BILLING CODE 7020-02-P

[Investigations Nos. 753-TA-1 through 31]

Countervailing Duty Orders

Determinations

Pursuant to section 753(b)(4) of the Tariff Act of 1930 (19 U.S.C. 1675b(b)(4)) (the Act), the Commission hereby determines that industries in the United States are not likely to be materially injured by reason of imports of the subject merchandise if the countervailing duty orders listed in the attachment were to be revoked.

Background

Section 753(a) of the Act provides that, in the case of a countervailing duty order issued under section 303 of the Act with respect to which the requirement of an affirmative determination of material injury under section 303(a)(2) was not applicable at the time the order was issued, interested parties may request the Commission to initiate an investigation to determine whether an industry in the United States is likely to be materially injured by reason of imports of the subject merchandise if the order is revoked. Further, section 753(a)(3) requires that such requests must be filed with the Commission within 6 months of the date on which the country from which the subject merchandise originates became a signatory to the Agreement on Subsidies and Countervailing Measures (the Subsidies Agreement), as referred to in section 101(d)(12) of the Uruguay Round Agreements Act.

On May 26, 1995, the Department of Commerce (Commerce) published in the **Federal Register** notice of opportunity to request injury investigation(s) under section 753 of the Act (60 F.R. 27963, May 26, 1995). In that notice, Commerce stated that, for those countries becoming signatories to the Subsidies Agreement on January 1, 1995, requests for injury

investigations must be filed with the Commission no later than June 30, 1995.

The Commission did not receive requests for investigation under section 753(a) with regard to the orders listed in the attachment. Section 753(b)(4) of the Act provides that, if a request for an injury investigation is not made within 6 months of the time the country of origin of the subject merchandise became a signatory to the Subsidies Agreement, the Commission shall notify the administering authority that it has made a negative determination with regard to the question of the likelihood of material injury by reason of imports of the subject merchandise if the order is revoked. Accordingly, pursuant to section 753(b)(4) of the Act, the Commission hereby notifies Commerce of its negative injury determinations with regard to imports subject to those orders.

Authority

These determinations are being made under authority of the Tariff Act of 1930, title VII, as amended by the URAA. This notice is published pursuant to section 207.12 of the Commission's rules.

Issued: July 17, 1995.

Secretary.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

James Simon Tashjian, M.D.

Revocation of Registration

On December 12, 1994, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to James Simon Tashjian, M.D., at 3657 Grand Avenue, Oakland, California proposing to revoke his DEA Certificate of Registration, AT8440668, and to deny any pending applications for renewal of such registration as a practitioner under 21 U.S.C. 823(f). The proposed action was predicated on Dr. Tashjian's lack of authorization to handle controlled substances in the State of California.

The DEA received the return receipt which indicated that the Order to Show Cause was accepted on December 19, 1994. More than thirty days have elapsed since the Order to Show Cause was served and the DEA has received no response from Dr. Tashjian. The Deputy Administrator finds that Dr. Tashjian has waived his opportunity for a hearing and hereby issues his final order in this matter. 21 CFR 1301.54 and 1301.57.

The Deputy Administrator finds that on November 25, 1991, the Pennsylvania Board of Medicine entered into a Consent Agreement and Order with Dr. Tashjian which provided for the voluntary surrender of his license to practice medicine. The Consent Agreement and Order also provided that Dr. Tashjian was precluded from ever applying for reactivation, renewal or reinstatement of his medical license in the Commonwealth of Pennsylvania.

On August 31, 1992, the California Medical Board filed an Accusation against Dr. Tashjian. The Accusation was based on the disciplinary action taken by the Pennsylvania Board of Medicine. On August 12, 1993, the California Medical Board issued a Default Decision and Order revoking Dr. Tashjian's medical license, thereby terminating his authority to prescribe, dispense, administer or otherwise handle controlled substances in that state.

The DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances. See 21 U.S.C. 801(21), 21 U.S.C. 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See, *Lawson A. Akpulonu, M.D.*, 60 FR 33434 (1995); *Robert C. Davis, M.D.*, 59 FR 66049 (1994); *Elliott F. Monroe, M.D.*, 57 FR 23246 (1992); *Bobby Watts, M.D.*, 53 FR 11919 (1988); *Avner Kauffman, M.D.*, 50 FR 34208 (1985).

The Deputy Administrator finds that Dr. Tashjian is not currently licensed to practice medicine or authorized to handle controlled substances in the State of California. Therefore, his DEA registration must be revoked.

Accordingly, the Deputy administrator of the DEA, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AT8440668, previously issued to James Simon Tashjian, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for the renewal of such registration, be, and they hereby are,

denied. This order is effective August 25, 1995.

Dated: July 19, 1995.

Stephen H. Greene,

Deputy Administrator.
