BILLING CODE 6718-03-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****45 CFR Parts 205, 224, 233, 238, 239, 240, and 282****Public Assistance Programs; etc.; Removal of Obsolete Work Program Regulations****AGENCY:** Administration for Children and Families (ACF), HHS.**ACTION:** Final rule; removal.

SUMMARY: This notice removes several obsolete provisions from the Code of Federal Regulations. Most involve work program activities which were superseded when State welfare agencies began their JOBS programs in 1989 or 1990.

DATES: Effective date is May 17, 1995.**FOR FURTHER INFORMATION CONTACT:** Ann Burek (202) 401-4528.

SUPPLEMENTARY INFORMATION: In September of 1993 President Clinton issued Executive Order 12866 which called for Federal regulations which were less burdensome, more effective and more consistent with Administration priorities. In response, in January of 1994, ACF published a notice in the **Federal Register** providing a plan for periodic review of existing rules and soliciting ideas.

In early March of 1995, the President issued a new directive to Federal agencies regarding their responsibilities under his Regulatory Reinvention Initiative. (This initiative is part of the National Performance Review and calls for more immediate, comprehensive regulatory reform.) He directed all agencies to undertake an exhaustive review of all their regulations—with an eye towards eliminating or modifying those that are obsolete or which are otherwise in need of reform. This notice represents one of the first steps in ACF's response to this new directive.

We are issuing a final rule rather than a notice of proposed rulemaking because we have determined, for good cause, that publication of a proposed rule and solicitation of comments would be neither necessary nor fruitful. This final rule affects only obsolete provisions and programs. Furthermore, this final rule will be effective immediately upon publication. It is unnecessary to postpone the effective date since none of the provisions being removed are in effect, and no time for implementation is required.

Statutory Authority

We are publishing these rules under the general authority provided under section 1102 of the Social Security Act, 42 U.S.C. § 1302. This section requires publication of regulations that may be necessary for the efficient administration of the functions under the Social Security Act.

Work Programs

Under the Family Support Act of 1988, Pub. L. 100-485, Congress created the Job Opportunities and Basic Skills Training (JOBS) program to improve the job prospects of welfare recipients and help them become self-sufficient. It required States to begin operating their JOBS programs by October 1, 1990. If a State began operating its JOBS programs sooner, the regulations governing the separate work programs authorized under parts A and C of title IV of the Social Security Act—i.e., the Work Incentive (or WIN) program; the Work Incentive Demonstration (or WIN Demo) program; the Community Work Experience Program (or CWEP); the Work Supplementation Program; and the Employment Search Program—became inapplicable with the start of the JOBS program. Nationwide, these programs were repealed as of October 1, 1990. Thus, the regulations which governed these programs are obsolete. (In fact, the regulations at 45 CFR 224.0(c), 238.01(b), 239.01(b), and 240.01(b) explicitly provided for the repeal of the provisions of parts 224, 238, 239 and 240, respectively, effective October 1, 1990.)

Accordingly, this notice removes parts 224 (covering WIN), 238 (covering CWEP), 239 (covering Work Supplementation), and 240 (covering Employment Search) from Title 45. It also removes regulations at: 1) 45 CFR 233.20(a)(11)(iv), which provided for the disregard of certain payments made under the WIN program; and 2) 45 CFR 205.146(a), which provided for penalties on States which did not meet WIN certification requirements.

The only regulations issued for the WIN Demo program were regulations governing WIN Demo evaluations. These regulations, at 45 CFR 205.80, are also obsolete and being removed.

Demonstration Projects

Section 1115(b) of the Social Security Act authorizes work-related demonstration projects for welfare recipients. Under paragraph (6) of that subsection, such demonstrations could not extend beyond September 30, 1980. Thus, we have no further need of rules for these demonstrations, and we are deleting 45 CFR part 282.

Income, Eligibility and Verification Systems

Finally, 45 CFR 205.62 includes provisions covering the initial implementation of State Income, Eligibility and Verification Systems (or IEVS) in 1986. Since the provisions are no longer relevant, we are deleting them.

Regulatory Procedures—Executive Order 12866

This final rule has been reviewed pursuant to Executive Order 12866. Executive Order 12866 requires that regulations be reviewed for consistency with the priorities and principles set forth in the Executive Order. ACF has determined that this rule is consistent with these priorities and principles. Most specifically, it responds directly to the President's new Regulatory Reinvention Initiative by cutting obsolete regulations and getting rid of yesterday's government. It entails no increase in cost or burden on State and local governments or other entities.

Regulatory Flexibility Act

Consistent with the Regulatory Flexibility Act (Pub. L. 96-354), which requires the Federal government to anticipate and reduce the impact of rules and paperwork requirements on small businesses and other small entities, the Department certifies that this rule has no significant effect on a substantial number of small entities. Therefore, a regulatory flexibility analysis is not required.

Paperwork Reduction Act

This regulation contains no information collection requirements which are subject to review and approval by OMB under the Paperwork Reduction Act of 1980 (44 U.S.C. § 3500 *et. seq.*).

Removal of Obsolete Provisions Related to the Former Community Services Administration

AGENCY: Administration for Children and Families (ACF), HHS.

ACTION: Final rule.

SUMMARY: This final rule removes a number of obsolete provisions from the Code of Federal Regulations. These provisions concern program activities under the former Community Services Administration (CSA) which were superseded by Community Services Block Grant Act, enacted as part of the Omnibus Budget Reconciliation Act of 1981.

DATES: Effective date is May 17, 1995.

SUPPLEMENTARY INFORMATION: In September of 1993, President Clinton issued Executive Order 12866 which called for Federal regulations which were less burdensome, more effective and more consistent with Administration priorities. In response, in January of 1994, ACF published a notice in the **Federal Register** providing a plan for periodic review of existing rules and soliciting ideas.

In early March of 1995, the President issued a new directive to Federal agencies regarding their responsibilities under his Regulatory Reinvention Initiative. This initiative is part of the National Performance Review and calls for immediate, comprehensive regulatory reform. He directed all agencies to undertake an exhaustive review of all their regulations—with an eye towards eliminating or modifying those that are obsolete or which are otherwise in need of reform. This final rule represents one of the first steps in ACF's response to this new directive.

We are issuing a final rule rather than a notice of proposed rulemaking because we have determined, for good cause, that publication of a proposed rule and solicitation of comments would be neither necessary nor fruitful. This final rule affects only obsolete provisions and programs. Furthermore, this final rule will be effective immediately upon publication because none of the provisions being removed is in effect and no time for implementation is required.

Background

On August 13, 1981, the Community Services Block Grant (CSBG) Act was enacted as part of the Omnibus budget Reconciliation Act (OBRA) of 1981 (Pub. L. 97-35, 42 U.S.C. 9901 *et seq.*). OBRA of 1981 created seven block grants in the Department of Health and Human Services, one of which was the Community Services Block Grant (CSBG) established through the CSBG Act. The CSBG Act also established a new Office of Community Services to administer the CSBG program. This new office replaced the former Community Services Administration (CSA), and the new CSBG program replaced the programs administered through the former CSA.

Soon after passage of OBRA of 1981, the Department developed and published final rules at 45 CFR Part 96 to govern the seven new block grant programs created by OBRA of 1981, including CSBG (See 47 FR 29486, July 6, 1982). Therefore, the regulations which governed the former Community Services Administration and its grantees are being removed because they are obsolete.

Accordingly, this regulation removes 45 CFR Parts 1010 (civil rights program requirements of CSA grantees; civil rights regulations), 1050 (uniform federal standards), 1060 (general characteristics of CSA-funded programs), 1061 (character and scope of specific programs), 1064 (limited purpose agencies; eligibility, organization and functions) 1067
