L. Objective Review Process

Applications meeting eligibility requirements that are complete, responsive, and conform to this program announcement will be reviewed by an Objective Review Committee (ORC) in accordance with IHS objective review procedures. The objective review process ensures a nationwide competition for limited funding. The ORC will be comprised of IHS (40% or less) and other federal or nonfederal individuals (60% or more) with appropriate expertise. The ORC will review each application against established criteria. Based upon the evaluation criteria, the reviewers will assign a numerical score to each application, which will be used in making the final funding decision. Approved applications scoring less than 60 points will not be considered for funding.

M. Results of the Review

The results of the objective review are forwarded to the Associate Director, Office of Human Resources (OHR), for final review and approval. The Associate Director, OHR, will also consider the recommendations from the Division of Health Professions

Recruitment and Training and Grants Management Branch. Applicants are notified in writing on or about August 1, 1995. A Notice of Grant Award will be issued to successful applicants. Unsuccessful applicants are notified in writing of disapproval. A brief explanation of the reasons the application was not approved is provided along with the name of the IHS official to contact if more information is desired.

**Comprehensive Needs Assessments—
Instead of Notices of Funding
Availability (NOFAs) for Flexible
Subsidy and Loan Management Set-
Aside**

AGENCY: Office of the Assistant
Secretary for Housing-Federal Housing
Commissioner, HUD.

ACTION: Notice of funding through
comprehensive needs assessments.

SUMMARY: HUD plans to exclude the Flexible Subsidy and the Loan Management Set-Aside programs from the traditional NOFA process, beginning with Fiscal Year 1995. Instead, the funding for the projects under those two programs will be made on a noncompetitive basis. Funding will be based on Comprehensive Needs Assessments (CNAs) and other applicable program requirements. Funds will be allocated on a first come, first served basis from among those projects selected by local HUD offices to participate in the CNA program. The CNA approach will provide HUD with the flexibility to target limited resources to those projects most in need of repair. At a later date, HUD will publish a separate notice announcing the funding and criteria for the Flexible Subsidy and Loan Management Set-Aside Programs.

EFFECTIVE DATE: Funding through Comprehensive Needs Assessments for the Flexible Subsidy and Loan Management Set-aside programs will be effective April 20, 1995.

SUPPLEMENTARY INFORMATION:

I. Legal Authority and Purpose

(a) Authority

Comprehensive Needs Assessments (CNAs) are legislatively authorized by Title IV of the Housing and Community Development Act of 1992 (HCDA 1992) (12 U.S.C. 1715z-1a note), as amended by section 103 of the Multifamily Housing Property Disposition Reform Act of 1994 (Pub. L. 103-233; approved April 11, 1994).

(b) Purpose

HUD is publishing this notice to inform HUD clients of a forthcoming change in funding practice. HUD will fund the Flexible Subsidy program (24 CFR part 219) and the Loan Management Set-Aside program (LMSA) (24 CFR part 886) through the CNA approach instead of the Notice of Funding Availability (NOFA) process. The purpose of this change is to provide HUD with the flexibility to target limited resources to those projects HUD deems to be most in need of repair.

II. Description of the CNA Approach

HUD will publish a separate notice announcing the funding and criteria for the Flexible Subsidy and Loan Management Set-Aside programs. For the funding of the Flexible Subsidy program, all parts of section 201(m) of the HCDA of 1978 will be met, including the parts that provide that the Secretary may make exceptions to the CNA approach when funding flexible subsidy to address certain emergency needs in projects. Loan Management Set-Aside will be funded based upon the needs identified in the Comprehensive Needs Assessment and other program requirements. HUD has issued a separate notice (H-95-27, dated 3/30/95) to the local HUD offices and industry explaining the CNA Program and process, and informing them how to select projects, beginning in Fiscal Year (FY) 1995.

(a) Contents in General

The CNAs submitted by applicants for the Flexible Subsidy and LMSA programs must contain the following information about the property:

(1) A description of current and future financial resources and needs of certain multifamily projects;

(2) A description of the involvement of project residents in its development, from start to finish;

(3) The results of a thorough and detailed physical inspection of the project;

(4) A statement of any assistance needed under programs administered by HUD;

(5) A description of available funding for meeting the current and future needs of the project and the likelihood of obtaining such resources. These resources include the assistance of private foundations, State and local governments, any HUD programs (including Community Planning and Development programs), rent increases, refinancing, Flexible Subsidy, LMSA, and Section 241 loans;

(6) Descriptions of modernization needs and activities, supportive services needed and provided, and any personnel needs of the project.

(b) Applicability of CNA Approach

Unless their project has received or is receiving assistance under the HOME Investment Partnerships Act, owners of the following kinds of projects are required to submit a Comprehensive Needs Assessment:

(1) Section 221(d)(3) (Market Interest Rate) projects, Section 221(d)(5) (Below Market Interest Rate) projects, and Section 236 projects with mortgages insured, assisted or held by HUD (including State/Local Agency Section 236 projects), *unless* the owner is receiving or has received assistance under titles II (ELIHPHA) or VI (LIHPRHA) or has filed a Notice of Intent under those statutes.

Note: Projects subject to prepayment restrictions under Title II or Title VI and that have *not* received assistance or filed a Notice of Intent under those statutes may not participate in the CNA Program in fiscal years 1995 or 1996 but may do so thereafter.

(2) Section 202 projects for elderly and handicapped and Section 202 Supportive Housing for the Elderly.

(3) Section 811 Supportive Housing for Persons with Disabilities.

(c) Cost Features for CNA

The project's mortgagor is responsible to pay for the preparation of the CNA. Based on section 404(e) of the HCDA 1992, HUD will consider CNA expenses up to \$5,000 as eligible project expenses (payable from project funds). Up to that limit, HUD will authorize releases from Residual Receipts accounts and Reserve Fund for Replacement accounts when a project's operating account is insufficient to fund the CNA. While CNA preparation costs are considered to be an eligible project expense, they cannot be included to calculate rent increases.
