

in compliance with the requirements of the applicable program;

(2) SEA has submitted to the Secretary a plan for the use of the funds to be awarded under the grantback arrangement that meets the requirements of the program and, to the extent possible, benefits the population that was affected by the failure to comply or by the misexpenditures that resulted in the audit exception; and

(3) Use of funds to be awarded under the grantback arrangement in accordance with the SEA's plan would serve to achieve the purposes of the program under which the funds were originally granted.

C. Plan for Use of Funds Awarded Under a Grantback Arrangement

Pursuant to section 459(a)(2) of GEPA, the SEA has applied for a grantback totaling \$17,820, which is slightly less than 75 percent of the principal amount recovered by the Department, and has submitted a plan on behalf of the LEA for use of the grantback funds to meet the special education needs of children with disabilities. Under section 459(c) of GEPA, 20 U.S.C. 1234h(c), these funds are available for expenditure until September 30, 1995. According to the plan, the LEA will use grantback funds to supplement its current program of providing instructional assistants assigned to eligible students in either one-on-one or small groups. This allows many students more opportunities for further participation with their non-disabled peers. The LEA already supplements the related services for the students in the areas of counseling, speech, occupational and physical therapy. The grantback funds will provide for the acquisition of augmentative communication devices, adaptive equipment, and materials to allow these children enhanced opportunities to participate with their non-disabled peers to the maximum extent appropriate.

D. The Secretary's Determinations

The Secretary has carefully reviewed the plan submitted by the SEA. Based upon that review, the Secretary has determined that the conditions under section 459 of GEPA have been met.

These determinations are based upon the best information available to the Secretary at the present time. If this information is not accurate or complete, the Secretary may take appropriate administrative action. In finding that the conditions of section 459 of GEPA have been met, the Secretary makes no determination concerning any pending audit recommendations or final audit determinations.

E. Notice of the Secretary's Intent To Enter Into a Grantback Arrangement

Section 459(d) of GEPA requires that, at least 30 days before entering into an arrangement to award funds under a grantback, the Secretary must publish in the **Federal Register** a notice of intent to do so, and the terms and conditions under which the payment will be made.

In accordance with section 459(d) of GEPA, notice is hereby given that the Secretary intends to make funds available to the SEA under a grantback arrangement. The grantback award would be in the amount of \$17,820.

F. Terms and Conditions Under Which Payments Under a Grantback Arrangement Would Be Made

The SEA and LEA agree to comply with the following terms and conditions under which payments under a grantback arrangement would be made:

(1) The funds awarded under the grantback must be spent in accordance with—

(a) All applicable statutory and regulatory requirements;

(b) The plan that the SEA submitted and any amendments to that plan that are approved in advance by the Secretary; and

(c) The budget that was submitted with the plan and any amendments to the budget that are approved in advance by the Secretary.

(2) All funds received under the grantback arrangement must be obligated by September 30, 1995, in accordance with section 459(c) of GEPA;

(3) The SEA, on behalf of the LEA, will, not later than December 31, 1995, submit a report to the Secretary that—

(a) Indicates that the funds awarded under the grantback have been spent in accordance with the proposed plan and approved budget; and

(b) Describes the results and effectiveness of the project for which the funds were spent.

(4) Separate accounting records must be maintained documenting the expenditures of funds awarded under the grantback arrangement.

May 10, 1995.

Take notice that on May 5, 1995, Williston Basin Interstate Pipeline Company (Williston Basin or Company) tendered for filing revised tariff sheets to the Company's cancelled Original Volume No. 1-A of its FERC Gas Tariff which has been superseded by Second Revised Volume No. 1 to Williston Basin's FERC Gas Tariff.
