

will have a significant economic impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and that otherwise qualify as "small business concerns" under section 3 of the Small Business Act (15 U.S.C. 632).

For reasons given in the Regulatory Evaluation, the Coast Guard expects the impact of this regulation to be minimal. The Coast Guard certifies under 5 U.S.C. 605(b) that this regulation will not have a significant economic impact on a substantial number of small entities.

Collection of Information

This regulation contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501).

Federalism

The Coast Guard has analyzed this action in accordance with the principles and criteria contained in Executive Order 12612 and has determined that this regulation does not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard has considered the environmental impact of this regulation and concluded that under section 2.B.2.e. of Commandant Instruction M16475.1B, revised 59 FR 38654, July 29, 1994, the promulgation of this regulation is categorically excluded from further environmental documentation. A Categorical Exclusion Determination and Environmental Analysis Checklist are included in the docket. An appropriate environmental analysis of the transit under the National Environmental Policy Act will be conducted in conjunction with the marine event permitting process.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Vessels, Waterways.

Final Regulation

For reasons set out in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; 49 CFR 1.46.

2. A temporary § 165.T01-023 is added to read as follows:

§ 165.T01-023 Safety Zone; USS AMERICA, Fleet Week '95, Port of New York and New Jersey.

(a) *Location.* This moving safety zone includes all waters within 500 yards fore and aft and 200 yards to each side of the USS AMERICA, as it transits the Port of New York and New Jersey between Ambrose Channel Lighted Whistle Buoy "A", at or near 40°28.8' N latitude, 73°53.7' W longitude, and its berth at Pier 88, Manhattan, on the Hudson River.

(b) *Effective period.* This section is effective on May 24, 1995, from 9:15 a.m. until 3 p.m., and on May 31, 1995, from 7:30 a.m. until 1 p.m., unless extended or terminated sooner by the Captain of the Port, New York.

(c) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply to this safety zone.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. U.S. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard vessel via siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

Dated: April 20, 1995.

J. Rutkovsky,

Commander, U.S. Coast Guard, Captain of the Port, New York, Acting.

BILLING CODE 4910-14-M

33 CFR Part 165

[CGD13-95-014]

Safety Zone Regulations; Cinco De Mayo Fireworks Display, Willamette River, Portland OR

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone for the Cinco De Mayo Fireworks Display which is scheduled to be held in Portland, Oregon, on May 5, 1995. The safety zone will be located on the Willamette River between the Morrison and Hawthorne Bridges from river mile 12.8 to river mile 13.1. This safety zone is needed to protect persons, facilities, and vessels from safety hazards associated with a fireworks display. Entry into this safety zone is prohibited unless authorized by the Captain of the Port.

EFFECTIVE DATES: This regulation becomes effective on May 5, 1995, at 8:30 p.m. (PDT) and terminates on May

5, 1995, at 11:30 p.m. (PDT), unless sooner terminated by the Captain of the Port. If the fireworks display is not held on May 5, 1995, because of inclement weather or otherwise, this regulation will become effective on May 6, 1995, at 8:30 p.m. (PDT) and will terminate on May 6, 1995, at 11:30 p.m. (PDT), unless sooner terminated by the Captain of the Port.

FOR FURTHER INFORMATION CONTACT: LTJG C. A. Roskam, c/o Captain of the Port Portland, 6767 N. Basin Ave, Portland, Oregon 97217-3992, (503) 240-9338.

SUPPLEMENTARY INFORMATION:

Regulatory History

Pursuant to 5 U.S.C. 553, a notice of proposed rulemaking was not published for this regulation and good cause exists for making it effective less than 30 days after **Federal Register** publication. Publishing a NPRM and delaying its effective date would be contrary to the public interest since immediate action is necessary to ensure the safety of structures and vessels operating in the area of the fireworks display. Due to the complex planning and coordination involved, the event sponsor, Amusement Consulting, Inc., was unable to provide the Coast Guard with notice of the final details until 30 days prior to the date of the event. Therefore, sufficient time was not available to publish the proposed rule in advance of the event or to provide a delayed effective date. Following normal rulemaking procedures in this case would be impracticable.

Drafting Information: The principal persons involved in drafting this document are LTJG C. A. Roskam, project officer for the Captain of the Port of Portland, OR, and LCDR J.C. Odell, project counsel, Thirteenth Coast Guard District Legal Office.

Background and Purpose

The event requiring this regulation is a fireworks display sponsored by Amusement Consulting, Inc., as part of the Cinco De Mayo celebration in the Portland, Oregon, area. The fireworks display is scheduled to begin on May 5, 1995, at 9:30 p.m. (PDT). If the fireworks display cannot be held on May 5, 1995, because of inclement weather or otherwise, it will be rescheduled for May 6, 1995, at 9:30 p.m. (PDT).

During the fireworks display, spectator vessels may attempt to approach the fireworks launching barge at close range. If allowed to do so, these vessels and the persons onboard them will be exposed to potential damage, fire, and personal injury due to sparks, falling debris, and unexploded fireworks.

In order to protect the safety of life and property on the navigable waters during this event, the Coast Guard is establishing a safety zone around the fireworks launching barge on the waters of the Willamette River from river mile 12.8 to river mile 13.1 between the Morrison and Hawthorne Bridges. Entry into this zone will be prohibited unless authorized by the Captain of the Port. This safety zone will be enforced by representatives of the Captain of the Port Portland. The Captain of the Port may be assisted by other federal agencies.

Regulatory Evaluation

This temporary final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This expectation is based on the fact that the entry into the safety zone will only be restricted for 3 hours on the day of the event. The entities most likely to be affected by this action are commercial tug and barge operators on the Willamette River. Most of these entities are aware of the fireworks display and the safety zone, and they can schedule their transits accordingly. If safe to do so, the representative of the Captain of the Port assigned to enforce this safety zone may authorize commercial vessels to pass through the safety zone on a case-by-case basis.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this final rule will have a significant economic impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and that otherwise qualify as "small business concerns" under section 3 of the Small Business Act (15 U.S.C. 632).

For the reasons outlined in the Regulatory Evaluation above, the Coast Guard expects the impact of this final rule to be minimal on all entities. Therefore, the Coast Guard certifies under 5 U.S.C. 605(b) that this final rule

will not have a significant economic impact on a substantial number of small entities.

Collection of Information

This final rule contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*)

Federalism

The Coast Guard has analyzed this final rule in accordance with the principles and criteria contained in Executive Order 12612, and it has been determined that this final rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environmental Assessment

The Coast Guard has considered the environmental impact of this final rule and has concluded that, under section 2.B.2.c. of Commandant Instruction M16475.1B, it is categorically excluded from further environmental documentation. A Categorical Exclusion Determination has been prepared and placed in the rulemaking docket.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

Final Regulation

For the reasons set out in the preamble, the Coast Guard amends Part 165 of Title 33, Code of Federal Regulations, as follows:

PART 165—[AMENDED]

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; 49 CFR 1.46.

2. A temporary section 165.T13–013 is added to read as follows:

§ 165.T13–013 Safety Zone; Willamette River, Portland, OR

(a) *Location.* The following area is a safety zone: All waters on the Willamette River between the Morrison and Hawthorne Bridges from river mile 12.8 to river mile 13.1, Portland, Oregon.

(b) *Definitions.* The *designated representative of the Captain of the Port* is any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port Portland, to act on his behalf. The following officers have or will be designated by the Captain of the Port: The Coast Guard Patrol Commander, the

senior boarding officer on each vessel enforcing the safety zone, and the Duty Officer at Coast Guard Group Portland, Oregon.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into this safety zone is prohibited unless authorized by the Captain of the Port or his designated representatives.

(2) A succession of sharp, short signals by whistle, siren, or horn from vessels patrolling the area under the direction of the Patrol Commander shall serve as a signal to stop. Vessels or persons signalled shall stop and comply with the orders of the patrol vessels; failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(d) *Effective Dates.* This section is effective on May 5, 1995, at 8:30 p.m. (PDT) and terminates on May 5, 1995, at 11:30 p.m. (PDT), unless sooner terminated by the Captain of the Port. If the fireworks display is not held on May 5, 1995, because of inclement weather or otherwise, this section will become effective on May 6, 1995, at 8:30 p.m. (PDT) and will terminate on May 6, 1995, at 11:30 p.m. (PDT), unless sooner terminated by the Captain of the Port.

Dated: April 18, 1995.

C.E. Bills,

Captain, U.S. Coast Guard, Captain of the Port.

BILLING CODE 4910–14–M

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 2

[ET Docket No. 91–280; FCC 95–114]

Mobile-Satellite Service at 148–149.9 MHz

AGENCY: Federal Communications Commission.

ACTION: Final Rule; Petition for Reconsideration.

SUMMARY: By this action, we deny a Petition for Reconsideration filed by STARSYS, Inc. (STARSYS). In its petition, STARSYS requests either that the Commission increase the permissible duty cycle from 0.25% to 1.0% per 15 minute interval for those systems in the low-Earth orbit (LEO) mobile-satellite service (MSS) operating in the 148–149.9 MHz band that use code division multiple access (CDMA) spread spectrum systems and which do not utilize a system that avoids frequencies used by other services in
