commission's preliminary determination that there was a reasonable indication that imports from Thailand pose a threat of material injury to the domestic industry, any discussion of Thai producer and importer data as required by the Commission's analysis of the statutory factors pertaining to a finding of threat of material injury by reason of those imports will necessitate disclosure of business proprietary information (BPI). Thus, such a discussion can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioner and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a presentation including BPI by respondents and for questions from the Commission relating to the BPI. For any *in camera* session the room will be cleared of all persons except: those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in these investigations. See 19 CFR 201.35(b)(1), (2). In addition, if petitioner's BPI will be discussed in the *in camera* session, personnel of petitioner may also be granted access to the closed session. Similarly, if respondents' BPI will be discussed in the *in camera* session, personnel of respondents may also be granted access to the closed session. See 19 CFR 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the

hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR 201.39) that, in her opinion, a portion of the Commission's hearing in *Disposable Lighters from the People's Republic of China and Thailand*, Invs. Nos. 731-TA-700-701 (Final) may be closed to the public to prevent the disclosure of BPI.

Issued: March 15, 1995.

By order of the Commission.

[Investigation No. 731-TA-718 (Final)]

Glycine From the People's Republic of China

Determination

On the basis of the record¹ developed in the subject investigation, the Commission determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports from the People's Republic of China (China) of glycine,² provided for in subheading 2922.49.40 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV).³

Background

The Commission instituted this investigation effective November 15, 1994, following a preliminary determination by Commerce that imports of glycine from China were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the institution of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by

¹ The record is defined in § 207.2(f) of the Commission's rules of practice and procedure (19 CFR 207.2(f)).

² The product covered by this investigation is glycine which is a free-flowing crystalline material, like salt or sugar. Glycine is produced at varying levels of purity and is used as a sweetener/taste enhancer, a buffering agent, reabsorbable amino acid, chemical intermediate, and a metal complexing agent. The scope of this investigation includes glycine of all purity levels.

³ Commissioner Crawford and Commissioner Bragg determine that an industry in the United States is materially injured by reason of imports of glycine from China that Commerce has found to be sold in the United States at LTFV.

BILLING CODE 7020-02-P

INTERSTATE COMMERCE COMMISSION

[Docket No. AB-55 (Sub-No. 504X)]

**CSX Transportation, Inc.—
Abandonment Exemption—In Indiana
County, PA**

CSX Transportation, Inc. (CSXT) has filed a notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments* to abandon approximately 11.25 miles of line between milepost 5.83 near Shelocta and milepost 17.08 near Clarksburg, in Indiana County, PA. CSXT's proposed consummation date of this abandonment is April 24, 1995.

CSXT has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Commission or with any U.S. District Court or has been decided in favor of the complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to use of this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial

revocation under 49 U.S.C. 10505(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on April 20, 1995, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29³ must be filed by March 31, 1995. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by April 10, 1995, with: Office of the Secretary, Case Control Branch, Interstate Commerce Commission, Washington, DC 20423.

A copy of any pleading filed with the Commission should be sent to applicant's representative: Charles M. Rosenberger, CSX Transportation, Inc., 500 Water St. J150, Jacksonville, FL 32202.

If the notice of exemption contains false or misleading information, the exemption is void ab initio.

CSXT has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. The Section of Environmental Analysis (SEA) will issue an environmental assessment (EA) by March 24, 1995. Interested persons may obtain a copy of the EA by writing to SEA (Room 3219, Interstate Commerce Commission, Washington, DC 20423) or by calling Elaine Kaiser, Chief of SEA, at (202) 927-248. Comments on environmental and historic preservation matters must be filed within 15 days after the EA is available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Decided: March 14, 1995.

¹ A stay will be issued routinely by the Commission in those proceedings where an informed decision on environmental issues (whether raised by a party or by the Commission's Section of Environmental Analysis in its independent investigation) cannot be made before the effective date of the notice of exemption. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any entity seeking a stay on environmental concerns is encouraged to file its request as soon as possible in order to permit the Commission to review and act on the request before the effective date of this exemption.

² See *Exempt. of Rail Abandonment—Offers of Finan. Assist.*, 4 I.C.C.2d 164 (1987).

³ The Commission will accept a late-filed trail use request as long as it retains jurisdiction to do so.
