United States*, 822 F. Supp. 789 (CIT May 26, 1993). Therefore, we have used the highest rate from the LTFV investigation, which was 16.57 percent, in determining the margins for these three companies for this review.

Therefore, consistent with the preliminary results, the final results for the period April 1, 1993, through March 31, 1994, are as follows:

| Manufacturer/exporter | Percent margin |
|-----------------------|----------------|
| Samsung | 10.47 |
| Cosmos | 16.57 |
| Quantronics | 16.57 |
| Tongkook | 16.57 |

¹ No shipments or sales subject to this review. Rate from last segment of the proceeding in which the firm had shipments/sales.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. The Department will issue appraisement instructions on each exporter directly to the U.S. Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of CTVs entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results as provided by section 751(a)(1) of the Tariff Act: (1) The cash deposit rates for the reviewed companies will be those rates established above; (2) For previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) If the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) If neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rates will be the "all others" rate of 13.90 percent established in the LTFV investigation (49 FR 18336). These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation

of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.
