Procurement List Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the Procurement List.

SUMMARY: This action adds to the Procurement List brass label holders to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATES: August 21, 1995.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On March 3, 1995, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (60 F.R. 11958) of proposed addition to the Procurement List.

Comments were received from the current contractor for the label holder. The contractor claimed that it had been producing the holder for the Government for a number of years and loss of these sales would have a considerable impact on the company. The contractor also noted that it had used worked with disabilities in the past to package the holders. The contractor questioned whether people with severe disabilities could safely and efficiently manufacture the holders, or whether manufacturing operations would be subcontracted to a competitor of the contractor.

Projections of Government needs for the holder have declined substantially since the contractor last supplied it to the Government. Accordingly, the contractor's sales figures have been adjusted to account for the newer projections. The resulting level of impact is well below the level which the Committee considers severe adverse impact, even when the contractor's longtime dependence on sales of the holder to the Government is taken into account.

The contractor is not now using people with disabilities to package the holder. Committee inquiries revealed that the contractor had not used the disability organization it named for some years. Consequently, the Committee does not believe any people with disabilities will be displaced by the addition of the holder to the Procurement List.

The nonprofit agency which will produce the holder will not be subcontracting the stamping, which as the contractor noted is largely an automated process. The nonprofit agency has experience in using people with severe disabilities to perform the types of metal stamping functions required to produce the holder. These functions involve the use of high-speed, automated equipment. The nonprofit agency's successful production of several other items that require the use of such equipment demonstrates that people with severe disabilities are capable of operating it safely and efficiently.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities, fair market price, and impact of the addition on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities to the Government.

2. The action does not appear to have a severe economic impact on current contractors for the commodities.

3. The action will result in authorizing small entities to furnish the commodities to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities proposed for addition to the Procurement List.

Accordingly, the following commodities are hereby added to the Procurement List:

Holder, Label, Brass
9905-02-000-8089
9905-02-000-8008
9905-02-000-8698

This action does not affect current contracts awarded prior to the effective date of this addition or options exercised under those contracts.

Beverly L. Milkman,

Executive Director.
