

necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

BILLING CODE 4910-13-M

DEPARTMENT OF THE TREASURY

Departmental Office

31 CFR Part 1

Freedom of Information Act and Privacy Act of 1974; Implementation

AGENCY: Departmental Offices, Treasury.
ACTION: Final Rule.

SUMMARY: The Department of the Treasury is amending its regulations implementing the Freedom of Information Act (FOIA) and the Privacy Act (PA) to add the Office of Thrift Supervision as a component of the Department and to include instructions on gaining access to information maintained by the Office of Thrift Supervision.

EFFECTIVE DATE: June 16, 1995.

ADDRESSES: Comments may be submitted to the Department of the Treasury, Disclosure Services, Room 1054-MT, 1500 Pennsylvania Avenue, NW., Washington, DC 20220.

FOR FURTHER INFORMATION CONTACT: Dale Underwood, Privacy Act Officer, Disclosure Services, Department of the Treasury. Telephone (202) 622-0874.

SUPPLEMENTARY INFORMATION: The Office of Thrift Supervision (OTS), as a component of the Department of the Treasury (Department), is subject to the Department's FOIA regulations at 31 CFR part 1, subpart A. The amendment adds the OTS to the list of components of the Department by inserting new language at 31 CFR 1.1(d)(13). This amendment also removes language identifying the office of the Assistant Secretary for Tax Policy as a distinct component because it is a part of the Departmental Offices and therefore, subject to appendix A of this subpart. The amendment adds language in appendix M to reflect the inclusion of OTS' FOIA appendix covering the OTS FOIA program as part of the Departmentwide regulations. The amended appendix covering the OTS FOIA program identifies the location of the public reading room. It also describes how to make a request under 31 CFR 1.5(g), administrative appeals under 31 CFR 1.5(h), and where each request or appeal should be addressed and where a request can be delivered.

The Department's Privacy Act regulations at 31 CFR part 1, Subpart C, refer to the Department's Privacy Act program as part of the Departmentwide disclosure program. The appendices to subpart C apply to all records which are contained in systems of records maintained by the Department of the Treasury, or any one of its components, and which are retrieved by an individual's name or personal identifier.

The amendment to Subpart C adds the OTS to the list of components of the Department by inserting new language at 31 CFR 1.20(m). Appendix M is being added to include the OTS' implementation of provisions of the Privacy Act of 1974 (5 U.S.C. 552a). Appendix M sets forth the procedures by which individuals may request notification of whether the OTS maintains or has disclosed a record pertaining to them, or seek access to such records maintained in any nonexempt system of records, request correction of such records, appeal any initial adverse determination of any request for amendment.

The rules being published amending 31 CFR 1.1(d)(2), 1.20 and the appendices are not substantial rules, nor do they have an adverse effect on an individual's rights or benefits. In addition, the appendices are not substantially different from the existing departmentwide regulations implementing the Freedom of Information Act and Privacy Act.

The appendices identify particular offices and addresses for the public to contact when making a request under

either act, or for service of process, and are applicable to OTS only. The immediate adoption of the appendices is warranted as they are the best means of informing the public of the procedures which should be used to gain access to the records of OTS pursuant to the FOIA and PA. Such rules and regulations are required by FOIA and PA to be published by an agency pursuant to 5 U.S.C. 552(3)(B) and 5 U.S.C. 552a(f).

Accordingly, pursuant to the administrative procedures provisions of 5 U.S.C. 553, the Department of the Treasury finds good cause that prior notice and other public procedure with respect to this rule are impracticable and unnecessary; and finds good cause for making this rule effective less than 30 days after publication of this document in the **Federal Register**.

As required by Executive Order 12866, it has been determined that this rule does not constitute a "significant regulatory action."

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601-612, do not apply.

In accordance with the provisions of the Paperwork Reduction Act of 1980, the Department of the Treasury has determined that this rule would not impose new recordkeeping, application, reporting, or other types of information collection requirements.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 51

[FRL-5222-1]

Air Quality: Revision to Definition of Volatile Organic Compounds—Exclusion of Acetone

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This action revises the definition of volatile organic compounds (VOC) for purposes of preparing State implementation plans (SIP's) to attain the national ambient air quality standards (NAAQS) for ozone under title I of the Clean Air Act (Act) and for the Federal implementation plan for the Chicago ozone nonattainment area. This action adds acetone to the list of compounds excluded from the definition of VOC on the basis that these compounds have been determined to have negligible photochemical reactivity.
