Poster session to begin one half hour earlier.

Written comments should be sent to Mr. Alan R. Candlish, Study Manager, Bureau of Reclamation, North-Central California Area Office, 7794 Folsom Dam Road, Folsom, CA 95630; or Mr. Gene Robinson, Sacramento Metropolitan Water Authority, 5620 Birdcage Street, Suite 180, Citrus Heights, CA 95610-7632.

FOR FURTHER INFORMATION CONTACT: Mr. Alan R. Candlish, Study Manager, Bureau of Reclamation, telephone (916) 989-7255; or Mr. Gene Robinson,

Sacramento Metropolitan Water Authority, telephone (916) 967-7692. Letters of inquiry may be sent to the addresses above.

SUPPLEMENTARY INFORMATION: The American River Water Resources Investigation began in 1992 and potential alternative solutions were developed. Three alternatives are being presented for further consideration: (1) Conjunctive use (between ground water and surface water sources); (2) conjunctive use with new storage (possible reservoir sites include Clay Station, Deer Creek, Duck Creek, Small Alder, South Gulch, Texas Hill, and the possible enlargement of the existing Farmington Reservoir); and (3) the construction of a full-size Auburn Reservoir. The investigation is now at the point where the preparation of the EIS/EIR is ready to begin.

Oral comments regarding the proposed alternatives are welcome at the public meetings. Written comments must be received at the above address by May 8, 1995, to ensure consideration in the development of the EIS/EIR.

Dated: March 24, 1995.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Advanced Lead-Acid Battery Consortium

Notice is hereby given that, on February 17, 1995, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Advanced Lead-Acid Battery Consortium ("ALABC"), a discrete program of the International Lead Zinc Research Organization, Inc. ("ILZRO"), has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Whatman Paper, Ltd., has withdrawn its membership with the ALABC.

No other changes have been made in either the membership or planned activity of the group research project. Membership remains open and the

ALABC intends to file additional written notification disclosing all changes in membership.

On June 15, 1992, the ALABC filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on July 29, 1992, 57 Fr 33522. The last notification was filed with the Department on August 26, 1994.

This notice has not yet been published in the **Federal Register** pursuant to Section 6(b) of the Act.
