NATIONAL TRANSPORTATION SAFETY BOARD

49 CFR Part 821

Aviation Rules of Practice; General Revisions

AGENCY: National Transportation Safety Board.

ACTION: Final rule.

SUMMARY: This revision corrects an inadvertent change. By **Federal Register** notice published November 15, 1994 (59 FR 59042), the Safety Board revised a number of its rules of practice, including 49 CFR 821.48(e). The Board inadvertently failed to retain a part of that rule. This notice reinstates the sentence that was dropped.

DATES: The new rule is effective on May 12, 1995.

FOR FURTHER INFORMATION CONTACT: Jane F. Mackall, (202) 382-6540.

SUPPLEMENTARY INFORMATION: Effective January 17, 1995, the Safety Board implemented numerous revisions to its rules of practice. The rule at 49 CFR 821.48(e) was revised to permit the filing, subsequent to briefs, of citations to supplemental authorities. Unintentionally, the paragraph did not retain then-current language prohibiting other briefs, unless authorized on a showing of good cause. To avoid any future misinterpretation, by this notice, that sentence is reinstated.

2. Section 821.48 is amended by revising paragraph (e) to read as follows:

§ 821.48 Briefs and oral argument.

(e) *Other briefs.* Subsequent to brief filing, parties may file citations to supplemental authorities. This procedure may be used only for identifying new, relevant decisions, not to correct omissions in briefing or to respond to a reply. No argument may be included in such filings. Parties shall submit, with any decision, a reference to the page of the brief to which the decision pertains. Any response shall be filed within 10 days and shall be similarly limited. With this exception, no further briefs may be filed, except with specific permission of the Board and on a showing of good cause.

Sea Turtle Conservation; Restrictions Applicable to Shrimp Trawl Activities; Leatherback Conservation Zone

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Interim rule.

SUMMARY: NMFS issues this interim rule to establish all inshore and offshore waters from Cape Canaveral, FL (28°24.6' N. lat.) to the North Carolina-Virginia border (36°30.5' N. lat.) as the leatherback conservation zone and to provide for short-term closures of areas in that zone when high abundance levels of leatherback turtles are documented. Upon such documentation, NMFS will prohibit, in the closed areas, fishing by any shrimp trawler required to have a turtle excluder device (TED) installed in each net that is rigged for fishing, unless the TED installed is specified in the regulations as having an escape opening large enough to exclude leatherback turtles. This interim rule is necessary to reduce mortality of endangered leatherback sea turtles incidentally captured in shrimp trawls. In addition, NMFS is publishing a proposed rule elsewhere in this **Federal Register** to establish on a permanent basis the leatherback conservation zone and procedure for imposing short-term
