**[Investigation No. 731-TA-718 (Final)]**

**Glycine From the People's Republic of China**

**Determination**

On the basis of the record<sup>1</sup> developed in the subject investigation, the Commission determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports from the People's Republic of China (China) of glycine,<sup>2</sup> provided for in subheading 2922.49.40 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV).<sup>3</sup>

**Background**

The Commission instituted this investigation effective November 15, 1994, following a preliminary determination by Commerce that imports of glycine from China were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the institution of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by

<sup>1</sup> The record is defined in § 207.2(f) of the Commission's rules of practice and procedure (19 CFR 207.2(f)).

<sup>2</sup> The product covered by this investigation is glycine which is a free-flowing crystalline material, like salt or sugar. Glycine is produced at varying levels of purity and is used as a sweetener/taste enhancer, a buffering agent, reabsorbable amino acid, chemical intermediate, and a metal complexing agent. The scope of this investigation includes glycine of all purity levels.

<sup>3</sup> Commissioner Crawford and Commissioner Bragg determine that an industry in the United States is materially injured by reason of imports of glycine from China that Commerce has found to be sold in the United States at LTFV.

publishing the notice in the **Federal Register** of December 8, 1994 (59 FR 63378). The hearing was held in Washington, DC, on February 9, 1995, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on March 14, 1995. The views of the Commission are contained in USITC Publication 2863 (March 1995), entitled "Glycine from the People's Republic of China: Investigation No. 731-TA-718 (Final)."

Issued: March 15, 1995.

BILLING CODE 7020-02-P

**INTERSTATE COMMERCE COMMISSION**

**[Docket No. AB-55 (Sub-No. 504X)]**

**CSX Transportation, Inc.—  
Abandonment Exemption—In Indiana  
County, PA**

CSX Transportation, Inc. (CSXT) has filed a notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments* to abandon approximately 11.25 miles of line between milepost 5.83 near Shelocta and milepost 17.08 near Clarksburg, in Indiana County, PA. CSXT's proposed consummation date of this abandonment is April 24, 1995.

CSXT has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Commission or with any U.S. District Court or has been decided in favor of the complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to use of this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial

revocation under 49 U.S.C. 10505(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on April 20, 1995, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,<sup>1</sup> formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),<sup>2</sup> and trail use/rail banking requests under 49 CFR 1152.29<sup>3</sup> must be filed by March 31, 1995. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by April 10, 1995, with: Office of the Secretary, Case Control Branch, Interstate Commerce Commission, Washington, DC 20423.

A copy of any pleading filed with the Commission should be sent to applicant's representative: Charles M. Rosenberger, CSX Transportation, Inc., 500 Water St. J150, Jacksonville, FL 32202.

If the notice of exemption contains false or misleading information, the exemption is void ab initio.

CSXT has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. The Section of Environmental Analysis (SEA) will issue an environmental assessment (EA) by March 24, 1995. Interested persons may obtain a copy of the EA by writing to SEA (Room 3219, Interstate Commerce Commission, Washington, DC 20423) or by calling Elaine Kaiser, Chief of SEA, at (202) 927-248. Comments on environmental and historic preservation matters must be filed within 15 days after the EA is available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Decided: March 14, 1995.

<sup>1</sup> A stay will be issued routinely by the Commission in those proceedings where an informed decision on environmental issues (whether raised by a party or by the Commission's Section of Environmental Analysis in its independent investigation) cannot be made before the effective date of the notice of exemption. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any entity seeking a stay on environmental concerns is encouraged to file its request as soon as possible in order to permit the Commission to review and act on the request before the effective date of this exemption.

<sup>2</sup> See *Exempt. of Rail Abandonment—Offers of Finan. Assist.*, 4 I.C.C.2d 164 (1987).

<sup>3</sup> The Commission will accept a late-filed trail use request as long as it retains jurisdiction to do so.

By the Commission, David M. Konschnik,  
Director, Office of Proceedings.

BILLING CODE 7035-01-P

**DEPARTMENT OF JUSTICE**

**Notice of Lodging of Consent Decree  
Pursuant to the Comprehensive  
Environmental Response,  
Compensation and Liability Act**

Notice is hereby given that on March 9, 1995, a proposed Consent Decree in *United States v. Arrowhead Refining Co. et al.*, Civil Action 5-89-202, was lodged with the United States District Court for the District of Minnesota. This consent decree represents a settlement of claims against 209 parties under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. 9601 *et seq.* (CERCLA).

The consent decree requires 44 parties (the Settling Defendants) to perform one component of the remedial action (the "sludge pit" clean-up) at the Arrowhead Refining Co. Site (the Site) at an approximate cost of \$12.52 million. These parties have already spent \$6.4 million in Site related investigative and response activities. In addition, the Settling Defendants are required to pay an additional \$134,800 to federal and state natural resources trustees for use in habitat restoration projects.

One hundred and sixty-five other parties, including De Minimis and De Micromis parties, "Hardship" parties, a defunct owner/operator, eight federal entities, and several oil company defendants, will contribute financially to the Settling Defendants' performance of the remedial action.

This settlement was part of EPA's Mixed Funding Pilot Project. In addition to the work to be performed by the Settling Defendants, EPA and the Minnesota Pollution Control Agency (MPCA) intend to undertake the remaining soils and groundwater components of the remedial action as "mixed work." These portions of the remedy are expected to cost approximately \$6.35 million and \$1.0 million, respectively.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General of the

Environment and Natural Resources  
Division, Department of Justice,  
Washington, D.C. 20530, and should  
refer *United States v. Arrowhead  
Refining Co. et al.* D.J. Ref. 90-11-3-  
164.

The proposed Consent Decree may be examined at the Office of the United States Attorney, District of Minnesota, 234 U.S. Courthouse, 110 South Fourth Street, Minneapolis, Minnesota, at the Region V Office of the Environmental Protection Agency, 200 West Adams Street, Chicago, Illinois, and at the Consent Decree Library, 1120 G Street, N.W., 4th Floor, Washington, DC 20005, (202) 624-0892. A copy of the proposed Consent Decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, N.W., 4th Floor, Washington, DC 20005. In requesting a copy, please enclose a check in the amount \$26.75 (25 cents per page reproduction cost) payable to the Consent Decree Library.

**Notice of Lodging of Modification of  
Consent Decree Under Sections 106  
and 107 of the Comprehensive  
Environmental Response,  
Compensation, and Liability Act**

In accordance with Department policy, 28 CFR 50.7 and 42 U.S.C. 9622(d)(2), notice is hereby given that on February 27, 1995 a proposed Modification of Consent Decree in *United States v. Champion International Corporation*, Civil Action No. CV-89-127-M-CCL, was lodged with the United States District Court for the District of Montana. The consent decree in this case was entered on October 18, 1989 pursuant to Sections 106 and 107 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9606 and 9607, between the United States and Champion International Corporation ("Champion") to resolve the CERCLA liability of Champion for the Libby Groundwater National Priorities List Superfund Site located in Libby, Montana. The decree required Champion, *inter alia*, to implement the December 1988 Record of Decision ("ROD") issued by the United States Environmental Protection Agency ("EPA") for the Site. The decree provided a covenant not to sue Champion by the United States under
